## NOTICES OF PROPOSED RULES

---

A state agency may file a **PROPOSED RULE** when it determines the need for a substantive change to an existing rule. With a **NOTICE OF PROPOSED RULE**, an agency may create a new rule, amend an existing rule, repeal an existing rule, or repeal an existing rule and reenact a new rule. Filings received between September 17, 2024, 12:00 a.m., and October 01, 2024, 11:59 p.m. are included in this, the October 15, 2024, issue of the *Utah State Digest*.

In this publication, each **PROPOSED RULE** is preceded by a **RULE ANALYSIS**. This analysis provides summary information about the **PROPOSED RULE** including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

The law requires that an agency accept public comment on **PROPOSED RULES** published in this issue of the *Utah State Digest* until at least November 14, 2024. The agency may accept comment beyond this date and will indicate the last day the agency will accept comment in the **RULE ANALYSIS**. The agency may also hold public hearings. Additionally, citizens or organizations may request the agency hold a hearing on a specific **PROPOSED RULE**. Section 63G-3-302 requires that a hearing request be received by the agency proposing the rule "in writing not more than 15 days after the publication date of the proposed rule."

From the end of the public comment period through February 12, 2025, the agency may notify the Office of Administrative Rules that it wants to make the **PROPOSED RULE** effective. The agency sets the effective date. The date may be no fewer than seven calendar days after the close of the public comment period nor more than 120 days after the publication date of this issue of the *Utah State Digest*. Alternatively, the agency may file a **CHANGE IN PROPOSED RULE** in response to comments received. If the Office of Administrative Rules does not receive a **NOTICE OF EFFECTIVE DATE** or a **CHANGE IN PROPOSED RULE**, the **PROPOSED RULE** lapses.

The public, interest groups, and governmental agencies are invited to review and comment on **PROPOSED RULES**. *Comment may be directed to the contact person identified on the **RULE ANALYSIS** for each rule.*

**PROPOSED RULES** are governed by Section 63G-3-301, Rule R15-2, and Sections R15-4-3, R15-4-4, R15-4-5a, R15-4-9, and R15-4-10.

**General Information**

<b>2. Rule or section catchline:</b>
R356-1. Procedures for the Calculation and Distribution of Funds to Reimburse County Correctional Facilities Housing State Probationary Inmates or State Parole Inmates
<b>3. Purpose of the new rule or reason for the change:</b>
In the 2024 General Session, the Utah Legislature passed S.B. 48, County Correctional Facility Reimbursement Amendments, which revised the County Correctional Facility Reimbursement Program.  The purpose of this rule change is to repeal the language in the old rule that was codified in the statute. These changes are also designed to clarify the procedures a county must follow when submitting data to the Commission for reimbursement of eligible bed days spent by an inmate in a county correctional facility.
<b>4. Summary of the new rule or change:</b>
This rule describes how a county must provide data to the Commission in order to seek reimbursement for eligible bed days spent by an inmate in a county correctional facility under the County Correctional Facility Reimbursement Program.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b> The reenacted rule will not result in any cost or savings to the state budget because the rule merely removes the language from the repealed rule that is now codified in statute and describes the procedures that are already in place for a county to submit data to the Commission to seek reimbursement for eligible bed days spent by an inmate in a county correctional facility.
<b>B) Local governments:</b> The reenacted rule will not result in any cost or savings to local governments because the rule merely removes the language from the repealed rule that is now codified in statute and describes the procedures that are already in place for a county to submit data to the Commission to seek reimbursement for eligible bed days spent by an inmate in a county correctional facility.
<b>C) Small businesses</b> ("small business" means a business employing 1-49 persons): The reenacted rule will not result in any cost or savings to small businesses because it does not apply to them, only to counties seeking reimbursement for eligible bed days spent by an inmate in a county correctional facility.
<b>D) Non-small businesses</b> ("non-small business" means a business employing 50 or more persons): The reenacted rule will not result in any cost or savings to non-small businesses because it does not apply to them, only to counties seeking reimbursement for eligible bed days spent by an inmate in a county correctional facility.
<b>E) Persons other than small businesses, non-small businesses, state, or local government entities</b> ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an <b>agency</b> ): The reenacted rule will not result in any cost or savings to persons other than small businesses, non-small businesses, state, or local government entities because it does not apply to them, only to counties seeking reimbursement for eligible bed days spent by an inmate in a county correctional facility.
<b>F) Compliance costs for affected persons</b> (How much will it cost an impacted entity to adhere to this rule or its changes?): These changes to the rule will not result in compliance costs for affected persons because the changes remove the language from the old rule that is now codified in statute and describes the procedures that are already in place for a county to submit data to the Commission to seek reimbursement for eligible bed days spent by an inmate in a county correctional facility.

<b>2. Rule or section catchline:</b>
R628-22. Conditions and Procedures for the Use of Negotiable Brokered Certificates of Deposit
<b>3. Purpose of the new rule or reason for the change:</b>
The benchmark interest rate for floating rate certificates of deposit (CD) has been changed from LIBOR (London Interbank Offered Rate) to SOFR (Secured Overnight Financing Rate).
<b>4. Summary of the new rule or change:</b>
This change removes the bench mark interest rate LIBOR and adds the new benchmark SOFR. LIBOR was retired in 2023 as a benchmark and SOFR replaced it.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b>
None. This is a change in a benchmark interest rate and does not affect the state budget. It does not affect the state budget because SOFR is the "subsequent replacement" in the original rule and was used since LIBOR was retired.
<b>B) Local governments:</b>
None. This is a change in a benchmark interest rate and does not affect local governments or their use of certificates of deposit based on this benchmark. It does not affect local governments because SOFR is the "subsequent replacement" in the original rule and was used since LIBOR was retired.
<b>C) Small businesses</b> ("small business" means a business employing 1-49 persons):
None. Small businesses are not affected by the change as this rule covers use of certificates of deposit by public treasurers.
<b>D) Non-small businesses</b> ("non-small business" means a business employing 50 or more persons):

None. Persons other than the above mention groups are not affected by the change as the rule is for public entities use of certificates of deposit.
<b>F) Compliance costs for affected persons</b> (How much will it cost an impacted entity to adhere to this rule or its changes?):
None. The change was considered in the language when the rule was set up and allowed for subsequent benchmark usage which was SOFR.

**Fiscal Information**

<b>5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b>
<b>A) State budget:</b>
The amendments to Rule R657-13 are administrative in nature, DWR determines that these changes can be initiated within the current workload and resources of DWR, therefore, DWR does not believe that these amendments would create a cost or savings impact to the state budget or the DWR's budget since the changes will not increase workload and can be carried out with existing budget.
<b>B) Local governments:</b>
Local governments are not directly or indirectly impacted by these proposed amendments because the rule does not create a situation requiring services from local governments.
<b>C) Small businesses ("small business" means a business employing 1-49 persons):</b>
The proposed rule amendments will not directly impact small businesses because a service is not required of them.
<b>D) Non-small businesses ("non-small business" means a business employing 50 or more persons):</b>
The proposed rule amendments will not directly impact non-small businesses because a service is not required of them.
<b>E) Persons other than small businesses, non-small businesses, state, or local government entities ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an <i>agency</i>):</b>
The proposed rule amendments do not have the potential to financially impact other persons that take fish in Utah, nor is a service required of them. The proposed amendments add additional opportunities to fish in Utah.

**F) Compliance costs for affected persons** (How much will it cost an impacted entity to adhere to this rule or its changes?):

DWR determines that this amendment may not create additional costs for those individuals wishing to fish in Utah. The proposed amendments add additional opportunities at numerous waterbodies which do not add additional costs to participate.

<b>2. Rule or section catchline:</b>		
R657-61. Valuation of Real Property Interests for Purposes of Acquisition or Disposal		
<b>3. Purpose of the new rule or reason for the change:</b>		
This rule is being amended pursuant to Regional Advisory Council and Wildlife Board meetings conducted annually for taking public input and reviewing the Division of Wildlife Resources' (DWR) rule pursuant to acquiring, disposing or exchanging real property.		
<b>4. Summary of the new rule or change:</b>		
The rule provides the standards and procedures for how DWR may buy, sell or exchange land. The reenacted rule language provides both DWR staff and the public with a clear understanding of the process for land acquisitions, disposals, and exchanges.		
The purpose of this new language is not to materially change how DWR acquires, sells or exchanges land, but rather provide more detail and clarity to the existing process. The new rule language will:		
1) change the name of the rule to Acquisition, Disposal and Exchange of Real Property, to ensure the title of the rule reflects the contents;		
2) restructure the rule, separating information by subject, and creating a new section for Land Exchange. Each subject (acquisition, disposal, and exchange) would have its own section for improved flow and understanding;		
3) modify all definitions to improve clarity and consistency with existing real estate terms, defaulting to definitions in Utah Code;		
4) Include purpose statements for both acquisitions and disposals;		
5) add a requirement for DWR to obtain an appraisal review in addition to an appraisal, which is best practice for obtaining fair market value;		
6) simplify the memo to file requirement when using a listed exception to the appraisal requirement for both acquisitions and disposals;		
7) include references to additional sections of the Utah Code that DWR must comply with for acquisitions and disposals; 8) Explicitly state that DWR may not purchase property above, and may not sell property below, fair market value, which is required in the Utah Code;		
9) allow DWR to request mitigation for unavoidable disposals, which would be consistent with the mitigation requests available to DWR for less than fee title disposals, such as easements, in Rule R657-28, Use of Division Lands;		
10) clarify when Administrative Rule R657-61 is required for fee title disposals, and when Rule R657-28, Use of Division Lands is required, for less than fee title disposals;		
11) explicitly state that DWR must comply with other contracts and restrictions that exist on a DWR property before disposal; and		
12) Include language that DWR may only quit claim property that is being disposed, to ensure liability is protected.		

**Fiscal Information**

**5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:**

**A) State budget:**

The reenacted amendments to Rule R657-61 are administrative in nature, DWR determines that these changes would not create a cost or savings impact to the state budget or DWR's budget and can be instituted within the current budget and workload.

**B) Local governments:**

Local governments are not directly or indirectly impacted by these reenacted amendments because the rule does not create a situation requiring services from local governments.

**C) Small businesses ("small business" means a business employing 1-49 persons):**

The proposed reenacted amendments will not directly impact small businesses because a service will not be required of them.

**D) Non-small businesses ("non-small business" means a business employing 50 or more persons):**

The proposed reenacted amendments will not directly impact non-small businesses because a service will not be required of them.

**E) Persons other than small businesses, non-small businesses, state, or local government entities ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an *agency*):**

The proposed reenacted amendments will not directly impact other persons as a service is not required of them.

**F) Compliance costs for affected persons (How much will it cost an impacted entity to adhere to this rule or its changes?):**

DWR determines that this amendment will not create additional costs because it simply clarifies the process the DWR must follow when buying, selling or exchanging real property.

## NOTICES OF CHANGES IN PROPOSED RULES

---

After an agency has published a **PROPOSED RULE** in the *Utah State Bulletin*, it may receive comment that requires the **PROPOSED RULE** to be altered before it goes into effect. A **CHANGE IN PROPOSED RULE** allows an agency to respond to comments it receives.

As with a **PROPOSED RULE**, a **CHANGE IN PROPOSED RULE** is preceded by a **RULE ANALYSIS**. This analysis provides summary information about the **CHANGE IN PROPOSED RULE** including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

While the law does not designate a comment period for a **CHANGE IN PROPOSED RULE**, it does provide for a 30-day waiting period. An agency may accept additional comments during this period and, at its option, may designate a comment period or may hold a public hearing. The 30-day waiting period for **CHANGES IN PROPOSED RULES** published in this issue of the *Utah State Digest* ends November 14, 2024.

From the end of the 30-day waiting period through February 12, 2025, an agency may notify the Office of Administrative Rules that it wants to make the **CHANGE IN PROPOSED RULE** effective. When an agency submits a **NOTICE OF EFFECTIVE DATE** for a **CHANGE IN PROPOSED RULE**, the **PROPOSED RULE** as amended by the **CHANGE IN PROPOSED RULE** becomes the effective rule. The agency sets the effective date. The date may be no fewer than 30 days nor more than 120 days after the publication date of the **CHANGE IN PROPOSED RULE**. If the agency designates a public comment period, the effective date may be no fewer than seven calendar days after the close of the public comment period nor more than 120 days after the publication date. Alternatively, the agency may file another **CHANGE IN PROPOSED RULE** in response to additional comments received. If the Office of Administrative Rules does not receive a **NOTICE OF EFFECTIVE DATE** or another **CHANGE IN PROPOSED RULE** by the end of the 120-day period after publication, the **CHANGE IN PROPOSED RULE** filing, along with its associated **PROPOSED RULE**, lapses.

**CHANGES IN PROPOSED RULES** are governed by Section 63G-3-303, Rule R15-2, and Sections R15-4-3, R15-4-4, R15-4-5b, R15-4-7, R15-4-9, and R15-4-10.

## NOTICES OF 120-DAY (EMERGENCY) RULES

An agency may file a **120-DAY (EMERGENCY) RULE** when it finds that regular rulemaking procedures would:

- (a) cause an imminent peril to the public health, safety, or welfare;
- (b) cause an imminent budget reduction because of budget restraints or federal requirements; or
- (c) place the agency in violation of federal or state law (Subsection 63G-3-304(1)).

As with a **PROPOSED RULE**, a **120-DAY RULE** is preceded by a **RULE ANALYSIS**. This analysis provides summary information about the **120-DAY RULE** including the name of a contact person, justification for filing a **120-DAY RULE**, anticipated cost impact of the rule, and legal cross-references.

A **120-DAY RULE** is effective when filed with the Office of Administrative Rules, or on a later date designated by the agency. A **120-DAY RULE** is effective for 120 days or until it is superseded by a permanent rule. Because of its temporary nature, a **120-DAY RULE** is not codified as part of the *Utah Administrative Code*.

The law does not require a public comment period for **120-DAY RULES**. However, when an agency files a **120-DAY RULE**, it may file a **PROPOSED RULE** at the same time, to make the requirements permanent.

Emergency or **120-DAY RULES** are governed by Section 63G-3-304, and Section R15-4-8.

#### General Information

<b>2. Rule or section catchline:</b>	R70-101. Bedding, Upholstered Furniture, and Quilted Clothing
--------------------------------------	---

<p><b>3. Purpose of the new rule or reason for the change:</b></p> <p>The agency submits this emergency rule to extend changes from the emergency rule filed in February 2024. Since then, the agency has collaborated with industry partners to clarify online sales requirements regarding law and textile labels. The Department of Agriculture and Food (Department) filed a repeal and reenactment on June 24, 2024. Based on public comments, it filed additional clarifying changes on September 9, 2024, extending the comment period to October 15, 2024.</p> <p>The agency intends for that filing to become effective around October 22, 2024. However, a lapse in requirements exists between the expiration of the emergency rule and the reenacted rule's effectiveness.</p>
<p><b>4. Summary of the new rule or change:</b></p> <p>This additional emergency rule filing will bridge that gap while the reenacted rule remains in public comment by removing the requirements for online sales.</p>
<p><b>5A) The agency finds that regular rulemaking would:</b></p> <p><input checked="" type="checkbox"/> cause an imminent peril to the public health, safety, or welfare;</p> <p><input type="checkbox"/> cause an imminent budget reduction because of budget restraints or federal requirements; or</p> <p><input type="checkbox"/> place the agency in violation of federal or state law.</p>
<p><b>B) Specific reasons and justifications for this finding:</b></p> <p>Stakeholder discussions in early spring 2024 revealed concerns about the online sales requirements, particularly regarding retailers' inability to comply with the April 2023 filing.</p> <p>Some retailers considered ceasing sales in Utah, which would directly impact state revenue and could be detrimental to public welfare.</p>

**Fiscal Information**

<p><b>6. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:</b></p>
<p><b>A) State budget:</b></p> <p>The Department has not fully implemented the changes from the rule published in April 2023. Removing these changes will not impact the states budget and the program will continue to operate under the current resources.</p>
<p><b>B) Local governments:</b></p> <p>The changes will not impact local governments because they do not sell or regulate bedding, upholstered furniture or quilted clothing.</p>
<p><b>C) Small businesses</b> ("small business" means a business employing 1-49 persons):</p> <p>The emergency rule removing online labeling requirements will not impact small businesses as it eliminates the compliance costs related to online sales.</p>
<p><b>D) Persons other than small businesses, state, or local government entities</b> ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an <b>agency</b>):</p> <p>The emergency rule will not impact other persons as it eliminates the costs associated with online sales.</p>
<p><b>E) Compliance costs for affected persons</b> (How much will it cost an impacted entity to adhere to this rule or its changes?):</p> <p>This emergency rule will not impact compliance costs because it eliminates the costs associated with complying with online labeling requirements.</p>
<p><b>F) Comments by the department head on the fiscal impact this rule may have on businesses</b> (Include the name and title of the department head):</p> <p>This rule will not have a fiscal impact on business. Craig W. Buttars, Commissioner</p>

# FIVE-YEAR NOTICES OF REVIEW AND STATEMENTS OF CONTINUATION

Within five years of an administrative rule's original enactment or last five-year review, the agency is required to review the rule. This review is intended to help the agency determine, and to notify the public, that the administrative rule in force is still authorized by statute and necessary. Upon reviewing a rule, an agency may: repeal the rule by filing a **PROPOSED RULE**; continue the rule as it is by filing a **FIVE-YEAR NOTICE OF REVIEW AND STATEMENT OF CONTINUATION (REVIEW)**; or amend the rule by filing a **PROPOSED RULE** and by filing a **REVIEW**. By filing a **REVIEW**, the agency indicates that the rule is still necessary.

A **REVIEW** is not followed by the rule text. The rule text that is being continued may be found in the online edition of the *Utah Administrative Code* available at [adminrules.utah.gov](http://adminrules.utah.gov). The rule text may also be inspected at the agency or the Office of Administrative Rules. **REVIEWS** are effective upon filing.

**REVIEWS** are governed by Section 63G-3-305.

## NOTICES OF RULE EFFECTIVE DATES

---

State law provides for agencies to make their administrative rules effective and enforceable after publication in the *Utah State Bulletin*. In the case of **PROPOSED RULES** or **CHANGES IN PROPOSED RULES** with a designated comment period, the law permits an agency to make a rule effective no fewer than seven calendar days after the close of the public comment period, nor more than 120 days after the publication date. In the case of **CHANGES IN PROPOSED RULES** with no designated comment period, the law permits an agency to make a rule effective on any date including or after the thirtieth day after the rule's publication date, but not more than 120 days after the publication date. If an agency fails to file a **NOTICE OF EFFECTIVE DATE** within 120 days from the publication of a **PROPOSED RULE** or a related **CHANGE IN PROPOSED RULE** the rule lapses.

Agencies have notified the Office of Administrative Rules that the rules listed below have been made effective.

**NOTICES OF EFFECTIVE DATE** are governed by Subsection 63G-3-301(12), Section 63G-3-303, and Sections R15-4-5a and R15-4-5b.
