SPECIAL NOTICES

This amendment is pending approval from the Centers for Medicare and Medicaid Services, and the proposed effective date is July 1, 2017.

A copy of these changes may be obtained from Craig Devashrayee (801-538-6641), or by writing the Technical Writing Unit, Utah Department of Health, PO Box 143102, Salt Lake City, UT 84114-3102. EXECUTIVE DOCUMENTS

Under authority granted by the Utah Constitution and various federal and state statutes, the Governor periodically issues **EXECUTIVE DOCUMENTS**, which can be categorized as either Executive Orders, Proclamations, and Declarations. Executive Orders set policy for the executive branch; create boards and commissions; provide for the transfer of authority; or otherwise interpret, implement, or give administrative effect to a provision of the Constitution, state law or executive policy. Proclamations call special or extraordinary legislative sessions; designate classes of cities; publish states-of-emergency; promulgate other official formal public announcements or functions; or publicly avow or cause certain matters of state government to be made generally known. Declarations designate special days, weeks or other time periods; call attention to or recognize people, groups, organizations, functions, or similar actions having a public purpose; or invoke specific legislative purposes (such as the declaration of an agricultural disaster).

The Governor's Office staff files **EXECUTIVE DOCUMENTS** that have legal effect with the Office of Administrative Rules for publication and distribution.

NOTICES OF PROPOSED RULES

A state agency may file a **PROPOSED RULE** when it determines the need for a substantive change to an existing rule. With a **NOTICE OF PROPOSED RULE**, an agency may create a new rule, amend an existing rule, repeal an existing rule, or repeal an existing rule and reenact a new rule. Filings received between May 16, 2017, 12:00 a.m., and June 01, 2017, 11:59 p.m. are included in this, the June 15, 2017, issue of the *Utah State Bulletin*.

In this publication, each **PROPOSED RULE** is preceded by a **RULE ANALYSIS**. This analysis provides summary information about the **PROPOSED RULE** including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

Following the **RULE ANALYSIS**, the text of the **PROPOSED RULE** is usually printed. New rules or additions made to existing rules are underlined (example). Deletions made to existing rules are struck out with brackets surrounding them (~~example~~). Rules being repealed are completely struck out. A row of dots in the text between paragraphs (.) indicates that unaffected text from within a section was removed to conserve space. Unaffected sections are not usually printed. If a **PROPOSED RULE** is too long to print, the Office of Administrative Rules may include only the **RULE ANALYSIS**. A copy of each rule that is too long to print is available from the filing agency or from the Office of Administrative Rules.

The law requires that an agency accept public comment on **PROPOSED RULES** published in this issue of the *Utah State Bulletin* until at least July 17, 2017. The agency may accept comment beyond this date and will indicate the last day the agency will accept comment in the **RULE ANALYSIS**. The agency may also hold public hearings. Additionally, citizens or organizations may request the agency hold a hearing on a specific **PROPOSED RULE**. Section 63G-3-302 requires that a hearing request be received by the agency proposing the rule "in writing not more than 15 days after the publication date of the proposed rule."

From the end of the public comment period through October 13, 2017, the agency may notify the Office of Administrative Rules that it wants to make the **PROPOSED RULE** effective. The agency sets the effective date. The date may be no fewer than seven calendar days after the close of the public comment period nor more than 120 days after the publication date of this issue of the *Utah State Bulletin*. Alternatively, the agency may file a **CHANGE IN PROPOSED RULE** in response to comments received. If the Office of Administrative Rules does not receive a **NOTICE OF EFFECTIVE DATE OF A CHANGE IN PROPOSED RULE**, the **PROPOSED RULE** lapses.

The public, interest groups, and governmental agencies are invited to review and comment on **PROPOSED RULES**. *Comment may be directed to the contact person identified on the **RULE ANALYSIS** for each rule.*

PROPOSED RULES are governed by Section 63G-3-301, Rule R15-2, and Sections R15-4-3, R15-4-4, R15-4-5a, R15-4-9, and R15-4-10.

NOTICE OF PROPOSED RULE

(New Rule)

DAR FILE NO.: 41675

FILED: 05/19/2017

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The rule makes it possible to regulate the movement of firewood into the state of Utah in order to prevent the transport and establishment of invasive species.

SUMMARY OF THE RULE OR CHANGE: The rule governs the regulation and inspection of firewood to prevent the movement of invasive pest to the state of Utah. The rule will allow for pest prevention and exclusion professionals to regulate the movement of imported firewood by providing proper labeling and record keeping.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 4-2-2 and Section 4-35-9

ANTICIPATED COST OR SAVINGS TO:

◆ **THE STATE BUDGET:** There will be a cost to implement this rule. Regulation efforts will happen at or during general inspections at fuel station stops, general stores, hardware stores, and other location where firewood is sold. Regulatory actions will be implemented by the program manager with the assistance of inspectors to help if necessary. Labor will be the primary cost to the state of Utah. The department estimates that it will take approximately 728 hours of employee time to enforce this rule. That totals up to approximately \$19,000 in pay to these employees.

◆ **LOCAL GOVERNMENTS:** The requirements of compliance for firewood movement, record keeping, and labeling will be regulated by the Utah Department of Agriculture and Food (UDAF) and, therefore, will not add additional cost to local state government.

◆ **SMALL BUSINESSES:** Compliance with the rule will require businesses to label products and maintain records for the sale and purchases of firewood. Most businesses are already in compliance with this regulation. New labels may need to be purchased for compliance. It is not possible for the department to estimate the cost to print labels due to the many different methods, sizes, and material that could be used in the printing of the labels. UDAF does not specify the size, shape, material, or method that must be used to print labels, only that a label with the specified information be located on the product. Additionally, in areas which in the future are designated as quarantine areas there is the potential cost to the business of buying the proper equipment to heat treat the wood. The equipment cost varies depending on the size and amount of wood that is being treated.

◆ **PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES:** There is a potential to save millions of dollars on the treatment cost, tree removal, conserving natural resources, and ongoing residential pesticide use by preventing the spread of invasive pests into the state of Utah. It is impossible to quantify the cost savings as these are future events.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There will be a cost to create the necessary labels. The cost will depend on how the affected party wants to design the label with the information required. Additionally, there are potential costs of the heat treatment.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: UDAF estimates that there will be minimal cost to businesses to maintain compliance. The savings has a potential to be significant. Preventing the spread of invasive species and the eradication projects that follow agriculture pest establishments has the potential to save millions of dollars in eradication and ongoing treatments for stakeholders for years to come. Prevention of invasive species also cuts cost to industries that import out of the state of Utah, by reducing the amount of regulations and treatment cost needed.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The Board of Recreational Therapy reviewed this rule at its meeting on 05/02/2017 and determined these changes need to be made. The purpose of this filing is to: 1) define diversional activity; 2) define initial recreational therapy treatment; 3) include prescribing initial recreational treatment under the qualifications for consultation; 4) update citations to materials incorporated by reference; and 5) make minor formatting changes throughout for clarification and correction.

SUMMARY OF THE RULE OR CHANGE: In Section R156-40-102, citations to materials incorporated by reference are updated throughout, as follows: references to the January 2011 NCTRC (National Council for Therapeutic Recreation Certification) National Job Analysis are replaced with the new 2014 NCTRC Job Analysis, and references to the January 2014 NCTRC Certification Standards are replaced with the new January 2017 NCTRC Certification Standards. Subsections R156-40-102(2)(a) and (b) are updated to include the updated January 2017 NCTRC Certification Standards. A new Subsection R156-40-102(5) is added to define "diversional activity". A new Subsection R156-40-102(7) is added to define "initial recreational therapy treatment". Section R156-40-302f is modified to include prescribing initial recreational therapy treatment under the qualifications for consultation. In Section R156-40-302g, a minor formatting change is made. In Section R156-40-304, first, minor formatting changes are made throughout. Second, the six-hour cap on continuing education provided by the Division of Occupational and Professional Licensing is removed, to conform with Subsection R156-40-304(5)(a)(ii). Third, the provisions of Subsection R156-40-304(6) that allowed a licensee to request a waiver of continuing education are deleted, and the subsection now cites to Section R156-1-308d, which contains the Division's detailed continuing education waiver provisions. In Section R156-40-502, a minor formatting change is made.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 58-40-101 and Subsection 58-1-106(1)(a) and Subsection 58-1-202(1)(a)

MATERIALS INCORPORATED BY REFERENCE:

- ◆ Updates 2014 NCTRC Job Analysis, published by National Council for Therapeutic Recreation Certification, 2014
- ◆ Updates January 2017 NCTRC Certification Standards Part 1, published by National Council for Therapeutic Recreation Certification, January 2017

ANTICIPATED COST OR SAVINGS TO:

- ◆ **THE STATE BUDGET:** The Division will incur minimal costs of approximately \$75 to print and distribute the rule once the proposed amendments are made effective. Any costs incurred will be absorbed in the Division's current budget.
- ◆ **LOCAL GOVERNMENTS:** The proposed amendments apply only to licensees under Title 58, Chapter 40. As a result, the proposed amendments do not apply to local governments.
- ◆ **SMALL BUSINESSES:** No fiscal impact to small business is anticipated related to any of the updated references or formatting changes, because the new language merely updates the rule and clarifies practices that are already taking place in the industry. Regarding Subsection R156-40-102(5), no fiscal impact to small business is anticipated related to defining diversional activity. The new language adds clarification to practices that should already be taking place in the industry. Regarding Subsection R156-40-102(7) and Section R156-40-302f, there may be a minimal cost increase for small businesses who will now be required to provide initial recreation therapy treatment. This cost will be relative to the time required to prescribe what services the therapeutic recreation technician should be implementing until a treatment plan is developed by the master therapeutic recreation specialist consultant and then to document that information in a patient's chart. The division cannot calculate the increased costs due to varying circumstances but anticipates that the small business employees who will prescribe, provide, and chart this initial recreation therapy treatment will do so as part of their regular job duties, and that the time required and cost will be minimal. Further, the board and the Division believe that any cost increase will be offset by the improved quality of care provided by small businesses to their patients, as at this time it can take up to three weeks for a treatment plan to be initiated in some facilities. This change also would allow for consistency in the consultation services provided in small business facilities.
- ◆ **PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES:** No fiscal impact to other persons is anticipated related to any of the updated references or formatting changes because the new language merely updates the rule and clarifies practices that are already taking place in the industry. Regarding Subsection R156-40-102(5), no fiscal impact to other persons is anticipated related to defining diversional activity. The new language adds clarification to practices that should already be taking place in the industry. Regarding Subsection R156-40-

102(7) and Section R156-40-302f, these amendments may create a minimal cost increase for self-employed individual licensees and for large businesses that will now be required to prescribe and provide initial recreation therapy treatment. Again, this cost will be relative to the time required for them to prescribe treatment and document that information in patient charts. The Division cannot calculate the increased costs due to varying circumstances but anticipates that the time required and cost will be minimal and absorbed within regular job duties and that any cost increase will be offset by the improved quality of care and consistency in the consultation services provided.

COMPLIANCE COSTS FOR AFFECTED PERSONS: No fiscal impact to affected persons is anticipated related to any of the updated references or formatting changes because the new language merely updates the rule and clarifies practices that are already taking place in the industry. Regarding Subsection R156-40-102(5), no fiscal impact to other persons is anticipated related to defining diversional activity. The new language adds clarification to practices that should already be taking place in the industry. Regarding Subsection R156-40-102(7) and Section R156-40-302f, these proposed amendments may cause some minimal compliance costs for a self-employed individual licensee who will now be required to prescribe and provide initial recreation therapy treatment, relative to the time required to prescribe and to document that information in patient charts. The Division cannot calculate the compliance cost due to varying circumstances but anticipates that the time required and cost will be minimal and absorbed within regular job duties, and that any cost increase will be offset by the improved care and consistency in the consultation services provided.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The amendments to Sections R156-40-102, R156-40-302f, R156-40-304, and R156-40-502: 1) define "diversional activity" and "initial recreational therapy treatment"; 2) include prescribing initial recreational treatment as part of the "qualifications for consultation" under Section R156-40-302f; 3) update citations of incorporated materials to the new 2014 NCTRC Job Analysis and the new 2017 NCTRC Certification Standards; 4) eliminate the six-hour cap on continuing education provided by the Division and modify the processes to obtain, and references to, waivers of continuing education; and 5) make minor formatting changes. All of the amendments, except for the matter addressed in subparagraph 2) above, have no fiscal impact to small business. By including prescribing initial recreational treatment as part of the qualifications for consultation, there may be a minimal cost increase for small businesses who will now be required to prescribe initial recreation therapy treatment. It is anticipated that this fiscal impact will be small, as small business employers prescribing and charting this therapy will do so as part of their regular job duties, and the time required and cost will be minimal. (DOPL FILER'S NOTE: it should be noted that this Division rule was reviewed and approved by the Department Executive Director on

05/15/2017 which was prior to the newly identified requirements related to H.B. 272 which were distributed on 05/18/2017.)

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: Recent changes have been made in the way investigations are coordinated between Adult Protective Services and the Long-term Care Ombudsman program. The changes adjust and clarify which program will investigate certain cases when a resident of a long-term care facility is involved. The proposed amendment explains these changes.

SUMMARY OF THE RULE OR CHANGE: Previously, with the exception of issues of sexual abuse, the Long-term Care Ombudsman program investigated cases of abuse, neglect, and exploitation involving residents of care facilities, while Adult Protective Services investigated the same cases outside of facilities. Due to authority and other issues, it was determined that Adult Protective Services should investigate all cases of abuse, neglect, and exploitation regardless of the setting.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 62A-3-301 and Section 62A-3-302

ANTICIPATED COST OR SAVINGS TO:

♦ **THE STATE BUDGET:** The change moves responsibility from one program to another within the Division of Aging and Adult Services and will not result in additional costs or savings.

♦ **LOCAL GOVERNMENTS:** Local Long-term Care Ombudsman programs will continue to work on other issues within the facilities and will not see a savings or new costs as a result.

♦ **SMALL BUSINESSES:** These programs are not overseen by small business and they will see neither a new cost nor a savings as a result.

♦ **PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES:** There is no other anticipated impact of this change. The change is within the Division of Aging and Adult Services and does impact other persons.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The individuals involved have not had costs associated with these reports and will not have them with the change.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The update to this rule does not create a savings or new costs and should be budget neutral for the agency.

Guidelines for Admission to Secure Youth Detention Facilities

**NOTICE OF PROPOSED RULE

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: H.B. 239 was enacted in the 2017 General

Session and Rule R547-13 needs to be amended by 08/01/2017 to be in compliance with the new law.

SUMMARY OF THE RULE OR CHANGE: This rule change amends the current guidelines for Admission to Secure Youth Detention Facilities. Per H.B. 239 (2017), a youth charged with three or more non-status criminal misdemeanor offenses in a single episode will no longer be eligible to be admitted to secure detention unless they meet other admission criteria. New class A against person misdemeanors are added to the list of holdable charges to ensure that youth who pose a serious risk to the community could be admitted to detention. Youth ages ten and eleven can only be admitted to secure detention if they are charged with a violent felony. Other holdable conditions, e.g., youth failed to appear at a court hearing within the past twelve months, are removed from this rule. This rule change continues to promote public safety and hold juvenile offenders accountable.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 62A-1-111 and Section 62A-7-202 and Section 78A-6-112 and Section 78A-6-113

ANTICIPATED COST OR SAVINGS TO:

◆ **THE STATE BUDGET:** It is anticipated that implementation of H.B. 239 (2017) will affect detention populations by: 1) reducing the numbers of youth that are eligible for admission to detention by law enforcement as a result of the proposed changes in Rule R547-13 as directed by H.B. 239; 2) reducing the time a youth may be in detention while awaiting placement as directed by H.B. 239; and 3) limiting the number of days court dispositions to detention, such as contempt. The agency is expecting a reduction to detention populations as a result of all aspects of H.B. 239. Variable costs associated with the reduction result in a savings to the agency of approximately \$65,800 per year. It is estimated that 34% of that (\$22,372) would be attributed to changes in Rule R547-13. Variable costs are defined as those costs directly related to costs that change as a result of population changes. They include items such as client food, client clothing, janitorial supplies, client medical costs, client support costs, household supplies, and laundry costs. It is expected that variable costs will increase in receiving centers as a result of changes to Rule R547-13 but actual costs are unknown at this time.

◆ **LOCAL GOVERNMENTS:** With the changes to Rule R547-13, law enforcement will not be able to take as many youth to detention facilities as they previously have and will instead have the option of taking them to receiving centers. Since receiving centers are located in close proximity to detention facilities, it was determined that this proposed rule change will have no fiscal impact on law enforcement.

◆ **SMALL BUSINESSES:** The division purchases certain variable operating expense items from business such as client food, client clothing, janitorial supplies, client medical costs, client support costs, household supplies, and laundry costs. As mentioned under state budget costs above, the agency anticipates a reduction in spending of approximately \$22,372 per year in variable costs.

◆ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: After conducting a thorough analysis, it was determined that this proposed rule change will not result in a fiscal impact to persons other than small businesses, businesses, or local government entities.

COMPLIANCE COSTS FOR AFFECTED PERSONS: After conducting a thorough analysis, it was determined that this proposed rule change will not result in a fiscal costs to affected persons.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: Due to a reduction in the number of youth eligible for secure detention, there may be a minimal reduction in business revenue.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: Section R651-606-5 refers to the Division of Parks and Recreation's fee schedule which used to include limits on how long a camper can stay in a campsite. When the fee schedule was revised a few years ago, that wording was inadvertently eliminated which in-turn eliminated the campsite time-limit section.

SUMMARY OF THE RULE OR CHANGE: The Division of Parks and Recreation campgrounds were designed for temporary use and have traditionally limited campers stays to 14 days or less as per Section R651-606-5. This restriction is necessary to ensure that all of our visitors have an equal chance to enjoy the campsites and it is also necessary to allow for campsite cleaning and maintenance. In addition, several of the parks are owned by Federal partners who consider use longer than 14 days at a time to be "exclusive use" which is prohibited. Section R651-606-5 currently cannot be used since it refers to a time limit in the fee

schedule that no longer exists. Other grammatical changes are made.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 79-4-501

ANTICIPATED COST OR SAVINGS TO:

♦ **THE STATE BUDGET:** There is no cost or savings to the state budget. The wording regarding how long someone may stay in a campsite was inadvertently eliminated when the Division of Parks and Recreation's fee schedule was done, which in-turn eliminated the campsite time-limit section. This amendment is adding that wording back into the rule.

♦ **LOCAL GOVERNMENTS:** There is no cost or savings to local government. The wording regarding how long someone may stay in a campsite was inadvertently eliminated when the Division of Parks and Recreation's fee schedule was done, which in-turn eliminated the campsite time-limit section. This amendment is adding that wording back into the rule.

♦ **SMALL BUSINESSES:** There is no cost or savings to small business. The wording regarding how long someone may stay in a campsite was inadvertently eliminated when the Division of Parks and Recreation's fee schedule was done, which in-turn eliminated the campsite time-limit section. This amendment is simply adding that wording back into the rule.

♦ **PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES:** There is no cost or savings to persons other than small businesses, businesses, or local government entities. The wording regarding how long someone may stay in a campsite was inadvertently eliminated when the Division of Parks and Recreation's fee schedule was done, which in-turn eliminated the campsite time-limit section. This amendment is adding that wording back into the rule.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There are no compliance costs for affected persons. The wording regarding how long someone may stay in a campsite was inadvertently eliminated when the Division of Parks and Recreation's fee schedule was done, which in-turn eliminated the campsite time-limit section. This amendment is adding that wording back into the rule.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: This change should have no impact on businesses.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: Section R651-633-2 prohibits cliff diving/jumping at Palisade State Park and at Red Fleet State Park. The Division of Parks and Recreation recommends eliminating these restrictions to be consistent with other water-based state parks where cliff diving/jumping is allowed. This section also refers to a part of the Utah Code regarding guide or service dogs that no longer exists and the reference needs to be updated.

SUMMARY OF THE RULE OR CHANGE: Cliff diving/jumping has been a popular activity at many of our state parks for years and is currently allowed on all water-based state parks except Palisade State Park and Red Fleet State Park. Section R651-633-2 currently prohibits cliff diving/jumping at Palisade State Park and at Red Fleet State Park. Palisade State Park has only one area with rocks suitable for jumping from and this area is not under the state's jurisdiction as it is owned by the local irrigation company. Red Fleet State Park has an area straight across from the boat ramp that many visitors have been jumping from for years in violation of this section. The Division's current park manager would like to change this section to allow cliff jumping/diving in that area. Red Fleet State Park also has

very high cliffs bordering the reservoir further upstream that are not safe to jump from that will remain closed by posting signs restricting that activity as authorized by Section R651-633-1. Also, Section R651-633-2 refers to a part of the Utah Code that no longer exists regarding guide or service dogs and the reference needs to be updated with the current Section 62A-5b-104.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 79-4-203 and Section 79-4-304 and Section 79-4-501

ANTICIPATED COST OR SAVINGS TO:

- ◆ THE STATE BUDGET: There is an approximate cost of \$500 or less to the state budget for signage.
- ◆ LOCAL GOVERNMENTS: There is no anticipated cost or savings to local government as the cost only applies to signage for the park.
- ◆ SMALL BUSINESSES: There is no anticipated cost or savings to small businesses as the cost only applies to signage for the park.
- ◆ PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES: There is no anticipated cost or savings to persons other than small businesses, businesses, or local government entities as the fees for signage only apply to the Division of Parks and Recreation.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There are no compliance costs for affected persons because no one is affected but the Division of Parks and Recreation.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The change should have no impact on businesses.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of this amendment is to align Utah's affordable base rate with federal standards.

SUMMARY OF THE RULE OR CHANGE: This rule section establishes an affordable base rate that certain telecommunications providers are required to charge. Historically, the Public Service Commission has aligned the state affordable base rate with a base rate established by the FCC. The FCC's base rate has been scheduled to increase from \$18 to \$20 per line, effective 07/01/2017. However, the FCC recently voted to freeze the base rate at \$18 per line, at least temporarily. Therefore, this amendment eliminates the existing language that, beginning 07/01/2017, requires affected telecommunications providers to increase their rates to at least \$20 per line.

STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 54-3-1 and Section 54-4-1 and Section 54-8b-15

ANTICIPATED COST OR SAVINGS TO:

◆ **THE STATE BUDGET:** The telecommunications providers that are affected by Section R746-360-6 are eligible for distributions from the Utah Universal Service Fund (UUSF). Each provider's distribution is calculated according to the provider's total income, which will no longer be expected to increase as of 07/01/2017. Therefore, the state budget for the UUSF program should not be affected by this rule amendment.

◆ **LOCAL GOVERNMENTS:** Local governments are not required to comply with or administer Section R746-360-6. No fiscal impact to local government is anticipated.

◆ **SMALL BUSINESSES:** Had the scheduled rate increase from \$18 to \$20 gone into effect, small businesses that receive distributions from the UUSF might have been required to adjust those distributions in light of their increased income. However, with this amendment, there will not be an automatic increase in income, and no immediate adjustment of UUSF distributions will be needed. Therefore, no fiscal impact to affected small businesses is anticipated.

◆ **PERSONS OTHER THAN SMALL BUSINESSES, BUSINESSES, OR LOCAL GOVERNMENTAL ENTITIES:** Had the scheduled rate increase from \$18 to \$20 gone into effect, customers of affected businesses would have seen their telephone bills go up. However, with this amendment, there will not be an automatic increase in billings.

COMPLIANCE COSTS FOR AFFECTED PERSONS: To comply, affected persons (telecommunications providers) must continue to charge a minimum affordable base rate of \$18. There are no anticipated compliance costs, as this rule amendment maintains the status quo.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: As stated in the rule analysis, this rule amendment eliminates a scheduled increase in the Utah affordable base rate. Where affected business will not be required to change their rates, no fiscal impact is anticipated.

R861. Tax Commission, Administration.**R861-1A. Administrative Procedures.****R861-1A-42. Waiver of Penalty and Interest for Reasonable Cause Pursuant to Utah Code Ann. Section 59-1-401.**

(1) Procedure.

(a) A taxpayer may request a waiver of penalties or interest for reasonable cause under Section 59-1-401 if the following conditions are met:

(i) the taxpayer provides a signed statement, with appropriate supporting documentation, requesting a waiver;

(ii) the total tax owed for the period has been paid;

(iii) the tax liability is based on a return the taxpayer filed with the commission, and not on an estimate provided by the taxpayer or the commission;

(iv) the taxpayer has not previously received a waiver review for the same period; and

(v) the taxpayer demonstrates that there is reasonable cause for waiver of the penalty or interest.

(b) Upon receipt of a waiver request, the commission shall:

(i) review the request;

(ii) notify the taxpayer if additional documentation is needed to consider the waiver request; and

(iii) review the account history for prior waiver requests, taxpayer deficiencies, and historical support for the reason given.

(c) Each request for waiver is judged on its individual merits.

(d) If the request for waiver of penalty or interest is denied, the taxpayer has a right to appeal. Procedures for filing appeals are found in Title 63G, Chapter 4, Administrative Procedures Act, and commission rules.

(e) If a taxpayer first requests a waiver of penalties or interest in an appeal to the commission, the taxpayer is not required to meet Subsections (1)(a)(i) through (iv).

(2) Reasonable Cause for Waiver of Interest. Grounds for waiving interest are more stringent than for penalty. To be granted a waiver of interest, the taxpayer must prove that the commission gave the taxpayer erroneous information or took inappropriate action that contributed to the error.

(3) Reasonable Cause for Waiver of Penalty. The following clearly documented circumstances may constitute reasonable cause for a waiver of penalty:

(a) Timely Mailing:

(i) The taxpayer mailed the return with payment to the commission by the due date and it was not timely delivered by the post office through no fault of the taxpayer.

(ii) In cases where the taxpayer cannot document a post office error, the penalties may be waived if the taxpayer:

(A) has an excellent history of compliance;

(B) proves that sufficient funds were in the bank as of the date of payment, and the check was written in numerical order; and

(C) presents documentation showing that the return or payment was mailed timely.

(b) Wrong Filing Place: The return or payment was filed on time, but was delivered to the wrong office or agency.

(c) Death or Serious Illness:

(i) The death or serious illness of a taxpayer or a member of the taxpayer's immediate family caused the delay.

(ii) With respect to a business, trust or estate, the death or illness must have been of the individual, or the immediate family of the individual, who had sole authority to file the return.

(iii) The death or illness must have occurred on or immediately prior to the due date of the return.

(d) Unavoidable Absence: The person having sole responsibility to file the return was absent from the state due to circumstances beyond his or her control.

(e) Disaster Relief:

(i) A delay in reporting, filing, or paying was due either to a federal or state declared disaster or to a natural disaster, such as fire or accident, that results in the destruction of records or disruption of business.

(ii) If delinquency or delay is due to a federally declared disaster, federal relief guidelines shall be followed.

(iii) In the absence of federal guidelines, and for other listed disasters, the taxpayer must demonstrate the matter was corrected within a reasonable time, given the circumstances.

(f) Reliance on Erroneous Tax Commission Information:

(i) Underpayments and late filings or payments were attributable to incorrect advice obtained from the commission, unless the taxpayer gave the commission inaccurate or insufficient information.

(ii) Proof of erroneous information may be based on written communication provided by the commission or, if the taxpayer clearly documents, verbal communication. Clear documentation of verbal communication should include the dates, times, and names of commission employees who provided the erroneous information.

(iii) A failure to comply will also be excused if it is demonstrated that the taxpayer requested the necessary tax forms and instructions timely, and the commission failed to timely provide the forms and instructions requested.

(g) Tax Commission Office Visit: The taxpayer proves that before expiration of the time for filing the return or making the payment, the taxpayer visited a commission office for information or help in preparing the return and a commission employee was not available for consultation.

(h) Unobtainable Records: For reasons beyond the taxpayer's control, the taxpayer was unable to obtain records to determine the amount of tax due.

(i) Reliance on Competent Tax Advisor:

(i) The taxpayer fails to file a return after furnishing all necessary and relevant information to a competent tax advisor, who incorrectly advised the taxpayer that a return was not required.

(ii) The taxpayer is required, and has an obligation, to file the return. Reliance on a tax advisor to prepare a return does not automatically constitute reasonable cause for failure to file or pay. The taxpayer must demonstrate that ordinary business care, prudence, and diligence were exercised in determining whether to seek further advice.

(j) First Time Filer:

(i) It is the first return required to be filed and the taxes were filed and paid within a reasonable time after the due date.

(ii) The commission may also consider waiving penalties on the first return after a filing period change if the return is filed and tax is paid within a reasonable time after the due date.

(k) Bank Error:

(i) The taxpayer's bank has made an error in returning a check, making a deposit or transferring money.

(ii) A letter from the bank verifying its error is required.

(l) Compliance History:

(i) The commission will consider the taxpayer's recent history for payment, filing, and delinquencies in determining whether a penalty may be waived.

(ii) The commission will also consider whether other tax returns or reports are overdue at the time the waiver is requested.

(m) Employee Embezzlement: The taxpayer shows that failure to pay was due to employee embezzlement of the tax funds and the taxpayer was unable to obtain replacement funds from any other source.

(n) Recent Tax Law Change: The taxpayer's failure to file and pay was due to a recent change in tax law that the taxpayer could not reasonably be expected to be aware of.

(4) Other Considerations for Determining Reasonable Cause.

(a) The commission allows for equitable considerations in determining whether reasonable cause exists to waive a penalty. Equitable considerations include:

(i) whether the commission had to take legal means to collect the taxes;

(ii) if the error is caught and corrected by the taxpayer;

(iii) the length of time between the event cited and the filing date;

(iv) typographical or other written errors; and

(v) other factors the commission deems appropriate.

(b) Other clearly supported extraordinary and unanticipated reasons for late filing or payment, which demonstrate reasonable cause and the inability to comply, may justify a waiver of the penalty.

(c) In most cases, ignorance of the law, carelessness, or forgetfulness does not constitute reasonable cause for waiver. Nonetheless, other supporting circumstances may indicate that reasonable cause for waiver exists.

(d) Intentional disregard, evasion, or fraud does not constitute reasonable cause for waiver under any circumstance.

FIVE-YEAR NOTICES OF REVIEW AND STATEMENTS OF CONTINUATION

Within five years of an administrative rule's original enactment or last five-year review, the agency is required to review the rule. This review is intended to help the agency determine, and to notify the public, that the administrative rule in force is still authorized by statute and necessary. Upon reviewing a rule, an agency may: repeal the rule by filing a **PROPOSED RULE**; continue the rule as it is by filing a **FIVE-YEAR NOTICE OF REVIEW AND STATEMENT OF CONTINUATION (REVIEW)**; or amend the rule by filing a **PROPOSED RULE** and by filing a **REVIEW**. By filing a **REVIEW**, the agency indicates that the rule is still necessary.

A **REVIEW** is not followed by the rule text. The rule text that is being continued may be found in the online edition of the *Utah Administrative Code* available at <http://www.rules.utah.gov/publicat/code.htm>. The rule text may also be inspected at the agency or the Office of Administrative Rules. **REVIEWS** are effective upon filing.

REVIEWS are governed by Section 63G-3-305.

Commerce, Occupational and Professional Licensing **R156-22** Professional Engineers and Professional Land Surveyors Licensing Act Rule

FIVE-YEAR NOTICE OF REVIEW AND STATEMENT OF CONTINUATION

DAR FILE NO.: 41706
FILED: 05/30/2017

NOTICE OF REVIEW AND STATEMENT OF CONTINUATION

CONCISE EXPLANATION OF THE PARTICULAR STATUTORY PROVISIONS UNDER WHICH THE RULE IS ENACTED AND HOW THESE PROVISIONS AUTHORIZE OR REQUIRE THE RULE: Title 58, Chapter 22, provides for the licensure and regulation of professional engineers, professional structural engineers, and professional land surveyors. Subsection 58-1-106(1)(a) provides that the Division of Occupational and Professional Licensing may adopt and enforce rules to administer Title 58. Subsection 58-22-201(3) provides that the Professional Engineers and Professional Land Surveyors Licensing Board's duties and responsibilities shall be in accordance with Section 58-1-202. Subsection 58-1-202(1)(a) provides that one of the duties of each board is to recommend appropriate rules to the Division director. This rule was enacted to clarify the provisions of Title 58, Chapter 22, with respect to professional engineers, professional structural engineers, and professional land surveyors.

SUMMARY OF WRITTEN COMMENTS RECEIVED DURING AND SINCE THE LAST FIVE YEAR REVIEW OF THE RULE FROM INTERESTED PERSONS SUPPORTING OR

OPPOSING THE RULE: Since this rule was last reviewed in June 2012, it has been amended three times. The Division did receive a 02/20/2014 email from Mark Gregersen. Mr. Gregersen was concerned that the professional conduct standards would require a licensee to report any known unprofessional conduct to the Division for investigation and action. Mr. Gregersen noted that a licensee who is also an attorney or an ecclesiastical leader might have a conflicting duty of confidentiality. The Professional Engineers and Professional Land Surveyors Licensing Board reviewed and discussed Mr. Gregersen's written comment but considered it to be more hypothetical than otherwise. As a result, no additional changes were made to the proposed amendments, and the amendments became effective on 04/08/2014.

REASONED JUSTIFICATION FOR THE CONTINUATION OF THE RULE, INCLUDING REASONS WHY THE AGENCY DISAGREES WITH COMMENTS IN OPPOSITION TO THE RULE, IF ANY: This rule should be continued as it provides a mechanism to inform potential licensees of the requirements for licensure as allowed under statutory authority provided in Title 58, Chapter 22, with respect to professional engineers, professional structural engineers, and professional land surveyors. The rule should also be continued as it provides information to ensure applicants for licensure are adequately trained and meet minimum licensure requirements and provides licensees with information concerning unprofessional conduct, definitions, and ethical standards relating to the profession.

NOTICES OF RULE EFFECTIVE DATES

State law provides for agencies to make their administrative rules effective and enforceable after publication in the *Utah State Bulletin*. In the case of **PROPOSED RULES** or **CHANGES IN PROPOSED RULES** with a designated comment period, the law permits an agency to make a rule effective no fewer than seven calendar days after the close of the public comment period, nor more than 120 days after the publication date. In the case of **CHANGES IN PROPOSED RULES** with no designated comment period, the law permits an agency to make a rule effective on any date including or after the thirtieth day after the rule's publication date, but not more than 120 days after the publication date. If an agency fails to file a **NOTICE OF EFFECTIVE DATE** within 120 days from the publication of a **PROPOSED RULE** or a related **CHANGE IN PROPOSED RULE** the rule lapses.

Agencies have notified the Office of Administrative Rules that the rules listed below have been made effective.

NOTICES OF EFFECTIVE DATE are governed by Subsection 63G-3-301(12), Section 63G-3-303, and Sections R15-4-5a and R15-4-5b.

**RULES INDEX
BY AGENCY (CODE NUMBER)
AND
BY KEYWORD (SUBJECT)**

The Rules Index is a cumulative index that reflects all effective changes to Utah's administrative rules. The current Index lists changes made effective from January 2, 2017 through June 01, 2017. The Rules Index is published in the Utah State Bulletin and in the annual Utah Administrative Rules Index of Changes. Nonsubstantive changes, while not published in the Bulletin, do become part of the Utah Administrative Code (Code) and are included in this Index, as well as 120-Day (Emergency) rules that do not become part of the Code. The rules are indexed by Agency (Code Number) and Keyword (Subject).

Questions regarding the index and the information it contains should be addressed to the Office of Administrative Rules (801-538-3003).

A copy of the **RULES INDEX** is available for public inspection at the Office of Administrative Rules (5110 State Office Building, Salt Lake City, UT), or may be viewed online at the Office's web site (<http://www.rules.utah.gov/>).
