Public Hearing to Discuss the 1115 Waiver and H.B. 437 "Health Care Revisions" From the 2016 General Session

The Division of Medicaid and Health Financing (DMHF) will hold public hearings to discuss the renewal of and proposed amendments to the Primary Care Network 1115 Demonstration waiver. The proposed changes to the waiver are required to implement the provisions of H.B. 437 "Health Care Revisions" passed during the 2016 General Session. These amendments include requesting authority to add Medicaid eligibility for additional adults between the ages of 19 and 64 who meet certain criteria. In addition, the State will request a waiver of the Medicaid IMD (institution for mental disease) exclusion. Finally, amendments will be proposed to remove the high risk pregnant woman group, as it is no longer needed due to the Affordable Care Act; making changes to Non-Traditional Medicaid benefits to comply with mental health parity; and removing the EPSDT waiver for 19 and 20 year olds.

These topics will be discussed at public hearings to be held on Thursday, May 19, 2016, from 1:30 p.m. to 3:30 p.m. as part of the monthly Medical Care Advisory Committee (MCAC) meeting, and Wednesday, May 25, 2016, from 1:00 p.m. to 3:00 p.m. Both meetings will be in Room 125 of the Cannon Health Building, 288 North 1460 West, Salt Lake City, Utah.

A conference line is available for those who would like to attend by phone: 1-877-820-7831, passcode 196690#. Individuals requiring an accommodation to fully participate in this meeting should contact Jennifer Meyer-Smart at 801-538-6338 by 5:00 p.m. on May 17, 2016.

End of the Special Notices Section
Under authority granted by the Utah Constitution and various federal and state statutes, the Governor periodically issues EXECUTIVE DOCUMENTS, which can be categorized as either Executive Orders, Proclamations, and Declarations. Executive Orders set policy for the executive branch; create boards and commissions; provide for the transfer of authority; or otherwise interpret, implement, or give administrative effect to a provision of the Constitution, state law or executive policy. Proclamations call special or extraordinary legislative sessions; designate classes of cities; publish states-of-emergency; promulgate other official formal public announcements or functions; or publicly avow or cause certain matters of state government to be made generally known. Declarations designate special days, weeks or other time periods; call attention to or recognize people, groups, organizations, functions, or similar actions having a public purpose; or invoke specific legislative purposes (such as the declaration of an agricultural disaster).

The Governor’s Office staff files EXECUTIVE DOCUMENTS that have legal effect with the Office of Administrative Rules for publication and distribution.

NOTICES OF PROPOSED RULES

A state agency may file a **PROPOSED RULE** when it determines the need for a substantive change to an existing rule. With a **NOTICE OF PROPOSED RULE**, an agency may create a new rule, amend an existing rule, repeal an existing rule, or repeal an existing rule and reenact a new rule. Filings received between April 16, 2016, 12:00 a.m., and May 02, 2016, 11:59 p.m. are included in this, the May 15, 2016 issue of the Utah State Bulletin.

In this publication, each **PROPOSED RULE** is preceded by a **RULE ANALYSIS**. This analysis provides summary information about the **PROPOSED RULE** including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

Following the **RULE ANALYSIS**, the text of the **PROPOSED RULE** is usually printed. New rules or additions made to existing rules are underlined (example). Deletions made to existing rules are struck out with brackets surrounding them ([example]). Rules being repealed are completely struck out. A row of dots in the text between paragraphs (........) indicates that unaffected text from within a section was removed to conserve space. Unaffected sections are not usually printed. If a **PROPOSED RULE** is too long to print, the Office of Administrative Rules may include only the **RULE ANALYSIS**. A copy of each rule that is too long to print is available from the filing agency or from the Office of Administrative Rules.

The law requires that an agency accept public comment on **PROPOSED RULES** published in this issue of the Utah State Bulletin until at least June 14, 2016. The agency may accept comment beyond this date and will indicate the last day the agency will accept comment in the **RULE ANALYSIS**. The agency may also hold public hearings. Additionally, citizens or organizations may request the agency hold a hearing on a specific **PROPOSED RULE**. Section 63G-3-302 requires that a hearing request be received by the agency proposing the rule "in writing not more than 15 days after the publication date of the proposed rule."

From the end of the public comment period through September 12, 2016, the agency may notify the Office of Administrative Rules that it wants to make the **PROPOSED RULE** effective. The agency sets the effective date. The date may be no fewer than seven calendar days after the close of the public comment period nor more than 120 days after the publication date of this issue of the Utah State Bulletin. Alternatively, the agency may file a **CHANGE IN PROPOSED RULE** in response to comments received. If the Office of Administrative Rules does not receive a **NOTICE OF EFFECTIVE DATE** or a **CHANGE IN PROPOSED RULE**, the **PROPOSED RULE** lapses.

The public, interest groups, and governmental agencies are invited to review and comment on **PROPOSED RULES**. **Comment may be directed to the contact person identified on the RULE ANALYSIS for each rule.**

**PROPOSED RULES** are governed by Section 63G-3-301, Rule R15-2, and Sections R15-4-3, R15-4-4, R15-4-5a, R15-4-9, and R15-4-10.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: This rule establishes the rules and guidelines for horse racing in the state of Utah. The changes to the rule clarify the requirements for entry and add some safety provisions.

SUMMARY OF THE RULE OR CHANGE: The rule changes allow for the licenses to be issued for up to a three-year period.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 4-38-4

ANTICIPATED COST OR SAVINGS TO:

♦ THE STATE BUDGET: The change does not have an impact on how the state manages horse racing. There will be no impact on the state budget.

♦ LOCAL GOVERNMENTS: Local governments have no role in the enforcement of this rule. As such, there will be no costs or saving to their budget.

♦ SMALL BUSINESSES: This rule does not change the registration fee required for each individual year. While there will be an initial increase in cost to purchase a three-year license, this cost will be balanced by not having to purchase a license for the following two years. However, this is a burden chosen by the individual or the racing group because they continue to have the option to purchase a single-year license.

♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: The rule again will have a limited impact on the individuals. They will have the opportunity to choose between a one- or three-year license in their chosen area. While there will be an increased burden on that year's cost of a license, that cost will be evened out by not having to purchase a license again for three years.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There are no new compliance costs. The price of the license remains the same. The proposed change does not affect the cost of the license for each year.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The proposed rule changes are a result of a request from those involved in the horse racing industry. The cost of the license per year remains the same.

THE FULL TEXT OF THIS RULE MAY BE INSPECTED, DURING REGULAR BUSINESS HOURS, AT:

AGRICULTURE AND FOOD
HORSE RACING COMMISSION (UTAH)
350 N REDWOOD RD
SALT LAKE CITY, UT 84114
or at the Office of Administrative Rules.

DIRECT QUESTIONS REGARDING THIS RULE TO:

♦ Kathleen Mathews by phone at 801-538-7103, by FAX at 801-538-7126, or by Internet E-mail at kmathews@utah.gov

♦ Scott Ericson by phone at 801-538-7102, by FAX at 801-538-7126, or by Internet E-mail at sericson@utah.gov

INTERESTED PERSONS MAY PRESENT THEIR VIEWS ON THIS RULE BY SUBMITTING WRITTEN COMMENTS NO LATER THAN AT 5:00 PM ON 06/14/2016

THIS RULE MAY BECOME EFFECTIVE ON: 06/21/2016

C. Possession of a license does not, as such, confer any right upon the holder thereof to employment at or participation in a race.
D. The Commission may restrict, limit, place conditions on, or endorse for additional occupational classes, any license, R52-7-5(9).

8. Changes In Application Information. Each licensee or applicant for license shall file with the Commission his permanent and current mailing address and shall report in writing to the Commission any and all changes in application information.

9. Grounds For Denial, Refusal, Suspension Or Revocation Of License. The Commission, in addition to any other valid ground or reason, may deny, refuse to issue, suspend or revoke an occupation license for any person:

A. Who has been convicted of a felony of this State, any other state, or the United States of America; or
B. Who has been convicted of violating any law regarding gambling or controlled dangerous substance of this State, any other state, or the United States of America; or
C. Who is unqualified to perform the duties required of the applicant; or
D. Who fails to disclose or states falsely any information required in the application; or
E. Who has been found guilty of a violation of any provision of the Utah Horse Act or of the Rules and Regulations of the Commission; or
F. Whose license for any racing occupation or activity refusing to sign a Test Barn Sample Tag for a horse on its premises during a recognized race meeting unless such owner, trainer, or jockey has received a license to do so from the Commission.

10. Examinations. The Commission may require the applicant for any license to demonstrate his knowledge, qualifications, and proficiency for the license applied for by such examination as the Commission may direct.

11. Refusal Without Prejudice. A refusal to issue a license (as distinguished from a denial of a license) to an applicant by the Commission at any race meeting is without prejudice; and the applicant so refused may reapply for a license at any subsequent or other race meeting, or he may appeal such refusal to the Commission for hearing upon his qualifications and fitness for the license.

12. Hearing After Denial Of License. Any person who has had his license denied may petition the Commission to reopen the case and reconsider its decision upon a sufficient showing that there is now
available evidence which could not, with the exercise of reasonable
diligence, have been previously presented to the Commission. Any
such petition must be filed with the Commission no later than 30 days
after the effective date of the Commission's decision in the matter.
Any person who has been denied a license by the Commission may
not refile a similar application for license until one year from the
effective date of the decision to deny the license.

license as horse owner or trainer must submit satisfactory evidence of
their financial ability to care for and maintain the horses owned and/or
trained by them when such evidence is requested by the Commission.

14. Physical Examination. The Commission or the
Stewards may require that any jockey be examined at any time, and the
Commission or the Stewards may refuse to allow any jockey to ride
until he has successfully passed such examination.

15. Qualifications For Jockey. No person under 16 years of
age shall be granted a jockey's license. A person who has never ridden
in a race at a recognized meeting shall not be granted a license as
jockey unless he has satisfactorily worked a horse from the starting
gate in company, before the Stewards or their representatives. Upon
the recommendation of the Stewards, the Commission may issue a
jockey's license granting permission to such person for the purpose of
riding in not more than four races to establish the qualifications and
ability of such person for the license. Subsequently, the Stewards may
recommend the granting of a jockey's license.

16. Jockey Agent. A jockey agent is the authorized
representative of a jockey if he is registered with the Stewards and
licensed by the Commission as the Jockey's representative. No jockey
agent shall represent more than two jockeys at the same time.

17. Workers' Compensation Act Compliance. No person
may be licensed as a trainer, owner, or in any other capacity in which
such person acts as the employer of any other licensee at any
authorized race meeting, unless his liability for Workers' Compensation has been secured in accordance with the Workers' Compensation Act of the State of Utah and until evidence of such security for liability is provided the Commission. Should any such required security for liability for Workers' Compensation be canceled or terminated, any license held by such person shall be automatically suspended and shall be grounds for revocation of the license. If a license applicant certifies that he has no employees that would subject him to liability for Workers' Compensation, he may be licensed, but only for the period he has no employees.

18. Program Trainer Prohibited. No licensed trainer, for the
purpose of avoiding his responsibilities or insurance requirements as
set forth in these Rules, shall place any horse in the care or attendance
of any other trainer.

19. Qualifications For License As Horse Owner. No person
may be licensed as a horse owner who is not the owner of record of a
properly registered race horse which he intends to race in Utah and
which is in the care of a licensed trainer, or who does not have an
interest in such race horse as a part owner or lessee, or who is not the
responsible managing owner of a corporation, syndicate or partnership
which is the legal owner of such horse.

20. Horse Ownership By Lease. Horses may be raced
under lease provided a completed Utah Horse Commission, breed
registry, approved pari-mutuel or other lease form acceptable to the
Commission, is attached to the Registration Certificate and on file with
the Commission. The lessor(s) and lessee must be licensed as horse
owners. No lessor shall execute a lease for the purpose of avoiding
insurance requirements.

21. Statements Of Corporation, Partnership, Syndicate Or
Other Association Or Entity. All organizational documents of a
corporation, partnership, syndicate or other association or entity, and
the relative proportion of ownership interest, the terms of sales with
contingencies, arrangements, or leases, shall be filed with the
Horsemen's Bookkeeper of the organization and with the Commission.
The above-said documents shall declare to whom winnings are
payable, in whose names the horses shall be run, and the name of the
licensed person who assumes all responsibilities as the owner. The
part owner of any horse shall not assign his share or any part of it
without the written consent of the other partners, and such consent
shall be filed with the Horsemen's Bookkeeper and the Commission. A
person or persons conducting racing operations as a corporation,
partnership, syndicate or other association or entity shall register the
information required by Rules in this Article and pay the required
fee(s) for the appropriate entity.

22. Stable Name Registration. A person or persons electing
to conduct racing operations by use of a stable name shall register the
stable name and shall pay the required fee.

A. The applicant must disclose the identity or identities of all persons comprising the stable name.

B. Changes in identities must be reported immediately to
and approval obtained from the Commission.

C. No person shall register more than one stable name at the
same time nor use his real name for racing purposes so long as he has a
registered stable name.

D. Any person who has registered under a stable name may
cancel the stable name after he has given written notice to the
Commission.

E. A stable name may be changed by registering a new
stable name and by paying the required Fee.

F. No person shall register a stable name which has been
registered by any other person with any organization conducting a
recognized race meeting.

G. A stable name shall be clearly distinguishable from that
of another registered stable name.

H. The stable name, and the name of the owner or
managing owner, shall be published in the official program. If the
stable name consists of more than one person, the official program will
list the name of the managing owner along with the phrase "et al."

I. If a partnership, corporation, syndicate, or other
association or entity is involved in the identity comprising a stable
name, the rules covering a partnership, corporation, syndicate or other
association or entity must be complied with and the usual fees paid
therefore in addition to the fees for the registration of a stable name.

23. Ownership Licensing Required. The ownership
licensing procedures required by the Commission must be completed
prior to the horse starting in a race and shall include all registrations,
statements and payment of fees.

24. Knowledge Of Rules. Every licensee, in order to
maintain their qualifications for any license held by them, shall be
familiar with and knowledgeable of the rules, including all
amendments. Every licensee is presumed to know the rules.

Utah Cherry Marketing Order

NOTICE OF PROPOSED RULE
(Repeal)
DAR FILE NO.: 40367
FILED: 04/29/2016

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The rule establishes a marketing order for sweet cherries. The industry has shrunk in Utah to no longer sustain a marketing order or board. As such, the remaining producers are now working with a national association to support their efforts and the local marketing order has become defunct.

SUMMARY OF THE RULE OR CHANGE: The proposed change is a complete repeal of the rule. There will no longer be a Marketing Order for Sweet Cherries when the rule takes effect.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Subsection 4-2-2(1)(e)

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: The repeal of this rule will disband the Sweet Cherry Marketing Board. As a result, the state will save on travel and per diem costs for the five-member board.
♦ LOCAL GOVERNMENTS: Local governments have no role in the administration or enforcement of this rule. Local governments will not be affected by the repeal of this rule.
♦ SMALL BUSINESSES: Cherry producers will no longer be obligated to pay $25 per ton for fresh cherries and $2 per ton for brine and frozen cherries.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: Cherry producers will no longer be obligated to pay $25 per ton for fresh cherries and $2 per ton for brine and frozen cherries.

COMPLIANCE COSTS FOR AFFECTED PERSONS: This is a repeal of the rule. There will be no cost to the producers as they will no longer be bound by the marketing order. The repeal of this rule will actually lead to a savings for the small businesses, businesses, and the state.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The repeal of this rule does away with the Utah Cherry Marketing Order.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The rule established the Utah Junior Livestock Show association. In this rule, the Association is given the authority to collect membership dues up to $25 an association.

SUMMARY OF THE RULE OR CHANGE: The rule change allows the Utah Jr. Livestock Show association to charge an annual membership fee of up to $50 a year. The association currently can charge up to $25 a year to cover the costs of the annual meeting, food for the meeting, mail costs, and any other minor expenses.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Subsection 4-2-2(1)(i)

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: The changes made to this rule will have no affect on the state budget. The increase in fees applies only to the members of the association.
♦ LOCAL GOVERNMENTS: Local governments are not affected by this rule because they have no jurisdiction over the Junior Livestock Show. The proposed changes to this rule will have no affect on local governments.
♦ SMALL BUSINESSES: Small businesses are not affected because the fee increase is only to members of the Junior Livestock Show in which there are no small businesses.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: The membership dues are paid by each member association and cannot be derived from funds provided through state appropriations. The membership dues generally come from fees, dues, or fundraising associated with each specific livestock show. Depending on how the association plans on paying, the higher fee will result in an impact to the participants of the show.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The new compliance costs will be up to $50. This will require an increase of the fees, dues, or fundraising efforts the associations currently have in place to cover the additional costs.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The increasing of the fees is a request by the Utah Junior Livestock Show Association. The request came through a unanimous resolution in the 2015 annual meeting. The rule change is coming at their request.

Quarantine Pertaining to Mint Wilt

NOTICE OF PROPOSED RULE
(Repeal)
DAR FILE NO.: 40365
FILED: 04/29/2016

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The rule establishes quarantine for mint wilt. The rule requires inspection to be done in order to protect the mint growers in the state from disease. However, the industry no longer feels it is necessary to continue with the quarantine and proposes a revocation of the rule.

SUMMARY OF THE RULE OR CHANGE: The proposed change is a complete repeal of the rule. There will no longer be a quarantine for mint coming or leaving the state.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 4-2-2

ANTICIPATED COST OR SAVINGS TO:
♦ SMALL BUSINESSES: The three mint growers in the state will receive a savings due to the revocation of the rule. The businesses will no longer have to expend the $2 per acre plus $10 application fee for root stock inspections. Further, due to the repeal of the rule, the businesses will no longer have to quarantine an entire field of crops, thus suffering tremendous financial losses, depending on the size of the field. Instead, the businesses will only have to remove the affected portions.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: As was stated previously, there will be a cost savings for the individuals involved in the growing of mint in the state due to the decrease in inspections costs and the savings due to not having to quarantine the whole crop but rather portions of the crop.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There will be no additional cost to affected persons. This is a repeal of the quarantine. As a result, there will be fewer restrictions on the people affected. This will lead to a cost savings.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: Inspections are not found to be effective. The cost of inspections does not bring in additional revenue with only three mint growers in the state. The removal of this rule eliminates the potential for catastrophic financial loss to industry that may result from non-aggressive strains of Verticillium Dahlia. Removal of the mint wilt quarantine will no longer require entire field crop loss that has no recoupment of financial loss when minimal damage occurs. This will allow industry to remove only what is affected by disease rather than the entire crop.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The Division and the Construction Services Commission are proposing amendments to clarify the supervision and code requirements for passive radon controls and radon mitigation work.

SUMMARY OF THE RULE OR CHANGE: In Section R156-55a-301, in B100 and R100 - this change allows B100 and R100 contractors to install passive radon controls in new construction without immediate supervision by a person who holds a Radon mitigation certificate. However, the installation must still comply with the building codes requirements for passive radon controls. In Section R156-55a-301, in S354 - the change requires radon mitigation work to be performed under immediate supervision of a person who holds a radon mitigation certificate. This is the same supervision that is already required for active radon mitigation work when performed by the B100 and R100 contractors classifications.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 58-55-101 and Subsection 58-1-106(1)(a) and Subsection 58-1-202(1)(a) and Subsection 58-55-102(39)(a) and Subsection 58-55-308(1)(a)

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: The Division will incur minimal costs of approximately $75 to print and distribute the rule once the proposed amendments are made effective. Any costs incurred will be absorbed in the Division's current budget.
♦ LOCAL GOVERNMENTS: The proposed amendments apply only to licensed contractors in classifications B100, R100, and S354 and applicants for licensure in those classifications. As a result, the proposed amendments do not apply to local governments.
♦ SMALL BUSINESSES: The proposed amendments may result in some added new construction to building owners and B100 and R100 contractors who choose to voluntarily install passive radon controls on new construction. Since installation of passive radon controls is voluntary and not required on new construction by code, it is impossible to determine the cost that may be voluntarily incurred. These persons may choose to incur this voluntary expense because of savings that may result in the future. This change may increase cost for some S354 contractors who are not already having radon mitigation work performed under the immediate supervision of a certified radon person. It is impossible to determine how often this is occurring. Therefore, it is therefore impossible to determine the additional costs that may result.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: It is impossible, prior to new construction being completed, to determine if a building will ultimately have excessive levels of radon that may need mitigation work completed. As a result, the building codes do not require radon controls to be installed on new construction. However, passive radon control can be installed on new construction as a preventive measure with minor additional costs to the new construction. If these passive radon controls are not installed and it ultimately turns out that the building needs radon mitigation, the cost to the building owner for radon mitigation retrofitting could be substantially higher than if preventive measures were taken during initial construction. As the result of this rule change, more homeowners and their contractors may voluntarily choose to incur some additional up front costs of construction in order to save potentially more costly radon mitigation work later on. It is therefore impossible to determine the costs or savings that may result from this rule change but leaves the risk/reward analysis up to the homeowner and their contractors to decide.

COMPLIANCE COSTS FOR AFFECTED PERSONS: It is impossible, prior to new construction being completed, to determine if a building will ultimately have excessive levels of radon that may need mitigation work completed. As a result, the building codes do not require radon controls to be installed on new construction. However, passive radon control can be installed on new construction as a preventive measure with minor additional costs to the new construction. If these passive radon controls are not installed and it ultimately turns out that the building needs radon mitigation, the cost to the building owner for radon mitigation retrofitting could be substantially higher than if preventive measures were taken during initial construction. It is therefore impossible to determine the costs or savings that may result from this rule change but leaves the risk/reward analysis up to the homeowner and their contractors to decide.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: This rule change allows B100 and R100 contractors to install passive radon controls in new construction without the...
supervision of a person who holds a radon mitigation certificate. The rule change also requires radon mitigation work to be performed under the supervision of a person who holds a radon mitigation certificate. This rule change may impact contractors and building owners if building owners choose to install radon controls in new construction. However, such installation is not mandatory. Additionally, the change may impact contractors who are not already performing radon mitigation work under a certified person’s supervision, and must now be so supervised.

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: There is no impact to the state budget because funding for this coverage is 100% federal match.
♦ LOCAL GOVERNMENTS: There is no impact to local governments because they neither fund nor make Medicaid eligibility determinations.
♦ SMALL BUSINESSES: Small businesses may see a nominal increase in annual revenue, but there is no data to estimate a total amount.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: Medicaid providers may see a nominal increase in annual revenue, but there is no data to estimate a total amount. A Medicaid recipient who qualifies under this provision may also see minimal out-of-pocket savings, but there is no data to estimate how much those savings would be.

Health, Health Care Financing, Coverage and Reimbursement Policy R414-304
Income and Budgeting
The eligibility agency may not count as income Social Security disability benefits, Social Security retirement benefits, Social Security survivors benefits, workers' compensation benefits, Veterans payments, and in-kind support and maintenance is the difference between the prorated share of household operating expenses and the amount the client, or the client and spouse actually pay, or the presumed maximum value, whichever is less.

12. Payments under a contract that provide for payments at set intervals or after completion of the contract period are not lump sum payments. The payments are subject to regular income counting rules. Retroactive payments from SSI and SSA reimbursements of Medicare premiums are not lump sum payments.

13. The eligibility agency may not count as income educational loans, grants, and scholarships received from Title IV programs of the Higher Education Act or from Bureau of Indian Affairs educational programs, and may not count any other grants, scholarships, fellowships, or gifts that a client uses to pay for education. The eligibility agency shall count as income, in the month that the client receives them, any amount of grants, scholarships, fellowships, or gifts that the client uses to pay for non-educational expenses. Allowable educational expenses include:

(a) tuition;
(b) fees;
(c) books;
(d) equipment;
(e) special clothing needed for classes;
(f) travel to and from school at a rate of 21 cents a mile, unless the grant identifies a larger amount; and
(g) child care necessary for school attendance.

The eligibility agency may count as income the portion of a VA payment that an individual receives because of unusual medical expenses. Other VA income based on need is countable income, but is not subject to the $20 general income disregard.

The eligibility agency may not count as income the value of special circumstance items if the items are paid for by donors.

For aged, blind and disabled Medicaid, the eligibility agency shall count as income two-thirds of current child support that an individual receives in a month for the disabled child. It does not matter if the payments are voluntary or court-ordered. It does not matter if the child support is received in cash or in-kind. If there is more than one child for whom the payment is made, the amount is divided equally among the children unless a court order indicates a different division.

7. The eligibility agency shall count as income of the child, child support payments received from a parent or guardian for past months or years.

8. The agency shall use countable income of the parent to determine the amount of income that will be deemed from the parent to the child to determine the child's eligibility.

9. For aged, blind and disabled Institutional Medicaid, court-ordered child support payments collected by the Office of Recovery Services (ORS) for a child who resides out-of-home in a Medicaid 24-hour care facility are not counted as income to the child. If ORS allows the parent to retain up to the amount of the personal needs allowance for the child's personal needs, that amount is counted as income for the child. All other current child support payments received by the child or guardian that are not subject to collection by ORS count as unearned income to the child.

10. The eligibility agency shall count as unearned income the interest earned from a sales contract on either or both the lump sum and installment payments when the interest is received or made available to the client.

11. If the client, or the client and spouse do not live with an in-kind support donor, in-kind support and maintenance is the lesser of the value or the presumed maximum value of food or shelter received. If the client, or the client and spouse live with an in-kind support donor and do not pay a prorated share of household operating expenses, in-kind support and maintenance is the difference between the prorated share of household operating expenses and the amount the client, or the client and spouse actually pay, or the presumed maximum value, whichever is less.

12. Payments under a contract that provide for payments at set intervals or after completion of the contract period are not lump sum payments. The payments are subject to regular income counting rules. Retroactive payments from SSI and SSA reimbursements of Medicare premiums are not lump sum payments.

13. The eligibility agency may not count as income educational loans, grants, and scholarships received from Title IV programs of the Higher Education Act or from Bureau of Indian Affairs educational programs, and may not count any other grants, scholarships, fellowships, or gifts that a client uses to pay for education. The eligibility agency shall count as income, in the month that the client receives them, any amount of grants, scholarships, fellowships, or gifts that the client uses to pay for non-educational expenses. Allowable educational expenses include:

(a) tuition;
(b) fees;
(c) books;
(d) equipment;
(e) special clothing needed for classes;
(f) travel to and from school at a rate of 21 cents a mile, unless the grant identifies a larger amount; and
(g) child care necessary for school attendance.
(14) The eligibility agency may not count as income, payments from a qualified long-term care insurance partnership plan as defined in 42 U.S.C. 1396p(b)(1)(C)(iii), paid directly to a long-term care provider or collected by the Office of Recovery Services as a third-party liability source.

(15) Except for an individual eligible for the Medicaid Work Incentive (MWI) program, the following provisions apply to non-institutional medical assistance:

(a) For aged, blind and disabled Medicaid, the eligibility agency may not count income of a spouse or a parent to determine Medicaid eligibility of a person who receives SSI or meets 1619(b) criteria. SSI recipients and 1619(b) status individuals who meet all other Medicaid eligibility factors are eligible for Medicaid without spending down.

(b) If an ineligible spouse of an aged, blind or disabled person has more income after deductions than the allocation for a spouse, the eligibility agency shall deem the spouse's income to the aged, blind or disabled spouse to determine eligibility.

(c) The eligibility agency shall determine household size and whose income counts for aged, blind and disabled Medicaid as described below:

(i) If only one spouse is aged, blind or disabled:
   (A) The eligibility agency shall deem income of the ineligible spouse to the eligible spouse when that income exceeds the allocation for a spouse. The eligibility agency shall compare the combined income to 100% of the federal poverty guideline for a two-person household. If the combined income exceeds that amount, the eligibility agency shall compare the combined income, after allowable deductions, to the BMS for two to calculate the spenddown.
   (B) If the ineligible spouse's income does not exceed the allocation for a spouse, the eligibility agency may not count the ineligible spouse's income and may not include the eligible spouse in the household size. Only the eligible spouse's income is compared to 100% of the federal poverty guideline for one. If the income exceeds that amount, it is compared, after allowable deductions, to the BMS for one to calculate the spenddown.

(ii) If both spouses are either aged, blind or disabled, the eligibility agency shall combine the income of both spouses and compare to 100% of the federal poverty guideline for a two-person household. SSI income is not counted.
   (A) If the combined income exceeds that amount and one spouse receives SSI, the eligibility agency may only compare the income of the non-SSI spouse, after allowable deductions, to the BMS for a one-person household to calculate the spenddown.
   (B) If neither spouse receives SSI and their combined income exceeds 100% of the federal poverty guideline, the eligibility agency shall compare the income of both spouses, after allowable deductions, to the BMS for a two-person household to calculate the spenddown.
   (C) If neither spouse receives SSI and only one spouse will be covered under the applicable program, the eligibility agency shall deem income of the non-covered spouse to the covered spouse when that income exceeds the spousal allocation. If the non-covered spouse's income does not exceed the spousal allocation, the eligibility agency may only count the covered spouse's income. In both cases, the countable income is compared to 100% of the two-person poverty guideline. If the countable income exceeds the limit, the eligibility agency shall compare the income, after allowable deductions, to the BMS.

(I) If the non-covered spouse has income to deem to the covered spouse, the eligibility agency shall compare the countable income, after allowable deductions, to a two-person BMS to calculate a spenddown.

(II) If the non-covered spouse does not have income to deem to the covered spouse, the eligibility agency may only compare the covered spouse's income, after allowable deductions, to a one-person BMS to calculate the spenddown.

(ii) If one spouse is disabled and working, the other is aged, blind or disabled and not working, and neither spouse is an SSI recipient nor a 1619(b) eligible individual, the working disabled spouse may choose to receive coverage under the MWI program. If both spouses want coverage, however, the eligibility agency shall first determine eligibility for them as a couple. If a spenddown is owed for them as a couple, they must meet the spenddown to receive coverage for both of them.

(d) Except when determining countable income for the 100% poverty-related Aged and Disabled Medicaid programs, the eligibility agency shall not deem income from a spouse who meets 1619(b) protected group criteria.

(e) The eligibility agency shall determine household size and whose income counts for QMB, SLMB, and QI assistance as described below:

(i) If both spouses receive Part A Medicare and both want coverage, the eligibility agency shall combine income of both spouses and compare it to the applicable percentage of the poverty guideline for a two-person household.

(ii) If one spouse receives Part A Medicare and the other is aged, blind or disabled and does not receive Part A Medicare or does not want coverage, then the eligibility agency shall deem income of the ineligible spouse to the eligible spouse when that income exceeds the allocation for a spouse. If the income of the ineligible spouse does not exceed the allocation for a spouse, then only the income of the eligible spouse is counted. In both cases, the eligibility agency shall compare the countable income to the applicable percentage of the federal poverty guideline for a two-person household.

(iii) If one spouse receives Part A Medicare and the other spouse is not aged, blind or disabled, the eligibility agency shall deem income of the ineligible spouse to the eligible spouse when that income exceeds the allocation for a spouse. The agency shall combine countable income to the applicable percentage of the federal poverty guideline for a two-person household. If the deemed income of the ineligible spouse does not exceed the allocation for a spouse, only the eligible spouse's income is counted and compared to the applicable percentage of the poverty guideline for a one-person household.
(iv) The eligibility agency may not countSSI income to determine eligibility for QMB, SLMB or QI assistance.

(f) If any parent in the home receives SSI or is eligible for 1619(b) protected group coverage, the eligibility agency may not count the income of either parent to determine a child's eligibility for B or D Medicaid.

(g) Payments for providing foster care to a child are countable income. The portion of the payment that represents a reimbursement for the expenses related to providing foster care is not countable income.

(16) For Institutional Medicaid, the eligibility agency may only count the client in the household size. Only the client's income and deemed income from an alien client's sponsor is counted to determine the cost of care contribution. The provisions in Rule R414-307 govern who to include in the household size and whose income is counted to determine eligibility for home and community-based waiver services and the cost-of-care contribution.

(17) The eligibility agency shall deem and count as unearned income, both any unearned and earned income from an alien's sponsor and the sponsor's spouse when the sponsor signs an Affidavit of Support pursuant to Section 213A of the Immigration and Nationality Act after December 18, 1997.

(a) The eligibility agency shall end sponsor deeming when the alien becomes a naturalized United States (U.S.) citizen, or has worked 40 qualifying quarters as defined under Title II of the Social Security Act, or can be credited with 40 qualifying work quarters. After December 31, 1996, a creditable qualifying work quarter is one during which the alien did not receive any federal means-tested public benefit.

(b) The eligibility agency may not apply sponsor deeming to applicants or recipients who are eligible for Medicaid for emergency services only, or who are eligible for Medicaid as described in Subsection R414-302-3(2).

(18) If retirement income has been divided between divorced spouses by the divorce decree pursuant to a Qualified Domestic Relations Order, the eligibility agency may only count as income the amount that is paid to the individual.

(20) The eligibility agency may not count as income any federal tax refund and refundable credit that an individual receives in accordance with the requirements of Sec. 6409, Pub. L. 112 240.

(21) The eligibility agency may not count income that is derived from an ownership interest in certain property and rights of federally-recognized American Indians and Alaska Natives including:

(a) certain tribal lands held in trust which are located on or near a reservation, or allotted lands located on a previous reservation;

(b) ownership interests in rents, leases, royalties, or usage rights related to natural resources that include extraction of natural resources; and

(c) ownership interests and usage rights in personal property which has unique religious, spiritual, traditional, or cultural significance, and rights that support subsistence or traditional lifestyles, as defined in Section 5006(b)(1) of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115.

(22) The eligibility agency may not count as income payments from the Department of Workforce Services under the Family Employment program, the General Assistance program, or the Refugee Cash Assistance program.

(2) The eligibility agency may not count as income money loaned to the individual if the individual proves the money is from a loan that the individual is expected to repay.

(3) The eligibility agency may not count as income support and maintenance assistance provided in-kind by a non-profit organization certified by the Department of Human Services.

(4) The eligibility agency may not count as income the value of food stamp assistance, USDA food donations or WIC vouchers received by members of the household.

(5) The eligibility agency may not count income that is received too irregularly or infrequently to count as regular income, such as cash gifts, up to $30 a calendar quarter per household member. Any amount that exceeds $30 a calendar quarter per household member counts as income when received. Irregular or infrequent income may be divided equally among all members of the household.

(6) The eligibility agency may not count as income the amount deducted from benefit income to repay an overpayment.

(7) The eligibility agency may not count as income the value of special circumstance items paid for by donors.

(8) The eligibility agency may not count as income payments for home energy assistance.

(9) The eligibility agency may not count payments from any source that are to repair or replace lost, stolen or damaged exempt property. If the payments include an amount for temporary housing, the eligibility agency may only count the amount that the client does not intend to use or that is more than what is needed for temporary housing.

(10) The eligibility agency may not count as income SSA reimbursements of Medicare premiums.

(11) The eligibility agency may not count as income payments from the Department of Workforce Services under the Family Employment program, the General Assistance program, and the Refugee Cash Assistance program. To determine eligibility for medically needy Medicaid, the eligibility agency shall count income that the client receives to determine the amount of these payments, unless the income is an excluded income for medical assistance programs under other laws or regulations.

(12) The eligibility agency may not count as income interest or dividends earned on countable resources. The eligibility agency may not count as income interest or dividends earned on resources that are specifically excluded by federal laws from being counted as available resources to determine eligibility for federally-funded, means-tested medical assistance programs, other than resources excluded by 42 U.S.C. 1382b(a).
(13) The eligibility agency may not count as income the increase in pay for a member of the armed forces that is called "hostile fire pay" or "imminent danger pay," which is compensation for active military duty in a combat zone.

(14) The eligibility agency shall count as income SSI and State Supplemental payments received by children who are included in the coverage under medically needy Medicaid programs for families, pregnant women and children.

(15) The eligibility agency shall count unearned rental income. The eligibility agency shall deduct $30 a month from the rental income. If the amount charged for the rental is consistent with community standards, the eligibility agency shall deduct the greater of either $30 or the following actual expenses that the client can verify:
   (a) taxes and attorney fees needed to make the income available;
   (b) upkeep and repair costs necessary to maintain the current value of the property, including utility costs paid by the applicant or recipient;
   (c) interest paid on a loan or mortgage made for upkeep or repair; and
   (d) the value of a one-person food stamp allotment, if meals are provided to a boarder.

(16) The eligibility agency shall count deferred income when the client receives the income, the client does not defer the income by choice, and the client reasonably expects to receive the income. If the client defers the income by choice, the agency shall count the income according to when the client could receive the income. The eligibility agency shall count as income the amount deducted from income to pay for benefits like health insurance, medical expenses or child care in the month that the client could receive the income.

(17) The eligibility agency shall count the amount deducted from income to pay an obligation of child support, alimony or debts in the month that the client could receive the income.

(18) The eligibility agency shall count payments from trust funds as income in the month the payment is received by the individual or made available for the individual's use.

(19) The eligibility agency may only count as income the portion of a VA check to which the individual is legally entitled.

(20) The eligibility agency shall count as income deposits to financial accounts jointly-owned between the client and one or more other individuals, even if the deposits are made by a non-household member. If the client disputes ownership of the deposits and provides adequate proof that the deposits do not represent income to the client, the eligibility agency may not count those funds as income. The eligibility agency may require the client to terminate access to the jointly-held accounts.

(21) The eligibility agency shall count as unearned income the interest earned from a sales contract on lump sum payments and installment payments when the interest payment is received by or made available to the client.

(22) The eligibility agency shall count current child support payments as income to the child for whom the payments are being made. If a payment is for more than one child, the agency shall divide that amount equally among the children unless a court order indicates otherwise. Child support payments received by a parent or guardian to repay amounts owed for past months or years are countable income to determine eligibility of the parent or guardian who receives the payments. If ORS collects current child support, the eligibility agency shall count the child support as current even if ORS mails the payment to the client after the month it is collected.

(23) The eligibility agency shall count payments from annuities as unearned income in the month that the client receives the payments.

(24) If retirement income has been divided between divorced spouses by the divorce decree pursuant to a Qualified Domestic Relations Order, the eligibility agency may only count the amount paid to the individual.

(25) The eligibility agency shall deem, and count as unearned income, both unearned and earned income from an alien's sponsor, and the sponsor's spouse, if any, when the sponsor has signed an Affidavit of Support pursuant to Section 213A of the Immigration and Nationality Act after December 18, 1997.

(a) The eligibility agency shall stop deeming income from a sponsor when the alien becomes a naturalized U.S. citizen, or has worked 40 qualifying quarters as defined under Title II of the Social Security Act or can be credited with 40 qualifying work quarters. After December 31, 1996, a creditable qualifying work quarter is one during which the alien did not receive any federal means-tested public benefit.

(b) The eligibility agency may not apply sponsor deeming to applicants or recipients who are eligible for emergency services only, or who are eligible for Medicaid as described in Subsection R414-302-3(2).

(27) The eligibility agency may not count as income any federal tax refund and refundable credit that an individual receives in accordance with the requirements of Sec. 6409 of the American Taxpayer Relief Act of 2012, Pub. L. No. 112 240, 126, Stat. 2313.

(28) The eligibility agency may not count income that is derived from an ownership interest in certain property and rights of federally-recognized American Indians and Alaska Natives including:
   (a) certain tribal lands held in trust which are located on or near a reservation, or allotted lands located on a previous reservation;
   (b) ownership interests in rents, leases, royalties, or usage rights related to natural resources that include extraction of natural resources; and
   (c) ownership interests and usage rights in personal property which has unique religious, spiritual, traditional, or cultural significance, and rights that support subsistence or traditional lifestyles, as defined in Section 5006(b)(1) of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115.

ANTICIPATED COST OR SAVINGS TO:  
♦ THE STATE BUDGET: There is no impact to the state budget because this amendment neither affects Medicaid services nor the number of individuals who become eligible for Medicaid. It does not affect current or future appropriations for eligibility in Medicaid programs.  
♦ LOCAL GOVERNMENTS: There is no impact to local governments because they neither fund nor make eligibility determinations for Medicaid programs.  
♦ SMALL BUSINESSES: There is no impact to small businesses because this amendment neither affects Medicaid services nor the number of individuals who become eligible for Medicaid.

R414-305. Resources.  

(1) To determine resource eligibility of an individual on the basis of being aged, blind or disabled, the Department adopts and incorporates by reference 42 CFR 435.840, 435.845, October 1, 2012 ed., and 20 CFR 416.1201, 416.1202, 416.1205 through 416.1224, 416.1229 through 416.1239, and 416.1247 through 416.1250, April 1, 2012 ed. The Department also adopts and incorporates by reference Section 1917(b), (d), (e), (f) and (g) of the Compilation of the Social Security Laws in effect January 1, 2013. The eligibility agency may not count as an available resource any assets that are prohibited under other federal laws from being counted as a resource to determine eligibility for federally-funded medical assistance programs. In addition, the eligibility agency applies the following rules.  

(2) A resource is available when the individual owns it or has the legal right to sell or dispose of the resource for the individual's own benefit.
(3) Except for the Medicaid Work Incentive Program, the resource limit for aged, blind or disabled Medicaid is $2,000 for a one-person household and $3,000 for a two-person household.

(4) For an individual who meets the criteria for the Medicaid Work Incentive Program, the resource limit is $15,000. This limit applies whether the household size is one or more than one.

(5) The eligibility agency shall base non-institutional and institutional Medicaid eligibility on all available resources owned by the individual, or considered available to the individual from a spouse or parent. The eligibility agency may not grant eligibility based upon the individual's intent to or action of disposing of non-liquid resources as described in 20 CFR 416.1240, April 1, 2012 ed., unless Social Security is excluding the resources for an SSI recipient while the recipient takes steps to dispose of the excess resources.

(6) The eligibility agency may not count any resource or the interest from a resource held within the rules of the Uniform Transfers to Minors Act. Any money from the resource that is given to the child as unearned income is a countable resource that begins the month after the child receives it.

(7) The eligibility agency shall count the resources of a ward that are controlled by a legal guardian as the ward's resources.

(8) The eligibility agency may not count lump sum payments that an individual receives on a sales contract for the sale of an exempt home if the entire proceeds are used to purchase a new exempt home within three calendar months of when the property is sold. The eligibility agency shall grant the individual one three-month extension if more than three months is needed to complete the actual purchase. Proceeds are defined as all payments made on the principal of the contract. Proceeds do not include interest earned on the principal.

(9) If a resource is available, but a legal impediment exists, the eligibility agency may not count the resource until it becomes available. The individual must take appropriate steps to make the resource available unless one of the following conditions as determined by a person with established expertise relevant to the resource exists:

(a) Reasonable action does not allow the resource to become available; and

(b) The cost of making the resource available exceeds its value.

(10) Water rights attached to the home and the lot on which the home sits are exempt as long as the home is the individual's principal place of residence.

(11) For an institutionalized individual, the eligibility agency may not consider a home or life estate to be an exempt resource.

(12) To determine eligibility for nursing facility or other long-term care services, the eligibility agency shall exclude the value of the individual's principal home or life estate from countable resources if one of the following conditions is met:

(a) the individual intends to return to the home;

(b) the individual's spouse resides in the home;

(c) the individual's child who is under the age of 21, or who is blind or permanently disabled resides in the home; or

(d) a reliant relative of the individual resides in the home.

(13) Even if the conditions in Subsection R414-305-3(12) are met, an individual is ineligible to receive nursing facility services or other long-term care services if the full equity value of the individual's home or life estate exceeds $500,000, or increased value according to the provisions of 42 U.S.C. 1396p(f)(1)(C) unless the individual's spouse, or the individual's child who is under the age of 21 or is blind or permanently disabled lawfully resides in the home. The individual may only qualify for Medicaid to cover ancillary services.

(14) For Aged, Blind and Disabled Medicaid, the eligibility agency may not count up to $6,000 of equity value of non-business property used to produce goods or services essential to home use daily activities.

(15) The eligibility agency may retroactively designate for burial a previously unreported resource that meets the criteria for burial funds found in 20 CFR 416.1231. The effective date of the exclusion cannot be earlier than the first day of the month after the month in which the funds were designated for burial or intended for burial, were separated from non-burial funds, and the client was eligible for Medicaid. The eligibility agency shall treat the resources as funds set aside for burial and the amount exempted cannot exceed the limit established for the SSI program.

(16) One vehicle is exempt if it is used for regular transportation needs of the individual or a household member.

(17) The eligibility agency may not count resources of an SSI recipient who has a plan for achieving self-support approved by the Social Security Administration when the resources are set aside under the plan to purchase work-related equipment or meet self-support goals.

(18) The eligibility agency may not count an irrevocable burial trust as a resource. Nevertheless, if the owner is institutionalized or on home and community-based waiver Medicaid, the value of the trust, which exceeds $7,000, is considered a transferred resource.

(19) The eligibility agency may not count business resources that are required for employment or self-employment.

(20) For the Medicaid Work Incentive Program, the eligibility agency may not count the following additional resources of the eligible individual:

(a) Retirement funds held in an employer or union pension plan, retirement plan or account, including 401(k) plans, or an Individual Retirement Account, even if the funds are available to the individual.

(b) A second vehicle when it is used by a spouse or child of the eligible individual living in the household to get to work.

(21) After qualifying for the Medicaid Work Incentive Program, the eligibility agency may not count the resources described in Subsection R414-305-3(20) to allow the individual to qualify for other Medicaid programs for the aged, blind or disabled, and not solely the Medicaid Work Incentive, even if the individual ceases to have earned income or no longer meets the criteria for the Work Incentive Program.

(22) Assets of an alien's sponsor, and the sponsor's spouse, if any, when the sponsor has signed an Affidavit of Support pursuant to Section 213A of the Immigration and Nationality Act after December 18, 1997, are considered available to the alien. The eligibility agency shall stop counting assets from a sponsor when the alien becomes a naturalized United States (U.S.) citizen, or has worked 40 qualifying quarters as defined under Title II of the Social Security Act or can be credited with 40 qualifying work quarters. After December 31, 1996, a creditable qualifying work quarter is one during which the alien did not receive any federal means-tested public benefit.

(23) The eligibility agency shall not consider a sponsor's assets as being available to applicants who are eligible for Medicaid for emergency services only.
(24) The eligibility agency may not count as a resource any federal tax refund and refundable credit that an individual receives for 12 months after the month of receipt.

(25) The eligibility agency may not count as a resource, for one year after the date of receipt, any payments that an individual receives under the Individual Indian Money Account Litigation Settlement under the Claims Resettlement Act of 2010, Pub. L. No. 111 291, 124 Stat. 3064.

(26) The eligibility agency may not count certain property and rights of federally-recognized American Indians including certain tribal lands held in trust which are located on or near a reservation, or allotted lands located on a previous reservation; ownership interests in rents, leases, royalties or usage rights related to natural resources (including extraction of natural resources); and ownership interests and usage rights in personal property which has unique religious, spiritual, traditional or cultural significance, and rights that support subsistence or traditional lifestyles, as defined in Section 5006(b)(1) of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115.

(27) The eligibility agency shall not count as a resource a qualified Achieving a Better Life Experience (ABLE) account.

(28)[2] The eligibility agency shall count only the portion of an asset such as a retirement plan that is legally available to an individual when that asset has been divided between two divorced spouses pursuant to a qualified domestic relations order.

(29)[8] Under the authority of Subsection 1902(r)(2) of the Social Security Act, to determine an individual's eligibility for Medicaid for long-term care services, the Department disregards otherwise countable assets or resources in an amount equal to the insurance benefit payments made to or on behalf of an individual who is a beneficiary under a qualified long-term care insurance partnership policy that meets the provisions found in 42 U.S.C. 1396p(b)(1)(C) (i) Subsection 1902(a)(10)(A)(i)(V) of the Social Security Act; or

(b) The Department treats payments received after eligibility for long-term care services as a third-party liability that does not result in the disregard of additional resources.

(c) Assets disregarded under Subsection R414-305-3(28) are not subject to estate recovery authorized under Section 26-19-13, with the exception defined below in Subsection R414-305-3(28)(e).

(d) This disregard is not specific to any one asset. Any countable assets the individual owns or that are deemed available to the client are subject to the provisions defined in Section R414-305-9 regarding transfers of assets. The Department shall apply a penalty period or an overpayment proceeding for any transfer of assets for less than fair market value. In the event the Department learns of an asset transfer at the time of an estate recovery action for which a penalty period is not assessed or an overpayment is not collected, the Department shall reduce the amount of assets in the estate that could otherwise be excluded from the estate recovery requirements by the value of the assets transferred for less than fair market value. The Department may also take legal steps to recover assets transferred for less than fair market value.

(e) Home equity in excess of the standard described in Subsection R414-305-3(13) is not a countable resource, so this disregard does not affect the application of Subsection R414-305-3(13).

(f) The Department recognizes long-term care insurance partnership policies purchased in other states under the reciprocity requirements of the statute. The beneficiary of the policy must have been a resident in a partnership state when coverage first became effective under the policy.

(30)[29] Life estates.

(a) For non-institutional Medicaid, the eligibility agency shall count life estates as resources only when a market exists for the sale of the life estate as established by knowledgeable sources.

(b) For Institutional Medicaid, the eligibility agency shall count life estates even if no market exists for the sale of the life estate, unless the life estate can be excluded as defined in Subsection R414-305-3(12).

(c) The individual may dispute the value of the life estate by verifying the property value to be less than the established value or by submitting proof based on the age and life expectancy of the life estate owner that the value of the life estate is lower. The value of a life estate shall be based upon the age of the individual and the current market value of the property.

(d) The following table lists the life estate figure corresponding to the individual's age. The eligibility agency uses this figure to establish the value of a life estate:

NOTICES OF PROPOSED RULES

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of this change is to update the annual assessment amounts for nursing care facilities and Intermediate Care Facilities for Persons with Intellectual Disabilities (ICFs/ID) for State Fiscal Year (SFY) 2017. SUMMARY OF THE RULE OR CHANGE: In Subsection R414-401-3(2), every nursing facility is assessed at the uniform rate of $18.74 per patient day, which is an increase from the previous $18.32 per patient day assessment, based upon projected days. In Subsection R414-401-3(2), ICFs/ID are assessed at the uniform rate of $8.45 per patient day, which is a decrease from the previous $8.46 per patient day assessment, based upon projected days. These updates are based on estimates of patient days for SFY 2017 and the appropriation amounts.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 26-18-3

ANTICIPATED COST OR SAVINGS TO:
♦ THE STATE BUDGET: The update to the assessment rates is anticipated to be budget neutral as it updates the collection rate based on projected days in SFY 2017 and the appropriation amount.
♦ LOCAL GOVERNMENTS: Inasmuch as swing beds are variable, it is not possible to determine the cost or savings to local hospital and swing bed facilities.
♦ SMALL BUSINESSES: Medicaid nursing facility providers will realize an increase in cost to non-Medicaid certified facilities as those facilities would be assessed at the higher amount and would not realize any payments from Medicaid.

KEY: Medicaid, resources

RULE ANALYSIS

STANDARD FORM FOR NOTICE OF PROPOSED RULE

DAR File No. 40373
Inasmuch as patient days are variable, it is not possible to determine the increased cost that will be realized by these facilities. ICFs/ID will realize a decreased cost based upon the decrease in the assessment rate. Inasmuch as patient days are variable, it is not possible to determine the decreased cost that will be realized by these facilities.

♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: Medicaid nursing facility providers will realize an increase in cost to non-Medicaid certified facilities as those facilities would be assessed at the higher amount and would not realize any payments from Medicaid. Inasmuch as patient days are variable, it is not possible to determine the increased cost that will be realized by these facilities. ICFs/ID will realize a decreased cost based upon the decrease in the assessment rate. Inasmuch as patient days are variable, it is not possible to determine the decreased cost that will be realized by these facilities.

COMPLIANCE COSTS FOR AFFECTED PERSONS:
Compliance costs include an increased collection of $0.76 per non-Medicare patient day from each nursing facility and a decreased cost of $0.01 per qualifying patient day for the ICF/ID providers. The assessment monies are used to draw down federal matching funds that result in higher reimbursement rates than would be possible without the assessment monies. All Medicaid certified nursing and swing bed facilities have benefited from this process. The amount of overall gain or loss depends on the number of Medicaid patients in the facility. In addition, there would be an increase in cost to non-Medicaid-certified facilities as those facilities would be assessed the higher amount and would not realize any payments from Medicaid.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES:
This amendment will fiscally impact business because it increases the assessment rates for some types of nursing facilities and decreases assessment rates for others. While the individual per patient day assessment changes are small, an exact calculation of the impact on business is not possible because the number of days for individual patients is widely variable.

RULE ANALYSIS
PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of this amendment is to clarify the rule regarding leave.

SUMMARY OF THE RULE OR CHANGE: This amendment modifies language to clarify existing rules; expands on Section R477-7-10 to include provisions for part-time employees receiving military leave; and removes four-month provisions from Sections R477-7-16 and R477-7-17 to better align with Subsection R477-7-1(9).

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 67-19-6

ANTICIPATED COST OR SAVINGS TO:

♦ LOCAL GOVERNMENTS: This rule only affects the executive branch of state government and will have no impact on local government.
♦ SMALL BUSINESSES: This rule only affects the executive branch of state government and will have no impact on small businesses.
♦ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: This rule only affects the executive branch of state government and will have no impact on other persons. This rule has no financial impact on state employees.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There is no direct compliance cost for these amendments. This rule only affects the executive branch of state government and will have no impact on other persons. This rule has no financial impact on state employees.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: Rules published by the Department of Human Resource Management (DHRM) have no direct affect on businesses or any entity outside state government. DHRM has authority to write rules only to the extent allowed by the "Utah Personnel Management Act", Title 67, Chapter 19. This act limits the provisions of career service and these rules to employees of the executive branch of state government. Utah Consumer Sales Practices Act

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: As noted previously, DCP is required by statute to maintain rules of this nature. The "Utah Consumer Sales Practices Act" (CSPA) allows DCP to investigate and enforce Section 13-11-4 against those who engage in deceptive acts. Certain deceptive acts are delineated in the CSPA, but the rule allows DCP to further define specific violations of deceptive acts. DCP uses the statutorily mandated Rule R152-11 on a daily basis to help protect consumers from deceptive acts. Rule R152-11 is effective at targeting commonly complained of deceptive behavior. Without Rule R152-11, DCP would not be as effective at deterring deceptive acts or practices. This, along with the requirement to have substantive rules establishing deceptive acts or practices, justifies the continuance of this rule as implemented.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: The Division of Consumer Protection (DCP) is required by statute to maintain rules of this nature. The "Telephone Fraud Prevention Act" (TFPA) allows DCP to investigate and enforce Section 13-26-3 against those who engage in telephone soliciting businesses. Certain telephone soliciting acts are delineated in the TFPA, but the rule allows DCP to further define specific violations of telephone soliciting acts. DCP uses the statutorily mandated Rule R152-26 on a daily basis to help protect consumers from telephone soliciting acts. Rule R152-26 is effective at targeting commonly complained of telephone soliciting behavior. Without Rule R152-26, DCP would not be as effective at deterring telephone soliciting acts or practices. requirements of the Telephone Fraud Prevention Act (TFPA) and is, therefore, authorized by statute. Further, the establishing statute of DCP provides the director with authority to issue rules to administer and enforce the chapters listed in Section 13-2-1. One of the chapters listed is the TFPA.

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: DCP is not aware of any written comments regarding the rules. The interpretation of this rule is at times the subject of informal proceedings before DCP.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: Rule R152-26 assists DCP in administering the TFPA, especially with regard to the statutory requirement for telephone soliciting businesses to register with DCP. This rule provides important clarification to the public about registration under the TFPA. For instance, the rule clarifies that a registration may be denied if the registrant has committed violations of law set forth in Section 13-26-11. It also sets forth the circumstances under which the Division may make a demand on a bond, irrevocable letter of credit, or certificate of deposit. This rule continues to be of practical importance in administering the TFPA's registration and is used on a regular basis. Therefore, this rule should be continued.

CONCISE EXPLANATION OF THE PARTICULAR STATUTORY PROVISIONS UNDER WHICH THE RULE IS ENACTED AND HOW THESE PROVISIONS AUTHORIZE OR REQUIRE THE RULE: Title 58, Chapter 9, provides for the licensure of funeral service directors, funeral service interns, funeral service establishments, and preneed funeral arrangement sales agents. Subsection 58-1-106(1)(a) provides that the Division may adopt and enforce rules to administer Title 58. Subsection 58-9-201(3)(a) provides that the Funeral Service Board's duties and responsibilities shall be in accordance with Section 58-1-202. Subsection 58-1-202(1)(a) provides that one of the duties of each board is to recommend appropriate rules to the Division director. This rule was enacted to clarify the provisions of Title 58, Chapter 9, with respect to funeral service directors, funeral service interns, funeral service establishments, and preneed funeral arrangement sales agents.

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: Since the rule was last reviewed in September 2011, it has been amended two times. The Division received a 05/30/2012, email from Ralph Oakeson in which he supported the proposed amendments, which were filed under DAR No. 36117.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: This rule should be continued as it provides a mechanism to inform potential licensees of the requirements for licensure as allowed under statutory authority provided in Title 58, Chapter 9, with respect to funeral service directors, funeral service interns, funeral service establishments, and preneed funeral arrangement sales agents. The rule should also be continued as it provides information to ensure applicants for licensure are adequately trained and meet minimum licensure requirements and provides licensees with information concerning unprofessional conduct, definitions, and ethical standards relating to the profession.

OR REQUIRE THE RULE: The purpose of this rule is to outline the operation of the committee and procedures whereby the committee shall award funds to Public Safety Answering Points (PSAPs) and dispatch centers throughout the state of Utah for the establishment and maintenance of a statewide unified E-911 emergency system, and to establish the framework to provide grants from the Computer Aided Dispatch (CAD) Restricted Account. This rule is authorized by Subsections 63H-7a-302(5) and 63H-7a-204(11).

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: No written comments were received.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: This rule is required for the continuation of the operation of the committee and procedures whereby the committee shall award funds to PSAPs and dispatch centers throughout the state of Utah for the establishment and maintenance of a statewide unified E-911 emergency system, and to establish the framework to provide grants from the Computer Aided Dispatch (CAD) Restricted Account. NOTICE OF REVIEW AND STATEMENT OF CONTINUATION
CONCISE EXPLANATION OF THE PARTICULAR STATUTORY PROVISIONS UNDER WHICH THE RULE IS ENACTED AND HOW THESE PROVISIONS AUTHORIZE
NOTICE OF REVIEW AND STATEMENT OF CONTINUATION

CONCISE EXPLANATION OF THE PARTICULAR STATUTORY PROVISIONS UNDER WHICH THE RULE IS ENACTED AND HOW THESE PROVISIONS AUTHORIZE OR REQUIRE THE RULE: During the Division's five-year review of the rule, it was noted that Section 26-39-104 was indicated in error as an authorizing section and will be removed in the next revision. Sections 26-15-2, 26-1-30, and 26-1-5, and Subsection 26-39-301(1)(a) are the correct authorizing sections and will be added in the next revision. Section 26-15-2 authorizes the Department to adopt rules and enforce minimum sanitary standards for the operation and maintenance of restaurants and all other places where food is handled for commercial purposes, sold, or served to the public. Sections 26-1-5 and 26-1-30 authorize the Department to establish, maintain, and enforce rules necessary to promote and protect the public health or to prevent disease and illness. Subsection 26-39-301(1)(a) authorizes the department to make rules to protect qualifying children's common needs for a safe and healthy environment.

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: The Division of Disease Control and Prevention has taken comments from the residential child care advisory committee created under Section 26-1-7. These comments included a concern of a perceived overlap of duties between USDA inspectors and DOPL-licensed health inspectors and fees associated with inspections. These comments are currently under review and will be addressed in the next revision of the rule. Comments have been sought from the local health departments, and they have indicated that they are in support of the continuation of the rule. The Utah Department of Health has not received any comment against continuation of this rule.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: Continuation of Rule R392-110 is recommended by the residential child care advisory committee. An entity serving food to the public is required to abide by Rule R392-100 "Food Service Sanitation", which is the food safety code used by the local health departments in Utah. Rule R430-50 "Residential Certificate Child Care" requires certified facilities to meet local health department food codes. Without Rule R392-110, these residential child care providers would be required to meet the full requirements of Rule R391-100, which normally apply to full service food establishments, meaning extensive plumbing and finished remodels of the homes. Rule R392-110 establishes a minimum set of standards that a home kitchen serving as a food preparation area for a residential child care can meet that also will protect the health and safety of the children.

NOTICE OF REVIEW AND STATEMENT OF CONTINUATION

CONCISE EXPLANATION OF THE PARTICULAR STATUTORY PROVISIONS UNDER WHICH THE RULE IS ENACTED AND HOW THESE PROVISIONS AUTHORIZE OR REQUIRE THE RULE: Section 31A-2-201 gives the commissioner the authority to write rules to implement Title 31A of the Utah Code. Subsection 31A-2-202(2)(c) authorizes the commissioner to require financial reporting on forms provided by the National Association of Insurance Commissioners (NAIC). The purpose of the rule is to ensure that the commissioner's requirements for domestic, foreign, and alien insurer applications to obtain a certificate of authority in Utah shall be consistent with requirements of other states by using forms provided by the NAIC.

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: The Department has not received any written comments during the past five years.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE
RULE, IF ANY: It is important that the department specify that insurers use the NAIC certificate of authority application, provided by the NAIC, to ensure uniform information from all insurers that apply. By having the same certificate of insurance application, the Department makes it easier and less time consuming for insurers to apply for a certificate of insurance from more than one state at a time. Therefore, this rule should be continued.

NOTICE OF REVIEW AND STATEMENT OF CONTINUATION

Concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require the rule: Under Section 23-14-19, the Wildlife Board is authorized and required to provide rules to regulate and prescribe the means by which protected wildlife
and their habitat may be managed. The designation of a species of concern, which Rule R657-48 does, required approval from the Wildlife Board.

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR OPPOSING THE RULE: No written comments supporting or opposing Rule R657-48 were received since 05/12/2011 when the rule was last reviewed.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: The Utah Division of Wildlife Resources thinks Rule R657-48 should be continued. This rule: 1) establishes the Wildlife Species of Concern and Habitat Designation Advisory Committee; 2) defines the procedure for designating wildlife species of concern as part of a process to preclude listing under the federal Endangered Species Act; and 3) defines the procedure for review and identification of wildlife habitat and management recommendations relating to significant land use development projects.

The Rules Index is a cumulative index that reflects all effective changes to Utah's administrative rules. The current Index lists changes made effective from January 2, 2016 through May 02, 2016. The Rules Index is published in the Utah State Bulletin and in the annual Utah Administrative Rules Index of Changes. Nonsubstantive changes, while not published in the Bulletin, do become part of the Utah Administrative Code (Code) and are included in this Index, as well as 120-Day (Emergency) rules that do not become part of the Code. The rules are indexed by Agency (Code Number) and Keyword (Subject).

Questions regarding the index and the information it contains should be addressed to the Office of Administrative Rules (801-538-3003).

A copy of the Rules Index is available for public inspection at the Office of Administrative Rules (5110 State Office Building, Salt Lake City, UT), or may be viewed online at the Office’s web site (http://www.rules.utah.gov/).
