## NOTICES OF PROPOSED RULES

---

A state agency may file a **PROPOSED RULE** when it determines the need for a substantive change to an existing rule. With a **NOTICE OF PROPOSED RULE**, an agency may create a new rule, amend an existing rule, repeal an existing rule, or repeal an existing rule and reenact a new rule. Filings received between July 16, 2024, 12:00 a.m., and August 01, 2024, 11:59 p.m. are included in this, the August 15, 2024, issue of the *Utah State Digest*.

In this publication, each **PROPOSED RULE** is preceded by a **RULE ANALYSIS**. This analysis provides summary information about the **PROPOSED RULE** including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

The law requires that an agency accept public comment on **PROPOSED RULES** published in this issue of the *Utah State Digest* until at least September 16, 2024. The agency may accept comment beyond this date and will indicate the last day the agency will accept comment in the **RULE ANALYSIS**. The agency may also hold public hearings. Additionally, citizens or organizations may request the agency hold a hearing on a specific **PROPOSED RULE**. Section 63G-3-302 requires that a hearing request be received by the agency proposing the rule "in writing not more than 15 days after the publication date of the proposed rule."

From the end of the public comment period through December 13, 2024, the agency may notify the Office of Administrative Rules that it wants to make the **PROPOSED RULE** effective. The agency sets the effective date. The date may be no fewer than seven calendar days after the close of the public comment period nor more than 120 days after the publication date of this issue of the *Utah State Digest*. Alternatively, the agency may file a **CHANGE IN PROPOSED RULE** in response to comments received. If the Office of Administrative Rules does not receive a **NOTICE OF EFFECTIVE DATE** or a **CHANGE IN PROPOSED RULE**, the **PROPOSED RULE** lapses.

The public, interest groups, and governmental agencies are invited to review and comment on **PROPOSED RULES**. *Comment may be directed to the contact person identified on the **RULE ANALYSIS** for each rule.*

**PROPOSED RULES** are governed by Section 63G-3-301, Rule R15-2, and Sections R15-4-3, R15-4-4, R15-4-5a, R15-4-9, and R15-4-10.

<b>Please address questions regarding information on this notice to the persons listed above.</b>		

**General Information**

<b>2. Rule or section catchline:</b>
R58-15. Collection of Annual Fees for the Wildlife Damage Prevention Act
<b>3. Purpose of the new rule or reason for the change:</b>
Section 4-23-102 creates the Agricultural and Wildlife Damage Prevention Act to maintain agricultural production while at the same time, to promote, to protect, and preserve the wildlife resources of the state.
This rule clarifies the authority and responsibilities of the board and provides information about how and when the Department of Agriculture and Food (Department) may collect the fee to administer Title 4, Chapter 23, Agricultural and Wildlife Damage Prevention Act.
This rule filing is a repeal and reenact because more than 50% of the rule was updated to align with the Rulewriting Manual for Utah and the revisions in the statute.
<b>4. Summary of the new rule or change:</b>
Since previous legislative sessions have passed bills with updates to various sections of Title 4, Chapter 23, this rule needs updates to align with statute.
The revisions include:
1) updating the title of the rule,
2) adding applicable definitions,
3) adding a section that identifies the board's responsibilities, and
4) the other revisions provide clarifying information on how and when the Department may collect the predator control fee and any exemptions.
The revisions provide clarifying information to align with Subsection 23A-11-402(2) by identifying that the Department shall collaborate with the Utah Division of Wildlife Resources (UDWR) to not duplicate predator control services and shall record payments of the fee to determine eligibility for producers for depredation compensation and predator control services.
The proposed changes clarify and align the rule with Title 4, Chapter 23, the Rulewriting Manual for Utah, and do not change the program requirements.

**Fiscal Information**

**5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:**

**A) State budget:**

The program requirements are not changing, and the proposed changes will not impact the state budget.

**B) Local governments:**

Local governments do not collect the fee and do not administer the program requirements, so this rule does not impact local governments.

**C) Small businesses** ("small business" means a business employing 1-49 persons):

The changes in this rule will not impact small businesses' because they do not administer the program and the requirements are not changing.

**D) Non-small businesses** ("non-small business" means a business employing 50 or more persons):

The changes in this rule will not impact a non-small businesses' because the program requirements are not changing.

**E) Persons other than small businesses, non-small businesses, state, or local government entities** ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an **agency**):

The changes in this rule will not impact other persons because the program requirements are not changing.

**F) Compliance costs for affected persons** (How much will it cost an impacted entity to adhere to this rule or its changes?):

The compliance costs for the program requirements are not changing as defined in the statute.

**G) Regulatory Impact Summary Table** (This table only includes fiscal impacts that could be measured. If there are inestimable fiscal impacts, they will not be included in this table. Inestimable impacts will be included in narratives above.)

**Please address questions regarding information on this notice to the persons listed above.**

**General Information**

<b>2. Rule or section catchline:</b>
R151-14. New Automobile Franchise Act Rule

**3. Purpose of the new rule or reason for the change:**  
 H.B. 534 in the 2024 General Session, Boards and Commissions Modifications, repealed the Utah Motor Vehicle Franchise Advisory Board.  
  
 This filing updates Rule R151-14 to remove any references to the Board to comport with the H.B. 534 (2024).

**4. Summary of the new rule or change:**  
 In addition to removing references to the Board, this amendment clarifies the agency's adjudicative procedures involving disputes between franchise dealers and manufacturers, includes an email address as to registration applications, and generally simplifies and removes unnecessary language.

**Fiscal Information**

**5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:**

**A) State budget:**

In passing H.B. 534 (2024), the fiscal impact statement included an analysis of the costs and savings in removing the repealed Boards. Therefore, there is no need to complete the table in box 5G below.

Additionally, there are no costs or savings anticipated from other amendments which clarify adjudicative procedures, add an email address in the registration application, and generally simplify the language of the rule.

**B) Local governments:**

This rule will likely not result in any direct measurable impact to local governments as they are not generally involved in the agency's adjudications of disputes between franchise dealers and manufacturers.

**C) Small businesses ("small business" means a business employing 1-49 persons):**

This rule is not expected to affect small businesses. Even though the advisory board is repealed by H.B. 534 (2024), the agency will still adjudicate disputes between dealers and manufacturers.

As noted above, no costs or savings are anticipated from removing references to the advisory board and clarifying adjudicative procedures before the agency, adding an email address in the registration application, and simplifying the language of the rule.

**D) Non-small businesses ("non-small business" means a business employing 50 or more persons):**

This rule is not expected to affect non-small businesses. Even though the advisory board is repealed by H.B. 534 (2024), the agency will still adjudicate disputes between dealers and manufacturers.

As noted above, no costs or savings are anticipated from removing references to the advisory board and clarifying adjudicative procedures before the agency, adding an email address in the registration application, and simplifying the language of the rule.

**E) Persons other than small businesses, non-small businesses, state, or local government entities ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an *agency*):**

This rule is not expected to affect persons other than small businesses, non-small businesses, state or local governments. Even though the advisory board is repealed by H.B. 534 (2024), the agency will still adjudicate disputes between dealers and manufacturers.

As noted above, no costs or savings are anticipated from removing references to the advisory board and clarifying adjudicative procedures before the agency, adding an email address in the registration application, and simplifying the language of the rule.

**F) Compliance costs for affected persons (How much will it cost an impacted entity to adhere to this rule or its changes?):**

This rule is not expected to result in direct measurable costs for affected persons. Even though the advisory board is repealed by H.B. 534 (2024), the agency will still adjudicate disputes between dealers and manufacturers.

As noted above, no costs or savings are anticipated from removing references to the advisory board and clarifying adjudicative procedures before the agency, adding an email address in the registration application, and simplifying the language of the rule.

<b>2. Rule or section catchline:</b>
R152-71. Utah Minor Protection In Social Media Act Rule
<b>3. Purpose of the new rule or reason for the change:</b>
This rule is being enacted as required by S.B. 194, 2024 General Session, codified as Title 13, Chapter 71, Utah Minor Protection In Social Media Act.
<b>4. Summary of the new rule or change:</b>
This rule: defines terms; establishes the processes and means by which a social media company may assure whether a current or prospective Utah account holder is a minor in accordance with Section 13-71-201, and obtain verifiable parental consent in accordance with Section 13-71-203; establishes criteria a social media company may use to determine whether its age assurance system is at least 95% accurate in determining whether a current or prospective Utah account holder is a minor; establishes standards applicable to data use, retention, protection, and disposal; and aids the division's administration and enforcement of Title 13, Chapter 71, Utah Minor Protection in Social Media Act.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b>
The proposed rule is not anticipated to have a fiscal impact on the state budget beyond that already described in the Fiscal Note to S.B. 194 (2024).
<b>B) Local governments:</b>
The proposed rule is not anticipated to have a fiscal impact on the local governments beyond that already described in the Fiscal Note to S.B. 194 (2024).
<b>C) Small businesses</b> ("small business" means a business employing 1-49 persons):
The proposed rule is not anticipated to have a fiscal impact on small businesses beyond those already described in the Fiscal Note to S.B. 194 (2024).
<b>D) Non-small businesses</b> ("non-small business" means a business employing 50 or more persons):
This rule will have a fiscal impact on non-small businesses that is inestimable because the number of non-small businesses to which this rule will apply is not readily available and is fluid.

Additionally, the costs will vary depending on the age assurance and parental consent verification methods chosen by a social media company.

However, the Division of Consumer Protection (Division) anticipates that age assurance costs for a social media company will be: a range of \$0.05 to \$0.45 per completed age assurance attempt or parental consent verification per Utah account holder, depending on method used, vendor, and volume; and \$2,000, at minimum, per year per social media company for geo location services.

Depending on the services used, there may be up-front and ongoing costs or fees but these costs or fees are inestimable, particularly if a social media company already employs age assurance or parental consent verification methods.

Similarly, costs related to data use, protection, and retention standards are inestimable because social media companies use varying methods to comply with other similar regulations, including Title 13, Chapter 61, Utah Consumer Privacy Act, the European Union's General Data Protection Regulation, and the California Consumer Privacy Act, among others.

A social media company's existing data use, protection, and retention standards, which are unknown to the Division, are expected to impact the cost of compliance with this rule, rendering these costs inestimable.

**E) Persons other than small businesses, non-small businesses, state, or local government entities** ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an **agency**):

The proposed rule is not anticipated to have a fiscal impact on persons other than small businesses, non-small businesses, state, or local government entities beyond that already described in the Fiscal Note to S.B. 194 (2024).

**F) Compliance costs for affected persons** (How much will it cost an impacted entity to adhere to this rule or its changes?):

Compliance costs for affected persons are inestimable because the number of affected persons to whom this rule will apply is not readily available and is fluid.

Additionally, the costs will vary depending on the age assurance and parental consent verification methods chosen by a social media company.

However, the Division anticipates that age assurance costs for a social media company will be: a range of \$0.05 to \$0.45 per completed age assurance attempt or parental consent verification per Utah account holder, depending on method used, vendor, and volume; and \$2,000, at minimum, per year per social media company for geo location services.

Depending on the services used, there may be up-front and ongoing costs or fees but these costs or fees are inestimable, particularly if a social media company already employs age assurance or parental consent verification methods.

Similarly, costs related to data use, protection, and retention standards are inestimable because social media companies use varying methods to comply with other similar regulations, including Title 13, Chapter 61, Utah Consumer Privacy Act, the European Union's General Data Protection Regulation, and the California Consumer Privacy Act, among others.

A social media company's existing data use, protection, and retention standards, which are unknown to the Division, are expected to impact the cost of compliance with this rule, rendering these costs inestimable.

R356-8. Designation of Commission Duties
<b>3. Purpose of the new rule or reason for the change:</b>
The purpose of this rule is to allow the Commission to designate an entity to perform a specified duty of the Commission as described in Subsection 63M-7-204(2).
<b>4. Summary of the new rule or change:</b>
This rule describes how entities designated by the Commission shall operate and creates the Sex Offense Management Advisory Committee.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b>
This rule will not result in any cost or savings to the state budget because it does not add to nor take away any of the duties of the Commission, it merely designates the Sex Offense Management Advisory Committee to perform those duties.
<b>B) Local governments:</b>
This rule will not have a fiscal impact on local governments revenues or expenditures because it only applies to the duties that are required of the Commission.
<b>C) Small businesses</b> ("small business" means a business employing 1-49 persons):
This rule will not have a fiscal impact on small businesses because it only applies to the duties that are required of the Commission.
<b>D) Non-small businesses</b> ("non-small business" means a business employing 50 or more persons):
This rule will not have a fiscal impact on non-small businesses because it only applies to the duties that are required of the Commission.

<b>2. Rule or section catchline:</b>
R356-9. Victim Complaints
<b>3. Purpose of the new rule or reason for the change:</b>
The purpose of this rule is to establish procedures for a victim of a crime to submit a complaint of a violation of the victim's rights to the Victim Services Commission and for a Victim Rights Committee to consider a complaint.
<b>4. Summary of the new rule or change:</b>
This rule creates the position of the Committee Coordinator and describes how a victim may file a complaint with the Victim Services Commission.
This rule also describes what the Coordinator and the Committee must do when a victim's complaint is received.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b>
This new rule will not result in any cost or savings to the state budget because it only describes the procedures that the Coordinator and the Committees must follow when a victim submits a complaint.
<b>B) Local governments:</b>
This new rule only relates to the duties of the Coordinator and the Committees and thus will not result in any cost or savings to local governments.
<b>C) Small businesses ("small business" means a business employing 1-49 persons):</b>
This new rule only relates to the duties of the Coordinator and the Committees and thus will not result in any cost or savings to small businesses.

The purpose of this rule is to create rules for the Economic Assistance Grant, which is created by Section 63N-3-10.
<b>4. Summary of the new rule or change:</b>
This rule defines words for the Economic Assistance Grant, content of applications, grant eligibility, evaluation priorities, and reporting rules. It will impact grant applicants.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b>
There is no new aggregate anticipated costs or savings to the state budget. The rule is clarifying how the Governor's Office of Economic Opportunity (GOEO) will carry out a statutorily mandated program.
<b>B) Local governments:</b>
There is no new aggregate anticipated cost of savings to local governments because local governments are not required to comply with or enforce this rule.
<b>C) Small businesses</b> ("small business" means a business employing 1-49 persons):
There is no new aggregate anticipated cost or savings to small businesses because this proposed rule does not create new obligations for small businesses, nor does it increase the costs associated with any existing obligation.  Participation in the program is optional.
<b>D) Non-small businesses</b> ("non-small business" means a business employing 50 or more persons):
There is no new aggregate anticipated cost or savings to non-small businesses because this proposed rule does not create new obligations for non-small businesses, nor does it increase the costs associated with any existing obligation.  Participation in the program is optional.

**2. Rule or section catchline:**  
 R380-350. Community Health Worker Certification

<p><b>3. Purpose of the new rule or reason for the change:</b></p> <p>The purpose of this proposed amendment is to update this rule based on recodification, following the reorganization of the Department of Health and Human Services, (Department) and to clarify certification processes and penalties in compliance with statute.</p>
<p><b>4. Summary of the new rule or change:</b></p> <p>This proposed amendment updates recodified statute citations, clarifies penalties, and adds an Application Denial section.</p> <p>It also makes style and formatting changes to comply with the Rulewriting Manual for Utah.</p>

**Fiscal Information**

<p><b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b></p>
<p><b>A) State budget:</b></p> <p>This proposed amendment is not expected to have a fiscal impact on the state budget, as it clarifies the application denial process and updates outdated citations following the recodification of the Department's statute as a result of the 2023 General Session.</p> <p>This proposed amendment reflects existing statutory language for a potential fee for violation up to \$100. As this potential fee is not a result of this rule filing, this proposed amendment is not anticipated to result in a cost or savings to the state budget.</p>
<p><b>B) Local governments:</b></p> <p>This proposed rule amendment is not anticipated to have a fiscal impact on local governments' revenues or expenditures, as this filing does not apply to local governments.</p>
<p><b>C) Small businesses</b> ("small business" means a business employing 1-49 persons):</p> <p>This proposed amendment is not anticipated to have a fiscal impact on small businesses, as this filing does not apply to small businesses.</p> <p>Though this proposed amendment reflects existing statutory language for a potential fee for violation up to \$100, this potential fee is not applicable to small businesses.</p>
<p><b>D) Non-small businesses</b> ("non-small business" means a business employing 50 or more persons):</p> <p>This proposed amendment is not anticipated to have a fiscal impact on non-small businesses, as this filing does not apply to non-small businesses.</p> <p>Though this proposed amendment reflects existing statutory language for a potential fee for violation up to \$100, this potential fee is not applicable to non-small businesses.</p>
<p><b>E) Persons other than small businesses, non-small businesses, state, or local government entities</b> ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an <i>agency</i>):</p> <p>This proposed amendment is not anticipated to have a fiscal impact on other persons, as this filing does not introduce or remove processes or requirements related to a potential cost or savings for other persons.</p> <p>This proposed amendment reflects existing statutory language for a potential fee for violation up to \$100, which would apply to individuals, but is not a result of this filing.</p>
<p><b>F) Compliance costs for affected persons</b> (How much will it cost an impacted entity to adhere to this rule or its changes?):</p> <p>An individual found in violation of Section 26B-2-504 may be fined up to \$100, and while this language is reflected in this filing, it already exists in statute and is therefore not a result of this filing.</p> <p>There are no other anticipated compliance costs associated with this proposed amendment.</p>

**General Information**

<b>2. Rule or section catchline:</b>
R523-19. Community Mental Health Crisis and Suicide Prevention Training Grant Standards
<b>3. Purpose of the new rule or reason for the change:</b>
Following the consolidation of the Department of Health and Human Services, this proposed amendment is necessary to update statutory citations and make style and formatting changes for clarity and consistency with the Rulewriting Manual for Utah.
<b>4. Summary of the new rule or change:</b>
This proposed amendment updates statute citations, corrects grammatical and other formatting errors, provides greater clarity to the reader, and aligns the rule text with the Rulewriting Manual for Utah.  Also, it removes "suicide prevention" from the title of the grant throughout this rule so that the reference to the grant is consistent with the way it appears in statute and will not be confused with a separate suicide prevention grant managed by the Office of Substance Use and Mental Health.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b>
There is no anticipated fiscal impact to the state as a result of this rule, as the proposed changes to this rule update citations and wording throughout this rule but do not alter the standards for the grant itself, nor the grant's dependency on Legislative allocations for funding.
<b>B) Local governments:</b>
There is no anticipated fiscal impact to local governments as a result of this rule, as the proposed changes to this rule update citations and wording throughout this rule but do not alter the standards for the grant itself.
<b>C) Small businesses</b> ("small business" means a business employing 1-49 persons):
There is no anticipated fiscal impact to small businesses as a result of this rule, as the proposed changes to this rule update citations and wording throughout this rule but do not alter the standards for the grant itself.
<b>D) Non-small businesses</b> ("non-small business" means a business employing 50 or more persons):
There is no anticipated fiscal impact to non-small businesses as a result of this rule, as the proposed changes to this rule update citations and wording throughout this rule but do not alter the standards for the grant itself.
<b>E) Persons other than small businesses, non-small businesses, state, or local government entities</b> ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an <b>agency</b> ):
There is no anticipated fiscal impact to other persons as a result of this rule, as the proposed changes to this rule update citations and wording throughout this rule but do not alter the standards for the grant itself.
<b>F) Compliance costs for affected persons</b> (How much will it cost an impacted entity to adhere to this rule or its changes?):
There are no compliance costs associated with this filing for impacted entities.

**G) Regulatory Impact Summary Table** (This table only includes fiscal impacts that could be measured. If there are inestimable fiscal impacts, they will not be included in this table. Inestimable impacts will be included in narratives above.)

<b>Please address questions regarding information on this notice to the persons listed above.</b>		

**General Information**

<b>2. Rule or section catchline:</b>
R523-20. Community Firearms Violence and Suicide Prevention Standards
<b>3. Purpose of the new rule or reason for the change:</b>
The proposed amendment updates statutory citations following the consolidation of the Department of Health and Human Services (Department). Upon reviewing this rule during the amendment process, the Office of Substance Use and Mental Health deemed it necessary to provide more specificity within the rule text concerning rebates given for the purchase of firearms safes, in anticipation that the Utah State Legislature might someday allocate funds for that program to recontinue.
<b>4. Summary of the new rule or change:</b>
The proposed amendment updates statutory citations and aligns the style and formatting of this rule with the standards in the Rulewriting Manual for Utah.  It additionally updates possible reimbursement amounts, terminology, and standards for the firearms safe rebate program.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b>
This rule change is not anticipated to result in a fiscal impact to the state budget because the firearms safe rebate program has no ongoing funding and is subject to available appropriations by the Legislature. When the program last had funds in FY20, a total of 1,958 applications were completed, of which 25 were disqualified due to unmet requirements and 79 were incomplete. Of the 1,854 approved applications, 1,388 individuals submitted proof of purchase and received a rebate check via USPS mail, totaling \$121,694.  These rebates consisted of 50% of the pre-tax sales amount but did not exceed \$100, making the average rebate amount received \$87.68. With an average rebate check of \$87.68, every \$100,000 the Legislature appropriates to this program could be used to provide rebates to approximately 1,140 individuals.
<b>B) Local governments:</b>
Local health departments are the only newly identified local government entities that may be impacted by this filing. However, there is no anticipated fiscal impact, as they are being provided materials to distribute within their community at no cost to local governments.
<b>C) Small businesses ("small business" means a business employing 1-49 persons):</b>
Small businesses may be indirectly affected by this rule. The Department has determined that sporting goods stores, NAICS 54111, of which there are 331 in the state at this time, are the most likely retailers to sell firearm safes, and this rule provides an incentive to concealed firearm permit holders to potentially purchase a safe from one of these businesses.  In FY20, 1,388 individuals purchased safes and were eligible for a rebate, but it is unknown how many purchased safes from small businesses.  However, as there is not enough information to predict a possible increase in sales as a result of the rebate, this benefit amount is inestimable.

**D) Non-small businesses** ("non-small business" means a business employing 50 or more persons):

Non-small businesses may be indirectly affected by this rule. The Department has determined that 15 non-small business sporting goods retailers and three other general merchandise non-small businesses, NAICS 452319, in the state may provide firearm safes for purchase, and this rule provides an incentive to concealed firearm permit holders to potentially purchase a safe from one of these businesses.

In FY20, 1,388 individuals purchased safes and were eligible for a rebate, but it is unknown how many purchased safes from non-small businesses.

However, as there is not enough information to predict a possible increase in sales as a result of the rebate, this benefit amount is inestimable.

**E) Persons other than small businesses, non-small businesses, state, or local government entities** ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an **agency**):

The firearm safe rebate is only available to Utah residents either with a current concealed firearm permit or currently applying for a concealed firearm permit.

The amount of reimbursable money available per person through this rebate program, not to exceed \$200 and not less than \$10 per rebate.

Any benefit is inestimable because the reimbursement formula is reliant on varying prices of firearm safes.

**F) Compliance costs for affected persons** (How much will it cost an impacted entity to adhere to this rule or its changes?):

There are no anticipated compliance costs associated with this rule change for affected persons, as any related funding would have already been appropriated by the Legislature.

**G) Regulatory Impact Summary Table** (This table only includes fiscal impacts that could be measured. If there are inestimable fiscal impacts, they will not be included in this table. Inestimable impacts will be included in narratives above.)

**General Information**

<b>2. Rule or section catchline:</b>
R525-6. Prohibited Items and Devices

<b>3. Purpose of the new rule or reason for the change:</b>
Following a five-year review of this rule, the agency identified language that should be reworded and restructured for greater clarity and compliance with the Rulewriting Manual for Utah, as well as greater clarity in its explanation of the rulemaking authority.

<b>4. Summary of the new rule or change:</b>
This proposed amendment updates citations for rulemaking authority and provides information on those citations.
Additionally, it makes style and formatting changes in accordance with the Rulewriting Manual for Utah.

**Fiscal Information**

**5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:**

**A) State budget:**

This amendment is not anticipated to introduce a cost or savings to the state budget, as it updates citations, clarifies statutory authority, and includes updates to style and formatting in accordance with the Rulewriting Manual for Utah.

It does not add, remove, or replace established safe areas, which could have potentially resulted in a fiscal impact.

**B) Local governments:**

This amendment is not anticipated to introduce a cost or savings to local governments, as it updates citations, clarifies statutory authority, and includes updates to style and formatting in accordance with the Rulewriting Manual for Utah.

It does not add, remove, or replace established safe areas, which could have potentially resulted in a fiscal impact.

**C) Small businesses ("small business" means a business employing 1-49 persons):**

This amendment is not anticipated to introduce a cost or savings to small businesses, as this rule does not apply to small businesses.

**D) Non-small businesses ("non-small business" means a business employing 50 or more persons):**

This amendment is not anticipated to introduce a cost or savings to non-small businesses, as this rule does not apply to non-small businesses.

**E) Persons other than small businesses, non-small businesses, state, or local government entities ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an *agency*):**

This amendment is not anticipated to introduce a cost or savings to other persons, as this rule does not apply to this group.

**F) Compliance costs for affected persons (How much will it cost an impacted entity to adhere to this rule or its changes?):**

There is no compliance cost associated with this amendment, as it does not change existing requirements for affected parties.

<b>2. Rule or section catchline:</b>
R657-5. Taking Big Game
<b>3. Purpose of the new rule or reason for the change:</b>
This rule is being amended pursuant to Regional Advisory Council and Wildlife Board meetings conducted annually for taking public input and reviewing the Division of Wildlife Resources' (DWR) rule pursuant to taking Big Game.
<b>4. Summary of the new rule or change:</b>
The proposed amendments to this rule place the rule in line with H.B. 222, Wildlife Hunting Amendments, passed in the 2024 General Session which clarifies the amount of Hunter Orange that a hunter needs to wear.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b>
The amendments to Rule R657-5 are administrative in nature, DWR has determined that these changes can be initiated within the current workload and resources of the DWR, therefore, the DWR does not believe that these amendments would create a cost or savings impact to the state budget or the DWR's budget since the changes will not increase workload and can be carried out with existing budget.
<b>B) Local governments:</b>
Local governments are not directly or indirectly impacted by these proposed amendments because this rule does not create a situation requiring services from local governments.
<b>C) Small businesses</b> ("small business" means a business employing 1-49 persons):
The proposed rule amendments will not directly impact small businesses because a service is not required of them.
<b>D) Non-small businesses</b> ("non-small business" means a business employing 50 or more persons):
The proposed rule amendments will not directly impact non-small businesses because a service is not required of them.
<b>E) Persons other than small businesses, non-small businesses, state, or local government entities</b> ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an <b>agency</b> ):
The proposed rule amendments do not have the potential to impact other persons that hunt big game in Utah, nor is a service required of them.
<b>F) Compliance costs for affected persons</b> (How much will it cost an impacted entity to adhere to this rule or its changes?):
DWR has determined that this amendment may not create additional costs for those individuals wishing to hunt big game in Utah because it simply clarifies what amount of hunter orange needs to be visible.
<b>G) Regulatory Impact Summary Table</b> (This table only includes fiscal impacts that could be measured. If there are inestimable fiscal impacts, they will not be included in this table. Inestimable impacts will be included in narratives above.)

<b>2. Rule or section catchline:</b>
R995-100. School Readiness Board
<b>3. Purpose of the new rule or reason for the change:</b>
During the 2024 General Session, the Legislature passed S.B. 220, School Readiness Amendments, which repealed the School Readiness Board, created a school readiness team, renamed school readiness grant programs, established an order for awarding school readiness funds, and amended certain criteria under which grants will be administered and monitored.
<b>4. Summary of the new rule or change:</b>
This rule change clarifies terms, replaces the School Readiness Board with the school readiness team, describes the priority for school readiness funds, amends grant requirements and monitoring consistent with the legislative changes, establishes the procedure and tools for evaluating grant recipients, and describes the process under which the Department may provide funding by contracting with a program.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b>
This rule change is not expected to have a fiscal impact on state budget revenues or expenditures that were not already accounted for by the fiscal note to S.B. 220 (2024). The fiscal note provides that the Department of Workforce Services expenditures for personnel costs may increase as a result of the legislation.  However, no additional costs or savings are anticipated as a result of this rule change.
<b>B) Local governments:</b>
This rule change is not expected to have any fiscal impact on local governments' revenues or expenditures because the program does not rely on local governments for funding, administration, or enforcement.
<b>C) Small businesses ("small business" means a business employing 1-49 persons):</b>
This rule change is not expected to result in any costs or savings to small businesses other than those existing costs or savings that may be realized by a provider that applies for, maintains eligibility for, or receives an award of school readiness funds.
<b>D) Non-small businesses ("non-small business" means a business employing 50 or more persons):</b>
This rule change is not expected to result in any costs or savings to non-small businesses other than those existing costs or savings that may be realized by a provider that applies for, maintains eligibility for, or receives an award of school readiness funds.
<b>E) Persons other than small businesses, non-small businesses, state, or local government entities ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an <i>agency</i>):</b>
There are no anticipated costs or savings to other persons because the rule change requires no action or expenditure by any person.

**F) Compliance costs for affected persons** (How much will it cost an impacted entity to adhere to this rule or its changes?):

The proposed rule amendment is not expected to cause any compliance costs for affected persons because the changes do not create any new administrative fees.

**G) Regulatory Impact Summary Table** (This table only includes fiscal impacts that could be measured. If there are inestimable fiscal impacts, they will not be included in this table. Inestimable impacts will be included in narratives above.)

# FIVE-YEAR NOTICES OF REVIEW AND STATEMENTS OF CONTINUATION

Within five years of an administrative rule's original enactment or last five-year review, the agency is required to review the rule. This review is intended to help the agency determine, and to notify the public, that the administrative rule in force is still authorized by statute and necessary. Upon reviewing a rule, an agency may: repeal the rule by filing a **PROPOSED RULE**; continue the rule as it is by filing a **FIVE-YEAR NOTICE OF REVIEW AND STATEMENT OF CONTINUATION (REVIEW)**; or amend the rule by filing a **PROPOSED RULE** and by filing a **REVIEW**. By filing a **REVIEW**, the agency indicates that the rule is still necessary.

A **REVIEW** is not followed by the rule text. The rule text that is being continued may be found in the online edition of the *Utah Administrative Code* available at [adminrules.utah.gov](http://adminrules.utah.gov). The rule text may also be inspected at the agency or the Office of Administrative Rules. **REVIEWS** are effective upon filing.

**REVIEWS** are governed by Section 63G-3-305.

### General Information

<b>2. Rule catchline:</b>	R65-1. Utah Apple Marketing Order	
<b>3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require this rule:</b>	Per Subsections, 4-2-103(1)(e) and 4-2-103(1)(i), the Department of Agriculture and Food (Department) may issue a marketing order to promote orderly promotions for any product, give producers a fair return in the marketplace, and promote, not restrict Utah's agricultural commodities.	
	This rule dedicates apples grown and marketed in the state in a marketing order. This marketing order provides information for the Utah Apple Marketing Board (Board) about its duties, members, collection and disbursement of fees, and procedures if there are violations or if the commissioner decides to dissolve this marketing order.	

**4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:**

The Department has not received any supportive or opposing public comments regarding this rule in the last five years.

**5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:**

Although the Department has not received any public comments regarding this rule, the Department has determined that this rule is necessary as the marketing order for apples grown and marketed in Utah. Apples are an essential commodity to the economy of the state and fair marketing practices contribute to that success.

This rule or marketing order ensures producers receive a fair return on promoting their products throughout the state. This rule provides essential procedures to ensure a fair collection of funds that the Board may use for promoting Utah grown apples and it clarifies the Board's duties and requirements. Therefore, this rule should be continued.

**2. Rule catchline:**  
R70-910. Registration of Servicepersons for Commercial Weighing and Measuring Devices

**3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require this rule:**

Under Section 4-9-103, the Department of Agriculture and Food (Department) is authorized to make rules to administer and enforce the Weights and Measures in the state. The Weights and Measures program is complex and oversees weights and measuring devices, as well as the registration of Servicepersons or Service Agencies.

The program adopts standards and requirements as listed in the NIST Handbook 130, Uniform Laws and Regulations in the Areas of Legal Metrology and Fuel Quality as adopted by the 108th National Conference on Weights and Measures. The Department regulates Weights and Measures devices and Servicepersons throughout the state to ensure that equity prevails in the marketplace and that commodities bought or sold are accurately weighed or measured and properly identified.

**4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:**

The Department has not received any written comments supporting or opposing this rule within the last five years.

**5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:**

This rule is important to provide clarifying information about Weights and Measures throughout the state to ensure equity in the marketplace by providing an accurate weight or measure of commodities that are sold or bought.

The Department has filed a revised rule that provides clarity and reduces redundancy by repealing Rules R70-950, R70-930, and R70-920. The revised rule, effective August 2024, will have various sections that adopt the chapters of the NIST Handbook 130 that relate to the repealed rules which will help the user identify applicable Weights and Measures requirements.

Also, this rule provides information regarding the standards or requirements that the Department may exempt from the NIST Handbook 130 and that do not apply to the Weights and Measures devices or Servicepersons in Utah. Therefore, this rule should be continued.

<b>2. Rule catchline:</b>
R156-38a. Residence Lien Restriction and Lien Recovery Fund Rule
<b>3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require this rule:</b>
Title 38, Chapter 11, provides for the Residence Lien Recovery Fund (Fund).
Section 38-11-103 provides that this chapter is to be administered by the Division of Professional Licensing (Division).
Section 38-11-105 and Subsection 38-11-108(2) provide that the Division shall establish procedures by rule with respect to the Fund.
This rule was enacted to clarify the provisions of Title 38, Chapter 11, with respect to the Fund.

**4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:**

Since this rule was last reviewed in September 2019, the Division has received no written comments with respect to this rule nor have any amendments been filed to the rule since August 2018.

**5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:**

This rule is necessary for several reasons. First, this rule sets forth the evidentiary requirements for Fund applications.

Second, this rule codifies years of decisions so the public has a single, convenient reference for guidance on taking advantage of the Residence Lien Restriction and Lien Recovery Fund Act.

Finally, this rule is the repository of instructions for all Fund activities. Without that guidance, the Fund's workings would become mired in inefficiency and contradiction. Therefore, this rule should be continued.

R156-38b. State Construction Registry Rule
<b>3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require this rule:</b>
Title 38, Chapter 1a, Part 2, creates the State Construction Registry. Title 38, Chapter 1a, Part 2, provides that the State Construction Registry is to be overseen by the Division of Professional Licensing (Division).
Subsection 38-1a-202(3)(a) provides that the Division shall establish procedures by rule with respect to the State Construction Registry. This rule was enacted to clarify the provisions of Title 38, Chapters 1a, and 1b, with respect to the State Construction Registry.

**4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:**

Since this rule was last reviewed in September 2019, the Division has received no written comments with respect to this rule nor have any amendments been filed to the rule since May 2017.

**5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:**

This rule is necessary as it provides a mechanism to inform persons and companies who utilize the State Construction Registry of requirements as allowed under the statutory authority provided in Title 38, Chapters 1a and 1b. Therefore, this rule should be continued.

<b>2. Rule catchline:</b>
R156-84. State Certification of Music Therapists Act Rule

**3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require this rule:**

Title 58, Chapter 84, provides for the state certification of music therapists.

Subsection 58-1-106(1) provides that the Division of Professional Licensing (Division) may adopt and enforce rules to administer Title 58.

This rule was enacted to clarify the provisions of Title 58, Chapter 84, with respect to music therapists.

**4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:**

Since this rule was last reviewed in September 2019, the Division has received no written comment with respect to this rule nor has the Division filed any amendments with respect to this rule.

**5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:**

This rule is necessary as it provides a mechanism to inform potential music therapists of the requirements for state certification as allowed under statutory authority provided in Title 58, Chapter 82.

This rule is also necessary as it provides information to ensure applicants for state certification are adequately trained and meet minimum requirements, and provides state certified music therapists with information concerning unprofessional conduct, definitions, and ethical standards relating to the profession. Therefore, this rule should be continued.

<b>2. Rule catchline:</b>
R628-22. Conditions and Procedures for the Use of Negotiable Brokered Certificates of Deposit
<b>3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require this rule:</b>
Subsection 51-7-17(4)(b) allows public entities to invest in negotiable brokered certificates of deposit, subject to rules made by the Council.
<b>4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:</b>
There have been no written comments received during and since the addition of this rule in 2019.
<b>5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:</b>
This rule provides the conditions and procedures that must be followed for public entities to purchase negotiable brokered certificates of deposit. These types of deposit investments are used extensively by Utah public treasurers and the conditions and procedures need to be in place to prevent loss of public funds. These procedures limit length of maturity, par value and purchase price and limits the use of some structures of brokered certificates of deposit.

Council reviewed this rule in their last meeting and concurred that it is still necessary. The Council did note one nonsubstantive change as LIBOR has been phased out and there is a new replacement for that. Council voted unanimously to keep the rule and asked that the nonsubstantive change be filed. Therefore, this rule should be continued.

**General Information**

<b>2. Rule catchline:</b>
R746-460. Rules Governing Customer Information and Marketing for Large-Scale Electric and Gas Utilities
<b>3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require this rule:</b>
Section 54-4-1 vests the Public Service Commission (PSC) "with power and jurisdiction to supervise and regulate every public utility in this state, and to supervise all of the business of every such public utility ... and to do all things ... specifically designated or in addition thereto, which are necessary or convenient in the exercise of such power and jurisdiction."
Section 54-3-1 requires all rates and policies of public utilities to be just and reasonable and requires public utilities to provide service that is "adequate, efficient, just and reasonable." Consistent with its jurisdiction and to advance these statutory purposes, this rule provides protections, as enumerated in the rule, to consumers regarding their personal information and usage data. It also provides certain protections to ensure any affiliate marketing to customers is not predatory, requiring disclosures that the product offered is from an affiliate and declining to purchase a product will not adversely affect customers' utility service.
<b>4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:</b>
The PSC has received no written comments from any interested person supporting or opposing this rule since the last five-year review.
<b>5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:</b>
This rule protects customers' personal information and usage data and ensures that affiliate marketing is not deployed in a predatory manner. This rule also provides basic consumer protections that are not controversial and well within the scope of the PSC's statutory authority. Therefore, this rule should be continued.

**General Information**

<b>2. Rule catchline:</b>
R746-700. Complete Filings for General Rate Case and Major Plant Addition Applications
<b>3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require this rule:</b>
Section 54-7-12 governs "general rate increases" and "general rate decreases," as defined in that statute, requiring the Public Service Commission (PSC) to conduct a proceeding and hold a hearing to consider applications to change the rates public utilities charge consistent with the provisions of the statute.
Section 54-7-12 requires the PSC to establish administrative rules defining the requirements of a "complete filing." These criteria are important because the submittal of a "complete filing" commences the statutory timeframe within which the PSC must issue a decision regarding the rate change.
Section 54-7-13.4 similarly requires the PSC to establish rules defining the requirements of a "complete filing" for "major plant additions," allowing gas and electric public utilities to seek alternative cost recovery under circumstances enumerated in the statute.
This rule, R746-700, is statutorily necessary because it defines the requirements for a "complete filing" as these statutes require.
<b>4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:</b>
The PSC has received no written comments from any interested person supporting or opposing this rule since the last five-year review.
<b>5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:</b>
The rule is statutorily mandated to exist pursuant to Subsections 54-7-12(1)(b)(i) and 54-7-13.4(1)(a)(i). Therefore, this rule should be continued.

<b>4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:</b>	No written comments have been received during the specified time period.		
<b>5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:</b>	This rule is necessary because it places visitors to the University of Utah (University) campus on notice of the University's behavioral expectations, of the possible sanctions that may be imposed for violations of those behavioral standards, and of the process that the University will follow (an informal adjudicative process pursuant to Utah Administrative Rule R765-134) in the event that it needs to exclude a visitor from campus for extended periods of time. Therefore, this rule should be continued.

<b>2. Rule catchline:</b>
R990-200. Private Activity Bonds
<b>3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require this rule:</b>
Section 35A-8-2104 requires the Private Activity Bond Review Board (Board) to make rules for the allocation of private activity bond volume cap to qualified applicants.
<b>4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:</b>
<p>The Department of Workforce Services (Department) received written comments concerning an amendment to Rule R990-200 regarding application criteria, including a requirement that an applicant be in good standing with the Utah Housing Corporation for the preceding five years, and application review procedures.</p> <p>Two commenters opposed the amendment, arguing it lacked objective standards or oversight for determining good standing, and that a five-year prohibition was too harsh a penalty, particularly if the circumstances leading to the good standing determination had been resolved.</p> <p>Another commenter noted certain wording in the amendment may create confusion but did not oppose the amendment.</p>
<b>5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:</b>
<p>This rule is necessary because it outlines the criteria by which an applicant's request for bonding authority will be reviewed and private activity bond volume cap is allocated or extended, and when allocation and bond authority may be revoked. This rule enables the Department to allocate private activity bond volume cap as directed by Part 21 of Title 35A, Chapter 8, and is an appropriate interpretation of that part. Therefore, this rule should be continued.</p> <p>Regarding the opposition to the amendment to Rule R990-200, the Board held a public meeting to consider the comments before the implementation of the rule change, and the Department subsequently filed a Change in Proposed Rule.</p>

## NOTICES OF RULE EFFECTIVE DATES

---

State law provides for agencies to make their administrative rules effective and enforceable after publication in the *Utah State Bulletin*. In the case of **PROPOSED RULES** or **CHANGES IN PROPOSED RULES** with a designated comment period, the law permits an agency to make a rule effective no fewer than seven calendar days after the close of the public comment period, nor more than 120 days after the publication date. In the case of **CHANGES IN PROPOSED RULES** with no designated comment period, the law permits an agency to make a rule effective on any date including or after the thirtieth day after the rule's publication date, but not more than 120 days after the publication date. If an agency fails to file a **NOTICE OF EFFECTIVE DATE** within 120 days from the publication of a **PROPOSED RULE** or a related **CHANGE IN PROPOSED RULE** the rule lapses.

Agencies have notified the Office of Administrative Rules that the rules listed below have been made effective.

**NOTICES OF EFFECTIVE DATE** are governed by Subsection 63G-3-301(12), Section 63G-3-303, and Sections R15-4-5a and R15-4-5b.
