NOTICES OF PROPOSED RULES

A state agency may file a Proposed Rule when it determines the need for a new rule, a substantive change to an existing rule, or a repeal of an existing rule. Filings received between April 02, 2011, 12:00 a.m., and April 15, 2011, 11:59 p.m., are included in this, the May 01, 2011 issue of the Utah State Bulletin.

In this publication, each Proposed Rule is preceded by a Rule Analysis. This analysis provides summary information about the Proposed Rule including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

Following the Rule Analysis, the text of the Proposed Rule is usually printed. New rules or additions made to existing rules are underlined (e.g., example). Deletions made to existing rules are struck out with brackets surrounding them (e.g., [example]). Rules being repealed are completely struck out. A row of dots in the text between paragraphs (........) indicates that unaffected text from within a section was removed to conserve space. Unaffected sections are not printed. If a Proposed Rule is too long to print, the Division of Administrative Rules will include only the Rule Analysis. A copy of each rule that is too long to print is available from the filing agency or from the Division of Administrative Rules.

The law requires that an agency accept public comment on Proposed Rules published in this issue of the Utah State Bulletin until at least May 31, 2011. The agency may accept comment beyond this date and will indicate the last day the agency will accept comment in the Rule Analysis. The agency may also hold public hearings. Additionally, citizens or organizations may request the agency hold a hearing on a specific Proposed Rule. Section 63G-3-302 requires that a hearing request be received by the agency proposing the rule "in writing not more than 15 days after the publication date of the proposed rule."

From the end of the public comment period through August 29, 2011, the agency may notify the Division of Administrative Rules that it wants to make the Proposed Rule effective. The agency sets the effective date. The date may be no fewer than seven calendar days after the close of the public comment period nor more than 120 days after the publication date of this issue of the Utah State Bulletin. Alternatively, the agency may file a Change in Proposed Rule in response to comments received. If the Division of Administrative Rules does not receive a Notice of Effective Date or a Change in Proposed Rule, the Proposed Rule lapses and the agency must start the process over.

The public, interest groups, and governmental agencies are invited to review and comment on Proposed Rules. Comment may be directed to the contact person identified on the Rule Analysis for each rule.

Proposed Rules are governed by Section 63G-3-301; Rule R15-2; and Sections R15-4-3, R15-4-4, R15-4-5, R15-4-9, and R15-4-10.

NOTICE OF PROPOSED RULE
(Amendment)
DAR FILE NO.: 34694
FILED: 04/14/2011

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of this amendment is to change definitions and to modify the rule in response to changes to Title 4, Chapter 32, that occurred in the 2011 legislative session under S.B. 32. (DAR NOTE: S.B. 32 (2011) is found at Chapter 383, Laws of Utah 2011, and will be effective 05/10/2011.)

SUMMARY OF THE RULE OR CHANGE: The changes include: changing or removing definitions; removing a reference to personal property; and clarifying the requirements for a slaughter area.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 4-32-8

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: The changes to the rule will not affect the state budget. The program is currently being funded by general fund money. The Division does not anticipate that the changes to the rule will change the current funding level beyond inflationary costs associated with the general fund.
♦ LOCAL GOVERNMENTS: There are no costs to local government at this time under the current rule. With the changes in the rule, there may be an increased cost to local governments as they may be asked to monitor compliance of slaughter areas that are used heavily.
♦ SMALL BUSINESSES: There is no cost to small businesses and may reduce travel costs as animals can be slaughtered at a central location.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: There is no cost to other persons and may reduce travel costs as animals can be slaughtered at a central location.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There will be no change in cost to come under compliance.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The changes made in the rule are the result of recent changes in Title 4, Chapter 32, made by the legislature in the last session and the Division does see that the changes made in the rule will increase the cost to the state to maintain this program. Businesses may actually have reduced costs now that animals can be slaughtered at a different location other then the animal owner's property.

A. Unit of vehicle and equipment used for farm custom slaughtering:

1. The unit or vehicle used for farm custom slaughtering shall be so constructed as to permit maintenance in a clean, sanitary manner.

   a. Chloramine, hypochloride, and quaternary ammonium compounds or other approved chemical compounds may be used for this purpose and a concentration must be maintained at sufficient levels to disinfect utensils.    a. do so in a manner whereby product will not be adulterated or misbranded, and/or mislabeled; and
   b. transport the meat in such a way that it is properly protected; and
   c. deliver carcasses in such a way that they shall be placed under refrigeration within one hour of time of slaughter (40 degrees F).
10. Sanitation.
   1. Unit or Vehicle.
      a. The unit or vehicle must be thoroughly cleaned after each daily use.
      b. All food-contact and non-food contact surfaces of utensils and equipment must be cleaned and sanitized as necessary to prevent the creation of insanitary conditions and the adulteration of carcasses and parts.

      a. All knives, scabbards, saws and all other food contact surfaces shall be cleaned and sanitized prior to slaughter and as needed to prevent adulteration.
      b. Equipment must be cleaned and sanitized after each slaughter and immediately before each slaughter.

      b. Containers for inedibles shall be kept clean and properly separated from edible carcasses to prevent adulteration.
   4. Personal Cleanliness.

      b. Outer clothing worn by permittee shall, while handling exposed carcasses, be clean.

   d. Hand wash facilities shall be used as needed to maintain good personal hygiene.

   A. Slaughter Area.
      1. Slaughtering shall not take place under adverse conditions (such as blowing dirt, dust or in mud).
      2. If a slaughter area is used for repeated kills, the area should be maintained to prevent blood from collecting, running off to adjacent property, or contaminating water sources.
   3. Hides, viscera, blood, pouch material, and all tissues must be removed and disposed at a rendering facility, landfill, composting or by burial as allowed by law.
   B. Humane Slaughter - Animals shall be rendered insensible to pain by a single blow, or gun shot or electrical shock or other means that is instantaneous and effective before being shackled, hoisted, thrown, cast or cut.
   C. Hoisting and Bleeding - Animals shall be hoisted and bled as soon after stunning as possible to utilize post-stunning heart action and to obtain complete bleeding. Carcasses shall be moved away from the bleeding area for skinning and butchering.
   D. Skinning - Carcass and head skin must be handled without neck tissue contamination. This may be done by leaving the ears on the hide and tying the head skin. Feet must be removed before carcass is otherwise cut. Except for skinning and starting skinning procedures, skin should be cut from inside outward to prevent carcass contamination with cut hair. Hair side of hide should be carefully rolled or reflected away from carcass during skinning. When carcass is moved from skinning bed, caution should be taken to prevent exposed parts from coming in contact with adulterating surfaces.
   E. Evisceration - Before evisceration, rectum shall be tied to include bladder neck and to prevent urine and fecal leakage. Care should also be taken while opening abdominal cavities to prevent carcass and/or viscera contamination.
   F. Carcass washing - Hair, dirt and other accidental contamination should be trimmed prior to washing. Washing should proceed from the carcass top downward to move away any possible contaminants from clean areas.

   A. Livestock Identification - Pursuant to requirements of Section 4-24-13, it shall be unlawful for any licensee[permittee] to slaughter livestock which do not have a Brand Inspection Certificate or Farm Custom Slaughter Tag filled out at time of slaughter.
      1. Animal owners must have a Brand Inspection Certificate for livestock intended to be farm custom slaughtered, issued by a Department Brand Inspector prior to slaughter, paying the legal brand inspection fee and beef promotion fee. This will be accomplished by the animal owner contacting a Department Brand Inspector and obtaining a Brand Inspection Certificate (Custom Slaughter-Release Permit).
      2. Animal owners must also obtain farm custom slaughter identification tags from a Department Brand Inspector for a fee of $1 each. These tags will be required on beef, pork, and sheep.
   B. Records.
      1. The Custom Slaughter-Release Permit or Farm Custom Slaughter Tag will record the following information:
         a. An affidavit with a statement that shall read "I hereby certify ownership of this animal to be slaughtered by (name). I fully understand that having my animal farm custom slaughtered means my animal will not receive meat inspection and is for my use, the use of my immediate family, non-paying guests, or full-time employees. The carcass will be stamped "NOT FOR SALE" and will not be sold."
         b. In addition to this affidavit, the following information will be recorded:
            (1) date;
            (2) owner's name, address and telephone number;
            (3) animal description including brands and marks;
            (4) Farm Custom Slaughter tag number.
2. The Farm Custom Slaughter tag must record the following information:
   a. date;
   b. owner's name, address and telephone number;
   c. location of slaughter;
   d. name of licensee;
   e. license number; and
   f. carcass destination.
3. Prior to slaughter the licensee shall:
   a. Prepare the Farm Custom Slaughter tag with complete and accurate information;
      (1) One tag shall stay in the licensee's file for at least one year.
      (2) One tag plus a copy of the Farm Custom Slaughter-Release Permit shall be sent into the Department by the 10th of each month for the preceding month's slaughter by the licensee.
   (3) After slaughter, all carcasses must be stamped "NOT FOR SALE" on each quarter with letters at least 3/8" in height; further, a Farm Custom Slaughter "NOT FOR SALE" tag must be affixed to each quarter of beef and each half of pork and sheep.
   (4) Hide Purchase - Licensees receiving hides for slaughtering services must obtain a copy of the Custom Slaughter-Release Permit to record transfer of ownership as required by Section 4-24-18.

A. Livestock Slaughtering Permit:
   1. It shall be unlawful for any person to slaughter or assist in slaughtering livestock as a business outside of a licensed slaughterhouse unless he holds a valid Farm Custom Slaughtering License issued to him by the Department.
   2. Only persons who comply with the Utah Meat and Poultry Products Inspection and Licensing Act and Rules pursuant thereto, and the Utah Livestock Brand and Anti-Theft Act shall be entitled to receive and retain a license.
   3. License may be renewed annually and shall expire on the 31st of December of each year.
B. Suspension of license - license may be suspended whenever:
   1. The Department has reason to believe that an eminent public health hazard exists;
   2. Insanitary conditions are such that carcasses would be rendered adulterated and or contaminated;
   3. The licensee holder has interfered with the Department in the performance of its duties;
   4. The licensee violates the Utah Meat and Poultry Products Inspection and Licensing Act or the Utah Livestock Brand and Anti-Theft Act or rules pursuant to these acts.
C. Warning letter - In instances where a violation may have occurred a warning letter may be sent to the licensee which specifies the violations and affords the holder a reasonable opportunity to correct them.
D. Hearings - Whenever a licensee has been given notice by the Department that suspected violations may have occurred or when a license is suspended he may have an opportunity for a hearing to state his views before the Department.

E. Reinstatement of Suspended Permit - Any person whose license has been suspended may make application for the purpose of reinstatement of the license. The Department may then re-evaluate the applicant and conditions; if the applicant has demonstrated to the Department that he will comply with the rules, the license may be reinstated.

F. Detainment or Embargo - Any meat found in a food establishment which does not have the proper identification or any uninspected meat slaughtered by a licensee which does not meet the requirements of these rules may be detained or embargoed.

G. Condemnation - Meat which is determined to be unfit for human consumption may be denatured or destroyed.

NOTICE OF PROPOSED RULE
(Repeal)
DAR FILE NO.: 34704

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of this amendment is: 1) to require an appraisal management company to register with the Division of Real Estate; and 2) to require disclosure of, and to impose certain restrictions regarding, fees and costs that will be charged by an appraisal management company to an appraiser.

SUMMARY OF THE RULE OR CHANGE: In order to obtain an appraisal management company registration from the Division, an entity must provide a certificate of existence from the Utah Division of Corporations. If an appraisal management company charges a cost or fee to an appraiser in conjunction with an appraisal assignment, the cost or fee must be disclosed at the time the assignment is offered, or it may not be charged. An appraisal management company may not charge to an appraiser a cost or fee that is inflated above the actual cost of a service provided by a third party or that is charged for a service not actually performed.
STORATOR OR CONSTITUTIONAL AUTHORIZATION FOR
THIS RULE: Section 61-2e-103 and Section 61-2e-304

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: These rule amendments do not
create a new program for the Division to implement or
administer. Any budget needed for enforcing the specific
requirements proposed in these amendments is minimal and
is already in place. Therefore, no impact to the state budget
is anticipated.
♦ LOCAL GOVERNMENTS: Local governments are required
neither to comply with nor to enforce these rule amendments.
Therefore, no fiscal impact to local government is anticipated.
♦ SMALL BUSINESSES: A small appraisal management
business will be required to register with the Utah Division of
Corporations and pay the associated registration fees. The
Division considers that this registration is already mandated
by statute (see Section 16-10a-1501); this amendment is
proposed simply to state that the Division will not issue a
registration absent compliance with that statute. In addition,
under the fee restrictions proposed, a small appraisal
management business that realizes revenue by charging
appraisers inflated or unearned fees will lose that revenue.
The Division considers this regulation to be reasonable, as it
parallels federal restrictions applicable to the mortgage
industry.
♦ PERSONS OTHER THAN SMALL BUSINESSES,
BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES:
The proposed amendments apply specifically to appraisal
management businesses. It is anticipated that no other
persons will be affected or will experience a fiscal impact.

COMPLIANCE COSTS FOR AFFECTED PERSONS:
Affected persons will pay the costs of registration with the
Utah Division of Corporations and will lose any revenues
associated with the charging of unearned or inflated fees to
appraisers.

COMMENTS BY THE DEPARTMENT HEAD ON THE
FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES:
No fiscal impact to businesses is anticipated from this rule
filing, which clarifies for licensees that a business registration
is required to conduct business as an appraiser management
business, and that charging for services not rendered or
inflating charges is not permitted.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of this amendment is to require re-evaluation and approval of the experience required for licensure or certification under a segmented application in specific circumstances.

SUMMARY OF THE RULE OR CHANGE: If an applicant's experience was approved under a segmented application, but the applicant did not pass the applicable licensing or certification examination by 12/31/2010, the applicant has until 12/31/2011 to complete any additional education that is required under new standards promulgated by the Appraiser Qualifications Board, pass the examination, and submit a completed application for licensure or certification. An applicant who is not able to meet this deadline must submit
new appraisals for review by the experience review committee in addition to completing required education, passing the associated examination, and submitting a complete application.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Subsection 61-2b-6(1)(l) and Subsection 61-2b-8(2)

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: This rule amendment does not create a new program or regulation for the division to administer or enforce. It simply establishes a deadline after which previously-approved experience will be considered too stale to qualify an individual for licensure or certification. As such, no impact to the state budget is anticipated.
♦ LOCAL GOVERNMENTS: Local governments are required neither to comply with nor to enforce this rule amendment. Therefore, no fiscal impact to local government is anticipated.
♦ SMALL BUSINESSES: This rule amendment applies to an individual seeking licensure or certification as an appraiser. Small businesses are not affected, and no fiscal impact to small businesses is anticipated.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: There are 19 individuals who failed to pass their licensing or certification examinations after having their experience approved under a segmented application. These individuals will have to submit new appraisals for review if, by 12/31/2011, they are not able to meet the licensing or certification requirements that went into effect on 01/01/2011. This requirement will mean some additional effort from individuals who must submit new appraisals; however, no financial burden is anticipated.

COMPLIANCE COSTS FOR AFFECTED PERSONS: To comply, affected persons must submit new appraisals for review prior to sitting for a licensing or certification examination. Compliance will not pose any financial burden.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: No fiscal impact to businesses is anticipated.

INTERESTED PERSONS MAY PRESENT THEIR VIEWS ON THIS RULE BY SUBMITTING WRITTEN COMMENTS NO LATER THAN AT 5:00 PM ON 05/31/2011

104.14 Applicants having experience in categories other than those shown on the Appraisal Experience Hours Schedules and applicants who believe the Experience Hours Schedules do not adequately reflect their experience or the complexity or time spent on an appraisal may petition the Board on an individual basis for evaluation and approval of their experience as being substantially equivalent to that required for licensure or certification. Upon a finding that an applicant's experience is substantially equivalent to that required for licensure or certification, the Board may accept the alternate experience and award the applicant an appropriate number of hours for the alternate experience.

NOTICE OF PROPOSED RULE  
(Repeal and Reenact)  
DAR FILE NO.: 34682

RULE ANALYSIS  
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: Rule R307-103 sets out procedures for conducting adjudicative proceedings under Title 19, Chapter 2, Utah Air Conservation Act, and governed by Title 63G, Chapter 4, the Utah Administrative Procedures Act. The current Rule R307-103 is in need of updating to accommodate the statutory change requiring appointment of an administrative law judge for many proceedings and to address matters that have come up in the course of past administrative proceedings. The Attorney General’s Office decided that rather than each division in the Department of Environmental Quality having its own administrative procedures rule, the department would enact a rule that would apply department-wide. In DAR No. 34472, the Department Executive Director Amanda Smith, the Air Quality Board, the Water Quality Board, the Radiation Control Board, the Drinking Water Board, and Solid and Hazardous Waste Control Board proposed the creation of the department Rule R305-6. To incorporate Rule R305-6 into the Division of Air Quality’s rules, Rule R307-103 needs to be amended to reference Rule R305-6 for all administrative procedures. (DAR NOTE: The proposed new Rule R305-6 was published under DAR No. 34472 in the March 15, 2011, issue of the Bulletin.)  

SUMMARY OF THE RULE OR CHANGE: Rule R307-103 is amended to reference Rule R305-6 for all administrative procedures. All administrative procedures located in Rule R307-103 are located in the new Rule R305-6 with changes. R305-6 makes many changes to the current rule, including changes to encourage informal discovery and to limit discovery to appropriate subjects (proposed Section R305-6-105); changes to require that for decisions to be made by an executive secretary of a board, comments must be provided to the executive secretary in order to preserve a commenter’s right to challenge the executive secretary’s decision (proposed Section R305-6-209); and changes that specify situations in which declaratory actions should not be considered (proposed Section R305-6-302).

(6) Settlement. A settlement may be through an administrative order or through a proposed judicial consent decree, subject to the agreement of the settlers.

(7) Requests for Records. Requests for records and related assessments of fees for records under the Title 63G, Chapter 2, Utah Government Record Access and Management Act, and Title 63A, Chapter 12, Archives and Records Service, are not governed by Title 63G, Chapter 4, Utah Administrative Procedures Act, or by this rule.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The rule was adopted by the Air Quality Board (AQB) in November 2003 and submitted to EPA as part of the Regional Haze SIP in December 2003. Amendments to Rule R307-204 where adopted by the AQB in April 2006, and submitted to EPA in May 2006. As part of a consent decree, EPA is required to take final action on both submittals by 12/30/2011. As part of EPA’s review to meet the consent decree date, they identified a typographical error in the rule. DAQ staff and the Utah Smoke Management Coordinator confirmed the error and further identified an additional error, as well as redundant language that could be eliminated/removed. The amendment corrects the errors, removes redundant language and provides additional clarifying language.

SUMMARY OF THE RULE OR CHANGE: The changes correct typographical errors, remove redundant language, and provide additional clarifying language.

R307-204. Emission Standards: Smoke Management.

The following additional definitions apply only to R307-204.

"Annual Emissions Goal" means the annual establishment of a planned quantitative value of emissions reductions from prescribed fire.

"Best Management Practices" means smoke management and dispersion techniques used during a prescribed fire or a wildland fire use event that affect the direction, duration, height or density of smoke.

"Burn Plan" means the plan required for each fire ignited by managers or allowed to burn by managers. It must be prepared by qualified personnel and approved by the appropriate agency administrator prior to implementation. Each plan follows specific agency direction and must include critical elements described in agency manuals.

"Burn Window" means the period of time during which the prescribed fire is scheduled for ignition.
"Emission Reduction Techniques (ERT)" mean techniques for controlling emissions from prescribed fires to minimize the amount of emission output per unit or acre burned.

"Federal Class I Area" means any Federal land that is federally classified or reclassified Class I.

"Fire Prescription" means the measurable criteria that define conditions under which a prescribed fire may be ignited, guide selection of appropriate management responses, and indicates other required actions. Prescription criteria may include [but are not limited to] safety, economic, public health, environmental, geographic, administrative, social, or legal considerations.

"Land Manager" means any federal, state, local or private entity that owns, administers, directs, oversees or controls the use of public or private land, including the application of fire to the land.

"Non-burning Alternatives to Fire" means non-burning techniques that are used to achieve a particular land management objective, including but not limited to reduction of fuel loading, manipulation of fuels, enhancement of wildlife habitat, and ecosystem restructuring. These alternatives are designed to replace the use of fire for at least the next five years.

"Particulate Matter" means the liquid or solid particles such as dust, smoke, mist, or smog found in air emissions.

"Pile" means natural materials or debris resulting from some type of fuels management practice that have been relocated either by hand or machinery into a concentrated area.

"Pile Burn[ing]" means burning of individual piles.

"Prescribed Fire or Prescribed Burn" means any fire ignited by management actions to meet specific objectives, such as achieving resource benefits.

"Smoke Sensitive Receptors" means population centers such as towns and villages, campgrounds and trails, hospitals, nursing homes, schools, roads, airports, Class I areas, nonattainment and maintenance areas, areas whose air quality monitoring data indicate pollutant levels that are close to health standards, and any other areas where smoke and air pollutants can adversely affect public health, safety and welfare.

"Wildland" means an area in which development is essentially non-existent, except for pipelines, power lines, roads, railroads, or other transportation or conveyance facilities. Structures, if any, are widely scattered.

"Wildland Fire" means any non-structure fire, other than prescribed fire, that occurs in the wildland.

"Wildland Fire Use Event" means naturally ignited wildland fire that is managed to accomplish specific prestated resource management objectives in predefined geographic areas.

"Wildland Fire Implementation Plan (WFIP)" means the plan required for each fire that is allowed to burn.

"Wildland Fire [implementation] Plan Stage I" means the initial wildland fire strategy planning document. It is developed for fires less than 20 acres, with a low potential of spread and negative impacts. It must be completed within 8-hrs. of start.

"Wildland Fire [implementation] Plan Stage II" means a more detailed wildland fire strategy planning document. It is developed for fires greater than 20 acres that are [larger] more active fires with a greater potential for geographic extent. It must be completed within 24-hrs. of start.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: See the companion rulemaking proposing new administrative procedures rule at Rule R305-6 (DAR No. 34472), published in the March 15, 2011, Bulletin on pg. 53. The Department of Environmental Quality (DEQ) is updating its rule governing administrative procedures, and it is simultaneously consolidating those procedures into one rule. Updating is needed for several reasons. A 2009 amendment to Section 19-1-301 required the Department to use administrative law judges for most administrative proceedings. Many of the updates are needed to incorporate that statutory change. Updates are also needed to make clarifications and improvements in administrative procedures, and changes based on the Department's accumulated experience with administrative procedures. The purpose of specifying administrative procedures generally is to ensure that all participants will have information about how administrative proceedings will be conducted, and to ensure that the proceedings are conducted fairly and efficiently.

SUMMARY OF THE RULE OR CHANGE: DEQ is proposing to consolidate rules currently found in Rule R309-115 (Drinking Water) and several other places in DEQ's rules. In addition, the new Rule R305-6 makes many changes to Rule R309-115 and the other currently applicable rules, including changes to encourage informal discovery and to limit discovery to appropriate subjects (proposed Section R305-6-105); changes to require that for decisions to be made by an executive secretary of a board, comments must be provided to the executive secretary in order to preserve a commenter's right to challenge the executive secretary's decision (proposed Section R305-6-209); and changes that specify situations in which declaratory actions should not be considered (proposed Section R305-6-302).

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 19-1-301 and Section 63G-4-102 and Section 63G-4-503 and Sections 63G-4-201 through 63G-4-205

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it is also anticipated that efficiencies will be offset by a steadily increasing caseload.
♦ LOCAL GOVERNMENTS: There is no direct impact on local government, except that they may be regulated entities that would be governed by the rule. The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings. It is also anticipated that efficiencies will be offset by a steadily increasing caseload.
♦ SMALL BUSINESSES: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the
budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: Individuals, partnerships, and other entities can be regulated entities that will be governed by the new rule. The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

R309-115.3. Contesting an Initial Order or Notice of Violation.

(1) Procedure. Initial orders and notices of violation, as described in R309-115-2(1), may be contested by filing a written Request for Agency Action to the Executive Secretary. Drinking Water Board, Division of Drinking Water, PO Box 144830, Salt Lake City, Utah 84114-4830.

(2) Content Required and Deadline for Request. Any such request is governed by and shall comply with the requirements of 63G-3. If a request for agency action is made by a person other than the recipient of an order or notice of violation, the request for agency action shall also specify in writing sufficient facts to allow the board to determine whether the person has standing under R309-115-6(2) to bring the requested action.

(3) A request for agency action made to contest an initial order or notice of violation shall, to be timely, be received for filing within 30 days of the issuance of the initial order or notice of violation.

(4) Stipulation for Extending Time to File Request. The Executive secretary and the recipient of an initial order or notice of violation may stipulate to an extension of time for filing the request, or any part thereof.

(1) Initial Order or Notice of Violation. Designation of Proceedings as Formal or Informal for Agency Action resulting from proceedings described in R309-115-2(1) shall be conducted as follows:

(2) Designation of Proceedings. The board in accordance with 63G-3 may convert proceedings which are designated to be informal to formal and proceedings which are designated to be formal to informal if conversion is in the public interest and rights of all parties are not unfairly prejudiced.

(1) The presiding officer shall promptly review a request for agency action and shall issue a Notice of Request for Agency Action in accordance with 63G-3. If further proceedings are required and the matter is not set for hearing at the time the Notice is issued, notice of the time and place for a hearing shall be provided promptly after the hearing is scheduled.

(2) The Notice shall include a designation of parties under R309-115-6(3), and shall notify respondents that any response to the Request for Agency Action shall be due within 30 days of the date the Notice is mailed, in accordance with 63G-3.

(1) Determination of a Party. The following persons are parties to an adjudicative proceeding:

(a) The person to whom an initial order or notice of violation is directed, such as a person who submitted a permit application or approval request that was approved or disapproved by initial order of the executive secretary;

(b) The executive secretary of the board;

(c) All persons to whom the board has granted intervention under R309-115-6(2); and

(d) Any other person with standing who brings a Request for Agency Action as authorized by the Utah Administrative Procedures Act and these rules.

(2) Intervention.

(a) A Petition to Intervene shall meet the requirements of 63G-3. Except as provided in (2)(c), the timeliness of a Petition to Intervene shall be determined by the presiding officer under the facts and circumstances of each case.

(b) Any response to a Petition to Intervene shall be filed within 20 days of the date the Petition was filed, except as provided in R309-115-6(2)(c).

(c) A person seeking to intervene in a proceeding for which agency action has not been initiated under 63G-3 may file a Request for Agency Action at the same time the person files a Petition for Intervention. Any such Request for Agency Action and Petition to Intervene must be received by the board for filing within 30 days of the issuance of the initial order or notice of violation being challenged. The time for filing a Request for Agency Action and Petition to Intervene may be extended by stipulation of the executive secretary, the person subject to an initial order or notice of violation, and the potential intervenor.

(d) Any response to a Petition to Intervene that is filed at the same time as a Request for Agency Action shall be filed on or before the day the response to the Request for Agency Action is due.

(e) A Petition to Intervene shall be granted if the requirements of 63G-3 are met.

(3) Standing. No person may initiate or intervene in an agency action unless that person has standing. Standing shall be determined using applicable Utah case law.

(4) Designation of Parties. The presiding officer shall designate each party as a petitioner or respondent.

(5) Amicus Curiae (Friend of the Court). A person may be permitted by the presiding officer to enter an appearance as amicus curiae (friend of the court), subject to conditions established by the presiding officer.

(1) Role of Board.

(a) The board is the “agency head” as that term is used in Title 63G, Chapter 3. The board is also the “presiding officer,” as that term is used in Title 63G, Chapter 3 except:

(i) The chair of the board shall be considered the presiding officer to the extent that these rules allow; and

(ii) The board may appoint one or more presiding officers to preside over all or a portion of the proceedings.

(b) The chair of the board may delegate the chair’s authority as specified in this rule to another board member.

(2) Appointed Presiding Officers. Unless otherwise explicitly provided by written order, any appointment of a presiding officer shall be for the purpose of conducting all aspects of an adjudicative proceeding, except rulings on intervention, stay of orders, dispositive motions, and issuance of the final order. As used in this rule, the term “presiding officer” shall mean “presiding officers” if more than one presiding officer is appointed by the board.

(3) Board Counsel. The Presiding Officer may request that Board Counsel provide legal advice regarding legal procedures, pending motions, evidentiary matters, and other legal issues.
NOTICES OF PROPOSED RULES

The presiding officer shall control the conduct of a hearing, and may establish reasonable limits on the length of witness testimony, cross examination, oral arguments or opening and closing statements.

(1) Recommended Orders of Appointed Presiding Officers.
(a) The appointed presiding officer shall prepare a recommended order for the board, and shall provide copies of the recommended order to the board and to all parties.
(b) Any party may, within 10 days of the date the recommended order is mailed, delivered, or published, comment on the recommended order. Such comments shall be limited to 15 pages and shall cite to the specific parts of the record which support the comments.
(c) The board shall review the recommended order, comments on the recommended order, and those specific parts of the record cited by the parties in any comments. The board shall then determine whether to accept, reject, or modify the recommended order. The board may remand part or all of the matter to the presiding officer or may itself act as presiding officers for further proceedings.
(d) The board may modify this procedure with notice to all parties.
(2) Final Orders. The board shall issue a final order which shall include the information required by 63G-3.

(1) Stay of Orders Pending Administrative Adjudication.
(a) A party seeking a stay of a challenged order during an adjudicative proceeding shall file a motion with the board. If granted, a stay would suspend the challenged order for the period as directed by the board.
(b) The board may order a stay of the order if the party seeking the stay demonstrates the following:
(i) The party seeking the stay will suffer irreparable harm unless the stay is issued;
(ii) The threatened injury to the party seeking the stay outweighs whatever damage the proposed stay is likely to cause the party restrained or enjoined;
(iii) The stay, if issued, would not be adverse to the public interest; and
(iv) There is substantial likelihood that the party seeking the stay will prevail on the merits of the underlying claim, or the case presents serious issues on the merits which should be subject of further adjudication.
(2) Stay of the Order Pending Judicial Review.
(a) A party seeking a stay of the board’s final order during the pendency of judicial review shall file a motion with the board.
(b) The board as presiding officer may grant a stay of its order during the pendency of judicial review if the standards of R309-115-10(1)(b) are met.

No agency review under 63G-3 is available. A party may request reconsideration of an order of the presiding officer as provided in 63G-3.
R309-115-12. Disqualification of Board Members or Other Presiding Officers.
   (1) Disqualification of Board Members or Other Presiding Officers.
   (a) A member of the board or other presiding officer shall disqualify himself from performing the functions of the presiding officer regarding any matter in which he, or his spouse, or a person within the third degree of relationship to either of them, or the spouse of such person:
      (i) Is a party to the proceeding, or an officer, director, or trustee of a party;
      (ii) Has acted as an attorney in the proceeding or served as an attorney for, or otherwise represented a party concerning the matter in controversy;
      (iii) Knows that he has a financial interest, either individually or as a fiduciary, in the subject matter in controversy or in a party to the proceeding;
      (iv) Knows that he has any other interest that could be substantially affected by the outcome of the proceeding;
      (v) Is likely to be a material witness in the proceeding;
   (b) A member of the board or other presiding officer is also subject to disqualification under principles of due process and administrative law.
   (c) These requirements are in addition to any requirements under the Utah Public Officers' and Employees' Ethics Act, Utah Code Ann. Section 67-16-1 et seq.
   (d) Motions for Disqualification. A motion for disqualification shall be made first to the presiding officer. If the presiding officer is appointed, any determination of the presiding officer upon a motion for disqualification may be appealed to the board.

   (1) A request for a declaratory order may be filed in accordance with the provisions of 63G-3. The request shall be titled as a petition for declaratory order and shall meet the requirements of 63G-3. The request shall also set out a proposed order.
   (2) Requests for declaratory order, if set for adjudicative hearing, will be conducted using formal procedures unless converted to an informal proceeding under R309-115-4(2) above.
   (3) The provisions of 63G-3 apply to declaratory proceedings, as do the provisions of this Rule R309-115.

   (1) Modifying Requirements of Rules. For good cause, the requirements that would otherwise be imposed by these rules may be waived or modified by order of the presiding officer.
   (2) Extensions of Time. If requested before the expiration of the pertinent time limit, the presiding officer may approve extensions of any time limits established by this rule, and may extend time limits adopted in schedules established under R309-115-7(6). The presiding officer may also postpone hearings. The chair of the board may act as presiding officer for purposes of this paragraph.
   (3) Computation of Time. Time shall be computed as provided in Rule 6(a) of the Utah Rules of Civil Procedure except that no additional time shall be allowed for service by mail.
   (4) Appearance and Representation.

R309. Environmental Quality, Drinking Water.
R309-700-5. Loan, Credit Enhancement, Interest Buy-Down, and Hardship Grant Consideration Policy.

(1) Board Priority Determination. In determining the priority for financial assistance the Board shall consider:
(a) The ability of the applicant to obtain funds for the drinking water project from other sources or to finance such project from its own resources;
(b) The ability of the applicant to repay the loan or other project obligations;
(c) Whether a good faith effort to secure all or part of the services needed from the private sector through privatization has been made; and
(d) Whether the drinking water project:
(i) meets a critical local or state need;
(ii) is cost effective;
(iii) will protect against present or potential hazards;
(iv) is needed to comply with the minimum standards of the Federal Safe Drinking Water Act, 42 USC, 300f, et. seq. or similar or successor statute;
(v) is needed to comply with the minimum standards of the Utah Safe Drinking Water Act, Title 19, Chapter 4 or similar or successor statute;
(vi) is needed as a result of an Emergency.
(e) The overall financial impact of the proposed project on the citizens of the community, including direct and overlapping indebtedness, tax levies, user charges, impact or connection fees, special assessments, etc., resulting from the proposed project, and anticipated operation and maintenance costs versus the median income of the community;
(f) Consistency with other funding source commitments which may have been obtained for the project;
(g) The point total from an evaluation of the criteria listed in Table 1;

TOTAL POSSIBLE POINTS FOR NEED FOR PROJECT 100

(h) Other criteria that the Board may deem appropriate.
(2) Drinking Water Board Financial Assistance Determination. The amount and type of financial assistance offered will be based on the following considerations:
(a) An evaluation based upon the criteria in Table 2 of the applicant's financial condition, the project's impact on the community, and the applicant's commitment to operating a responsible water system.

The interest rate to be charged by the Board for its financial assistance will be computed using the number of points assigned to the project from Table 2 to reduce, in a manner determined by Board resolution from time to time, the most recent Revenue Bond Buyer Index (RBBI) as published by the Bond Buyer's Guide. The interest rate so calculated will be assigned to the financial assistance. To encourage rapid repayment of a loan the Board will increase the interest rate 0.02 per cent (0.02%) for each year the repayment period exceeds five (5.0) years.

For hardship grant consideration, exclusive of planning and design grants or loans described in Sections R309-700-6, 7 and 8, the estimated annual cost of drinking water service for the average residential user should exceed 1.75% of the median adjusted gross household income from the most recent available State Tax Commission records or the local median adjusted gross income (MAGI) is less than or equal to eighty-percent (80.0%) of the State's median adjusted gross income. When considering funding for planning and design grants and loans described in Sections R309-700-6, 7 and 8, the Board will consider whether or not the applicant's local MAGI meets the above criteria for hardship grant funding. If, in the judgment of the Board, the State Tax Commission data is insufficient, the Board may accept other measurements of the water users' income (i.e. local income survey or questionnaire when there is a significant difference between number of service connections for a system and the number of tax filings for a given zip code or city). The Board will also consider the applicant's level of contribution to the project.

   ** AGI Factor = (State Median AGI/System Median AGI)

   (2) Financial Assistance Determination. The amount and type of financial assistance offered will be based upon the criteria shown in Table 2. As determined by Board resolution, disadvantaged communities may also receive zero-percent loans, or other financial assistance as described herein.

   Effective rate calculation methods will be determined by Board resolution from time to time, using the Revenue Bond Buyer Index (RBBI) as a basis point, the points assigned in Table 2, and a method to reduce the interest rate from a recent RBBI rate down to a potential minimum of zero percent. To encourage rapid repayment of a loan the Board will increase the interest rate 0.02
per cent (0.02%) for each year the repayment period exceeds five (5.0) years.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: See the companion rulemaking proposing new administrative procedures rule at Rule R305-6 (DAR No. 34472), published in the March 15, 2011, Bulletin on pg. 53. The Department of Environmental Quality (DEQ) is updating its rule governing administrative procedures, and it is simultaneously consolidating those procedures into one rule. This rule did not previously identify rules governing administrative proceedings, though it is likely they would have been handled under existing rules. The proceedings are now being proposed in the companion rulemaking to be handled under Rule R305-6. This conforming amendment is being proposed to make that clear.

SUMMARY OF THE RULE OR CHANGE: DEQ is proposing to consolidate rules governing administrative proceedings currently found in several places in DEQ’s rules. In addition, the new Rule R305-6 makes many changes to those existing rules, including changes to encourage informal discovery and to limit discovery to appropriate subjects (proposed Section R305-6-105); changes to require that for decisions to be made by an executive secretary of a board, comments must be provided to the executive secretary in order to preserve a commenter’s right to challenge the executive secretary’s decision (proposed Section R305-6-209); and changes that specify situations in which declaratory actions should not be considered (proposed Section R305-6-302).

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 19-1-301 and Section 63G-4-102 and Section 63G-4-503 and Sections 63G-4-201 through 63G-4-205
ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

♦ LOCAL GOVERNMENTS: There is no direct impact on local government, except that they may be regulated entities that will be governed by the rule. The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings. It is also anticipated that efficiencies will be offset by a steadily increasing caseload.

♦ SMALL BUSINESSES: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings. It is also anticipated that efficiencies will be offset by a steadily increasing caseload.

♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: Individuals, partnerships, and other entities can be regulated entities that will be governed by the new Rule R305-6. The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE:
See the companion rulemaking proposing new administrative procedures rule at Rule R305-6 (DAR No. 34472), published in the March 15, 2011, Bulletin on pg. 53. The Department of Environmental Quality (DEQ) is updating its rule governing administrative procedures, and it is simultaneously consolidating those procedures into one rule. Updating is needed for several reasons. A 2009 amendment to Section 19-1-301 required the Department to use administrative law judges for most administrative proceedings. Many of the updates are needed to incorporate that statutory change. Updates are also needed to make clarifications and improvements in administrative procedures, changes based on the Department's accumulated experience with administrative procedures. The purpose of specifying administrative procedures generally is to ensure that all participants will have information about how administrative proceedings will be conducted, and to ensure that the proceedings are conducted fairly and efficiently.

SUMMARY OF THE RULE OR CHANGE:
DEQ is proposing to consolidate rules currently found in Rule R311-210 and several other places in DEQ's rules. In addition, the new rule makes many changes to existing rules governing administrative proceedings, including changes to encourage informal discovery and to limit discovery to appropriate subjects (proposed Section R305-6-105); changes to require that for decisions to be made by an executive secretary of a board, comments must be provided to the executive secretary in order to preserve a commenter's right to challenge the executive secretary's decision (proposed Section R305-6-209); and changes that specify situations in which declaratory actions should not be considered (proposed Section R305-6-302).

♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES:
Individuals, partnerships, and other entities can be regulated entities that will be governed by the new rule. R311. Environmental Quality, Environmental Response and Remediation.
R311-210-1. Administrative Procedures.
Administrative proceedings are governed by Rule R305-6.

R311-210-1. Definitions.
Definitions are found in Section R311-200.

(a) In accordance with the Utah Administrative Procedures Act (UAPA), Utah Code Annotated, 1953 as amended, Section 63G-4-102 et seq., these rules set forth procedures which govern orders and notices by the Executive Secretary and adjudicative proceedings before the Executive Secretary, the Board and before the Executive Director. The Executive Secretary may issue UAPA exempt orders or notices of violation as provided in Subsection 63G-4-102(2)(k) or may issue orders or notices under UAPA.
(b) Recognizing the potential for an ever-increasing burden from adjudicating a matter, these rules are to facilitate and encourage that disputes be resolved at the lowest level possible.
(c) These rules are not intended to be comprehensive, but, are for supplementation, and provide for the inherent needs and unique purposes of proceedings directed or addressed by the Underground Storage Tank Act.
(d) These rules shall be liberally construed to secure a just, speedy and economical determination of all issues presented.

These rules shall also be construed to be in compliance with the UAPA as far as the UAPA is applicable, the Environmental Quality Code (Section 19-1 et seq.) and the Underground Storage Tank Act. Whenever indicated, certain provisions have exclusive application to either UAPA-exempt, or UAPA formal or informal proceedings.
(e) Individuals who are participants to a proceeding, an agency which is a participant to a proceeding, or an individual designated by a partnership, corporation, association or governmental subdivision may represent their interest in the proceeding. Any participant may be represented by an attorney licensed to practice in the State of Utah or attorneys licensed to practice law in another jurisdiction which meet the rules of the Utah State Bar for practicing law before the courts of the State of Utah.
(f) Issuance of any order or notice shall be made by certified mail to the party’s most current address available to the agency. The agency may presume that the most current address available for an owner or operator is provided in the notification form that owners and operators are required to file with the agency. If delivery of certified mail is refused, the issued order or notice shall then be sent by regular mail.

(g) Parties that request a determination of responsible parties or apportionment of liability among responsible parties shall pay the costs of the action requested at a rate set by the state legislature if the request is granted. Parties that request agency review of an action which determined responsible parties or apportioned liability shall pay the costs of further proceedings at a rate set by the state legislature. However, when a final determination of liability is made and the requesting party is less than one hundred per cent liable, the costs of the proceedings shall be included in the apportionment decision and the requesting party may recover its costs from the other parties according to each party’s apportioned liability. If the agency initiates such proceedings without a requesting party, the agency shall pay the costs of the proceedings and may recover costs of the proceedings as provided above.

(h) Except as otherwise stated in Section R311-210, informal adjudicative proceedings shall be conducted in accordance with Section 63G-4-203 of UAPA.

(i) A contested order revoking a certificate of compliance may be, in accordance with Section 19-4-11(3), appealed to the Executive Director. In such contested orders the term “Board” as used in R311-210 means the Executive Director.
(j) The term “issue” as in issuing an order means the time a signed order is mailed in accordance with these rules. Where delivery of an order or notice is refused, the date of issuance shall be the date the refused order or notice was sent by certified mail.
(k) Time shall be computed as provided in Rule 6 of the Utah Rules of Civil Procedure.
(l) At the time these rules or any amendments become effective, they will apply to ongoing adjudicative proceedings.
R311-210-3. Orders and Notices of Violation.
   (a) All UAPA-exempt orders or notices of violation issued under 63G-1-102(2)(k) are effective upon issuance unless otherwise provided in the order and shall become final if not contested within 30 days after the date issued. Except as provided in subsection R311-210 3(b), failure to timely contest a UAPA exempt order or notice of violation waives any right of administrative contest, reconsideration, review or judicial appeal. The contesting party has the burden of proving that an order or notice of violation was contested within 30 days of its issuance:

   (b) A party may seek to have the Executive Secretary set aside an order or notice of violation which was not contested within 30 days and become final by following the procedures outlined in the Utah Rules of Civil Procedure for setting aside default judgments.

   (c) A motion to set aside an order or notice of violation that became final is denied, the party may seek reconsideration or agency review as the only that decision to deny such motion to set aside the order or notice.

   (d) In proceedings involving multiple parties, a party that has an order or notice of violation issued against it which becomes final by not being timely contested is precluded from participating in any further adjudicative proceedings with the other parties on the matter, unless the Executive Secretary sets aside the order under R311-210 3(b) or unless such party is permitted to enter an appearance as Amicus Curiae as provided in R311-210 6(c).

   (e) All initial orders and notices of violation issued by the Executive Secretary shall be in a log that is available for public inspection during office hours.

R311-210-4. Contesting a UAPA-exempt Order or Notice of Violation Issued by the Executive Secretary.
   (a) The validity of any UAPA exempt order or notice of violation issued by the Executive Secretary may be contested by filing a request for agency action. A request for agency action to contest a UAPA exempt order or notice of violation and all subsequent proceedings acting on such a request are governed by the UAPA as provided in Subsection 63G-1-102(2)(c).

   (b) Except as provided in subparagraph (c)(1), the validity of a UAPA exempt order or notice of violation may be contested by filing a request for agency action, as specified in Section 63G-4-301 of the UAPA, with the Board at the Solid and Hazardous Waste Control Board, Division of Environmental Response and Remediation, 168 North 1950 West, 1st Floor, PO Box 144840, Salt Lake City, Utah 84114-4840.

   (c) A notice revoking a certificate of compliance under Section 19-6-414 that is issued by the Executive Secretary under UAPA may be requested by filing a request for review with the Executive Director of the Department of Environmental Quality at the Department of Environmental Quality, Office of the Executive Director, 168 North 1950 West, 2nd Floor, PO Box 144810, Salt Lake City, Utah 84114-4810.

   (d) Any request for agency action must be received for filing within thirty (30) days of the date the Executive Secretary issues the order or notice of violation.

   (e) Notice of the time and place of any scheduled hearing for a request for agency action shall be given as provided in Section 63G-1-201(d) of UAPA. If a hearing has not been scheduled, the response shall give notice of the time and place of a pre-hearing conference to appropriately schedule a hearing. Notice of the time and place of a hearing shall be provided promptly after the hearing is scheduled.

R311-210-5. Contesting an Order or Notice of Violation Issued by the Executive Secretary Under UAPA.
   (a) The recipient of an order or notice of violation issued by the Executive Secretary under UAPA may request agency review, as provided in Section 63G-1-301. Except as provided in subparagraph (b), agency review of a contested order issued under UAPA may be requested by filing a request for review with the Board at the Solid and Hazardous Waste Control Board, UST, 168 North 1950 West, 1st Floor, PO Box 144840, Salt Lake City, Utah 84114-4840.

   (b) A notice revoking a certificate of compliance under Section 19-6-414 that is issued by the Executive Secretary under UAPA may be contested by filing a request for review with the Executive Director of the Department of Environmental Quality at the Department of Environmental Quality, Office of the Executive Director, 168 North 1950 West, 2nd Floor, PO Box 144810, Salt Lake City, Utah 84114-4810. If a hearing has not been scheduled, the response shall give notice of the time and place of a pre-hearing conference to appropriately schedule a hearing. Notice of the time and place of a hearing shall be provided promptly after the hearing is scheduled.

R311-210-6. Parties and Intervention.
   (a) The following persons are parties to a proceeding governed by this rule:

   1. The person or persons to whom the challenged order or notice of violation is directed;

   2. The Executive Secretary;

   3. All persons whose legal rights or interests are substantially affected by the proceeding; and to whom intervention rights have been granted under R311-210 6(d).

   (b) In a proceeding requested by the person to whom the challenged order or notice of violation is directed, that person shall be the petitioner and the Executive Secretary or any other non-requesting party shall be the respondent.

   (c) In a proceeding requested by the person requesting intervention, the intervenor shall be the petitioner (provided that intervention is granted), and the Executive Secretary and any persons to whom the challenged order or notice of violation is directed shall be the respondents.

   (d) Intervention: A person who is not a party to a proceeding may request intervention under Section 63G-1-207 of
the UAPA for the purpose of filing a request for agency action, and may simultaneously file that request.

311-210. Presiding Officer.
(a) In proceedings to review UAPA exempt orders and notices of violations, the Board is the "agency head" as that term is used in the UAPA.
(b) When acting as agency head, the Board is the "presiding officer" as that term is used in the UAPA, except:
   1. the Chair of the Board shall be considered the presiding officer to the extent that these rules allow; and
   2. the Board may by order appoint a presiding officer to preside over all or a portion of the proceedings.
(c) When a UAPA proceeding is before the Executive Secretary, the Executive Secretary is the "agency head" and the "presiding officer," and the Board is the "superior agency" as those terms are used in the UAPA. When acting as agency head, the Executive Secretary may appoint an individual or panel to be the Presiding Officer.
(d) A presiding officer when appointed by the appointing authority shall be empowered with such authority as granted by the appointing authority and the UAPA, except making final substantive decisions and as may be limited by subsection R311-210-10. In making such a determination, the Executive Secretary may appoint an individual or panel to be the Presiding Officer.

(a) Proceedings pursuant to a request for agency action are designated as formal, including: enforcement, violations, noncompliance, civil penalties, assessments, revocations, lapse of terminated certificates, abatements, corrective plans, releases, tank tightness, claims, and other matters determining a person's legal interest.
(b) UAPA proceedings before the Executive Secretary including those determining responsible parties and apportioning liability among responsible parties shall be designated formal.

(a) In accordance with the UAPA, the presiding officer may, at any time, convert proceedings it is adjudicating which are designated informal to formal, and proceedings which are designated as formal to informal if conversion is in the public interest and rights of all parties are not unfairly prejudiced.
(b) If multiple issues are part of one proceeding, the presiding officer may separate the proceedings to convert one or more of the matters from formal to informal or informal to formal, while allowing the other matters to proceed at the ongoing designation.

(a) The Executive Secretary may request owners or operators of a facility that had a release of a regulated substance or any persons identified as potential responsible parties to provide information and documentation pertinent to the identification of other responsible parties. However, this does not prevent the Executive Secretary from determining responsible parties and apportioning liability. If information identifying or otherwise concerning other potentially responsible parties is provided, the forwarding of such information to the Executive Secretary is not to be construed as a request to determine responsible parties or apportion liability.
(b) The Executive Secretary may make a preliminary identification of as many responsible parties as reasonably possible that are to be a part of an initial proceeding. The preliminary identification of responsible parties does not constitute an order. The preliminary identification may be made solely from information provided in the manner described in subsection R311-210-10(c). In making such a determination, the Executive Secretary may assess whether any identification of a responsible party by other parties is without merit, or may find that no grounds exist to identify such person as a responsible party.
(c) Before any proceeding is commenced, the Executive Secretary, or a representative of the Executive Secretary may seek to resolve the impending proceeding by encouraging or facilitating settlement.

R311-210-11. Multiple Issues or Parties.
(a) Multiple issues may be determined in one proceeding, or in one resulting order or notice of violation.
(b) Multiple issues having been determined in a single proceeding may, if contested, proceed separately.
(c) The naming or identifying of responsible parties as part of an investigation whether or not it results in an order or notice of violation, or as part of an adjudication does not preclude the naming or identifying of different or additional responsible parties in the same investigation or adjudication for different issues, or separate investigations or adjudications concerning different issues.

R311-210-12. Motions.

The motion or response may be accompanied by a short supporting memorandum of fact and law. Supporting or contravening affidavits may be submitted with the motion or response.
(c) Responses to motions must be received by the presiding officer ten days after the motion is submitted, unless otherwise directed by the presiding officer.
(d) Although the agency or parties may file responses as provided in R311-210-12(c), such responses are not required and

the agency or parties will not be subject to default for declining to file responses.

---

(a) Dispositive motions that concern facts or matters beyond those contained solely within the request for agency action shall be completed 30 days before the scheduled hearing, unless otherwise directed by the presiding officer.

R311-210-13. Record Submission and Review.

---

In accordance with Section 63G-1-203(a), in informal proceedings the presiding officer may require parties to submit pertinent information within a designated response period. Parties’ access to information shall be as provided in the UAPA. The presiding officer may sanction a party that does not submit information that is requested by the presiding officer. Such sanctions include exclusion of evidence at the hearing, being held in default, or other applicable sanctions found in Rule 27(b) of the Utah Rules of Civil Procedure. If a hearing is scheduled, a party shall submit to the presiding officer any information that was not requested that the party intends to use at the hearing 30 days before the hearing. Failure to timely submit such information may result in the presiding officer excluding the information at the hearing.

---

(a) In formal proceedings, all parties shall submit to the presiding officer all relevant information they possess or are aware of necessary for parties to support their claims or defenses within 30 days after proceedings are commenced, and with newly acquired information within 30 days after the party discovers such information, but not less than 30 days before a formal hearing. The Executive Secretary satisfies this obligation by making the public agencies’ file available for inspection. If a party fails to timely provide the required information, the presiding officer may enter an order of default, exclude evidence, or enter other applicable sanctions found in Rule 27(b) of the Utah Rules of Civil Procedure. Parties submitting the information shall provide notice to all other parties with a list or brief summary of all information being submitted. Parties shall have access to the information submitted to the presiding officer, and to information acquired through agency investigations and other information contained in its files.

(b) In formal proceedings the presiding officer may vary the manner of discovery if it appears appropriate, or upon the motion of a party and for good cause shown. If discovery is varied to be more in accordance with the Utah Rules of Civil Procedure, copies of all discovery conducted between parties shall be provided to the presiding officer at the cost to the party seeking discovery.

(c) In formal proceedings, upon approval by the presiding officer, any party may serve on any other party a request to permit inspection of the property or any designated object or operation thereon to the presiding officer at the cost to the party requesting inspection.

---

1. The request shall set forth the items to be inspected either by individual item or by category, and describe each item and category with reasonable particularity. The request shall specify a reasonable time, place, and manner of making the inspection and performing the related acts.

2. The party upon whom the request is served shall serve a written response within 30 days after the service of the request. The presiding officer may allow a shorter or longer time. The response shall state with respect to each item or category, that inspection and related activities will be permitted as requested, unless the request is objected to, in which event the reasons for objection shall be stated. The party submitting the request may move for an order compelling inspection and seek any sanction referred to above in subsection (a) with respect to any objection to or failure to respond to the request or any part thereof, or any failure to permit inspection as requested.

---

(a) In proceedings in which a hearing may be held, the presiding officer may, upon written notice to all parties of record, hold a pre-hearing conference. Matters that may be discussed at the pre-hearing conference include: setting a hearing date; formulating or simplifying the issues; obtaining stipulations, admissions of fact and of documents which will avoid unnecessary proof; arranging for the exchange of proposed exhibits or prepared expert testimony; identifying all other prospective exhibits or witnesses; outlining or reviewing procedures to be followed; encouraging joint pleadings, exhibits, testimony and cross-examination where parties have common interests; and facilitating settlement and other agreements. Any other matters that may expedite the orderly conduct of the proceedings may be discussed.

(b) Parties to a proceeding are encouraged to prepare a joint proposed schedule addressing matters such as a hearing date, and motion and discovery cut off dates. If the parties cannot agree on a joint proposed schedule, the presiding officer may consider proposals by any party.

(c) The presiding officer shall establish schedules for discovery and other pre-hearing proceedings, for the hearing, and for any post-hearing proceedings.

---

---

(a) All formal hearings shall be open to the public, unless otherwise ordered by the presiding officer for good cause shown.

(b) The presiding officer shall maintain order and may recess the hearing for the time necessary to regain order if a person engages in disrespectful, disorderly, or contumacious conduct. The presiding officer may take measures to remove a person, including: restricting a person’s participation, putting on evidence, or simplifying the issues; obtaining stipulations, admissions of fact and of documents which will avoid unnecessary proof; arranging for the exchange of proposed exhibits or prepared expert testimony; identifying all other prospective exhibits or witnesses; outlining or reviewing procedures to be followed; encouraging joint pleadings, exhibits, testimony and cross-examination where parties have common interests; and facilitating settlement and other agreements.

(c) If a party desires to employ a court reporter to make a record of the hearing, the original transcript of the hearing shall be filed with the presiding officer at no cost to the agency.

(d) In apportionment proceedings, the order of presentation of evidence will be as follows: unless otherwise directed by the presiding officer, the responsible party most recently involved in the facility, with operators having priority over owners; then underground storage tank installation companies; then subsequent responsible parties in the order of recency of involvement in the facility; intervenor(s); the agency; and other interested parties. Argument normally will follow the same order.
For other proceedings, the presiding officer may order the presentation of evidence in a manner deemed appropriate:

(a) Parties may question opposing witnesses on any matter relevant to the issue even though the matter was not covered in direct examination. The presiding officer may limit or exclude friendly cross examination. The presiding officer shall discourage and may prohibit parties from making their case through cross examination.

(b) The presiding officer may question any party or witness and may admit any evidence believed relevant or material:

(c) The presiding officer may continue a hearing to another time or place if additional evidence is available or reasonably expected to be available and the presiding officer determines such evidence is necessary for the proper determination of the case.

(a) The presiding officer is not bound by the rules of evidence and need not adhere to the rules as required in civil actions in the courts of this State. Nevertheless, in UAPA proceedings, the Utah Rules of Evidence shall be used as an appropriate guide, insofar as they are not inconsistent with the UAPA and these Rules.

(b) In contested proceedings providing a hearing, if a witness' testimony has been reduced to writing and filed with the presiding officer at least 30 days prior to the hearing, the testimony may be placed into the record as an exhibit. Parties shall have an opportunity to cross examine the witness on the testimony.

R311-210-18. Recommended Orders.

(a) If the presiding officer in a proceeding is an appointed presiding officer, at the conclusion of the hearing or taking evidence, the presiding officer cannot make any final substantive decisions, but shall take the matter under advisement and shall submit to the appointing authority recommended orders. The recommended orders shall follow the form in the UAPA for signed and issued orders in informal or formal proceedings. All recommended orders will be public record and copies shall be distributed to all parties.

(b) Any party may, within 20 days of the date the draft order is mailed, delivered, or published, comment on the draft order.

(c) The appointing authority may adopt and sign the recommended orders or any portion of them as final orders; reject the recommended orders or any portion of them and make an independent determination based on the record or order further proceedings. If the appointing authority adopts or rejects a portion of the recommended orders, the appointing authority shall make specific reference to the portion adopted or rejected. If the appointing authority rejects the entire recommended orders, the appointing authority shall specifically state that they are rejected in their entirety. The appointing authority shall cite specifically to the record for the bases of any independent determinations in the final orders.

(d) The appointing authority may remand the matter to the presiding officer to take additional evidence. The presiding officer thereafter shall submit to the appointing authority new recommended orders.

(e) The Board adopting and signing recommended orders as final orders or making independent determinations and signing them as final orders pursuant to a request for agency action to contest an initial order does not constitute agency review, but is open to a request for reconsideration in accordance with Section 63G 1-302 of the UAPA.

(f) The appointing authority may modify this procedure with notice to all parties.

(a) Orders of the Executive Secretary are immediately effective upon being issued unless otherwise provided in the order. Upon a timely request for agency action or agency review to contest such orders, any person who desires a stay of the order before the next regular Board meeting may request a stay.

(b) A party seeking a stay of the order of the Executive Secretary shall file a motion with the presiding officer.

(c) The presiding officer may order a stay of the order of the Executive Secretary if the party seeking the stay demonstrates that:

1. The party seeking the stay shall suffer irreparable harm unless the stay issues;

2. The threatened injury to the party seeking the stay outweighs whatever damage the proposed stay is likely to cause the party restrained or enjoined;

3. The stay, if issued, would not be adverse to the public interest; and

4. There is a substantial likelihood that the party seeking the stay will prevail on the merits of the underlying claim, or the case presents serious issues on the merits which should be the subject of further evaluation by the presiding officer.

(d) No bond shall be required from the party requesting the stay.

(e) The Board may grant a stay of its order (or of the order of its appointed presiding officer) during the pendency of judicial review if the standards of R311-210-19(c) are met.

(f) The request for a stay shall be deemed denied if the presiding officer does not issue a written decision to deny or grant a stay of any order within ten working days of the filing of a written motion.

The standard of review of orders issued by the Executive Secretary following a formal UAPA proceeding that are before the superior agency shall be the standard delineated in Section 63G 1-403(1)(c) (b) of UAPA.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: See the companion rulemaking proposing new administrative proceedings rule at Rule R305-6 (DAR No. 34472), published in the March 15, 2011, Bulletin on pg. 53. The Department of Environmental Quality (DEQ) is updating its rule governing administrative procedures, and it is simultaneously consolidating those procedures into one rule. This rule did not previously identify rules governing administrative proceedings, though it is likely they would have been handled under existing rules. The proceedings are now being proposed in the companion rulemaking to be handled under Rule R305-6. This conforming amendment is being proposed to make that clear.

SUMMARY OF THE RULE OR CHANGE: DEQ is proposing to consolidate rules governing administrative proceedings currently found in several places in DEQ's rules. In addition, the new Rule R305-6 makes many changes to those existing rules, including changes to encourage informal discovery and to limit discovery to appropriate subjects (proposed Section R305-6-105); changes to require that for decisions to be made by an executive secretary of a board, comments must be provided to the executive secretary in order to preserve a commenter's right to challenge the executive secretary's decision (proposed Section R305-6-209); and changes that specify situations in which declaratory actions should not be considered (proposed Section R305-6-302).

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 19-1-301 and Section 19-6-901 et seq. and Section 63G-503 and Sections 63G-201 through 205

ANTICIPATED COST OR SAVINGS TO:

♦ THE STATE BUDGET: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it is also anticipated that efficiencies will be offset by a steadily increasing caseload.

♦ LOCAL GOVERNMENTS: There is no direct impact on local government, except that they may be regulated entities that would be governed by the rule. The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings. It is also anticipated that efficiencies will be offset by a steadily increasing caseload.

♦ SMALL BUSINESSES: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: Individuals, partnerships, and other entities can be regulated entities that will be governed by the new Rule R305-6. The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: This filing is a companion rulemaking to DAR No. 34472. Much of the text in Rule R313-17 is to be deleted because the Department of Environmental Quality is updating its rule governing administrative procedures, and it is simultaneously consolidating those procedures into one rule (Rule R305-6). Rule R313-17 is being updated to clarify the statutory authority behind the rule and that Subsection R313-17-2(1)(b) does not apply to ionizing radiation producing machines used in the healing arts. An update is also needed to identify the methods that may be used to give the public notice of an agency action. (DAR NOTE: The proposed new Rule R305-6 was published under DAR No. 34472 in the March 15, 2011, issue of the Bulletin.)

SUMMARY OF THE RULE OR CHANGE: The most significant change to Rule R313-17 is to note that administrative proceedings under the Radiation Control Act will be governed by Rule R305-6. The rule is being updated to clarify the statutory authority behind Rule R313-17. A change is needed to clarify that Subsection R313-17-2(1)(b) does not apply to ionizing radiation producing machines used in the healing arts. An update is also needed to identify the methods that may be used to give the public notice of an agency action.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 63G-4-102 and Sections 63G-4-201 through 63G-4-205 and Subsection 19-3-104(4)

ANTICIPATED COST OR SAVINGS TO:

♦ THE STATE BUDGET: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it is also anticipated that efficiencies will be offset by a steadily increasing caseload. There is an expected, but unquantifiable, cost savings for the Division of Radiation Control (DRC) when public notice of an agency action is
given through the DRC website in lieu of publication in a newspaper.

♦ LOCAL GOVERNMENTS: There is no direct impact on local government, except that they may be regulated entities that would be governed by the rule. The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings. (3) The Executive Secretary may also hold a public hearing at his discretion, whenever, for instance, a hearing might clarify one or more issues involved in the proposed action.

(4) The Executive Secretary shall hold a public hearing whenever he receives written notice of opposition to a proposed action and a request for a hearing within 30 days of public notice under R313-17-2.

(5) (a) Public notice of the hearing shall be given as specified in R313-17-2.

(b) The public comment period under R313-17-2 shall automatically be extended to the close of any public hearing under this section. The hearing officer may also extend the comment period by so stating at the hearing.

(1) PURPOSE AND SCOPE

(c) other formal adjudicative proceedings before the Radiation Control Board.

(2) INITIAL PROCEEDINGS EXEMPT FROM UAPA

This includes, but is not limited to, initial proceedings regarding:

(a) approval, amendment, denial, termination, transfer, revocation, or renewal of licenses;

(b) requests for variances, exemptions, and other approvals;

(a) Contest of an initial order or notice of violation or proposed imposition of civil penalties shall be conducted as a formal proceeding.

(b) The Board in accordance with Section 63G 4-202(3) may convert proceedings which are designated to be informal, and proceedings which are designated as informal to formal if conversion is in the public interest and rights of all parties are not unfairly prejudiced.

(c) Unless otherwise stated in R313, informal adjudicative proceedings shall be conducted in accordance with Section 63G 4-203.

(4) APPEARANCES AND REPRESENTATION

(a) An individual who is a participant to a proceeding, or an officer designated by a partnership, corporation, association, or governmental entity which is a participant to a proceeding, may represent his, her, or its interest in the proceeding.

(c)(i) All initial orders or notices of violation are effective upon issuance and shall become final if not contested within 30 days after the date issued.

(ii) Issuance of such orders or notices of violation means that the time a signed order is mailed by certified mail to the recipient's most current address or hand delivered to the recipient.

(iii) If delivery by certified mail is refused, the issued order or notice shall be sent by regular first-class mail.

(iv) Failure to timely contest an initial order or notice of violation waives any right of administrative context reconsideration, review or judicial appeal.

(2) RESPONSE TO REQUEST FOR AGENCY ACTION

The Executive Secretary shall compile an administrative record prior to a scheduled hearing and give any party the opportunity to supplement the record. The pre-hearing record shall also consist of pleadings or other documents filed prior to the hearing.

R313-17-7. Parties and Intervention.

(1) DETERMINATION OF A PARTY.

The following persons are Parties to a formal proceeding governed by these rules:

(2) INTERVENTION

A petition for intervention may be filed by a petitioner to commence an adjudicative proceeding in accordance with R313-17-6(2) or to intervene after a notice of agency action or request for agency action has been filed. A petitioner for intervention shall meet the following requirements:

(i)(i) The request for agency action is timely filed in accordance with R313-17-6(2); or

(d) Intervention may only be granted by order of the Board to a petitioner who meets the requirements of R313-17-7(2) and (3).

(2) DESIGNATION OF PARTIES

Unless otherwise designed by the Hearing Officer:

(i) The Chair of the Board shall be considered the Presiding Officer to the extent that these rules allow; and

(ii) The Board may by order appoint one or more Presiding Officers to preside over all or a portion of the proceedings.

(b) The Chair of the Board may delegate his or her authority as specified in this Rule to another Board member.

(2) APPOINTED PRESIDING OFFICERS

Unless otherwise explicitly provided in an order of appointment, any appointment of a Presiding Officer shall be for the purpose of conducting all aspects of an adjudicative proceeding, except grant of intervention, stays of orders and issuance of the final order. As used in these rules, the term Presiding Officer shall mean Presiding Officers if more than one Presiding Officer is appointed by the Board.

(3) PRE-HEARING CONFERENCES

The Presiding Officer may direct the Parties to appear at a specified time and place for pre-hearing conferences for the
purposes of clarifying the issues, simplifying the evidence—facilitating discovery, expediting proceedings, or encouraging settlement.

(b) Response briefs may not be filed unless permitted by the Presiding Officer.

(5) SCHEDULES

(a) The Presiding Officer shall establish schedules for discovery and other pre-hearing proceedings, for the hearing, and for any post-hearing proceedings.

(b) The parties are encouraged to prepare a joint proposed schedule. If the parties cannot agree on a joint proposed schedule, the Presiding Officer may consider proposals by any party.

(i) The party seeking the Stay will suffer irreparable harm unless the stay issues;

(ii) The threatened injury to the party seeking the Stay outweighs whatever damage the proposed stay is likely to cause the party restrained or enjoined;

(iii) The Stay, if issued, would not be adverse to the public interest; and

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: See the companion rulemaking proposing new administrative procedures rule at Rule R305-6 (DAR No. 34472), published in the March 15, 2011, Bulletin on pg. 53. The Department of Environmental Quality (DEQ) is updating its rule governing administrative procedures, and it is simultaneously consolidating those procedures into one rule. This amendment is being proposed because the proceedings will be handled under the new rule.

SUMMARY OF THE RULE OR CHANGE: DEQ is proposing to consolidate rules governing administrative proceedings currently found in several places in DEQ's rules. This provision is proposed for amendment in conformance with that effort. Note that, although this rule did not say so explicitly, Rule R315-12 would have applied to these proceedings.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 19-1-301 and Section 19-6-105 and Section 19-6-106 and Section 63G-4-503 and Sections 63G-4-201 through 63G-4-205

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it is also anticipated that efficiencies will be offset by a steadily increasing caseload.
♦ LOCAL GOVERNMENTS: There is no direct impact on local government, except that they may be regulated entities that would be governed by the rule. The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings. It is also anticipated that efficiencies will be offset by a steadily increasing caseload.
♦ SMALL BUSINESSES: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: Individuals, partnerships, and other entities can be regulated entities that will be governed by the new Rule R305-6. The
changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: See the companion rulemaking proposing new administrative procedures rule at Rule R305-6 (DAR No. 34472), published in the March 15, 2011, Bulletin on pg. 53. The Department of Environmental Quality (DEQ) is updating its rule governing administrative procedures, and it is simultaneously consolidating those procedures into one rule. Updating is needed for several reasons. A 2009 amendment to Section 19-1-301 required the Department to use...
administrative law judges for most administrative proceedings. Many of the updates are needed to incorporate that statutory change. Updates are also needed to make clarifications and improvements in administrative procedures, changes based on the Department's accumulated experience with administrative procedures. The purpose of specifying administrative procedures generally is to ensure that all participants will have information about how administrative proceedings will be conducted, and to ensure that the proceedings are conducted fairly and efficiently.

SUMMARY OF THE RULE OR CHANGE: DEQ is proposing to consolidate rules governing administrative proceedings currently found in several places in DEQ's rules. In addition, the new Rule R305-6 makes many changes to Rule R315-12 and the other currently applicable rules, including changes to encourage informal discovery and to limit discovery to appropriate subjects (proposed Section R305-6-105); changes to require that for decisions to be made by an executive secretary of a board, comments must be provided to the executive secretary in order to preserve a commenter's right to challenge the executive secretary's decision (proposed Section R305-6-209); and changes that specify situations in which declaratory actions should not be considered (proposed Section R305-6-302).

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 19-1-301 and Section 19-6-105 and Section 63G-4-102 and Section 63G-4-503 and Sections 63G-4-201 through 63G-4-205

R315-12-3. Contesting the Validity of an Initial Order or Notice of Violation Issued by the Executive Secretary.

3.1 Contesting the Validity of an Initial Order or Notice of Violation. Request for Agency Action.

   - Salt Lake City, Utah 84111-4889
   - Any such request is governed by and shall comply with the requirements of Section 63G-4-201(3) of UAPA, and shall be received for filing within 30 days of the issuance of the Executive Secretary's order or notice of violation.

   (3) All persons whose legal rights or interests are substantially affected by the proceeding, who have standing to participate in the proceeding, and to whom intervention rights have been granted under R315-12-4.2.

4.2 INTERVENTION.
(a) A person who is not a party to a proceeding may request intervention under Section 63G-4-207 of UAPA for the purpose of filing a Request for Agency Action, and may simultaneously file that Request. (b) Any Party may, within 10 days of the date the draft order is mailed, delivered, or published, comment on the draft order. Such comments shall be limited to 15 pages, and shall cite to specific parts of the record which support the comments.

(c) The Board shall review the draft order, comments on the draft order, and those specific parts of the record cited by the Parties in any comments. The Board shall then determine whether to accept or modify the draft order, to remand the matter to an appointed Presiding Officer or Presiding Officers for further proceedings, or to act as Presiding Officers for further proceedings.

(d) The Board may modify this procedure with notice to all Parties.

7.3 CONTENT OF ORDERS

(a) A Party seeking a Stay of the Order of the Executive Secretary shall file a motion with the Presiding Officer(s). A Stay, if granted, would suspend the effect of the challenged Order.

(1) The Party seeking the Stay will suffer irreparable harm unless the Stay is issued;

(2) The threatened injury to the Party seeking the Stay outweighs whatever damage the proposed stay is likely to cause to the Party restrained or enjoined;

(3) The Stay, if issued, would not be adverse to the public interest; and

R315-12-11. Other Forms of Address

Nothing in these rules shall prevent any person from requesting an opportunity to address the Board as a member of the public, rather than as a party. An opportunity to address the Board shall be granted at the discretion of the Board. However, addressing the Board in this manner does not constitute a request for agency action under R315-12-3.

R315-12-12. Requests for Records

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: See the companion rulemaking proposing new administrative procedures rule at Rule R305-6 (DAR No. 34472), published in the March 15, 2011, Bulletin on pg. 53. The Department of Environmental Quality (DEQ) is updating its rule governing administrative procedures, and it is simultaneously consolidating those procedures into one rule. Updating is needed for several reasons. A 2009 amendment to Section 19-1-301 required the Department to use administrative law judges for most administrative proceedings. Many of the updates are needed to incorporate that statutory change. Updates are also needed to make clarifications and improvements in administrative procedures, and changes based on the Department's accumulated experience with administrative procedures. The purpose of specifying administrative procedures generally is to ensure that all participants will have information about how administrative proceedings will be conducted, and to ensure that the proceedings are conducted fairly and efficiently.

SUMMARY OF THE RULE OR CHANGE: DEQ is proposing to consolidate rules currently found in Rule R317-9 and several other places in DEQ's rules. In addition, the new Rule R305-6 makes many changes to Rule R317-9 and the other currently applicable rules, including changes to encourage informal discovery and to limit discovery to appropriate subjects (proposed Section R305-6-105); changes to require that for decisions to be made by an executive secretary of a board, comments must be provided to the executive secretary in order to preserve a commenter's right to challenge the executive secretary's decision (proposed Section R305-6-209); and changes that specify situations in which declaratory actions should not be considered (proposed Section R305-6-302).

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 19-1-301 and Section 19-5-104 and Section 63G-4-503 and Sections 63G-4-201 through 63G-4-205

ANTICIPATED COST OR SAVINGS TO:

♦ THE STATE BUDGET: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings. It is also anticipated that efficiencies will be offset by a steadily increasing caseload.

♦ SMALL BUSINESSES: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: Individuals, partnerships, and other entities can be regulated entities that will be governed by the new rule. The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The changes to administrative proceedings from those currently being used are not expected to be substantial enough to have an impact on the budget of any participant. Although some changes have been proposed to improve efficiency, e.g., new requirements regarding discovery in Section R305-6-209, it would be speculative to suggest that the impact of any improvement would be measurable savings for any specific proceeding.

Following the issuance of an initial order or notice of violation under Title 19, Chapter 5, the recipient, or in some situations, other persons, may contest that order or notice in a proceeding before the board or, in the case of an adjudication brought to deny or revoke a permit, before the executive director. Either the board or the executive director may appoint a presiding officer to hear the matter.

(3) Issuance of initial orders and notices of violation are not governed by the Utah Administrative Procedures Act as provided under subsection 63-46b(12)(c) and are not governed by sections R317-9-2 through R317-9-14 of this Rule. (b) Other initial orders and notices of violation, as described in R317-9-2(1), may be contested by filing a written Request for Agency Action to the Executive Secretary, Water Quality Board, Division of Water Quality, PO Box 144870, Salt Lake City, Utah 84114-8760.

(2) Content Required and Deadline for Request. Any such request is governed by and shall comply with the requirements of Subsection 63-46b 3(2). If a request for agency action is made by a person other than the recipient of an order or notice of violation, the request for agency action shall also specify in writing sufficient facts to allow the presiding officer to determine whether the person has standing under R317-9-6(3) to bring the requested action.

(3) A request for agency action made to contest an initial order or notice of violation shall, to be timely, be received for filing within 30 days of the issuance of the initial order or notice of violation.

R317-9.6  Parties and Intervention.

(1) Determination of a Party. The following persons are parties to an adjudicative proceeding:

(a) The person to whom an initial order or notice of violation is directed, such as a person who submitted a permit application or approval request that was approved or disapproved by initial order of the executive secretary;

(b) The executive secretary of the board;

(c) All persons to whom the presiding officer has granted intervention under R317-9.6(2); and

(d) Any other person with standing who brings a Request for Agency Action as authorized by the Utah Administrative Procedures Act and these rules.

(2) Intervention.

(a) A Petition to Intervene shall meet the requirements of Section 63-46b-9. Except as provided in (2)(c), the timeliness of a Petition to Intervene shall be determined by the presiding officer under the facts and circumstances of each case.

(b) Any response to a Petition to Intervene shall be filed within 20 days of the date the Petition was filed, except as provided in R317-9.6(2)(c).

(c) A person seeking to intervene in a proceeding for which agency action has not been initiated under Section 63-46b-3 may file a Request for Agency Action at the same time he files a Petition for Intervention. Any such Request for Agency Action and Petition to Intervene must be received by the presiding officer for filing within 30 days of the issuance of the initial order or notice of violation being challenged. The time for filing a Request for Agency Action and Petition to Intervene may be extended by stipulation of the executive secretary, the person subject to an initial order or notice of violation, and the potential intervenor.

(d) Any response to a Petition to Intervene that is filed at the same time as a Request for Agency Action shall be filed on or before the date of the response to the Request for Agency Action due.

(e) A Petition to Intervene shall be granted if the requirements of Subsection 63-46b-9(2) are met.

R317-9.7  Conduct of Proceedings.

(1) Role of Executive Director

The Executive Director is the 'agency head' as that term is used in UAPA for proceedings regarding the denial or revocation of a permit. The Executive Director is also the 'presiding officer', as that term is used in UAPA, except the Executive Director may by order appoint a Presiding Officer to preside over all or a portion of the proceedings.

(2) Role of Board

(a) The board is the 'agency head' as that term is used in Title 63, Chapter 46b for all proceedings not specified in R317-9-7(1). The board is also the 'presiding officer' as that term is used in Title 63, Chapter 46b, except:

(i) The chair of the board shall be considered the presiding officer to the extent that these rules allow; and

(ii) The board may appoint one or more presiding officers to preside over all or a portion of the proceedings.

(b) The chair of the board may delegate the chair's authority as specified in this rule to another board member.

(3) Appointed Presiding Officer. Unless otherwise explicitly provided by written order, any appointment of a presiding officer shall be for the purpose of conducting all aspects of an adjudicative proceeding, except rulings on intervention, stays of orders, dispositive motions, and issuance of the final order. As used in this rule, the term 'presiding officer' shall mean 'presiding officers' if more than one presiding officer is appointed.

(4) Counsel for the Presiding Officer. The Presiding Officer may request that Counsel for the Presiding Officer provide legal advice regarding legal procedures, pending motions, evidentiary matters and other legal issues.

(5) Pre-hearing Conferences. The presiding officer may direct the parties to appear at a specified time and place for pre-hearing conferences for the purposes of establishing schedules, clarifying the issues, simplifying the evidence, facilitating discovery, expediting proceedings, encouraging settlement, or giving the parties notice of the presiding officer's availability to parties.

(6) Pre-hearing Documents.

(a) At least 15 business days before a scheduled hearing, the executive secretary shall compile a draft list of prehearing documents as described in (b), and shall provide the list to all other parties. Each party may propose to add documents to or delete document from the list. At least seven business days before a scheduled hearing, the executive secretary shall issue a final prehearing document list, which shall include only those documents upon which all parties agree unless otherwise ordered by the presiding officer. All documents on the final prehearing document list shall be made available to the presiding officer prior to the hearing, and shall be deemed to be authenticated.

(b) The prehearing document list shall ordinarily include any pertinent permit application, any pertinent inspection report, any pertinent draft document that was released for public comment, any pertinent public comments received, any pertinent initial order or notice of violation, the request for or notice of agency action, and any responsive pleading. The list is not intended to be an exhaustive list of every document relevant to the proceeding; however any document may be included upon the agreement of all parties.

(7) Briefs.

(a) Unless otherwise directed by the presiding officer, parties to the proceeding shall submit a pre hearing brief, which shall include a proposed order meeting the requirements of 63 46b-
10, at least fifteen business days before the hearing. The prehearing brief shall be limited to 20 pages exclusive of the proposed order. __________
(b) Post hearing briefs and responsive briefs will be allowed only as authorized by the presiding officer.

(6) Schedules.
(a) The parties are encouraged to prepare a joint proposed schedule for discovery, for other pre-hearing proceedings, for the hearing, and for any post-hearing proceedings. If the parties cannot agree on a joint proposed schedule, any party may submit a proposed schedule to the presiding officer for consideration.

(b) The presiding officer shall establish a schedule for the matters described in (a) above.

(9) Motions. All motions shall be filed a minimum of 12 days before a scheduled hearing, unless otherwise directed by the presiding officer. A memorandum in opposition to a motion may be filed within 10 days of the filing of the motion, or at least one day before any scheduled hearing, whichever is earlier. Memoranda in support of or in opposition to motions may not exceed 15 pages unless otherwise provided by the presiding officer.

(10) Filing and Copies of Submissions. The original of any motion, brief, petition for intervention, or other submission shall be filed with the executive secretary. In addition, the submitter shall provide a copy to each presiding officer, to each party of record, and to all persons who have petitioned for intervention, but for whom intervention has been neither granted nor denied.

The presiding officer shall govern the conduct of a hearing, and may establish reasonable limits on the length of witness testimony, cross examination, oral arguments or opening and closing statements.

(1) Recommended Orders of Appointed Presiding Officers.
(a) The appointed presiding officer shall prepare a recommended order for the board or executive director, as appropriate, and shall provide copies of the recommended order to the board or executive director and to all parties.
(b) Any party may, within 10 days of the date the recommended order is mailed, delivered, or published, comment on the recommended order. Such comments shall be limited to 15 pages and shall cite to the specific parts of the record which support the comments.
(c) The board or executive director shall review the recommended order, comments on the recommended order, and those specific parts of the record cited by the parties in any comments. The board or executive director shall then determine whether to accept, reject, or modify the recommended order. The board or executive director may remand part or all of the matter to the presiding officer or may itself act as presiding officer for further proceedings.
(d) The board or executive director may modify this procedure with notice to all parties.

(2) Final Orders. The board or executive director shall issue a final order which shall include the information required by Section 63-46b-10 or Subsection 63-46b-5(1)(i).

(1) Stay of Contested Permit Conditions in UIC or UPDES Permits Pending Final Agency Action.
(a) If a permit applicant files a request for review under this rule for a UIC or UPDES permit that involves a new facility or new injection well, new source, new discharger or recommending discharger, no stay is available and the applicant shall be without a permit for the proposed new facility, injection well, source or discharger pending final agency action.

(b) If any other permittee files a request for review of a UIC or UPDES permit under this rule in order to contest permit conditions, the effect of the contested permit conditions shall be stayed pending final agency action. The effect of uncontested permit conditions shall be stayed only as described in paragraph R317-9-10(1)(c).

(c) Uncontested conditions which are not severable from those contested under R317-9-10(1)(b) shall be stayed together with the contested conditions. Stayed provisions of permits for existing facilities and sources shall be identified by the Presiding Officer. All other provisions of the permit for the existing facility or source shall remain fully effective and enforceable.

(d) Stays based on cross-effects. The presiding officer may grant a stay of an order on the grounds that administrative review of one permit may result in changes to another state issued permit only when each of the permits involved has been challenged as provided in this rule.

(2) Stay of All Other Orders Pending Agency Action.
(a) For any order not described in R317-9-10(1), a party seeking a stay of the challenged order during an adjudicative proceeding shall file a motion with the presiding officer. If granted, a stay would suspend the challenged order for the period as directed by the presiding officer.
(b) The presiding officer may order a stay of the order if the party seeking the stay demonstrates the following:
(i) The party seeking the stay will suffer irreparable harm unless the stay is issued;
(ii) The threatened injury to the party seeking the stay outweighs whatever damage the proposed stay is likely to cause the party restrained or enjoined;
(iii) The stay, if issued, would not be adverse to the public interest; and
(iv) There is substantial likelihood that the party seeking the stay will prevail on the merits of the underlying claim, or the case presents serious issues on the merits which should be the subject of further adjudication.

(3) Stay of Orders Pending Judicial Review.
(a) A party seeking a stay of the presiding officer’s final order during the pendency of judicial review shall file a motion with the presiding officer that issued the final order.
(b) The presiding officer may grant a stay of its order during the pendency of judicial review if the standards of R317-9-10(1)(b) are met.

No agency review under Section 63-46b-12 is available. A party may request reconsideration of an order of the presiding officer as provided in Section 63-46b-13.
R317-9-12. Disqualification of Board Members or Other Presiding Officers:

(1) Disqualification of Board Members or Other Presiding Officers:

(a) A member of the board or other presiding officer shall disqualify himself from performing the functions of the presiding officer regarding any matter in which he, or his spouse, or a person within the third degree of relationship to either of them, or the spouse of such person:

(i) Is a party to the proceeding, or an officer, director, or trustee of a party;

(ii) Has acted as an attorney in the proceeding or served as an attorney for, or otherwise represented a party concerning the matter in controversy;

(iii) Knows that he has a financial interest, either individually or as a fiduciary, in the subject matter in controversy or in a party to the proceeding;

(iv) Knows that he has any other interest that could be substantially affected by the outcome of the proceeding or is likely to be a material witness in the proceeding;

(b) A member of the board or other presiding officer is also subject to disqualification under principles of due process and administrative law.

(c) These requirements are in addition to any requirements under the Utah Public Officers’ and Employees’ Ethics Act, Utah Code Ann. Section 67-16-1 et seq.

(2) Motions for Disqualification. A motion for disqualification shall be made first to the presiding officer. If the presiding officer is appointed, any determination of the presiding officer upon a motion for disqualification may be appealed to the board.

R317-9-13. Declaratory Orders:

(1) A request for a declaratory order may be filed in accordance with the provisions of Section 63-46b-21. The request shall be titled a petition for declaratory order and shall meet the requirements of 62-46b-3(3). The request shall also set out a proposed order.

(2) Requests for declaratory order, if set for adjudicative hearing, will be conducted using formal procedures unless converted to an informal proceeding under R317-9-1(2) above.

(3) The provisions of Section 62-46b-4 through 62-46b-43 apply to declaratory proceedings, as do the provisions of this Rule R317-9.

R317-9-14. Miscellaneous:

(1) Modifying Requirements of Rules. For good cause, the requirements of these rules may be modified by order of the presiding officer.

(2) Extensions of Time. Except as otherwise provided by statute, and if requested before the expiration of the pertinent time limit, the presiding officer may approve extensions of any time limits established by this rule, and may extend time limits adopted in schedules established under R317-9-7(6). The presiding officer may also postpone hearings. If the Board is presiding officer, the chair of the board may act as presiding officer for purposes of this paragraph.

1) The Department shall reimburse only for benefits as limited in its contracts with the [managed care organizations] MCOs.
2) Payment for services by the contracted [managed care organization] MCO and enrollee co-payment, if any, constitutes full payment for services. A provider may not bill or collect any additional monies for services rendered.

R382-1.7. Cost Sharing.
A provider may require an enrollee to pay a co-payment equal to that listed in Section 8 of the State Plan for the Children's Health Insurance Program, [July 1, 2005] April 17, 2009 ed., which is adopted and incorporated by reference.

[An applicant, the applicant's parent(s), or representative authorized in writing by the applicant or the applicant's parent(s) may request an agency action.] The request for a fair hearing must be in accordance with the provisions and time limits of Section R414-301-6.

(3) The Department of Workforce Services (DWS) shall conduct fair hearings on eligibility in accordance with the provisions of Section R414-301-6.
   (a) Any request for agency action must be in writing clearly stating a desire to commence an agency proceeding, delivered or mailed to the Department, Department of Workforce Services, or the local eligibility office.    (e) The enrollee may choose not to accept the continued benefits that the Department offers pending an administrative decision.
   (f) The Department need not conduct a hearing if the sole issue is one of state or federal law or policy.

(34) If an enrollee disagrees with a decision of the MCO regarding a covered benefit or service, the enrollee may appeal the decision through the MCO.

It also clarifies other income provisions to become CHIP eligible and implements two federally required exclusions from income.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Title 26, Chapter 40

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: There is no anticipated impact to the state budget. One-time implementation costs of $30,000 will be paid by a Robert Wood Johnson Foundation grant.
♦ LOCAL GOVERNMENTS: There is no impact to local governments because they do not fund or provide CHIP services and do not determine CHIP eligibility.
♦ SMALL BUSINESSES: There is no anticipated impact to small businesses. One-time implementation costs of $30,000 will be paid by a Robert Wood Johnson Foundation grant. Further, this change does not impose any additional fees or costs on small businesses.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: There is no anticipated cost to other persons or entities. Those CHIP clients who opt to verify their income through the Tax Commission will experience a minor reduction in effort because they will not need to submit paper documentation of income.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There is no anticipated cost to a single person or entity. A CHIP client who opts to verify income through the Tax Commission will experience a minor reduction in effort because it is unnecessary to submit paper documentation of income.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: Accuracy and simplification of income verification through Tax Commission records has the potential to be a cost savings to all parties.

R382. Health, Children's Health Insurance Program.
R382-10. Eligibility.

(1) To be eligible to enroll in the Children's Health Insurance Program, gross household income must be equal to or less than 200% of the federal non-farm poverty guideline for a household of equal size.
   (a) All gross income, earned and unearned, received by the parents and stepparents of any child who is included in the household size, [is–is not] counted toward household income, unless this section specifically describes a different treatment of the income.
   (b) When a CHIP household is scheduled for a renewal of eligibility, the household may give consent to the eligibility agency to access the household's most recent adjusted gross income from the Utah State Tax Commission. Only CHIP eligible households with no other assistance programs open can elect this option. When the household elects this option, the eligibility agency shall use the adjusted gross income from the most recent tax record as the countable income of the household.

   (1)[2] The Department [does] may not count as income any payments from sources that federal law specifically prohibits from being counted as income to determine eligibility for federally-funded programs.

   (2)[3] The Department may count [any] any income in a trust that is available to, or is received by [any] any of the following household members: [household member]
       (a) a parent or spouse of a parent;
       (b) an eligible child who is the head of the household;
       (c) a spouse of an eligible child if the spouse is 19 years of age or older or

(c) utility costs only if they are paid by the owner; and
(d) interest only on a loan or mortgage secured by the rental property.

(5) Deposits to joint checking or savings accounts are countable income, even if the deposits are made by a non-household member. An applicant or enrollee who disputes household ownership of deposits to joint checking or savings accounts shall be given an opportunity to prove that the deposits do not represent income to the household. Funds that are successfully disputed are not countable income.

(6) Cash contributions made by non-household members are counted as income unless the parties have a signed written agreement for repayment of the funds.

(7) The interest earned from payments made under a sales contract or a loan agreement is countable income to the extent that these payments will continue to be received during the eligibility period.

(8) In-kind income, which is goods or services provided to the individual from a non-household member and which is not in the form of cash, for which the individual performed any service or is provided as part of the individual's wages is counted as income. In-kind income for which the individual did not perform a service or did not work to receive is not counted as income.

(9) SSI and State Supplemental Payments are countable income.

(10) Death benefits are not countable income to the extent that the funds are spent on the deceased person's burial or last illness.

(11) A bona fide loan that an individual must repay and that the individual has contracted in good faith without fraud or deceit, and genuinely endorsed in writing for repayment is not countable income.

(12) Child Care Assistance under Title XX is not countable income.

(13) Reimbursements of Medicare premiums received by an individual from Social Security Administration or the Department are not countable income.

(14) Needs-based Veteran's pensions are [not] counted as income. [If the income is not needs based, ]count only the portion of a Veteran's Administration benefit [check] to which the individual is legally entitled. [is countable income].

(15) The Department may not count the [ ] income of a child under the age of 19 is excluded] if the child is not the head of a household.

(16) The Department shall count the income of the spouse of an eligible child if:
(a) the spouse is 19 years of age or older; or
(b) the spouse is under 19 years old and is the head of the household.

(17) Educational income such as educational loans, grants, scholarships, and work-study programs are not countable income. The individual must verify enrollment in an educational program.

(18) Reimbursements for expenses incurred by an individual are not countable income.

(19) Any payments made to an individual because of his status as a victim of Nazi persecution as defined in Pub. L. No. 103[-]286 are not countable income, including payments made by the Federal Republic of Germany, Austrian Social Insurance payments, and Netherlands WUV payments.

(20) Victim's Compensation payments as defined in Pub. L. No. 101[-]508 are not countable income.

(21) Disaster relief funds received if a catastrophe has been declared a major disaster by the President of the United States as defined in Pub. L. No. 103[-]286 are not countable income.

(22) Income of an alien's sponsor or the sponsor's spouse is not countable income.

(23) If the household expects to receive less than $500 per year in tax interest and dividend income, then they are not countable income.

(24) Income paid by the U.S. Census Bureau to a temporary census taker to prepare for and conduct the census is not countable income.

The following section describes methods that the Department will use to determine the household's countable monthly or annual income.
(1) The Department shall count the gross income for parents and stepparents of any child included in the household size [is counted] to determine a child's eligibility, unless the income is excluded under this rule. The Department may only deduct [Only required expenses from the gross income that are required] to make an income available to the individual [are deducted from the gross income]. No other deductions are allowed.

(2) The Department shall determine monthly income by taking into account the months of pay where an individual receives a fifth paycheck when paid weekly, or a third paycheck when paid every other week. The Department shall multiply the weekly amount by 4.3 to obtain a monthly amount. The Department shall multiply income paid bi-weekly by 2.15 to obtain a monthly amount.

(3) The Department shall determine a child's eligibility and cost-sharing requirements prospectively for the upcoming eligibility period at the time of application and at each renewal for continuing eligibility. The Department shall determine prospective eligibility by using the best estimate of the household's average monthly income that is expected to be received or made available to the household during the upcoming eligibility period. The Department shall prorate income that is received less often than monthly over the eligibility period to determine an average monthly income. The Department may request prior years' tax returns as well as current income information to determine a household's income.

(4) A household with only CHIP coverage may elect upon renewal to have the Department use the most recent adjusted gross income (AGI) from the Utah State Tax Commission.

(a) The eligibility agency shall then use AGI instead of requesting verification of current income. If the use of AGI should result in an adverse change, the household may provide verification of current income.

(45) Methods of determining the best estimate are income averaging, income anticipating, and income annualizing. The Department may use a combination of methods to obtain the most accurate best estimate. The best estimate may be a monthly amount that is expected to be received each month of the eligibility period, or an annual amount that is prorated over the eligibility period. Different methods may be used for different types of income received in the same household.

(56) The Department shall determine farm and self-employment income by using the individual's recent tax return forms. If tax returns are not available, or are not reflective of the individual's current farm or self-employment income, the Department may request income information from a recent time period during which the individual had farm or self-employment income. The Department shall deduct 40% of the gross income as a deduction for business expenses to determine the countable income of the individual. For individuals who have business expenses greater than 40%, the Department may exclude more than 40% if the individual can demonstrate that the actual expenses are greater than 40%. The Department shall deduct the same expenses from gross income that the Internal Revenue Service allows as self-employment expenses.

(67) The Department may annualize income for any household and in particular for households that have self-employment income, receive income sporadically under contract or commission agreements, or receive income at irregular intervals throughout the year.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of this change is to implement income exclusions under the Medicaid program in accordance with federal law.

SUMMARY OF THE RULE OR CHANGE: This change implements income exclusions under the Medicaid program that include federal tax refunds and refundable credits that a Medicaid client receives between 01/01/2010, and 12/31/2012, pursuant to the Tax Relief Unemployment Insurance Reauthorization and Job Creation Act of 2010, Pub. L. No. 111-312. It also implements the exclusion that an individual receives for payments through the Individual Indian Money Account Litigation Settlement under the Claims Resolution Act of 2010, Pub. L. No. 111-291. This amendment also clarifies policy and makes other technical changes throughout the rule text.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 26-1-5 and Section 26-18-3

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: The Department does not anticipate any impact to the state budget because this change only excludes certain refundable credits that most Medicaid recipients are not eligible to receive. In addition, a recipient has ten days to report the receipt of those credits and the agency cannot change eligibility in the month that the client receives the credits when the agency does not know the advance date of receipt.
♦ LOCAL GOVERNMENTS: There is no impact to local governments because they do not fund Medicaid services and do not determine Medicaid eligibility.
♦ SMALL BUSINESSES: The Department does not anticipate any impact to small businesses because this change only excludes certain refundable credits that most Medicaid recipients are not eligible to receive. In addition, a recipient has ten days to report the receipt of those credits and the agency cannot change eligibility in the month that the client receives the credits when the agency does not know the advance date of receipt.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: The Department does not anticipate any impact to Medicaid providers and to Medicaid clients because this change only excludes certain refundable credits that most Medicaid recipients are not eligible to receive. In addition, a recipient has ten days to report the receipt of those credits and the agency cannot change eligibility in the month that the client receives the credits when the agency does not know the advance date of receipt.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There are no compliance costs because this change can only result in possible savings to a single Medicaid provider or to a Medicaid client.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: No impact on business is expected. Clients will have the right to report credits that might affect eligibility and the agency may not deny eligibility during the month of reporting. Savings to business are possible.

(1) This rule establishes how the Department treats uncollected income to determine eligibility for Aged, Blind and Disabled Medicaid and Aged, Blind and Disabled Institutional Medicaid coverage groups.

(3) The following definitions apply to this section:

(a) "Eligible spouse" means the member of a married couple who is either aged, blind, or disabled.

(b) "In-kind support donor" means an individual who provides food or shelter without receiving full market value compensation in return.

(c) "Presumed maximum value" means the allowed maximum amount an individual is charged for the receipt of food and shelter. This amount will not exceed 1/3 of the SSI federal benefit rate plus $20.

(4) The eligibility agency may not count [VA] Veteran's Administration payments for aid and attendance or the portion of a VA payment that is made to an individual because of unusual medical expenses. Other VA income based on need is countable income, but is not subject to the $20 general income disregard.

(5) The eligibility agency may only count[s] as income the portion of a VA check to which the client is legally entitled. If the payment includes an amount for a dependent, that amount counts as income for the dependent. If the dependent does not live with the veteran or surviving spouse, the portion for the dependent counts as the dependent's income unless the dependent [has applied|applies] to VA to receive the payment directly, VA [has denied|denies] that request, and the dependent does not receive the payment. In [this|hese] case, the eligibility agency shall also count the amount for a dependent [also counts] as income of the veteran or surviving spouse who receives the payment.

(6) The eligibility agency may not count Social Security Administration (SSA) reimbursements as income of Medicare premiums as uncountable income.

(7) The eligibility agency may not count as income[,] the value of special circumstance items if the items are paid for by donors.

(8) For [A, B and D] aged, blind and disabled Medicaid, the eligibility agency shall count[s] as income two-thirds of current child support [received] that an individual receives in a month for the disabled child. It does not matter if the payments are voluntary or court-ordered. It does not matter if the child support is received in cash or in-kind. If there is more than one child for whom the payment is made, the amount is divided equally among the children unless a court order indicates a different division.

(9) The eligibility agency shall count as income [any] child support payments that [a parent owes|are owed] to a parent or guardian for past months or years[are countable income of the parent or guardian, and will be counted to determine eligibility of the parent or guardian]. The agency shall use [the] countable income of the parent [is used] to determine the amount of income that will be deemed from the parent to the child to determine the child's eligibility.

(10) For [A, B and D] aged, blind and disabled Institutional Medicaid, court-ordered child support payments collected by the Office of Recovery Services (ORS) for a child who resides out-of-home in a Medicaid 24-hour care facility are not counted as income to the child. If ORS allows the parent to retain up to the amount of the personal needs allowance for the child's personal needs, that amount is counted as income for the child. All other current child support payments received by the child or guardian that are not subject to collection by ORS count as unearned income to the child.

(11) The eligibility agency shall count[s] as unearned income[,] the interest earned from a savings contract on either or both the lump sum and installment payments when the interest is received or made available to the client.

(12) If the client, or the client and spouse do not live with an in-kind support donor, in-kind support and maintenance is the lesser of the value or the presumed maximum value of food or shelter received. If the client or the client and spouse live with an in-kind support donor and do not pay a prorated share of household operating expenses, in-kind support and maintenance is the difference between the prorated share of household operating expenses and the amount the client or the client and spouse actually pay, or the presumed maximum value, whichever is less.

(13) Payments under a contract that provide for payments at set intervals or after completion of the contract period are not lump sum payments. The payments are subject to regular income counting rules. Retroactive payments from SSI and SSA reimbursements of Medicare premiums are not lump sum payments.

(14) The eligibility agency may not count as income educational loans, grants, and scholarships received from Title IV programs of the Higher Education Act or from Bureau of Indian Affairs educational programs[. The agency does not count as income[, and may not count any other grants, scholarships, fellowships, or gifts [from other sources that are actually] a client use[ed] to pay for education[, or will be used to pay, allowable educational expenses.]. The eligibility agency shall count as income, in the month that the client receives them, [A]ny amount of grants, scholarships, fellowships, or gifts [from other sources that are used or will be used] that the client uses to pay for non-educational expenses, including food and shelter expenses, counts as income in the month received]. Allowable educational expenses include:

(a) tuition;
(b) fees;
(c) books;
(d) equipment;
NOTICES OF PROPOSED RULES

(e) special clothing needed for classes;
(f) travel to and from school at a rate of 21 cents a mile, unless the grant identifies a larger amount; and
(g) child care necessary for school attendance.

(1)(5)(4) Except for an individual eligible for the Medicaid Work Incentive (MWI) [8] program, the following provisions apply to non-institutional medical assistance:

(a) For [A, B or D] aged, blind and disabled Medicaid, the eligibility agency [does] may not count income of a spouse or a parent to determine Medicaid eligibility of a person who receives SSI or meets 1619(b) criteria. SSI recipients and 1619(b) status individuals who meet all other Medicaid eligibility factors are eligible for Medicaid without spending down.

(b) If an ineligible spouse of an aged, blind or disabled person has more income after deductions than the allocation for a spouse, the eligibility agency shall deem [s] the spouse's income to the aged, blind or disabled spouse to determine eligibility.

(c) The eligibility agency shall determine[s] household size and whose income counts for [A, B or D] aged, blind and disabled Medicaid as described below.

(i) If only one spouse is aged, blind or disabled:

(A) the eligibility agency shall deem [s] income of the ineligible spouse to the eligible spouse when that income exceeds the allocation for a spouse. The eligibility agency shall compare [s] the combined income to 100% of the federal poverty guideline for a two-person household. If the combined income exceeds that amount, the eligibility agency shall compare [s] the combined income, after allowable deductions, to the BMS for two to calculate the spenddown.

(B) If the ineligible spouse's income does not exceed the allocation for a spouse, the eligibility agency may not compare the ineligible spouse's income and [does] may not include the ineligible spouse in the household size. Only the eligible spouse's income is compared to 100% of the federal poverty guideline for one. If the income exceeds that amount, it is compared, after allowable deductions, to the BMS for one to calculate the spenddown.

(ii) If both spouses are either aged, blind or disabled, the eligibility agency shall combine the income of both spouses and compare [combined and compared] to 100% of the federal poverty guideline for a two-person household. SSI income is not counted.

(A) If the combined income exceeds that amount[s] and one spouse receives SSI, the eligibility agency may only compare [only] the income of the non-SSI spouse; after allowable deductions, to the BMS for a one-person household to calculate the spenddown.

(B) If neither spouse receives SSI and their combined income exceeds 100% of the federal poverty guideline, the eligibility agency shall compare [then] the income of both spouses; after allowable deductions, to the BMS for a two-person household to calculate the spenddown.

(C) If neither spouse receives SSI and only one spouse will be covered under the applicable program, the eligibility agency shall deem [s] income of the non-covered spouse to the covered spouse when that income exceeds the spousal allocation. If the non-covered spouse's income does not exceed the spousal allocation, then the eligibility agency may only count [only] the covered spouse's income. In both cases, the countable income is compared to 100% of the two-person poverty guideline. If [is] the countable income exceeds the limit, [then] the eligibility agency shall compare the income, after allowable deductions, [is] compared to the BMS.

(I) If the non-covered spouse has [deemable] income to deem to the covered spouse, the eligibility agency shall compare the countable income, after allowable deductions, [is] compared to a two-person BMS to calculate a spenddown.

(II) If the non-covered spouse does not have [deemable] income to deem to the covered spouse, the eligibility agency may only compare [only] the covered spouse's income, after allowable deductions, [is] compared to a one-person BMS to calculate the spenddown.

(iii) In determining eligibility under (c) for an aged or disabled person whose spouse is blind, both spouses' income is combined.

(A) If the combined income after allowable deductions is under 100% of the federal poverty guideline, the aged or disabled spouse will be eligible under the 100% poverty group defined in 1902(a)(10)(A)(ii) of the Social Security Act, and the blind spouse is eligible without a spenddown under the medically needy group defined in 42 CFR 435.301.

(B) If the combined income after allowable deductions is over 100% of poverty, both spouses are eligible with a spenddown under the medically needy group defined in 42 CFR 435.301.

(iv) If one spouse is disabled and working, the other is aged, blind or disabled and not working, and neither spouse is an SSI recipient nor a 1619(b) eligible individual, the working disabled spouse may choose to receive coverage under the [Medicaid Work Incentive] MWI program. If both spouses want coverage, however, the eligibility agency shall first determine eligibility for them as a couple. If a spenddown is owed for them as a couple, they must meet the spenddown to receive coverage for both of them.

(e) Except when determining countable income for the 100% poverty-related Aged and Disabled Medicaid programs, the eligibility agency shall not deem income [will not be deemed] from a spouse who meets 1619(b) protected group criteria.

(f) The eligibility agency shall determine[s] household size and whose income counts for QMB, SLMB, and QI assistance as described below:

(i) If both spouses receive Part A Medicare and both want coverage, the eligibility agency shall combine [s] income of both spouses and compare [it] to the applicable percentage of the poverty guideline for a two-person household.

(ii) If one spouse receives Part A Medicare and the other is not aged, blind or disabled, the eligibility agency shall deem [s] income of the ineligible spouse to the eligible spouse when that income exceeds the allocation for a spouse. If the income of the ineligible spouse does not exceed the allocation for a spouse, then only the income of the eligible spouse is counted. In both cases, the eligibility agency shall compare the countable income [is] compared to the applicable percentage of the federal poverty guideline for a two-person household.

(iii) If one spouse receives Part A Medicare and the other spouse is not aged, blind or disabled, the eligibility agency shall deem [s] income of the ineligible spouse to the eligible spouse when that income exceeds the allocation for a spouse. The eligibility agency shall combine [s] countable income [is] compared to the applicable...
percentage of the federal poverty guideline for a two-person household. If the deemed income of the ineligible spouse [deemed income] does not exceed the allocation for a spouse, only the eligible spouse's income is counted [count] and compared to the applicable percentage of the poverty guideline for a one-person household.

(iv) The eligibility agency may not count SSI income [will not count] to determine eligibility for QMB, SLMB or QI assistance.

(2) The following definitions apply to this section: 

(a) "Best estimate" means that income is calculated for the upcoming certification period based on current information about income being received, expected income deductions, and household size.

(b) "Prospective eligibility" means that eligibility is determined each month for the immediately following month based on a best estimate of income. 

(c) "Prospective budgeting" is the process of calculating income and determining eligibility and spenddown for future months based on the best estimate of income, deductions, and household size. 

(d) "Income averaging" means using a history of past income and expected changes, and averaging it over a determined period of time that is representative of future monthly income. 

(e) "Income anticipating" means using current facts regarding rate of pay and number of working hours to anticipate future monthly income. 

(f) "Income annualizing" means using total income earned during one or more past years, or a shorter applicable time period, and anticipating any future changes, to estimate the average annual income. That estimated annual income is then divided by 12 to determine the household’s average monthly income. 

(g) "Factoring" means that a monthly amount shall be determined to take into account the months of pay where an individual receives a fifth paycheck when paid weekly or a third paycheck when paid every other week. Weekly income shall be factored by multiplying the weekly amount by 4.3 to obtain a monthly amount. Income paid every other week shall be factored by 2.15 to obtain a monthly amount.

(h) "Reportable income changes" include any change in the source of income and any change that causes income to change by more than $25. All income changes must be reported for an institutionalized individual. 

(i) [12] The [Department]eligibility agency shall do prospective budgeting on a monthly basis. 

(j) [14] A best estimate of income based on the best available information [shall be considered] an accurate reflection of client income in that month. 

(k) [15] The [Department]eligibility agency shall use the best estimate of income to be received or made available to the client in a month to determine eligibility and spenddown. 

(l) [16] Methods of determining the best estimate are income averaging, income anticipating, and income annualizing. 

(m) [17] The [Department]eligibility agency shall count income in the following manner: 

(a) For QMB, SLMB, QI-1, [Medicaid Work Incentive]MWI [P]rogram, and [A, B, D] aged, blind, disabled, and Institutional Medicaid income [shall be] counted as it is received. Income that is received weekly or every other week [shall not be] factored. 

(b) For Family Medicaid programs, income that is received weekly or every other week [shall be] factored. 

(2) Lump sums are income in the month received. Any amount of a lump sum remaining after the end of the month of receipt is a resource, unless otherwise excluded under statute or regulation. Lump sum payments can be earned or unearned income. 

(9) Income paid out under a contract [shall be] prorated to determine the countable income for each month. [Only t]he prorated amount [shall be] used instead of actual income that a client receives to determine [spenddown or eligibility] countable income for a month. If the income will be received in fewer months than the contract covers, the income [shall be] prorated over the period of the contract. If received in more months than the contract covers, the income [shall be] prorated over the period of time in which the money [shall be] received. The prorated amount of income determined for each month is the amount used to determine eligibility. 

(10) To determine the average monthly income for farm and self-employment income, the [Department]eligibility agency shall determine the annual income earned during one or more past years, or other applicable time period, and factors in any current changes in expected income for future months. Less than one year’s worth of income may be used if this income has recently begun, or a change occurs making past information unrepresentative of future income. The monthly average income [shall be] adjusted
during the year when information about changes or expected changes is received by the [Department] eligibility agency.

(1) [4] [Student] Countable educational income that a client received is other than monthly income [shall be] is prorated to determine the monthly countable income. This is done by dividing the total amount by the number of calendar months that classes are in session.

(1) [2] Income from Indian trust accounts not exempt by federal law [shall be] is prorated to determine the monthly countable income when the income varies from month to month, or it is received less often than monthly. This is done by dividing the total amount by the number of months it covers.

(1) [4] [2] Eligibility for retroactive assistance [shall be] is based on the income received in the month for which retroactive coverage is sought. When income is being prorated or annualized, then the monthly countable income determined using this method [shall be] is used for the months in the retroactive period, except when the income was not being received during, and was not intended to cover[1] those specific months in the retroactive period. Income [will not be] is factored for retroactive months.

R414-304-14[12]. Income Standards.

(2) The Department adopts Subsections 1902(a)(10) (E), 1902(l), 1902(m), 1903(f), and 1905(p) of the Compilation of the Social Security Laws, in effect January 1, 2011, which are incorporated by reference.

If an [A] aged or [D] disabled person's income exceeds this amount, the current Medicaid Income Standards (BMS) apply unless the disabled individual or a disabled aged individual has earned income. In [this] that case, the income standards of the [Medicaid Work Incentive] MWI program apply.

(4) The income standard for the [Medicaid Work Incentive Program] MWI for disabled individuals with earned income is equal to 250% of the federal poverty guideline for a family of the size involved. If income exceeds this amount, the current Medicaid Income Standards (BMS) apply.

(a) The [Department] eligibility agency shall charge[1] a MWI buy-in premium for the [Medicaid Work Incentive] MWI program when the countable income of the eligible individual's or the couple's income[1] or the eligible individual and spouse, when the spouse is also eligible or has deemed income, exceeds 100% of the federal poverty guideline for the Aged and Disabled 100% poverty-related coverage group. When the eligible individual is a minor child, the [Department] eligibility agency shall charge[1] a MWI buy-in premium when the child's countable income, including income deemed from parents, exceeds 100% of the federal poverty guideline for a one-person household.

(b) The premium is equal to 5% of income when income is over 100% but not more than 110% of the federal poverty guideline, 10% of income when income is over 110% but not over 120% of the federal poverty guideline, or 15% of income when income is over 120% of the federal poverty guideline. The premium is calculated using only the eligible individual's or eligible couple's countable income multiplied by the applicable percentage.

(4) The income limit for pregnant women, and children under one year of age, [shall be] is equal to 133% of the federal poverty guideline for a family of the size involved. If income exceeds this amount, the current Medicaid Income Standards (BMS) apply.

This section provides criteria governing who is included in a family Medicaid household.

The eligibility agency may not consider [income and] resources of an excluded child [are not considered] when determining eligibility or spenddown.

(4) The [Department] eligibility agency [does may] not use a grandparent's income to determine eligibility or spenddown for a minor child[s] and may not count the grandparent [is not counted] in the household size. **RULE ANALYSIS**

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of this change is to implement resource exclusions under the Medicaid program in accordance with federal law.

SUMMARY OF THE RULE OR CHANGE: This change implements resource exclusions under the Medicaid program that include federal tax refunds and refundable credits that a Medicaid client receives between 01/01/2010, and 12/31/2012, pursuant to the Tax Relief Unemployment Insurance Reauthorization and Job Creation Act of 2010, Pub. L. No. 111-291. It also implements the exclusion that an individual receives for payments through the Individual Indian Money Account Litigation Settlement under the Claims Resolution Act of 2010, Pub. L. No. 111-291. Further, this amendment implements a similar exclusion for state tax refunds to keep the treatment of tax refunds consistent with the federal requirement. This amendment also clarifies policy and makes other technical changes throughout the rule text.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 26-1-5 and Section 26-18-3

MATERIALS INCORPORATED BY REFERENCES:
♦ Removes Subsection 1902(k) of the Compilation of the Social Security Laws, published by Social Security Administration, 01/01/1993
♦ Updates Section 1917(d), (e), (f) and (g) of the Compilation of the Social Security Laws, published by Social Security Administration, 01/01/2011
♦ Updates Section 404(h) and 1613(a)(13) of the Compilation of the Social Security Laws, published by Social Security Administration, 01/01/2011

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: The Department does not anticipate a substantial cost to the state budget. Some Medicaid recipients may avoid a loss of eligibility during a month that a tax refund pushes their income above the allowable level. Nevertheless, the Department estimates that the refunds should affect only a small number of recipients and that eligibility costs are negligible.
♦ LOCAL GOVERNMENTS: There is no impact to local governments because they do not determine Medicaid eligibility and do not fund or provide Medicaid services to Medicaid recipients.
SMALL BUSINESSES: The Department does not anticipate a substantial impact to small businesses. Some Medicaid recipients may avoid a loss of eligibility during a month that a tax refund pushes their income above the allowable level. Nevertheless, the Department estimates that the refunds should affect only a small number of recipients and that any potential increase in revenue for businesses is negligible. In addition, this change does not impose any new requirements or costs on businesses.

PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: The Department does not anticipate a substantial impact to Medicaid recipients and to Medicaid providers. Some Medicaid recipients may avoid a loss of eligibility during a month that a tax refund pushes their income above the allowable level. Nevertheless, the Department estimates that any savings to Medicaid recipients are negligible as is any increase in revenue for Medicaid providers.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There are no compliance costs to a single Medicaid recipient or to a Medicaid provider. A Medicaid recipient who receives a tax refund above the allowable income level will continue to be eligible for Medicaid services. In addition, a single Medicaid provider may see a potential increase in revenue as a result of this change.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The policy changes in this rule reflect federal mandates. The fiscal impact on business, if any, is expected to be positive.

**R414-305-4. Treatment of Trusts.**

This section defines requirements for the treatment of assets held in a trust to determine eligibility for Medicaid. The Department applies all provisions of 12 U.S.C. 1396p(d) dealing with trust assets in determining Medicaid eligibility. This section provides additional provisions for particular types of trusts.

1. [Medicaid Qualifying Trusts established before August 11, 1993.] The [Department] eligibility agency shall apply[ies] the criteria in Section 1902(k) of the Compilation of the Social Security Laws, 1993 ed., [in determining] to determine the availability of trusts established before August 11, 1993. [This section of the Social Security Act was repealed in 1993, but the provisions shall apply to trusts created before the date it was repealed. The requirements of that section are as follows: however, if there is a conflict between the 1993 provisions of Section 1902(k) and the provisions of Subsections R414-305-4(1)(a); (b), and (c); the 1993 provisions of Section 1902(k) control.]

(a) A Medicaid qualifying trust is a trust, or similar legal device, established (other than by will) by an individual (or an individual's spouse) under which the individual may be the beneficiary of all or part of the payments from the trust. The distribution of such payments is determined by one or more trustees who are permitted to exercise some amount of discretion with respect to the distribution to the individual.

(b) The amount of the trust property that is counted as an available resource to the [applicant or recipient] individual who established the trust (or whose spouse established the trust) is the maximum amount that the trustee is permitted to distribute under the terms of the trust for [such] the individual's benefit. This amount of property is counted as available whether or not it is actually disbursed by the trustee or received by the beneficiary. It does not matter whether the trust is irrevocable or whether it is established for a purpose other than to qualify for Medicaid.

(c) Payments made from the available portion of the trust do not count as income because the available portion of the trust is counted as a resource. If payments are made from any portion of the trust that is not counted as a resource, the payments are counted as income in the month received.

2. [Trust for a Disabled Person under Age 65 established in compliance with 42 U.S.C. 1396p(d)(4)(A).] These trusts are commonly known as a special needs trust for a disabled person. Assets held in a trust [complying] that comply with the provisions in Subsection R414-305-4(2) and (4) do not count as available resources.

(a) The individual trust beneficiary must meet the disability criteria found in 42 U.S.C. 1382(a)(3). The trust must be established and assets transferred to the trust before the disabled individual reaches age 65.

(b) The trust must be established solely for the benefit of the disabled individual by a parent, grandparent, legal guardian of the individual, or the court.

(c) The trust may only contain the assets of the disabled individual. The [Department] eligibility agency shall [treat] any additions to the trust corpus with assets not belonging to the disabled trust beneficiary as a gift to the trust beneficiary. [Such] The additions irrevocably become part of the trust corpus and are subject to all provisions of Medicaid restrictions that govern special needs trusts.

(d) The trust must be irrevocable. No one may have any right or power to alter, amend, revoke, or terminate the trust or any of its terms, except that the trust may include language that provides that the trust may be amended but only if necessary to conform with subsequent changes to the requirements of 42 U.S.C. 1396p(d)(4)(A) or synonymous state law.

(e) The trust cannot be altered or converted from an individual trust to a "pooled trust" under 42 U.S.C. 1396p(d)(4)(C).

(f) The trust must terminate upon the death of the disabled individual or exhaustion of trust corpus and must include language that specifically provides that upon the death of the beneficiary or early termination of the trust, whichever occurs first, the trustees will notify Medicaid and will pay all amounts remaining in the trust to the State up to the total amount of medical assistance the State has paid on behalf of the individual. The trust shall conform fully with this obligation to first repay the State without requiring the State to take any action except to establish the amount to be repaid.

(g) The sole lifetime beneficiary of the trust must be the disabled individual, and the Medicaid agency must be the preferred remainder beneficiary. Distributions from the trust during the beneficiary's lifetime may be made only to or for the benefit of the disabled individual.
The [Department] eligibility agency shall continue[s] to exclude assets held in the trust from countable resources after the disabled individual reaches age 65. Subsequent additions to the trust other than interest on the corpus after the person turns 65 are not assets of an individual under age 65 and the [Department] agency shall treat[s] the transfer as a transfer of resources for less than fair market value which may create a period of ineligibility for certain Medicaid services.

(i) A trust that provides benefits to other persons is not an individual special needs trust and does not meet the criteria to be excluded from resources.

(j) A corporate trustee may charge a reasonable fee for services.

(k) The trust may compensate a guardian only as provided by law. The trust may not compensate the parent of a minor child from the trust as the child's guardian.

(l) Additional trusts cannot be created within the special needs trust.

(3) Pooled Trust for Disabled Individuals. A pooled trust is a specific trust for disabled individuals established pursuant to 42 U.S.C. 1396p(d)(4)(C) that meets all of the following conditions:

(a) The trust contains the assets of disabled individuals,

(b) The trust must be established and managed by an entity that has been granted non-profit status by the Internal Revenue Service. The non-profit entity must submit to the State a letter documenting the non-profit status with the trust documents,

(c) The trustees must maintain a separate account for each disabled beneficiary whose assets are placed in the pooled trust; however, for the purposes of investment and management of the funds, the trust may pool the funds from the individual accounts. If someone other than the beneficiary transfers assets to the pooled trust administrator to be used on behalf of that beneficiary of the pooled trust, the [Department] eligibility agency shall treat[s] the assets as a gift to that beneficiary, which the administrator must add to and manage as part of the balance of the beneficiary's account and which are subject to all provisions of Medicaid restrictions that govern pooled trusts.

(d) Accounts in the trust must be established solely for the benefit of individuals who are disabled as defined in 42 U.S.C. 1382c(a)(3).

(e) The trust must be irrevocable; accounts set up in the trust must be irrevocable.

(f) Individual accounts may be established only by the parent, grandparent or legal guardian of the individual, by the individual, or by a court.

(g) An initial transfer of funds or any additions or augmentations to a pooled trust account by an individual 65 years of age or older is a transfer of assets for less than fair market value and may create a period of ineligibility for certain Medicaid services.

(h) The disabled individual cannot control any spending by the trust.

(i) Individual trust accounts may not be liquidated prior to the death of the beneficiary without first making payment to the State for medical assistance paid on behalf of the individual.

(j) The trust must include language that specifically provides that upon the death of the trust account beneficiary, the trustees will notify the Medicaid agency and will pay all amounts remaining in the beneficiary's account to the State up to the total medical assistance paid on behalf of the beneficiary. The trust may retain a maximum of 50% of the amount remaining in the beneficiary's account at death to be used for other disabled individuals if the trust has established provisions by which it will assure that the retained funds are used only for individuals meeting the disability criteria found in 42 U.S.C. 1382c(a)(3).

(k) A pooled trust that retains some portion of a deceased beneficiary's trust funds must describe how retained funds are used for other disabled persons. Any funds that are placed in an individual beneficiary's account or that are used to set up an account for an individual beneficiary who does not otherwise have funds to place in the pooled trust are subject to all of the provisions of Medicaid restrictions that govern pooled trusts. The pooled trust may include a plan for using retained funds only for incidental, one-time services to qualified disabled individuals who do not have accounts in the pooled trust.

(4) The following provisions apply to both individual trusts and pooled trusts described in Subsection R414-305-[4][g](2) and (3)]:

(a) No expenditures may be made after the death of the beneficiary prior to repayment to the State, except for federal and state taxes and necessary and reasonable administrative costs of the trust incurred in closing the trust;

(b) The trust must provide that if the beneficiary has received Medicaid benefits in more than one state, each state that provided Medicaid benefits shall be repaid. If the remaining balance is insufficient to repay all benefits paid, then each state will be paid its proportionate share;

(c) The trust or an attached schedule must identify the amount and source of the initial trust property. The disabled individual must report subsequent additions to the trust corpus to the [Medicaid] eligibility agency;

(d) If the trust is funded, in whole or in part, with an annuity or other periodic payment arrangement, the State must be named in controlling documents as the preferred remainder beneficiary in the first position up to the total amount of medical assistance paid on behalf of the individual;

(i) Any funds remaining after full repayment of the medical assistance can be paid to a secondary remainder beneficiary;

(ii) The [Department] eligibility agency shall treat[s] any provision or action that does or will divert payments or principal from the annuity or payment arrangement to someone other than the excluded trust or the Medicaid agency as a transfer of assets for less than fair market value with the exception that any remainder after the Medicaid agency has been fully repaid may be paid to a secondary beneficiary;

(e) The [Department] eligibility agency shall count[s] cash distributions from the trust as income in the month received;

(f) The [Department] eligibility agency shall count[s] distributed amounts as resources beginning the month following which follows the month that the amounts are distributed. The [Department] agency shall apply the applicable resource rules to assets purchased with trust funds and given to the beneficiary as his or her personal possessions. The disabled individual must report the receipt of payments or assets from the trust within 40 days of receipt. The [Department] agency shall exclude[s] assets purchased with trust funds if the trust retains ownership;
Department eligibility agency shall count[s] distributions from the trust covering the individual’s expenses for food or shelter as in-kind income to determine Medicaid eligibility in the month paid[1];

(h) If expenditures made from the trust also incidentally provide an ongoing and continuing benefit to other persons, those other persons who also benefit must contribute a pro-rata share to the trust for the expenses associated with their use of the acquisition[2];

(i) Contracts to provide personal services to the disabled individual must be in writing, describe the services to be provided, pay fair market rate consistent with rates charged in the community for the type and quality of services to be provided, and be executed in advance of any services being provided and paid. The Medicaid eligibility agency may require a statement of medical need for [such] the services from the individual’s medical practitioner. If the person who is to provide the services is a family member or friend, the Medicaid eligibility agency may require verification of the person’s ability to carry out the needed services[3];

(j) Distributions from the trust made to or for the benefit of a third party that are not for the benefit of the disabled individual are treated as a transfer of assets for less than fair market value and may create a period of ineligibility for certain Medicaid services. This includes such things as payments of the expenses or travel costs of persons other than a medically[4]-necessary attendant[5];

(k) The beneficiary must submit an annual accounting of trust income and expenditures and a statement of trust assets to the Medicaid eligibility agency upon request or upon any change of trustee.

(5) The eligibility agency may not count [A] assets held in a pooled trust [complying -] that comply with the provisions in Subsection R414-305-[4]g(3) and (4) [are not counted] as available resources.

(6) 42 U.S.C. 1396p(d)(4)(B), provides for an exemption from the trust provisions for qualified income trusts (also known as Miller Trusts). Special provisions for this form of trust apply, under federal law, only in those states that do not provide medically needy coverage for nursing facility services. Because Utah covers services in nursing facilities under the medically needy coverage group of the Medicaid program, the establishment of a qualified income trust shall be treated as an asset transfer for the purposes of qualifying for Medicaid. This presumption shall apply whether the individual is seeking nursing facility services or home and community-based services under one of the waiver programs.

R414-305-[67]. Transfer of Resources for A, B and D or Family Non-Institutional Medicaid and Family Medicaid.

[There is no sanction] The eligibility agency may not impose a penalty period for the transfer of resources.

R414-305-[68]. Transfer of Resources for Institutional Medicaid.

(1) This section establishes the standards for the treatment of transfers of assets for less than fair market value to determine eligibility for nursing home or other long-term care services under a home and community-based services waiver.

(2) The Medicaid eligibility agency shall apply[s] the provisions of 42 U.S.C. 1396p(c) and (e) to determine if a sanction period applies for a transfer of assets for less than fair market value.[- In so far as any provision of this rule is inconsistent with applicable federal law, the applicable federal law governs over the inconsistent rule provision.]

(3)2) If an individual or the individual’s spouse transfers the home or life estate or any other asset on or after the look-back date based on an application for long-term care Medicaid services, the transfer requirements of 42 U.S.C. 1396p(c) and (e) apply.

(4)3) If an individual or the individual’s spouse transfers assets in more than one month [on or after February 8, 2006], the uncompensated value of all transfers including fractional transfers are combined to determine the [sanction]penalty period. The Medicaid eligibility agency shall apply[s] partial month sanctions for transferred amounts that are less than the monthly average private pay rate for nursing home services.

(4)4) In accordance with 42 U.S.C. 1396p(c), the sanction period for a transfer of assets that occurs [on or after February 8, 2006], begins the first day of the month during or after which assets were transferred, or the date on which the individual is eligible for Medicaid coverage and would otherwise begin, the new [sanction]penalty period begins immediately after the previous one ends.

(a) If a previous sanction period is already in effect on the date that the new [sanction]penalty period would begin, the new [sanction]penalty period begins immediately after the previous one ends.

(b) [Sanction] The eligibility agency shall apply penalty periods [are applied] consecutively so that they do not overlap.

(6) If an individual or spouse transfers assets in more than one month before February 8, 2006, the uncompensated value of all transfers that occurred in each month are combined to determine the sanction period. The Department repeats this calculation for each month during which transfers occurred.

(a) For assets transferred before February 8, 2006, the sanction begins on the first day of the month in which the resource was transferred unless a previous sanction is in effect, in which case the sanction begins on the first day of the month immediately following the month the previous sanction period ends.

(b) If the total value of assets transferred in one month does not exceed the average private pay rate and the transfer occurred before February 8, 2006, the Department does not apply partial month sanctions.

(7)5) If assets are transferred during any [sanction]penalty period, the [sanction]penalty period for those transfers [will does not begin until the previous [sanction]penalty period has expired] expires.

(8)6) If a transfer occurs, or the Medicaid eligibility agency discovers an unreported transfer[s] after the agency approves an individual [has been approved] for Medicaid for nursing home or home and community based services, the [sanction]penalty period shall begin[s] on the first day of the month after the month that the individual transfers the asset is transferred.

(9)2) The statewide average private-pay rate for nursing home care in Utah that the eligibility agency shall use[4] to calculate the [sanction]penalty period for transfers is $4,526 per month.

(14)8) To determine if a resource is transferred for the sole benefit of a spouse, disabled or blind child, or disabled individual, a binding written agreement must be in place which
establishes that the resource transferred [san]may only be used to benefit the spouse, disabled child, or disabled individual, and [ir]must be actuarially sound. The written agreement must specify the payment amounts and schedule. Any provisions in [such]the agreement that [would]—benefit another person at any time nullify[thes] the sole benefit provision. An excluded trust established under 42 U.S.C. 1396p(d)(4)(s) that meets the criteria in Section R414-305-[4] does not have to meet the actuarially sound test.  

(49) The [Department shall]-eligibility agency may not impose a [sanction]penalty period if the total value of a whole life insurance policy is:

(a) irrevocably assigned to the [s]State; and
(b) the recipient is the owner of and the insured in the policy; and
(c) no further premium payments are necessary for the policy to remain in effect.

(d) [At the time of the client's death]When the individual dies, the [s]State shall distribute the benefits of the policy as follows:

(i) The State may distribute [4]up to $7,000 [can be distributed]-to cover burial and funeral expenses. The total value of this distribution plus the value of any irrevocable burial trusts and the burial and funeral funds for the [client]individual cannot exceed $7,000[.]

(ii) The State may distribute [A]an amount [to the state] that is not more than—does not exceed the total amount of previously unreimbursed medical assistance correctly paid on behalf of the [client]-individual.

(iii) The State may distribute to a remainder beneficiary named by the individual [A]any amount that remains[as] after payments are made as defined in Subsection R414-305-[6][H](2)(d)(i) and Subsection R414-305-[6][S](H)(2)(d)(ii) will be made to a remainder beneficiary named by the client.

(50) If the [Medicaid]-eligibility agency determines that a [sanction]penalty period applies for an otherwise eligible institutionalized person, the [Medicaid eligibility]-agency shall notify the individual that the Department [will]may not pay the costs for nursing home or other long-term care services [because of the sanction]during the penalty period. The notice shall include when the [sanction]penalty period begins and ends.

(a) The individual may request a waiver of the [sanction]penalty period based on undue hardship.

(b) The individual must send a written request for a waiver of the [sanction]penalty period due to undue hardship to the [Medicaid]-eligibility agency within 30 days of the date printed on the [sanction]penalty period notice.

(c) The request must include an explanation of why the individual believes undue hardship exists.

(d) The [State will]-eligibility agency shall make a decision on the undue hardship request within 30 days of receipt of the request.

(51) An individual who claims an undue hardship as a result of a [sanction]penalty period for a transfer of resources must meet both of the following conditions:

(a) The individual or the person who transferred the resources [cannot]may not access the asset immediately; however, the [Department]-eligibility agency shall require[s] the individual to exhaust all reasonable means including legal remedies to regain possession of the transferred resource[.]

(i) The [State agency] may determine that it is unreasonable to require the [client]individual to take action if a knowledgeable source confirms [based on facts showing that it is doubtful] that [those—the individual's efforts will not succeed];

(ii) The [State agency] may determine that it is unreasonable to require the [client]individual to take action based on evidence that [it would be more advantageous to the individual's action is more costly than the value of the resources]; and

(b) Application of the [sanction]penalty period for a transfer of resources [would]—deprive the individual of medical care [such that]—endangers the individual's life or health [would be endangered], or [would]—deprive the individual of food, clothing, shelter, or other necessities of life.

(52) If the [State eligibility] agency waives the [sanction]penalty period based on undue hardship, the [Medicaid eligibility agency] will shall notify the individual. The Department shall provide Medicaid coverage on the condition that the individual takes all reasonable steps to regain the transferred assets. The [Medicaid eligibility agency] will shall notify the individual of the date that the individual must provide verifications of the steps taken. The individual must, within the time frames set by the [Medicaid eligibility agency], verify to the [Medicaid eligibility agency] that individual has taken all reasonable actions. The [State agency] shall review the undue hardship waiver and the actions of the individual [have taken] to try to regain the transferred assets. The time period for the review [shall]may not exceed six months. Upon [such]—review, the [State will]agency shall decide [whether]:

(a) The individual must take additional steps and whether undue hardship still exists, in which case the [Medicaid eligibility] agency [will]shall notify the individual of the continuation of undue hardship and the need to take additional steps to recover the assets;

(b) The individual has taken all reasonable steps without success [they have proven unsuccessful and additional steps will likely be unsuccessful] in which case the [Medicaid eligibility] agency [will]shall notify the individual that it requires no further action [a reapplication is not required and];

If the individual continues to meet eligibility criteria, the [Department will]eligibility agency may not apply the [sanction]penalty period; or

(c) The individual has not taken all reasonable steps, in which case the [Department will]eligibility agency shall discontinue the undue hardship waiver[. The eligibility agency shall apply the penalty period [the sanction period will then be applied] and the individual [will be] responsible to repay Medicaid for services and benefits that the individual received during the months that the undue hardship waiver was in place.  

(53) Based on a review of the facts about what happened to the assets, whether the individual has taken reasonable steps to recover or regain the assets, the results of those steps, and the likelihood that additional steps will prove unsuccessful or too costly, the [State eligibility agency] may determine that the individual cannot recover or regain the transferred resource. If the [State agency] decides that the assets cannot be recovered and that applying the [sanction]penalty period [will]may result in undue hardship, the [Department will]agency may not apply a [sanction]penalty period or [will]shall end a [sanction]penalty period that has already begun.
The [State] eligibility agency shall base[s] its decision that undue hardship exists upon the medical condition and the financial situation of the individual. The [State] agency may not compare[s] the income and resources of the individual, individual's spouse, and parents of an unemancipated individual to the cost of providing medical care and daily living expenses to decide [whether the financial situation creates an undue hardship. The Medicaid eligibility] agency shall send a written notice of its decision on the undue hardship request. The individual has 90 days from the date printed on the notice of decision that is mailed to the individual to file a request for a fair hearing.

The eligibility agency shall consider [the] portion of an irrevocable burial trust that exceeds $7,000 [as] a transfer of resources. The [Department] agency shall deduct[s] the value of any fully paid burial plot[ as defined in R414-305-1(1)(a)] from [such] the burial trust first before determining the transferred amount [transferred].

(1) The resource limit for home and community-based waiver programs is $2,000.

(2) [Following] After the [initial] first month of eligibility, the eligibility agency shall [continued] determine eligibility by counting only the resources that belong to the [client] individual.

(3) For married [clients] individuals, the eligibility agency shall apply the provisions for spousal impoverishment resources rules apply as defined in Section R414-305-42.

(1) To determine eligibility for Qualified Medicare Beneficiaries, Specified Low-Income Medicare Beneficiaries, and Qualifying Individuals, the [Department] eligibility agency shall apply[s] the resource limit defined in 42 U.S.C. Sec.1396d(p)(1)(C).

(2) The [Department] eligibility agency shall determine[s] countable resources in accordance with the provisions of Section R414-305-42.

R414-305-911. Treatment of Annuities.

This section defines how annuities are treated in the determination of eligibility for Medicaid.

(1) An individual must report any annuities in which either the individual or the individual's spouse has any interest at application for Medicaid, at each review, and as part of the change reporting requirements. Parents of a minor individual must report any annuities in which the child or either of the parents has an interest.

(2) For annuities purchased [on or after] February 8, 2006, in which the individual or spouse has an interest, the provisions in 42 U.S.C. 1396p(c) apply[s]y. The [Department] eligibility agency shall treat[s] annuities purchased [on or after] February 8, 2006, [that] which do not meet the requirements of 42 U.S.C. 1396p(c) as a transfer of assets for less than fair market value.

(3) With the exception of annuities that meet the criteria in Subsection R414-305-9(11)(4), the eligibility agency shall count annuities in which the individual, the individual's spouse or a minor individual's parent has an interest [are counted as an available resource to determine Medicaid eligibility, whether they are irrevocable or non-assignable. The [Department] agency shall presume[s] that a market exists [that will] to purchase annuities or the stream of income from annuities, and therefore, they are which make them available resources. The individual may rebut the presumption that the annuity may be sold by providing evidence that the individual has been rejected by several entities in the business of purchasing annuities or the revenue stream from annuities, in which case, the [Department] agency may not consider the annuity as an available resource.

(4) For individuals eligible under the aged, blind, or disabled category of Medicaid, the [Department] eligibility agency shall exclude[s] an annuity from countable resources in the form of the periodic payment if it meets the requirements of [this subsection (4)] Subsection R414-305-11(4). For Family-Related Medicaid programs, the agency shall count all annuities as resources if the individual can access the funds, even if the annuities qualify as retirement funds or plans.

(a) The annuity is either an individual retirement annuity according to Section 408(b) of the Internal Revenue Code (IRC) of 1986 or a deemed Individual Retirement Account under a qualified employer plan according to Section 408(q) of the IRC; or

(b) The annuity is purchased with the proceeds from one of the following:

(i) As described in Sections 408(a), (c), or (p) of the IRC, a traditional IRA, accounts or trusts which are treated as a traditional IRA, or a simplified retirement account;

(ii) A simplified employee pension (Section 408(p) of the IRC); or

(iii) A Roth IRA (Section 408A of the IRC); and

(c) The annuity is irrevocable and non-assignable, the individual who was the owner of the retirement account or plan is receiving equal periodic payments at least quarterly with no deferral or balloon payments, and the scheduled payout period is actuarially sound based on the individual's life expectancy.

(d) If the individual purchases or annuitizes [such] the annuities [on or after] February 8, 2006, [then] the annuities must name the State as the preferred remainder beneficiary in the first position upon the individual's death, or as secondary remainder beneficiary after a surviving spouse or minor or disabled child.

(5) Annuities purchased after February 8, 2006, in which the individual or the spouse has an interest are a transfer of assets for less than fair market value unless the annuity names the State as the preferred remainder beneficiary in the first position, or in the second position after a surviving spouse, or a surviving minor or disabled child, up to the amount of medical assistance paid on behalf of the institutionalized individual.

(a) The State shall give individuals who have purchased annuities before applying for long-term care Medicaid, 30 days to request the issuing company to name the State as the preferred remainder beneficiary and to verify that fact to Medicaid.

(b) The individual must verify to the [Medicaid] eligibility agency that the change in beneficiary has been made by the date requested by the [Medicaid eligibility] agency.
(c) If the change of beneficiary is not completed and verified, the annuities are a transfer of resources and the [Department]--eligibility agency shall apply the [applicable sanction] penalty period. If the [Medicaid]--eligibility agency has approved institutional Medicaid coverage pending verification, Medicaid coverage for long-term care ends and the [sanction] penalty period [will] begins [effective] the day after the closure date.

(6) The [Department]--eligibility agency shall treat[s] an annuity purchased before February 8, 2006, as an annuity purchased on or after February 8, 2006, if the individual or spouse take any actions that change the course of payments to be made or the treatment of the income or principal of the annuity. [Such] These actions include additions of principal, elective withdrawals, requests to change the distribution of the annuity, elections to annuitize the contract, or other similar actions. Routine changes and automatic events that do not involve an action or decision from the individual or spouse do not cause an annuity purchased before February 8, 2006, to be treated as one purchased on or after February 8, 2006.

(7) If a [sanction]--penalty period for a transfer of assets begins because the individual or the individual’s spouse has not changed an annuity to name the State as the preferred remainder beneficiary of the annuity, the [sanction]--penalty period for a transfer [will] does not end until the individual completes and verifies the change of beneficiary [the date such change of beneficiary has been completed and verified] to the [Medicaid]--eligibility agency. The eligibility agency may not rescind the [sanction]--penalty period.[will not be rescinded].

(8) If the individual or spouse does not provide all information about annuities for which they have an interest by the requested due date, the [Medicaid]--eligibility agency [will] shall deny the application. The individual may reapply, but may not protect the original application date.] [will not be protected].

(9) The issuer of the annuity [must] shall inform the [Medicaid]--eligibility agency of any change in the amount of income or principal being withdrawn from the annuities, the amount of beneficiaries, or any sale or transfer of the annuity. The issuer of the annuity [must] shall also inform the [State] agency if a surviving spouse or a surviving minor or disabled child attempts to transfer the annuity or any portion of the annuity to someone other than the [Medicaid]--agency.

The Department adopts by reference the 2009 Resources and Guidelines for the Triage and Transfer of Trauma Patients published by the Utah Department of Health as model guidelines for triage, transfer, and transport of trauma patients. NOTICE OF PROPOSED RULE
(New Rule)
DAR FILE NO.: 34685
FILED: 04/14/2011

UTAH STATE BULLETIN, May 01, 2011, Vol. 2011, No. 9
RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of this new rule is to clarify how the Office of Recovery Services (ORS) will determine the appropriate emancipation date for IV-D child support cases, specifically when determining the child's normal and expected year of graduation pursuant to Section 78B-12-219 for Utah child support order issued on or after 07/01/1994.

SUMMARY OF THE RULE OR CHANGE: This new rule establishes the appropriate emancipation dates for IV-D child support cases with Utah child support order issued on or after 07/01/1994. The normal and expected year of graduation is kindergarten plus twelve years of school, with the expected month of graduation as May, unless the parents provide the office with documentation of a specific graduation date for their child. The emancipation date for a child who receives a high school diploma or another documented form of high school equivalency is when the child turns 18 years of age or upon receipt of the child's high school diploma or high school equivalency. A child that drops out of school is not considered emancipated until the age of 18 or the graduation of the normal and expected graduating, whichever occurs later. Parents are required to provide the office with the appropriate documentation to support an emancipation date other than the standard established in this rule. All changes to the child support amount due will be effective the month following the emancipated date based on the 18th birthday, expected graduation date, or other appropriate dates as described in the rule.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 62A-11-303 and Section 62A-11-401 and Section 78B-12-102 and Section 78B-12-219

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: There should be a small savings to the state budget because ORS will no longer be required to determine what month a child graduates, May or June. Because each county in the state graduates in different months, if the child is 18 prior to graduation, ORS employees are required to review the case and determine what month the child will graduate to establish the appropriate emancipation month and date on ORSIS. Once the date is determined, ORSIS is adjusted accordingly. If the emancipation date is set to 18 years of age or to May of the normal and expected year of graduation, ORS employees will no longer be required to take the time determine the appropriate month.
♦ LOCAL GOVERNMENTS: Administrative rules of the office of Recovery Services/Child Support Services (ORS/CSS) do not apply to local government; therefore there are no anticipated costs or savings for any local governments due to this rule.
♦ SMALL BUSINESSES: Because the rule only changes internal procedures for the office in determining an appropriate emancipation date for IV-D child support cases with Utah child support order issued on or after 07/01/1994, there will not be compliance costs for small businesses. Employers will continue to receive an amended income withholding order or a termination of income withholding order from the office when a child emancipates.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: Because the rule only changes internal procedures for the office in determining an appropriate emancipation date for IV-D child support cases with Utah child support order issued on or after 07/01/1994, there will not be compliance costs for other affected persons. Employers will continue to receive an amended income withholding order or a termination of income withholding order from the office when a child emancipates.

COMPLIANCE COSTS FOR AFFECTED PERSONS: Because the rule only changes internal procedures for the office in determining an appropriate emancipation date for IV-D child support cases with Utah child support order issued on or after 07/01/1994, there will not be compliance costs for other affected persons. Employers will continue to receive an amended income withholding order or a termination of income withholding order from the office when a child emancipates.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: This rule does not create or cause any fiscal impact on businesses. The rule only changes internal procedures for when the office in determining an appropriate emancipation date for IV-D child support cases with Utah child support order issued on or after 07/01/1994, Employers currently receive an amended income withholding order or a termination of income withholding order when a child emancipates. The office will continue to send employers these documents upon a child’s emancipation.

AUTHORIZED BY:  Mark Brasher, Director
R527-250. Emancipation.

R527-250-1. Purpose and Authority.
1. Section 62A-11-107 authorizes the Office of Recovery Services/Child Support Services (ORS/CSS) to adopt, amend and enforce rules.
2. The purpose of this rule is to outline how ORS/CSS will apply Utah statute when determining the appropriate emancipation date for IV-D child support cases, particularly when determining the "child's normal and expected year of graduation" referenced in U.C.A. 78B-12-219 for Utah child support orders issued on or after July 1, 1994.

1. For a child attending school in Utah, the normal and expected year of graduation is based on kindergarten plus twelve years of school, unless an exception is listed below.
2. For a child attending school in Utah, ORS/CSS will presume that the normal and expected month of graduation is May of the expected graduating year, unless the parents provide documentation of a specific graduation date for their child.
3. If a deviation to the "kindergarten plus twelve years" standard is known at the time of entry of the child support order, the expected year of graduation is altered accordingly. If a child has been held back a grade or experienced another delay in education before the child support order is entered, the "expected" year of graduation will be changed to potentially shorten the support obligation based on the facts about the acceleration in education.
4. If a deviation to the "kindergarten plus twelve years" standard is not known until after the entry of the child support order, the expected year of graduation is not altered based on the new facts unless the child receives an early high school diploma or other high school equivalency diploma.

A child who receives a high school diploma or another documented form of high school equivalency is no longer enrolled in school or expected to graduate with the normal graduating class. The emancipation date will be determined based on when the child becomes 18 years of age or that child's high school diploma or high school equivalency date.

A child who no longer attends school is not considered emancipated until becoming 18 years old or the graduation of the normal and expected graduating class, whichever occurs later.

1. ORS/CSS will enforce child support based on the "kindergarten plus twelve years" standard until a parent or guardian has provided appropriate documentation to support an emancipation date other than that standard.

2. A parent or guardian requesting the deviation from the standard is responsible for gathering the appropriate documentation and providing the information to ORS/CSS.
3. Changes to the child support amount due will not be effective until the month following the emancipation date based on the 18th birthday, normal and expected graduating class, or other appropriate date as described above.
4. Changes to the child support amount which are based on a date other than the 18th birthday or the "kindergarten plus twelve year" standard will not be effective until the month following the determined date of emancipation or the month following when the parent or guardian provides sufficient documentation to support the new emancipation date, whichever occurs later. If an over collection occurs due to the parent not providing documentation, the parent will be responsible for recovering any overpaid amounts without involving ORS/CSS.

Issuance of Special Group License Plates Pursuant to Utah Code Ann. Sections 41-1a-418, 41-1a-419, 41-1a-420, and 41-1a-421

NOTICE OF PROPOSED RULE

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The proposed amendment provides a mechanism for revoking search and rescue special group license plates for an individual who no longer qualifies for that license plate.

SUMMARY OF THE RULE OR CHANGE: The proposed amendments place in rule current division practice in determining who qualifies for a search and rescue special group license plate, at the request of search and rescue groups; provides procedures for revoking a special group
license plate; and conforms the revocation procedures for the firefighter special group license plate to match the revocation procedures for the search and rescue special group license plate.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 41-1a-418 and Section 41-1a-419 and Section 41-1a-420 and Section 41-1a-421

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: Immaterial increase in revenue as a person who is no longer eligible to have a search and rescue plate will pay $5 to replace those plates.
♦ LOCAL GOVERNMENTS: None--The fees involved are state fees.
♦ SMALL BUSINESSES: Immaterial cost as a person who is no longer eligible to have a search and rescue plate will pay $5 to replace those plates.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: Immaterial cost as a person who is no longer eligible to have a search and rescue plate will pay $5 to replace those plates.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The statutory fee for a new license plate has always applied to a person who is no longer eligible to have a special group license plate. Search and rescue groups, however, want to actively enforce revoking the plate of a person who is no longer eligible for the plate. As a result, there may be some revocations, and the persons who have had their plates revoked will pay a $5 fee for a new license plate.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: Immaterial cost as a person who is no longer eligible to have a search and rescue plate will pay $5 to replace those plates.

NOTICE OF PROPOSED RULE

DAR FILE NO.: 34693

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of the rule is to comply with the requirements of Subsection 72-6-107(5) to establish procedures for hearing evidence that a region within the department violated the construction bid limit and administering sanctions for a violation.
R918. Transportation, Operations, Maintenance.
R918-5. Construction or Improvement of Highway.
R918-5-1. Authority.

This rule is required by Section 72-6-107 and is enacted under the authority of Title 63G, Chapter 3, Utah Administrative Rulemaking Act and Section 72-1-201.

R918-5-2. Purpose and Background.

Section 72-6-107 requires that any construction or improvement project whose estimated cost for labor and materials exceeds the Bid Limit defined in Section 72-6-109 shall be performed under contract awarded to the lowest responsible bidder. Construction or improvement projects with estimated costs for labor and materials lower than that Bid Limit may be performed by force account. That same section also directs the Department to establish a procedure whereby evidence that a region violated that law may be heard, and also directs the Department to establish sanctions for a region found to be in violation. This rule establishes those procedures and sanctions.

R918-5-3. Definitions.

(1) "Bid Limit" is the dollar amount set forth in Section 72-6-109.

(2) "Department" means the Utah Department of Transportation.

(3) "Region" means one of the four regions of the Utah Department of Transportation.

(4) "Project" means the performance of a clearly identifiable group of associated road construction activities or the same type of maintenance process, where the construction or maintenance is performed on any one road, within a half-mile proximity and occurs within the same calendar year.

(1) There is established within the Department a "Bid Limit Hearing Board" (the Board), consisting of persons in the following positions:

   (a) Director of Operations (Chair);
   (b) Engineer for Construction;
   (c) Engineer for Maintenance;
   (d) Director of Project Development;
   (e) UDOT Internal Auditor;
   (f) One UDOT Region Director (appointed by the Deputy Director on a case-by-case basis); and
   (g) Deputy Engineer for Maintenance (Secretary/Recorder, non-voting).

(2) Any person, corporation, government agency, or UDOT group, having reasonable evidence that a region violated any provision of Section 72-6-107, may request that the Board be convened to hear that evidence, by making a written request/complaint to the Department's Deputy Director.

(3) Upon receiving a complaint of an alleged violation, the Deputy Director shall direct the Board to convene, by notifying the Chair that a complaint has been received.

(4) The Board shall convene no later than 30 days after the Deputy Director receives the complaint.

(5) During the hearing, the complainant shall present objective evidence that the estimated cost of the project for labor and materials exceeded the Bid Limit. The evidence shall include credible cost data to support the allegation. The accused region shall be afforded the opportunity to defend itself against any and all allegations, by presenting credible evidence of its own.

(6) Having heard evidence from both parties, the Board shall privately deliberate on the evidence heard, and return a verdict either supporting the complainant's claim of a violation, or finding the claim unsubstantiated. The verdict shall be based on a simple majorities vote. The Board shall then notify the Deputy Director of its verdict and recommendation for sanction.

(7) The Deputy Director, upon receiving the Board's verdict of a violation and recommendation for sanction, shall administer a sanction against the region in violation. The Deputy Director has discretion to administer either the standard sanction outlined in Section R918-5-5, or whatever other corrective action he or she deems appropriate.

The standard sanction for a region found in violation of the provisions of Section 72-6-107 by exceeding the Bid Limit for labor and materials, is a penalty to be taken from that region's Operations budget (commonly known as the "Code 1" budget), and distributed equally among the other three regions. The standard amount of the penalty is the larger of:

(1) the total cost of the project for labor and materials, less the Bid Limit in effect at the time the project began, or
(2) $100,000.

The amount of financial assistance for an eligible household is based on the size of the household assistance unit and the income and assets of all people in the household assistance unit.

1. The income and assets of the following individuals living in the same household must be counted in determining eligibility of the household assistance unit:
   (a) all natural parents, adoptive parents, parents listed on the birth certificate and stepparents, unless expressly excluded in this section, who are related to and residing in the same household as an eligible dependent child. Natural parentage is determined as follows:
      (i) A woman is the natural parent if her name appears on the birth record of the child.
      (ii) For a man to be determined to be the natural parent, that relationship must be established or acknowledged or his name must appear on the birth record. If the parents have a solemnized marriage at the time of birth, relationship is established and can only be rebutted by a DNA test.
   (b) household members who would otherwise be included but who are absent solely by reason of employment, school or training, or who will return home to live within 30 days;
   (c) all minor siblings, half-siblings, and adopted siblings living in the same household as an eligible dependent child; and
   (d) all spouses living in the household.

2. The following individuals in the household are not counted in determining the household size for determining payment amount nor are the assets or income of the individuals counted in determining household eligibility:
   (a) a recipient of SSI benefits. If the SSI recipient is the parent and is receiving FEP assistance for the child(ren) residing in the household, the SSI parent must cooperate with establishing paternity and child support enforcement for the household to be eligible. If the only dependent child is a SSI recipient, the parent or specified relative may receive a FEP assistance payment which does not include that child, provided the parent or specified relative is not on SSI and can meet all other requirements;
   (b) a child during any month in which a foster care maintenance payment is being provided to meet the child's needs. If the only dependent child in the household is receiving a foster care maintenance payment, the parent or specified relative may still receive a FEP assistance payment which does not include the child, provided all other eligibility, income and asset requirements are met;

UTAH STATE BULLETIN, May 01, 2011, Vol. 2011, No. 9
(c) an absent household member who is expected to be
gone from the household for 180 days or more unless the absence is
due to employment, school or training. If the absence is due to
employment, school or training the household member must be
included.

(3) The household assistance unit can choose whether to
include or exclude the following individuals living in the household.
If included, all income and assets of that person are counted:

(a) all absent household members who are expected to be
temporarily absent from the home for more than 30 but not more
than 180 consecutive days unless the absence is due to employment,
school or training. If the absence is due to employment, school or
training the household member must be included;

(b) Native American children, or deaf or blind children,
who are temporarily absent while in boarding school, even if the
temporary absence is expected to last more than 180 days;

(c) an adopted child who receives a federal, state or local
government special needs adoption payment. If the adopted child
receiving this type of payment is the only dependent child in the
household and excluded, the parent(s) or specified relative may still
receive a FEP or FEPTP assistance payment which does not include
the child, provided all other eligibility requirements are met. If the
household chooses to include the adopted child in the household
assistance unit under this paragraph, the special needs adoption
payment is counted as income;

(d) former stepchildren who have no blood relationship to
a dependent child in the household;

(e) a specified relative. If a household requests that a
specified relative be included in the household assistance unit, only
one specified relative can be included in the financial assistance
payment regardless of how many specified relatives are living in the
household. The income and assets of all household members are
counted according to the provisions of R986-200-241.

(4) In situations where there are children in the home for
which there is court order regarding custody of the children, the
Department will determine if the children should be included in the
household assistance unit based on the actual living arrangements of
the children and not on the custody order. If the child lives in the
home 50% or more of the time, the child must be included in the
household assistance unit and duty of support completed. It is not
an option to exclude the child. This is true even if the court
awarded custody to the other parent or the court ordered joint
custody. If the child lives in the household less than 50% of the
time, the child cannot be included in the household. It is not an
option to include the child. This is true even if the parent applying
for financial assistance has been awarded custody by the court or
the court ordered joint custody. If financial assistance is allowed,
a joint custody order might be modified by the court under the
provisions of 30-3-10.2(4) and 30-3-10.4.

(5) The income and assets of the following individuals
are counted in determining eligibility even though the individual is
not included in the assistance payment:

(a) a household member who has been disqualified from
the receipt of assistance because of an IPV, (fraud determination);

(b) a household member who does not meet the
citizenship and alienage requirements; or

(c) a minor child who is not in school full time or
participating in self sufficiency activities.

R986. Workforce Services, Employment Development.
R986-700. Child Care Assistance.
In addition to the client rights and responsibilities found
in R986-100, the following client rights and responsibilities apply:
(1) A client has the right to select the type of child care
which best meets the family's needs.
(2) If a client requests help in selecting a provider, the
Department will refer the client to the local Child Care Resource
and Referral agency.
(3) A client is responsible for monitoring the child care
provider. The Department will not monitor the provider.
(4) A client is responsible to pay all costs of care charged
by the provider. If the child care assistance payment provided by the
Department is less than the amount charged by the provider, the
client is responsible for paying the provider the difference.
(5) The only changes a client must report to the
Department within ten days of the change occurring are:
(a) that the household's gross monthly income exceeds
the percentage of the state median income as determined by the
Department in R986-700-710(3);
(b) that the client is no longer in an approved training or
educational program;
(c) if the client's and/or child's schedule changes so that
child care is no longer needed during the hours of approved
employment and/or training activities;
(d) that the client does not meet the minimum work
requirements of an average of 15 hours per week or 15 and 30 hours
per week when two parents are in the household and it is expected
to continue;
(e) the client is separated from his or her employment;
(f) a change of address;
(g) any of the following changes in household
composition; a parent, stepparent, spouse, or former spouse moves
into the home, a child receiving child care moves out of the home,
or the client gets married; or
(h) a change in the child care provider, including when
care is provided at no cost.
(6) If a material change which would result in a decrease
in the amount of the CC payment is reported within 10 days, the
decrease will be made effective beginning the next month and sums
received in the month in which the change occurred will not be
treated as an overpayment. If it is too late to make the change to the
next month's CC payment, the client is responsible for repayment
even if the 10 days for reporting the change has not expired. If the
client fails to report the change within 10 days, the decrease will
occur as soon as the Department learns of the change and the
overpayment will be assessed back to the date of the change.
(7) A client is responsible for payment to the Department
of any overpayment made in CC.
(8) If the client has failed to provide all necessary
information and the child care provider requests information about
payment of CC to the client, the Department is authorized to inform
the provider that further information is needed before payment can
be determined.
(9) The Department may also release the following
information to the designated provider:
(a) a limited information regarding the status of a CC
payment including that no payment was issued or services were
denied;
(b) information contained on the Form 980;
(c) the date the child care subsidy was issued;
(d) the subsidy amount for that provider;
(e) the subsidy deduction amount;
(f) the date a two party check was mailed to the client;
(g) a copy of the two party check on a need to know
basis; and
(h) the month the client is scheduled for review or
reestablishment.
(10) If child care funds are issued on the Horizon Card
(electronic benefit transfer) unused child care funds will be
removed from the Horizon Card 60 days after the last child care
transaction/transfer occurred ("aged off") and will no longer be
available to the client. Unused child care funds issued on the client's
electronic benefit transfer (EBT) card will be removed from ("aged
off") the EBT card 90 days after those funds were deposited onto
the EBT card. Aged off funds will no longer be available to the
client.

R986-700-718. Provider Disqualification.
(1) A child care provider removing child care subsidy
funds from a client's account by way of electronic benefit transfer
(EBT)[which includes the Horizon card] and interactive voice
response (IVR), can only remove those funds from a client's account that are authorized by the Department for that provider. All
providers receiving payment for child care services through an EBT
may learn the exact amount authorized for that provider for each

AUTHORIZED BY:  Kristen Cox, Executive Director
client by accessing the Department's Provider Payment Authorization website. Providers who remove more funds than authorized will be required to reimburse the Department for the excess funds and will be disqualified from receipt of further CC subsidy funds as follows;

(a) if the provider has never removed unauthorized CC subsidy funds before, the Department will send a demand letter to the provider's last known address informing the provider of the unauthorized access and establishing an overpayment in the amount of the excess funds. If the provider repays the overpayment within six months of the date of the demand letter, no further action will be taken on that overpayment,

(b) if the provider removes funds in excess of those authorized by the Department a second time, and the provider repaid the previous overpayment or is making a good faith effort to repay the overpayment, a second demand letter will be sent to the provider's last known address. The second letter will establish an overpayment in the amount of the excess funds removed and inform the provider that any further unauthorized access will result in disqualification. If the provider removes unauthorized funds and has not repaid the first overpayment, or is not making a good faith effort to repay the first overpayment to the Department, no second demand letter will be sent and the provider will be disqualified for a period of one year from the date the Department issues its letter, or in the case of an appeal, from the date the ALJ issues his or her determination. A good faith effort to repay the overpayment means the provider is repaying at least 10% of the overpayment due each month,

(c) if a child care provider removes unauthorized funds a third time, or a second time without repayment of the first overpayment as provided in paragraph (1)(b) of this subsection, the provider will be disqualified and is ineligible for receipt of further CC subsidy funds for a period of one year from the date the Department issues its letter, or in the case of an appeal, from the date the ALJ issues his or her determination,

(d) a CC provider previously disqualified for one year from receipt of CC subsidy funds due to unauthorized removal of funds in paragraph (1)(c) of this subsection, will be disqualified for a period of two years if the provider removes unauthorized funds again. Warning letters under paragraphs (a) and (b) of this subsection will not be sent if a provider was previously disqualified for receipt of CC subsidy funds,

(e) a CC provider previously disqualified for a two year period due to unauthorized removal of funds in paragraph (1)(d) of this subsection will be permanently disqualified if the provider removes unauthorized funds again. Warning letters under paragraphs (a) and (b) of this subsection will not be sent if a provider was previously disqualified for receipt of CC subsidy funds.

(2) Even if CC funds are authorized under this section, a CC provider cannot remove, accept and/or retain funds for any month during which no CC services were provided. If authorized or unauthorized subsidy funds were accepted from a client or removed from a client's account as provided in this section but no CC services were provided during the month, the provider will be required to reimburse the Department for the excess funds and will be disqualified from receipt of further CC subsidy funds in the same manner as provided in subsection (1) of this section.

(3) CC providers disqualified under subsections (1) or (2) of this section will be ineligible for receipt of quality grants awarded by the Department during the period of disqualification.

(4) A CC provider overpayment not paid in full within six months will be referred to collection and will be collected in the same manner as all public assistance overpayments. Payment of provider overpayments must be made to the Department and not to the client.

(5) A CC provider may appeal an overpayment or disqualification as provided for public assistance appeals in rule R986-100. Any appeal must be filed in writing within 30 days of the date of letter establishing the overpayment or disqualification. A provider who has been found ineligible may continue to receive CC subsidy funds pending appeal until a decision is issued by the ALJ. The disqualification period will take effect even if the provider files an appeal of the decision issued by the ALJ.

End of the Notices of Proposed Rules Section
NOTICES OF CHANGE IN PROPOSED RULES

After an agency has published a PROPOSED RULE in the Utah State Bulletin, it may receive public comment that requires the PROPOSED RULE to be altered before it goes into effect. A CHANGE IN PROPOSED RULE allows an agency to respond to comments it receives.

As with a PROPOSED RULE, a CHANGE IN PROPOSED RULE is preceded by a RULE ANALYSIS. This analysis provides summary information about the CHANGE IN PROPOSED RULE including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

While the law does not designate a comment period for a CHANGE IN PROPOSED RULE, it does provide for a 30-day waiting period. An agency may accept additional comments during this period, and, at its option, may designate a comment period or may hold a public hearing. The 30-day waiting period for CHANGES IN PROPOSED RULES published in this issue of the Utah State Bulletin ends May 31, 2011.

Following the RULE ANALYSIS, the text of the CHANGE IN PROPOSED RULE is usually printed. The text shows only those changes made since the PROPOSED RULE was published in an earlier edition of the Utah State Bulletin. Additions made to the rule appear underlined (e.g., example). Deletions made to the rule appear struck out with brackets surrounding them (e.g., [example]). A row of dots in the text between paragraphs (.........) indicates that unaffected text, either whole sections or subsections, was removed to conserve space. If a CHANGE IN PROPOSED RULE is too long to print, the Division of Administrative Rules will include only the RULE ANALYSIS. A copy of rules that are too long to print is available from the agency or from the Division of Administrative Rules.

From the end of the 30-day waiting period through August 29, 2011, an agency may notify the Division of Administrative Rules that it wants to make the CHANGE IN PROPOSED RULE effective. When an agency submits a NOTICE OF EFFECTIVE DATE for a CHANGE IN PROPOSED RULE, the PROPOSED RULE as amended by the CHANGE IN PROPOSED RULE becomes the effective rule. The agency sets the effective date. The date may be no fewer than 30 days nor more than 120 days after the publication date of the CHANGE IN PROPOSED RULE. If the agency designates a public comment period, the effective date may be no fewer than seven calendar days after the close of the public comment period nor more than 120 days after the publication date. Alternatively, the agency may file another CHANGE IN PROPOSED RULE in response to additional comments received. If the Division of Administrative Rules does not receive a NOTICE OF EFFECTIVE DATE or another CHANGE IN PROPOSED RULE by the end of the 120-day period after publication, the CHANGE IN PROPOSED RULE filing, along with its associated PROPOSED RULE, lapses and the agency must start the process over.

CHANGES IN PROPOSED RULES are governed by Section 63G-3-303; Rule R15-2; and Sections R15-4-3, R15-4-5, R15-4-7, and R15-4-9.

**RULE ANALYSIS**

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: On 01/05/2011, the Air Quality Board proposed revisions to Rule R307-328, the Stage I vapor recovery rule. The proposal eliminated the current December to March testing window and replaced the current testing and vapor tightness standards with the more stringent standards in the federal Maximum Achievable Control Technology (MACT) for Gasoline Distribution Facilities. During the review of the rule, several representatives of local refineries identified a problem with the proposal. Railcar gasoline cargo tanks are tested for vapor tightness using different procedures, and the proposed rule change would have expanded the scope of the current rule by requiring these tanks to be tested using the same procedures as truck cargo tanks. This change in proposed rule revises the original rule amendment to clarify that railcar cargo tanks may use the alternate testing methods for railcars established in the MACT. This is consistent with Utah's current rule and the long-standing methods established in both the MACT and the New Source Performance Standards (NSPS) for Gasoline Distribution Facilities.

SUMMARY OF THE RULE OR CHANGE: This change in proposed rule revises the original rule amendment to clarify that railcar cargo tanks may use the alternate testing methods for railcars established in the MACT at 40 CFR 63.425(i). Additionally, changes where made to the date when the new testing standards would be required. This is due to taking this Change in Proposed Rule (CPR) action. (DAR NOTE: This change in proposed rule has been filed to make additional changes to a proposed amendment that was published in the February 1, 2011, issue of the Utah State Bulletin, on page 28. Underlining in the rule below indicates text that has been added since the publication of the proposed rule mentioned above; strike-out indicates text that has been deleted. You must view the change in proposed rule and the proposed amendment together to understand all of the changes that will be enforceable should the agency make this rule effective.)

The changes in Rule R307-210 were to update the incorporation of standards of performance for new stationary sources by reference in the rule. The effective date was 03/15/2007. No oral or written comments were received since the last five-year review.

**REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE:** Under the Clean Air Act (42 U.S.C. 7411(c)), “Each State may develop and submit to the Administrator of Environmental Protection Agency (EPA) a procedure for implementing and enforcing standards of performance for new sources located in such State. If the Administrator finds the State procedure is adequate, he shall delegate to such State any authority he has under this chapter to implement and enforce such standards.” Utah was delegated authority to permit new sources many years ago and intends to maintain that authority rather than allowing the federal government the authority to permit and enforce these standards within Utah. To maintain that authority, Utah must adopt and implement the provisions of 40 CFR Part 60, the regulation implementing 42 U.S.C. 7411. Therefore, this rule should be continued.
SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: No written comments have been received by the agency since the last five-year review.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: It is necessary to continue this rule because it establishes the requirements and conditions for issuing a site access permit to generators or brokers. Once a permit is issued, it allows them to ship waste to a commercial radioactive waste facility in Utah. The rule also provides regulation for compliance inspections of shipments.

NOTICE OF REVIEW AND STATEMENT OF CONTINUATION
CONCISE EXPLANATION OF THE PARTICULAR STATUTORY PROVISIONS UNDER WHICH THE RULE IS ENACTED AND HOW THESE PROVISIONS AUTHORIZE OR REQUIRE THE RULE: Subsection 51-7-17(4) allows public treasurers to invest in permitted depositories, or out of state depositories, that meet the criteria of the Rules of the Money Management Council. Also Subsection 51-7-18(2)(b)(iv) states that the Money Management Council may write rules that govern deposits of public funds in permitted depositories.

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: There have been no comments either for or against this rule.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: This rule is needed to establish a standard for public treasurers to evaluate the financial condition of permitted depositories to determine if placing public funds in these depositories would expose these funds to risk. As deposits in permitted depositories are an allowed investment for public treasurers under the Money Management Act (Title 51, Chapter 7) there must be a rule in place to provide criteria for a public treasurer to do so. Therefore, this rule should be continued.

NOTICE OF REVIEW AND STATEMENT OF CONTINUATION

CONCISE EXPLANATION OF THE PARTICULAR STATUTORY PROVISIONS UNDER WHICH THE RULE IS ENACTED AND HOW THESE PROVISIONS AUTHORIZE OR REQUIRE THE RULE: Sections 40-10-6 and 40-10-6.5 provide for rulemaking authority to the Board of Oil, Gas and Mining as necessary for the regulation of coal mining operations and reclamation operations. Subsection 40-10-3(20)(a) specifically provides that coal mining operations as defined in the Act do not include the extraction of coal incidental to the extraction of other minerals.

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: One written comment was received in December 2010, and it was in support of renewal.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISCLAIMS WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: This rule is necessary to identify the percentage of incidental coal that is allowed in other mineral mining before the coal mining act and regulations are applicable to an extraction operation. This rule should be continued so Utah's coal program continues to retain primacy under the federal Surface Mining Control and Reclamation Act.

NOTICE OF REVIEW AND STATEMENT OF CONTINUATION

CONCISE EXPLANATION OF THE PARTICULAR STATUTORY PROVISIONS UNDER WHICH THE RULE IS ENACTED AND HOW THESE PROVISIONS AUTHORIZE OR REQUIRE THE RULE: Section 40-6-5 provides the rulemaking authority to the Board of Oil, Gas and Mining for regulation of the oil and gas industry. Also, the Administrative Procedures Act (APA) at Title 63G, Chapter 4 was approved by the Legislature and Subsection 63G-4-102(6) specifies that it does not preclude an agency from enacting a rule provided the rule complies with the APA.

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: One written comment was received in December 2010, and it was in support of renewal.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISCLAIMS WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: This rule exists as a vehicle for Division decisions to be appealed to the Board of Oil, Gas and Mining should disagreements arise between the public and the Division. This rule also states the method the Division uses to begin the process of informal adjudicative proceedings, enabling the public to pursue remedy at an informal level prior to Board formal matters, and therefore the rule should be continued.

NOTICES OF RULE EFFECTIVE DATES

State law provides for agencies to make their rules effective and enforceable after publication in the Utah State Bulletin. In the case of Proposed Rules or Changes in Proposed Rules with a designated comment period, the law permits an agency to file a notice of effective date any time after the close of comment plus seven days. In the case of Changes in Proposed Rules with no designated comment period, the law permits an agency to file a notice of effective date on any date including or after the thirtieth day after the rule's publication date. If an agency fails to file a Notice of Effective Date within 120 days from the publication of a Proposed Rule or a related Change in Proposed Rule the rule lapses and the agency must start the rulemaking process over.

Notices of Effective Date are governed by Subsection 63G-3-301(12), 63G-3-303, and Sections R15-4-5a and 5b.

End of the Notices of Rule Effective Dates Section
The Rules Index is a cumulative index that reflects all effective changes to Utah’s administrative rules. The current Index lists changes made effective from January 2, 2011 through April 15, 2011. The Rules Index is published in the Utah State Bulletin and in the annual Utah Administrative Rules Index of Changes. Nonsubstantive changes, while not published in the Bulletin, do become part of the Utah Administrative Code (Code) and are included in this Index, as well as 120-Day (Emergency) rules that do not become part of the Code. The rules are indexed by Agency (Code Number) and Keyword (Subject).

Questions regarding the index and the information it contains should be addressed to Nancy Lancaster (801-538-3218), Mike Broschinsky (801-538-3003), or Kenneth A. Hansen (801-538-3777).

A copy of the Rules Index is available for public inspection at the Division of Administrative Rules (4120 State Office Building, Salt Lake City, UT), or may be viewed online at the Division’s web site (http://www.rules.utah.gov/).
