## NOTICES OF PROPOSED RULES

---

A state agency may file a **PROPOSED RULE** when it determines the need for a substantive change to an existing rule. With a **NOTICE OF PROPOSED RULE**, an agency may create a new rule, amend an existing rule, repeal an existing rule, or repeal an existing rule and reenact a new rule. Filings received between February 15, 2025, 12:00 a.m., and February 28, 2025, 11:59 p.m. are included in this, the March 15, 2025, issue of the *Utah State Digest*.

In this publication, each **PROPOSED RULE** is preceded by a **RULE ANALYSIS**. This analysis provides summary information about the **PROPOSED RULE** including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

The law requires that an agency accept public comment on **PROPOSED RULES** published in this issue of the *Utah State Digest* until at least April 14, 2025. The agency may accept comment beyond this date and will indicate the last day the agency will accept comment in the **RULE ANALYSIS**. The agency may also hold public hearings. Additionally, citizens or organizations may request the agency hold a hearing on a specific **PROPOSED RULE**. Section 63G-3-302 requires that a hearing request be received by the agency proposing the rule "in writing not more than 15 days after the publication date of the proposed rule."

From the end of the public comment period through July 15, 2025, the agency may notify the Office of Administrative Rules that it wants to make the **PROPOSED RULE** effective. The agency sets the effective date. The date may be no fewer than seven calendar days after the close of the public comment period nor more than 120 days after the publication date of this issue of the *Utah State Digest*. Alternatively, the agency may file a **CHANGE IN PROPOSED RULE** in response to comments received. If the Office of Administrative Rules does not receive a **NOTICE OF EFFECTIVE DATE** or a **CHANGE IN PROPOSED RULE**, the **PROPOSED RULE** lapses.

The public, interest groups, and governmental agencies are invited to review and comment on **PROPOSED RULES**. *Comment may be directed to the contact person identified on the **RULE ANALYSIS** for each rule.*

**PROPOSED RULES** are governed by Section 63G-3-301, Rule R15-2, and Sections R15-4-3, R15-4-4, R15-4-5a, R15-4-9, and R15-4-10.

**General Information**

<b>2. Rule or section catchline:</b>
R940-11. Guidelines for Partnering with Local Governments
<b>3. Purpose of the new rule or reason for the change:</b>
S.B. 195, passed in the 2025 General Session, requires the Transportation Commission (Commission) to effectuate this rule.  The repealed version of this rule, R926-8, allows the Commission to consider "local matching dollars" as a potential financing option.  The change required by S.B. 185 (2025) allows the Commission to consider as a financing option "agreements regarding new revenue a county or municipality expects will be generated as a result of the construction of a state highway improvement project." Rule R926-8 is being repealed and its language is being included in this new rule because Section 72-2-123 requires the Commission, not the Department of Transportation (Department), to make this rule.  The other changes are for clarity and conformance with the Rulewriting Manual for Utah.
<b>4. Summary of the new rule or change:</b>
Because Section 72-2-123 requires the Commission to make this rule rather than the Department, the Department needs to repeal Rule R926-8 but include the language from that rule into this new rule, R940-11.  This rule also substantially clarifies the language set forth in the repealed Rule R926-8 by making grammatical corrections, replacing certain terms with more specific language, and reorganizing certain provisions to make them more readable.  Section R940-11-9 specifies the notice period for the Commission hearing a local government's request for partnering. This rule also expands certain requirements set forth in the repealed Rule R926-8, including local government's responsibilities under this rule (Subsection R940-11-3(2)) and the required terms in an interlocal partnership agreement between a local government and the Department (Subsection R940-11-5(2)).

**Fiscal Information**

**5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:**

**A) State budget:**

There is no anticipated cost or savings to the state budget, as this rule sets forth the procedural and clerical aspects of the Department partnering with local governments.

**B) Local governments:**

There is no anticipated cost or savings to local governments, as this rule sets forth the procedural and clerical aspects of local governments partnering with the Department.

**C) Small businesses ("small business" means a business employing 1-49 persons):**

This rule will not have a fiscal impact on small businesses. This rule only affects the Department and local governments.

**D) Non-small businesses ("non-small business" means a business employing 50 or more persons):**

This rule does not have a fiscal impact on non-small businesses, nor will a service be required of them to implement this rule.

**E) Persons other than small businesses, non-small businesses, state, or local government entities ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an *agency*):**

This rule does not have an impact on persons because it pertains only to local governments and their partnerships with the Department.

**F) Compliance costs for affected persons (How much will it cost an impacted entity to adhere to this rule or its changes?):**

There are no compliance costs for affected persons.

**G) Regulatory Impact Summary Table (This table only includes fiscal impacts that could be measured. If there are inestimable fiscal impacts, they will not be included in this table. Inestimable impacts will be included in narratives above.)**

## NOTICES OF 120-DAY (EMERGENCY) RULES

An agency may file a **120-DAY (EMERGENCY) RULE** when it finds that regular rulemaking procedures would:

- (a) cause an imminent peril to the public health, safety, or welfare;
- (b) cause an imminent budget reduction because of budget restraints or federal requirements; or
- (c) place the agency in violation of federal or state law (Subsection 63G-3-304(1)).

As with a **PROPOSED RULE**, a **120-DAY RULE** is preceded by a **RULE ANALYSIS**. This analysis provides summary information about the **120-DAY RULE** including the name of a contact person, justification for filing a **120-DAY RULE**, anticipated cost impact of the rule, and legal cross-references.

A **120-DAY RULE** is effective when filed with the Office of Administrative Rules, or on a later date designated by the agency. A **120-DAY RULE** is effective for 120 days or until it is superseded by a permanent rule. Because of its temporary nature, a **120-DAY RULE** is not codified as part of the *Utah Administrative Code*.

The law does not require a public comment period for **120-DAY RULES**. However, when an agency files a **120-DAY RULE**, it may file a **PROPOSED RULE** at the same time, to make the requirements permanent.

Emergency or **120-DAY RULES** are governed by Section 63G-3-304, and Section R15-4-8.

#### General Information

<b>2. Rule or section catchline:</b>	R501-23. Division of Services for People with Disabilities Certification	
<b>3. Purpose of the new rule or reason for the change:</b>	This filing is necessary to create a rule governing the oversight of the health and safety standards in settings contracted by the Department of Health and Human Services (DHHS) to serve clients under the Division of Services for People with Disabilities (DSPD).	
<b>4. Summary of the new rule or change:</b>		

This filing creates a rule that governs DSPD certifications.

This rule allows the Office of Licensing (OL) to have the ability to continually enforce health and safety requirements in DSPD certified settings that are not governed by existing licensing rules.

**5A) The agency finds that regular rulemaking would:**

- cause an imminent peril to the public health, safety, or welfare;
- cause an imminent budget reduction because of budget restraints or federal requirements; or
- place the agency in violation of federal or state law.

**B) Specific reasons and justifications for this finding:**

OL is the entity under DHHS tasked with certifying providers and homes for serving clients under DSPD's care. While the DHHS contracts require compliance with best practice standards, without this rule there is no means to monitor or enforce the health and safety standards in these settings.

The Office of Licensing (OL) receives complaints and concerns regarding these settings and needs a rule that structures how these complaints and concerns are handled and outlines what the minimum health and safety standards are for providing contracted, certified care under the DHHS umbrella.

This rule filing provides standards for providers to follow to meet the health and safety needs of the clients in their care.

**Fiscal Information**

**6. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:**

**A) State budget:**

OL has had a set of requirements for initial and renewal certifications and has informally been enforcing them pending this rule filing.

There is no anticipated cost or savings to the state budget by making these requirements a rule, since OL staff are already incorporating them into the certification and re-certification process.

**B) Local governments:**

The providers affected by this rule are regulated by DHHS and not local governments.

There is no anticipated impact to local business licensing or any other process with which local government is involved.

**C) Small businesses ("small business" means a business employing 1-49 persons):**

There is no anticipated cost or savings to small businesses as a result of this rule filing, as OL has been informally certifying DSPD providers under the requirements listed in this proposed rule.

**D) Persons other than small businesses, state, or local government entities ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an *agency*):**

There is no anticipated cost or savings to persons other than small businesses, state, or local government entities as a result of this rule filing, as OL has been informally certifying DSPD providers under the requirements listed in this proposed rule.

**E) Compliance costs for affected persons (How much will it cost an impacted entity to adhere to this rule or its changes?):**

There is no anticipated compliance cost to providers as a result of this rule filing, as DSPD certified providers have already been complying with the requirements listed in this rule for certification and re-certification with OL.

**F) Comments by the department head on the fiscal impact this rule may have on businesses (Include the name and title of the department head):**

I have reviewed and approved the fiscal impact on businesses, acknowledging that there is no anticipated impact on businesses.

# FIVE-YEAR NOTICES OF REVIEW AND STATEMENTS OF CONTINUATION

Within five years of an administrative rule's original enactment or last five-year review, the agency is required to review the rule. This review is intended to help the agency determine, and to notify the public, that the administrative rule in force is still authorized by statute and necessary. Upon reviewing a rule, an agency may: repeal the rule by filing a **PROPOSED RULE**; continue the rule as it is by filing a **FIVE-YEAR NOTICE OF REVIEW AND STATEMENT OF CONTINUATION (REVIEW)**; or amend the rule by filing a **PROPOSED RULE** and by filing a **REVIEW**. By filing a **REVIEW**, the agency indicates that the rule is still necessary.

A **REVIEW** is not followed by the rule text. The rule text that is being continued may be found in the online edition of the *Utah Administrative Code* available at [adminrules.utah.gov](http://adminrules.utah.gov). The rule text may also be inspected at the agency or the Office of Administrative Rules. **REVIEWS** are effective upon filing.

**REVIEWS** are governed by Section 63G-3-305.

<b>3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require this rule:</b>		
The Division of Consumer Protection (Division) recently filed to repeal and reenact this rule (OAR ID 57051, published in the March 1, 2025, Bulletin: 2025-05, page 2).		
The reenacted rule is enacted in accordance with Subsection 13-2-1(3), which empowers the Division to make a public list of people who violate laws enforced by the Division or engage in other specified acts, and with Subsection 13-2-5(1), which describes the Division's general rulemaking authority.		

**4. A summary of written comments received during and since the last five-year review of this rule from interested persons supporting or opposing this rule:**

The Division is not aware of any comments supporting or opposing this rule.

**5. A reasoned justification for continuation of this rule, including reasons why the agency disagrees with comments in opposition to this rule, if any:**

The current text is still effective until the reenacted version of this rule (OAR ID 57051) can be made effective because it allows the Division to inform the public of deceptive practices and people who commit deceptive practices. Therefore, this rule should be continued.

Rulewriting agencies are required by law to review each of their administrative rules within five years of the date of the rule's original enactment or the date of last review (Section 63G-3-305). If the agency finds that it will not meet the deadline for review of the rule (the five-year anniversary date), it may file a **NOTICE OF FIVE-YEAR REVIEW EXTENSION (EXTENSION)** with the Office of Administrative Rules. The **EXTENSION** permits the agency to file the review up to 120 days beyond the anniversary date.

Agencies have filed **EXTENSIONS** for the rules listed below. The "Extended Due Date" is 120 days after the anniversary date.

**EXTENSIONS** are governed by Subsection 63G-3-305(6).

## NOTICES OF RULE EFFECTIVE DATES

---

State law provides for agencies to make their administrative rules effective and enforceable after publication in the *Utah State Bulletin*. In the case of **PROPOSED RULES** or **CHANGES IN PROPOSED RULES** with a designated comment period, the law permits an agency to make a rule effective no fewer than seven calendar days after the close of the public comment period, nor more than 120 days after the publication date. In the case of **CHANGES IN PROPOSED RULES** with no designated comment period, the law permits an agency to make a rule effective on any date including or after the thirtieth day after the rule's publication date, but not more than 120 days after the publication date. If an agency fails to file a **NOTICE OF EFFECTIVE DATE** within 120 days from the publication of a **PROPOSED RULE** or a related **CHANGE IN PROPOSED RULE** the rule lapses.

Agencies have notified the Office of Administrative Rules that the rules listed below have been made effective.

**NOTICES OF EFFECTIVE DATE** are governed by Subsection 63G-3-301(12), Section 63G-3-303, and Sections R15-4-5a and R15-4-5b.
