RULES INDEX - BY AGENCY (CODE NUMBER) .....	7
RULES INDEX - BY KEYWORD (SUBJECT) .....	41
CORRELATION TABLE .....	113

## INTRODUCTION

The Utah Division of Administrative Rules (Division) is pleased to issue the eleventh edition of the *Utah Administrative Rules Index of Changes (Index)*. State law requires the Division to "publish at least annually an index of all changes to the administrative code and the effective date of each change" (UT Code S 63-46a-10(1)(g) (2002 through 5th Spec Sess)). The *Index* is a useful supplement to the *Utah Administrative Code (Code)* and provides readers with a valuable tool for understanding the regulatory process in Utah. All changes made to the *Code* between January 2, 2001, and January 1, 2002, appear in the *Index*, including nonsubstantive changes, as well as information about 120-Day (emergency) rules that, because of their temporary nature, do not become part of the *Code*.

### Administrative Rules and Rulemaking

The need for an index of changes is clear when one considers the volume of rulemaking activity that occurs during the year. During calendar year 2001, state agencies filed 971 separate rulemaking actions with the Division. An easy-to-use index is necessary for state legislators, agency personnel, and the general public to keep abreast of the frequent changes in Utah's administrative rules.

Administrative rules are written statements that either affect legal rights and privileges, or impose requirements upon either the public or administrative agencies. Administrative rules have the effect of law (UT Code S 63-46a-2(17)(a)(ii) (2002 through 5th Spec Sess)). Before administrative agencies may promulgate rules, they must receive authority to regulate from state or federal statute or other applicable law. Although rules have the effect of law, rules are subordinate to higher forms of law (e.g., state and federal constitutions and statutes).

State agencies are required by law to engage in certain activities that will either affect the public or other governmental agencies. This requires state agencies to exercise a particular type of lawmaking power, called rulemaking. Within the scope of their functions, which are typically outlined in statute, agencies may write administrative rules that describe and limit their activities and the activities of classes of persons or entities the agency regulates. An administrative rule is a written statement that is either "explicitly or implicitly required" that "implements or interprets a state or federal legal mandate" (UT Code S 63-46a-2(17)(a) (2002 through 5th Spec Sess)). If a rule contradicts or misinterprets some higher form of law, the higher law always takes precedence (e.g., a rule may not conflict with a provision of the Utah State Constitution).

After writing a rule, an agency files the rule text and a rule analysis (analysis) with the Division (UT Code S 63-46a-4 (2002 through 5th Spec Sess)). The analysis contains: a reason for the proposed rule; a summary of the proposed rule; the name of a person that an interested person may contact; the anticipated cost or savings impact of the rule; the compliance costs for persons affected by the rule; comments by the department head regarding the fiscal impact the rule may have on businesses; titles of any new or updated incorporated references within the rule; and the source of the agency's legal authority for regulating. Together, the text and analysis notify the Division of the agency's intention to promulgate a new rule, or to amend or repeal an existing rule. The Division then publishes the text and the information from the analysis in the *Utah State Bulletin (Bulletin)* (the text is sometimes omitted due to its length, but is available for public inspection at the Division, the agency, and on the Internet).

The Division also publishes the *Utah State Digest (Digest)*. The *Digest* is an E-mail publication that contains the information found in the analysis, making it a companion summary of each *Bulletin*. The *Bulletin* and *Digest* are published twice a month, enabling the public, the legal community, state agencies, and researchers to learn of proposed rule changes.

After considering public comment, the agency sets the effective date of the proposed rule. The date may be no fewer than 31 days nor more than 120 days after the date the rule was published in the *Bulletin*. The agency then notifies the Division to set the effective date. The rule is enforceable as of the effective date. The rule is then codified (included) in the *Code*.

Print and electronic versions of the *Code* are available from LexisNexis by calling 1-800-833-9844. A subscription to paper edition of the *Bulletin* is available by contacting the Office of Legislative Printing at 419 State Capitol, Salt Lake City, UT 84114, by calling (801) 538-1103, or FAX (801) 538-1728. The annual subscription rate for the *Bulletin* (24 issues) is \$174. Anyone with an Internet E-mail address may subscribe to, or join, the *Utah State Digest* ListServ by sending a blank E-mail message to [join-admin\\_rules\\_digest@list.state.ut.us](mailto:join-admin_rules_digest@list.state.ut.us). Electronic versions of all publications are also available on the Division's Internet home page – <http://www.rules.utah.gov/>.

## **Index Format**

The *Index* contains two indexes and one table. Both indexes list the rule changes made effective from January 2, 2001, through January 1, 2002. The first index is arranged by agency (code number) and the second is arranged by keyword (subject). The correlation table lists the agency code numbers and names that were changed during 2001. To use the indexes, it is helpful to know something about the organization of rules.

### Organization of Rules

Each rulemaking agency in state government is assigned an agency code number (Title number). Each of these Title numbers begins with the letter "R" and may be referred to as an R-number. Every rule section in the *Code* is assigned a three-part number, separated by hyphens, in this order: Title number-Rule number-Section number. For example, a complete citation to the Division of Administrative Rules' hearing procedures is UT Admin Code SR15-1-5 (through 4/1/2002), with "R15" designating the title, "1" designating the rule number, and "5" designating the section number (and "4/1/2002" referring to the date of the most recent amendments incorporated into the *Code*). This numbering scheme is similar to the titles, chapters, and sections found in the *Utah Code*, which contains Utah's statutory law (UT Code S 63-46a-9.6 (2002 through 5th Spec Sess)).

Subsection or paragraph numbering has been left to the discretion of each agency. Several different subsection numbering systems appear in the *Code*, with some agencies using a decimal system and others using outline variations.

### Agency (Code Number) Index

The Agency Index (see Figure 1) includes six columns and is arranged sequentially by rule citation and effective date. The first column contains the rule citation. An entry containing two rule citations with one in parentheses indicates that the agency has changed its rule citation to the citation

in the parentheses (e.g., (Changed to R307-205)). The second column contains the rule catchline (descriptive title). The third column provides the Division of Administrative Rules' file number for the rule (DAR No.).

The last three columns contain information about the rulemaking action. The fourth column contains a three-letter code indicating the type of rulemaking action. These abbreviations are defined on page 4. The fifth column contains the effective date of the rule filing. If a change in proposed rule has been filed on an amendment, both filings are listed in the index, but the effective date, which is applicable to both filings, is only listed with the change in proposed rule (a change in proposed rule amends the previously filed rule before its effective date). The final column contains the issue and page number of the *Utah State Bulletin* where the rulemaking action was published. For example, 2001-14/5 means that the rulemaking action was published in issue 2001-14 of the *Bulletin* (July 15, 2001) on page 5. An asterisk (\*) following the page number means the text was too long to print in the *Bulletin* and a copy can be obtained from the agency or the Division. Nonsubstantive rule changes (NSC) typically are not printed in the *Bulletin*, as indicated by the words "Not Printed."

CODE REFERENCE	TITLE	FILE NUMBER	ACTION	EFFECTIVE DATE	BULLETIN ISSUE/PAGE
<b>ADMINISTRATIVE SERVICES</b>					
<u>Facilities Construction and Management</u>					
R23-1	Procurement of Construction	23870	AMD	08/15/2001	2001-14/5
R23-2	Procurement of Architect-Engineer Services	23952	AMD	09/15/2001	2001-16/4

Figure 1. Sample Data from the Agency (Code Number) Index.

### Keyword (Subject) Index

The Keyword Index (see Figure 2) is arranged alphabetically by subject. Up to four different descriptive terms or phrases associated with each rule are used as keywords to categorize the rule by subject. These keywords are assigned by the agency that files the rule and are designed to aid topical research of the *Code*. Because a rule may have more than one keyword, it may be listed more than once in this index.

The keyword is printed in bold, capital letters. Under each keyword the rules are arranged in columns by agency name, DAR file number, and the rule citation (e.g., Public Safety, Driver Licensing, 24173, R708-20). The remaining three columns provide the same information regarding type of action, effective date, and publication information, as the last three columns in the Agency Index (e.g., 5YR, 10/30/2001, 2001-22/104).

<b>KEYWORD</b> AGENCY	FILE NUMBER	CODE REFERENCE	ACTION	EFFECTIVE DATE	BULLETIN ISSUE/PAGE
<b>ACCIDENT PREVENTION</b>					
Public Safety, Driver License	24173	R708-20	5YR	10/30/2001	2001-22/104
<b>ACCIDENTS</b>					
Administrative Services, Fleet Operations	23345	R27-7	NEW	01/31/2001	2000-24/6

Figure 2. Sample Data from the Keyword (Subject) Index.

## Correlation Table

The Correlation Table is arranged sequentially by the old agency code number (R-number). The table is divided into two columns. The first column contains the old agency code number and agency name and the second contains the new agency code number and agency name. This table is useful when researching previous rules enforced by an agency or the evolution of an agency's rules over time.

## **Abbreviations**

The Agency and Keyword Indexes include several abbreviations:

**AMD** (Amendment): proposed changes to existing rule text (UT Code S 63-46a-4(3) (2002 through 5th Spec Sess) and UT Admin Code S R15-4-9 (through 4/1/2002)).

**CPR** (Change in Proposed Rule): filed as an amendment to a proposed rule that has been published in the *Bulletin*, and has not been made effective by the agency (UT Code S 63-46a-6 (2002 through 5th Spec Sess) and UT Admin Code S R15-4-7 (through 4/1/2002)).

**EMR** (120-Day (Emergency) Rule): a temporary rule, effective for a maximum of 120 days, that becomes effective when filed with the Division or on a later date designated by the agency. Pursuant to statute, this procedure can only be used by the agency when regular rulemaking procedures would "cause imminent peril to public health, safety, or welfare; cause an imminent budget reduction because of budget restraints or federal requirements; or place the agency in violation of federal or state law" (UT Code S 63-46a-7(1) (2002 through 5th Spec Sess) and UT Admin Code S R15-4-8 (through 4/1/2002)).

**EXD** (Expired Rule): Rulewriting agencies are required by law to review each of their administrative rules within five years of the date of the rule's original promulgation or the date of last review (UT Code S 63-46a-9 (2002 through 5th Spec Sess)). If the agency finds that it will not meet the deadline for review of the rule (the five-year anniversary date), it may file an extension with the Division. However, if the agency fails to file either the review or the extension by the five-year anniversary date of the rule, the rule expires. Upon expiration of the rule, the Division is required to remove the rule from the *Code*. The agency may no longer enforce the rule, and it must follow regular rulemaking procedures to replace the rule if necessary. The expiration of administrative rules for failure to comply with the five-year review is a penalty for noncompliance with the statute (UT Code S 63-46a-9(8) (2002 through 5th Spec Sess)).

**EXP** (Expedited Rule): Under the provisions of UT Code S 53C-1-201(3)(a)(ii) (2002 through 5th Spec Sess), the School and Institutional Trust Lands Administration is permitted to establish a procedure for the expedited approval of administrative rules. Use of this procedure, found at UT Admin Code Rule R850-10 (through 4/1/2002), is based on written findings by the agency director showing: (A) the changes in business opportunities affecting the assets of the trust; (B) the specific business opportunity arising out of those changes which may be lost without the rule or changes to the rule; (C) the reasons the normal procedures under UT Code S 63-46a-4 (2002 through 5th Spec Sess) cannot be

met without causing the loss of the specific opportunity; (D) approval by at least five board members; and (E) that the director has filed a copy of the rule and a rule analysis, stating the specific reasons and justifications for the agency's findings, with the Division and notified interested parties as provided in UT Code S 63-46a-4(7) (2002 through 5th Spec Sess). An expedited rule is effective upon filing or on a later date designated by the agency.

**NEW** (New Rule): proposed rule text (a complete rule) that does not already exist (UT Code S 63-46a-4(3) (2002 through 5th Spec Sess) and UT Admin Code S R15-4-9 (through 4/1/2002)).

**NSC** (Nonsubstantive Change): a change to existing rule text that does not substantively affect the application or results of agency actions under that rule. Examples include corrections of spelling, grammar, or rule numbering (UT Code S 63-46a-3(4)(d) (2002 through 5th Spec Sess); UT Code S 63-46a-6(2) (2002 through 5th Spec Sess); and UT Admin Code S R15-4-6 (through 4/1/2002)).

**REP** (Repeal): rule text is entirely deleted from the *Code* (UT Code S 63-46a-4(3) (2002 through 5th Spec Sess) and UT Admin Code S R15-4-9 (through 4/1/2002)).

**R&R** (Repeal and Reenact): a significant change to rule text which requires such substantial rewriting, that the result is a new rule (the old text is struck out and followed by the new, underlined text) (UT Code S 63-46a-4(6)(a) (2002 through 5th Spec Sess) and UT Admin Code S R15-4-9 (through 4/1/2002)).

**5YR** (Five-Year Review): a notice of continuation that is required for all rules. If an agency wants to keep the rule in its existing form, the agency must file this notice, which includes a statement justifying the rule's continuation (UT Code S 63-46a-9 (2002 through 5th Spec Sess)).

## Questions?

Questions regarding the *Index of Changes* may be directed to:
