NOTICES OF PROPOSED RULES

A state agency may file a PROPOSED RULE when it determines the need for a new rule, a substantive change to an existing rule, or a repeal of an existing rule. Filings received between February 1, 2003, 12:00 a.m., and February 14, 2003, 11:59 p.m., are included in this, the March 1, 2003, issue of the Utah State Bulletin.

In this publication, each PROPOSED RULE is preceded by a RULE ANALYSIS. This analysis provides summary information about the PROPOSED RULE including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

Following the RULE ANALYSIS, the text of the PROPOSED RULE is usually printed. New rules or additions made to existing rules are underlined (e.g., example). Deletions made to existing rules are struck out with brackets surrounding them (e.g., [example]). Rules being repealed are completely struck out. A row of dots in the text (· · · · ·) indicates that unaffected text was removed to conserve space. If a PROPOSED RULE is too long to print, the Division of Administrative Rules will include only the RULE ANALYSIS. A copy of each rule that is too long to print is available from the filing agency or from the Division of Administrative Rules.

The law requires that an agency accept public comment on PROPOSED RULES published in this issue of the Utah State Bulletin until at least March 31, 2003. The agency may accept comment beyond this date and will list the last day the agency will accept comment in the RULE ANALYSIS. The agency may also hold public hearings. Additionally, citizens or organizations may request the agency to hold a hearing on a specific PROPOSED RULE. Section 63-46a-5 (1987) requires that a hearing request be received “in writing not more than 15 days after the publication date of the PROPOSED RULE.”

From the end of the public comment period through June 29, 2003, the agency may notify the Division of Administrative Rules that it wants to make the PROPOSED RULE effective. The agency sets the effective date. The date may be no fewer than 31 days nor more than 120 days after the publication date of this issue of the Utah State Bulletin. Alternatively, the agency may file a CHANGE IN PROPOSED RULE in response to comments received. If the Division of Administrative Rules does not receive a NOTICE OF EFFECTIVE DATE or a CHANGE IN PROPOSED RULE, the PROPOSED RULE filing lapses and the agency must start the process over.

The public, interest groups, and governmental agencies are invited to review and comment on PROPOSED RULES. Comment may be directed to the contact person identified on the RULE ANALYSIS for each rule.

PROPOSED RULES are governed by Utah Code Section 63-46a-4 (2001); and Utah Administrative Code Rule R15-2, and Sections R15-4-3, R15-4-4, R15-4-5, R15-4-9, and R15-4-10.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The Real Estate Commission recently amended this rule to reduce risk for licensees acting as dual agents. After the rule went into effect, real estate agents and brokers vigorously protested the need for the changes. The Real Estate Commission decided instead to amend the former rule to require disclosure of any ownership of realty involved in a transaction in which a licensee participates, and to reinstate that former rule as amended.

SUMMARY OF THE RULE OR CHANGE: The rule change clarifies the language of the portion of the rule that has been in existence for many years and deletes the additions to the rule that were made effective on August 31, 2002.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Subsection 61-2-5.5(1)(a)

ANTICIPATED COST OR SAVINGS TO:
❖ THE STATE BUDGET: If the recent rule change that is now to be repealed had educated licensees and caused them to act more appropriately in dual agency situations, the Division may have realized a small savings in investigative costs that will not be realized if the recent amendments to the rule are repealed. That there may or may not have been savings is speculative, however, and the amount of any such potential savings cannot be accurately quantified by the Division.
❖ LOCAL GOVERNMENTS: This rule does not affect local government, and therefore there is no anticipated cost or savings.
❖ OTHER PERSONS: Real estate agents and brokers believe that they will make more money if the recent additions to the rule are repealed because they will not have to share commissions with another brokerage if someone in their own brokerage is a principal in a real estate transaction being handled by the brokerage.

COMPLIANCE COSTS FOR AFFECTED PERSONS: Because recent additions to the rule are being repealed, there will be no compliance costs to licensees.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: There will be no negative impact on business. Agents and brokers may net larger commissions on certain transactions.

R162. Commerce, Real Estate.
R162-6-1. Improper Practices.

6.1.1. False devices. A licensee shall not propose, prepare, or cause to be prepared any document, agreement, closing statement, or any other device or scheme, which does not reflect the true terms of the transaction, nor shall a licensee knowingly participate in any transaction in which a similar device is used.

6.1.1.1. Loan Fraud. A licensee shall not participate in a transaction in which a buyer enters into any agreement that is not disclosed to the lender, which, if disclosed, may have a material effect on the terms or the granting of the loan.

6.1.1.2. Double Contracts. A licensee shall not use or propose the use of two or more purchase agreements, one of which is not made known to the prospective lender or loan guarantor.

6.1.2. Signs. It is prohibited for any licensee to have a sign on real property without the written consent of the property owner.

6.1.3. Licensee's Interest in a Transaction. A licensee shall not either directly or indirectly buy, sell, [or] lease or rent any real property as a principal, [either directly or indirectly,] without first disclosing in writing on the purchase agreement or the lease or rental agreement his true position as principal in the transaction. For the purposes of this rule, [A] licensee will be considered to be a [principal for the purposes of this rule]"principal in the transaction" if he: a) is himself the buyer or the lessee in the transaction; b) has any ownership interest in the property; c) has any ownership interest in the entity that is the buyer, seller, lessee, or lessee; or d) is an officer, director, partner, member, or employee of the entity that is the buyer, seller, lessor or lessee.[is an owner, officer, director, partner, member, or employee of an entity which is a principal in the transaction. In the case of a licensee who is a stockholder but who is not an officer, director, or employee of a corporation which is a principal in the transaction, the licensee will be considered to be a principal for the purposes of this rule if he owns more than 10% of the stock of the corporation.]
6.1.3.1 A licensee may not represent or attempt to represent a buyer in a transaction as a buyer's agent or as a limited agent if the licensee has an ownership interest, no matter how small, in a property which the buyer offers to purchase. A licensee may not represent or attempt to represent a buyer in a transaction as a buyer's agent or as a limited agent if the licensee is an officer, director, partner, member, employee, or stockholder of an entity that is the seller in the transaction.

6.1.2 A licensee may not represent or attempt to represent the seller in a transaction as a seller's agent or as a limited agent if: (a) the licensee is the buyer in the transaction; (b) the licensee has any ownership interest in an entity that is the buyer in the transaction; or (c) the licensee is an officer, director, partner, member, employee, or stockholder of an entity that is the buyer in the transaction.

6.1.3 To avoid a potential breach of fiduciary duty or a conflict of interest, any existing listing agreement with the licensee's brokerage must be terminated prior to or at the time the licensee, or any entity in which the licensee is an officer, director, partner, member, employee, or stockholder, contracts to purchase the property that is the subject of the listing agreement.

6.1.4.1. Net listings are prohibited and shall not be taken by a licensee.

6.1.5. Advertising. This rule applies to all advertising materials, including newspaper, magazine, Internet, e-mail, radio, and television advertising, direct mail promotions, business cards, door hangers, and signs.

6.1.5.1. Any advertising by active licensees that does not include the name of the real estate brokerage as shown on Division records is prohibited except as otherwise stated herein.

6.1.5.2. If the licensee advertises property in which he has an ownership interest and the property is not listed, the ad need not appear over the name of the real estate brokerage if the ad includes the phrase "owner-agent" or the phrase "owner-broker".

6.1.5.3. Names of individual licensees may be advertised in addition to the brokerage name. If the names of individual licensees are included in advertising, the brokerage must be identified in a clear and conspicuous manner. This requirement may be satisfied by identifying the brokerage in lettering which is at least one-half the size of the lettering which identifies the team, group, or other marketing entity.

6.1.5.4. Advertising teams, groups, or other marketing entities which are not licensed as brokerages is prohibited if the advertising states "owner-agent" or "owner-broker" instead of the brokerage name.

6.1.5.5. Advertising teams, groups, or other marketing entities which are not licensed as brokerages is permissible in advertising which includes the brokerage name upon the following conditions:

(a) The brokerage must be identified in a clear and conspicuous manner. This requirement may be satisfied by identifying the brokerage in lettering which is at least one-half the size of the lettering which identifies the team, group, or other marketing entity; and

(b) The advertising shall clearly indicate that the team, group, or other marketing entity is not itself a brokerage and that all licensees involved in the entity are affiliated with the brokerage named in the advertising.

6.1.5.6 If any photographs of personnel are used, the actual roles of any individuals who are not licensees must be identified in terms which make it clear that they are not licensees.

6.1.5.7. Any artwork or text which states or implies that licensees have a position or status other than that of sales agent or associate broker affiliated with a brokerage is prohibited.

6.1.5.8. Under no circumstances may a licensee advertise or offer to sell or lease property without the written consent of the owner of the property or the listing broker. Under no circumstances may a licensee advertise or offer to sell or lease property at a lower price than that listed without the written consent of the seller or lessor.

6.1.5.9. If an active licensee advertises to purchase or rent property, all advertising must contain the name of the licensee's real estate brokerage as shown on Division records.

6.1.6. Double Commissions. In order to avoid subjective the seller to paying double commissions, licensees must not sell listed properties other than through the listing broker. A licensee shall not subject a principal to paying a double commission without the principal's informed consent.

6.1.6.1. A licensee shall not enter or attempt to enter into a concurrent agency representation agreement with a buyer or a seller, a lessor or a lessee, when the licensee knows or should know of an existing agency representation agreement with another licensee.

6.1.7. Retention of Buyer's Deposit. A principal broker holding an earnest money deposit shall not be entitled to any of the deposit without the written consent of the buyer and the seller.

6.1.8. Unprofessional conduct. No licensee shall engage in any of the practices described in Section 61-2-2, et seq., whether acting as agent or on his own account, in a manner which fails to conform with accepted standards of the real estate sales, leasing or management industries and which could jeopardize the public health, safety, or welfare and includes the violation of any provision of Section 61-2-2, et seq. or the rules of this chapter.

6.1.9. Finder's Fees. A licensee may not pay a finder's fee or give any valuable consideration to an unlicensed person or entity for referring a prospect in a real estate transaction, except as provided in this rule.

6.1.9.1. Token gifts. A licensee may give a gift valued at $50 or less to an individual in appreciation for an unsolicited referral of a prospect which resulted in a real estate transaction.

6.1.10. Referral fees from lenders. A licensee may not receive a referral fee from a lender or a mortgage broker.

6.1.11. Failure to have written agency agreement. To avoid representing more than one party without the informed consent of all parties, principal brokers and licensees acting on their behalf shall have written agency agreements with their principals. The failure to define an agency relationship in writing will be considered unprofessional conduct and grounds for disciplinary action by the Division.

6.1.11.1. A principal broker and licensees acting on his behalf who represent a seller shall have a written agency agreement with the seller defining the scope of the agency.

6.1.11.2. A principal broker and licensees acting on his behalf who represent a buyer shall have a written buyer agency agreement with the buyer defining the scope of the agency.

6.1.11.3. A principal broker and licensees acting on his behalf who represent both buyer and seller shall have written agency agreements with both buyer and seller which define the scope of the limited agency and which demonstrate that the principal broker has obtained the informed consent of both buyer and seller to the limited agency as set forth in Section R162-6.2.16.3.1.
6.1.11.3.1 A licensee may not act or attempt to act as a limited agent in any transaction in which: a) the licensee is a principal in the transaction; or b) any entity in which the licensee is an officer, director, partner, member, employee, or stockholder is a principal in the transaction.

6.1.11.4. A licensee affiliated with a brokerage other than the listing brokerage who wishes to act as a sub-agent for the seller, shall, prior to showing the seller's property:
(a) obtain permission from the principal broker with whom he is affiliated to act as a sub-agent;
(b) notify the listing brokerage that sub-agency is requested;
(c) enter into a written agreement with the listing brokerage consenting to the sub-agency and defining the scope of the agency; and
(d) obtain from the listing brokerage all information about the property which the listing brokerage has obtained.

6.1.11.5. A principal broker and licensees acting on his behalf who act as a property manager shall have a written property management agreement with the owner of the property defining the scope of the agency.

6.1.11.6. A principal broker and licensees acting on his behalf who represent a tenant shall have a written agreement with the tenant defining the scope of the agency.

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The Division has been notified that the current rule is not consistent with the Appraiser Qualification Criteria of the federal Appraisal Foundation.

SUMMARY OF THE RULE OR CHANGE: The rule is corrected to provide that the authority of a licensed appraiser is $250,000 in a complex transaction and $1,000,000 in a non-complex transaction.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Subsection 61-2b-6(l)

ANTICIPATED COST OR SAVINGS TO:
❖ THE STATE BUDGET: Since the proposed rule change liberalizes the types of appraisals that may be performed by the State-Licensed category of appraiser, which is a lower level category than a State-Certified Appraiser, there may be some small savings to those State agencies that employ or use the services of appraisers.
❖ LOCAL GOVERNMENTS: There is the same potential impact on local government agencies as State agencies.
❖ OTHER PERSONS: Other persons who hire appraisers may realize a small savings by being able to employ a State-Licensed Appraiser to perform appraisals instead of hiring a State-Certified Appraiser.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There are no compliance costs for appraisers. State-Licensed Appraisers will now be able to perform appraisals on a higher transaction value without additional education and examination costs.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: There will be no negative impact on business. Licensed appraisers will be permitted to appraise higher value properties.

having a transaction value of less than $250,000. DAR File No. 26024

105.2.1 Subject to the transaction value limits in Section 105.2, State-Licensed Appraisers may also perform appraisals in federally-related transactions of vacant or unimproved land that is utilized for one to four family purposes, or for which the highest and best use is 1-4 family purposes, so long as net income capitalization analysis is not required by the terms of the assignment.

105.2.2 State-Licensed Appraisers may not perform appraisals of subdivisions in federally-related transactions for which a development analysis/appraisal is necessary or for which discounted cash flow analysis is required by the terms of the assignment.

105.3 Unclassified Individuals.

105.3.1.2. Unclassified individuals who have not yet accumulated 100 experience points and who have not successfully completed the education required for licensure may not participate in: selecting comparables for an appraisal assignment; making adjustments to comparables; drafting an appraisal report; and, except when working in the presence of a state-licensed or state-certified appraiser, inspecting a property that is the subject of an appraisal or that may be used as a comparable in an appraisal, or measuring a property.

105.3.2. Unclassified individuals who have accumulated 100 experience points and have successfully completed at least 30 hours of the education required for licensure may act in the capacity of an appraisal "trainee" under the direct supervision of a state-licensed or state-certified appraiser. A "trainee" is permitted to have more than one supervising appraiser.

105.3.2.1. An appraiser "trainee" may, under the direct supervision of a state-licensed or state-certified appraiser, participate in selecting comparables for an appraisal assignment, participate in making adjustments to comparables, draft appraisal reports, and when working in the presence of a state-licensed or state-certified appraiser, inspect a property that is the subject of an appraisal or that may be used as a comparable in an appraisal, and measure a property.

105.3.2.2. 105.3.3. All experience points cannot be earned in one 12-month period. For applicants for licensure, a maximum of 300 points will be credited for any one 12-month period. Credit will be given for appraisal experience earned only within five years immediately preceding the licensure or certification application. Applicants who believe the Experience Points Schedule does not adequately reflect their experience may refer to Section 104-17.

105.3.4. All unclassified individuals are prohibited from signing an appraisal report or discussing an appraisal assignment with anyone other than the appraiser responsible for the assignment, state enforcement agencies and such third parties as may be authorized by due process of law, or a duly authorized professional peer review committee.

105.3.5. A classified appraiser who supervises an unclassified individual shall be responsible for the training and direct supervision of the unclassified individual.

105.3.5.1 Direct supervision shall consist of critical observation and direction of all aspects of the appraisal process and accepting full responsibility for the appraisal and the contents of the appraisal report.

105.3.5.2 A classified appraiser shall require the unclassified appraiser to maintain a log in a form satisfactory to the Board which shall contain, at a minimum, the following information for each appraisal.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The sand dune areas of Utah are becoming more and more populated as more people are riding Off-Highway Vehicles (OHV) for recreation. Because of the rolling nature of sand dunes, visibility of other OHVs is restricted and by requiring a safety flag on each OHV, it will provide an important means of increasing the visibility of OHV’s on the dunes, making it safer for OHV riding.
SUMMARY OF THE RULE OR CHANGE: To make OHV recreation safer for OHV riders by requiring a safety flag on OHV's ridden on the sand dunes at Coral Pink Sand Dunes, Big Sand Mountain Special Recreation Management Area and Little Sahara Special Recreation Management area.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 41-22-31

ANTICIPATED COST OR SAVINGS TO:
❖ THE STATE BUDGET: This is a new rule regarding safety, and displaying a safety flag on any OHV at Coral Pink Sand Dunes, Big Sand Mountain Special Recreation Management Area and Little Sahara Special Recreation Management Area. Therefore, there would be no aggregate anticipated cost or savings to the State budget.
❖ LOCAL GOVERNMENTS: There will be no aggregate anticipated cost or savings to local government as this is a rule for state safety to require a safety flag when using OHV's at sites stated above.
❖ OTHER PERSONS: The only cost anticipated would be the purchase of a safety flag for display on the OHV and that cost would be very minimal.

COMPLIANCE COSTS FOR AFFECTED PERSONS: Anyone who does not comply with the safety flag requirement could be cited by a law enforcement officer, which includes park rangers.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: We have no evidence that the proposed change will have any impact on business.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: This amendment is intended to allow seaplanes access to designated lakes and reservoirs in Utah. The State Division of Aeronautics supports the request made by the Seaplane Pilot's Association, and decided to do some research. This rule is filed after the research was completed. Prior to this action, aircraft could not land or take off within the state park system except at designated landing areas. This rule allows emergency aircraft and other pre-approved aircraft to land. It will allow aircraft to land and take off from designated lakes and reservoirs, i.e. Deer Creek, Jordanelle, Rockport, Starvation and Willard Bay according to the listed times of year. May 1 to Sept. 30 - anytime except Friday, Saturday, Sunday, or during a holiday period, (holiday period being the day of the holiday and the day after; from October 1 to April 30, aircraft can land any time. The aircraft cannot land or take off anytime it cannot maintain a distance of at least 500 feet from any person, vessel, vehicle or structure during such takeoff or landing.

SUMMARY OF THE RULE OR CHANGE: This rule is made to accommodate this special use of seaplanes in the state and those who use seaplanes for taking off and landing at Deer Creek, Jordanelle, Rockport, Starvation and Willard Bay state parks.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 63-11-17

ANTICIPATED COST OR SAVINGS TO:

❖ THE STATE BUDGET: Costs to operate this system would be borne by the Seaplane Pilot's Association and therefore the State budget will have no aggregate anticipated cost or savings.

❖ LOCAL GOVERNMENTS: The safety on certain waters of the State of Utah is the responsibility of Utah State Parks rangers. This is a state program, and local government is not will not be affected.

❖ OTHER PERSONS: Persons who will be use seaplanes will have to obtain the necessary licenses, registration or other documents required by the Seaplane Association. Any cost for these items would be the responsibility of the operator of the seaplane.

COMPLIANCE COSTS FOR AFFECTED PERSONS: Costs of operating and flying the seaplanes will be those of the operator of the vessel.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The department finds no evidence that the proposed change will have any impact on business.

**Application to Discontinue or Curtail Telecommunications Services**

**NOTICE OF PROPOSED RULE**

*(New Rule)*

DAR FILE NO.: 26047

FILED: 02/14/2003, 16:45

**RULE ANALYSIS**

**PURPOSE OF THE RULE OR REASON FOR THE CHANGE:** The purpose of this rule is to provide a framework for companies exiting the Utah telecommunications market.

**SUMMARY OF THE RULE OR CHANGE:** This rule will require companies to provide notice of their intent to curtail services or exit the market. It outlines the steps companies must take to inform the Commission, customers, other telecommunications carriers, and the public in general of the change in their operations in Utah's telecommunications services markets.

**STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE:** Sections 54-3-1, 54-3-3, 54-4-1, and 54-4-4

**ANTICIPATED COST OR SAVINGS TO:**

- THE STATE BUDGET: The Commission and the Division of Public Utilities are already doing much of the activity envisioned to be undertaken by state agencies through the rule. The rule will not result in additional costs for state agencies. By establishing an orderly process for providers to exit service markets, some, but not substantial, savings could be realized through the operation of the rule.
- LOCAL GOVERNMENTS: The rule does not require any action from local governments; there should be no costs or savings affect on them.
- OTHER PERSONS: Some telecommunications service providers have exited Utah markets without providing notice to their customers. The rule's requirement that notice be given to customers will result in a cost to generate and deliver the notices containing the required information to customers. Total costs will be dependant upon the number of customers to be notified by exiting providers. It is anticipated the compliance with the notice and information requirements would be less than $1.00 per customer.

**COMPLIANCE COSTS FOR AFFECTED PERSONS:** The potential compliance costs for exiting providers is considered to be less, at times significantly less, than the economic costs that arise when customers and suppliers face, from their position, the unanticipated, unplanned exit or curtailed services of a telecommunications provider. The Commission believes that compliance costs for this rule would not be substantial, as a well run service provider would be expected to be able to meet the rule's information and notice requirements in its normal and usual customer service and business operations.

**COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES:** The rule will have some fiscal impact upon exiting providers to the extent that, without the rule, they would not provide any or limited prior notice of the alteration or cessation of their services to customer in Utah. Under the rule, customers of exiting providers will have adequate opportunity to arrange replacement services in an orderly fashion, without the disruption and fiscal consequences of unanticipated and unplanned service disruption. Statutory requirements require the Commission to consider the economic effects and impacts of the manner in which telecommunications companies provide service in Utah and ensure that service, or the cessation of service, is done in a just and reasonable manner.

For example, if the LEC identifies a UNE loop with a circuit identification number, the exiting telecommunications company must provide the LEC with the customer telephone number assigned to the LEC's UNE loop circuit identification number. 2. telephone contact information to enable the supplier or a new provider to obtain underlying service and circuit identification information needed to establish comparable replacement service for a customer who will no longer receive service from the exiting provider. Telecommunications companies that are suppliers, pursuant to this subsection, shall provide the information in the required notices to the subsequent provider upon a request authorized by the customer.

H. Notice to the National Number Administrator -- The notice required in R746-350-3(B)(6) to the national number administrator authorizing the release of all assigned telephone numbers to the succeeding providers shall include identification of all working telephone numbers assigned to customers, identification of all unassigned or administrative numbers available for reassignment to other providers and the date the unassigned telephone numbers will be available for reassignment. 1. The exiting provider shall cooperate fully with the replacement provider in transitioning the services of the customers to the replacement provider. This cooperation shall include:
   a. providing information to the replacement provider regarding its customers' services and the facilities, easements and other contract or property rights used by the exiting provider to provide the services, as permitted by law and
   b. transferring facilities, easements and other contract or property rights used by the exiting provider in providing the services to the customers to the replacement provider to the extent agreed upon.

2. A replacement provider, selected by a customer to provide service, shall attempt in good faith to provide service in accordance with its tariff or price list and within its normal provisioning intervals, unless the provisioning intervals cannot be met because of the lack of physical facilities necessary to serve the customer.

3. If the replacement provider selected by a customer determines that notwithstanding its best efforts it will be unable to provide service to the customer by the exiting provider's Intended Date of Discontinuance, the replacement provider shall immediately notify the Commission, the Division, the customer and the exiting provider. If the customer is unable to select another available replacement provider, the exiting provider shall continue to provide service until the earlier of:
   a. the date on which a replacement provider is able to provide service, or
   b. a date ordered by the Commission.

4. If the exiting provider has satisfied all requirements of this rule, and if a replacement provider is willing and able to provide service by the Intended Date of Discontinuance or the date determined by order of the Commission, it is anticipated that the exiting provider will not be required to continue service to its customers after the later of the Intended Date of Discontinuance or the date determined by order of the Commission. Nothing in this rule, however, shall be construed as shielding the exiting provider from any legal liability to its customers or any other person or entity, whether the liability is grounded in contract, tort or otherwise, including any obligation for any interconnection payment required to maintain service to the exiting provider's customers.

5. The exiting provider and replacement provider shall be exempted from Section 54-8b-18 and R746-349-5 and may undertake the necessary steps to change the exiting provider's customer's service provider without being considered to have
engaged in slamming; provided that replacement provider may not change a customer’s preferred interexchange carrier (PIC) designation, other than a designation of the exiting provider as PIC or local PIC, without customer authorization.

6. Neither the exiting provider nor the replacement provider shall be considered to have misused customer proprietary network information as a result of providing and receiving that customer information as is necessary to establish and provide service pursuant to this rule.

7. Nothing in this rule shall require the replacement provider:
   a. to provide service other than that it has indicated to the customers of the exiting provider that it would provide, or
   b. to provide the service at rates or on terms other than those published in the replacement provider’s tariffs or price lists.

8. Nothing in this rule obligates the replacement provider to undertake any obligation of the exiting provider. To the contrary, unless expressly agreed in writing or ordered by the Commission, it shall be presumed that the replacement provider has not undertaken any obligation of the exiting provider.

A. Failure to Comply -- When the exiting provider fails to comply with the terms of this rule, regardless of the cause for noncompliance, including involuntary bankruptcy, the following shall apply:
   1. If the Commission determines that an LEC, a telecommunications service supplier, UNE/essential facility or service provider, or replacement provider incurred excess costs, in whole or in part, as a result of the exiting provider's failure to comply with this rule, that portion of the excess costs attributable to the exiting provider's failure to comply shall be recoverable by the Commission from the exiting provider, including from any bond posted by the exiting provider pursuant to R746-349-3(A)(2), in addition to any other fines or penalties that may be applicable.
   2. Within 90 days after the effective date of this rule, all telecommunications corporations that were required to post a bond pursuant to R746-349-3(A)(2) shall provide the Commission with proof that such bond, or another bond of an equal amount, is available to satisfy any obligation of the telecommunications corporation that might arise under the terms of this rule, in addition to remaining available as security for other obligations as originally required. Telecommunication corporations that received a previous exemption from the bond requirement shall submit a bond, for the purposes of this rule, within 90 days after the effective date of this rule, or seek an additional exemption from this rule. A telecommunications corporation seeking a certificate from the Commission after the effective date of this rule shall post a bond as directed by the Commission sufficient to satisfy any obligation of the telecommunications corporation that might arise under the terms of this rule.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: This rule provides for the use of languages other than English for communications with non-English speakers, to promote English proficiency, and to encourage language training in the Utah System of Higher Education (USHE).

SUMMARY OF THE RULE OR CHANGE: While English is the official language of Utah and the sole language of the government, Utah colleges and universities and the Utah Higher Education Assistance Authority (UHEAA) may use languages other than English for communications with non-English speakers pursuant to Utah Code 63-13-1.5. Languages other than English may be used to explain educational opportunities, policies and procedures, training and other related programs, while promoting the principle that non-English speaking children and adults should become able to read, write, and understand English as soon as possible. Foreign language training, as well as English as a Second Language, shall continue to be supported at System institutions and UHEAA. The use of languages other than English is permissive and not required.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Sections 63-13-1.5 and 53B-2-106

ANTICIPATED COST OR SAVINGS TO:
❖ THE STATE BUDGET: Promoting English proficiency while using languages other than English to communicate with non-English speakers at USHE institutions will enhance the education, productivity, and employment of such persons living in Utah. Anticipated costs or savings to the state budget are undetermined, but it is believed that improved employment opportunities for those served will outweigh minimal costs. The use of languages other than English is permissive and not required.
❖ LOCAL GOVERNMENTS: Anticipated costs or savings to local government through promoting English proficiency while using languages other than English at USHE institutions to communicate with non-English speakers are undetermined. The use of language other than English is permissive and not required.
❖ OTHER PERSONS: Anticipated costs or savings to other persons through promoting English proficiency while using languages other than English at USHE institutions to communicate with non-English speakers are undetermined. The use of language other than English is permissive and not required.
COMPLIANCE COSTS FOR AFFECTED PERSONS: Compliance costs for affected persons is undetermined. However, the use of language other than English is permissive and not required by this rule. The support of foreign language instruction and programs in English as a Second Language are ongoing priorities at USHE institutions.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: Implementation of this rule will only have positive impact on businesses, as increased English proficiency and enhanced language training will enable current non-English speakers to become better employees and/or customers and clients of Utah businesses.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of this rule is to reduce the time needed to process appeals.

SUMMARY OF THE RULE OR CHANGE: This amendment changes the date on which an appellant must file documentation in support of his appeal from 10 days after filing an appeal to the date of the appeal and substitutes "presiding officer" for "director" whenever rule refers to the hearing officer.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 72-1-201

ANTICIPATED COST OR SAVINGS TO:
- THE STATE BUDGET: This change would reduce the cost very slightly by eliminating the need to schedule a submission date in a separate letter.
- LOCAL GOVERNMENTS: Local governments are not covered by this rule, so there would be no affect.
- OTHER PERSONS: The change would have no fiscal impact on other people since it merely changes the time for submission of documents, not the requirement that they be submitted.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There are no compliance costs since this amendment merely changes the time for submission of documents, not the requirement that they be submitted.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: No fiscal impact is anticipated since it merely changes the time for submission of documents, not the requirement that they be submitted.

AUTHORIZED BY: John R. Njord, Executive Director

R907. Transportation, Administration.
R907-1. Appeal of Departmental Actions.
R907-1-1. General Administrative Procedures.

All applications, Requests for Agency Action, and appeals from Notices of Agency Action shall be processed as informal adjudicative proceedings pursuant to Title 63, Chapter 46b, Utah Administrative Procedures Act (UAPA), unless another rule specifically designates a proceeding as formal or either party requests conversion to a formal proceeding and the presiding officer decides that conversion is in the public interest and does not prejudice the rights of any party. An evidentiary hearing will be held only for formal adjudicative proceedings. However, nothing in this rule is intended to prohibit the presiding officer from holding a meeting of all parties for purposes of settlement, fleshing out of the issues, oral argument, or presentation of evidence. Adjudicative proceedings are subject to agency review or appeal pursuant to Utah Code Ann. Section 63-46b-12 only when statute or a rule specifically provides for review. This rule does not apply to employee grievances, personnel actions, or requests for records under the Governmental Records Access and Management Act (GRAMA). When used in these rules, "director" means Presiding Officer except when used as Executive Director.

(1) An adjudicative proceeding commenced by the department is initiated by a Notice of Agency Action, which the department shall mail or personally deliver to the person or persons against whom the action is proposed to be taken (respondents). UDOT shall publish the Notice of Agency Action if required by statute, any other rule, or the Utah Transportation Commission.

(2) A Notice of Agency Action shall include the following information:
(a) the names and mailing addresses of all respondents and any other persons to whom notice is being given;
(b) the department's file number or other reference number;
(c) a name or caption of the adjudicative proceeding, i.e., Utah Department of Transportation, Motor Carrier Safety Division v. XXXX Trucking Company;
(d) the date on which the Notice was placed in U.S. Mail, or personally served upon the respondents;
(e) a statement that, if the person requests an appeal of the agency action, the adjudicative proceeding will be conducted informally pursuant to these rules unless either the department or the respondent requests conversion to a formal adjudicative proceeding and the appropriate presiding officer identified in R907-1-3(2) grants the request;
(f) a statement of the legal authority and jurisdiction under which the adjudicative proceeding is to be maintained;
(g) the name, title, mailing address, and telephone number of the office initiating the Notice of Agency Action and the appropriate hearing officer;
(h) a general statement of the purpose of the adjudicative proceeding and, to the extent known, the questions to be decided;
(i) if the department is proposing to assess a fine or penalty, the amount of the fine or penalty and a summary of the evidence supporting the proposed amount;
(j) a statement that the respondent is entitled to agency review if he or she files a Request for Agency Appeal with the initiating division or office within 30 days from the date the Notice is deposited in U.S. Mail or personally served.

3) Absent filing of a timely request, the department will issue an order that the respondent is in default. If the defaulting party is the sole respondent, the Notice of Agency Action will then become the final order of the department. If the Order of Default was issued by that hearing officer, the defaulting party may appeal to the appropriate hearing officer identified in R907-3-1. The sole issue is whether entering a default is appropriate.

R907-1-3. Commencement by a member of the public -- Complete or Partial Denials of Applications or Requests for Agency Action -- Default.

1) If the Department denies, either completely or in part, an application or Request for Agency Action and that action is subject to agency appeal, the division or office issuing the denial shall send to the applicant a written reply as promptly as possible. The reply should include a brief summary of the reasons for the decision along with a listing of any statutes or rules that were interpreted or relied upon for it, along with UDOT's file or reference number. It shall advise the applicant of his or her right to request agency review by filing a written request with the initiating division or office within 30 days after issuance of the notice. In addition, the reply shall inform the applicant that his written request for appeal must include any supporting documentation, including legal memoranda, that he or she wishes to be considered. The reply shall constitute the proposed order of the division or office making the decision and shall so indicate on the reply. If there is no appeal within 30 days, it shall become the final order of the department.

2) Upon receiving a Request for Agency Appeal, the division or office shall first evaluate it to determine whether it meets the requirements of Utah Code Ann. Section 63-46B-12(1)(b), i.e., whether it is signed, states the grounds upon which review is requested, the relief sought, and stating the date upon which it was mailed. If the request does not meet the statutory requirements, or was received at the division or office after the 30-day appeals period, it shall be returned to the sender with explanation as to the reason for the return. If the request meets the statutory requirements, the division or office shall promptly forward the material and a copy of any relevant material in its files to:
(a) the State Operations Engineer, if the action involves Title 72, Chapter 7, Part 5, Utah Outdoor Advertising Act;
(b) the deputy [Director], if the action involves Title 72, Chapter 9, Motor Carrier Safety Act;
(c) the Project Development Director or designee, if the matter relates to:
   (i) construction contract disputes;
   (ii) construction bids or the Disadvantaged Business Enterprise (DBE) program, in which case, the agency review also constitutes "administrative reconsideration" under federal regulation;
(d) the Region Director, if the action involves something other than the items listed in subsections (a), (b), or (c), and a specific appellate procedure is not otherwise specified in these rules or in statute;
(e) the [Executive Director] or designee, if the action involves something other than the items listed in subsections (a), (b), (c), or (d) and was initiated by Department personnel located at Department headquarters at the Calvin Rampton Complex.

3) The positions listed above shall be the respective presiding officers. However, either the [Executive Director] or deputy [Director] may designate another to act as a substitute. Additionally, when called to preside over adjudicative proceedings that involve access management or has potential " takings" or inverse condemnation implications, the Region Director may designate a group of individuals either to advise on the issue or to take over presiding officer duties. If the Region Director designates a group to take over presiding officer duties, he or she shall appoint:
(a) an odd-numbered group so that any decision will not result in a tie; and
(b) a chairperson.

4) The person who issued the appealed order may not be included in either of the groups established in paragraph (3). However, the person who issued the decision may be consulted, asked for the reasons underlying his decision, and called as a witness if the proceeding is converted to a formal one.

4) Absent filing of a timely Request for Agency Appeal, the department will issue an order that the respondent is in default. If the defaulting party is the sole respondent, the Request for Agency Action will be dismissed. The department shall either mail a copy of the default order and the dismissal order to the person who requested the action.
(5) If the defaulting party is not the sole requester, the initiating division, office, or the appropriate hearing officer shall mail the Order of Default to all parties. The adjudicative proceeding may continue and the department may determine all issues in the proceeding, including those affecting the defaulting party.

(6) A defaulting party may seek agency appeal of an Order of Default by appealing to the presiding. If the Order of Default was issued by that officer, then the defaulting party must seek reconsideration of the Order of Default pursuant to R907-1-5. The sole issue is whether entering default was appropriate.

(1) [Upon receiving notice from the division or office of the filing of an appeal either in response to a Notice of Agency Action or a complete or partial denial of an application or Request for Agency Action, the presiding officer shall send a notice to the applicant notifying him or her that the appeal has been received and notifying the appellant of the opportunity to submit further documentation in support of the appeal by a date certain. That date should not be less than 10 days nor more than 20 days after the letter is sent.]

(2) Discovery is prohibited, but subpoenas may be issued for the production of necessary evidence. Upon request, the applicant shall have access to information contained in the agency's files and to all materials and information gathered in any investigation, except as otherwise provided by law.

(3) Within 20 days after receipt of a request for agency review, any party, including the division or office that issued the original decision, may submit additional documentation, which may include legal briefs, to the person required to decide on review. The person deciding on review may grant either party an extension of time.

(4) The person deciding the review shall issue a final agency order as promptly as possible. The order shall contain:

(a) a designation of the statute or rule permitting or requiring review;
(b) a statement of the issues reviewed;
(c) findings as fact as to each of the issues;
(d) conclusions of law as to each of the issues;
(e) the reasons for the disposition;
(f) whether the decision of the division or office initiating the decision is affirmed, reversed, modified, or remanded;
(g) the right to judicial review pursuant to Utah Code Ann. Section 63-46b-15 by filing a complaint in district court within 30 days.

R907-1-5. Reconsideration.

(1) Within 20 days after issuance of the final order, any party may request reconsideration, stating the specific grounds upon which relief is requested.

(2) The person filing the request shall mail a copy to each party.

(3) The executive director, or his designee, shall issue a written order either denying or granting the request. If no order is issued within 20 days, the request shall be considered denied. If the request is granted in any part and a new final order is issued, it shall include the same information listed in R907-1-4, or R907-1-6 if the matter concerned motor carriers.

(1) When a motor carrier appeals the imposition of a penalty under Title 72, Chapter 9, Motor Carrier Safety Act, he or she shall follow the procedures established in R907-1. This proceeding is an informal adjudicative proceeding under Title 63, Chapter 46b, Utah Administrative Procedures Act; therefore, discovery is prohibited, but the administrative hearing officer may issue subpoenas or other orders to compel production of necessary evidence. The Department shall provide the applicant, upon request, information in the agency's files, including records that are part of any investigation unless those records are otherwise made confidential or protected from disclosure.

(2) If the proceeding is converted to a formal adjudicative proceeding and an evidentiary hearing held, the Department's deputy director may act as the administrative hearing officer. He may also designate another in his stead. At the hearing, the motor carrier shall go first and is burdened to show why the Department's civil penalties should not be assessed. The division shall respond, with the motor carrier being given an opportunity to rebut the division's evidence. If the administrative hearing officer decides doing so will be beneficial to his understanding of the issues, he may allow closing statements or arguments and he may tape the proceedings. The rules of evidence do not apply.

(3) The person deciding the review shall issue a final agency order as promptly as possible. The order shall contain:

(a) a designation of the statute or rule permitting or requiring review;
(b) a statement of the issues reviewed;
(c) findings as fact as to each of the issues;
(d) conclusions of law as to each of the issues;
(e) the reasons for the disposition;
(f) whether the decision of the division or office initiating the decision is affirmed, reversed, modified, or remanded;
(g) the right to judicial review pursuant to Utah Code Ann. Section 63-46b-15 by filing a complaint in district court within 30 days.

(1) If, notwithstanding R907-1-1, the department wishes to initiate an adjudicative proceeding as a formal proceeding, the formal hearing process shall be conducted as follows:

(2) A Notice of Agency Action shall include the following information:

(a) the names and mailing addresses of all respondents and any other persons to whom notice is being given;
(b) the department's file number or other reference number;
(c) a name or caption of the adjudicative proceeding, i.e., Utah Department of Transportation, Motor Carrier Safety Division, v. XXXX Trucking Company;
(d) the date on which the Notice was placed in U.S. Mail, or personally served upon the respondents;
(e) a statement of the legal authority and jurisdiction under which the adjudicative proceeding is to be maintained;
(f) the name, title, mailing address, and telephone number of the office initiating the Notice of Agency Action and the appropriate hearing officer;
(g) a general statement of the purpose of the adjudicative proceeding and, to the extent known, the questions to be decided;
(h) if the department is proposing to assess a fine or penalty, the amount of the fine or penalty and a summary of the evidence supporting the proposed amount;
(i) A statement that the adjudicative proceeding is to be conducted formally according to the provisions of these Rules and Sections 63-46b-6 to 63-46b-11;

(j) A statement that a written response must be filed within 30 days of the mailing date of the Notice of Agency Action;

(k) A statement of the time and place of the hearing, a statement of the purpose for which the hearing is to be held, and a statement that a party who fails to attend or participate in the hearing may be held in default;

(3) Absent filing of a timely request, the department will issue an order that the respondent is in default. If the defaulting party is the sole respondent, the Notice of Agency Action will then become the department's final order. The initiating division, office, or appropriate hearing officer shall revise the Notice of Agency Action to effect this change, captioning the Notice as the Final Order, affixing the appropriate signature the new date. The department may not change the contents in any substantive manner. However, the final order shall include a provision that notifies the respondent of his right to judicial. The department shall then either mail or personally serve the respondent with a copy of the default order and the final order.

(4) If the defaulting party is not the sole respondent, the initiating division, office, or the appropriate hearing officer shall mail the Order of Default to all parties. The adjudicative proceeding may continue and the department may determine all issues in the proceeding, including those affecting the defaulting party.

(5) A defaulting party may seek agency review of an Order of Default by appealing to the appropriate hearing officer identified in R907-1-3(2). If the Order of Default was issued by that hearing officer, then the defaulting party must seek reconsideration of the Order of Default pursuant to R907-3-1. The sole issue is whether entering default was appropriate.

In all formal adjudicative proceedings, the respondent shall file and serve a written response signed by the respondent or a representative within 30 days of the mailing date of the Notice of Agency Action that shall include:

1. UDOT's file number or other reference number;
2. The name of the adjudicative proceeding;
3. A statement of the relief that the respondent seeks;
4. A statement of the facts; and
5. A statement summarizing the reasons that the relief requested should be granted.

The response shall be filed with UDOT and one copy shall be sent by mail to each party.

(7) All papers permitted or required to be filed under these rules shall be filed with UDOT and one copy shall be sent by mail to each party.

(8) In the discretion of the Presiding Officer Director, any respondent may be heard without written pleadings or an order of default may be entered pursuant to the Rules below.

(1) Order Granting Leave to Intervene Required. Any person, not a party, desiring to intervene in a formal proceeding shall obtain an order from the presiding officer granting leave to intervene before being allowed to participate. Such order shall be requested by means of a signed, written petition to intervene which shall be filed with UDOT by the time a response is due as prescribed in R907-1-7 and a copy promptly mailed to each party. Any petition to intervene or materials filed after the date a response is due, may be considered by the presiding officer only upon separate motion of the intervenor made at or before the hearing for good cause shown.

(2) Content of Petition. Petitions for leave to intervene must identify the proceedings. The petition must contain a statement of facts demonstrating that the petitioner's legal rights or interest are substantially affected by the formal adjudicative proceeding, or that the petitioner qualifies as an intervenor under any provision of law. Additionally, the petition shall include a statement of the relief, including the basis thereof, that the petitioner seeks from the presiding officer.

(3) Response to Petition. Any party to a proceeding in which intervention is sought may make an oral or written response to the petition for intervention. Such response shall state the basis for opposition to intervention and may suggest limitations to be placed upon the intervenor if intervention is granted. The response must be presented or filed at or before the hearing.

(4) Granting of Petition. The presiding officer shall grant a petition for intervention if he or she determines that:

(a) The petitioner's legal interests may be substantially affected by the formal adjudicative proceeding; and
(b) The interests of justice and the orderly and prompt conduct of the adjudicative proceedings will not be materially impaired by allowing the intervention.

(5) Order Requirements.

(a) Any order granting or denying a petition to intervene shall be in writing and sent by mail to the petitioner and each party.

(b) An order permitting intervention may impose conditions on the intervenor's participation in the adjudicative proceeding that are necessary for a just, orderly, and prompt conduct of the adjudicative proceeding.

(c) The presiding officer may impose conditions at any time after the intervention.

(d) If it appears during the course of the proceeding that an intervenor has no direct or substantial interest in the proceeding and that the public interest does not require the intervenor's participation therein, the presiding officer may dismiss the intervenors from the proceeding.

(e) In the interest of expediting a hearing, the presiding officer may limit the extent of participation of an intervenor. Where two or more intervenors have substantially like interests and positions, the presiding officer may at any time during the hearing limit the number of intervenors who will be permitted to testify, cross-examine witnesses or make and argue motions and objections.

All hearings before the Presiding Officer Director shall be governed by the following procedures:

(10) Continuances of the Hearing. Any hearing may be continued to a time and date certain announced at the hearing, which shall not require any new notification. The continuance of the hearing may also be made by the request of the Director when in the public interest.
(11) Oral Argument and Briefs. Upon the conclusion of the taking of evidence, the Director may, at his discretion, permit the parties to make oral arguments or submit additional briefs or memoranda upon a schedule to be designated by the Director.

Parties desiring a copy of the certified shorthand reporter's transcript may purchase it from the reporter.
(b) The record of the proceedings may also be made by means of a tape recorder or other recording device if the Director determines that it is unnecessary or impracticable to employ a certified shorthand reporter and the parties do not desire to employ a certified shorthand reporter. Any party, at its own expense, may have a person approved by the Director prepare a transcript of the hearing, subject to any restrictions that the Director is permitted by statute to impose to protect confidential information disclosed at the hearing. Whenever a transcript or tape recording of a hearing is made, it shall be available at the appropriate UDOT office for use, but may not be taken out of the office. If the party agrees to pay the costs, the Department will make a copy to give to them.
(13) Preserving Integrity. This section does not preclude the Director from taking appropriate measures necessary to preserve the integrity of the hearing.
(14) Summons, Witness Fees and Discovery. The Director may allow appropriate witness fees as provided by statute or rule.
(a) Summons. The Director may issue a summons or subpoena on its own motion, or upon request of a party, shall issue summons or subpoenas for the attendance of witnesses and the production of any pertinent paper, book, record, document, or other appropriate discovery of evidence.
(b) Discovery. Upon the motion of a party and for good cause shown that it is to obtain relevant information necessary to support a claim or defense, the Director may authorize such manner of discovery against another party or person, including the UDOT staff, as may be prescribed by and in the manner provided by the Utah Rules of Civil Procedure.
(c) Construction. Nothing in this section restricts or precludes any investigative right or power given to the Transportation Commission or Director by law.

Notice of objection thereto shall be submitted to the Director and all parties of record within ten days of service.

The order shall be effective on the date of issuance, unless otherwise provided in the order. Upon the petition of a person subject to the order and for good cause shown, the Director may extend the time for compliance fixed in its order.
(9) Evaluation of Evidence. The Director may use his expertise, technical competence, and specialized knowledge to evaluate the evidence.
(10) Hearsay. No finding of fact that was contested may be based solely on hearsay evidence.

(12) Notice. The Director shall notify all parties to the proceeding of its decision. A copy of the order with accompanying findings of fact and conclusions of law shall be delivered or mailed to each party.

(1) Time for Filing. Within 20 days after the date that a final order is issued in the formal adjudicative process, any party may file a written request for reconsideration, rehearing, stating the specific grounds upon which relief is requested.

(2) Not Prerequisite for Judicial Review. Unless otherwise provided by law, the filing of the request for reconsideration is not a prerequisite for seeking judicial review of the order.

(3) Mailing Requirement. The request for reconsideration shall be filed with the Director. One copy shall be sent by mail, within three days of said filing, to each party by the person making the request.

(4) Contents of Petition. A petition for reconsideration shall set forth specifically the particulars in which it is claimed the Director's order or decision is unlawful, unreasonable, or unfair. If the petition is based upon a claim that the Director failed to consider certain evidence, it shall include an abstract of that evidence. If the petition is based upon newly discovered evidence, then the petition shall be accompanied by an affidavit setting forth the nature and extent of such evidence, its relevancy to the issues involved, and a statement that the party could not, with reasonable diligence, have discovered the evidence prior to the hearing.

(5) Response to Petition. All other parties to the proceeding upon which a reconsideration is sought may file a response to the petition no later than ten days from the filing of the petition. A copy of such responses shall be mailed to the petitioner by the person so responding on the date the response is filed.

(6) Action on the Petition. The Director is authorized to act upon the petition for reconsideration. If the Director does not issue an order within 20 days after the filing of the request, the request for reconsideration shall be considered denied. The Director may, by written order, set a time for hearing on said petition or deny the petition.

(7) Modification of Existing Orders. A request for modification or amendment of an existing order of the Director shall be treated as a new Request for Agency Action for the purposes of these Rules. Such request for modification or amendment shall include as directly affected persons all parties to the previous adjudicative proceeding and their successors in interest.

(1) Petition for Declaratory Orders. Any person may petition the Director for a declaratory order on the applicability of any administrative rule, regulation or order as well as any provision of the Utah Code within the jurisdiction of UDOT, which relate to the operations or activities of that person. The petition shall include the questions and answers sought and reasons in support of or in opposition to the applicability of the statute, rule, regulation or order involved.

(2) Not Subject to Declaratory Rulings. The Director shall not issue a declaratory ruling if:

(4) Forms of Rulings. After receipt of a petition for a declaratory order, the Director may issue a written order:

(7) Binding Effect. A declaratory order has the same status and binding effect as any other order issued in an adjudicative proceeding.

(8) Time Limit. Unless the petitioner and the Director agree in writing to an extension, if the Director has not issued a declaratory order within 60 days after receipt of the request for a declaratory order, the petition is denied.

Emergency orders will be issued in accordance with the following guidelines: notwithstanding the other provisions of these Rules, the Director or any member of the Transportation Commission is authorized to issue an emergency order without notice and hearing in accordance with applicable law. The emergency order shall remain in effect no longer than until the next regular meeting of the Transportation Commission, or such shorter period of time as shall be prescribed by statute.

(1) Prerequisites for Emergency Order. The following must exist to allow an emergency order:
   (a) The facts known to the Director or Commission member or presented to the Director or Commission member show that an immediate and significant danger to the public health, safety, or welfare exists; and
   (b) The threat requires immediate action by the Director of Commission member.

(2) Limitations. In issuing its Emergency Order, the Director or Commission member shall:
   (a) Limit its order to require only the action necessary to prevent or avoid the danger to the public health, safety, or welfare;
   (b) Issue promptly a written order, effective immediately, that includes a brief statement of findings of fact, conclusions of law, and reasons for the Director or Commission member's utilization of emergency adjudicative proceedings;
   (c) Give immediate notice to the persons who are required to comply with the order; and
   (d) If the emergency order issued under this section will result in the continued infringement or impairment of any legal right or interest of any party, the Director shall commence a formal adjudicative proceeding before the Director in accordance with R907-1.

(1) Persons must exhaust their administrative remedies in accordance with Section 63-46b-14, prior to seeking judicial review.

(2) In any adjudicative proceeding before the Director, there is an opportunity for affected parties to respond and participate. Only those aggrieved parties that so exhausted these available and adequate remedies before the Director may be allowed to seek judicial review of the final Director action.
A party shall file a petition for judicial review of formal agency action within 30 days after the date that the order constituting the final agency action is issued. The petition shall name the agency and all other appropriate parties as respondents and shall meet the form requirements specified in Title 63, Chapter 46b.

Judicial review of formal adjudicative proceedings shall be conducted in conformance with Sections 63-46b-1 through 63-46b-20.

R907-1-18. Civil Enforcement.
(1) Agency Action. In addition to other remedies provided by law and other Rules of the Transportation Commission or UDOT, the Commission or UDOT may seek enforcement of an order by seeking civil enforcement in the district courts subject to the following:
(a) The action seeking civil enforcement must name, as defendants, each alleged violator against whom civil enforcement is sought.
(b) Venue for an action seeking civil enforcement shall be determined by the Utah Rules of Civil Procedure.
(c) The action may request, and the court may grant, any of the following:
   (i) Declaratory relief;
   (ii) temporary or permanent injunctive relief;
   (iii) any other civil remedy provided by law; or
   (iv) any combination of the foregoing.
(2) Individual Action. Any person whose interests are directly impaired or threatened by the failure of an agency to enforce its order may timely file a complaint seeking civil enforcement of that order. The complaint must name as defendants, the agency whose order is sought to be enforced, the agency that is vested with the power to enforce the order, and each alleged violator against whom the plaintiff seeks civil enforcement. The action may not be commenced:
(a) Until at least 30 days after the plaintiff has given notice of its intent to seek civil enforcement of the alleged violation to the Commission or UDOT, the attorney general, and to each alleged violator against whom the petitioner seeks civil enforcement;
(b) If the Commission or UDOT has filed and is diligently prosecuting a complaint seeking civil enforcement of the same order against the same or similarly situated defendants;
(c) If a petition for judicial review of the same order has been filed and is pending in court.

Notwithstanding any other provision of these rules, any procedural matter, including any right to notice or hearing, may be waived by the affected person by a signed, written waiver in a form acceptable to UDOT. This waiver provision may not be construed to prohibit a finding of default as defined in these rules.

The Utah Administrative Procedures Act described in Title 63, Chapter 46b or any other federal, state statute, or federal regulation shall supersede any conflicting provision of these Rules. It is the Department's intent that, where possible, the provisions of these rules be construed to be in compliance with those superseding provisions.

Client Rights and Responsibilities

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: This proposed amendment is to make sure that clients do not experience an interruption in child support payments.

SUMMARY OF THE RULE OR CHANGE: If a client has a child support collection case open in another state and applies for child care assistance in Utah, Department interpretation of current rules would require the client have the case closed in the other state and open a case with ORS in Utah. Although it does not happen often, this can result in an interruption of income to the client. If the client is cooperating with the other state agency and receiving child care through that state's efforts, leaving the collection responsibility with the other state will insure that child support income is not interrupted. Under this proposed amendment, if the other state is collecting child support for the client, the client will not be required to cooperate with ORS in the collection of child support.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 35A-3-310

ANTICIPATED COST OR SAVINGS TO:
❖ THE STATE BUDGET: There will be no costs or savings to the State budget because this is a federally funded program.
❖ LOCAL GOVERNMENTS: This rule does not affect local government so there will be no costs or savings to local governments.
❖ OTHER PERSONS: There will be no costs or savings to any persons. The Department is leaving the child support collection responsibility with the other state if child support is being collected there. It happens in only about 5 cases per year. Since the child support is being collected on a regular basis and there are so few cases per year, it is not an additional expense to the other state or a savings to ORS.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There are no compliance costs associated with this change. There are no fees associated with this change. It will not cost anyone any sum to comply with these changes.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: This rule change will have no impact on business.
If a material change which would result in a decrease in the amount of the CC payment is reported within 10 days the decrease will occur as soon as the Department learns of the change and the overpayment will be assessed back to the date of the change. If the client fails to report the change within 10 days, the decrease will occur as soon as the Department learns of the change and the overpayment will be assessed back to the date of the change.

A client is responsible for paying all costs of care charged by the provider. The Department will not monitor the provider. If the child care assistance payment is less than the amount charged by the provider, the client is responsible for paying the difference. If the client requests help in selecting a provider, the Department will refer the client to the local Child Care Resource and Referral agency.

A client is responsible for monitoring the child care provider. The Department will not monitor the provider.

A client is responsible to pay all costs of care charged by the provider. If the child care assistance payment is less than the amount charged by the provider, the client is responsible for paying the difference.

In addition to the requirements for reporting other material changes that might affect eligibility, outlined in R986-100-113, a client is responsible for reporting a change in the client's need for child care, a change in the client's child care provider, and a change in the amount a provider charges for child care, to the Department within 10 days of the change.

If a material change which would result in a decrease in the amount of the CC payment is reported within 10 days the decrease will be made effective beginning the next month and sums received in the month in which the change occurred will not be treated as an overpayment. If it is too late to make the change to the next month's CC payment, the client is responsible for repayment even if the 10 days for reporting the change has not expired. If the client fails to report the change within 10 days, the decrease will occur as soon as the Department learns of the change and the overpayment will be assessed back to the date of the change.

A client is responsible for payment to the Department of any overpayment made in CC.

Any client receiving any type of CC who is not receiving full court ordered child support must cooperate with ORS in obtaining child support from the absent parent. Child support payments received by the client count as unearned income. If a client's case was closed for failure to cooperate with ORS it cannot be reopened until ORS notifies the Department that the client is cooperating or it is determined on appeal that the client is cooperating. The requirements of this section will be satisfied if the client is cooperating with the appropriate agency in another state and that the client cooperate with ORS.

All clients receiving CC must cooperate in good faith with the Department in establishing paternity unless there is good cause for not cooperating.

The Department may also release general information to a provider regarding the status of or a delay in the payment of CC.

If child care funds are issued on the Horizon Card (electronic benefit transfer) unused child care funds will be removed from the Horizon Card 60 days after the last child care transaction/transfer occurred ("aged off") and will no longer be available to the client. The Department cannot replace child care payments which have been aged off the horizon card.

The Department may require that the client request that the client's case be closed in the other state and that the client cooperate with ORS.

The Department may also release general information to a provider regarding the status of or a delay in the payment of CC.

The Department may require that the client request that the client's case be closed in the other state and that the client cooperate with ORS.

R986. Workforce Services, Employment Development.
R986-700. Child Care Assistance.
R986-700-709. Employment Support (EC) CC.

(1) Parents who are not eligible for FEP CC or Diversion CC may be eligible for Employment Support (ES) CC. To be eligible, a parent must be employed or be employed while participating in educational or training activities. Work Study is not considered employment. A parent who attends school but is not employed at least 15 hours per week, is not eligible for ES CC. ES CC will only be provided to cover the hours a client needs child care for work or work and approved educational or training activities.

(a) If the household has only one parent, the parent must be employed a minimum of 15 hours per week.

(b) If the family has two parents, CC can be provided if:

(i) one parent is employed a minimum of 35 hours per week and the other parent is employed a minimum of 15 hours per week and their work schedules cannot be changed to provide care for the child(ren). CC will only be provided during the time both parents are in approved activities and neither is available to care for the children;

(ii) one parent is employed and the other parent cannot work or provide child care because of a physical, emotional or mental incapacity. Any employment or educational or training activities invalidate a claim of incapacity. The individual claiming incapacity must provide proof, by way of a report signed by a medical doctor, doctor of osteopath or licensed/certified psychologist, which states that:

(A) the parent cannot work; and

(B) the incapacity prevents the parent from caring for a child; and

(C) the incapacity is expected to last at least 30 days.

(2) Employed or self-employed parent client(s) must make, either through wages or profit from self-employment, a rate of pay equal to or greater than minimum wage multiplied by the number of hours the parent is working. If the prevailing community standard is below minimum wage, the employed parent client must make at least the prevailing community standard.

(3) If a parent was receiving FEP or FEPTP, and their financial assistance was terminated due to increased income, and the parent is otherwise eligible for ES CC, the subsidy deduction will not be taken for the two months immediately following the termination of FEP or FEPTP, provided the client works a minimum of 15 hours per week. The third month following termination of FEP or FEPTP CC is subject to the subsidy deduction.

NOTICES OF
CHANGES IN PROPOSED RULES

After an agency has published a PROPOSED RULE in the Utah State Bulletin, it may receive public comment that requires the PROPOSED RULE to be altered before it goes into effect. A CHANGE IN PROPOSED RULE allows an agency to respond to comments it receives.

As with a PROPOSED RULE, a CHANGE IN PROPOSED RULE is preceded by a RULE ANALYSIS. This analysis provides summary information about the CHANGE IN PROPOSED RULE including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

Following the RULE ANALYSIS, the text of the CHANGE IN PROPOSED RULE is usually printed. The text shows only those changes made since the PROPOSED RULE was published in an earlier edition of the Utah State Bulletin. Additions made to the rule appear underlined (e.g., example). Deletions made to the rule appear struck out with brackets surrounding them (e.g., [example]). A row of dots in the text (· · · · · ·) indicates that unaffected text was removed to conserve space. If a CHANGE IN PROPOSED RULE is too long to print, the Division of Administrative Rules will include only the RULE ANALYSIS. A copy of rules that are too long to print is available from the agency or from the Division of Administrative Rules.

While a CHANGE IN PROPOSED RULE does not have a formal comment period, there is a 30-day waiting period during which interested parties may submit comments. The 30-day waiting period for CHANGES IN PROPOSED RULES published in this issue of the Utah State Bulletin ends March 31, 2003. At its option, the agency may hold public hearings.

From the end of the waiting period through June 29, 2003, the agency may notify the Division of Administrative Rules that it wants to make the CHANGE IN PROPOSED RULE effective. When an agency submits a NOTICE OF EFFECTIVE DATE for a CHANGE IN PROPOSED RULE, the PROPOSED RULE as amended by the CHANGE IN PROPOSED RULE becomes the effective rule. The agency sets the effective date. The date may be no fewer than 30 days nor more than 120 days after the publication date of this issue of the Utah State Bulletin. Alternatively, the agency may file another CHANGE IN PROPOSED RULE in response to additional comments received. If the Division of Administrative Rules does not receive a NOTICE OF EFFECTIVE DATE or another CHANGE IN PROPOSED RULE, the CHANGE IN PROPOSED RULE filing, along with its associated PROPOSED RULE, lapses and the agency must start the process over.

CHANGES IN PROPOSED RULES are governed by Utah Code Section 63-46a-6 (2001); and Utah Administrative Code Rule R15-2, and Sections R15-4-3, R15-4-5, R15-4-7, and R15-4-9.

ANTICIPATED COST OR SAVINGS TO:

❖ THE STATE BUDGET: The state will be providing support services with federal and state-appropriated dollars for individuals who wish to be cared for at home. The number of clients and type of services is not known at this time. Therefore, no state budgetary impact is anticipated.

❖ LOCAL GOVERNMENTS: The state will be providing support services with federal and state-appropriated dollars for individuals who wish to be cared for at home. The number of clients and type of services is not known at this time. Therefore, no local budgetary impact is anticipated.

The duties of the Caregiver Advisory Council shall be to conduct an annual client satisfaction survey for the caregiver program.

(5) The Caregiver Advisory Council shall advise the Area Agency on Aging in determining service needs and developing action plans. When there is a concern over the use of limited resources for Respite Care and Supplemental Services, the Area Agencies on Aging, in consultation with their Caregiver Advisory Council, may further limit the amount of services provided to an individual caregiver. This local policy decision shall be in writing and shall be uniform for all caregivers for the current fiscal year.

NOTICES OF 
120-DAY (EMERGENCY) RULES

An agency may file a 120-DAY (EMERGENCY) RULE when it finds that the regular rulemaking procedures would:

(a) cause an imminent peril to the public health, safety, or welfare;
(b) cause an imminent budget reduction because of budget restraints or federal requirements; or
(c) place the agency in violation of federal or state law (Utah Code Subsection 63-46a-7(1) (2001)).

As with a PROPOSED RULE, a 120-DAY RULE is preceded by a RULE ANALYSIS. This analysis provides summary information about the 120-DAY RULE including the name of a contact person, justification for filing a 120-DAY RULE, anticipated cost impact of the rule, and legal cross-references. A row of dots in the text (· · · · ·) indicates that unaffected text was removed to conserve space.

A 120-DAY RULE is effective at the moment the Division of Administrative Rules receives the filing, or on a later date designated by the agency. A 120-DAY RULE is effective for 120 days or until it is superseded by a permanent rule.

Because 120-DAY RULES are effective immediately, the law does not require a public comment period. However, when an agency files a 120-DAY RULE, it usually files a PROPOSED RULE at the same time, to make the requirements permanent. Comment may be made on the proposed rule. Emergency or 120-DAY RULES are governed by Utah Code Section 63-46a-7 (2001); and Utah Administrative Code Section R15-4-8.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: This rule, along with other proposed changes to the Medicaid program, is needed to keep expenditures within appropriations authorized by the 2002 Legislature. Utilization and enrollment have increased above projected levels and expenditures must be reduced accordingly.

SUMMARY OF THE RULE OR CHANGE: Subsections R414-10-6(1) and R414-10-6(2) are amended to replace the $2 copayment with the $3 copayment up to a maximum of $100 per year. The $15 per year copayment limit is removed. In all instances in the rule, "co-payment" is changed to "copayment."

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Title 58, Chapter 12; and Sections 26-1-5 and 26-18-3

ANTICIPATED COST OR SAVINGS TO:
❖ THE STATE BUDGET: This will save the General Fund $36,300 but will lose $88,571 in federal matching funds.
❖ LOCAL GOVERNMENTS: If local government physicians choose to serve Medicaid clients that are able, but unwilling to pay the copayment, their reimbursement will drop by $1 per encounter. The recipient's Medicaid card clearly identifies which recipients are deemed able to pay the copayment.

State reimbursement to local government physician/clinics will drop by a percentage of $124,871.
❖ OTHER PERSONS: If private physicians choose to serve Medicaid clients that are able, but unwilling to pay the copayment, their reimbursement will drop by $1 per encounter. The recipient's Medicaid card clearly identifies which recipients are deemed able to pay the copayment.

State reimbursement to local government physician/clinics will drop by a percentage of $124,871.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There may be some minimal modifications to provider data systems in order to incorporate the changed copayment. Medicaid recipients will incur an additional cost of $1 per doctor visit.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: This change will increase the contribution that a Medicaid recipient will be required to contribute toward the cost of care and may have a negative impact on providers if they choose to provide the service without collecting the copayment, but is an appropriate measure to control program expenditures and will support economy and efficiency in the Medicaid program. Rod L. Betit

EMERGENCY RULE REASON AND JUSTIFICATION: REGULAR RULEMAKING PROCEDURES WOULD cause an imminent budget reduction because of budget restraints or federal requirements. place the agency in violation of federal or state law.

Without this and other emergency and regular rulemakings, the Medicaid program would expend more than was authorized for the FY 2003 budget. The delay to implement regular rulemaking would make it impossible to generate sufficient savings to stay within appropriations authorized by the 2002 Legislature.

(18) "Services" means the types of medical assistance specified in Sections 1905(a)(1) through (25) of the Social Security Act and interpreted in 42 CFR 440, October 1996 edition, which are adopted and incorporated by reference.

(19) "Technical component" means that part of laboratory or radiology service necessary to secure a specimen and prepare it for analysis, or to take an x-ray and prepare it for reading and interpretation.

R414-10-3. Client Eligibility Requirements.

Physician services are available to categorically and medically needy eligible individuals.

(1) Physician services are available only from a physician who meets all requirements necessary to participate in the Utah Medicaid Program and who has signed a provider agreement.
(2) Physician services are available only from a physician who renders medically necessary physician services in accordance with his specific provider agreement and with Department rules.

(3) An eligible Medicaid client may seek physician services from:
(a) a physician in private practice who is an enrolled Medicaid provider;
(b) a Health Maintenance Organization (HMO) that has a contract with the Department;
(c) a federally qualified community health center; or
(d) any other organized practice setting recognized by the Department for providing physician services.

R414-10-5. Service Coverage.
(1) Physician services involve direct patient care and securing and supervising appropriate diagnostic ancillary tests or services in order to diagnose the existence, nature, or extent of illness, injury, or disability. In addition, physician services involve establishing a course of medically necessary treatment designed to prevent or minimize the adverse effects of human disease, pain, illness, injury, infirmity, deformity, or other impairments to a client's physical or mental health.

(2) Physician services may be provided only within the parameters of accepted medical practice and are subject to limitations and exclusions established by the Department on the basis of medical necessity, appropriateness, and utilization control considerations.

(3) Program limitations and noncovered services are established by specific program policy maintained in the Physician Provider Manual and updated by notification through Medicaid Information Bulletins. Following is a general list of medical and health care services excluded from coverage:
(a) Services rendered during a period the recipient was ineligible for Medicaid;
(b) Services medically unnecessary or unreasonable;
(c) Services which fail to meet existing standards of professional practice, or which are currently professionally unacceptable;
(d) Services requiring prior authorization, but for which such authorization was not received;
(e) Services, elective in nature, based on patient request or individual preference rather than medical necessity;
(f) Services fraudulently claimed;
(g) Services which represent abuse or overuse;
(h) Services rejected or disallowed by Medicare when the rejection was based upon any of the reasons listed above.

(i) Services for which third party payors are primarily responsible, e.g., Medicare, private health insurance, liability insurance.
Medicaid may make a partial payment up to the Medicaid maximum if the limit has not been reached by a third party.

(j) If a procedure or service is not covered for any of the above reasons or because of specific policy exclusion, all related services and supplies, including institutional costs, are excluded for the standard post operative recovery period.

(4) Experimental or medically unproven physician services or procedures are excluded from coverage. Criteria established and approved by the Department staff and physician consultants are used to identify noncovered services and procedures. Policy statements developed by the Department of Health and Human Services, Health Care Financing Administration, Coverage Issues Bureau, are also used to determine Department policy for noncovered services.

(5) Certain services are excluded from coverage because medical necessity, appropriate utilization, and cost effectiveness of the services cannot be assured. A variety of lifestyle factors contribute to the "syndromes" associated with such services, and there is no specific therapy or treatment identified except for those that border on behavior modification, experimental, or unproven practices. Services include:
(a) Sleep apnea or sleep studies, or both;
(b) pain clinics; and
(c) Eating disorders clinics.

(6) When a service or procedure does not qualify for coverage under the Medicaid program because it is an elective cosmetic, reconstructive, or plastic surgery, all related services, supplies, and institutional costs are excluded from coverage.

(7) Medications for appetite suppression, surgical procedures, unproven or experimental treatments, or educational, nutritional support programs for the treatment of obesity or weight control, are excluded from coverage.

(8) Cognitive or Office Services:
(a) Cognitive services by a provider are limited to one service per client per day. These services are defined as office visits, hospital visits except for those following a package surgical procedure, therapy visits, and other types of nonsurgical services. When a second office visit for the same problem or a hospital admission occurs on the same date as another service, the physician shall combine the services as one service and select a procedure code that indicates the overall care given.
(b) Routine physical examinations, not part of an otherwise medically necessary service, are excluded from coverage, except in the following circumstances:
(i) Preschool and school age children, including those who are EPSDT (CHEC) eligible, participating in the ongoing CHEC program of scheduled services and follow-up care.
(ii) New patients seeing a physician for the first time with an initial complaint where a comprehensive physical examination, including a medical and social history, is necessary.
(iii) Medically necessary examinations associated with birth control medication, devices, and instructions.
(iv) Family planning services may be provided only by or under the supervision of a physician and only to individuals of childbearing age, including sexually active minors. The following services are excluded from coverage as family planning services:
(i) Experimental or unproven medical procedures, practices, or medication.
(ii) Surgical procedures for the reversal of previous elective sterilization, both male and female.
(iii) Infertility studies.
(iv) In-vitro fertilization.
(vi) Artificial insemination.
(vi) Surrogate motherhood, including all services, tests, and related charges.
(vii) Abortion, except where the life of the mother would be endangered if the fetus were carried to term, or where pregnancy is the result of rape or incest.
(d) After-hours service codes may be used only by a private physician, primary care provider, who responds to treat a patient in the physician's private office for a medical emergency, accident, or injury after regular office hours. Only one of the after hours CPT codes may be used per visit.
(e) Laboratory services provided by a physician in his office are limited to the waived tests or those types of laboratory tests identified by the federal Health Care Financing Administration for which each individual physician is CLIA certified to provide, bill, and receive Medicaid payment.
(f) A specimen collection fee is covered for service in a physician's office only when a specimen is to be sent to an outside laboratory, and the physician or one of his office staff under his
personal supervision actually extracts the specimen from a patient, and only by one of the following tasks:

(i) Drawing a blood sample through venipuncture, i.e., inserting into a vein a needle with syringe or vacutainer to draw the specimen; or

(ii) Collecting a urine sample by catheterization.

(iii) A drawing fee for finger, heel, or ear sticks is limited to only infants under the age of two years.

(g) Eye examinations are covered, but only once each calendar year.

(h) Contact lenses are covered only for aphakia, nystagmus, keratoconus, severe corneal distortion, cataract surgery, and in those cases where visual acuity cannot be corrected to at least 20/70 in the better eye.

(9) Psychiatric Services:

(a) Psychiatric services or psychosocial diagnosis and counseling are specialty medical services. Psychiatric services, whether in a private office, a group practice, or private clinic setting, may only be provided directly and documented and billed to the Department by the private physician. Charting and documentation must clearly reflect the private physician's direct provision of care.

(b) Nonphysician psychosocial counseling services are excluded from coverage as a Medicaid benefit. The personal supervision policy, R414-45, may not be applied to psychiatric services.

(c) Admission to a general hospital for psychiatric care by a physician requires prior authorization and is limited to those cases determined by established criteria and utilization review standards to be of a severity that appropriate intensity of service cannot be provided in any alternate setting.

(d) Coverage for treatment of organic brain disease is limited to that provided by the primary care provider.

(10) Laboratory and Radiology Services:

(a) Physicians prepared in a highly specialized field of practice, e.g., neurology or neurosurgery, who provide consultation and diagnostic radiology services in an independent setting at the request of a private physician may bill for both the technical and professional component of the radiology service.

(b) Dermatologists with specialized preparation in pathology services specifically for the skin may provide and bill for those services.

(11) Hospital Services:

(a) A patient hospitalized for nonsurgical services may require more than one visit per day because of the patient's condition and treatment needs. Since physician visits are limited to one per day, the physician shall select one procedure code to define the overall care given. If intensive care services are provided, or critical care service codes are used to define service provided, the Department requires additional documentation from the physician. The medical record must show documentation of medical necessity and result of the additional service.

(b) If, for the convenience of the physician and not for medical necessity, a patient is transferred between physicians within the same hospital or from one hospital to another hospital, both physicians may only use subsequent hospital care service codes to define and bill for services provided. Under this policy limitation, services associated with the following codes are excluded from coverage as a Medicaid benefit:

(i) Consultation; and

(ii) Initial hospital care services.

(c) Treatment of alcoholism or drug dependency in an inpatient setting is limited to acute care for detoxification only.

(d) Services for pregnant women who do not meet United States residency requirements (undocumented aliens) are limited to only hospital admission for labor and delivery. Medicaid does not cover prenatal services.

(12) Abortion, Sterilization and Hysterectomy:

(a) Abortion procedures are limited to:

(i) those where the pregnancy is the result of rape or incest; or

(ii) a case with medical certification of necessity where a woman suffers from a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by or arising from the pregnancy itself that would, as certified by a physician, place the woman in danger of death unless an abortion is performed.

(b) Sterilization and hysterectomy procedures are limited to those which meet the requirements of 42 CFR 441, Subpart F, October 1996 edition, which is adopted and incorporated by reference.

(13) Cosmetic, Plastic, or Reconstructive Services:

(a) Cosmetic, plastic, or reconstructive surgery procedures may only be covered when medically necessary to:

(i) correct a congenital anomaly;

(ii) restore body form or function following an accidental injury; or

(iii) revise severe disfiguring and extensive scarring resulting from neoplastic surgery.

(14) Surgical Services:

(a) Surgical procedures defined and coded in the CPT Manual are limited by Utah Medicaid policy to prior authorization, or are excluded from coverage. Limitations are documented on the Medical and Surgical Procedures Prior Authorization List, reviewed and revised yearly and maintained in the Physician Provider Manual through notification by Provider Bulletins.

(b) Surgical procedures are "package" services. The package service includes:

(i) the preoperative examination, initiation of the hospital record, and development of a treatment program either in the physician's office on the day before admission, or in the hospital or the physician's office on the same day as admission to the hospital;

(ii) the operation;

(iii) any topical, local, or regional anesthesia; and

(iv) the normal, uncomplicated follow-up care covering the period of hospitalization and office follow-up for progress checks or any service directly related to the surgical procedure for up to six weeks post surgery.

(c) Interpretation of "package" services:

(i) A physician may not bill for an office visit the day prior to surgery, for preadmission or admission workup, or for subsequent hospital care while the patient is being prepared, hospitalized, or under care for a "package" surgical service.

(ii) Consultation services may be billed by the consulting physician only when consultation and no other service is provided. When a consulting physician admits and follows a patient, independently or concurrently with the primary physician, only admission codes and subsequent care codes may be used.

(iii) Office visits for up to six weeks following the hospitalization which relate to the same diagnosis are part of the "package" service. The only exception to either inpatient or office service is for service related to complications, exacerbations, or recurrence of other diseases or problems requiring additional or separate service.

(d) Procedures exempt from the "package" definition are identified in the CPT Manual by an asterisk. The CPT Manual outlines the surgical guidelines which apply to documentation and billing of procedures marked by an asterisk.
(e) Complications, exacerbations, recurrence, or the presence of other diseases or injuries requiring services concurrent with the initial surgical procedure during the listed period of normal follow-up care, may warrant additional charges only when the record shows extensive documentation and justification of additional services.

(f) When an additional surgical procedure is carried out within the listed period of follow-up care for a previous surgery, the follow-up periods continue concurrently to their normal terminations.

(g) Preoperative examination and planning are covered as separate services only in the following circumstances:

(i) When the preoperative visit is the initial visit for the physician and prolonged detention or evaluation is required to establish a diagnosis, determine the need for a specific surgical procedure, or prepare the patient;

(ii) When the preoperative visit is a consultation and the consulting physician does not assume care of the patient; or

(iii) When diagnostic procedures, not part of the basic surgical procedure, e.g., bronchoscopy prior to chest surgery, are provided during the immediate preoperative period.

(h) Exploratory laparotomy procedures confirm a diagnosis and determine the extent of necessary treatment. A physician may request payment only if the exploratory procedure is the only procedure done during an operative session.

(i) The services of an assistant surgeon are specialty services to be provided only by a licensed physician, and are covered only on very complex surgical procedures. Procedures not authorized for assistant surgeon coverage are listed in the Physician Provider Manual and updated by Medicaid Provider Bulletins as necessary. Medicare guidelines for limitation of assistant surgeon coverage are used, since those decisions are made at the national level with physician consultation.

(j) Medicaid does not cover surgical procedures, experimental therapies, or educational, nutritional, support programs for treatment of obesity or weight control.

(15) Diagnostic and Therapeutic Procedures:

(a) Diagnostic needle procedures, e.g., lumbar puncture, thoracentesis, and jugular, femoral vein, or subdural taps, when performed as part of a necessary workup for a serious medical illness or injury, are covered in addition to other medical care on the same day.

(b) Diagnostic "oscopy" procedures, e.g., endoscopy, bronchoscopy, and laparoscopy, are covered separately from any major surgical procedure. However, when an "oscopy" procedure is done the same day or at the same operative session as another procedure, the "oscopy" procedure may only be covered as a multiple procedure.

(c) Magnetic resonance imaging (MRI) is covered only for service to the brain, spinal cord, hip, thigh and abdomen.

(d) Therapeutic needle procedures, e.g., scalp vein insertion, injections into cavities, nerve blocks, are covered in addition to other medical care on the same day.

(e) Puncture of a cavity or joint for aspiration followed by injection of a medication is covered as one procedure and identified by specific CPT code.

(16) Anesthesia Services:

Anesthesia services are covered only when administered by a licensed anesthesiologist or nurse anesthetist who remains in attendance for the sole purpose of rendering general anesthesia services. Standby or monitoring by the anesthesiologist or anesthetist during local anesthesia is not a covered Medicaid anesthesia service.

(17) Transplant Services:

Except for kidney and cornea transplants, Medicaid limits organ transplant services to those procedures for which selection criteria have been approved and documented in R414-10A.

(18) Modifiers:

Modifiers may be used only, as defined in the CPT Manual, to show that a service or procedure has been altered to some degree but not changed in definition or code. The following limitations apply:

(a) The professional component, modifier 26, may be used only with laboratory and radiology service codes and only when direct analysis, interpretation, and written report of findings are provided by a physician on a laboratory or radiology procedure.

(b) Unusual services are identified by use of modifier 22, along with the appropriate CPT code. A prepayment review of unusual services shall be completed by Medicaid professional staff or physician consultants. A report of the service and any important supporting documentation must be submitted with the claim for review.

(c) Anesthesia by surgeon is identified by use of modifier 47. The operating surgeon may not use modifier 47 in addition to the basic procedure code. Anesthesia provided by the surgeon is part of the basic procedure being provided.

(d) Mandated services as defined by CPT and identified by modifier 32 are noncovered services.

(e) Reference laboratory services identified by modifier 90 are noncovered services.

(19) Medications:

(a) Drugs and biologicals are limited to those approved by the Food and Drug Administration (FDA), or those approved by the Drug Utilization Review Board (DUR) for off-label use, which is use for a condition different from that initially intended for the drug or biological. Medicaid coverage of drugs and biologicals is based on individual need and orders written by a physician when the drug is given in accordance with accepted standards of medical practice and within the protocol of accepted use for the drug.

(i) Generic drugs shall be used whenever a generic product approved by the FDA is available. If the physician determines that a brand name drug is medically necessary, the physician may override the generic requirement by writing on the prescription in his own hand writing "name brand medically necessary". Preprinted messages, abbreviations, or notations by a second party, do not meet the override requirement. The pharmacist shall fill the prescription with the generic equivalent product if the override procedure is not followed.

(ii) Injectable medications approved in HCPCS are identified in the "J" code list published by the Health Care Financing Administration or the Department, or both. The list is reviewed and revised yearly and maintained in the Physician Provider Manual by notification and update through Medicaid Provider Bulletins.

(iii) The "J" code covers only the cost of an approved product.

(iv) Office visits only for administration of medication are excluded from coverage. However, an injection code which covers the cost of the syringe, needle and administration of the medication may be used with the "J" code when medication administration is the only reason for an office call.

(v) When an office service is provided for other purposes, in addition to medication administration, only the office visit and a "J" code may be used to bill for the service provided.

(vi) The office visit code and injection code may never be used together. Only one of the codes may be used to define the service provided.
(vii) Vitamin B-12 is limited to use only in treating conditions where physiological mechanisms produce pernicious anemia. Use of Vitamin B-12 in treating any unrelated condition is excluded from coverage.

(b) Vitamins may be provided only for:
(i) Pregnant women: Prenatal vitamins with 1 mg folic acid.
(ii) Children through age five: Children's vitamins with fluoride.
(iii) Children through age one: multiple vitamin (A, C, and D) without fluoride.
(iv) Children through age 15: Fluoride supplement.

(c) Human growth stimulating hormones are limited to CHEC eligible children under the age of 15 who meet the established internal criteria for coverage that has been published and is available in the Provider Manual.

(d) Methylphenidates, amphetamines, and other central nervous system stimulants require prior authorization and may be provided only for treatment of Attention Deficit Disorder (ADD).

(e) Medications for appetite suppression are not a covered service.

(f) Non-prescription, over-the-counter items are limited, and notification of changes consistent with this rule is made by Provider Bulletin and Provider Manual updates.

(g) Nutrients may be provided only as established in R414-24A.

R414-10-6. Co-payment Policy.

This rule establishes co-payment policy for physician services for Medicaid clients who are not in any of the federal categories exempted from co-payment requirements. The rule is authorized by 42 CFR 447.15 and 447.50, Oct. 1, 2000 ed., which are adopted and incorporated by reference.

(1) The Department shall impose a co-payment in the amount of $23 for each physician visit when a non-exempt Medicaid client, as designated on his Medicaid card, receives that physician service. The Department shall limit the out-of-pocket expense of the Medicaid client to $100 annually. (Co-payments for pharmacy services will continue to be limited to $5.00 per month.)

(2) The Department shall deduct $23 from the reimbursement paid to the provider for each physician visit, limited to one per day.

(3) The provider should collect the co-payment amount from the Medicaid client for each physician visit, limited to one per day.

(4) Medicaid clients in the following categories are exempt from co-payment requirements:
(a) children;
(b) pregnant women;
(c) institutionalized individuals;
(d) individuals whose total gross income, before exclusions or deductions, is below the Temporary Assistance to Needy Families (TANF) standard payment allowance. These individuals must indicate their income status to their eligibility case worker on a monthly basis to maintain their exemption from the co-payment requirements.

(5) Physician services for family planning purposes are exempt from the co-payment requirements.

FIVE-YEAR NOTICES OF REVIEW AND STATEMENTS OF CONTINUATION

Within five years of an administrative rule’s original enactment or last five-year review, the responsible agency is required to review the rule. This review is designed to remove obsolete rules from the Utah Administrative Code.

Upon reviewing a rule, an agency may: repeal the rule by filing a PROPOSED RULE; continue the rule as it is by filing a NOTICE OF REVIEW AND STATEMENT OF CONTINUATION (NOTICE); or amend the rule by filing a PROPOSED RULE and by filing a NOTICE. By filing a NOTICE, the agency indicates that the rule is still necessary.

NOTICES are not followed by the rule text. The rule text that is being continued may be found in the most recent edition of the Utah Administrative Code. The rule text may also be inspected at the agency or the Division of Administrative Rules. NOTICES are effective when filed. NOTICES are governed by Utah Code Section 63-46a-9 (1998).

CONCISE EXPLANATION OF THE PARTICULAR STATUTORY PROVISIONS UNDER WHICH THE RULE IS ENACTED AND HOW THESE PROVISIONS AUTHORIZE OR REQUIRE THE RULE: Title 26, Chapter 21 creates the Health Facility Licensing and Inspection Act and Subsection 26-21-5 requires the health facility committee to make rules in accordance with Title 63, Chapter 46a, Utah Administrative Rulemaking Act for the licensing of health-care facilities.

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: Since the first effective date of February 26, 1998, the rule has had one nonsubstantive amendment to correct citations. No written comments have been received.

REASONED JUSTIFICATION FOR CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: Rule R432-16 is the rule establishing a minimum standard for the construction of an inpatient hospice facility. This rule sets a minimum standard to ensure that architects, contractors and owners are aware of the building standards for a free standing facility. The Health Facility Committee supports the continuation of the rule and will continue to review this rule as medical practice and standards of care change.

NOTICE OF REVIEW AND STATEMENT OF CONTINUATION
CONCISE EXPLANATION OF THE PARTICULAR STATUTORY PROVISIONS UNDER WHICH THE RULE IS ENACTED AND HOW THESE PROVISIONS AUTHORIZE OR REQUIRE THE RULE: Section 31A-2-201 gives the commissioner the authority to make rules to implement the insurance code. Subsection 31A-3-303(2) authorizes a rule to prescribe accounting and reporting forms and procedures in determining the amount of taxes owed under this section and manner and time and payment. The amount is noted in Section 5 of the rule. Subsection 31A-15-103(11)(d) authorizes the commissioner to determine the amount of the stamping fee and its payment. This is done in Subsection 3.E. of this rule.
SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: No written comments have been received by the department regarding this rule in the past five years.

REASONED JUSTIFICATION FOR CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: The rule provides procedures and reporting forms to be used by insurers, brokers and policyholders in calculating the tax due. As a result of the regulation, all who charge for the tax, charge the same amount. It makes the payment uniform and fair.

End of the Notices of Rule Effective Dates Section
The Rules Index is a cumulative index that reflects all effective changes to Utah's administrative rules. The current Index lists changes made effective from January 2, 2002, including notices of effective date received through February 14, 2003, the effective dates of which are no later than March 1, 2003. The Rules Index is published in the Utah State Bulletin and in the annual Index of Changes. Nonsubstantive changes, while not published in the Bulletin, do become part of the Utah Administrative Code (Code) and are included in this Index, as well as 120-Day (Emergency) rules that do not become part of the Code. The rules are indexed by Agency (Code Number) and Keyword (Subject).

DAR NOTE: Because of publication constraints, neither index is printed in the Bulletin.

A copy of the Rules Index is available for public inspection at the Division of Administrative Rules (4120 State Office Building, Salt Lake City, UT), or may be viewed online at the Division's web site (http://www.rules.utah.gov/).

DAR NOTE: The index may contain inaccurate page number references. Also the index is incomplete in the sense that index entries for Changes in Proposed Rules (CPRs) are not preceded by entries for their parent Proposed Rules. These difficulties with the index are related to a new software package used by the Division to create the Bulletin and related publications; we hope to have them resolved as soon as possible. Bulletin issue information and effective date information presented in the index are, to the best of our knowledge, complete and accurate. If you have any questions regarding the index and the information it contains, please contact Nancy Lancaster (801 538-3218), Mike Broschinsky (801 538-3003), or Kenneth A. Hansen (801 538-3777).

A copy of the Rules Index is available for public inspection at the Division of Administrative Rules (4120 State Office Building, Salt Lake City, UT), or may be viewed online at the Division's web site (http://www.rules.utah.gov/).
