(iii) account closed.

(b) Receipt of a check payable to the department which is returned by the bank for any of the reasons listed in Subsection (5)(a) may result in the immediate suspension of the license, permit, or operation of the package agency of the person tendering the check until legal tender of the United States of America, certified check, bank draft, cashier's check, or United States post office money order is received at the department offices, 1625 South 900 West, Salt Lake City, Utah, plus the $20 returned check charge. Failure to make good the returned check and pay the $20 returned check charge within thirty days after the license, permit, or operation of the package agency is suspended, is grounds for revocation of the license or permit, or termination of the package agency contract, and the forfeiture of the licensee's, permittee's, or package agent's bond.

(c) In addition to the remedies listed in Subsection (5)(b), the department may require that the licensee, permittee, or package agent transact business with the department on a "cash only" basis. The determination of when to put a licensee, permittee, or package agency operator on "cash only" basis and how long the licensee, permittee, or package agency operator remains on "cash only" basis shall be at the discretion of the department and shall be based on the following factors:

(i) dollar amount of the returned check(s);

(ii) the number of returned checks;

(iii) the length of time the licensee, permittee, or package agency operator has had a license, permit, or package agency with the department;

(iv) the time necessary to collect the returned check(s); and

(v) any other circumstances.

(d) A returned check received by the department from or on behalf of an applicant for or holder of a single event permit or temporary special event beer permit may, at the discretion of the department, require that the person or entity that applied for or held the permit be on "cash only" status for any future events requiring permits from the commission.

(e) In addition to the remedies listed in Subsections (5)(a), (b), (c) and (d), the department may pursue any legal remedies to effect collection of any returned check.

(6) Disposition of unsaleable merchandise.

The department, after determining that certain alcoholic products are distressed or unsaleable, but consumable, may make those alcoholic products available to the Utah Department of Public Safety for education or training purposes.

All merchandise made available to the Utah Department of Public Safety must be accounted for as directed by the Department of Alcoholic Beverage Control.

(7) Administrative Handling Fees.

(a) Pursuant to 32A-12-212(1)(b) a person, on a one-time basis, who moves the person's residence to this state from outside of this state may have or possess for personal consumption and not for sale or resale, liquor previously purchased outside the state and brought into this state during the move if the person obtains department approval before moving the liquor into the state, and the person pays the department a reasonable administrative handling fee as determined by the commission.

(b) Pursuant to 32A-12-212(1)(c) a person who as a beneficiary inherits as part of an estate liquor that is located outside the state, may have or possess the liquor and transport or cause the liquor to be transported into the state if the person obtains department approval before moving the liquor into the state, the person provides sufficient documentation to the department to establish the person's legal right to the liquor as a beneficiary, and the person pays the department a reasonable administrative handling fee as determined by the commission.

(c) The administrative handling fee to process any request for department approval referenced in subsections (1)(b) and (1)(c) is $20.00.

R81-1-4. Employees.

The department is an Equal Opportunity Employer.

R81-1-5. Notice of Public Hearings and Meetings.

Notice of all department meetings and public hearings, other than disciplinary hearings, shall be done in the following manner:

(1) The public notice shall specify the date, time, agenda, and location of each hearing or meeting.

(2) In the case of public meetings, notice shall be made as provided in Section 52-4-202.

(3) In the case of hearings, other than disciplinary hearings, public notice shall be made not less than ten days prior to the hearing.

(4) The procedure for posting public notice and the definition of public meeting for purposes of these rules, shall be the same as provided in Section 52-4-202.

R81-1-6. Violation Schedule.

(1) Authority. This rule is pursuant to Sections 32A-1-107(1)(c)(i), 32A-1-107(1)(e), 32A-1-107(4)(b), 32A-1-119(5), (6) and (7). These provisions authorize the commission to establish criteria and procedures for imposing sanctions against licensees and permittees and their officers, employees and agents who violate statutes and commission rules relating to alcoholic beverages. For purposes of this rule, holders of certificates of approval are also considered licensees. The commission may revoke or suspend the licenses or permits, and may impose a fine against a licensee or permittee in addition to or in lieu of a suspension. The commission also may impose a fine against an officer, employee or agent of a licensee or permittee. Violations are adjudicated under procedures contained in Section 32A-1-119 and disciplinary hearing Section R81-1-7.

(2) General Purpose. This rule establishes a schedule setting forth a range of penalties which may be imposed by the commission for violations of the alcoholic beverage laws. It shall be used by department decision officers in processing violations, and by presiding officers in charging violations, in assisting parties in settlement negotiations, and in recommending penalties for violations. The schedule shall be used by the commission in rendering its final decisions as to appropriate penalties for violations.

(3) Application of Rule.

(a) This rule governs violations committed by all commission licensees and permittees and their officers, employees and agents except single event permittees. Violations by single event permittees and their employees and agents are processed under Section 32A-7-106.

(b) This rule does not apply to situations where a licensee or permittee fails to maintain the minimum qualifications provided by law for holding a license or permit. These might include failure to maintain a bond or insurance, or a conviction for a criminal offense that disqualifies the licensee or permittee from holding the license or permit. These are fundamental licensing and permitting requirements and failure to maintain them may result in immediate suspension or forfeiture of the license or permit. Thus, they are not processed in accordance with the Administrative Procedures Act, Title 63G, Chapter 4 or Section R81-1-7. They are administered by issuance of an order to show cause requiring the licensee or permittee to provide the commission with proof of qualification to maintain their license or permit.

(c) If a licensee or permittee has not received a letter of admonishment, as defined in Sections R81-1-2 and R81-1-7(2)(b), or been found by the commission to be in violation of Utah statutes or commission rules for a period of 36 consecutive months, its violation record shall be expunged for purposes of determining future penalties sought. The expungement period shall run from the date the last offense was finally adjudicated by the commission.

(d) In addition to the penalty classifications contained in this rule, the commission may:

(i) upon revocation of a license or permit, take action to forfeit the bond of any licensee or permittee;

(ii) prohibit an officer, employee or agent of a licensee or permittee from serving, selling, distributing, manufacturing, wholesaling, warehousing, or handling alcoholic beverages in the course of employment with any commission licensee or permittee for a period determined by the commission;

(iii) order the removal of a manufacturer's, supplier's or importer's products from the department's sales list and a suspension of the department's purchase of those products for a period determined by the commission if the manufacturer, supplier, or importer directly committed the violation, or solicited, requested, commanded encouraged, or intentionally aided another to engage in the violation.

(iv) require a licensee to have a written responsible alcohol service plan as provided in R81-1-24.

(e) When the commission imposes a fine or administrative costs, it shall establish a date on which the payment is due. Failure of a licensee or permittee or its officer, employee or agent to make payment on or before that date shall result in the immediate suspension of the license or permit or the suspension of the employment of the officer, employee or agent to serve,

sell, distribute, manufacture, wholesale, warehouse or handle alcoholic beverages with any licensee or permittee until payment is made. Failure of a licensee or permittee to pay a fine or administrative costs within 30 days of the initial date established by the commission shall result in the issuance of an order to show cause why the license or permit should not be revoked and the licensee's or permittee's compliance bond forfeited. The commission shall consider the order to show cause at its next regularly scheduled meeting.

(f) Violations of any local ordinance are handled by each individual local jurisdiction.

(4) Penalty Schedule. The department and commission shall follow these penalty range guidelines:

(a) Minor Violations. Violations of this category are lesser in nature and relate to basic compliance with the laws and rules. If not corrected, they are sufficient cause for action. (a) Examples of mitigating circumstances are:

(ii) good faith effort to prevent a violation;

(iii) existence of written policies governing employee conduct;

(iv) extraordinary cooperation in the violation investigation that shows the licensee or permittee and the officer, employee or agent of the licensee or permittee accepts responsibility; and

(v) there was no evidence that the investigation was based on complaints received or on observed misconduct of others, but was based solely on the investigating authority creating the opportunity for a violation.

(b) Examples of aggravating circumstances are:

(i) prior warnings about compliance problems;

(ii) prior violation history;

(iii) lack of written policies governing employee conduct;

(iv) multiple violations during the course of the investigation;

(v) efforts to conceal a violation;

(vi) intentional nature of the violation;

(vii) the violation involved more than one patron or employee;

(viii) the violation involved a minor and, if so, the age of the minor; and

(ix) whether the violation resulted in injury or death.

(6) Violation Grid. Any proposed substantive change to the violation grid that would establish or adjust the degree of seriousness of a violation shall require rulemaking in compliance with title 63G-3, the Utah Administrative Rulemaking Act. A violation grid describing each violation of the alcoholic beverage control laws, the statutory and rule reference, and the degree of seriousness of each violation is available for public inspection in the department's administrative office. A copy will be provided upon request at reproduction cost. It is entitled "Alcoholic Beverage Control Commission Violation Grid" (2008 edition) and is incorporated by reference as part of this rule.

R81-1-7. Disciplinary Hearings.

(1) General Provisions.

(a) This rule is promulgated pursuant to Section 32A-1-107(1)(c)(i) and shall govern the procedure for disciplinary actions under the jurisdiction of the commission. Package agencies are expressly excluded from the provisions of this rule, and are governed by the terms of the package agency contract.

(b) Liberal Construction. Provisions of this rule shall be liberally construed to secure just, speedy and economical determination of all issues presented in any disciplinary action.

(c) Emergency Adjudication Proceedings. The department or commission may issue an order on an emergency basis without complying with the Utah Administrative Procedures Act in accordance with the procedures outlined in Section 63G-4-502.

(d) Utah Administrative Procedures Act. Proceedings under this rule shall be in accordance with Title 63G, Chapter 4, Utah Administrative Procedures Act (UAPA), and Sections 32A-1-119 and -120.

(e) Penalties.

(i) This rule shall govern the imposition of any penalty against a commission licensee, permittee, or certificate of approval holder, an officer, employee or agent of a licensee, permittee, or certificate of approval holder, and a manufacturer, supplier or importer whose products are listed in this state.

(ii) Penalties may include a letter of admonishment, imposition of a fine, the suspension or revocation of a commission license, permit, or certificate of approval, the requirement that a licensee have a written responsible alcohol service plan as provided in R81-1-24, the assessment of costs of action, an order prohibiting an officer, employee or agent of a licensee, permittee, or certificate of approval holder, from serving, selling, distributing, manufacturing, wholesaling, warehousing, or handling alcoholic beverages in the course of employment with any commission licensee, permittee, or certificate of approval holder for a period determined by the commission, the forfeiture of bonds, an order removing a manufacturer's, supplier's or importer's products from the department's sales list and a suspension of the department's purchase of those products for a period determined by the commission, and an order removing the products of a certificate of approval holder from the state approved sales list, and a suspension of the purchase of the products in the state.

(iii) Department administrative costs are the hourly pay rate plus benefits of each department employee involved in processing and conducting the adjudicative proceedings on the violation, an hourly charge for department overhead costs, the amount billed the department by an independent contractor for services rendered in conjunction with an adjudicative proceeding, and any additional extraordinary or incidental costs incurred by the department. The commission may also assess additional costs if a respondent fails to appear before the commission at the final stage of the adjudicative process. Department overhead costs are calculated by taking the previous year's total department expenditures less staff payroll charges expended on violations, dividing it by the previous year's total staff hours spent on violations, and multiplying this by a rate derived by taking the previous year's total staff payroll spent on violations to the previous year's total payroll of all office employees. The overhead cost figure shall be recalculated at the beginning of each fiscal year.

(f) Perjured Statements. Any person who makes any false or perjured statement in the course of a disciplinary action is subject to criminal prosecution under Section 32A-12-304.

(g) Service. Service of any document shall be satisfied by service personally or by certified mail upon any respondent, or upon any officer or manager of a corporate or limited liability company respondent, or upon an attorney for a respondent, or by service personally or by certified mail to the last known address of the respondent or any of the following:

(i) Service personally or by certified mail upon any employee working in the respondent's premises; or

(ii) Posting of the document or a notice of certified mail upon a respondent's premises; or

(iii) Actual notice. Proof of service shall be satisfied by a receipt of service signed by the person served or by a certificate of service signed by the person served, or by certificate of service signed by the server, or by verification of posting on the respondent's premises.

(h) Filing of Pleadings or Documents. Filing by a respondent of any pleading or document shall be satisfied by timely delivery to the department office, 1625 South 900 West, Salt Lake City, or by timely delivery to P. O. Box 30408, Salt Lake City, Utah 84130-0408.

(i) Representation. A respondent who is not a corporation or limited liability company may represent himself in any disciplinary action, or may be represented by an agent duly authorized by the respondent in writing, or by an attorney. A corporate or limited liability company respondent may be represented by a member of the governing board of the corporation or manager of the limited liability company, or by a person duly authorized and appointed by the respondent in writing to represent the governing board of the corporation or manager of the limited liability company, or by an attorney.

(j) Presiding Officers.

(i) The commission or the director may appoint presiding officers to receive evidence in disciplinary proceedings, and to submit to the commission orders containing written findings of fact, conclusions of law, and recommendations for commission action.

(ii) If fairness to the respondent is not compromised, the commission or director may substitute one presiding officer for another during any proceeding.

(iii) A person who acts as a presiding officer at one phase of a proceeding need not continue as presiding officer through all phases of a proceeding.

(iv) Nothing precludes the commission from acting as presiding officer over all or any portion of an adjudication proceeding.

(v) At any time during an adjudicative proceeding the presiding officer may hold a conference with the department and the respondent to:

(A) encourage settlement;

(B) clarify issues;

(C) simplify the evidence;

(D) expedite the proceedings; or

(E) facilitate discovery, if a formal proceeding.

(k) Definitions. The definitions found in Sections 32A-1-105 and Title 63G, Chapter 4 apply to this rule.

(l) Computation of Time. The time within which any act shall be done shall be computed by excluding the first day and including the last day, unless the last day is a Saturday, Sunday, or state or federal holiday, in which case the next business day shall count as the last day.

(m) Default.

(i) The presiding officer may enter an order of default against a respondent if the respondent in an adjudicative proceeding fails to attend or participate in the proceeding.

(ii) The order shall include a statement of the grounds for default, and shall be mailed to the respondent and the department.

(iii) A defaulted respondent may seek to have the default order set aside according to procedures outlined in the Utah Rules of Civil Procedure.

(iv) After issuing the order of default, the commission or presiding officer shall conduct any further proceedings necessary to complete the adjudicative proceeding without the participation of the respondent in default and shall determine all issues in the adjudicative proceeding, including those affecting the defaulting respondent.

(2) Pre-adjudication Proceedings.

(a) Staff Screening. Upon receipt of a violation report, a decision officer of the department shall review the report, and the alleged violator's violation history, and in accordance with R81-1-6, determine the range of penalties which may be assessed should the alleged violator be found guilty of the alleged violation.

(b) Letters of Admonishment. Because letters of admonishment are not "state agency actions" under Section 63G-4-102(1)(a), no adjudicative proceedings are required in processing them, and they shall be handled in accordance with the following procedures:

(i) If the decision officer of the department determines that the alleged violation does not warrant an administrative fine, or suspension or revocation of the license, permit, or certificate of approval, or action against an officer, employee or agent of a licensee, permittee, or certificate of approval holder, or against

a manufacturer, supplier or importer of products listed in this state, a letter of admonishment may be sent to the respondent.

(ii) A letter of admonishment shall set forth in clear and concise terms:

(A) The case number assigned to the action;

(B) The name of the respondent;

(C) The alleged violation, together with sufficient facts to put a respondent on notice of the alleged violations and the name of the agency or staff member making the report;

(D) Notice that a letter of admonishment may be considered as a part of the respondent's violation history in assessing appropriate penalties in future disciplinary actions against the respondent; and

(E) Notice that a rebuttal is permitted under these rules within ten days of service of the letter of admonishment.

(F) Notice that the letter of admonishment is subject to the approval of the commission.

(iii) A copy of the law enforcement agency or department staff report shall accompany the letter of admonishment. The decision officer shall delete from the report any information that might compromise the identity of a confidential informant or undercover agent.

(iv) A respondent may file a written rebuttal with the department within ten days of service of the letter of admonishment. The rebuttal shall be signed by the respondent, or by the respondent's authorized agent or attorney, and shall set forth in clear and concise terms:

(A) The case number assigned to the action;

(B) The name of the respondent;

(C) Any facts in defense or mitigation of the alleged violation, and a brief summary of any attached evidence. The rebuttal may be accompanied by supporting documents, exhibits, or signed statements.

(v) If the decision officer is satisfied, upon receipt of a rebuttal, that the letter of admonishment was not well taken, it may be withdrawn and the letter and rebuttal shall be expunged from the respondent's file. Letters of admonishment so withdrawn shall not be considered as a part of the respondent's violation history. If no rebuttal is received, or if the decision officer determines after receiving a rebuttal that the letter of admonishment is justified, the matter shall be submitted to the commission for final approval. Upon commission approval, the letter of admonishment, together with any written rebuttal, shall be placed in the respondent's department file and may be considered as part of the respondent's violation history in assessing appropriate penalties in future disciplinary actions against the respondent. If the commission rejects the letter of admonishment, it may either direct the decision officer to dismiss the matter, or may direct that an adjudicative proceeding be commenced seeking a more severe penalty.

(vi) At any time prior to the commission's final approval of a letter of admonishment, a respondent may request that the matter be processed under the adjudicative proceeding process.

(c) Commencement of Adjudicative Proceedings.

(i) Alleged violations shall be referred to a presiding officer for commencement of adjudicative proceedings under the following circumstances:

(A) the decision officer determines during screening that the case does not fit the criteria for issuance of a letter of admonishment under section (2)(b)(i);

(B) a respondent has requested that a letter of admonishment be processed under the adjudicative proceeding process; or

(C) the commission has rejected a letter of admonishment and directed that an adjudicative proceeding be commenced seeking a more severe penalty.

(ii) All adjudicative proceedings shall commence as informal proceedings.

(iii) At any time after commencement of informal adjudicative proceedings, but before the commencement of a hearing, if the department determines that it will seek administrative fines exceeding $3000, a suspension of the license, permit or certificate of approval for more than ten days, or a revocation of the license, permit, or certificate of approval for the alleged violation(s), the presiding officer shall convert the matter to a formal adjudicative proceeding.

(iv) At any time before a final order is issued, a presiding officer may convert an informal proceeding to a formal proceeding if conversion is in the public interest and does not unfairly prejudice the rights of any party.

(3) The Informal Process.

(a) Notice of agency action.

(i) Upon referral of a violation report from the decision officer for commencement of informal adjudicative proceedings, the presiding officer shall issue and sign a written "notice of agency action" which shall set forth in clear and concise terms:

(A) The names and mailing addresses of all persons to whom notice is being given by the presiding officer, and the name, title, and mailing address of any attorney or employee who has been designated to appear for the department;

(B) The department's case number;

(C) The name of the adjudicative proceeding, "DABC vs. ";

(D) The date that the notice of agency action was mailed;

(E) A statement that the adjudicative proceeding is to be conducted informally according to the provisions of this rule and Sections 63G-4-202 and -203 unless a presiding officer converts the matter to a formal proceeding pursuant to Sections (2)(c)(iii) or (iv) of this rule, in which event the proceeding will be conducted formally according to the provisions of this rule and Sections 63G-4-204 to -209;

(F) The date, time and place of any prehearing conference with the presiding officer;

(G) A statement that a respondent may request a hearing for the purpose of determining whether the violation(s) alleged in the notice of agency action occurred, and if so, the penalties that should be imposed;

(H) A statement that a respondent who fails to attend or participate in any hearing may be held in default;

(I) A statement of the legal authority and jurisdiction under which the adjudicative proceeding is to be maintained;

(J) A statement of the purpose of the adjudicative proceeding and questions to be decided including:

(I) the alleged violation, together with sufficient facts to put the respondent on notice of the alleged violation and the name of the agency or department staff member making the violation report;

(II) the penalty sought, which may include assessment of costs under Section 32A-1-119(5)(c) and (d) if the respondent is found guilty of the alleged violation, and forfeiture of any compliance bond on final revocation under Section 32A-1-119(5)(f) if revocation is sought by the department;

(K) Any violation history of the respondent which may be considered in assessing an appropriate penalty should the respondent be found guilty of the alleged violation; and

(L) The name, title, mailing address, and telephone number of the presiding officer.

(ii) A copy of the law enforcement agency or staff report shall accompany the notice of agency action. The presiding officer shall delete from the report any information that might compromise the identity of a confidential informant or undercover agent.

(iii) The notice of agency action and any subsequent pleading in the case shall be retained in the respondent's department file.

(iv) The notice of agency action shall be mailed to each respondent, any attorney representing the department, and, if

applicable, any law enforcement agency that referred the alleged violation to the department.

(v) The presiding officer may permit or require pleadings in addition to the notice of agency action. All additional pleadings shall be filed with the presiding officer, with copies sent by mail to each respondent and to the department.

(vi) Amendment to Pleading. The presiding officer may, upon motion of the respondent or department made at or before the hearing, allow any pleading to be amended or corrected. Defects which do not substantially prejudice a respondent or the department shall be disregarded.

(vii) Signing of Pleading. Pleadings shall be signed by the department or respondent, or their authorized attorney or representative, and shall show the signer's address and telephone number. The signature shall be deemed to be a certification by the signer that he has read the pleading and that he has taken reasonable measures to assure its truth.

(b) The Prehearing Conference.

(i) The presiding officer may hold a prehearing conference with the respondent and the department to encourage settlement, clarify issues, simplify the evidence, or expedite the proceedings.

(ii) All or part of any adjudicative proceeding may be stayed at any time by a written settlement agreement signed by the department and respondent or their authorized attorney or representative, and by the presiding officer. The stay shall take effect immediately upon the signing of the settlement agreement, and shall remain in effect until the settlement agreement is approved or rejected by the commission. No further action shall be required with respect to any action or issue so stayed until the commission has acted on the settlement agreement.

(iii) A settlement agreement approved by the commission shall constitute a final resolution of all issues agreed upon in the settlement. No further proceedings shall be required for any issue settled. The approved settlement shall take effect by its own terms and shall be binding upon the respondent and the department. Any breach of a settlement agreement by a respondent may be treated as a separate violation and shall be grounds for further disciplinary action. Additional sanctions stipulated in the settlement agreement may also be imposed.

(iv) If the settlement agreement is rejected by the commission, the action shall proceed in the same posture as if the settlement agreement had not been reached, except that all time limits shall have been stayed for the period between the signing of the agreement and the commission rejection of the settlement agreement.

(v) If the matter cannot be resolved by settlement agreement, the department shall notify the respondent and the presiding officer whether it will seek administrative fines exceeding $3000, a suspension of the license, permit or certificate of approval for more than ten days, or a revocation of the license, permit, or certificate of approval for the alleged violation(s).

(vi) If the department does not seek administrative fines exceeding $3000, a suspension of the license, permit, or certificate of approval for more than ten days, or a revocation of the license, permit, or certificate of approval for the alleged violation(s), any hearing on the matter shall be adjudicated informally.

(vii) If the department does seek administrative fines exceeding $3000, a suspension of the license, permit, or certificate of approval for more than ten days, or a revocation of the license, permit, or certificate of approval for the alleged violation(s), the presiding officer shall convert the matter to a formal adjudicative proceeding, and any hearing on the matter shall be adjudicated formally. The department may waive the formal adjudicative proceeding requirement that the respondent file a written response to the notice of agency action.

(c) The Informal Hearing.

(i) The presiding officer shall notify the respondent and department in writing of the date, time and place of the hearing at least ten days in advance of the hearing. Continuances of scheduled hearings are not favored, but may be granted by the presiding officer for good cause shown. Failure by a respondent to appear at the hearing after notice has been given shall be grounds for default and shall waive both the right to contest the allegations, and the right to the hearing. The presiding officer shall proceed to prepare and serve on respondent an order pursuant to R81-1-7(3)(d).

(ii) All hearings shall be presided over by the presiding officer.

(iii) The respondent named in the notice of agency action and the department shall be permitted to testify, present evidence, and comment on the issues. Formal rules of evidence shall not apply, however, the presiding officer:

(A) may exclude evidence that is irrelevant, immaterial or unduly repetitious;

(B) shall exclude evidence privileged in the courts of Utah;

(C) shall recognize presumptions and inferences recognized by law;

(D) may receive documentary evidence in the form of a copy or excerpt if the copy or excerpt contains all the pertinent portions of the original document;

(E) may take official notice of any facts that could be judicially noticed under the Utah Rules of Evidence, of the record of other proceedings before the commission, and of technical or scientific facts within the commission's specialized knowledge;

(F) may not exclude evidence solely because it is hearsay; and

(G) may use his experience, technical competence, and specialized knowledge to evaluate the evidence.

(iv) All testimony shall be under oath.

(v) Discovery is prohibited.

(vi) Subpoenas and orders to secure the attendance of witnesses or the production of evidence shall be issued by the presiding officer when requested by a respondent or the department, or may be issued by the presiding officer on his own motion.

(vii) A respondent shall have access to information contained in the department's files and to material gathered in the investigation of respondent to the extent permitted by law.

(viii) Intervention is prohibited.

(ix) The hearing shall be open to the public, provided that the presiding officer may order the hearing closed upon a written finding that the public interest in an open meeting is clearly outweighed by factors enumerated in the closure order. The presiding officer may take appropriate measures necessary to preserve the integrity of the hearing.

(x) Record of Hearing. The presiding officer shall cause an official record of the hearing to be made, at the department's expense, as follows:

(A) The record of the proceedings may be made by means of an audio or video recorder or other recording device at the department's expense.

(B) The record may also be made by means of a certified shorthand reporter employed by the department or by a party desiring to employ a certified shorthand reporter at its own cost in the event that the department chooses not to employ a reporter. If a party employs a certified shorthand reporter, the original transcript of the hearing shall be filed with the department. Those desiring a copy of the certified shorthand reporter's transcript may purchase it from the reporter.

(C) Any respondent, at his own expense, may have a person approved by the department, prepare a transcript of the hearing, subject to any restrictions that the department is

permitted by statute to impose to protect confidential information disclosed at the hearing. Whenever a transcript or audio or video recording of a hearing is made, it will be available at the department for use by the parties, but the original transcript or recording may not be withdrawn.

(D) The department shall retain the record of the evidentiary hearing for a minimum of one year from the date of the hearing, or until the completion of any court proceeding on the matter.

(xi) The presiding officer may grant continuances or recesses as necessary.

(xii) Order of presentation. Unless otherwise directed by the presiding officer at the hearing, the order of procedure and presentation of evidence will be as follows: (1) department; (2) respondent; (3) rebuttal by department.

(xiii) Time limits. The presiding officer may set reasonable time limits for the presentations described above.

(xiv) Continuances of the hearing. Any hearing may be continued to a time and date certain announced at the hearing, which shall not require any new notification. The continuance of the hearing may be made upon motion of a respondent or the department indicating good cause why a continuance is necessary. The continuance of the hearing may also be made upon the motion of the presiding officer when in the public interest.

(xv) Oral Argument and Briefs. Upon the conclusion of the taking of evidence, the presiding officer may, in his discretion, permit a respondent and the department to make oral arguments or submit additional briefs or memoranda upon a schedule to be designated by the presiding officer.

(d) Disposition.

(i) Presiding Officer's Order; Objections.

(A) Within a reasonable time after the close of the hearing, the presiding officer shall issue a signed order in writing that includes the following:

(I) the decision;

(II) the reasons for the decision;

(III) findings of facts;

(IV) conclusions of law;

(V) recommendations for final commission action;

(VI) notice that a respondent or the department having objections to the presiding officer's order may file written objections with the presiding officer within ten days of service of the order, setting forth the particulars in which the report is alleged to be unfair, inaccurate, incomplete, unreasonable, unlawful or not supported by the evidence.

(B) The order shall be based on the facts appearing in the department's files and on the facts presented in evidence at the informal hearing. Any finding of fact that was contested may not be based solely on hearsay evidence. The findings of fact shall be based upon a preponderance of the evidence. The order shall not recommend a penalty more severe than that sought in the notice of agency action, and in no event may it recommend administrative fines exceeding $3000, a suspension of the license, permit, or certificate of approval for more than ten days, or a revocation of the license, permit, or certificate of approval.

(C) A copy of the presiding officer's order shall be promptly mailed to the respondent and the department.

(D) The presiding officer shall wait ten days from service of his order for written objections, if any. The presiding officer may then amend or supplement his findings of fact, conclusions of law, and recommendations to reflect those objections which have merit or which are not disputed.

(E) Upon expiration of the time for filing written objections, the order of the presiding officer and any written objections timely filed, shall be submitted to the commission for final consideration.

(ii) Commission Action.

(A) Upon expiration of the time for filing objections, the order shall be placed on the next available agenda of a regular commission meeting for consideration by the commission. Copies of the order, together with any objections filed shall be forwarded to the commission, and the commission shall finally decide the matter on the basis of the order and any objections submitted.

(B) The commission shall be deemed a substitute presiding officer for this final stage of the informal adjudicative proceeding pursuant to Sections 63G-4-103(1)(h)(ii) and (iii). This stage is not considered a "review of an order by an agency or a superior agency" under Sections 63G-4-301 and -302.

(C) No additional evidence shall be presented to the commission. The commission may, in its discretion, permit the respondent and department to present oral presentations.

(D) After the commission has reached a final decision, it shall issue or cause to be issued a signed, written order pursuant to Section 32A-1-119(3)(c) and (6) and, 63G-4-203(1)(i) containing:

(I) the decision;

(II) the reasons for the decision;

(III) findings of fact;

(IV) conclusions of law;

(V) action ordered by the commission and effective date of the action taken;

(VI) notice of the right to seek judicial review of the order within 30 days from the date of its issuance in the district court in accordance with Sections 63G-4-401, -402, -404, and -405 and 32A-1-119 and -120.

(E) The commission may adopt in whole or in part, any portion(s) of the initial presiding officer's order.

(F) The order shall be based on the facts appearing in the department's files and on the facts presented in evidence at the informal hearing.

(G) The order shall not impose a penalty more severe than that sought in the notice of agency action, and in no event may it impose administrative fines exceeding $3000, a suspension of the license, permit, or certificate of approval for more than ten days, or a revocation of the license, permit, or certificate of approval.

(H) The commission, after it has rendered its final decision and order, may direct the department director to prepare, issue, and cause to be served on the parties the final written order on behalf of the commission.

(I) A copy of the commission's order shall be promptly mailed to the parties.

(e) Judicial Review.

(i) Any petition for judicial review of the commission's final order must be filed within 30 days from the date the order is issued.

(ii) Appeals from informal adjudicative proceedings shall be to the district court in accordance with Sections 63G-4-402, -404, and -405, and 32A-1-119 and -120.

(4) The Formal Process.

(a) Conversion Procedures. If a presiding officer converts an informal adjudicative proceeding to a formal adjudicative proceeding pursuant to sections (2)(c)(iii) or (iv):

(i) the presiding officer shall notify the parties that the adjudicative proceeding is to be conducted formally according to the provisions of this rule and Sections 63G-4-204 to -209;

(ii) the case shall proceed without requiring the issuance of a new or amended notice of agency action;

(iii) the respondent shall be required to file a written response to the original notice of agency action within 30 days of the notice of the conversion of the adjudicative proceeding to a formal proceeding, unless this requirement is waived by the department. Extensions of time to file a response are not favored, but may be granted by the presiding officer for good cause shown. Failure to file a timely response shall waive the respondent's right to contest the matters stated in the notice of

agency action, and the presiding officer may enter an order of default and proceed to prepare and serve his final order pursuant to R81-1-7(4)(e). The response shall be signed by the respondent, or by an authorized agent or attorney of the respondent, and shall set forth in clear and concise terms:

(A) the case number assigned to the action;

(B) the name of the adjudicative proceeding, "DABC vs. ";

(C) the name of the respondent;

(D) whether the respondent admits, denies, or lacks sufficient knowledge to admit or deny each allegation stated in the notice of agency action, in which event the allegation shall be deemed denied;

(E) any facts in defense or mitigation of the alleged violation or possible penalty;

(F) a brief summary of any attached evidence. Any supporting documents, exhibits, signed statements, transcripts, etc., to be considered as evidence shall accompany the response;

(G) a statement of the relief the respondent seeks;

(H) a statement summarizing the reasons that the relief requested should be granted.

(iv) the presiding officer may permit or require pleadings in addition to the notice of agency action and the response. All additional pleadings shall be filed with the presiding officer, with copies sent by mail to each party.

(v) the presiding officer may, upon motion of the responsible party made at or before the hearing, allow any pleading to be amended or corrected. Defects which do not substantially prejudice any of the parties shall be disregarded;

(vi) Pleadings shall be signed by the party or the party's attorney and shall show the signer's address and telephone number. The signature shall be deemed to be a certification by the signer that he has read the pleading and that he has taken reasonable measures to assure its truth;

(b) Intervention.

(i) Any person not a party may file a signed, written petition to intervene in a formal adjudicative proceeding with the presiding officer. The person who wishes to intervene shall mail a copy of the petition to each party. The petition shall include:

(A) the agency's case number;

(B) a statement of facts demonstrating that the petitioner's legal rights or interests are substantially affected by the formal adjudicative proceedings or that the petitioner qualifies as an intervenor under any provision of law; and

(C) a statement of the relief that the petitioner seeks from the agency;

(ii) Response to Petition. Any party to a proceeding into which intervention is sought may make an oral or written response to the petition for intervention. The response shall state the basis for opposition to intervention and may suggest limitations to be placed upon the intervenor if intervention is granted. The response must be presented or filed at or before the hearing.

(iii) Granting of Petition. The presiding officer shall grant a petition for intervention if the presiding officer determines that:

(A) the petitioner's legal interests may be substantially affected by the formal adjudicative proceeding; and

(B) the interests of justice and the orderly and prompt conduct of the adjudicative proceedings will not be materially impaired by allowing the intervention.

(iv) Order Requirements.

(A) Any order granting or denying a petition to intervene shall be in writing and sent by mail to the petitioner and each party.

(B) An order permitting intervention may impose conditions on the intervenor's participation in the adjudicative proceeding that are necessary for a just, orderly, and prompt conduct of the adjudicative proceeding.

(C) The presiding officer may impose conditions at any time after the intervention.

(D) If it appears during the course of the proceeding that an intervenor has no direct or substantial interest in the proceeding and that the public interest does not require the intervenor's participation, the presiding officer may dismiss the intervenor from the proceeding.

(E) In the interest of expediting a hearing, the presiding officer may limit the extent of participation of an intervenor. Where two or more intervenors have substantially like interests and positions, the presiding officer may at any time during the hearing limit the number of intervenors who will be permitted to testify, cross-examine witnesses or make and argue motions and objections.

(c) Discovery and Subpoenas.

(i) Discovery. Upon the motion of a party and for good cause shown that it is to obtain relevant information necessary to support a claim or defense, the presiding officer may authorize the manner of discovery against another party or person, including the staff, as may be allowed by the Utah Rules of Civil Procedure.

(ii) Subpoenas. Subpoenas and orders to secure the attendance of witnesses or the production of evidence in formal adjudicative proceedings shall be issued by the presiding officer when requested by any party, or may be issued by the presiding officer on his own motion.

(d) The Formal Hearing.

(i) Notice. The presiding officer shall notify the parties in writing of the date, time, and place of the hearing at least ten days in advance of the hearing. The presiding officer's name, title, mailing address, and telephone number shall be provided to the parties. Continuances of scheduled hearings are not favored, but may be granted by the presiding officer for good cause shown. Failure to appear at the hearing after notice has been given shall be grounds for default and shall waive both the respondent's right to contest the allegations, and the respondent's right to the hearing. The presiding officer shall proceed to prepare and serve on respondent his order pursuant to R81-1-7(4)(e).

(ii) Public Hearing. The hearing shall be open to all parties. It shall also be open to the public, provided that the presiding officer may order the hearing closed upon a written finding that the public interest in an open hearing is clearly outweighed by factors enumerated in the closure order. The presiding officer may take appropriate measures necessary to preserve the integrity of the hearing.

(iii) Rights of Parties. The presiding officer shall regulate the course of the hearings to obtain full disclosure of relevant facts and to afford all the parties reasonable opportunity to present their positions, present evidence, argue, respond, conduct cross-examinations, and submit rebuttal evidence.

(iv) Public Participation. The presiding officer may give persons not a party to the adjudicative proceeding the opportunity to present oral or written statements at the hearing.

(v) Rules of Evidence. Technical rules of evidence shall not apply. Any reliable evidence may be admitted subject to the following guidelines. The presiding officer:

(A) may exclude evidence that is irrelevant, immaterial or unduly repetitious;

(B) shall exclude evidence privileged in the courts of Utah;

(C) shall recognize presumptions and inferences recognized by law;

(D) may receive documentary evidence in the form of a copy or excerpt if the copy or excerpt contains all the pertinent portions of the original document.

(E) may take official notice of any facts that could be judicially noticed under the Utah Rules of Evidence, of the

record of other proceedings before the agency, and of technical or scientific facts within the agency's specialized knowledge;

(F) may not exclude evidence solely because it is hearsay; and

(G) may use his experience, technical competence, and specialized knowledge to evaluate the evidence.

(vi) Oath. All testimony presented at the hearing, if offered as evidence to be considered in reaching a decision on the merits, shall be given under oath.

(vii) Order of presentation. Unless otherwise directed by the presiding officer at the hearing, the order of procedure and presentation of evidence will be as follows: (1) agency; (2) respondent; (3) intervenors (if any); (4) rebuttal by agency.

(viii) Time limits. The presiding officer may set reasonable time limits for the presentations described above.

(ix) Continuances of the hearing. Any hearing may be continued to a time and date certain announced at the hearing, which shall not require any new notification. The continuance of the hearing may be made upon motion of a party indicating good cause why a continuance is necessary. The continuance of the hearing may also be made upon the motion of the presiding officer when in the public interest.

(x) Oral Argument and Briefs. Upon the conclusion of the taking of evidence, the presiding officer may, in his discretion, permit the parties to make oral arguments or submit additional briefs or memoranda upon a schedule to be designated by the presiding officer.

(xi) Record of Hearing. The presiding officer shall cause an official record of the hearing to be made, at the agency's expense, as follows:

(A) The record may be made by means of an audio or video recorder or other recording device at the department's expense.

(B) The record may also be made by means of a certified shorthand reporter employed by the department or by a party desiring to employ a certified shorthand reporter at its own cost in the event that the department chooses not to employ a reporter. If a party employs a certified shorthand reporter, the original transcript of the hearing shall be filed with the department. Those desiring a copy of the certified shorthand reporter's transcript may purchase it from the reporter.

(C) Any respondent, at his own expense, may have a person approved by the department prepare a transcript of the hearing, subject to any restrictions that the agency is permitted by statute to impose to protect confidential information disclosed at the hearing. Whenever a transcript or audio or video recording of a hearing is made, it will be available at the department for use by the parties, but the original transcript or recording may not be withdrawn.

(D) The department shall retain the record of the evidentiary hearing for a minimum of one year from the date of the hearing, or until the completion of any court proceeding on the matter.

(xii) Failure to appear. Inexcusable failure of the respondent to appear at a scheduled evidentiary hearing after receiving proper notice constitutes an admission of the charged violation. The validity of any hearing is not affected by the failure of any person to attend or remain in attendance pursuant to Section 32A-1-119(5)(c).

(e) Disposition.

(i) Presiding Officer's Order; Objections.

(A) Within a reasonable time of the close of the hearing, or after the filing of any post-hearing papers permitted by the presiding officer, the presiding officer shall sign and issue a written order that includes the following:

(I) the findings of fact based exclusively on evidence found in the record of the adjudicative proceedings, or facts officially noted. No finding of fact that was contested may be based solely on hearsay evidence. The findings of fact shall be based upon a preponderance of the evidence, except if the respondent fails to respond as per R81-1-7(4)(a)(iii), then the findings of fact shall adopt the allegations in the notice of agency action;

(II) conclusions of law;

(III) the decision;

(IV) the reasons for the decision;

(V) recommendations for final commission action. The order shall not recommend a penalty more severe than that sought in the notice of agency action;

(VI) notice that a respondent or the department having objections to the presiding officer's order may file written objections with the presiding officer within ten days of service of the order setting forth the particulars in which the report is alleged to be unfair, inaccurate, incomplete, unreasonable, unlawful, or not supported by the evidence.

(B) A copy of the presiding officer's order shall be promptly mailed to the parties.

(C) The presiding officer shall wait ten days from service of his order for written objections, if any. The presiding officer may then amend or supplement his findings of fact, conclusions of law, and recommendations to reflect those objections which have merit and which are not disputed.

(D) Upon expiration of the time for filing written objections, the order of the presiding officer and any written objections timely filed, shall be submitted to the commission for final consideration.

(ii) Commission Action.

(A) Upon expiration of the time for filing objections, the order shall be placed on the next available agenda of a regular commission meeting for consideration by the commission. Copies of the order, together with any objections filed by the respondent, shall be forwarded to the commission, and the commission shall finally decide the matter on the basis of the order and any objections submitted.

(B) The commission shall be deemed a substitute presiding officer for this final stage of the formal adjudicative proceeding pursuant to Sections 63G-4-103(1)(h)(ii) and (iii). This stage is not considered a "review of an order by an agency or a superior agency" under Sections 63G-4-301 and -302.

(C) No additional evidence shall be presented to the commission. The commission may, in its discretion, permit the parties to present oral presentations.

(D) After the commission has reached a final decision, it shall issue or cause to be issued a signed, written order pursuant to Section 32A-1-119(3)(c) and (6) and 63G-4-208(1) that includes:

(I) findings of fact based exclusively on evidence found in the record of the adjudicative proceedings, or facts officially noted. No finding of fact that was contested may be based solely on hearsay evidence. The findings of fact shall be based upon a preponderance of the evidence, except if the respondent fails to respond as per R81-1-7(4)(a)(iii), then the findings of fact shall adopt the allegations in the notice of agency action and the respondent is considered in default;

(II) conclusions of law;

(III) the decision;

(IV) the reasons for the decision;

(V) action ordered by the commission and effective date of the action taken. The order shall not impose a penalty more severe than that sought in the notice of agency action;

(VI) notice of the right to file a written request for reconsideration within ten days of the service of the order;

(VII) notice of the right to seek judicial review of the order within thirty days of the date of its issuance in the court of appeals in accordance with Sections 32A-1-120 and 63G-4-403, -404, -405.

(E) The commission may adopt in whole or in part, any portion(s) of the initial presiding officer's order.

(F) The commission may use its experience, technical competence and specialized knowledge to evaluate the evidence.

(G) The commission, after it has rendered its final decision and order, may direct the department director to prepare, issue, and cause to be served on the parties the final written order on behalf of the commission.

(H) A copy of the commission's order shall be promptly mailed to the parties.

(I) A respondent having objections to the order of the commission may file, within ten days of service of the order, a request for reconsideration with the commission, setting forth the particulars in which the order is unfair, unreasonable, unlawful, or not supported by the evidence. If the request is based upon newly discovered evidence, the petition shall be accompanied by a summary of the new evidence, with a statement of reasons why the respondent could not with reasonable diligence have discovered the evidence prior to the formal hearing, and why the evidence would affect the commission's order.

(J) The filing of a request for reconsideration is not a prerequisite for seeking judicial review of the commission's order.

(K) Within twenty days of the filing of a request for reconsideration, the commission may issue or cause to be issued a written order granting the request or denying the request in whole or in part. If the request is granted, it shall be limited to the matter specified in the order. Upon reconsideration, the commission may confirm its former order or vacate, change or modify the same in any particular, or may remand for further action. The final order shall have the same force and effect as the original order.

(L) If the commission does not issue an order within twenty days after the filing of the request, the request for reconsideration shall be considered denied.

(f) Judicial Review.

(i) Respondent may file a petition for judicial review of the commission's final order within 30 days from the date the order is issued.

(ii) Appeals from formal adjudicative proceedings shall be to the Utah Court of Appeals in accordance with Sections 63G-4-403, -404, and 405, and Section 32A-1-120.

R81-1-8. Consent Calendar Procedures.

(1) Authority. This rule is pursuant to the commission's authority to establish procedures for suspending or revoking permits, licenses, and package agencies under 32A-1-107(1)(b) and (e), and the commission's authority to adjudicate violations of Title 32A.

(2) Purpose. This rule establishes a consent calendar procedure for handling letters of admonishment issued and settlement agreements proposed pursuant to R81-1-7 that meet the following criteria:

(a) Uncontested letters of admonishment where no written objections have been received from the respondent; and

(b) Settlement agreements except those where the respondent is allowed to present further argument to the commission under the terms of the settlement agreement.

(3) Application of the Rule.

(a) A consent calendar may be utilized by the commission at their meetings to expedite the handling of letters of admonishment and settlement agreements that meet the criteria of Section (2).

(b) Consent calendar items shall be briefly summarized by department staff or the assistant attorney general assigned to the department. The summary shall describe the nature of the violations and the penalties sought.

(c)(i) The commission shall be furnished in advance of the meeting a copy of each letter of admonishment and settlement agreement on the consent calendar and any documents essential for the commission to make an informed decision on the matter.

(ii) If the case involves anything unusual or out of the ordinary, it shall be highlighted on the letter of admonishment or settlement agreement and shall be noted by the department staff person or assistant attorney general during the summary of the case.

(iii) Settlement agreements on the consent calendar shall include specific proposed dates for the suspension of any license or permit, and for payment of any fines or administrative costs.

(d) If the case involves a serious or grave violation as defined in R81-1-6, the licensee or permittee, absent good cause, shall be in attendance at the commission meeting. The licensee or permittee shall be present not to make a presentation, but to respond to any questions from the commission. Individual employees of a licensee or permittee are not required to be in attendance at the commission meeting.

(e) Any commissioner may have an item removed from the consent calendar if the commissioner feels that further inquiry is necessary before reaching a final decision. In the event a commissioner elects to remove an item from the consent calendar, and the licensee or permittee is not in attendance, the matter may be rescheduled for the next regular commission meeting. Otherwise, the action recommended by department staff or the assistant attorney general presenting the matter shall be approved by unanimous consent of the commission.

(f) All consent calendar items shall be approved in a single motion at the conclusion of the presentation of the summary.

(g) All fines and administrative costs shall be paid on or before the day of the commission meeting unless otherwise provided by order of the commission.

R81-1-9. Liquor Dispensing Systems.

A licensee may not install or use any system for the automated mixing or dispensing of spirituous liquor unless the dispensing system has been approved by the department.

(1) Minimum requirements. The department will only approve a dispensing system which:

(a) dispenses spirituous liquor in calibrated quantities not to exceed 1.5 ounces; and

(b) has a meter which counts the number of pours dispensed.

The margin of error of the system for a one ounce pour size cannot exceed 1/16 of an ounce or two milliliters.

(2) Types of systems. Dispensing systems may be of various types including: gun, stationary head, tower, insertable spout, ring activator or similar method.

(3) Method of approval.

(a) Suppliers. Companies which manufacture, distribute, sell, or supply dispensing systems must first have their product approved by the department prior to use by any liquor licensee in the state. They shall complete the "Supplier Application for Dispensing System Approval" form provided by the department, which includes: the name, model number, manufacturer and supplier of the product; the type and method of dispensing, calibrating, and metering; the degree or tolerance of error, and a verification of compliance with federal and state laws, rules, and regulations.

(b) Licensees. Before any dispensing system is put into use by a licensee, the licensee shall complete the "Licensee Application for Dispensing System Approval" form provided by the department. The department shall maintain a list of approved products and shall only authorize installation of a product previously approved by the department as provided in subsection (a). The licensee is thereafter responsible for verifying that the system, when initially installed, meets the specifications which have been supplied to the department by the manufacturer. Once installed, the licensee shall maintain the dispensing system to ensure that it continues to meet the

manufacturer's specifications. Failure to maintain the system may be grounds for suspension or revocation of the licensee's liquor license.

(c) Removal from approved list. In the event the system does not meet the specifications as represented by the manufacturer, the licensee shall immediately notify the department. The department shall investigate the situation to determine whether the product should be deleted from the approved list.

(4) Operational restrictions.

(a) The system must be calibrated to pour a quantity of spirituous liquor not to exceed 1.5 ounces.

(b) Voluntary consent is given that representatives of the department, State Bureau of Investigation, or any law enforcement officer shall have access to any system for inspection or testing purposes. A licensee shall furnish to the representatives, upon request, samples of the alcoholic products dispensed through any system for verification and analysis.

(c) Spirituous liquor bottles in use with a dispensing system at the dispensing location must be affixed to the dispensing system by the licensee. Spirituous liquor bottles in use with a remote dispensing system must be in a locked storage area. Any other primary spirituous liquor not in service must remain unopened. There shall be no opened primary spirituous liquor bottles at a dispensing location that are not affixed to an approved dispensing device.

(d) The dispensing system and spirituous liquor bottles attached to the system must be locked or secured in such a place and manner as to preclude the dispensing of spirituous liquor at times when liquor sales are not authorized by law.

(e) All dispensing systems and devices must

(i) avoid an in-series hookup which would permit the contents of liquor bottles to flow from bottle to bottle before reaching the dispensing spigot or nozzle;

(ii) not dispense from or utilize containers other than original liquor bottles; and

(iii) prohibit the intermixing of different kinds of products or brands in the liquor bottles from which they are being dispensed.

(f) Pursuant to federal law, all liquor dispensed through a dispensing system shall be from its original container, and there shall be no re-use or refilling of liquor bottles with any substance whatsoever. The commission adopts federal regulations 27 CFR 31.261-31.262 and 26 USC Section 5301 and incorporates them by reference.

(g) Each licensee shall keep daily records for each dispensing outlet as follows:

(i) a list of brands of liquor dispensed through the dispensing system;

(ii) the number of portions of liquor dispensed through the dispensing system determined by the calculated difference between the beginning and ending meter readings and/or as electronically generated by the recording software of the dispensing system;

(iii) number of portions of liquor sold; and

(iv) a comparison of the number of portions dispensed to the number of portions sold including an explanation of any variances.

(v) These records must be made available for inspection and audit by the department or law enforcement.

(h) This rule does not prohibit the sale of pitchers of mixed drinks as long as the pitcher contains no more than 1.5 ounces of primary spirituous liquor and no more than a total of 2.5 ounces of spirituous liquor per person to which the pitcher is served.

(i) Licensees shall display in a prominent place on the premises a list of the types and brand names of spirituous liquor being served through its dispensing system. This requirement may be satisfied either by printing the list on an alcoholic beverage menu or by wall posting or both.

(j) All dispensing systems and devices must conform to federal, state, and local health and sanitation requirements. Where considered necessary, the department may:

(i) require the alteration or removal of any system,

(ii) require the licensee to clean, disinfect, or otherwise improve the sanitary conditions of any system.

(c) dispensing of alcoholic beverages to a licensed location may not be made on prohibited days or at prohibited hours pertinent to that license type;

(d) if separate inventories of liquor are maintained in one dispensing location, the storage area of each licensee's liquor must remain locked during the prohibited hours and days of sale for each license type;

(e) dispensing of alcoholic beverages to a licensed location may not be made in any manner prohibited by the statutory or regulatory operational restrictions of that license type;

(f) alcoholic beverages dispensed under this section may be delivered by servers from one outlet to the various approved consumption areas, or dispensed to each outlet through the use of a remote storage alcoholic beverage dispensing system.

(3) On qualified premises where each licensee maintains an inventory of alcoholic beverage products, the alcoholic beverages owned by each licensee may be stored in a common location in the building subject to the following guidelines:

(a) each licensee shall identify the common storage location when applying for or renewing their license, and shall receive department approval of the location;

(b) each licensee must be able to account for its ownership of the alcoholic beverages stored in the common storage location by keeping records, balanced monthly, of expenditures for alcoholic beverages supported by items such as delivery tickets, invoices, receipted bills, canceled checks, petty cash vouchers; and

(c) the common storage area may be located on the premises of one of the licensed liquor establishments.

(v) be signed by the individual or by his legal representative.

(d) Complaints filed on behalf of classes or third parties shall describe or identify by name, if possible, the alleged victims of discrimination.

(5) Investigation of Complaint.

(a) The ADA coordinator shall conduct an investigation of each complaint received. The investigation shall be conducted to the extent necessary to assure all relevant facts are determined and documented. This may include gathering all information listed in paragraph (4)(c) of this rule if it is not made available by the individual.

(b) When conducting the investigation, the ADA coordinator may seek assistance from the commission's or department's legal, human resource, and budget staff in determining what action, if any, shall be taken on the complaint. Before making any decision that would involve an expenditure of funds which is not absorbable within the commission's or department's budget and would require appropriation authority; facility modifications; or reclassification or reallocation in grade, the ADA coordinator shall consult with the ADA State Coordinating Committee.

(6) Issuance of Decision.

(a) Within 15 working days after receiving the complaint, the ADA coordinator shall issue a decision outlining in writing or in another acceptable suitable format stating what action, if any, shall be taken on the complaint.

(b) Appeals involving the commission shall be filed in writing with the commission. Appeals involving the department shall be filed in writing with the department's executive director or a designee other than the ADA coordinator.

(c) The filing of an appeal shall be considered as authorization by the individual to allow review of all information, including information classified as private or controlled, by the commission, executive director, or designee.

(d) The appeal shall describe in sufficient detail why the ADA coordinator's decision is in error, is incomplete or ambiguous, is not supported by the evidence, or is otherwise improper.

(e) The commission, executive director, or designee, shall review the factual findings of the investigation and the individual's statement regarding the inappropriateness of the ADA coordinator's decision and arrive at an independent conclusion and recommendation. Additional investigations may be conducted if necessary to clarify questions of fact before arriving at an independent conclusion. Before making any decision that would involve an expenditure of funds which is not absorbable within the commission's or department's budget and would require appropriation authority; facility modifications; or reclassification or reallocation in grade, the commission, executive director, or designee shall also consult with the State ADA Coordinating Committee.

(f) The decision shall be issued within ten working days after receiving the appeal and shall be in writing or in another accessible suitable format to the individual.

(g) If the commission, executive director, or designee is unable to reach a decision within the ten working day period, the individual shall be notified in writing or by another acceptable, suitable format why the decision is being delayed and the additional time needed to reach a decision.

(8) Classification of records. The record of each complaint and appeal, and all written records produced or received as part of the action, shall be classified as protected as defined under Section 63G-2-305 until the ADA coordinator, executive director, or their designees issue the decision, at which time any portions of the record which may pertain to the individual's medical condition shall remain classified as private as defined under Section 63G-2-302, or controlled as defined in Section 63G-2-304. All other information gathered as part of the complaint record shall be classified as private information. Only the written decision of the ADA coordinator, executive director, or designees shall be classified as public information.

(9) Relationship to other laws. This rule does not prohibit or limit the use of remedies available to individuals under the state Anti-Discrimination Complaint Procedures Section 67-19-32; the Federal ADA Complaint Procedures, 28 CFR 35.170, et seq.; or any other Utah or federal law that provides equal or greater protection for the rights of individuals with disabilities.

R81-1-16. Disqualification Based Upon Conviction of Crime.

(1) The Alcoholic Beverage Control Act generally disqualifies persons from being employees of the department, operating a package agency, holding a license or permit, or being employed in a managerial or supervisory capacity with a package agency, licensee or permittee if they have been convicted of:

(a) a felony under any federal or state law;

(b) any violation of any federal or state law or local ordinance concerning the sale, manufacture, distribution, warehousing, adulteration, or transportation of alcoholic beverages;

(c) any crime involving moral turpitude; or

(d) driving under the influence of alcohol or drugs on two or more occasions within the last five years.

(c) a manager;

(d) an officer;

(e) a director;

(f) a stockholder who holds at least 20% of the total issued and outstanding stock of the corporation; or

(b) "felony" means any crime punishable by a term of imprisonment in excess of one year; and

(c) a "crime involving moral turpitude" means a crime that involves actions done knowingly contrary to justice, honesty, or good morals. It is also described as a crime that is "malum in se" as opposed to "malum prohibitum" - actions that are immoral in themselves regardless of being punishable by law as opposed to actions that are wrong only since they are prohibited by statute. A crime of moral turpitude ordinarily involves an element of falsification or fraud or of harm or injury directed to another person or another's property. For purposes of this rule, crimes of moral turpitude may include crimes involving controlled substances, illegal drugs, and narcotics.

R81-1-17. Advertising.

(1) Authority and General Purpose. This rule is pursuant to Section 32A-12-401(4) which authorizes the commission to establish guidelines for the advertising of alcoholic beverages in this state except to the extent prohibited by Title 32A.

(2) Definitions.

(a) For purposes of this rule, "advertisement" or "advertising" includes any written or verbal statement, illustration, or depiction which is calculated to induce alcoholic beverage sales, whether it appears in a newspaper, magazine, trade booklet, menu, wine card, leaflet, circular, mailer, book insert, catalog, promotional material, sales pamphlet, or any written, printed, graphic, or other matter accompanying the container, representations made on cases, billboard, sign, or other public display, public transit card, other periodical literature, publication or in a radio or television broadcast, or in any other media; except that such term shall not include:

(i) labels on products; or

(ii) any editorial or other reading material (i.e., news release) in any periodical or publication or newspaper for the publication of which no money or valuable consideration is paid or promised, directly or indirectly, by any alcoholic beverage industry member or retailer, and which is not written by or at the direction of the industry member or retailer.

These provisions shall regulate the labeling and advertising of alcoholic beverages sold within this state, except where federal statutes and regulations are found to be contrary to or inconsistent with the provisions of the statutes and rules of this state.

(b) 27 CFR Section 7.50 provides that federal laws apply only to the extent that the laws of a state impose similar requirements with respect to advertisements of malt beverages manufactured and sold or otherwise disposed of in the state. This rule, therefore, adopts and incorporates by reference federal laws, previously referenced in subparagraph (a), relating to the advertising of malt beverage products.

(4) Current statutes and rules restricting the advertising, display, or display of price lists of liquor products, as defined in 32A-1-105(29), by the department, state stores, or type 1, 2 or 3 package agencies as defined in R81-3-1, are applicable.

(m) May not offer alcoholic beverages without charge;
(n) May not require the purchase, sale, or consumption of an alcoholic beverage in order to participate in any promotion, program, or other activity; and
(o) May provide information regarding product availability and price, and factual information regarding product qualities, but may not imply by use of appealing characters or life-enhancing images that consumption of the product will benefit the consumer's health, physical prowess, sexual prowess, athletic ability, social welfare, or capacity to enjoy life's activities.
(7) Violations. Any violation of this rule may result in the imposition of any administrative penalties authorized by 32A-1-119(5), (6) and (7), and may result in the imposition of the criminal penalty of a class B misdemeanor pursuant to 32A-12-104 and -401.

R81-1-19. Emergency Meetings.
(1) Purpose. The commission recognizes that there may be times when, due to the necessity of considering matters of an emergency or urgent nature, the public notice provisions of Utah Code Sections 52-4-6(1), (2) and (3) cannot be met. Pursuant to Utah Code Section 52-4-6(5), under such circumstances those notice requirements need not be followed but rather the "best notice practicable" shall be given.
(2) Authority. This rule is enacted under the authority of Sections 63G-3-201 and 32A-1-107.
(3) Procedure. The following procedure shall govern any emergency meeting:
(a) No emergency meeting shall be held unless an attempt has been made to notify all of the members of the commission of the proposed meeting and a majority of the convened commission votes in the affirmative to hold such an emergency meeting.
(b) Public notice of the emergency meeting shall be provided as soon as practicable and shall include at a minimum the following:
(i) Written posting of the agenda and notice at the offices of the department;
(ii) If members of the commission may appear electronically or telephonically, all such notices shall specify the anchor location for the meeting at which interested persons and members of the public may attend, monitor, and participate in the open portions of the meeting;
(iii) Notice to the commissioners shall advise how they may participate telephonically or electronically and be counted as present for all purposes, including the determination of a quorum.
(iv) Written, electronic or telephonic notice shall be provided to at least one newspaper of general circulation within the state and at least one local media correspondent.
(c) If one or more members of the commission appear electronically or telephonically, the procedures governing electronic meetings shall be followed, except for the notice requirements which shall be governed by these provisions.
(d) In convening the meeting and voting in the affirmative to hold such an emergency meeting, the commission shall affirmatively state and find what unforeseen circumstances have rendered it necessary for the commission to hold an emergency meeting to consider matters of an emergency or urgent nature such that the ordinary public notice of meetings provisions of Utah Code Section 52-4-6 could not be followed.

R81-1-20. Electronic Meetings.
(1) Purpose. Utah Code Section 52-4-207 requires any public body that convenes or conducts an electronic meeting to establish written procedures for such meetings. This rule establishes procedures for conducting commission meetings by electronic means.
(2) Authority. This rule is enacted under the authority of Sections 52-4-207, 63G-3-201 and 32A-1-107.
(3) Procedure. The following provisions govern any meeting at which one or more commissioners appear telephonically or electronically pursuant to Utah Code Section 52-4-207:
(a) If one or more members of the commission may participate electronically or telephonically, public notices of the meeting shall so indicate. In addition, the notice shall specify the anchor location where the members of the commission not participating electronically or telephonically will be meeting and where interested persons and the public may attend, monitor, and participate in the open portions of the meeting.
(b) Notice of the meeting and the agenda shall be posted at the anchor location. Written or electronic notice shall also be provided to at least one newspaper of general circulation within the state and to a local media correspondent. These notices shall be provided at least 24 hours before the meetings.
(c) Notice of the possibility of an electronic meeting shall be given to the commissioners at least 24 hours before the meeting. In addition, the notice shall describe how a commissioner may participate in the meeting electronically or telephonically.
(d) When notice is given of the possibility of a commissioner appearing electronically or telephonically, any commissioner may do so and shall be counted as present for purposes of a quorum and may fully participate and vote on any matter coming before the commission. At the commencement of the meeting, or at such time as any commissioner initially appears electronically or telephonically, the chair shall identify for the record all those who are appearing telephonically or electronically. Votes by members of the commission who are

not at the physical location of the meeting shall be confirmed by the chair.

(e) The anchor location, unless otherwise designated in the notice, shall be at the offices of the Department of Alcoholic Beverage Control, 1625 South 900 West, Salt Lake City, Utah. The anchor location is the physical location from which the electronic meeting originates or from which the participants are connected. In addition, the anchor location shall have space and facilities so that interested persons and the public may attend, monitor, and participate in the open portions of the meeting.

R81-1-21. Beer Advertising in Event Venues.

(1) Authority. This rule is pursuant to the commission's powers and duties as the plenary policymaking body on the subject of alcoholic beverage control under 32A-1-107, and its authority to establish guidelines for the advertising of alcoholic beverages under 32A-12-401(4).

(2) Purpose.

(a) This rule establishes a "safe harbor" from administrative action being taken against beer manufacturers and retailers under the circumstances and conditions below. This rule is necessary to allow certain advertising relations to occur even though they have the appearance of violating the "tied-house" provisions of 32A-12-603, but where the reasons and purposes for the "tied-house" provisions do not apply.

(b) "Tied-house" provisions have been enacted at both the federal and state level in response to historical forces and concerns. The thrust of the laws is to prevent two particular dangers: the ability and potential ability of large firms to dominate local markets through vertical and horizontal integration, and excessive sales of alcoholic beverages produced by overly aggressive marketing techniques. The principle method used to avoid these developments was the establishment of a triple-tiered distribution system and licensing scheme where separate and distinct business enterprises engaged in the production, handling, and final sale of alcoholic beverages. The laws also prohibited certain economic arrangements and agreements between each of the three tiers of the distribution system.

(c) Utah's "tied-house" and trade practice laws prohibit a beer industry member, directly or indirectly or through an affiliate, from inducing any beer retailer to purchase alcoholic beverages from the industry member to the exclusion in whole or in part of any of those products sold or offered for sale by other persons by furnishing the retailer signs, money or other things of value except to the extent allowed under 32A-12-603. The laws prohibit a beer industry member, directly or indirectly or through an affiliate, from paying or crediting a beer retailer for any advertising, display, or distribution service. 32A-12-603(5). This includes the purchase, by an industry member, of advertising on signs, scoreboards, programs, scorecards, and the like at ballparks, racetracks or stadiums, from the retail concessionaire. See 27 C.F.R. Sec. 6.53 as referenced in 32A-12-603(5)(a). The laws also prohibit an industry member from making payments for advertising to a retailer association or a display company where the resulting benefits flow to the individual retailers. 32A-12-603(3)(b)(i)(B).

(d) Throughout the state, there are a number of large facilities which put on or allow events to occur on their premises. This includes sports arenas, ballparks, raceways, fairgrounds, equestrian facilities and the like. These facilities have a recognized area of advertising for sale in connection with the events and which is standard for their events, e.g., fence signage at ballparks. Many of these facilities are or have associated with their on-premise beer retailer, either on an annual basis, or as a temporary event permit holder. The issue is thus raised as to the legality of the advertising of beer products as part of the general advertising where other items are advertised and the facility is or has within it an on-premise beer retailer.

(3) Application of the Rule. If the conditions listed below are met, the reasons and purposes behind the "tied-house" provisions restricting relations between manufacturers and retailers do no apply or are not significantly impacted. In addition, an event facility may be unduly restricted in its ability to sell advertising and be competitive. This is based upon the facility's primary purpose being other than the sale of food and beverages, that advertising is a normal and accepted part of the business of the facility and the events that occur at the facility, that beer advertisers would be on equal footing with other advertisers, and that there is little, if any, likelihood of the purchasing of advertising space or time either having an impact on the beer retailing decisions of the retailer or of allowing the manufacturer to obtain or assert control over the retailer. Therefore, if the following conditions are met, the sale of advertising space or time to a beer manufacturer for display at the facility does not constitute the payment to a retailer for advertising, display or distribution service, and does not otherwise constitute the furnishing of any signs, money, or other things of value to a retailer in violation of the "tied-house" provisions of 32A-12-603:

(a) The primary purpose of the facility is the hosting or putting on events, and not the sale or service of food and beverages, including alcoholic beverages;

(b) The retail licensee operates with a fixed seating capacity of more than 2,000 persons;

(c) The advertising space or time is purchased only in connection with events to be held on the premises, and not as point-of-sale advertising. The advertising space or time is not located near the beer concession area and does not reference the on-premise retailer or the availability of beer;

(d) Sales of event advertising space or time and retail beer sales are handled by different entities or divisions, that are separate and do not influence each other, and no preference in terms of beer sales or facilities are extended to a beer advertiser;

(e) The retail licensee serves other brands of malt beverages or beer than the brand manufactured or sold by the manufacturer purchasing advertising space or time. Unless demonstrated for sound business reasons unrelated to "tied-house" laws, the percentage of taps in a facility may not exceed by 10% the actual percentage of sales, by brand, in that facility or the community in the previous year;

(f) The advertising space or time is available to all types of advertisers, is not limited to any type of product, such as beer, is pursuant to an established rate card that sets forth the advertising rates equally available to any other industry member or (and at rates substantially similar for any) non-industry advertiser, and the advertising agreement does not provide for an exclusive right to an advertiser or a right to exclude other advertisers;

(g) The industry member may not share in the costs or contribute to the costs of the advertising or promotion of the beer retailer or the facility, or obtain or have any interest in the retailer or the facility; and

(h) The purchase of advertising space or time is by written agreement, a copy of which shall be provided to the department as a confidential business document, non-public, and only to be used for enforcement purposes, and the term of the agreement may not be for a period in excess of three years, including any right of renewal.

(4) This "safe harbor" is limited to its express terms, does not undermine or infringe upon general "tied-house" prohibitions, and shall be strictly construed against its applicability. This "safe harbor" also does not limit or abrogate any exception to "tied-house" prohibitions.

R81-1-22. Diplomatic Embassy Shipments and Purchases.

(1) Purpose. The Vienna Conventions on Diplomatic and

Consular Relations grant foreign diplomatic missions certain exemptions from federal, state and local taxes. The United States, by treaty, is a party to the Vienna Conventions, and is obligated under international law to grant these exemptions under these agreements to accredited diplomatic missions of those countries that grant the United States reciprocal privileges. These privileges include the purchase of alcoholic beverages duty and tax free subject to certain exceptions such as indirect taxes normally incorporated in the price of goods or services, and charges levied for specific services rendered to benefit the mission.

This rule establishes department guidelines for shipments and purchases of alcohol by a foreign diplomatic mission with an accredited embassy having full diplomatic privileges under the Vienna Conventions that establishes an embassy presence in the state of Utah (hereafter "accredited foreign diplomatic mission").

(2) Application of Rule.

(a) Shipments. An accredited foreign diplomatic mission that establishes an embassy presence in Utah may have or possess, for official diplomatic use, and not for sale or resale, alcoholic beverages that have not been purchased in the state of Utah. Such products may be shipped or transported into the state of Utah under the following conditions:

(i) The embassy must first obtain the approval of this department prior to shipping or transporting its alcoholic beverages into the state.

(ii) Alcoholic beverages shipped or transported into the state must clear U.S. Customs duty free.

(iii) The department shall affix the official state label to the alcoholic beverages.

(iv) The embassy shall pay the department an administrative handling fee of $1.00 per smallest unit (bottle, can, or keg). Payment of handling fees shall be made by the embassy using an official embassy check or embassy credit card.

(v) The alcoholic beverages may be used by the embassy only for official diplomatic functions, and may not be sold or resold.

(b) Purchases.

(i) Special Orders. An accredited foreign diplomatic mission that establishes an embassy presence in Utah may special order from the department alcoholic beverage products not presently sold in the state of Utah under the following procedures:

(A) The company or importer supplying the product must submit a price quotation to the department indicating the case price (in US dollars) for which it will sell the product to the state.

(B) The quoted case price must be reasonable (a minimum of $10.00 per case).

(C) The product will be marked up using the department=s standard pricing formula (less the state sales tax).

(D) Special orders must be placed by the embassy at least two months in advance to allow the department sufficient time to purchase and receive the product for the embassy.

(E) The product must be paid for by the embassy using an official embassy check or embassy credit card.

(F) The product may be used by the embassy only for official diplomatic functions, and may not be sold or resold.

(ii) Presently Available Merchandise. An accredited foreign diplomatic mission that establishes an embassy presence in Utah may purchase alcoholic beverages that are presently sold in the state of Utah under the following procedures:

(A) Alcoholic beverage product purchases, other than large quantity purchases, may be made by the embassy at any state store. The store shall deduct state sales tax from the purchase price.

(B) Large quantity purchase orders must be placed by the embassy at the department's licensee warehouse. The warehouse shall deduct state sales tax from the purchase price.

(C) The products must be paid for by the embassy using an official embassy check or embassy credit card.

(D) The product may be used by the embassy only for official diplomatic functions, and may not be sold or resold.

R81-1-23. Sales Restrictions on Products of Limited Availability.

(1) Purpose. Some alcoholic beverage products, especially wines, are of very limited availability from their manufacturers and suppliers to retailers including the department. When the department perceives that customer demand for these limited products may exceed the department=s current and future stock levels, the department, as a public agency, may place restrictions on their sales to ensure their fair distribution to all consumers. This also encourages manufacturers and suppliers to continue to provide their products to the department. This rule establishes the procedure for allocating products of limited availability.

(2) Application of Rule.

(a) The purchasing and wine divisions of the department shall identify those products that are of limited availability and designate them as "Limited /Allocated Status" ("L Status") items. The products shall be given a special "L Status" product code designation.

(b) "L Status" products on the department's price list, in stock, or on order, do not have to be sold on demand. Their sales to the general public and to licensees and permittees may be restricted. The purchasing and wine divisions of the department may issue system-wide restrictions directing the allocation of such products which may include placing limits on the number of bottles sold per customer.

(c) Signs noting this rule shall be posted in state stores and package agencies that carry "L Status" products.

(c) 32A-1-701 through 704 that allow for the department to require criminal history background check reports on certain individuals.

(2) Purpose. This rule:

(a) establishes the circumstances under which a person identified in the statutory sections enumerated in Subparagraph (1)(b), must provide the department with a criminal history background report that shows the person meets the qualifications of those statutory sections as a condition of employment with the department, or as a condition of the commission granting a license, permit, or package agency to an applicant for a license, permit, or package agency; and

(b) establishes the procedures for the filing and processing of criminal history background reports.

(h) An applicant for employment with benefits with the department that requires a B.C.I. or an F.B.I. criminal history background report may be conditionally hired by the department prior to receipt of the report if:

R81-1-27. Label Approvals.

(1) Authority. This rule is pursuant to 32A-1-806(2)(c) and (d) and 32A-1-807 which give the commission the authority to adopt rules necessary to fully implement certain aspects of the Malted Beverages Act, 32A-1-801 to -809.

(2) Purpose.

(a) Pursuant to 32A-1-804, effective October 1, 2008, a manufacturer may not distribute or sell in this state any malted beverage including beer, heavy beer, and flavored malt beverage unless the label and packaging of the beverage has been first approved by the department.

(b) The requirements and procedures for applying for label and packaging approval are set forth in 32A-1-804 to -806.

(c) This rule:

(i) establishes administrative fees that may be assessed by the department to process applications for the approval of malt beverage labels and packaging;

(ii) provides supplemental procedures for applying for and processing label and package approvals;

(iii) defines the meaning of certain terms in the Malted Beverages Act; and

(iv) establishes the format of certain words and phrases required on the containers and packaging of certain flavored malt beverages.

(3) Application of Rule.

(a) The department shall assess a fee of $30.00 made payable to the "Department of Alcoholic Beverage Control" for each application submitted for label and packaging approval.

(b) A complete set of original labels for each size of container must accompany each application for label and packaging approval.

(i) This includes all band, strip, front and back labels appearing on any individual container.

(ii) Original containers will not be accepted.

(iii) If original labels cannot be obtained, the following will be accepted:

(A) color reproductions that are exact size; or

(B) a copy of the federal certificate of label approval (COLA) from the Department of Treasury, Tax and Trade Bureau (Form TTB F5100.31) with the exact size label if printed in color.

(c) Because a heavy beer and flavored malt beverage product may be sold only by the department to consumers and on-premise retailers in this state, label approval for a heavy beer or flavored malt beverage need not be applied for until the department has decided to list the product for sale in this state. Any listing will be contingent on label and packaging approval.

(d) An application for approval is required for any revision of a previously approved label.

(e) An application for approval is required for any revision to packaging that significantly modifies the notice that the product is an alcoholic beverage.

(f) An application for approval is not required for any revision to packaging that relates to subject matter other than the required notice that the product is an alcoholic beverage such as temporary seasonal or promotional themes.

(g) Pursuant to 32A-1-805(6):

(i) the department may revoke any label and packaging approved by the department prior to October 1, 2008, that does not comply with the label and packaging requirements of the Malted Beverage Act;

(ii) the department may delist any heavy beer or flavored malt beverage product listed by the department prior to October 1, 2008, that does not meet the label and packaging requirements of the Malted Beverage Act;

(iii) any heavy beer or flavored malt beverage product listed by the department prior to October 1, 2008, that did not receive prior label and packaging approval need not submit an application for label and packaging approval if the label and packaging meet the requirements of the Malted Beverage Act.

(h) Pursuant to 32A-1-806, effective October 1, 2008, a flavored malt beverage that is packaged in a manner that is similar to a label or package used for a nonalcoholic beverage must bear a prominently displayed label or a firmly affixed sticker on the container that includes the statement "alcoholic beverage" or "contains alcohol". Any packaging of a flavored malt beverage must also prominently include, either imprinted on the packaging or imprinted on a sticker firmly affixed to the packaging the statement "alcoholic beverage" or "contains alcohol". The words in the statement must appear:

(i) in capital letters and bold type;

(ii) in a solid contrasting background;

(iii) on the front of the container and packaging;

(iv) in a format that is readily legible;

(v) separate and apart from any descriptive or explanatory information; and

(vi) in a type size no smaller than 3 millimeters wide and 3 millimeters high.

(i) Pursuant to 32A-1-806, effective October 1, 2008, the label on a flavored malt beverage container shall state the alcohol content as a percentage of alcohol by volume or by weight. The alcohol content statement may not be abbreviated, but shall use the complete words "alcohol," "volume," or "weight". The words in the alcohol content statement must appear:

(i) in capital letters and bold type;

(ii) in a solid contrasting background;
(iii) in a format that is readily legible; and
(iv) separate and apart from any descriptive or explanatory information.

R81-1-28. Special Commission Meetings - Fees.

(1) Authority. This rule is pursuant to 32A-1-106(9) that gives the commission authority to hold special commission meetings; and 32A-1-107(1) that gives the commission authority to establish procedures for granting and denying permits and to prescribe fees payable for permits.

(2) Purpose. This rule authorizes the commission to assess an administrative fee in addition to the regular permit fee to cover the additional administrative costs of convening a special commission meeting to consider the application of an applicant for a single event permit or temporary special event beer permit who failed to timely submit the permit application to be considered at the commission's regularly scheduled monthly meeting.

(2) Renewal notices shall be sent by letter deposited in the post office with postage prepaid, addressed to the last address shown on the division's automated license system. (3) Renewal notices shall specify the renewal requirements and require that each licensee document or certify that the licensee meets the renewal requirements.

(4) Renewal notices shall advise each licensee that a license that is not renewed prior to the expiration date shown on the license automatically expires and that any continued practice without a license constitutes a criminal offense under Subsection 58-1-501(1)(a).

(5) Licensees licensed during the last four months of a renewal cycle shall be licensed for a full renewal cycle plus the period of time remaining until the impending renewal date, rather than being required to immediately renew their license.

(1)(a) In accordance with Subsection 58-1-203(1)(g), a licensee may request a waiver of any continuing education requirement established under this title or an extension of time to complete any requirement on the basis that the licensee was unable to complete the requirement due to a medical or related condition, humanitarian or ecclesiastical services, extended presence in a geographical area where continuing education is

(c) A licensee submitting a request has the burden of proof and must document the reason for the request to the satisfaction of the Division.

(3)(a) When an initial, renewal or reinstatement applicant under Subsections 58-1-301(2) through (3) or 58-1-308(5) or (6)(b) is selected for audit or is under investigation, the division may conditionally issue an initial license to an applicant for initial licensure, or renew or reinstate the license of an applicant pending the completion of the audit or investigation.

(b) The undetermined completion of a referenced audit or investigation rather than the established expiration date shall be indicated as the expiration date of a conditionally issued, renewed, or reinstated license.

(d) Upon completion of the audit or investigation, the division shall notify the initial license, renewal, or reinstatement applicant whether the applicant's license is unconditionally issued, renewed, reinstated, denied, or partially denied or reinstated.

(e) A notice of unconditional denial or partial denial of licensure to an applicant the division conditionally licensed, renewed, or reinstated shall include the following:

R156-1-310. Cheating on Examinations.

(1) Policy.

The passing of an examination, when required as a condition of obtaining or maintaining a license issued by the division, is considered to be a critical indicator that an applicant or licensee meets the minimum qualifications for licensure.

Failure to pass an examination is considered to be evidence that an applicant or licensee does not meet the minimum qualifications for licensure. Accordingly, the accuracy of the examination result as a measure of an applicant's or licensee's competency must be assured. Cheating by an applicant or licensee on any examination required as a condition of obtaining a license or maintaining a license shall be considered unprofessional conduct and shall result in imposition of an appropriate penalty against the applicant or licensee.

(2) Cheating Defined.

Cheating is defined as the use of any means or instrumentality by or for the benefit of an examinee to alter the results of an examination in any way to cause the examination results to inaccurately represent the competency of an examinee with respect to the knowledge or skills about which they are examined. Cheating includes:

(a) communication between examinees inside of the examination room or facility during the course of the examination;

(b) communication about the examination with anyone outside of the examination room or facility during the course of the examination;

(c) copying another examinee's answers or looking at another examinee's answers while an examination is in progress;

(d) permitting anyone to copy answers to the examination;

(e) substitution by an applicant or licensee or by others for the benefit of an applicant or licensee of another person as the examinee in place of the applicant or licensee;

(f) use by an applicant or licensee of any written material, audio material, video material or any other mechanism not specifically authorized during the examination for the purpose of assisting an examinee in the examination;

(g) obtaining, using, buying, selling, possession of or having access to a copy of the examination prior to administration of the examination.

(3) Action Upon Detection of Cheating.

(a) The person responsible for administration of an examination, upon evidence that an examinee is or has been cheating on an examination shall notify the division of the circumstances in detail and the identity of the examinees involved with an assessment of the degree of involvement of each examinee;

(b) If cheating is detected prior to commencement of the examination, the examinee may be denied the privilege of taking the examination; or if permitted to take the examination, the examinee shall be notified of the evidence of cheating and shall be informed that the division may consider the examination to have been failed by the applicant or licensee because of the cheating; or

(c) If cheating is detected during the examination, the examinee may be requested to leave the examination facility and in that case the examination results shall be the same as failure of the examination; however, if the person responsible for administration of the examination determines the cheating detected has not yet compromised the integrity of the examination, such steps as are necessary to prevent further cheating shall be taken and the examinee may be permitted to continue with the examination.

(d) If cheating is detected after the examination, the division shall make appropriate inquiry to determine the facts concerning the cheating and shall thereafter take appropriate action.

(e) Upon determination that an applicant has cheated on an examination, the applicant may be denied the privilege of retaking the examination for a reasonable period of time, and the division may deny the applicant a license and may establish conditions the applicant must meet to qualify for a license including the earliest date on which the division will again consider the applicant for licensure.

(4) Notification.

The division shall notify all proctors, test administrators and examinees of the rules concerning cheating.

scheduled repeat c-section.

(3) Repeat c-section poses more medical risks to the mother than VBAC.

(4) C-section after a failed TOLAC is associated with more risks than a c-section done before labor has begun.

(5) If a complication occurs from a TOLAC outside of a hospital setting, the risk to mother and baby may be higher due to the inherent delay in obtaining access to hospital care.

(6) Multiple c-sections are associated with, but not limited to, increased risks due to abnormal placental implantation, hemorrhage requiring hysterectomy, and other surgical and postoperative complications.

(7) The risks associated with TOLAC after two c-sections are greater than those after one c-section.

(8) Risks associated with TOLAC when the type of uterine scar is unknown are greater than when the uterine scar is known to be low transverse.

(9) The 2004 National Birth Center study revealed women who attempt TOLAC in a birth center setting have an overall transfer rate of 24%, and a vaginal delivery rate of 87%.

(10) A woman with no previous vaginal birth and two previous c-sections for documented failure to progress, has a very low vaginal delivery success rate.

R156-77-603. Procedures for the Termination of Midwifery Care.

(1) The procedure to terminate midwifery care for a client who has been informed that she has or may have a condition indicating the need for medical consultation, collaboration, referral, or transfer is established herein:

(b) verbally instruct the client of the termination of midwifery care and document said instruction in the client record;

(c) make a reasonable effort to convey significant information regarding the client's condition to the receiving provider; and

(d) if possible, when transferring the client by ambulance or private vehicle, the LDEM accompanies the client.

R156-77-604. Submission of Outcome Data.

In accordance with Subsection 58-77-601(5), an individual licensed as an LDEM must submit outcome data electronically to the MANA's Division of Research on the form prescribed by MANA, and in accordance to the policies and procedures established by MANA. Upon request of the Division, the licensee shall submit to the Division a copy of the data submitted to MANA. A licensee must also submit outcome data to the LDEM Outcome Database at least annually.

Chapter 19-2 and the rules adopted by the Air Quality Board constitute the basis for control of air pollution sources in the state. These rules apply and will be enforced throughout the state, and are recommended for adoption in local jurisdictions where environmental specialists are available to cooperate in implementing rule requirements.

National Ambient Air Quality Standards (NAAQS), National Standards of Performance for New Stationary Sources (NSPS), National Prevention of Significant Deterioration of Air Quality (PSD) standards, and the National Emission Standards for Hazardous Air Pollutants (NESHAPS) apply throughout the nation and are legally enforceable in Utah.

R307-101-2. Definitions.

Except where specified in individual rules, definitions in R307-101-2 are applicable to all rules adopted by the Air Quality Board.

"Actual Emissions" means the actual rate of emissions of a pollutant from an emissions unit determined as follows:

(1) In general, actual emissions as of a particular date shall equal the average rate, in tons per year, at which the unit actually emitted the pollutant during a two-year period which precedes the particular date and which is representative of normal source operations. The Executive Secretary shall allow the use of a different time period upon a determination that it is more representative of normal source operation. Actual emissions shall be calculated using the unit's actual operating hours, production rates, and types of materials processed, stored, or combusted during the selected time period.

(2) The Executive Secretary may presume that source-specific allowable emissions for the unit are equivalent to the actual emissions of the unit.

(3) For any emission unit, other than an electric utility steam generating unit specified in (4), which has not begun normal operations on the particular date, actual emissions shall equal the potential to emit of the unit on that date.

(4) For an electric utility steam generating unit (other than a new unit or the replacement of an existing unit) actual emissions of the unit following the physical or operational change shall equal the representative actual annual emissions of the unit, provided the source owner or operator maintains and submits to the executive secretary, on an annual basis for a period of 5 years from the date the unit resumes regular operation, information demonstrating that the physical or operational change did not result in an emissions increase. A longer period, not to exceed 10 years, may be required by the executive secretary if the executive secretary determines such a period to be more representative of normal source post-change operations.

Prior authorization requirements are identified in Section I sub-section 9 of the Utah Medicaid Provider Manual. Additional prior authorization instructions for specific types of providers is found in Section II of the Medicaid Provider Manual. All necessary medical record documentation for prior approval must be submitted with the request. Such requests must be in writing and identify the records to be reviewed. Responses to requests must be returned within 30 days of the date of the request. Responses must include the complete record of all services for which reimbursement is claimed and all supporting services. If there is no response within the 30 day period, the agency will close the record and will evaluate the payment based on the records available.

R414. Health, Health Care Financing, Coverage and Reimbursement Policy.
R414-305. Resources.
R414-305-1. A, B and D Medicaid and A, B and D Institutional Medicaid Resource Provisions.

(1) This section establishes the standards for the treatment of resources to determine eligibility for aged, blind and disabled Medicaid and aged, blind and disabled institutional Medicaid.

(2) To determine eligibility of the aged, blind or disabled, the Department incorporates by reference 42 CFR 435.840, 435.843, 435.845, 2008 ed., and 20 CFR 416.1201, 416.1202, 416.1205 through 416.1224, 416.1229 through 416.1239, and 416.1247 through 416.1250, 2009 ed. The Department adopts Subsection 1902(k) of the Compilation of the Social Security Laws, 1993 ed., which is incorporated by reference. The Department incorporates by reference Section 1917(d), (e), (f) and (g) of the Compilation of the Social Security Laws in effect January 1, 2009. The Department shall not count as an available resource any assets that are prohibited under other federal laws from being counted as a resource to determine eligibility for federally-funded medical assistance programs. Insofar as any provision of this rule is inconsistent with applicable federal law, the applicable federal law governs over the inconsistent rule provision.

(3) The definitions in R414-1 and R414-301 apply to this rule, in addition:

(a) "Burial plot" means a burial space and any item related to repositories customarily used for the remains of any deceased member of the household. This includes caskets, concrete vaults, urns, crypts, grave markers and the cost of opening and closing a grave site.

(b) "Sanction" means a period of time during which a person is not eligible for Medicaid services for institutional care or services provided under a Home and Community Based waiver due to a transfer of assets for less than fair market value.

(c) "Transfer" in regard to assets means a person has disposed of assets for less than fair market value.

(4) A resource is available when the client owns it or has the legal right to sell or dispose of the resource for the client's own benefit.

(5) Except for the Medicaid Work Incentive Program, the resource limit for aged, blind or disabled Medicaid is $2,000 for a one-person household and $3,000 for a two-person household.

(6) For an individual who meets the criteria for the Medicaid Work Incentive Program, the resource limit is $15,000. This limit applies whether the household size is one or more than one.

(7) The Department bases non-institutional and institutional Medicaid eligibility on all available resources owned by the client, or deemed available to the client from a spouse or parent. Eligibility cannot be granted based upon the client's intent to or action of disposing of non-liquid resources as described in 20 CFR 416.1240, 2009 ed., unless Social Security is excluding the resources for an SSI recipient while the recipient takes steps to dispose of the excess resources.

(8) Any resource or the interest from a resource held within the rules of the Uniform Transfers to Minors Act is not countable. Any money from the resource that is given to the child as unearned income is a countable resource beginning the month after the child receives it.

(9) The resources of a ward that are controlled by a legal guardian are counted as the ward's resources.

(10) Lump sum payments received on a sales contract for the sale of an exempt home are not counted if the entire proceeds are used to purchase a new exempt home within three calendar months of when the property is sold. The individual shall receive one three-month extension if more than three months is needed to complete the actual purchase. Proceeds is defined as all payments made on the principal of the contract. Proceeds does not include interest earned on the principal.

(11) If a resource is potentially available, but a legal impediment to making it available exists, it is not a countable resource until it can be made available. The applicant or recipient must take appropriate steps to make the resource available unless one of the following conditions as determined by a person with established expertise relevant to the resources exists:

(a) Reasonable action would not be successful in making the resource available.

(b) The probable cost of making the resource available exceeds its value.

(12) Water rights attached to the home and the lot on which the home sits are exempt providing it is the client's principal place of residence.

(13) For an institutionalized individual, a home or life estate is not considered an exempt resource.

(14) To determine eligibility for nursing facility or other long-term care services, the Department excludes the value of the individual's principal home or life estate from countable resources if the individual's equity in the home or life estate does not exceed the equity limit of $500,000 as established in 42 U.S.C. 1396p(f)(1)(A), or as increased according to the provisions of 42 U.S.C. 1396p(f)(1)(C) of the Compilation of the Social Security Laws, and one of the following conditions is met:

(i) the individual intends to return to the home;

(ii) the individual's spouse resides in the home;

(iii) the individual's child who is under age 21, or who is blind or disabled resides in the home; or

(iv) a reliant relative of the individual resides in the home.

(15) If the equity value of the individual's home or life estate exceeds $500,000, or increased value according to the provisions of 42 U.S.C. 1396p(f)(1)(C), the individual is ineligible for nursing facility or other long-term care services unless the individual's spouse, or the individual's child who is under age 21 or is blind or permanently disabled lawfully resides in the home.

(16) For A, B and D Medicaid, the Department shall not count up to $6,000 of equity value of non-business property used to produce goods or services essential to home use daily activities.

(17) A previously unreported resource that meets the criteria for burial funds found in 20 CFR 416.1231, may be retroactively designated for burial and thereby exempted effective the first day of the month in which it was designated for burial or intended for burial. The funds cannot be exempted retroactively more than 2 years prior to the date of application. Such resources shall be treated as funds set aside for burial and the amount exempted cannot exceed the limit established for the SSI program.

(18) One vehicle is exempt if it is used for regular transportation needs of the individual or a household member.

(19) The Department excludes resources of an SSI recipient who has a plan for achieving self support approved by the Social Security Administration when the resources are set aside under the plan to purchase work-related equipment or meet self support goals.

(20) An irrevocable burial trust is not counted as a resource. However, if the owner is institutionalized or on home and community based waiver Medicaid, the value of the trust, which exceeds $7,000, is considered a transferred resource.

(21) Business resources required for employment or self-employment are not counted.

(22) For the Medicaid Work Incentive Program, the Department excludes the following additional resources of the eligible individual:

(a) Retirement funds held in an employer or union pension plan, retirement plan or account, including 401(k) plans, or an

Individual Retirement Account, even if such funds are available to the individual.

(b) A second vehicle when it is used by a spouse or child of the eligible individual living in the household to get to work.

(23) After qualifying for the Medicaid Work Incentive Program, these resources described in R414-305-1(22) will continue to be excluded throughout the lifetime of the individual to qualify for A, B or D Medicaid programs other than the Medicaid Work Incentive, even if the individual ceases to have earned income or no longer meets the criteria for the Work Incentive Program.

(24) Assets shall be deemed from an alien's sponsor, and the sponsor's spouse, if any, when the sponsor has signed an Affidavit of Support pursuant to Section 213A of the Immigration and Nationality Act on or after December 19, 1997. Sponsor deeming will end when the alien becomes a naturalized U.S. citizen, or has worked 40 qualifying quarters as defined under Title II of the Social Security Act or can be credited with 40 qualifying work quarters. Beginning after December 31, 1996, a creditable qualifying work quarter is one during which the alien did not receive any federal means-tested public benefit.

(25) Sponsor deeming does not apply to applicants who are eligible for Medicaid for emergency services only.

(26) The Department excludes from countable resources the following resources:

(a) Amounts an individual receives as a result of the Making Work Pay credit defined in Section 1001 of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115 for two months after the month of receipt.

(b) Amounts an individual retains from the economic recovery payments defined in Section 2201 of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115 for nine months after the month of receipt.

(c) Amounts an individual retains from the tax credit allowed to certain government employees as defined in Section 2202 of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115 for two months after the month of receipt.

(d) The value of any reduction in Consolidated Omnibus Budget Reconciliation Act (COBRA) premiums provided to an individual under Section 3001 of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115.

(e) Certain property and rights of American Indians including certain tribal lands, personal property which has unique religious, spiritual, traditional or cultural significance, and rights that support subsistence or traditional lifestyles, as defined in Section 5006(b)(1) of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115.

(27) Life estates.

(a) For non-institutional Medicaid, life estates shall be counted as resources only when a market exists for the sale of the life estate as established by knowledgeable sources.

(b) For Institutional Medicaid, life estates are countable resources even if no market exists for the sale of the life estate, unless the life estate can be excluded as defined in paragraph 14 of this section.

(c) The client may dispute the value of the life estate by verifying the property value to be less than the established value or by submitting proof based on the age and life expectancy of the life estate owner that the value of the life estate is lower. The value of a life estate shall be based upon the age of the client and the current market value of the property.

(d) The following table lists the life estate figure corresponding to the client's age. This figure is used to establish the value of a life estate:

R414-305-2. Family Medicaid and Family Institutional Medicaid Resource Provisions.

(1) This section establishes the standards for the treatment of resources to determine eligibility for Family Medicaid and Family Institutional Medicaid programs.

(2) The Department incorporates by reference 45 CFR 233.20(a)(3)(i)(B)(1), (2), (3), (4), and (6), and 233.20(a)(3)(vi)(A), 2008 ed. The Department adopts Subsection 1902(k) of the Compilation of the Social Security Laws, 1993 ed., which is incorporated by reference. The Department incorporates by reference Section 1917(d), (e), (f) and (g), Section 404(h) and 1613(a)(13) of the Compilation of the Social Security Laws in effect January 1, 2009. The Department does not count as an available resource retained funds from sources that federal laws specifically prohibit from being counted as a resource to determine eligibility for federally-funded medical assistance programs. Insofar as any provision of this rule is inconsistent with applicable federal law, the applicable federal law governs over the inconsistent rule provision.

(3) A resource is available when the client owns it or has the legal right to sell or dispose of the resource for the client's own benefit.

(4) Except for pregnant women who meet the criteria under Sections 1902(a)(10)(A)(i)(IV) and 1902(a)(10)(A)(ii)(IX) of the Social Security Act in effect January 1, 2009, the resource limit is $2,000 for a one person household, $3,000 for a two person household and $25 for each additional household member. For pregnant women defined above, the resource limit is defined in Section R414-303-11.

(5) Except for the exclusion for a vehicle, the agency uses the same methodology for treatment of resources for all medically needy and categorically needy individuals.

(6) To determine countable resources for Medicaid eligibility, the agency considers all available resources owned by the client. The agency does not consider a resource unavailable based upon the client's intent to or action of disposing of non-liquid resources.

(7) The agency counts resources of a household member who has been disqualified from Medicaid for failure to cooperate with third party liability or duty of support requirements.

(8) If a legal guardian, conservator, authorized representative, or other responsible person controls any resources of an applicant or recipient, the agency counts the resources as the applicant's or recipient's. The arrangement may be formal or informal.

(9) If a resource is potentially available, but a legal impediment to making it available exists, the agency does not count the resource until it can be made available. Before an applicant can be made eligible, or to continue eligibility for a recipient, the applicant or recipient must take appropriate steps to make the resource available unless one of the following conditions exist:

(a) Reasonable action would not be successful in making the resource available.

(b) The probable cost of making the resource available exceeds its value.

(10) Except for determining countable resources for 1931 Family Medicaid, the agency excludes a maximum of $1,500 in equity value of one vehicle.

(11) The agency does not count as resources the value of household goods and personal belongings that are essential for day-to-day living. Any single household good or personal belonging with a value that exceeds $1000 must be counted toward the resource limit. The agency does not count as a resource the value of any item that a household member needs because of the household member's medical or physical condition.

(12) The agency does not count the value of one wedding ring and one engagement ring as a resource.

(13) For a non-institutionalized individual, the agency does not count the value of a life estate as an available resource if the life estate is the applicant's or recipient's principal residence. If the life estate is not the principal residence, the rule in Subsection R414-305-1(27) applies.

(14) The agency does not count the resources of a child who is not counted in the household size to determine eligibility of other household members.

(15) For a non-institutionalized individual, the agency does not count as a resource, the value of the lot on which the excluded home stands if the lot does not exceed the average size of residential lots for the community in which it is located. The agency counts as a resource the value of the property in excess of an average size lot. If the individual is institutionalized, the provisions of Subsections R414-305-1(13), (14), (15), and (27) apply to the individual's home or life estate.

(16) The agency does not count as a resource the value of water rights attached to an excluded home and lot.

(17) The agency does not count any resource, or interest from a resource held within the rules of the Uniform Transfers to Minors Act. The agency counts as a resource any money from such a resource that is given to the child as unearned income and retained beyond the month received.

(18) Lump sum payments received on a sales contract for the sale of an exempt home are not counted if the entire proceeds are used to purchase a new exempt home within three calendar months of when the property is sold. The individual shall receive one three-month extension, if more than three months is needed to complete the actual purchase. Proceeds are defined as all payments made on the principal of the contract. Proceeds do not include interest earned on the principal.

(19) Retroactive benefits received from the Social Security Administration and the Railroad Retirement Board are not counted as a resource for the first 9 months after receipt.

(20) The agency excludes from resources, a burial and funeral fund or funeral arrangement up to $1500 for each household member who is counted in the household size. Burial and funeral agreements include burial trusts, funeral plans, and funds set aside expressly for the purposes of burial. All such funds must be separated from non-burial funds and clearly designated as burial funds. Interest earned on exempt burial funds and left to accumulate does not count as a resource. If exempt burial funds are used for some other purpose, remaining funds will be counted as an available resource as of the date funds are withdrawn.

(21) Assets shall be deemed from an alien's sponsor, and the sponsor's spouse, if any, when the sponsor has signed an Affidavit of Support pursuant to Section 213A of the Immigration and Nationality Act on or after December 19, 1997. Sponsor deeming will end when the alien becomes a

naturalized U.S. citizen, or has worked 40 qualifying quarters as defined under Title II of the Social Security Act or can be credited with 40 qualifying work quarters. Beginning after December 31, 1996, a creditable qualifying work quarter is one during which the alien did not receive any federal means-tested public benefit.

(22) Sponsor deeming does not apply to applicants who are eligible for Medicaid for emergency services only.

(23) Business resources required for employment or self employment are not counted. The Department treats non-business, income-producing property in the same manner the SSI program treats it as defined in 42 CFR 416.1222.

(24) For 1931 Family Medicaid households, the agency will not count as a resource either the equity value of one vehicle that meets the definition of a "passenger vehicle" as defined in 26-18-2(6), or $1,500 of the equity of one vehicle, whichever provides the greatest disregard for the household.

(25) For eligibility under Family-related Medicaid programs, the agency will not count as a resource retirement funds held in an employer or union pension plan, retirement plan or account including 401(k) plans and Individual Retirement Accounts of a disabled parent or disabled spouse who is not included in the coverage.

(26) The agency will not count as a resource, funds received from the Child Tax credit or the Earned Income Tax credit for nine months following the month received. Any remaining funds will count as a resource in the 10th month after being received.

(27) The Department excludes from countable resources the following resources:

(a) Amounts an individual receives as a result of the Making Work Pay credit defined in Section 1001 of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115 for two months after the month of receipt.

(b) Amounts an individual retains from the economic recovery payments defined in Section 2201 of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115 for nine months after the month of receipt.

(c) Amounts an individual retains from the tax credit allowed to certain government employees as defined in Section 2202 of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115 for two months after the month of receipt.

(d) The value of any reduction in COBRA premiums provided to an individual under Section 3001 of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115.

(e) Certain property and rights of American Indians including certain tribal lands, personal property which has unique religious, spiritual, traditional or cultural significance, and rights that support subsistence or traditional lifestyles, as defined in Section 5006(b)(1) of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111 5, 123 Stat. 115.

R414-305-3. Spousal Impoverishment Resource Rules for Married Institutionalized Individuals.

(1) This section establishes the standards for the treatment of resources for married couples when one spouse is institutionalized and the other spouse is not institutionalized.

(2) To determine the value of the total joint resources of an institutionalized individual and a community spouse, and the spousal assessed share, the provisions of 42 U.S.C. 1396r-5, which are commonly known as the spousal impoverishment rules, shall apply. Insofar as any provision of this rule is inconsistent with applicable federal law, the applicable federal law governs over the inconsistent rule provision.

(3) The resource limit for an institutionalized individual is $2,000.

(4) At the request of either the institutionalized individual or the individual's spouse and upon receipt of relevant documentation of resources, the Medicaid eligibility agency shall assess and document the total value of resources using the methodology described in Subsection R414-305-3(5) as of the first continuous period of institutionalization or application for Medicaid home and community-based waiver services. The Medicaid eligibility agency shall notify the requester of the results of the assessment. The individual does not have to apply for Medicaid or pay a fee for the assessment.

(5) The assessment is a computation of the total value of resources in which the institutionalized individual or the community spouse has an ownership interest. The spousal share is equal to one-half of the total value computed. The resources counted for the assessment are those the couple has on the date that one spouse becomes institutionalized or applies for Medicaid for home and community-based waiver services, and the other spouse remains in the community and is not eligible for Medicaid for home and community-based waiver services.

(a) The community spouse's assessed share of resources is one-half of the total resources. However, the protected resource allowance for the community spouse may be less than the assessed share.

(b) Upon application for Medicaid, the Medicaid eligibility agency sets the protected share of resources for the community spouse when countable resources equal no more than the community spouse's protected share as determined under 42 U.S.C. 1396r-5(f) plus the resource limit for the institutionalized spouse.

(c) The Medicaid eligibility agency sets the community spouse's protected share of resources at the community spouse's assessed share of the resources with the following exceptions.

(i) If the spouse's assessed share of resources is less than the minimum resource standard, the protected share of resources is the minimum resource standard.

(ii) If the spouse's assessed share of resources is more than the maximum resource standard, the protected share of resources is the maximum resource standard.

(iii) The Department uses the minimum and maximum resource standards permitted under 42 U.S.C. 1396r-5(f) to determine the community spouse's protected share.

(d) In making a decision to modify the community spouse's protected share of resources, the Department follows the "income first" rule found at 42 U.S.C. 1396r-5(d)(6).

(6) The Department counts any resource owned by the community spouse in excess of the community spouse's protected share of resources to determine the institutionalized individual's initial Medicaid eligibility.

(7) After the Medicaid eligibility agency establishes eligibility for the institutionalized spouse, the Department allows a protected period lasting until the time of the next regularly scheduled eligibility redetermination for an institutionalized individual to transfer resources to the community spouse to bring the resources held only in the name of the community spouse up to the amount of the community spouse's protected share of resources and to bring the resources held only in the name of the institutionalized spouse down to the Medicaid resource limit.

(8) The Department does not count resources held in the name of the community spouse as available to the institutionalized spouse beginning the month after the month in which the Medicaid eligibility agency establishes eligibility.

(9) If an individual is otherwise eligible for institutional Medicaid, the Department does not count the community spouse's resources as available to the institutionalized individual because of an uncooperative spouse or because the spouse cannot be located if all of the following criteria are met:

(a) The individual assigns support rights to the State.

(b) The individual will not be able to get the medical care needed without Medicaid.

(c) The individual is at risk of death or permanent disability without institutional care.

R414-305-4. Treatment of Trusts.

This section defines requirements for the treatment of assets held in a trust to determine eligibility for Medicaid. The Department applies all provisions of 42 U.S.C. 1396p(d) dealing with trust assets in determining Medicaid eligibility. This section provides additional provisions for particular types of trusts.

(1) Medicaid Qualifying Trusts established before August 11, 1993. The Department applies the criteria in Section 1902(k) of the Compilation of the Social Security Laws, 1993 ed., in determining the availability of trusts established before August 11, 1993. This section of the Social Security Act was repealed in 1993, but the provisions still apply to trusts created before the date it was repealed. The requirements of that section are as follows; however, if there is a conflict between the 1993 provisions of Section 1902(k) and the provisions of Subsections R414-305-4(1)(a), (b), and (c), the 1993 provisions of Section 1902(k) control.

(a) A Medicaid qualifying trust is a trust, or similar legal device, established (other than by will) by an individual (or an individual's spouse) under which the individual may be the beneficiary of all or part of the payments from the trust. The distribution of such payments is determined by one or more trustees who are permitted to exercise some amount of discretion with respect to the distribution to the individual.

(b) The amount of the trust property that is counted as an available resource to the applicant or recipient who established the trust (or whose spouse established the trust) is the maximum amount that the trustee is permitted to distribute under the terms of the trust for such individual's benefit. This amount of property is counted as available whether or not it is actually disbursed by the trustee or received by the beneficiary. It does not matter whether the trust is irrevocable nor whether it is established for a purpose other than to qualify for Medicaid.

(c) Payments made from the available portion of the trust do not count as income because the available portion of the trust is counted as a resource. If payments are made from any portion of the trust that is not counted as a resource, the payments are counted as income in the month received.

(2) Trust for a Disabled Person under Age 65 established in compliance with 42 U.S.C. 1396p(d)(4)(A). These trusts are commonly known as a special needs trust for a disabled person. Assets held in a trust complying with the provisions in Subsection R414-305-4(2) and (4) do not count as available resources.

(a) The individual trust beneficiary must meet the disability criteria found in 42 U.S.C. 1382c(a)(3). The trust must be established and assets transferred to the trust before the disabled individual reaches age 65.

(b) The trust must be established solely for the benefit of the disabled individual by a parent, grandparent, legal guardian of the individual, or the court.

(c) The trust may only contain the assets of the disabled individual. The Department treats any additions to the trust corpus with assets not belonging to the disabled trust beneficiary as a gift to the trust beneficiary. Such additions irrevocably become part of the trust corpus and are subject to all provisions of Medicaid restrictions that govern special needs trusts.

(d) The trust must be irrevocable. No one may have any right or power to alter, amend, revoke, or terminate the trust or any of its terms, except that the trust may include language that provides that the trust may be amended but only if necessary to conform with subsequent changes to the requirements of 42 U.S.C. 1396p(d)(4)(A) or synonymous state law.

(e) The trust cannot be altered or converted from an individual trust to a "pooled trust" under 42 U.S.C. 1396p(d)(4)(C).

(f) The trust must terminate upon the death of the disabled individual or exhaustion of trust corpus and must include language that specifically provides that upon the death of the beneficiary or early termination of the trust, whichever occurs first, the trustees will notify Medicaid and will pay all amounts remaining in the trust to the State up to the total amount of medical assistance the State has paid on behalf of the individual. The trust shall comply fully with this obligation to first repay the State without requiring the State to take any action except to establish the amount to be repaid.

(g) The sole lifetime beneficiary of the trust must be the disabled individual, and the Medicaid agency must be the preferred remainder beneficiary. Distributions from the trust during the beneficiary's lifetime may be made only to or for the benefit of the disabled individual.

(h) The Department continues to exclude assets held in the trust from countable resources after the disabled individual reaches age 65. Subsequent additions to the trust other than interest on the corpus after the person turns 65 are not assets of an individual under age 65 and the Department treats the transfer as a transfer of resources for less than fair market value which may create a period of ineligibility for certain Medicaid services.

(i) A trust that provides benefits to other persons is not an individual special needs trust and does not the meet the criteria to be excluded from resources.

(j) A corporate trustee may charge a reasonable fee for services.

(k) The trust may compensate a guardian only as provided by law. The trust may not compensate the parent of a minor child from the trust as the child's guardian.

(l) Additional trusts cannot be created within the special needs trust.

(3) Pooled Trust for Disabled Individuals. A pooled trust is a specific trust for disabled individuals established pursuant to 42 U.S.C. 1396p(d)(4)(C) that meets all of the following conditions.

(a) The trust contains the assets of disabled individuals.

(b) The trust must be established and managed by an entity that has been granted non-profit status by the Internal Revenue Service. The non-profit entity must submit to the State a letter documenting the non-profit status with the trust documents.

(c) The trustees must maintain a separate account for each disabled beneficiary whose assets are placed in the pooled trust; however, for the purposes of investment and management of the funds, the trust may pool the funds from the individual accounts. If someone other than the beneficiary transfers assets to the pooled trust administrator to be used on behalf of that beneficiary of the pooled trust, the Deparment treats such assets as a gift to that beneficiary, which the administrator must add to and manage as part of the balance of the beneficiary's account and which are subject to all provisions of Medicaid restrictions that govern pooled trusts.

(d) Accounts in the trust must be established solely for the benefit of individuals who are disabled as defined in 42 U.S.C. 1382c(a)(3).

(e) The trust must be irrevocable; accounts set up in the trust must be irrevocable.

(f) Individual accounts may be established only by the parent, grandparent or legal guardian of the individual, by the individual, or by a court.

(g) An initial transfer of funds or any additions or augmentations to a pooled trust account by an individual 65 years of age or older is a transfer of assets for less than fair market value and may create a period of ineligibility for certain Medicaid services.

(h) The disabled individual cannot control any spending

by the trust.

(i) Individual trust accounts may not be liquidated prior to the death of the beneficiary without first making payment to the State for medical assistance paid on behalf of the individual.

(j) The trust must include language that specifically provides that upon the death of the trust account beneficiary, the trustees will notify the Medicaid agency and will pay all amounts remaining in the beneficiary's account to the State up to the total medical assistance paid on behalf of the beneficiary. The trust may retain a maximum of 50 percent of the amount remaining in the beneficiary's account at death to be used for other disabled individuals if the trust has established provisions by which it will assure that such retained funds are used only for individuals meeting the disability criteria found in 42 U.S.C. 1382c(a)(3).

(k) A pooled trust that retains some portion of a deceased beneficiary's trust funds must describe how retained funds are used for other disabled persons. Any funds that are placed in an individual beneficiary's account or that are used to set up an account for an individual beneficiary who does not otherwise have funds to place in the pooled trust are subject to all of the provisions of Medicaid restrictions that govern pooled trusts. The pooled trust may include a plan for using retained funds only for incidental, one-time services to qualified disabled individuals who do not have accounts in the pooled trust.

(4) The following provisions apply to both individual trusts and pooled trusts described in Subsection R414-305-4(2) and (3).

(a) No expenditures may be made after the death of the beneficiary prior to repayment to the State, except for federal and state taxes and necessary and reasonable administrative costs of the trust incurred in closing the trust.

(b) The trust must provide that if the beneficiary has received Medicaid benefits in more than one state, each state that provided Medicaid benefits shall be repaid. If the remaining balance is insufficient to repay all benefits paid, then each state will be paid its proportionate share.

(c) The trust or an attached schedule must identify the amount and source of the initial trust property. The disabled individual must report subsequent additions to the trust corpus to the Medicaid eligibility agency.

(d) If the trust is funded, in whole or in part, with an annuity or other periodic payment arrangement, the State must be named in controlling documents as the preferred remainder beneficiary in the first position up to the total amount of medical assistance paid on behalf of the individual.

(i) Any funds remaining after full repayment of the medical assistance can be paid to a secondary remainder beneficiary.

(ii) The Department treats any provision or action that does or will divert payments or principal from such annuity or payment arrangement to someone other than the excluded trust or the Medicaid agency as a transfer of assets for less than fair market value with the exception that any remainder after the Medicaid agency has been fully repaid may be paid to a secondary beneficiary.

(e) The Department counts cash distributions from the trust as income in the month received.

(f) The Department counts retained distributed amounts as resources beginning the month following the month such amounts are distributed. The Department applies the applicable resource rules to assets purchased with trust funds and given to the beneficiary as his or her personal possessions. The disabled individual must report the receipt of payments or assets from the trust within 10 days of receipt. The Department excludes assets purchased with trust funds if the trust retains ownership.

(g) The Department counts distributions from the trust covering the individual's expenses for food or shelter as in-kind income to determine Medicaid eligibility in the month paid.

(h) If expenditures made from the trust also incidentally provide an ongoing and continuing benefit to other persons, those other persons who also benefit must contribute a pro-rata share to the trust for the expenses associated with their use of the acquisition.

(i) Contracts to provide personal services to the disabled individual must be in writing, describe the services to be provided, pay fair market rate consistent with rates charged in the community for the type and quality of services to be provided, and be executed in advance of any services being provided and paid. The Medicaid eligibility agency may require a statement of medical need for such services from the individual's medical practitioner. If the person who is to provide the services is a family member or friend, the Medicaid eligibility agency may require verification of the person's ability to carry out the needed services.

(j) Distributions from the trust made to or for the benefit of a third party that are not for the benefit of the disabled individual are treated as a transfer of assets for less than fair market value and may create a period of ineligibility for certain Medicaid services. This includes such things as payments of the expenses or travel costs of persons other than a medically-necessary attendant.

(k) The beneficiary must submit an annual accounting of trust income and expenditures and a statement of trust assets to the Medicaid eligibility agency upon request or upon any change of trustee.

(5) Assets held in a pooled trust complying with the provisions in Subsection R414-305-4(3) and (4) are not counted as available resources.

(6) 42 U.S.C. 1396p(d)(4)(B), provides for an exemption from the trust provisions for qualified income trusts (also known as Miller Trusts). Special provisions for this form of trust apply, under federal law, only in those states that do not provide medically needy coverage for nursing facility services. Because Utah covers services in nursing facilities under the medically needy coverage group of the Medicaid program, the establishment of a qualified income trust shall be treated as an asset transfer for the purposes of qualifying for Medicaid. This presumption shall apply whether the individual is seeking nursing facility services or home and community based services under one of the waiver programs.

R414-305-5. Transfer of Resources for A, B and D Medicaid and Family Medicaid.

There is no sanction for the transfer of resources.

R414-305-6. Transfer of Resources for Institutional Medicaid.

(1) This section establishes the standards for the treatment of transfers of assets for less than fair market value to determine eligibility for nursing home or other long-term care services under a home and community based services waiver.

(2) The Department applies the provisions of 42 U.S.C. 1396p(c) and (e) to determine if a sanction period applies for a transfer of assets for less than fair market value. In so far as any provision of this rule is inconsistent with applicable federal law, the applicable federal law governs over the inconsistent rule provision.

(3) If an individual or the individual's spouse transfers the home or life estate or any other asset on or after the look-back date based on an application for long-term care Medicaid services, the transfer requirements of 42 U.S.C. 1396p(c) and (e) apply.

(4) If an individual or the individual's spouse transfers assets in more than one month on or after February 8, 2006, the uncompensated value of all transfers including fractional transfers are combined to determine the sanction period. The Department applies partial month sanctions for transferred

amounts that are less than the monthly average private pay rate for nursing home services.

(5) In accordance with 42 U.S.C. 1396p(c), the sanction period for a transfer of assets that occurs on or after February 8, 2006, begins the first day of the month during or after which assets were transferred or the date on which the individual is eligible for Medicaid coverage and would otherwise be receiving institutional level care based on an approved application for Medicaid but for the application of the sanction period, whichever is later.

(a) If a previous sanction period is already in effect on the date the new sanction period would begin, the new sanction period begins immediately after the previous one ends.

(b) Sanction periods are applied consecutively so that they do not overlap.

(6) If an individual or spouse transfers assets in more than one month before February 8, 2006, the uncompensated value of all transfers that occurred in each month are combined to determine the sanction period. The Department repeats this calculation for each month during which transfers occurred.

(a) For assets transferred before February 8, 2006, the sanction begins on the first day of the month in which the resource was transferred unless a previous sanction is in effect, in which case the sanction begins on the first day of the month immediately following the month the previous sanction period ends.

(b) If the total value of assets transferred in one month does not exceed the average private pay rate and the transfer occurred before February 8, 2006, the Department does not apply partial month sanctions.

(7) If assets are transferred during any sanction period, the sanction period for those transfers will not begin until the previous sanction has expired.

(8) If a transfer occurs, or the Medicaid eligibility agency discovers an unreported transfer, after an individual has been approved for Medicaid for nursing home or home and community based services, the sanction begins on the first day of the month after the month the asset is transferred.

(9) The statewide average private-pay rate for nursing home care in Utah used to calculate the sanction period for transfers is $4,526 per month.

(10) To determine if a resource is transferred for the sole benefit of a spouse, disabled or blind child, or disabled individual, a binding written agreement must be in place which establishes that the resource transferred can only be used to benefit the spouse, disabled child, or disabled individual, and is actuarially sound. The written agreement must specify the payment amounts and schedule. Any provisions in such agreement that would benefit another person at any time nullifies the sole benefit provision. An excluded trust established under 42 U.S.C. 1396p(d)(4), that meets the criteria in Section R414-305-4 does not have to meet the actuarially sound test.

(11) The Department shall not impose a sanction if the total value of a whole life insurance policy is:

(a) irrevocably assigned to the state; and

(b) the recipient is the owner of and the insured in the policy; and

(c) no further premium payments are necessary for the policy to remain in effect.

(d) At the time of the client's death, the state shall distribute the benefits of the policy as follows:

(i) Up to $7,000 can be distributed to cover burial and funeral expenses. The total value of this distribution plus the value of any irrevocable burial trusts and the burial and funeral funds for the client cannot exceed $7,000.

(ii) An amount to the state that is not more than the total amount of previously unreimbursed medical assistance correctly paid on behalf of the client.

(iii) Any amount remaining after payments are made as defined in Subsection R414-305-6(11)(d)(i) and Subsection R414-305-6(11)(d)(ii) will be made to a remainder beneficiary named by the client.

(12) If the Medicaid eligibility agency determines that a sanction period applies for an otherwise eligible institutionalized person, the Medicaid eligibility agency shall notify the individual that the Department will not pay the costs for nursing home or other long-term care services because of the sanction. The notice shall include when the sanction period begins and ends. The individual may request a waiver of the sanction period based on undue hardship. The individual must send a written request for a waiver of the sanction period due to undue hardship to the Medicaid eligibility agency within 30 days of the date printed on the sanction notice. The request must include an explanation of why the individual believes undue hardship exists. The State will make a decision on the undue hardship request within 30 days of receipt of the request.

(13) An individual who claims an undue hardship as a result of a sanction period for a transfer of resources must meet both of the following conditions:

(a) The individual or the person who transferred the resources cannot access the asset immediately; however, the Department requires the individual to exhaust all reasonable means including legal remedies to regain possession of the transferred resource.

(i) The State may determine it is unreasonable to require the client to take action if a knowledgeable source confirms based on facts showing that it is doubtful those efforts will succeed.

(ii) The State may determine that it is unreasonable to require the client to take action based on evidence that it would be more costly than the value of the resource, and

(b) Application of the sanction for a transfer of resources would deprive the individual of medical care such that the individual's life or health would be endangered, or would deprive the individual of food, clothing, shelter or other necessities of life.

(14) If the State waives the sanction period based on undue hardship, the Medicaid eligibility agency will notify the individual. The Department shall provide Medicaid coverage on the condition that the individual take all reasonable steps to regain the transferred assets. The Medicaid eligibility agency will notify the individual of the date the individual must provide verifications of the steps taken. The individual must, within the time frames set by the Medicaid eligibility agency, verify to the Medicaid eligibility agency that individual has taken all reasonable actions. The State shall review the undue hardship waiver and the actions the individual has taken to try to regain the transferred assets. The time period for the review shall not exceed six months. Upon such review, the State will decide if:

(a) The individual must take additional steps and whether undue hardship still exists, in which case the Medicaid eligibility agency will notify the individual of the continuation of undue hardship and the need to take additional steps to recover the assets;

(b) The individual has taken all reasonable steps, they have proven unsuccessful and additional steps will likely be unsuccessful, in which case the Medicaid eligibility agency will notify the individual that no further actions are required and if the individual continues to meet eligibility criteria, the Department will not apply the sanction period; or

(c) The individual has not taken all reasonable steps, in which case the Department will discontinue the undue hardship waiver, the sanction period will then be applied and the individual will be responsible to repay Medicaid for services and benefits received during the months the undue hardship waiver was in place.

(15) Based on a review of the facts about what happened

to the assets, whether the individual has taken reasonable steps to recover or regain the assets, the results of those steps, and the likelihood that additional steps will prove unsuccessful or too costly, the State may determine that the individual cannot recover or regain the transferred resource. If the State decides that the assets cannot be recovered and that applying the sanction will result in undue hardship, the Department will not apply a sanction period or will end a sanction period that has already begun.

(16) The State bases its decision that undue hardship exists upon the medical condition and the financial situation of the individual. The State compares the income and resources of the individual, individual's spouse, and parents of an unemancipated individual to the cost of providing medical care and daily living expenses to decide if the financial situation creates an undue hardship. The Medicaid eligibility agency shall send a written notice of its decision on the undue hardship request. The individual has 90 days from the date printed on the notice of decision that is mailed to the individual to file a request for a fair hearing.

(17) The portion of an irrevocable burial trust that exceeds $7,000 is considered a transfer of resources. The Department deducts the value of any fully paid burial plot, as defined in R414-305-1(3)(a), from such burial trust first before determining the amount transferred.

R414-305-7. Home and Community-Based Services Waiver Resource Provisions.

(1) The resource limit is $2,000.

(2) Following the initial month of eligibility, continued eligibility is determined by counting only the resources that belong to the client.

(3) For married clients, spousal impoverishment resource rules apply as defined in R414-305-3.

R414-305-8. Qualified Medicare Beneficiary, Specified Low-Income Medicare Beneficiary, and Qualifying Individual Resource Provisions.

(1) To determine eligibility for Qualified Medicare Beneficiaries, Specified Low-Income Medicare Beneficiaries, and Qualifying Individuals, the Department applies the resource limit defined in 42 U.S.C. Sec.1396d(p)(1)(C).

(2) The Department determines countable resources in accordance with the provisions of Section R414-305-1.

R414-305-9. Treatment of Annuities.

This section defines how annuities are treated in the determination of eligibility for Medicaid.

(1) An individual must report any annuities in which either the individual or the individual's spouse has any interest at application for Medicaid, at each review, and as part of the change reporting requirements. Parents of a minor individual must report any annuities in which the child or either of the parents has an interest.

(2) For annuities purchased on or after February 8, 2006, in which the individual or spouse has an interest, the provisions in 42 U.S.C. 1396p(c) applies. The Department treats annuities purchased on or after February 8, 2006 that do not meet the requirements of 42 U.S.C. 1396p(c) as a transfer of assets for less than fair market value.

(3) With the exception of annuities that meet the criteria in Subsection R414-305-9(4), annuities in which the individual, the individual's spouse or a minor individual's parent has an interest are counted as an available resource to determine Medicaid eligibility, whether they are irrevocable or non-assignable. The Department presumes that a market exists that will purchase annuities or the stream of income from annuities, and therefore, they are available resources. The individual can rebut the presumption that the annuity can be sold by providing evidence that the individual has been rejected by several entities in the business of purchasing annunites or the revenue stream from annuities, in which case, the Department will not consider the annuity as an available resource.

(4) For individuals eligible under the aged, blind, or disabled category Medicaid, the Department excludes an annuity from countable resources in the form of the periodic payment if it meets the requirements of this subsection (4). For Family-Related Medicaid programs, all annuities are countable resources if the individual can access the funds, even if the annuities qualify as retirement funds or plans.

(a) The annuity is either an individual retirement annuity according to Section 408(b) of the Internal Revenue Code (IRC) of 1986 or a deemed Individual Retirement Account under a qualified employer plan according to Section 408(q) of the IRC; or

(b) The annuity is purchased with the proceeds from one of the following:

(i) As described in Sections 408(a), (c), or (p) of the IRC, a traditional IRA, accounts or trusts which are treated as a traditional IRA, or a simplified retirement account;

(ii) A simplified employee pension (Section 408(p) of the IRC); or

(iii) A Roth IRA (Section 408A of the IRC); and

(c) The annuity is irrevocable and non-assignable, the individual who was the owner of the retirement account or plan is receiving equal periodic payments at least quarterly with no deferral or balloon payments, and the scheduled payout period is actuarially sound based on the individual's life expectancy.

(d) If the individual purchases or annuitizes such annuities on or after February 8, 2006, then the annuities must name the State as the preferred remainder beneficiary in the first position upon the individual's death, or as secondary remainder beneficiary after a surviving spouse or minor or disabled child.

(5) Annuities purchased after February 8, 2006, in which the individual or the spouse has an interest are a transfer of assets for less than fair market value unless the annuity names the State as the preferred remainder beneficiary in the first position, or in the second position after a surviving spouse, or a surviving minor or disabled child, up to the amount of medical assistance paid on behalf of the institutionalized individual.

(a) The State shall give individuals who have purchased annuities before applying for long-term care Medicaid, 30 days to request the issuing company to name the State as the preferred remainder beneficiary and to verify that fact to Medicaid.

(b) The individual must verify to the Medicaid eligibility agency that the change in beneficiary has been made by the date requested by the Medicaid eligibility agency.

(c) If the change of beneficiary is not completed and verified, the annuities are a transfer of resources and the Department applies the applicable sanction period. If the Medicaid eligibility agency has approved institutional Medicaid coverage pending verification, Medicaid coverage for long-term care ends and the sanction period will begin effective the day after the closure date.

(6) The Department treats an annuity purchased before February 8, 2006, as an annuity purchased on or after February 8, 2006, if the individual or spouse take any actions that change the course of payments to be made or the treatment of the income or principal of the annuity. Such actions include additions of principal, elective withdrawals, requests to change the distribution of the annuity, elections to annuitize the contract, or other similar actions. Routine changes and automatic events that do not involve an action or decision from the individual or spouse do not cause an annuity purchased before February 8, 2006, to be treated as one purchased on or after February 8, 2006.

(7) If a sanction for a transfer of assets begins because the

individual or the individual's spouse has not changed an annuity to name the State as the preferred remainder beneficiary of the annuity, the sanction for a transfer will not end until the date such change of beneficiary has been completed and verified to the Medicaid eligibility agency. The sanction period will not be rescinded.

(8) If all information about annuities the individual or spouse has an interest in is not provided by the requested due date, the Medicaid eligibility agency will deny the application. The individual may reapply, but the original application date will not be protected.

(9) The issuer of the annuity must inform the Medicaid eligibility agency of any change in the amount of income or principal being withdrawn from the annuities, any change of beneficiaries, or any sale or transfer of the annuity. The issuer of the annuity must inform the State if a surviving spouse or a surviving minor or disabled child attempts to transfer the annuity or any portion of the annuity to someone other than the Medicaid agency.

R414. Health, Health Care Financing, Coverage and Reimbursement Policy.
R414-308. Application, Eligibility Determinations and Improper Medical Assistance.
R414-308-1. Authority and Purpose.

(1) This rule is authorized by 26-18-3.

(2) This rule establishes requirements for medical assistance applications, eligibility decisions, eligibility period, verifications, change reporting, notification and improper medical assistance for the following programs:

(a) Medicaid;

(b) Qualified Medicare Beneficiaries;

(c) Specified Low-Income Medicare Beneficiaries; and

(d) Qualified Individuals.

R414-308-2. Definitions.

(1) The definitions in R414-1 and R414-301 apply to this rule. In addition, the following definitions apply.

(a) "Cost-of-care" means the amount of income an institutionalized individual must pay to the medical facility for long-term care services based on the individual's income and allowed deductions.

(b) "Re-certification" means the process of periodically determining that an individual or household continues to be eligible for medical assistance.

R414-308-3. Application and Signature.

(1) An individual may apply for medical assistance by completing and signing any Department-approved application form for Medicaid, Qualified Medicare Beneficiaries, Specified Low-Income Medicare Beneficiaries, or Qualified Individuals assistance and delivering it to the Medicaid eligibility agency. If available, an individual may complete an on-line application for medical assistance and send it electronically to the Medicaid eligibility agency.

(a) If an applicant cannot write, the applicant must make his mark on the application form and have at least one witness to the signature.

(b) For on-line applications, the individual must either send the Medicaid eligibility agency an original signature on a printed signature page, or if available on-line, submit an electronic signature that conforms with state law for electronic signatures.

(c) A representative may apply on behalf of an individual. A representative may be a legal guardian, a person holding a power of attorney, a representative payee or other responsible person acting on behalf of the individual. In this case, the Medicaid eligibility agency may send notices, requests and forms to both the individual and the individual's representative, or to just the individual's representative.

(d) If the Division of Child and Family Services (DCFS) has custody of a child and the child is placed in foster care, DCFS completes the application. DCFS determines eligibility for the child pursuant to a written agreement with the Department. DCFS also determines eligibility for children placed under a subsidized adoption agreement.

(e) An authorized representative may apply for the individual if unusual circumstances or death prevent an individual from applying on his own. The individual must sign the application form if possible. If the individual cannot sign the application, the representative must sign the application. The Medicaid eligibility agency may assign someone to act as the authorized representative when the individual requires help to apply and is unable to appoint a representative.

(2) The Medicaid eligibility agency will process low-income subsidy application data transmitted from the Social Security Administration in accordance with 42 U.S.C. Sec. 1935(a)(4) as an application for Medicare cost sharing programs. The agency will take appropriate steps to gather the required information and verifications from the applicant to determine the applicant's eligibility.

(a) Data transmitted from social security is not an application for Medicaid.

(b) Individuals who want to apply for Medicaid when contacted for information to process the application for Medicare cost-sharing programs must complete and sign a Medicaid application form. The date of application for Medicaid is the date the Medicaid eligibility agency receives the application.

(3) The Medicaid eligibility agency determines the date of application as follows:

(a) The date of application is the date that the Medicaid eligibility agency receives a completed application by the close of normal business hours on a week day that is not a Saturday, Sunday or state holiday. If an application is received after the normal close of business hours on a weekday that is not a Saturday, Sunday or state holiday, the date of application is the next weekday that is not a Saturday, Sunday or state holiday.

(b) The Medicaid eligibility agency determines the application date for applications delivered to an outreach location as follows:

(i) If the application is delivered at a time when the outreach staff is working at that location, the date of application is the date the outreach staff receives the application.

(ii) If the application is delivered on a non-business day or at a time when the outreach office is closed, the date of application is the last business day that a staff person from the state Medicaid eligibility agency was available to receive or pick up applications from that location.

(c) When the state receives application data transmitted from social security pursuant to the requirements of 42 U.S.C. Sec. 1396u-5(a)(4), the Medicaid eligibility agency uses the date the individual submitted the low-income subsidy application to the Social Security Administration as the application date for Medicare cost sharing programs. The application processing period for the transmitted data begins on the date the Medicaid eligibility agency receives the transmitted data from social security. The transmitted data meets the signature requirements for applications for Medicare cost sharing programs.

(d) An applicant must provide the verifications needed to process an application and determine eligibility no later than the close of business on the last day of the application period. If the last day of the application processing period falls on a day of the week when the Medicaid eligibility office is closed, then the applicant has until the close of business on the next day that the Medicaid eligibility agency is open immediately following the last day of the application processing period. An applicant may request more time to provide verifications. The request must be made by the last day of the application processing period.

(4) The Medicaid eligibility agency accepts a signed application sent via facsimile as a valid application and does not require it to be signed again.

(5) If an applicant submits an unsigned, or incomplete application form to the Medicaid eligibility agency, the Medicaid eligibility agency will notify the applicant that he or she must sign and complete the application no later than the last day of the application processing period. The Medicaid eligibility agency will send a signature page to the applicant and give the applicant at least 10 days to sign and return the signature page. When the application is incomplete, the Medicaid eligibility agency will notify the applicant of the need to complete the application through an interview process, by mail, or by coming to an office to complete the form.

(a) If the Medicaid eligibility agency receives a signature page signed by the applicant, and the applicant completes the application within the application processing period, the date of application will be the date the Medicaid eligibility agency

received the application form that was not complete or signed.

(b) If the Medicaid eligibility agency does not receive a signed signature page, and the applicant does not complete the application form within the application processing period, the application is void and the Medicaid eligibility agency will send a denial notice to the applicant. The previous application date will not be protected.

(c) If the Medicaid eligibility agency receives a signed signature page and the completed application after the application processing period but during the 30 calendar days immediately after the denial notice is mailed, the Medicaid eligibility agency will contact the applicant to ask if the applicant wants to reapply for medical assistance. If the applicant wants to reapply, the Medicaid eligibility agency may use the previous application form it received, but the application date will be the date the Medicaid eligibility agency receives both the signed signature page and completed application form according to the same provisions in Subsection R414-308-3(2).

(d) If the Medicaid eligibility agency receives a signed signature page and the completed application more than 30 calendar days after the denial notice is sent, the applicant will need to reapply by completing and submitting a new application form. The original application date is not retained. The new application date will be the date the Medicaid eligibility agency receives a new application.

R414-308-4. Verification of Eligibility and Information Exchange.

(1) Medical assistance applicants and recipients must verify all eligibility factors requested by the agency to establish or to redetermine eligibility. Medical assistance applicants and recipients must provide identifying information that the agency needs to meet the requirements of 42 CFR 435.945, 435.948, 435.952, 435.955, and 435.960.

(a) The agency will provide the client a written request of the needed verifications.

(b) The client has at least 10 calendar days from the date the agency gives or mails the verification request to the client to provide verifications.

(c) The due date for returning verifications, forms or information requested by the agency is the close of business on the date the agency sets as the due date in a written request to the client, but not less than 10 calendar days from the date such request is given to or mailed to the client.

(d) The agency allows additional time to provide verifications if the client requests additional time by the due date. The agency will set a new due date that is at least 10 days from the date the client asks for more time to provide the verifications, forms or information.

(e) If a client has not provided required verifications by the due date, and has not contacted the agency to ask for more time to provide verifications, the agency denies the application, re-certification, or ends eligibility.

(f) If the agency receives all necessary verifications during the 30 days after denying an application for lack of verifications, the date the agency receives all the verifications is the new application date. If the agency receives verifications more than 30 days after the application has been denied, the client will need to reapply for medical assistance.

(2) The agency must receive verification of an individual's income, both unearned and earned. To be eligible under Section 1902(a)(10)(A)(ii)(XIII), the Medicaid Work Incentive program, the agency may require proof such as paycheck stubs showing deductions of FICA tax; self-employment tax filing documents; or for newly self-employed individuals who have not filed tax forms yet, a written business plan and verification of gross receipts and business expenses, to verify that the income is earned income.

R414-308-5. Eligibility Decisions or Withdrawal of an Application.

(1) The agency decides the applicant's eligibility within the time limits established in 42 CFR 435.911 and 435.912, 2006 ed., which are incorporated by reference.

(2) The agency extends the time limit if the applicant asks for more time to provide requested information before the due date. The agency gives the applicant at least 10 more days after the original due date to provide verifications upon request of the applicant. The agency can allow a longer period of time for the client to provide verifications if the delay is due to circumstances beyond the client's control, an emergency, a client illness or a similar cause.

(3) An applicant may withdraw an application for medical assistance any time before the agency makes an eligibility decision on the application. An individual requesting an assessment of assets for a married couple under Section 1924 of the Social Security Act, 42 U.S.C. 1396r-5, may withdraw the request any time before the agency has completed the assessment.

R414-308-6. Eligibility Period and Re-Certification.

(1) The eligibility period begins on the effective date of eligibility as defined in R414-306-4, which may be after the first day of a month, subject to the following requirements.

(a) If a client must pay a spenddown, the agency completes the eligibility process and grants eligibility when the agency receives the required payment or proof of incurred medical expenses equal to the required payment for the month or months, including partial months, for which the client wants medical assistance.

(b) If a client must pay a Medicaid Work Incentive premium, the agency completes the eligibility process and grants eligibility when the agency receives the required payment for the month or months, including partial months, for which the client wants medical assistance.

(c) If a client must pay an asset co-payment for prenatal coverage, the agency completes the eligibility process and grants eligibility when the agency receives the required payment for the period of prenatal coverage.

(d) The client must make the payment or provide proof of medical expenses, if applicable, within 30 calendar days from the mailing date of the notice that tells the client the amount owed.

(e) For ongoing months of eligibility, the client has until the close of business of the 10th day of the month after the benefit month to meet the spenddown or pay the Medicaid Work incentive premium. If the 10th day of the month is a non-business day, the client has until the close of business on the first business day after the 10th to meet the spenddown or pay the premium.

(f) Residents who reside in a long-term care facility and who owe a cost-of-care contribution to the medical facility must pay the medical facility directly. The resident may use unpaid past medical bills, or current incurred medical bills other than the charges from the medical facility, to meet some or all of the cost-of-care contribution subject to the limitations in R414-304-9. The resident must pay any cost-of-care contribution not met with allowable medical bills to the medical facility. An unpaid cost-of-care contribution is not allowed as a medical bill to reduce the amount the client owes the facility.

(g) No eligibility exists in a month for which the client fails to meet a required spenddown or fails to pay a required Medicaid Work Incentive premium. Eligibility for the Prenatal program does not exist when the client fails to pay a required asset co-payment for the Prenatal program.

(2) The eligibility period ends on:

(a) the last day of the re-certification month;

(b) the last day of the month in which the recipient asks

the agency to discontinue eligibility;

(c) the last day of the month the agency determines the individual is no longer eligible;

(d) for the Prenatal program, the last day of the month that is at least 60 days after the date the pregnancy ends, except that for Prenatal coverage for emergency services only, eligibility ends the last day of the month in which the pregnancy ends; or

(e) the date the individual dies.

(3) Recipients must re-certify eligibility for medical assistance at least once every 12 months. The agency may require recipients to re-certify eligibility more frequently when the agency:

(a) receives information about changes in a recipient's circumstances that may affect the recipient's eligibility;

(b) has information about anticipated changes in a recipient's circumstances that may affect eligibility; or

(c) knows the recipient has fluctuating income.

(4) To receive medical assistance without interruption, a recipient must complete the re-certification process by the close of business on the date printed on the re-certification form. The client must also provide verifications by the due date specified by the agency and must continue to meet all eligibility criteria, including meeting a spenddown or paying a Medicaid Work Incentive premium if one is owed.

(a) If the recipient does not complete the re-certification process on time, eligibility ends on the last day of the re-certification month.

(b) If the recipient does not complete the re-certification process on time, but completes the recertification including providing verifications by the close of business on the last business day of the month after the review month, the agency will determine whether the recipient continues to meet all eligibility criteria.

(i) The agency will reinstate benefits effective the beginning of the month after the re-certification month if the recipient continues to meet all eligibility criteria and meets any spenddown or pays the Medicaid Work Incentive premium, if applicable. The client must meet the spenddown or pay the premium no later than the close of business on the 30th day after the date printed on the notice. Otherwise, the recipient remains ineligible for medical assistance.

(ii) If the recipient does not complete the re-certification process before the close of business of the last business day of the month following the re-certification month, eligibility will not be reinstated. The recipient will have to reapply for medical assistance.

(c) If the recipient does not meet the spenddown or pay the Medicaid Work Incentive premium on time, then eligibility ends effective the last day of the re-certification month and the recipient will have to reapply.

(5) For individuals selected for coverage under the Qualified Individuals Program, eligibility extends through the end of the calendar year if the individual continues to meet eligibility criteria and the program still exists.

R414-308-7. Change Reporting and Benefit Changes.

(1) A client must report to the agency reportable changes in the client's circumstances. Reportable changes are defined in R414-301-2.

(a) The due date for reporting changes is the close of business on the 10th calendar day after the client learns of the change.

(b) When the change is receipt of income from a new source, or an increase in income the client receives, the due date for reporting the income change is the close of business on the day that is ten calendar days after the date the client receives such income.

(c) The due date for providing verifications of changes is the close of business on the date the agency sets as the due date in a written notice to the client.

(2) The agency may receive information from credible sources other than the client such as computer income matches, and from anonymous citizen reports. If the agency receives information from sources other than the client that may affect the client's eligibility, the agency will verify the information as needed depending on the source of information before using the information to change the client's eligibility for medical assistance. Information from citizen reports must always be verified by other reliable proofs.

(3) The date of report is the date the client reports the change to the agency by the close of business on a business day by phone, by mail, by fax transmission or in person, or the date the agency receives the information from another source.

(4) If the agency needs verification of the reported change from the client, the agency requests it in writing and provides at least ten calendar days for the client to respond.

(5) A client who provides change reports, forms or verifications by the close of business on the due date has provided the information on time.

(6)(a) If the reported information causes an increase in a client's benefits and the agency requests verification, the increase in benefits is effective the first day of the month following:

(i) the date of the report if the agency receives verifications within ten days of the request; or

(ii) the date the verifications are received if verifications are received more than ten days after the date of the request.

(b) The agency cannot increase benefits if the agency does not receive requested verifications.

(7) If the reported information causes a decrease in the client's benefits, the agency makes changes as follows:

(a) If the agency has sufficient information to adjust benefits, the change is effective the first day of the month after the month in which the agency sends proper notice of the decrease, regardless of whether verifications have been received.

(b) If the agency does not have sufficient information to adjust benefits, the agency requests verifications from the client. The due date is at least 10 days from the date of the request.

(i) Upon receiving the verifications, the agency adjusts benefits effective the first day of the month following the month in which the agency can send proper notice.

(ii) If the verifications are not returned on time, the agency discontinues benefits for the affected individuals effective the end of the month in which the agency can send proper notice.

(8) Any time the agency requests verifications to determine or redetermine eligibility for an individual or a household, the agency may discontinue benefits if all required factors of eligibility are not verified by the due date. If a change does not affect all household members and verifications are not provided, the agency discontinues benefits only for the individual or individuals affected by the change.

(9) If a client fails to timely report a change or return verifications or forms by the due date, the client must repay all services and benefits paid by the Department for which the client was ineligible.

(10) If a due date falls on a non-business day, the due date will be the close of business on the first business day immediately after the due date.

R414-308-8. Case Closure and Redetermination.

(1) The agency terminates medical assistance upon recipient request or if the agency determines the recipient is no longer eligible.

(2) To maintain ongoing eligibility, a recipient must complete the re-certification process as provided in R414-308-6. Failure to complete the re-certification process makes the recipient ineligible.

(3) Before terminating a recipient's medical assistance, the agency will decide if the client is eligible for any other available medical assistance provided under Medicaid, the Medicare Cost-Sharing programs, the Children's Health Insurance Program, the Primary Care Network and the UPP program.

(a) The agency does not require a recipient to complete a new application, but may request more information from the recipient to complete the redetermination for other medical assistance programs. If the recipient does not provide the necessary information by the close of business on the due date, the recipient's medical assistance ends.

(b) When redetermining eligibility for other programs, the agency cannot enroll an individual in a medical assistance program that is not in an open enrollment period, unless that program allows a person who becomes ineligible for Medicaid to enroll during a period when enrollments are stopped. An open enrollment period is a time when the agency accepts applications. Open enrollment applies only to the Primary Care Network, the UPP Program and the Children's Health Insurance Program.

R414-308-9. Improper Medical Coverage.

(1) As used in this section, services and benefits include all amounts the Department pays on behalf of the client during the period in question and includes premiums paid to any Medicaid health plans or managed care plans, Medicare, and private insurance plans; payments for prepaid mental health services; and payments made directly to service providers or to the client.

(2) A client must repay the cost of services and benefits the client receives for which the client is not eligible.

(a) If the agency determines a client was ineligible for the services or benefits received, the client must repay the Department the amount the Department paid for the services or benefits. The amount the client must repay will be reduced by the amount the client paid the agency for a Medicaid spenddown or a Medicaid Work Incentive premium for the month. If a woman who has paid an asset co-payment for coverage under Prenatal Medicaid is found to have been ineligible for the entire period of coverage under Prenatal Medicaid, the amount she must repay will be reduced by the amount she paid the agency in the form of the Prenatal asset co-payment, if applicable.

(b) If the client is eligible but the overpayment was because the spenddown, the Medicaid Work Incentive premium, the asset co-payment for prenatal services, or the cost-of-care contribution was incorrect, the client must repay the difference between the correct amount the client should have paid and what the client actually paid.

(3) A client may request a refund from the Department for any month in which the client believes that

(a) the spenddown, asset co-payment for prenatal services, or cost-of-care contribution the client paid to receive medical assistance is less than what the Department paid for medical services and benefits for the client, or

(b) the amount the client paid in the form of a spenddown, a Medicaid Work Incentive premium, a cost-of-care contribution for long-term care services, or an asset co-payment for prenatal services was more than it should have been.

(4) Upon receiving the request for a refund, the Department will determine if the client is owed a refund.

(a) In the case of an incorrect calculation of a spenddown, Medicare Work Incentive premium, cost-of-care contribution or asset co-payment for prenatal services, the refundable amount is the difference between the incorrect amount the client paid the Department for medical assistance and the correct amount that the client should have paid, less the amount the client owes the Department for any other past due, unpaid claims.

(b) In the case when the spenddown, asset co-payment for prenatal services or a cost-of-care contribution for long-term care exceeds medical expenditures, the refundable amount is the difference between the correct spenddown, asset co-payment or cost-of-care contribution the client paid for medical assistance and the actual amount the Department paid on behalf of the client for services and benefits, less the amount the client owes the Department for any other past due, unpaid claims. The Department issues the refund only after the 12-month time-period that medical providers have to submit claims for payment.

(c) The agency does not issue a cash refund for any portion of a spenddown or cost-of-care contribution that was met with medical bills.

(5) A client who pays a premium for the Medicaid Work Incentive program cannot receive a refund even if the services paid by the Department are less than the premium the client pays.

(6) If the cost-of-care contribution a client pays a medical facility is more than the Medicaid daily rate for the number of days the client was in the medical facility, the client can request a refund from the medical facility. The Department will refund the amount owed the client only if the medical facility has sent the excess cost-of-care contribution to the Department.

(7) If the sponsor of an alien does not provide correct information, the alien and the alien's sponsor are jointly liable for any overpayment of benefits. The Department recovers the overpayment from both the alien and the sponsor.

(6) The Department may rely on the criminal background screening as conclusive evidence of the arrest warrant, arrest, charge, or conviction, and the Department may revoke or deny a license, certificate, or employment based on that evidence.

(7) If a covered individual is denied a license, certificate or employment based upon the criminal background screening and the covered individual disagrees with the information provided by the Department of Public Safety, the covered individual may challenge the information as provided in Utah Code, Sections 77-18-10 through 77-18-14 and 77-18a-1.

(8) If the Department takes an action adverse to any covered individual based upon the criminal background screening, the Department shall send a written decision to the licensee or certificate holder and the covered individual explaining the action and the right of appeal.

(9) All licensees, certificate holders, and covered individuals must report to the Department any felony or misdemeanor arrest, charge, or conviction of a covered individual within 48 hours of becoming aware of the arrest warrant, arrest, charge, or conviction. (1) If a covered individual has an outstanding arrest warrant for, or has been arrested or charged with a felony or a misdemeanor that would not be excluded under R430-6-4(3), the Department may revoke or suspend any license or certificate of a provider, or deny employment, if necessary to protect the health and safety of children in care.

(1) If the Department finds that a covered individual has a supported finding on the Department of Human Services Licensing Information System, that individual may not be involved with child care.

(a) If such a covered individual resides in a home where child care is provided the Department shall revoke the license or certificate for the child care provided in that home.

(b) If such a covered individual resides in a home for which an application for a new license or certificate has been made, the Department shall refuse to issue a new license or certificate.

(2) If the Department denies or revokes a license, certificate, or employment based upon the Licensing Information System maintained by the Utah Department of Human Services, the Department shall send a written decision to the licensee or certificate holder and the covered individual.

(3) If the covered individual disagrees with the supported finding on the Licensing Information System, the individual cannot appeal the supported finding to the Department of Health but must direct the appeal to the Department of Human Services and follow the process established by the Department of Human Services.

(4) All licensees, certificate holders, and covered individuals must report to the Department any supported finding on the Department of Human Services Licensing Information System concerning a covered individual within 48 hours of becoming aware of the supported finding. Failure to notify the Department within 48 hours may result in disciplinary action, including revocation of the license or certificate.

R430-6-7. Emergency Providers.

(1) In an emergency, not anticipated in the licensee or certificate holder's emergency plan, a licensee or certificate holder may assign a person who has not had a criminal background screening to provide emergency care for and have unsupervised contact with children for no more than 24 hours per emergency incident.

(a) Before the licensee or certificate holder may leave the children in the care of the emergency provider, the licensee or certificate holder must first obtain a signed, written declaration from the emergency provider that the emergency provider has not been convicted of, pleaded no contest to, and is not currently subject to a plea in abeyance or diversion agreement for a felony or misdemeanor, and does not have a supported finding from the Department of Human Services.

(b) During the term of the emergency, the emergency provider may be counted as a provider of care for purposes of maintaining the required care provider to child ratios.

(c) The licensee or certificate holder shall make reasonable efforts to minimize the time that the emergency provider has unsupervised contact with children.

R430-6-8. Restrictions on Volunteers.

A parent volunteer who has not passed a background screening may not have unsupervised contact with any child in care, except the parent's own child.

R430-6-9. Statutory Penalties.

(1) A violation of any rule is punishable by administrative civil money penalty of up to $5,000 per day as provided in Utah Code, Title 26, Chapter 39-601 or other civil penalty of up to $5,000 per day or a Class B misdemeanor on the first offense and a Class A misdemeanor on the second offense as provided in Utah Code, Title 26, Chapter 23.

(2) Any person intentionally making false statements or reports to the Department may be fined $100 for each violation to a maximum of $10,000.

(3) Assessment of any civil money penalty does not preclude the Department from also taking action to deny, revoke, condition, or refuse to renew a license or certificate.

(4) Assessment of any administrative civil money penalty under this section does not preclude injunctive or other equitable remedies.

R523-1-10. Allocation of Utah State Hospital Bed Days to Local Mental Health Authorities.

1. Pursuant to UCA 62A-15-611(2)(a), the Division of Substance Abuse and Mental Health herein establishes, by rule, a formula to allocate to local mental health authorities adult beds for persons who meet the requirements of UCA 62A-15-610(2)(a).

2. The formula established provides for allocation based on (1) the percentage of the state's adult population located within a mental health catchment area: and (2) a differential to compensate for the additional demand for hospital beds in mental health catchment areas that are located within urban areas.

3. The Division hereby establishes a formula to determine adult bed allocation:

a. The most recent available population estimates are obtained from the Utah Population Estimates Committee.

b. The total adult population figures for the State are identified which includes general adults and geriatric populations. Adult means age 18 through age 64. Geriatric means age 65 and older.

c. Adult and Geriatric population numbers are identified for each county.

d. The urban counties are identified (county classifications are determined by the lieutenant governor's office pursuant to UCA 17-50-501 and 17-50-502 and the most recent classifications are used to determine which counties are defined as urban) and given a differential as follows:

i. The total number of adult beds available at the Utah State Hospital are determined, from which the total number of geriatric beds and adult beds are identified.

ii. 4.8% is subtracted from the total number of beds available for adults to be allocated as a differential.

iii. 4.8% is subtracted from the total number of beds available for geriatrics to be allocated as a differential.

e. The total number of available adult beds minus the differential is multiplied by the county's percentage of the state's total adult and geriatric populations to determine the number of allocated beds for each county.

f. Each catchments area's individual county numbers are added to determine the total number of beds allocated to a catchment area. This fractional number is rounded to the nearest whole bed.

g. The differential beds are then distributed to urban counties based on their respective percentage of urban counties as a whole.

h. At least one adult (18 - 64) bed is allocated to each community mental health center.

4. In accordance with UCA 62A-15-611(6), the Division shall periodically review and make changes in the formula as necessary to accurately reflect changes in population.

5. Applying the formula.

a. Adjustments of adult beds, as the formula is applied, shall become effective at the beginning of the next fiscal year.

b. The Division of Substance Abuse and Mental Health, is responsible to calculate adult bed allocation.

c. Each local mental health authority will be notified of changes in adult bed allocation.

6. The number of allocated adult beds shall be reviewed and adjusted as necessary or at least every three years as required by statute.

7. A local mental health authority may sell or loan its allocation of adult beds to another local mental health authority.

In the event that there is an unexpended amount at the end of the year, the local authority will be allowed to carry these unexpended funds over into the next contract period, provided that the Division can carry the funds over. The only exception to this carryover authority will be that if the unexpended funds cause the state to not meet the statewide set-aside requirements. The division will contract these unexpended funds to other local authorities who can provide the services to fulfill the set-aside requirements. The division shall monitor the fund balances and the set-aside spending throughout the year. The decision to transfer funds will be negotiated in March of each year with any local authority that will not expend all of their funds.

(C) The medication treatment is in the medical best interest of the patient, taking into account the possible side effects as well as the potential benefits of the treatment; and

(D) The medication treatment is in accordance with prevailing standards of accepted medical practice.

(iv) If the neutral and Detached Fact Finder approves continued medication treatment, he/she shall complete a Review of Continued Medication form, which shall be placed in the child's medical record. A copy shall be provided to the child and/or parent/legal guardian/legal custodian.

(v) At the end of 12 months, the case shall again be reviewed as outlined in this subsection (Q), and shall be reviewed every 6 months while the course of treatment is being administered.

(h) If the parent/legal guardian/legal custodian refuses to consent to ECT/psychosurgery, the local mental health authority shall consider a treatment team dispositional review to determine whether the child is appropriate for treatment through their services.

(i) Regardless of whether the child or parent/legal guardian/legal custodian agrees or disagrees with the proposed ECT/psychosurgery, a due process procedure shall be conducted before the treatment can be administered.

(o) The Designated Examiners may order ECT or psychosurgery if, after consideration of the record and deliberation, they both find that the following conditions exist:

(i) The child has a mental illness as defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association (DSM); and

(ii) The child is gravely disabled and in need of ECT or Psychosurgery for the reason that he/she suffers from a mental illness such that he/she (a) is in danger of serious physical harm resulting from a failure to provide for his essential human needs of health or safety, or (b) manifests severe deterioration in routine functioning evidenced by repeated and escalating loss of cognitive or volitional control over his/her actions and is not receiving such care as is essential for his/her health safety; and/or

(iii) Without ECT or psychosurgery, the child poses a likelihood of serious harm to self, others, or property. Likelihood of serious harm means either

(iv) The proposed treatment is an appropriate and accepted method of treatment for the patient's mental condition; and

(v) The proposed medication treatment is in accordance with prevailing standards of accepted medical practice.

(p) The basis for the decision shall be supported by adequate documentation. The Designated Examiners shall complete and sign an ECT or Psychosurgery form at the end of the hearing. A copy of the decision shall be provided to the child and/or parent/legal guardian/legal custodian.

R539-5-8. Limitation.

(1) The amount allowed for direct services (all self-administered services are allowed other than Fiscal Management) is limited to no more than $50,000 for each fiscal year. If a Self-Administered Services program exceeds this amount the method of service delivery must change to either a contracted provider service delivery method or a combination of Self-Administered Services and contracted provider service delivery method. If it is determined by the Division that a contracted provider service delivery method is not possible, the Division Director can grant a waiver to the cost limit for a Self-Administered method of service delivery.

Notice of Continuation December 30, 2009

R590. Insurance, Administration.
R590-197. Treatment of Guaranty Association Assessments as Qualified Assets.
R590-197-1. Authority.

This rule is promulgated by the insurance commissioner pursuant to the general authority to adopt a rule granted under 31A-2-201(3). Specific rulemaking authority in Subsection 31A-17-201(2)(j) allows the department to authorize other assets than those specified in the insurance code, as qualified assets in the determination of an insurers financial condition. Pursuant to Subsection 31A-28-109(8) the insurance commissioner is authorized to approve the amounts and time periods for which contributions are treated as assets.

R590-197-2. Purpose.

This rule is issued in order to establish the standards by which assessments paid by insurers to insurance guaranty associations may be treated as "qualified assets" as that term is defined in 31A-17-201(2).

R590-197-3. Extent to Which Paid Assessments Are Qualified Assets.

A. The term "qualified assets" in 31A-17-201 includes guaranty fund or guaranty association assessments paid in any state, but only to the extent it is probable the company will be able to offset those assessments against present or future premium taxes or income taxes paid in the state in which the assessments were paid.

B. The amount of the assessments allowed as qualified assets shall not exceed two and one half times the amount of premium or income taxes paid for the previous calendar year.

C. The insurance commissioner may disallow any such assessment as a qualified asset to the extent the commissioner determines a company is unlikely to realize a present or future premium tax or income tax offset as a result of the assessment.

D. For purposes of subsection (A) above, a company is deemed to have paid income or premium taxes where it actually reduces its gross premium tax liability by use of a credit or other legally allowable deduction.

R590-197-4. Severability.

If any provision or portion of this rule or the application of it to any company, person or circumstance is for any reason held to be invalid, such invalidity does not affect the remainder of the rule and the application of the provision to other companies, persons or circumstances.

R590-198-2. Authority.

This rule is issued under the authority of Sections 31A-17-402 and 31A-17-512.

This rule also shall not apply to subsequent policies issued as a result of the exercise of such a provision, or a derivation of the provision, in the new policy.

(2) This rule shall not apply to any universal life policy that meets all the following requirements:

(a) Secondary guarantee period, if any, is five-years or less;

(b) Specified premium for the secondary guarantee period is not less than the net level reserve premium for the secondary guarantee period based on the CSO (Commissioner's Standard Ordinary) valuation tables as defined in Section 4F of this rule and the applicable valuation interest rate; and

(2) Calculation of the minimum valuation standard for flexible premium and fixed premium universal life insurance policies, that contain provisions resulting in the ability of a policyholder to keep a policy in force over a secondary guarantee period shall be in accordance with the provisions of Section 7.

R590-198-4. Definitions.

For purposes of this rule:

A. "Basic reserves" means reserves calculated in accordance with Section 31A-17-504.

B. "Contract segmentation method" means the method of dividing the period from issue to mandatory expiration of a policy into successive segments, with the length of each segment being defined as the period from the end of the prior segment, from policy inception, for the first segment, to the end of the latest policy year as determined below. All calculations are made using the 1980 CSO valuation tables, as defined in Subsection F of this section, or any other valuation mortality table adopted by the National Association of Insurance Commissioners, NAIC, after January 4, 2000 and promulgated by rule by the commissioner for this purpose, and, if elected, the optional minimum mortality standard for deficiency reserves stipulated in Section 5B of this rule.

The length of a particular contract segment shall be set equal to the minimum of the value t for which G_t is greater than R_t, if G_t never exceeds R_t the segment length is deemed to be the number of years from the beginning of the segment to the mandatory expiration date of the policy, where G_t and R_t are defined as follows: $G_t = GP_{x+k+t} / GP_{x+k+t-1}$ where: x =original issue age; k =the number of years from the date of issue to the beginning of the segment; t =1, 2, ...; t is reset to 1 at the beginning of each segment; $GP_{x+k+t-1}$ =Guaranteed gross premium per thousand of face amount for year t of the segment, ignoring policy fees only if level for the premium paying period of the policy.

$R_t = q_{x+k+t} / q_{x+k+t-1}$, However, R_t may be increased or decreased by 1% in any policy year, at the company's option, but R_t shall not be less than one; where: x, k and t are as defined above, and $q_{x+k+t-1}$ =valuation mortality rate for deficiency reserves in policy year k+t but using the mortality of Section 5B(2) if Section 5B(3) is elected for deficiency reserves.

However, if GP_{x+k+t} is greater than 0 and $GP_{x+k+t-1}$ is equal to 0, G_t shall be deemed to be 1000. If GP_{x+k+t} and $GP_{x+k+t-1}$ are both equal to 0, G_t shall be deemed to be 0.

C. "Deficiency reserves" means the excess, if greater than zero, of:

(1) Minimum reserves calculated in accordance with Section 31A-17-507 over

(2) Basic reserves.

D. "Guaranteed gross premiums" means the premiums under a policy of life insurance that are guaranteed and determined at issue.

E. "Maximum valuation interest rates" means the interest rates defined in Section 31A-17-506, Computation of Minimum Standard by Calendar Year of Issue, that are to be used in determining the minimum standard for the valuation of life insurance policies.

F. "1980 CSO valuation tables" means the Commissioners' 1980 Standard Ordinary Mortality Table, 1980 CSO Table, without ten-year selection factors, incorporated into the 1980 amendments to the NAIC Standard Valuation Law, and variations of the 1980 CSO Table approved by the NAIC, such as the smoker and nonsmoker versions approved in December 1983.

G. "Scheduled gross premium" means the smallest illustrated gross premium at issue for other than universal life insurance policies. For universal life insurance policies, scheduled gross premium means the smallest specified premium described in Section 7A(3), if any, or else the minimum premium described in Section 7A(4).

H.(1) "Segmented reserves" means reserves, calculated using segments produced by the contract segmentation method, equal to the present value of all future guaranteed benefits less the present value of all future net premiums to the mandatory expiration of a policy, where the net premiums within each segment are a uniform percentage of the respective guaranteed

gross premiums within the segment. The uniform percentage for each segment is such that, at the beginning of the segment, the present value of the net premiums within the segment equals:

(a) The present value of the death benefits within the segment, plus

(b) The present value of any unusual guaranteed cash value, see Section 6D, occurring at the end of the segment, less

(c) Any unusual guaranteed cash value occurring at the start of the segment, plus

(d) For the first segment only, the excess of the Item (i) over Item (ii), as follows:

(i) A net level annual premium equal to the present value, at the date of issue, of the benefits provided for in the first segment after the first policy year, divided by the present value, at the date of issue, of an annuity of one per year payable on the first and each subsequent anniversary within the first segment on which a premium falls due. However, the net level annual premium shall not exceed the net level annual premium on the 19-year premium whole life plan of insurance of the same renewal year equivalent level amount at an age one-year higher than the age at issue of the policy.

(ii) A net one-year term premium for the benefits provided for in the first policy year.

(2) The length of each segment is determined by the "contract segmentation method," as defined in this section.

(3) The interest rates used in the present value calculations for any policy may not exceed the maximum valuation interest rate, determined with a guarantee duration equal to the sum of the lengths of all segments of the policy.

(4) For both basic reserves and deficiency reserves computed by the segmented method, present values shall include future benefits and net premiums in the current segment and in all subsequent segments.

I. "Tabular cost of insurance" means the net single premium at the beginning of a policy year for one-year term insurance in the amount of the guaranteed death benefit in that policy year.

J. "Ten-year select factors" means the select factors adopted with the 1980 amendments to the NAIC Standard Valuation Law.

K.(1) "Unitary reserves" means the present value of all future guaranteed benefits less the present value of all future modified net premiums, where:

(a) Guaranteed benefits and modified net premiums are considered to the mandatory expiration of the policy; and

(b) Modified net premiums are a uniform percentage of the respective guaranteed gross premiums, where the uniform percentage is such that, at issue, the present value of the net premiums equals the present value of all death benefits and pure endowments, plus the excess of Item (i) over Item (ii), as follows:

(i) A net level annual premium equal to the present value, at the date of issue, of the benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of one per year payable on the first and each subsequent anniversary of the policy on which a premium falls due. However, the net level annual premium shall not exceed the net level annual premium on the 19-year premium whole life plan of insurance of the same renewal year equivalent level amount at an age one-year higher than the age at issue of the policy.

(ii) A net one-year term premium for the benefits provided for in the first policy year.

(2) The interest rates used in the present value calculations for any policy may not exceed the maximum valuation interest rate, determined with a guarantee duration equal to the length from issue to the mandatory expiration of the policy.

L. "Universal life insurance policy" means any individual life insurance policy under the provisions of which separately identified interest credits, other than in connection with dividend accumulations, premium deposit funds, or other supplementary accounts, and mortality or expense charges are made to the policy.

R590-198-5. General Calculation Requirements for Basic Reserves and Premium Deficiency Reserves.

A. At the election of the company for any one or more specified plans of life insurance, the minimum mortality standard for basic reserves may be calculated using the 1980 CSO valuation tables with select mortality factors, or any other valuation mortality table adopted by the NAIC after January 4, 2000 and promulgated by rule by the commissioner for this purpose. If select mortality factors are elected, they may be:

(1) The ten-year select mortality factors incorporated into the 1980 amendments to the NAIC Standard Valuation Law, see Rule R590-95;

(2) The select mortality factors adopted by the NAIC at the 1999 Spring National Meeting.

(3) Any other table of select mortality factors adopted by the NAIC after January 4, 2000 and promulgated by rule by the commissioner for the purpose of calculating basic reserves.

B. Deficiency reserves, if any, are calculated for each policy as the excess, if greater than zero, of the quantity A over the basic reserve. The quantity A is obtained by recalculating the basic reserve for the policy using guaranteed gross premiums instead of net premiums when the guaranteed gross premiums are less than the corresponding net premiums. At the election of the company for any one or more specified plans of insurance, the quantity A and the corresponding net premiums used in the determination of quantity A may be based upon the 1980 CSO valuation tables with select mortality factors or any other valuation mortality table adopted by the NAIC after January 4, 2000 and promulgated by rule by the commissioner. If select mortality factors are elected, they may be:

(1) The ten-year select mortality factors incorporated into the 1980 amendments to the NAIC Standard Valuation Law;

(2) The select mortality factors adopted by the NAIC at the 1999 Spring National Meeting;

(3) For durations in the first segment, X percent of the select mortality factors adopted by the NAIC at the 1999 Spring National Meeting, subject to the following:

(a) X may vary by policy year, policy form, underwriting classification, issue age, or any other policy factor expected to affect mortality experience;

(b) X shall not be less than 20%;

(c) X shall not decrease in any successive policy years;

(d) X is such that, when using the valuation interest rate used for basic reserves, Item (i) is greater than or equal to Item (ii);

(i) The actuarial present value of future death benefits, calculated using the mortality rates resulting from the application of X;

(ii) The actuarial present value of future death benefits calculated using anticipated mortality experience without recognition of mortality improvement beyond the valuation date;

(e) X is such that the mortality rates resulting from the application of X are at least as great as the anticipated mortality experience, without recognition of mortality improvement beyond the valuation date, in each of the first 5-years after the valuation date;

(f) The appointed actuary shall increase X at any valuation date where it is necessary to continue to meet all the requirements of Subsection B(3);

(g) The appointed actuary may decrease X at any valuation date as long as X does not decrease in any successive policy years and as long as it continues to meet all the

requirements of Subsection B(3); and

(h) The appointed actuary shall specifically take into account the adverse effect on expected mortality and the lapsing of any anticipated or actual increase in gross premiums.

(i) If X is less than 100% at any duration for any policy, the following requirements shall be met:

(i) The appointed actuary shall annually prepare an actuarial opinion and memorandum for the company in conformance with the requirements of Section R590-162-8; and

(ii) The appointed actuary shall annually opine for all policies subject to this rule as to whether the mortality rates resulting from the application of X meet the requirements of Subsection B(3). This opinion shall be supported by an actuarial report, subject to appropriate Actuarial Standards of Practice promulgated by the Actuarial Standards Board of the American Academy of Actuaries. The X factors shall reflect anticipated future mortality, without recognition of mortality improvement beyond the valuation date, taking into account relevant emerging experience.

(4) Any other table of select mortality factors adopted by the NAIC after January 4, 2000 and promulgated by rule by the commissioner for the purpose of calculating deficiency reserves.

C. This subsection applies to both basic reserves and deficiency reserves. Any set of select mortality factors may be used only for the first segment. However, if the first segment is less than ten-years, the appropriate ten-year select mortality factors incorporated into the 1980 amendments to the NAIC Standard Valuation Law may be used thereafter through the tenth policy year from the date of issue.

D. In determining basic reserves or deficiency reserves, guaranteed gross premiums without policy fees may be used where the calculation involves the guaranteed gross premium but only if the policy fee is a level dollar amount after the first policy year. In determining deficiency reserves, policy fees may be included in guaranteed gross premiums, even if not included in the actual calculation of basic reserves.

Reserves for policies that have changes to guaranteed gross premiums, guaranteed benefits, guaranteed charges, or guaranteed credits that are unilaterally made by the insurer after issue and that are effective for more than one-year after the date of the change shall be the greatest of the following:

(1) reserves calculated ignoring the guarantee;

(2) reserves assuming the guarantee was made at issue; and

(3) reserves assuming that the policy was issued on the date of the guarantee.

F. The commissioner may require that the company document the extent of the adequacy of reserves for specified blocks, including but not limited to policies issued prior to January 4, 2000. This documentation may include a demonstration of the extent to which aggregation with other non-specified blocks of business is relied upon in the formation of the appointed actuary opinion pursuant to and consistent with the requirements of Rule R590-162-5.

R590-198-6. Calculation of Minimum Valuation Standard for Policies with Guaranteed Nonlevel Gross Premiums or Guaranteed Nonlevel Benefits Other than Universal Life Policies.

A. Basic Reserves

Basic reserves shall be calculated as the greater of the segmented reserves and the unitary reserves. Both the segmented reserves and the unitary reserves for any policy shall use the same valuation mortality table and selection factors. At the option of the insurer, in calculating segmented reserves and net premiums, either of the adjustments described in Paragraph (1) or (2) below may be made:

(1) Treat the unitary reserve, if greater than zero, applicable at the end of each segment as a pure endowment and subtract the unitary reserve, if greater than zero, applicable at the beginning of each segment from the present value of guaranteed life insurance and endowment benefits for each segment.

(2) Treat the guaranteed cash surrender value, if greater than zero, applicable at the end of each segment as a pure endowment; and subtract the guaranteed cash surrender value, if greater than zero, applicable at the beginning of each segment from the present value of guaranteed life insurance and endowment benefits for each segment.

B. Deficiency Reserves

(1) The deficiency reserve at any duration shall be calculated:

(a) On a unitary basis if the corresponding basic reserve determined by Subsection A is unitary;

(b) On a segmented basis if the corresponding basic reserve determined by Subsection A is segmented; or

(c) On the segmented basis if the corresponding basic reserve determined by Subsection A is equal to both the segmented reserve and the unitary reserve.

(2) This subsection shall apply to any policy for which the guaranteed gross premium at any duration is less than the corresponding modified net premium calculated by the method used in determining the basic reserves, but using the minimum valuation standards of mortality, specified in Section 5B, and rate of interest.

(3) Deficiency reserves, if any, shall be calculated for each policy as the excess if greater than zero, for the current and all remaining periods, of the quantity A over the basic reserve, where A is obtained as indicated in Section 5B.

(4) For deficiency reserves determined on a segmented basis, the quantity A is determined using segment lengths equal to those determined for segmented basic reserves.

C. Minimum Value

Basic reserves may not be less than the tabular cost of insurance for the balance of the policy year, if mean reserves are used. Basic reserves may not be less than the tabular cost of insurance for the balance of the current modal period or to the paid-to-date, if later, but not beyond the next policy anniversary, if mid-terminal reserves are used. The tabular cost of insurance shall use the same valuation mortality table and interest rates as that used for the calculation of the segmented reserves. However, if select mortality factors are used, they shall be the ten-year select factors incorporated into the 1980 amendments of the NAIC Standard Valuation Law. In no case may total reserves, including basic reserves, deficiency reserves and any reserves held for supplemental benefits that would expire upon contract termination, be less than the amount that the policyowner would receive, including the cash surrender value of the supplemental benefits, if any, referred to above, exclusive of any deduction for policy loans, upon termination of the policy.

D. Unusual Pattern of Guaranteed Cash Surrender Values

(1) For any policy with an unusual pattern of guaranteed cash surrender values, the reserves actually held prior to the first unusual guaranteed cash surrender value shall not be less than the reserves calculated by treating the first unusual guaranteed cash surrender value as a pure endowment and treating the policy as an n-year policy providing term insurance plus a pure endowment equal to the unusual cash surrender value, where n is the number of years from the date of issue to the date the unusual cash surrender value is scheduled.

(2) The reserves actually held subsequent to any unusual guaranteed cash surrender value shall not be less than the reserves calculated by treating the policy as an n-year policy providing term insurance plus a pure endowment equal to the next unusual guaranteed cash surrender value, and treating any unusual guaranteed cash surrender value at the end of the prior segment as a net single premium, where

(a) n is the number of years from the date of the last

unusual guaranteed cash surrender value prior to the valuation date to the earlier of:

(i) The date of the next unusual guaranteed cash surrender value, if any, that is scheduled after the valuation date; or

(ii) The mandatory expiration date of the policy; and

(b) The net premium for a given year during the n-year period is equal to the product of the net to gross ratio and the respective gross premium; and

(c) The net to gross ratio is equal to Item (i) divided by Item (ii) as follows:

(i) The present value, at the beginning of the n-year period, of death benefits payable during the n-year period plus the present value, at the beginning of the n-year period, of the next unusual guaranteed cash surrender value, if any, minus the amount of the last unusual guaranteed cash surrender value, if any, scheduled at the beginning of the n-year period.

(ii) The present value, at the beginning of the n-year period, of the scheduled gross premiums payable during the n-year period.

(3) For purposes of this subsection, a policy is considered to have an unusual pattern of guaranteed cash surrender values if any future guaranteed cash surrender value exceeds the prior year's guaranteed cash surrender value by more than the sum of:

(a) 110% of the scheduled gross premium for that year;

(b) 110% of one year's accrued interest on the sum of the prior year's guaranteed cash surrender value and the scheduled gross premium using the nonforfeiture interest rate used for calculating policy guaranteed cash surrender values; and

(c) 5% of the first policy year surrender charge, if any.

E. Optional Exemption for Yearly Renewable Term Reinsurance. At the option of the company, the following approach for reserves on YRT reinsurance may be used:

(1) Calculate the valuation net premium for each future policy year as the tabular cost of insurance for that future year.

(2) Basic reserves shall never be less than the tabular cost of insurance for the appropriate period, as defined in Subsection C.

(3) Deficiency reserves.

(a) For each policy year, calculate the excess, if greater than zero, of the valuation net premium over the respective maximum guaranteed gross premium.

(b) Deficiency reserves shall never be less than the sum of the present values, at the date of valuation, of the excesses determined in accordance with Subparagraph (a) above.

(4) For purposes of this subsection, the calculations use the maximum valuation interest rate and the 1980 CSO mortality tables with or without ten-year select mortality factors, or any other table adopted after January 4, 2000 by the NAIC and promulgated by rule by the commissioner for this purpose.

(5) A reinsurance agreement shall be considered YRT reinsurance for purposes of this subsection if only the mortality risk is reinsured.

(6) If the assuming company chooses this optional exemption, the ceding company's reinsurance reserve credit shall be limited to the amount of reserve held by the assuming company for the affected policies.

F. Optional Exemption for Attained-Age-Based Yearly Renewable Term Life Insurance Policies. At the option of the company, the following approach for reserves for attained-age-based YRT life insurance policies may be used:

(1) Calculate the valuation net premium for each future policy year as the tabular cost of insurance for that future year.

(2) Basic reserves shall never be less than the tabular cost of insurance for the appropriate period, as defined in Subsection 6C.

(3) Deficiency reserves.

(a) For each policy year, calculate the excess, if greater than zero, of the valuation net premium over the respective maximum guaranteed gross premium.

(b) Deficiency reserves shall never be less than the sum of the present values, at the date of valuation, of the excesses determined in accordance with Subparagraph (a) above.

(4) For purposes of this subsection, the calculations use the maximum valuation interest rate and the 1980 CSO valuation tables with or without ten-year select mortality factors, or any other table adopted after January 4, 2000 by the NAIC and promulgated by rule by the commissioner for this purpose.

(5) A policy shall be considered an attained-age-based YRT life insurance policy for purposes of this subsection if:

(a) The premium rates, on both the initial current premium scale and the guaranteed maximum premium scale, are based upon the attained age of the insured such that the rate for any given policy at a given attained age of the insured is independent of the year the policy was issued; and

(b) The premium rates, on both the initial current premium scale and the guaranteed maximum premium scale, are the same as the premium rates for policies covering all insureds of the same sex, risk class, plan of insurance and attained age.

(6) For policies that become attained-age-based YRT policies after an initial period of coverage, the approach of this subsection may be used after the initial period if:

(a) The initial period is constant for all insureds of the same sex, risk class and plan of insurance; or

(b) The initial period runs to a common attained age for all insureds of the same sex, risk class and plan of insurance; and

(c) After the initial period of coverage, the policy meets the conditions of Paragraph (5) above.

(7) If this election is made, this approach shall be applied in determining reserves for all attained-age-based YRT life insurance policies issued on or after January 4, 2000.

G. Exemption from Unitary Reserves for Certain n-Year Renewable Term Life Insurance Polices. Unitary basic reserves and unitary deficiency reserves need not be calculated for a policy if the following conditions are met:

(1) The policy consists of a series of n-year periods, including the first period and all renewal periods, where n is the same for each period, except that for the final renewal period, n may be truncated or extended to reach the expiry age, provided that this final renewal period is less than 10-years and less than twice the size of the earlier n-year periods, and for each period, the premium rates on both the initial current premium scale and the guaranteed maximum premium scale are level;

(2) The guaranteed gross premiums in all n-year periods are not less than the corresponding net premiums based upon the 1980 CSO Table with or without the ten-year select mortality factors; and

(3) There are no cash surrender values in any policy year.

H. Exemption from Unitary Reserves for Certain Juvenile Policies

Unitary basic reserves and unitary deficiency reserves need not be calculated for a policy if the following conditions are met, based upon the initial current premium scale at issue:

(1) At issue, the insured is age 24 or younger;

(2) Until the insured reaches the end of the juvenile period, which shall occur at or before age 25, the gross premiums and death benefits are level, and there are no cash surrender values; and

(3) After the end of the juvenile period, gross premiums are level for the remainder of the premium paying period, and death benefits are level for the remainder of the life of the policy.

R590-198-7. Calculation of Minimum Valuation Standard for Flexible Premium and Fixed Premium Universal Life Insurance Policies That Contain Provisions Resulting in the Ability of a Policyowner to Keep a Policy in Force Over a

Secondary Guarantee Period.

A. General

(1) Policies with a secondary guarantee include:

(a) A policy with a guarantee that the policy will remain in force at the original schedule of benefits, subject only to the payment of specified premiums;

(b) A policy in which the minimum premium at any duration is less than the corresponding one-year valuation premium, calculated using the maximum valuation interest rate and the 1980 CSO valuation tables with or without ten-year select mortality factors, or any other table adopted after January 4, 2000 by the NAIC and promulgated by rule by the commissioner for this purpose; or

(c) A policy with any combination of Subparagraph (a) and (b).

(2) A secondary guarantee period is the period for which the policy is guaranteed to remain in force subject only to a secondary guarantee. When a policy contains more than one secondary guarantee, the minimum reserve shall be the greatest of the respective minimum reserves at that valuation date of each unexpired secondary guarantee, ignoring all other secondary guarantees. Secondary guarantees that are unilaterally changed by the insurer after issue shall be considered to have been made at issue. Reserves described in Subsections B and C below shall be recalculated from issue to reflect these changes.

(3) Specified premiums mean the premiums specified in the policy, the payment of which guarantees that the policy will remain in force at the original schedule of benefits, but which otherwise would be insufficient to keep the policy in force in the absence of the guarantee if maximum mortality and expense charges and minimum interest credits were made and any applicable surrender charges were assessed.

(4) For purposes of this section, the minimum premium for any policy year is the premium that, when paid into a policy with a zero account value at the beginning of the policy year, produces a zero account value at the end of the policy year. The minimum premium calculation shall use the policy cost factors, including mortality charges, loads and expense charges, and the interest crediting rate, which are all guaranteed at issue.

(5) The one-year valuation premium means the net one-year premium based upon the original schedule of benefits for a given policy year. The one-year valuation premiums for all policy years are calculated at issue. The select mortality factors defined in Section 5B(2), (3), and (4) may not be used to calculate the one-year valuation premiums.

(6) The one-year valuation premium should reflect the frequency of fund processing, as well as the distribution of deaths assumption employed in the calculation of the monthly mortality charges to the fund.

B. Basic Reserves for the Secondary Guarantees

Basic reserves for the secondary guarantees shall be the segmented reserves for the secondary guarantee period. In calculating the segments and the segmented reserves, the gross premiums shall be set equal to the specified premiums, if any, or otherwise to the minimum premiums, that keep the policy in force and the segments will be determined according to the contract segmentation method as defined in Section 4B.

C. Deficiency Reserves for the Secondary Guarantees

Deficiency reserves, if any, for the secondary guarantees shall be calculated for the secondary guarantee period in the same manner as described in Section 6B with gross premiums set equal to the specified premiums, if any, or otherwise to the minimum premiums that keep the policy in force.

D. Minimum Reserves

The minimum reserves during the secondary guarantee period are the greater of:

(1) The basic reserves for the secondary guarantee plus the deficiency reserve, if any, for the secondary guarantees; or

(2) The minimum reserves required by other rules or rules governing universal life plans.

R590-198-8. Severability.

If any provision or clause of this rule or its application to any person or situation is held invalid, that invalidity will not affect any other provision or application of this rule which can be given effect without the invalid provision or application, and to this end the provisions of this rule are declared to be severable.

R590. Insurance, Administration.
R590-232. Authorization for a Health Maintenance Organization to Provide Services as Third Party Administrator of Health Care Benefits.
R590-232-1. Authority.

This rule is promulgated and adopted pursuant to Subsection 31A-8-103(2) allowing the commissioner to waive provisions of Title 31A that he considers inapplicable to health maintenance organizations, and Section 31A-2-201 giving the commissioner authority to implement the provisions of Title 31A.

R590-232-2. Purpose.

The purpose of this rule is to authorize a health maintenance organization to provide services as a third party administrator of health care benefits.

R590-232-3. Definitions.

All definitions in Sections 31A-1-301 and 31A-8-101 are hereby adopted by reference.

R590-232-4. Findings.

A. The term "organization" includes a health maintenance organization by definition.

B. Subsection 31A-8-106 provides, "No organization may engage, directly or indirectly, in any business other than that of an organization and business reasonably incidental to that business."

C. For some time, there has been a question as to whether providing services by a health maintenance organization as a "third party administrator" of health care benefits could be deemed to be the "business . . . of an organization" or at least be deemed to be "business reasonably incidental to that business."

D. The Commissioner finds that when a health maintenance organization provides services as a third party administrator of health care benefits, that business is, at the very least, "business reasonably incidental to that business" of a health maintenance organization.

E. In addition, Subsection 31A-8-103(2) provides, "The commissioner may by rule waive other specific provisions of this title that the commissioner considers inapplicable to health maintenance organizations or limited health plans, upon a finding that the waiver will not endanger the interests of: (a) enrollees; (b) investors; or (c) the public."

F. To the extent the definition of "third party administrator" in Section 31A-1-301 can be read as prohibiting a health maintenance organization from providing services as a third party administrator of health care benefits, and to the extent Chapter 25 of Title 31A can be read as requiring that a health maintenance organization apply for a separate license to provide services as a third party administrator of health care benefits, the commissioner finds that waiving those provisions with respect to health maintenance organizations will not endanger the interests of (a) enrollees, (b) investors, or (c) the public, and therefore the commissioner hereby waives those provisions with respect to a health maintenance organization providing third party administrator services of health care benefits.

R590-232-5. Rule.

A health maintenance organization may provide services as a third party administrator of health care benefits, and may do so without acquiring a third party administrator license under Chapter 25 of Title 31A.

R590-232-6. Severability.

If any provision of this rule or the application thereof to any person or circumstance is for any reason held to be invalid, the remainder of the rule and the application of such provision to other persons or circumstances shall not be affected thereby.

Within one week following the initial examination of an industrial patient, nurse practicioners, physicians and chiropractors shall file "Form 123 - Physicians' Initial Report" with the carrier/self-insured employer, employee, and the division. This form is to be completed in as much detail as feasible. Special care should be used to make sure that the employee's account of how the accident occurred is completely and accurately reported. All questions are to be answered or marked "N/A" if not applicable in each particular instance. All addresses must include city, state, and zip code. If modified employment in #29 is marked "yes," the remarks in #29 must reflect the particular restrictions or limitations that apply, whether as to activity or time per day or both. Estimated time loss must also be given in #29. If "Findings of Examination" (#17) do not correctly reflect the coding used in billing, a reduction of payment may be made to reflect the proper coding. A physician, chiropractor, or nurse practitioner is to report every initial visit for which a bill is generated, including first aid, when a worker reports that an injury or illness is work related. All initial treatment, beyond first aid, that is provided by any health care provider other than a physician, chiropractor, or nurse practictioner must be countersigned by the supervising physician and reported on Form 123 to the Industrial Accidents Division and the insurance carrier or self-insured employer.

B. 1. Any medical provider billing under the restorative services section of the Labor Commission's adopted Resource-Based Relative Value Scale (RBRVS) or the Medical Fee Guidelines shall file the Restorative Services Authorization (RSA) form with the insurance carrier or self-insured employer (payor) and the division within ten days of the initial evaluation.

2. Upon receipt of the provider's RSA form, the payor has ten days to respond, either authorizing a specified number of visits or denying the request. No more than eight visits may be incurred during the authorization process.

3. After the initial RSA form is filed with the payor and the division, an updated RSA form must be filed for approval or denial at least every six visits until a fixed state of recovery has been achieved as evidenced by either subjective or objective findings. If the medical provider has filed the RSA form per this rule, the payor is responsible for payment, unless compensability is denied by the payor. In the event the payor denies the entire compensability of a claim, the payor shall so notify the claimant, provider, and the division, after which the provider may then bill the claimant.

4. Any denial of payment for treatment must be based on a written medical opinion or medical information. The denial notification shall include a copy of the written medical opinion or information from which the denial was based. The payor is not liable for payment of treatment after the provider, claimant, and division have been notified in writing of the denial for authorization to pay for treatment. The claimant may then become responsible for payment.

5. Any dispute regarding authorization or denial for treatment will be determined from the date the division received the RSA form or notification of denial for payment of treatment.

6. The claimant may request a hearing before the Division of Adjudication to resolve compensability or treatment issues.

7. Subjective objective assessment plan/procedure (SOAP notes) or progress notes are to be sent to the payor in addition to the RSA form.

8. Any medical provider billing under the Restorative Services Section of the RBRVS or the Commission's Medical Fee Guidelines who fails to submit the required RSA form shall be limited to payment of up to eight visits for a compensable claim. The medical provider may not bill the patient or employer for any remaining balances.

C. S.O.A.P. notes or progress reports of each visit are to be sent to the payor by all medical practitioners substantiating the care given, the need for further treatment, the date of the next treatment, the progress of the patient, and the expected return-to-work date. These reports must be sent with each bill for the examination and treatment given to receive payment. S.O.A.P. notes are not to be sent to the division unless specifically requested.

D. "Form 110 - Release to Return to Work" must be mailed by either the medical practitioner or carrier/employer to the employee and the division within five calendar days of release.

E. The carrier/employer may request medical reports in addition to regular progress reports. A charge may be made for such additional reports, which charge should accurately reflect the time and effort expended by the physician.

R612-2-4. Hospital or Surgery Pre-Authorization.

Any ambulatory surgery or impatient hospitalization other than a life or limb threatening admission, allegedly related to an industrial injury or occupational disease, shall require pre-authorization by the employer/insurance carrier. Within two working days of a telephone request for pre-authorization, the employer/carrier shall notify the physician and employee of approval or denial of the surgery or hospitalization, or that a medical examination or review is going to be obtained. The medical examination/review must be conducted without undue delay which in most circumstances would be considered less than thirty days. If the request for pre-authorization is made in writing, the employer/carrier shall have four days from receipt of the request to notify the physician and employee. If the employee chooses to be hospitalized and/or to have the surgery prior to such pre-authorization or medical examination/review, the employee may be personally responsible for the bills incurred and may not be reimbursed for the time lost unless a determination is made in his/her favor.

R612-2-5. Regulation of Medical Practitioner Fees.

Pursuant to Section 34A-2-407(9):

A. The Labor Commission of Utah:

1. Establishes and regulates fees and other charges for medical provider services as required for the treatment of a work-related injury or illness.

2. Adopts and by this reference incorporates the National Centers for Medicare and Medicaid Services (CMS) for the Medicare Physician Fee Schedule (MPFS) "Resource-Based Relative Value Scale" (RBRVS), 2009 edition, as the method for calculating reimbursement and the American Medical Association's CPT-4, 2009 edition, coding guidelines.

a. The non-facility total unit value will apply in

calculating the reimbursement, except that procedures provided in a facility setting shall be reimbursed at the facility total unit value and the facility may bill a separate facility charge.

b. The CPT-4 coding guidelines and RBRVS are subject to the Utah Labor Commission's 2009 - 2010 Medical Fee Guidelines and the following Labor Commission conversion factors for medical care rendered for a work-related injury or illness, effective December 1, 2009: (Conversion Rates below EFFECTIVE December 1, 2009, to be used with the RBRVS procedural Unit value as per specialty.)

Anesthesiology $41.00 (1 unit per 15 minutes of anesthesia);

Medicine, E and M $46.00

Evaluation and Management codes 99201 - 99204 and 99211 - 99214 $46.00

Pathology and Laboratory 150% of Utah's published Medicare carrier

Radiology $53.00;

Restorative Services $46.00, with Utah code 97001 and 97003 at a 1.5 relative value unit and Utah code 97002 and 97004 at a 1.0 of relative value unit.

Surgery $37.00;

All 20000 codes, codes 49505 thru 49525 and all 60000 codes of the CPT-4 coding guidelines $58.00.

3. Adopts and incorporates by this reference the Utah Labor Commission's 2009 - 2010 Medical Fee Guidelines, effective December 1, 2009. The Utah Medical Fee Guidelines can be obtained from the division for a fee sufficient to recover costs of development, printing, and mailing or can be downloaded at the Labor Commission's website at http://laborcommission.utah.gov/Provider%20Page.htm1#WorkersCompensation.

4. Decides appropriate billing procedure codes when disputes arise between the medical practitioner and the employer or its insurance carrier. In no instance will the medical practitioner bill both the employer and the insurance carrier.

B. Employees cannot be billed for treatment of their work-related injuries or illnesses.

C. Discounting from the fees established by the Labor Commission is allowed only through specific contracts between a medical provider and a payor for treatment of work-related injury or illness.

D. Restocking fee 15%. Rule R612-2-16 covers the restocking fee.

E. Dental fees are not published. Rule R612-2-18 covers dental injuries.

F. Ambulance fees are not published. Rule R612-2-19 covers ambulance charges.

G. For procedures not covered by other provisions of this rule, medical providers have three options.

1. Medical providers may request preauthorization for a procedure from the insurance carrier.

2. Medical providers may present evidence to Medical Fee Committee for incorporating a procedure into the Commission's fee schedule. However, such incorporation will have prospective effect only.

3. Medical providers may apply for hearing before the Commission's Adjudication Division pursuant to Subsection 34A-2-801(1)(c) to establish a reasonable fee for the procedure.

R612-2-6. Fees in Cases Requiring Unusual Treatment.

The RBRVS scheduled fees are maximum fees except that fees higher than RBRVS scheduled may be authorized by the Commission when extraordinary difficulties encountered by the physician justify increased charges and are documented by written reports.

R612-2-7. Insurance Carrier's Privilege to Examine.

The employer or the employer's insurance carrier or a self-insured employer shall have the privilege of medical examination of an injured employee at any reasonable time. A copy of the medical examination report shall be made available to the Commission at any time upon request of the Commission.

R612-2-8. Who May Attend Industrial Patients.

A. The employer has first choice of physicians; but if the employer fails or refuses to provide medical attention, the employee has the choice of physicians.

B. An employee of an employer with an approved medical program may procure the services of any qualified practitioner for emergency treatment if a physician employed in the program is not available for any reason.

R612-2-9. Changes of Doctors and Hospitals.

A. It shall be the responsibility of the insurance carrier or self-insured employer to notify each claimant of the change of doctor rules. Those rules are as follows:

1. If a company doctor, designated facility or PPO is named, the employee must first treat with that designated provider. The insurance carrier or self-insured employer shall be responsible for payment for the initial visit, less any health insurance copays and subject to any health insurance reimbursement, if the employee was directed to and treated by the employer's or insurance carrier's designated provider, and liability for the claim is denied and if the treating physician provided treatment in good faith and provided the insurance carrier or self-insured employer a report necessary to make a determination of liability. Diagnostic studies beyond plain x-rays would need prior approval unless the claimed industrial injury or occupational illness required emergency diagnosis and treatment.

2. The employee may make one change of doctor without requesting the permission of the carrier, so long as the carrier is promptly notified of the change by the employee.

(a) Physician referrals for treatment or consultation shall not be considered a change of doctor.

(b) Changes from emergency room facilities to private physicians, unless the emergency room is named as the "company doctor", shall not be considered a change of doctor. However, once private physician care has begun, emergency room visits are prohibited except in cases of:

(i) Private physician referral, or

(ii) Threat to life.

3. Regardless of prior changes, a change of doctor shall be automatically approved if the treating physician fails or refuses to rate permanent partial impairment.

B. Any changes beyond those listed above made without the permission of the carrier/self-insurer may be at the employee's own expense if:

1. The employee has received notification of rules, or

2. A denial of request is made.

C. An injured employee who knowingly continues care after denial of liability by the carrier may be individually responsible for payment. It shall be the burden of the carrier to prove that the patient was aware of the denial.

D. It shall be the responsibility of the employee to make the proper filings with the division when changing locale and doctor. Those forms can be obtained from the division.

E. Except in special cases where simultaneous attendance by two or more medical care practitioners has been approved by the carrier/employer or the division, or specialized services are being provided the employee by another physician under the supervision and/or by the direct referral of the treating physician, the injured employee may be attended by only one practitioner and fees will not be paid to two practitioners for similar care during the same period of time.

F. The Director of the Division of Industrial Accidents

may authorize an injured worker to be examined by another physician for the purpose of obtaining a further medical examination or evaluation pertaining to the medical issues involved, and to obtain a report addressing these medical issues in all cases where:

1. The treating physician has failed or refused to give an impairment rating, and/or

2. A substantial injustice may occur without such further evaluation.

G. The Commission has jurisdiction to decide liability for medical care allegedly related to an industrial accident.

R612-2-10. One Fee Only to be Paid in Global Fee Cases.

In a global fee case which is transferred from one doctor to another doctor, one fee only will be paid, apportioned at the discretion of the Commission. Adequate remuneration shall also be paid to the medical practitioner who renders first aid treatment where the circumstances of the case require such treatment.

R612-2-11. Surgical Assistants' Fees.

Fees, in accordance with the Commission's adopted Resource-Based Relative Value Scale (RBRVS), in addition to the global fee for surgical services, will be paid surgical assistants only when specifically authorized by the employer or insurance carrier involved, or in hospitals where interns and residents are not available and the complexity of the surgery makes a surgical assistant necessary.

R612-2-12. Separate Bills.

Separate bills must be presented by each surgeon, assistant, anesthetist, consultant, hospital, special nurse, or other medical practitioner within 30 days of treatment on a HCFA 1500 billing form so that payment can be made to the medical practitioner who rendered the service. All bills must contain the federal ID number of the person submitting the bill.

R612-2-13. Interest for Medical Services.

A. All hospital and medical bills must be paid promptly on an accepted liability claim. All bills which have been submitted properly on an accepted liability claim are due and payable within 45 days of being billed unless the bill or a portion of the bill is in dispute. Any portion of the bill not in dispute is payable within 45 days of the billing.

B. Per Section 34A-2-420, any award for medical treatment made by the Commission shall include interest at 8% per annum from the date of billing for the medical service.

R612-2-14. Hospital Fees Separate.

Fees covering hospital care shall be separate from those for professional services and shall not extend beyond the actual necessary hospital care. When it becomes evident that the patient needs no further hospital treatment, he/she must be discharged. All billings must be submitted on a UB92 form and be properly itemized and coded and shall include all appropriate documentation to support the billing. There shall not be a separate fee charged for the necessary documentation in billing for payment of hospital services. The documentation of hospital services shall include at a minimum the discharge summary. The insurance carrier may request further documentation if needed in order to determine liability for the bill.

R612-2-15. Charges for Ordinary Supplies, Materials, or Drugs.

Fees covering ordinary dressing materials or drugs used in treatment shall not be charged separately but shall be included in the amount allowed for office dressings or treatment.

R612-2-16. Charges for Special or Unusual Supplies, Materials, or Drugs.

A. Charges for special or unusual supplies, materials, or drugs not included as a normal and usual part of the service or procedure shall, upon receipt of an itemized and coded billing, be paid at cost plus 15% restocking fees.

B. For purposes of part A above, the amount to be paid shall be calculated as follows:

1. Applicable shipping charges shall be added to the purchase price of the product;

2. The 15% restocking fee shall then be added to the amount determined in sub part 1;

3. The amount of taxes paid on the purchase of the supplies, materials, or drugs shall then be added to the amount determined in sub part 2, which sum shall constitute the total amount to be paid.

R612-2-17. Fees for Unscheduled Procedures.

Fees for medical or surgical procedures not appearing in the Commission's adopted RBRVS current fee schedule are subject to the Commission's approval and should be submitted to the Commission when the physician and employer or insurance carrier do not agree on the value of the service. Such fees shall be in proportion as nearly as practicable to fees for similar services appearing in the RBRVS.

R612-2-18. Dental Injuries.

A. This rule establishes procedures to obtain dental care for work-related dental injuries and sets fees for such dental care.

B. Initial Treatment.

1. If an employer maintains a medical staff or designates a company doctor, an injured worker seeking dental treatment for work-related injuries shall report to such medical staff or doctor and follow their instructions.

2. If an employer does not maintain a medical staff or designate a company doctor, or if such staff or doctor are not available, an injured worker may consult a dentist to obtain immediate care dental for injuries caused by a work-related accident. The insurer shall pay the dentist providing this initial treatment at 70% of UCR for the services rendered.

C. Subsequent care by initial treatment provider.

1. If additional treatment is necessary, the dentist who provided initial treatment may submit to the insurer a request for authorization to continue treatment. The transmission date of the request must be verifiable. The request itself must include a description of the injury, the additional treatment required, and the cost of the additional treatment. If the dentist proceeds with treatment without authorization, the dentist must accept 70% of UCR as payment in full and may not charge any additional sum to the injured worker.

2. The insurer shall respond to the request for authorization within 10 working days of the request's transmission. This 10-day period can be extended only with written approval of the Industrial Accidents Division. If the insurer does not respond to the dentist's request for authorization within 10 working days, the insurer shall pay the cost of treatment as contained in the request for authorization.

3. If the insurer approves the proposed treatment, the insurer shall send written authorization to the dentist and injured worker. This authorization shall include the anticipated payment amount.

4. On receipt of the insurer's written authorization, and if the dentist accepts the payment provisions therein, the dentist may proceed to provide the approved services. The dentist must accept the amount to be paid by the insurer as full payment for those services and may not bill the injured worker for any additional amount.

D. Subsequent care by other providers.

1. If the dentist who provided initial treatment does not

agree to the payment offered by the insurer, the insurer shall within 20 calendar days direct the injured worker to a dentist located within a reasonable travel distance who will accept the insurer's payment offer.

2. If the insurer cannot locate another dentist to provide the necessary services, the insurer shall attempt to negotiate a satisfactory reimbursement with the dentist who provided initial treatment. The negotiated reimbursement may not include any balance billing to the claimant.

3. If the insurer is successful in arranging treatment with another dentist, the insurer shall notify the injured worker.

4. If, after having received notice that the insurer has arranged the services of another dentist, the injured worker chooses to obtain treatment from a different dentist, the insurer shall only be responsible for payment at 70% of UCR. Under the circumstances of this subsection (4), the treating dentist may bill the injured worker for the difference between the dentist's charges and the amount paid by the insurer.

E. Payment or treatment disputes that cannot be resolved by the parties may be submitted to the Labor Commission's Adjudication Division for decision, pursuant to the Adjudication Division's established forms and procedures.

R612-2-19. Ambulance Charges.

Ambulance charges must not exceed the rates adopted by the State Emergency Medical Service Commission for similar services.

R612-2-20. Travel Allowance and Per Diem.

A. An employee who, based upon his/her physician's advice, requires hospital, medical, surgical, or consultant services for injuries arising out of and in the course of employment and who is authorized by the self-insurer, the carrier, or the Commission to obtain such services from a physician and/or hospital shall be entitled to:

1. Subsistence expenses of $6 per day for breakfast, $9 per day for lunch, $15 per day for dinner, and actual lodging expenses as per the state of Utah's in-state travel policy provided:

(a) The employee travels to a community other than his/her own place of residence and the distance from said community and the employee's home prohibits return by 10:00 p.m., and

(b) The absence from home is necessary at the normal hour for the meal billed.

2. Reasonable travel expenses regardless of distance that are consistent with the state of Utah's travel reimbursement rates, or actual reasonable costs of practical transportation modes above the state's travel reimbursement rates as may be required due to the nature of the disability.

B. This rule applies to all travel to and from medical care with the following restrictions:

1. The carrier is not required to reimburse the injured employee more often than every three months, unless:

(a) More than $100 is involved, or

(b) The case is about to be closed.

2. All travel must be by the most direct route and to the nearest location where adequate treatment is reasonably available.

3. Travel may not be required between the hours of 10:00 p.m. and 6:00 a.m., unless approved by the Commission.

4. Requests for travel reimbursement must be submitted to the carrier for payment within one year of the authorized medical care.

5. Travel allowance shall not include picking up prescriptions unless documentation is provided substantiating a claim that prescriptions cannot be obtained locally within the injured worker's community.

6. The Commission has jurisdiction to resolve all disputes.

R612-2-21. Notice to Health Care Providers.

Any notice from a carrier denying further liability must be mailed to the Commission and the patient on the same day as it is mailed to the health care provider. Where it can be shown, in fact, that a medical care provider and the injured employee have received a denial of further care by the insurance carrier or self-insured employer, further treatment may be performed at the expense of the employee. Any future ratification of the denial by the Commission will not be considered a retroactive denial but will serve to uphold the force and effect of the previous denial notice.

R612-2-22. Medical Records.

A. Workers' compensation insurers, employers and the Utah Labor Commission need access to health information of individuals who are injured on the job or who have a work-related illness in order to process or adjudicate claims, or to coordinate care under Utah's workers' compensation system. Generally, this health information is obtained from health care providers who treat these individuals and who may be covered by federal "HIPAA" privacy rules.

The HIPAA Privacy Rule specifically recognizes the legitimate need of the workers' compensation system to have access to individuals' health information to the extend authorized by State law. See 45 CFR 164.512(1). The Privacy Rule also recognizes the importance of permitting disclosures required by other laws. See 45 CFR 164.512(a). Therefore, disclosures permitted by this rule for workers' compensation purposes or otherwise required by this rule do not conflict with and are not prohibited by the HIPAA Privacy Rule.

B. A medical provider, without authorization from the injured workers, shall:

1. For purposes of substantiating a bill submitted for payment or filing required Labor Commission forms, such as the "Physician's Initial Report of Injury/Illness" or the "Restorative Services Authorization," disclose medical records necessary to substantiate the billing, including drug and alcohol testing, to:

a. An employer's workers' compensation insurance carrier or third party administrator;

b. A self-insured employer who administers its own workers' compensation claims;

c. The Uninsured Employers' Fund;

d. The Employers' Reinsurance Fund; or

e. The Labor Commission as required by Labor Commission rules.

2. Disclose medical records pertaining to treatment of an injured worker, who makes a claim for workers' compensation benefits, to another physician for specialized treatment, to a new treating physician chosen by the claimant, or for a consultation regarding the claimed work related injury or illness.

C. 1. Except as limited in C(3), a medical provider, whose medical records are relevant to a workers' compensation claim shall, upon receipt of a Labor Commission medical records release form, or an authorization form that conforms to HIPAA requirements, disclose his/her medical records to:

a. An employer's insurance carrier or third party administrator;

b. A self-insured employer who administers its own workers' compensation claims;

c. An agent of an entity listed in B(1)(a through e), which includes, but is not limited to a case manager or reviewing physician;

d. The Uninsured Employers Fund;

e. The Employers' Reinsurance Fund;

f. The Labor Commission;

g. The injured worker;

h. An injured workers' personal representative;

i. An attorney representing any of the entities listed above

in an industrial injury or occupational disease claim.

2. Medical records are relevant to a workers' compensation claim if:

a. The records were created after the reported date of the accident or onset of the illness for which workers' compensation benefits have been claimed; or

b. The records were created in the past ten years (15 years if permanent total disability is claimed) and;

i. There is a specific reason to suspect that the medical condition existed prior to the reported date of the claimed work related injury or illness or

ii. The claim is being adjudicated by the Labor Commission.

3. Medical records related to care provided by a psychiatrist, psychologist, obstetrician, or care related to the reproductive organs may not be disclosed by a medical provider unless a claim has been made for a mental condition, a condition related to the reproductive organs, or the claimant has signed a separate, specific release for these records.

D. A medical provider, who has treated an injured worker for a work related injury or illness, shall disclose information to an injured workers' employer as to when and what restrictions an injured worker may return to work.

E. Requests for medical records beyond what sections B, C, and D permit require a signed approval by the director, the medical director, a designated person(s) within the Industrial Accidents Division or an administrative law judge if the claim is being adjudicated.

F. A party affected by the decision made by a person in section E may appeal that decision to the Adjudication Division of the Labor Commission.

G. Upon receipt and within the scope of this rule, an injured worker shall provide those entities or person listed in C(1) the names, address, and dates of medical treatment (if known) of the medical providers who have provided medical care within the past 10 years (15 years for permanent total disability claim) except for those medical providers names in C(3). Labor Commission form number 307 "Medical Treatment Provider List" must be used for this purpose. Parties listed in C(1) of this rule must provide each medical provider identified on form 307 with a signed authorization for access to medical records. A copy of the signed authorization may be sent to the medical providers listed on form 307.

H. An injured worker may contest, for good reason, a request for medical records created prior to the reported date of the accident or illness for which the injured worker has made a claim for benefits by filing a complaint with the Labor Commission. Good reason is defined as the request has gone beyond the scope of this rule or sensitive medical information is contained in a particular medical record.

I. 1. Any party obtaining medical records under authority of this rule may not disclose those medical records, without a valid authorization, except as required by law.

2. An employer may only use medical records obtained under the authority of this rule to:

a. Pay or adjudicate workers' compensation claims if the employer is self-insured;

b. To assess and facilitate an injured workers' return to work;

c. As otherwise authorized by the injured worker.

3. An employer obtaining medical records under authority of this rule must maintain the medical records separately from the employee's personnel file.

J. Any medical records obtained under the authority of this rule to make a determination regarding the acceptance of liability or for treatment of a condition related to a workers' compensation claim shall only be used for workers' compensation purposes and shall not be released, without a signed release by the injured worker or his/her personal representative, to any other party. An employer shall make decisions related only to the workers' compensation claim based on any medical information received under this rule.

K. When any medical provider provides copies of medical records, other than the records required when submitting a bill for payment or as required by the Labor commission rules, the following charges are presumed reasonable:

1. A search fee of $15 payable in advance of the search;

2. Copies at $.50 per page, including copies of microfilm, payable after the records have been prepared and

3. Actual costs of postage payable after the records have been prepared an sent. Actual cost of postage are deemed to be the cost of regular mail unless the requesting party has requested the delivery of the records by special mail or method.

4. The Labor Commission will release its records per the above charges to parties/entities with a signed and notarized release from the injured worker unless the information is classified and controlled under the Government Records Access and Management Act (GRAMA).

L. No fee shall be charged when the RBRVS or the Commission's Medical Fee Guidelines require specific documentation for a procedure or when medical providers are required to report by statute or rule.

M. An injured worker or his/her personal representative may obtain one copy of each of the following records related to the industrial injury or occupational disease claim, at no cost, when the injured worker or his/her personal representative have signed a form by the Industrial Accidents Division to substantiate his/her industrial injury/illness claim;

1. History and physical;
2. Operative reports of surgery;
3. Hospital discharge summary;
4. Emergency room records;
5. Radiological reports;
6. Specialized test results; and
7. Physician SOAP notes, progress notes, or specialized reports.

(a) Alternatively, a summary of the patients records may be made available to the injured worker or his/her personal representative at the discretion of the physician.

R612-2-23. Adjusting Resource-Based Relative Value Scale (RBRVS) Codes.

A. When adjusting any medical provider's bill who has billed per the Commission's adopted RBRVS the adjusting entity shall provide one or more of the following explanations as applies to the down coding when payment is made to the medical provider:

1. Code 99202, 99203, 99204 or 99205 - the submitted documentation for a new patient did not meet the three key components lacking in the level of history for the code billed.

2. Code 99202, 99203, 99204 or 99205 - the submitted documentation for a new patient did not meet the three key components lacking in the level of examination for the code billed.

3. Code 99202, 99203, 99204 or 99205 - the submitted documentation for a new patient did not meet the three key components lacking in the level of medical decision making for the code billed.

4. Code 99202, 99203, 99204, or 99205 - the submitted documentation for a new patient did not meet the three key components lacking in the level of history and exam for the code billed.

5. Code 99213, 99214 or 99215 - the submitted documentation for an established patient did not meet the two key components lacking in the level of history and exam that the code billed.

6. Code 99213, 99214 or 99215 - the submitted documentation for an established patient did not meet the two

key components lacking in the level of history and medical decision making for the code billed.

7. Code 99213, 99214 or 99215 - the submitted documentation for the established patient did not meet the two key components lacking in the level of exam and medical decision making for the code billed.

B. The above explanations may be abbreviated, with a legend provided, to accommodate the space of computerized messages.

R612-2-24. Review of Medical Payments.

A. Health care providers and payors are primarily responsible to resolve disputes over fees for medical services between themselves. However, in some cases it is necessary to submit such disputes to the Division for resolution. The Commission therefore establishes the following procedure for submission and review of fees for medical services.

1. The provider shall submit a bill for services rendered, with supporting documentation, to the payor within one year of the date of service;

2. The payor shall evaluate the bill according to the guidelines contained in the Commission's Medical Fee Guidelines and RBRVS and shall pay the provider the appropriate fee within 45 days as required by Rule R612-2-13.

3. If the provider believes that the payor has improperly computed the fee under the RBRVS, the provider or designee shall request the payor to re-evaluate the fee. The provider's request for re-evaluation shall be in writing, shall describe the specific areas of disagreement and shall include all appropriate documentation. The provider shall submit all requests for re-evaluation to the payor within one year of the date of the original payment.

4. Within 30 days of receipt of the written request for re-evaluation, the payor shall either pay the additional fee due the provider or respond with a specific written explanation of the basis for its denial of additional fees. The payor shall maintain proof of transmittal of its response.

B. If the provider continues to disagree with the payor's determination of the appropriate fee, the provider shall submit the matter to the Division by filing with the Division a written explanation of the disagreement. The provider's explanation shall include copies of:

1. The provider's original bill and supporting documentation;

2. The payor's initial payment of that bill;

3. The provider's request for re-evaluation and supporting documentation; and

4. The payor's written explanation or its denial of additional fees.

C. The Division will evaluate the dispute according to the requirements of the Medical Fee Guidelines and RBRVS and, if necessary, by consulting with the provider, payor, or medical specialists. Within 45 days from the date the Division receives the provider's request, the Division will mail its determination to both parties.

D. Any party aggrieved by the Division's determination may file an application for hearing with the Division of Adjudication to obtain formal adjudication of the dispute.

E. A payor seeking reimbursement from a provider for overpayment of a bill shall submit a written request to the provider detailing the circumstances of the payment requested within one year of submission of the bill.

1. Providers should make appropriate reimbursements, or respond in writing detailing the reasons why repayment will not be made, within 90 days or receipt of a written request from a payor.

2. If a dispute as to reimbursement occurs, an aggrieved party may request resolution of the dispute by the Labor Commission.

R612-2-25. Injured Worker's Right to Privacy.

A. No agent of the employer or the employer's insurance carrier shall be present during an injured worker's visit with a medical provider, unless agreed upon by the claimant.

B. If an agent of the employer or the employer's insurance carrier is excluded from the medical visit, the medical provider and the injured worker shall meet with the agent at the conclusion of the visit so as to communicate regarding medical care and return to work issues.

R612-2-26. Utilization Review Standards.

A. As used in this subsection:

1. "Payor" means a workers' compensation insurance carrier, a self-insured employer, third-party administrator, uninsured employer or the Uninsured Employers' Fund, which is responsible for payment of the workers' compensation claim.

2. "Health Care Provider" means a provider of medical services, including an individual provider, a health-service plan, a health-care organization, or a preferred-provider organization.

3. "Request for Authorization" means any request by a physician for assurance that appropriate payment will be made for a course of proposed medical treatment, including surgery or hospitalization, or any diagnostic studies beyond plain X-rays.

4. "Utilization Review," as authorized in Section 34A-2-111, is a process used to manage medical costs, improve patient care, and enhance decision-making. Utilization review includes, but is not limited to, the review of requests for authorization to treat, and the review of bills, for the purpose of determining whether the medical services provided were or would be necessary, to treat the effects of the injury/illness. Utilization review does not include bill review for the purpose of determining whether the medical services rendered were accurately billed. Nor does it include any system, program, or activity in connection with making decisions concerning whether a person has sustained an injury or illness which is compensable under Section 34A-2 or 34A-3.

5. "Reasonable Attempt" is defined as at least two phone calls and a fax, or three phone calls, within five business days from date of the payor's receipt of the physician's request for review.

B. Any utilization review system shall establish an appeals process which utilizes a physician(s) for a final decision by the insurer, should an initial review decision be contested. The payor may establish levels of review that meet the following criteria:

1. Level I--Initial Request and Review. A payor may use medical or non-medical personnel to initially apply medically-based criteria to a request for authorization for payment of a specific treatment. The treating physician must send all the necessary documentation for the payor to make a decision regarding the treatment recommended. The payor must then notify the physician within five business days of the request for authorization of payment for the treatment, by a method which provides certification of transmission of the document, of either an acceptance or a denial of the request. A denial for authorization of payment for a recommended treatment utilizing the Commission's form, Form 223, must be sent to the provider with the criteria used in making the determination to deny payment for the treatment. A copy of the denial must also be mailed to the claimant. Level I--Request and Review does not include authorization requests for services billed from the Restorative section of the Resource-Based Relative Value Scale (RBRVS). Requests for authorization for restorative services are governed by rule R612-2-3(B).

2. Level II--Review. A physician, who has been denied authorization of payment for treatment, or has received no response within five business days from the request for authorization for payment at Level I review, may request a

physician's review by sending the completed portion of the Commission form 223 to the payor. Such a request for review may be filed by any physician who has been denied authorization for payment for restorative services beyond the initial eight visits as authorized by Rule R612-2-3(B). The requesting physician must include the times and days that he/she is available to discuss the case with the reviewing physician, and must be reasonably available during normal business hours. The payor's physician representative must complete the review within five business days of the treating physician's request for review. Before the insurer's physician representative may issue a denial of an authorization for payment to treat, a reasonable effort must have made to contact the requesting treating physician to discuss the differing aspects of the case. Failure by the payor to respond within five business days, by a method which provides certification of transmission, to a denial for authorization for payment for treatment, shall constitute an authorization for payment of the treatment. The payor's denial to pay for the recommended treatment must be issued on Commission's form 223, and the denial must be accompanied by the criteria that was used in making the decision to deny authorization, along with the name and speciality of the reviewing physician. The denial to authorize payment for treatment must then be sent to the physician, the claimant, and the Commission. The payor shall notify the Commission if an additional five days is needed in order to contact the treating physician or to review the case. An additional extension of time may be requested from the Commission to accommodate highly unusual circumstances or particularly difficult cases.

C. Upon receipt of denial of authorization for payment for medical treatment at Level II, the Commission will facilitate, upon the request of the claimant, the final disposition of the case. If the parties agree, the medical dispute may be resolved by the Commission through binding mediation or medical review. If there is not agreement among the parties, the Commission will resolve the dispute through formal adjudication. The payor shall be responsible for sending the claimant the Commission appeals information when the denial for authorization for payment for medical treatment is sent to the claimant.

D. If the medical treatment requested is not an emergency, and treatment is rendered by the physician after, receiving notice of the utilization standards encompassed in this rule, the following shall apply:

1. The Commission shall, if the disputed medical treatment is ultimately determined to be compensable as an expense necessary to treat the industrial injury or occupational disease, order that the physician be reimbursed at only 75% of the of the amount otherwise payable had appropriate authorization been timely obtained. The injured worker shall not be liable for any additional payment to the physician above the 75%.

2. Neither the worker's employer or its workers' compensation insurer shall be liable for any portion of the cost of disputed medical treatment, if that treatment is ultimately determined not to be compensable as an expense necessary to treat an industrial injury or occupational disease.

3. A worker may become liable for the cost of the disputed medical treatment, if that treatment is ultimately determined not to be compensable as an expense necessary to treat the industrial injury or occupational disease.

4. Except for any co-pays or deductibles under the worker's health insurance plan, the penalty provision in D(1) and D(3) shall not apply if the physician performs the medical treatment in question, having been preauthorized in writing to do the same by a health insurer or other non-worker's compensation insurance payor.

5. The penalty provisions in D(1) shall not apply to medical treatment rendered in emergency situations, which are defined as a threat to life or limb.

6. The Commission shall notify a physician, in writing, of reported violations of this rule. Repeated violations of this rule by a physician may result in a report from the Commission to the Department of Commerce, Division of Occupational/Professional Licensing.

R612-2-27. Commission Approval of Health Care Treatment Protocol.

A. Authority. Pursuant to authority granted by Section 34A-2-111(2)(c)(i)(B)(VII) of the Utah Workers' Compensation Act, the Utah Labor Commission establishes the following standards and procedures for Commission approval of medical treatment and quality care guidelines.

B. Standards:

1. Scientifically based: Section 34A-2-111(2)(c)(i)(B)(VII)(Aa) of the Act requires that guidelines be scientifically based. The Commission will consider a guideline to be "scientifically based" when it is supported by medical studies and/or research.

2. Peer reviewed: Section 34A-2-111(2)(c)(i)(B)(VII)(Bb) of the Act requires that guidelines be peer reviewed. The Commission will consider a guideline to be "peer reviewed" when the medical study's content, methodology, and results have been reviewed and approved prior to publication by an editorial board of qualified experts".

3. Other standards: Pursuant to its rulemaking authority under Section 34A-2-111(2)(c)(i)(B)(VII), the Utah Labor Commission establishes the following additional standards for medical treatment and quality care guidelines.

a. The guidelines must be periodically updated and, subject to Commission discretion, may not be approved for use unless updated in whole or in part at least biannually;

b. Guideline sources must be identified;

c. The guidelines must be reasonably priced;

d. The guidelines must be easily accessible in print and electronic versions.

C. Procedure: Pursuant to Section 34A-2-111(2)(c)(i)(B)(VII) of the Utah Workers' Compensation Act, a party seeking Commission action to approve or disapprove a guideline shall file a petition for such action with the Labor Commission.

A. These rules guide insurance carriers and employers in complying with reporting and other requirements of the Utah Injured Workers Reemployment Act, Title 34A, Chapter 8a, Utah Code Annotated.

B. The Utah Labor Commission enacts these rules under the authority of section 34A-8a-202 and section 34A-8a-203.

C. Definitions established by section 34A-8a-102, section 34A-8a-203(1) and rule R612-1 apply to this rule. The following definitions also apply to this rule:

1. "Insurance Carrier" includes insurance carriers providing workers' compensation coverage and the Uninsured Employers Fund;

2. "Employer" includes self-insured employers and uninsured employers that are paying an injured workers' claim for benefits.

3. "disabled Injured Worker" means an injured worker who:

a. because of the injury or disease that is the basis fo the employee being an injured worker:

i. is or will be unable to return to work in the injured worker's usual and customary occupation; or

ii. is unable to perform work for which the injured worker has previous training and experience; and

b. reasonably can be expected to attain gainful employment after an evaluation provided for in accordance with the Utah Injured Worker Reemployment Act, Title 34A, Chapter 8a.

R612-8-2. Form 206 - Insurer/Employer Initial Reemployment Report for Injured Worker.

A. Pursuant to section 34A-8a-301, a worker who has suffered a work-related injury or disease must be provided an initial written report (Form 206) that assesses the injured worker's need for vocational reemployment assistance. Form 206 is only required in those instances in which:

1. it appears the injured worker is or will be a "disabled injured worker"; or

2. the duration of the injured workers' temporary total disability compensation exceeds 90 days.

B. If the injured worker was covered by workers' compensation insurance at the time of injury or disease or the claim is being paid by the Uninsured employers' Fund (UEF), the insurance carrier or UEF must prepare and submit Form 206. If the injured worker's claim is being paid by a self-insured employer or an uninsured employer, the employer must prepare and submit From 206.

C. Form 206 must be mailed or otherwise delivered to the injured worker and to the Division within 30 days after the insurance carrier or employer knows or should know that the injured worker's circumstances satisfy either of the conditions described in subsection A. (1)of A. (2).

R612-8-3. Referral of Disabled Injured Worker for Evaluation; Permission to Waive or Postpone Referral.

A. If Form 206 determinates that an injured worker satisfies the definition of a "disabled injured worker", the insurance carrier or employer shall refer the injured worker to the Utah State Office of Rehabilitation or to a private rehabilitation or reemployment service for evaluation and development of a reemployment plan. This referral must be made within 10 days after the insurance carrier or employer submits From 206 to the Division unless the Division grants a waiver or postponement as provided in the following submstion B of this rule.

B. Section 34A-8a-302(3) authorizes the Labor Commission through the Division of Industrial Accidents to waive or postpone an insurance carrier or employer's referral obligation. An insurance carrier or employer shall make its request by completing and submitting "Form 215 - Insurer/Employer Request to Waive/Postpone Reemployment Referral" to the Division and mailing a copy of the completed form to the injured worker. The Division will consider such requests on a case-by-case basis. The Division will generally grant requests for waiver or postponement for the following reasons, or for other reasons similarly establishing good cause:

1. the injured worker was not medically stable;

2. the injured worker's physical capacity has not been determined; or

3. liability for the injured worker's claim is under review provided, however, that the Division may require the insurance carrier or employer to refer the injured worker for the free services offered by the Utah State Office of Rehabilitation.

R612-8-4. Form 239 - Insurer/Employer Quarterly Report on Reemployment Efforts to the Division; Penalties.

A. Beginning with the calendar quarter commencing on July 1, 2009, and continuing for each quarter thereafter, section 34A-8a-203(2) requires insurance carriers and employers (referred to as "reporting entities") to file quarterly reports enumerating their efforts to return injured workers to gainful employment.

B. Reporting entities shall submit their quarterly reports by completing Form 239 - Insurer/Employer Quarterly Report on Reemployment Efforts," and filing the form with the Division no later than 45 days after the end of each calendar quarter.

C. Section 34A-8a-203(4) requires the Commission to impose a civil penalty of up to $500 against a reporting entity that fails to file Form 206. Initial proceedings to assess such penalty are hereby designated as informal adjudicatory proceedings, while all subsequent proceedings with respect to assessment of such penalty are hereby designated as formal proceedings.

R612-8-5. Administrative Review.

An injured worker, insurance carrier or employer may submit any dispute arising from the provisions of the Utah Injured Worker Reemployment Act or these rules to the Labor Commission's Adjudication Division for resolution according to the procedures established by the Utah Administrative Procedures Act, Title 63G, Chapter 4, Utah Code Annotated.

2. The UOSH Administrator, following a significant number of inspections of drilling activities, has found many issues unique to the industry which require they be addressed separately and apart from the Utah Rules and Regulations General Industry Standards.

3. Further, the collection of statistical inferences by the Utah Occupational Safety and Health Statistical division indicates a substantial need for occupational safety and health standards for drilling and related services.

D. Effective Date.

January 15, 1980.

E. Variance From Safety and Health Standards.

Variances from standards which are or may be published in this part may be requested under Subsection 34A-6-202(2)(d) of the Utah Occupational Safety and Health Act of 1973. Procedures for the granting of variances or related relief are those published as R614-1-9.

F. Adoption of Existing Standards.

The provisions of this part adopt and extend the applicability of R614 and 29 CFR 1910 and 29 CFR 1926.

G. Inspections--Right of Entry.

b. The employer shall instruct each employee in the recognition and avoidance of unsafe conditions and the regulations applicable to his work environments to control or eliminate any hazards or other exposure to illness or injury.

c. In job site areas where harmful plants or animals are present, employees who may be exposed shall be instructed regarding the potential hazards, and how to avoid injury, and the first aid procedures to be used in the event of injury.

J. Reporting Requirements.

Shall meet the requirements of R614-102-13.

K. Incorporation by Reference.

1. 29 CFR 1910 and 1926 and standards of the American National Standards Institute, National Fire Protection Association, National Electrical Code, and other consensus standards are incorporated by reference, or when referenced in this UOSH standard, shall have the same force and effect as other standards, rules, or regulations.

2. Consensus standards and any changes in the referenced standards are available for examination at the Occupational Safety and Health Division, Labor Commission, as listed in the current public telephone directory.

L. General Drilling Rules.

1. Surface casing shall be run to reach a depth to prevent blowouts or uncontrolled wells. In areas where pressures and formations are unknown, surface casing shall be of sufficient size to permit the use of an intermediate string or strings of casing. Surface casing shall be set in or through an impervious formation and shall be cemented by the pump and plug or displacement or other approved method with sufficient cement to fill the annulus to the top of the hole. If cement is not circulated to surface during the primary operation, the drilling owner/operator shall perform cemented operations to assure that the annular space from the casing shoe to the surface is filled with cement.

2. The cemented casing string shall stand under pressure until the cement has reached a compressive strength of 300 pounds per square inch; providing, however, that no further operation shall be commenced until the cement has been in place at least 8 hours. The term "under pressure" as used herein shall be complied with if one float valve is used or if pressure is otherwise held.

3. Setting depths of all casing string shall be determined by taking into account formation fracture gradients and the maximum anticipated pressure to be maintained within the well bore.

4. If and when it becomes necessary to run a production string, such string shall be cemented by the pump and plug method, and shall be properly tested by the pressure method before cement plugs are drilled.

5. Natural gas which may be encountered in a substantial quantity in any section of a cable-tool drilled hole above the ultimate objective shall be shut off with reasonable diligence either by mudding or casing, or other approved method and confined to its original source. Any gas escaping from the well during drilling operations shall be, so far as practicable, conducted a safe distance from the well site and burned in accordance with the Rules and Regulations of the Environmental Quality Department of the State, or otherwise safely disposed of.

2. "Administration" means the Division of Occupational Safety and Health of the Labor Commission, also known as UOSH (Utah Occupational Safety and Health).

3. "Administrator" means the director of the Division of Utah Occupational Safety and Health.

4. "Commission" means the Labor Commission.

5. "Employee" includes any person suffered or permitted to work by an employer.

6. "Employer" means:

B. Industry Terms.

1. "Accumulator" - On a drilling rig, the nitrogen and hydraulic oil for closing the blowout preventer in an emergency is kept in an accumulator.

2. "Acidizing" - The treatment of oil-bearing limestone or other formations by chemical reaction with acid in order to increase production. Hydrochloric or other type acid is injected into the formation under pressure, bringing about an enlargement of the pore spaces and passages through which the reservoir fluids flow. The acid is held under pressure for a period of time and then pumped out; the well is swabbed and put back into production. Chemical inhibitors are combined with the acid to prevent corrosion of the pipe.

3. "A-frame" - A form of derrick or crane used to handle heavy loads.

4. "Air Drilling" - Drilling using air or gas as the circulating medium.

5. "Anchor, Deadline" - Holding the deadline to the derrick or substructure.

6. "Annular Space" - The space surrounding pipe suspended in the wellbore. The outer wall of the annular space may be an open hole or it may be a string or larger pipe.

7. "Approved" - sanctioned, endorsed,accredited certified, or accepted by a duly constituted and recognized authority or agency.

8. "Authorized Person" - A person approved or assigned by the employer to a specific type of duty or duties or to be at a specific location or locations at the job-site.

9. "Back-up Line (Snub Line)" - A wire rope, one end of which is fastened to the end of a pipe tong handle and the other end secured to hold the tongs stationary while such tongs are in use.

10. "Back-up Post" - A post, column or stanchion secured to the derrick, derrick floor or derrick foundation, the purpose of which is to make secure the dead end of the back-up line.

11. "Back-up Tong" - The name applied to the drill pipe tong suspended in the derrick and used to hold a section of drill pipe while another section is unscrewed from it by use of another tong.

12. "Barricade" - An obstruction to deter the passage of persons or vehicles.

13. "Berm" - A pile or mound of material capable of restraining a vehicle.

14. "Bit" - The cutting element attached to the bottom of the drill stem. These are broken down into three general categories: roller bits, usually having three rolling cones with milled teeth or inserts; diamond bits using diamonds for cutting; and drag bits with fixed blades.

15. "Bleed" - To drain off liquid or gas, generally slowly, through a valve called a bleeder. To bleed down or bleed off, means a controlled release of the pressure of a well or of pressurized equipment.

16. "Block" - In mechanics, one or more pulleys or sheaves mounted to rotate on a common axis; any assembly of pulleys on a common frame work. The crown block is an assembly of sheaves mounted on beams at the top of the derrick. The drilling line, is reeved over the sheaves of the crown block alternately with the sheaves of the traveling block, which is hoisted and lowered in the derrick by means of the drilling line.

17. "Blowout" - A sudden, violent escape of gas and oil (and sometimes water) from a well.

18. "Blowout Preventer" - A device attached immediately above the casing to control pressures and prevent escape of fluids from the annular space between the drill pipe and casing or shut off the hole if no drill pipe is in the hole, should a kick or blowout occur.

19. "Board" -A platform installed in the derrick approximately 90 feet above the derrick floor. The derrickman works on this board while the pipe is being hoisted from or lowered into the wellbore.

20. "Boom" - a movable arm of wood or steel used on some types of cranes or derricks to support the hoisting lines that carry the load.

21. "Bowline" - A knot much used in lifting heavy equipment with the catline. Its advantage lies in the fact that it can be readily untied irrespective of the load that has been placed on it.

22. "Breaking down" - Usually means unscrewing the drill stem into single joints and placing them on the pipe rack. This operation takes place at the completion of the well when the drill pipe will no longer be used. It also takes place when changing from one size drill pipe to another during drilling operations. It is necessary to "break the pipe down" in order that it will be in lengths short enough to be handled and moved. Also called Laying Down.

23. "Breakout Line" - Either a wire rope or a manila or fiber rope used in conjunction with a pipe tong and a cathead which serves to impart a pulling power on the tong handle to start the unscrewing or breaking of a threaded pipe joint or tool joint when the pipe is in a vertical position in the well and projecting above the rotary table.

24. "Breakout" - Refers to the act of unscrewing one section of pipe from another section, especially in the case of drill pipe while it is being withdrawn from the wellbore. During this operation the Breakout Tongs are used to start the unscrewing operation.

25. "Casing" - Steel pipe placed in an oil or gas well as drilling progresses. The function of casing is to prevent the wall of the hole from caving during drilling and to provide a means of extracting the oil if the well is productive.

26. "Cat" - A crawler type tractor noted for its ability to move over difficult terrain. It is much used in clearing the location, earth-moving operations, and skidding rigs. The operator or driver is frequently referred to as a CAT DRIVER. This term is probably a shortening of the trade name Caterpillar, which is a brand of this type of equipment.

27. "Cathead" - Is a spool shaped steel mechanical device mounted on the end of a shaft of a drawworks, well pulling hoist or other machinery onto which a fiber rope such as a catline, breakout line, make-up line, spinning line, is wrapped to impart a pulling power to such rope or line.

28. "Cathead--automatic" - A steel mechanical device, generally in such shapes as a sheave, hoist, drum, pulley or wheel, and is mounted on the shafting of a drawworks, well pulling hoist or other machinery to which is attached a breakout

line, make-up line, or a spinning line. The primary purpose of the automatic cathead is to impart a pulling power on the breakout line, make-up line, and/or spinning line. (See definitions for Breakout Line, Make-up Line and Spinning Line.)

29. "Catline" - a rope, usually a manila rope which is usually reeved over a single sheave in the mast or on a sheave suspended from the derrick gin pole. It serves a general utility purpose for making pulls, lifting or lowering objects up into or from the derrick, lifting and transferring materials about the derrick floor. One end of the line is attached to the object, other end is wrapped around the cathead to effect the source of power.

30. "Cellar" - Excavation under the derrick to provide space for items of equipment at the top of the wellbore. Also serves as a pit to collect drainage of water and other fluids under the floor for subsequent disposal by jetting.

31. "Cementing" - The operation by which cement slurry is forced down through the casing and out at the lower end in such a way that it fills the space between the casing and the sides of the wellbore to a predetermined height above the bottom of the well. This is for the purpose of securing the casing in place and excluding water and other fluids from the wellbore.

32. "Christmas Tree" - A term applied to the valves and fittings assembled at the top of a well to control the flow of the fluids.

33. "Circulating Fluid"--drilling Fluid, Mud - A fluid consisting of water, oil, or other liquid which may contain clay, weighting materials and/or chemicals which is circulated through the drill pipe and well bore during rotary drilling and workover operations.

34. "Closed-container" - A container so sealed by means of a lid or other device that neither liquid nor vapor will escape from it at ordinary temperatures.

35. "Collar" - Usually refers to a coupling device used to join two lengths of pipe.

36. "Combustion" - Any chemical process that invloves oxidation sufficient to produce light or heat.

37. "Combustible Liquids" - Any liquid having a flash point at or above 100 degrees F. (37.8 degrees C.)

38. "Competent Person" - One who is capable of identifying existing and predictable hazards in the surroundings of working conditions which are unsanitary, hazardous, or dangerous to employees, and who has authorization to take prompt corrective measures to eliminate them.

39. "Corrosion" - The complex chemical or electrochemical process by which metal is destroyed through reaction with its environment. The familiar coating of rust that appears on steel is a product of corrosion.

40. "Corrosive" - An agent which, in contact with animal tissue, by chemical reaction will cause more or less severe destruction and with which systematic effects are either of secondary nature or less pronounced than with poisons.

41. "Counter Weight" - A ladder climbing assist device.

42. "Crown Block" - Two or more metal beams of plates and other metal parts assembled into a framework within which are mounted one or more sheaves. The crown block is mounted on top of the derrick. The hoisting line is reeved on the crown block sheaves.

43. "Dead Line" - This refers to the end of the drilling line which is not reeled on the hoisting drum of the rotary rig. This end of the drilling line is usually anchored to the derrick substructure and does not move as the traveling block is hoisted, hence the term "dead line."

44. "Dead Man" - A buried anchor to which guy-wires are tied to steady the derrick, boiler stacks, etc.

In drilling work, the standard derrick has four legs standing at the corners of the substructure and reaching to the crown blocks. The substructure is an assembly of heavy beams used to elevate the derrick above the ground and provide space to install blowout preventers, casing heads, etc. The standard derrick has largely been replaced by the mast for drilling. The mast is lowered and raised without disassembly. For land transport it may be divided into two or more sections to avoid excessive length on the highway.

There being so many types of elevators only the most common type is herein described as follows: one side of the elevator body is a gate or door which, when closed, forms a conjunction with the remaining part of the elevator body a circular opening that fits snugly around the pipe or rod just below the threaded joint, sleeve, or coupling thereof. The threaded joint, sleeve, or coupling being larger than the circular opening in the elevator body, the pipe or rods are held in suspension from the elevator.

55. "Fast Line" - The end of the drilling line which is affixed to the drum or reel. It is so called because it apparently travels with greater velocity than any other portion of the drilling line.

Under extremely high hydraulic pressure, a fluid such as distillate, diesel fuel, crude oil, dilute hydrochloric acid, water, or kerosene is piped downward through production tubing or drill pipe and forced out below a packer between two packers. The pressure causes cracks to open in the formation, and the fluid penetrates the formation through the cracks. Sand grains, aluminum pellets, walnut shells, or similar materials are carried in suspension by the fluid into the cracks. These are called propping agents. When the pressure is released at the surface, the fracturing fluid returns to the well. The cracks partially close on the pellets, leaving channels for oil to flow around them to the well. Sometimes shortened to "Frac."

71. "Gas" or "Gases" - The vapor state of the hydrocarbons occurring in, or derived from, petroleum or natural gas.

72. "Gel" -A gelatinous substance formed by certain colloidal dispersions at rest. Gel Strength is a measure of the ability of a colloidal dispersion to form such a gel, and is based upon its resistance to shear. The gel strength of a drilling mud determines its ability to hold solids in suspension, and for this reason bentonite and other colloidal clays are added to drilling fluids. It is important that the gel formed by the mud, when drilling is not in progress, be thixotropic--that is, it should be readily converted to a fluid state by agitation and then gel again when at rest in order to prevent the cuttings from settling to the bottom of the hole.

R765-604-4. Conditions of the Scholarship.

4.1. Program Terms - The program scholarship may be used at any higher education institution in the state accredited by the Northwest Association of Schools and Colleges that offers baccalaureate programs. Depending on available funding, if used at an institution within the state system of higher education, the scholarship awards under this program are up to 75% of the actual tuition costs. If used at an institution not within the state system of higher education, the scholarship is up to 75% of the tuition costs at the institution, not to exceed 75% of the average tuition costs at the state system baccalaureate granting institutions. Each scholarship is valid for up to two years of full-time equivalent enrollment (60 semester credit hours) or until the requirements of a baccalaureate degree has been met, whichever is shorter. Tuition waivers, financial aid, or other scholarships will not affect the total award amount.

6.2. Tuition Documentation - The award recipient shall submit to SBR a copy of the tuition invoice or class schedule verifying the number of hours enrolled. SBR will calculate the amount of the award based on the published tuition costs at the enrolled institution(s) and the availability of program funding.

The institution shall pay over to the recipient any excess award funds not required for tuition payments. Award funds should be used for higher education expenses including tuition, fees, books, supplies and equipment required for courses of instruction.

R861-1A. Administrative Procedures.
R861-1A-2. Rulemaking Power Pursuant to Utah Code Ann. Section 59-1-210 and 63-46a-4.

A. Policy and Scope. In accordance with the responsibility placed upon it by law, the Commission shall enact appropriate rules. These rules shall prescribe practices and procedures for the Commission and other state and county officials and agencies over which the Commission has supervisory power and shall interpret laws the Commission is charged with administering when such interpretation is deemed necessary and in the public interest.

B. Preparation. In the preparation of rules the Commission may refer to appropriate materials and consult such parties as it deems advisable, whether or not such persons are employees of the Commission. Drafts of proposed rules may be submitted to the Office of the Attorney General for examination as to legality and form.

C. Notice and Hearing. The Commission may publish, by means of local communication, notice of its intent to exercise its rulemaking power in a particular area. Notice therein will be given of a scheduled hearing or hearings not sooner than 15 days after such notice, at which hearing or hearings any party who would be substantially affected by such exercise may present argument in support thereof or in objection thereto. Such notice and hearing or hearings will be instituted when the Commission deems them to be of substantial value and in the public interest or in accordance with Utah Code Ann. Section 63-46a-5. Such notice and hearing or hearings shall not be a prerequisite to the validity of any rule.

D. Adoption. Rules will be adopted by the Commission at formal meetings with a quorum present. Adopted rules will be written and entered into the official minutes of the Commission, which minutes are a public record available for examination by interested members of the public at the Commission offices. This proceeding and no other will be necessary for validity, unless otherwise required by the rulemaking procedures.

E. Effective Date. In accordance with Utah Code Ann. Section 63-46a-4.

F. Publication. Copies of adopted rules will be prepared and made available to interested parties requesting the same. Such rules may also be published periodically in booklets and bulletins. It shall be the policy of the Commission to provide for publication of all new rules at the time of each compilation of rules in the particular area. No rule, however, shall be deemed invalid by failure to prepare copies for distribution or to provide for publication in the manner herein described.

G. Petitions for Exercise of Rulemaking Power. The Commission may be petitioned to exercise its power to adopt a rule of general application. Such petition shall be submitted in writing by any party who would be substantially and directly affected by such rule. The Commission will have wide discretion in this area and will exercise this rulemaking power upon petition only when it deems that such exercise would be of substantial value to the citizens of Utah. If the Commission accepts such a petition, it may adopt such rule as it deems appropriate; however, the petitioning party may submit a proposed rule for the consideration of the Commission. If the Commission acts favorably upon such a petition, it will adopt and publish the rule in the manner hereinabove described, and in addition notify the petitioner of such adoption by mail at his last known address. If the Commission declines to act on such petition, it will so notify the petitioning party in the same manner.

H. Repeal and Amendment. The procedure above described for the enactment of rules shall also be followed for the amendment or repeal of existing rules.

R861-1A-9. Tax Commission as Board of Equalization Pursuant to Utah Code Ann. Sections 59-2-212, 59-2-1004, and 59-2-1006.

A. Equalization Responsibilities. The Commission will sit as the State Board of Equalization in discharge of the equalization responsibilities given it by law. The Commission may sit on its own initiative to correct the valuation of property that has been overassessed, underassessed, or nonassessed as described in Section 59-2-212, and as a board of appeal from the various county boards of equalization described in Section 59-2-1004.

B. Proceedings. In all cases, appeals to the Commission shall be scheduled for hearing pursuant to Commission rules.

C. Appeals from county boards of equalization.

1. A notice of appeal filed by the taxpayer with the auditor pursuant to Section 59-2-1006 shall be presumed to have been timely filed unless the county provides convincing evidence to the contrary. In the absence of evidence of the date of mailing of the county board of equalization decision by the county auditor to the taxpayer, it shall be presumed that the decision was mailed three days after the meeting of the county board of equalization at which the decision was made.

2. If the county has not formally adopted board of equalization rules and procedures under Section 59-2-1001 that have been approved by the Commission, the procedures contained in this rule must be followed.

3. An appeal from a decision of a county board must be presented upon the same issues as were submitted to the county board in the first instance. The Commission shall consider, but is not limited to, the facts and evidence submitted to the county board.

4. The county board of equalization or county hearing officer shall prepare minutes of hearings held before them on property tax appeals. The minutes shall constitute the record on appeal.

a) For appeals concerning property value, the record shall include:

(1) the name and address of the property owner;

(2) the identification number, location, and description of the property;

(3) the value placed on the property by the assessor;

(4) the basis stated in the taxpayer's appeal;

(5) facts and issues raised in the hearing before the county board that are not clearly evident from the assessor's records; and

(6) the decision of the county board of equalization and the reasons for the decision.

b) Exempt Property. With respect to a decision affecting the exempt status of a property, the county board of equalization

shall prepare its decision in writing, stating the reasons and statutory basis for the decision.

5. Appeals from dismissal by the county boards of equalization.

a) Decisions by the county board of equalization are final orders on the merits, and appeals to the Commission shall be on the merits except for the following:

(1) dismissal for lack of jurisdiction;

(2) dismissal for lack of timeliness;

(3) dismissal for lack of evidence to support a claim for relief.

b) On an appeal from a dismissal by a county board for the exceptions under C.5.a), the only matter that will be reviewed by the Commission is the dismissal itself, not the merits of the appeal.

c) An appeal may be dismissed for lack of jurisdiction when the claimant limits arguments to issues not under the jurisdiction of the county board of equalization.

6. An appeal filed with the Commission may be remanded to the county board of equalization for further proceedings if the Commission determines that:

a) dismissal under C.5.a)(1) or (3) was improper;

b) the taxpayer failed to exhaust all administrative remedies at the county level; or

c) in the interest of administrative efficiency, the matter can best be resolved by the county board.

7. An appeal filed with the Commission shall be remanded to the county board of equalization for further proceedings if the Commission determines that dismissal under C.5.a)(2) is improper under R884-24P-66.

8. To achieve standing with the county board of equalization and have a decision rendered on the merits of the case, the taxpayer shall provide the following minimum information to the county board of equalization:

a) the name and address of the property owner;

b) the identification number, location, and description of the property;

c) the value placed on the property by the assessor;

d) the taxpayer's estimate of the fair market value of the property; and

e) a signed statement providing evidence or documentation that supports the taxpayer's claim for relief.

9. If no signed statement is attached, the county will notify the taxpayer of the defect in the claim and permit at least ten calendar days to cure the defect before dismissing the matter for lack of sufficient evidence to support the claim for relief.

10. If the taxpayer appears before the county board of equalization and fails to produce the evidence or documentation under C.8.e), the county shall send the taxpayer a notice of intent to dismiss, and permit the taxpayer at least 20 calendar days to supply the evidence or documentation. If the taxpayer fails to provide the evidence or documentation within 20 days, the county board of equalization may dismiss the matter for lack of evidence to support a claim for relief.

11. If the minimum information required under C.8. is supplied and the taxpayer produces the evidence or documentation described in the taxpayer's signed statement under C.8.e), the county board of equalization shall render a decision on the merits of the case.

C. Enactment of Inconsistent Legislation. Any statute passed by the Utah Legislature inconsistent with these rules or any part thereof will effect a repeal of that part of these rules with which it is inconsistent, but of no other part.

The Commission shall immediately set the time and place of the hearing, which shall be held no later than June 30 of the tax year to which the corrective action order applies.

B. Hearings. Hearings on corrective action order appeals shall be conducted as formal hearings and shall be governed by the procedures contained in these rules. If the parties are able to stipulate to a modification of the corrective action order, and it is evident that there is a reasonable basis for modifying the corrective action order, an amended corrective action order may be executed by the Commission. One or more commissioners may preside at a hearing under this rule with the same force and effect as if a quorum of the Commission were present. However, a decision must be made and an order signed by a quorum of the Commission.

C. Decisions and Orders. The Commission shall render its decision and order no later than July 10 of the tax year to which the corrective action order applies. Upon reaching a decision, the Commission shall immediately notify the clerk of the county board of equalization and the county assessor of that decision.

A. Property Tax Orders. Property tax orders signed by the Commission will be mailed to the appropriately named parties in accordance with the Commission's rules of procedure. Property tax orders may also be made available to persons other than the named parties upon written request to the Commission. Nonparty requests will be subject to the following limitations.

1. If, upon consultation with the taxpayer, the Commission determines that a particular property tax order contains information which, if disclosed, would constitute a significant competitive disadvantage to the taxpayer, the Commission may either prohibit the disclosure of the order or require that applicable information be removed from the order prior to it being made publicly available.

2. The limitation in subsection 1. does not apply if the taxpayer affirmatively waives protection against disclosure of

the information.

B. Other Tax Orders. Written orders signed by the Commission relating to all tax appeals other than property tax matters will also be mailed to the appropriately named parties in accordance with the Commission rules of procedure. Copies of these orders or information about them will not be provided to any person other than the named parties except for the following circumstances:

1. if the Commission determines that the parties have affirmatively waived any claims to confidentiality; or

2. if the Commission determines that the orders may be effectively sanitized through the deletion of references to the parties, specific tax amounts, or any other information attributable to a return filed with the Commission.

C. Imposition and Waiver of Penalty and Interest.

1. All facts surrounding the imposition of penalty and interest charges as well as requests for waiver of penalty and interest charges are considered confidential and will not be disclosed to any persons other than the parties specifically involved. These facts include the names of the involved parties, the amount of penalty and interest, type of tax involved, amount of the tax owed, reasons for the imposition of the penalty and interest, and any other information relating to imposition of the penalty and interest, except as follows:

(a) if the Commission affirmatively determines that a finding of fraud is involved and seeks the imposition of the appropriate fraud penalties, the Commission may make all pertinent facts available to the public once legal action against the parties has been commenced; or

Examples of this restricted material include audit workpapers and notes, ad valorem appraisal worksheets, and notes taken during hearings and deliberations. (a) in the case of mailed or hand-delivered documents:

(i) the petition is received in the commission offices on or before the close of business of the last day of the 30-day period; or

(ii) the date of the postmark on the envelope or cover indicates that the request was mailed on or before the last day of the 30-day period; or

(b) in the case of electronically-filed documents, the petition is received no later than midnight of the last day of the 30-day period.

(3) A petition for redetermination of a claim for refund filed in accordance with Sections 59-10-532 or 59-10-533 is deemed to be timely if:

(a) in the case of mailed or hand-delivered documents:

(i) the petition is received in the commission offices on or before the close of business of the last day of the time frame provided by statute; or

(ii) the date of the postmark on the envelope or cover indicates that the request was mailed on or before the last day of the time frame provided by statute; or

(b) in the case of electronically-filed documents, the petition is received no later than midnight of the last day of the time frame provided by statute.

(4) Any party adversely affected by an order of the commission may seek judicial review within the time frame provided by statute. Copies of the appeal shall be served upon the commission and upon the Office of the Attorney General.

R861-1A-22. Petitions for Commencement of Adjudicative Proceedings Pursuant to Utah Code Ann. Sections 59-1-501, and 63G-4-201.

(1) Time for Petition. Unless otherwise provided by Utah

statute, petitions for adjudicative actions shall be filed within the time frames specified in R861-1A-20. If the last day of the 30-day period falls on a Saturday, Sunday, or legal holiday, the period shall run until the end of the next Tax Commission business day.

(2) Contents. A petition for adjudicative action need not be in any particular form, but shall be in writing and, in addition to the requirements of 63G-4-201, shall contain the following:

(a) name and street address and, if available, a fax number or e-mail address of petitioner or the petitioner's representative;

(b) a telephone number where the petitioning party or that party's representative can be reached during regular business hours;

(c) petitioner's tax identification, social security number or other relevant identification number, such as real property parcel number or vehicle identification number;

(d) particular tax or issue involved, period of alleged liability, amount of tax in dispute, and, in the case of a property tax issue, the lien date;

(e) if the petition results from a letter or notice, the petition will include the date of the letter or notice and the originating division or officer; and

(f) in the case of property tax cases, the assessed value sought.

(3) Effect of Nonconformance. The commission will not reject a petition because of nonconformance in form or content, but may require an amended or substitute petition meeting the requirements of this section when such defects are present. An amended or substitute petition must be filed within 15 days after notice of the defect from the commission.

R861-1A-23. Designation of Adjudicative Proceedings Pursuant to Utah Code Ann. Section 63G-4-202.

(1) All matters shall be designated as formal proceedings and set for a an initial hearing, a status conference, or a scheduling conference pursuant to R861-1A-26.

(2) A matter may be diverted to a mediation process pursuant to R861-1A-32 upon agreement of the parties and the presiding officer.

R861-1A-24. Formal Adjudicative Proceedings Pursuant to Utah Code Ann. Sections 59-1-502.5, 63G-4-206, and 63G-4-208.

(1) At a formal proceeding, an administrative law judge appointed by the commission or a commissioner may preside.

(a) Assignment of a presiding officer to a case will be made pursuant to agency procedures and not at the request of any party to the appeal.

(b) A party may request that one or more commissioners be present at any hearing. However, the decision of whether the request is granted rests with the commission.

(c) If more than one commissioner or administrative law judge is present at any hearing, the hearing will be conducted by the presiding officer assigned to the appeal, unless otherwise determined by the commission.

(2) A formal proceeding includes an initial hearing pursuant to Section 59-1-502.5, unless it is waived upon agreement of all parties, and a formal hearing on the record, if the initial hearing is waived or if a party appeals the initial hearing decision.

(a) Initial Hearing.

(i) An initial hearing pursuant to Section 59-1-502.5 shall be in the form of a conference.

(ii) In accordance with Section 59-1-502.5, the commission shall make no record of an initial hearing.

(iii) Any issue may be settled in the initial hearing, but any party has a right to a formal hearing on matters that remain in dispute after the initial hearing decision is issued.

(iv) Any party dissatisfied with the result of the initial hearing must file a timely request for a formal hearing before pursuing judicial review of unsettled matters.

(b) Formal Hearing.

(i) The commission shall make a record of all formal hearings, which may include a written record or an audio recording of the proceeding.

(ii) Evidence presented at the initial hearing will not be included in the record of the formal hearing, unless specifically requested by a party and admitted by the presiding officer.

R861-1A-26. Procedures for Formal Adjudicative Proceedings Pursuant to Utah Code Ann. Sections 59-1-501 and 63G-4-204 through 63G-4-209.

(1) A scheduling or status conference may be held.

(a) At the conference, the parties and the presiding officer may:

(i) establish deadlines and procedures for discovery;

(ii) discuss scheduling;

(iii) clarify other issues;

(iv) determine whether to refer the action to a mediation process; and

(v) determine whether the initial hearing will be waived.

(b) The scheduling or status conference may be converted to an initial hearing upon agreement of the parties.

(2) Notice of Hearing. At least ten days prior to a hearing date, the Commission shall notify the petitioning party or the petitioning party's representative by mail, e-mail, or facsimile of the date, time and place of any hearing or proceeding.

(3) Proceedings Conducted by Telephone. Any proceeding may be held with one or more of the parties on the telephone if the presiding officer determines that it will be more convenient or expeditious for one or more of the parties and does not unfairly prejudice the rights of any party. Each party to the proceeding is responsible for notifying the presiding officer of the telephone number where contact can be made for purposes of conducting the hearing.

(4) Representation.

(a) A party may pursue an appeal before the commission without assistance of legal counsel or other representation. However, a party may be represented by legal counsel or other representation at every stage of adjudication. Failure to obtain legal representation shall not be grounds for complaint at a later stage in the adjudicative proceeding or for relief on appeal from an order of the commission.

(i) For appeals concerning Utah corporate franchise and income taxes or Utah individual income taxes, legal counsel must file a power of attorney or the taxpayer must submit a signed petition for redetermination (Tax Commission form TC-738) on which the taxpayer has authorized legal counsel to represent him or her in the appeal. For all other appeals, legal counsel may, as an alternative, submit an entry of appearance.

(ii) Any representative other than legal counsel must submit a signed power of attorney authorizing the representative to act on the party's behalf and binding the party by the representative's action, unless the taxpayer submits a signed petition for redetermination (Tax Commission form TC-738) on which the taxpayer has authorized the representative to represent him or her in the appeal.

(iii) If a party is represented by legal counsel or other representation, all documents will be directed to the party's representative. Documents will be mailed to the representative's street or other address as shown in documents submitted by the representative. Documents may also be transmitted by facsimile number, e-mail address or other electronic means. A request by a party that documents be transmitted by e-mail shall constitute a waiver of confidentiality of any confidential information disclosed in that e-mail.

(b) Any division of the commission named as party to the proceeding may be represented by the Attorney General's Office

upon an attorney of that office submitting an entry of appearance.

(5) Subpoena Power.

(a) Issuance. Subpoenas may be issued to secure the attendance of witnesses or the production of evidence.

(i) If all parties are represented by counsel, an attorney admitted to practice law in Utah may issue and sign the subpoena.

(ii) In all other cases, the party requesting the subpoena must prepare it and submit it to the presiding officer for review and, if appropriate, signature. The presiding officer may inform a party of its rights under the Utah Rules of Civil Procedure.

(b) Service. Service of the subpoena shall be made by the party requesting it in a manner consistent with the Utah Rules of Civil Procedure.

(6) Motions.

(a) Consolidation. The presiding officer has discretion to consolidate cases when the same tax assessment, series of assessments, or issues are involved in each, or where the fact situations and the legal questions presented are virtually identical.

(b) Continuance. A continuance may be granted at the discretion of the presiding officer.

(i) In the absence of a scheduling order:

(A) Each party to an appeal may receive one continuance, upon request, prior to the initial hearing.

(B) If the initial hearing is waived or a formal hearing is timely requested after an initial hearing decision is issued, each party may receive one continuance, upon request, prior to the formal hearing.

(C) A request must be submitted no later than ten days prior to the proceeding for which the continuance is requested and may be denied if a party is prejudiced by the continuance.

(ii) If a scheduling order has been issued or the requesting party has already been granted a continuance, a continuance request must be submitted in writing to the presiding officer. The request must set forth specific reasons for the continuance. After reviewing the request with one or more commissioners, the presiding officer shall grant the request only if the presiding officer determines that adequate cause has been shown and that no other party or parties will be unduly prejudiced.

(c) Default. The presiding officer may enter an order of default against a party in accordance with Section 63G-4-209.

(i) The default order shall include a statement of the grounds for default and shall be delivered to all parties.

(ii) A defaulted party may seek to have the default set aside according to procedures set forth in the Utah Rules of Civil Procedure.

(d) Ruling on Motions. Motions may be made during the hearing or by written motion.

(i) Each motion shall include the grounds upon which it is based and the relief or order sought. Copies of written motions shall be served upon all other parties to the proceeding.

(ii) Upon the filing of any motion, the presiding officer may:

(A) grant or deny the motion; or

(B) set the matter for briefing, hearing, or further proceedings.

(iii) If a hearing on a motion is held that may dispose of all or a portion of the appeal or any claim or defense in the appeal, the commission shall make a record of the proceeding, which may include a written record or an audio recording of the proceeding.

(e) Requests to Withdraw Locally-Assessed Property Tax Appeals.

(i) A party who appeals a county board of equalization decision to the commission may unilaterally withdraw its appeal if:

(A) it submits a written request to withdraw the appeal 20 or more days prior to:

(I) the initial hearing; or

(II) the formal hearing, if the parties waived the initial hearing or participated in a mediation conference in lieu of the initial hearing; and

(B) no other party has filed a timely appeal of the county board of equalization decision.

(ii) A party who appeals an initial hearing decision issued by the commission may unilaterally withdraw its appeal if:

(A) it submits a written request to withdraw 20 or more days prior to the formal hearing, regardless of whether the party who appealed the initial hearing order is also the party who appealed the county board of equalization decision; and

(B) no other party has filed a timely appeal of the initial hearing decision.

R861-1A-27. Discovery Pursuant to Utah Code Ann. Section 63G-4-205.

(1) Discovery procedures in formal proceedings shall be established during the scheduling, and status conference in accordance with the Utah Rules of Civil Procedure and other applicable statutory authority.

(2) The party requesting information or documents may be required to pay in advance the costs of obtaining or reproducing such information or documents.

R861-1A-28. Evidence in Adjudicative Proceedings Pursuant to Utah Code Ann. Sections 59-1-210, 63G-4-206, 76-8-502, and 76-8-503.

(1) Except as otherwise stated in this rule, formal proceedings shall be conducted in accordance with the Utah Rules of Evidence, and the degree of proof in a hearing before the commission shall be the same as in a judicial proceeding in the state courts of Utah.

(2) Every party to an adjudicative proceeding has the right to introduce evidence. The evidence may be oral or written, real or demonstrative, direct or circumstantial.

(a) The presiding officer may admit any reliable evidence possessing probative value which would be accepted by a reasonably prudent person in the conduct of his affairs.

(b) The presiding officer may admit hearsay evidence. However, no decision of the commission will be based solely on hearsay evidence.

(c) If a party attempts to introduce evidence into a hearing, and that evidence is excluded, the party may proffer the excluded testimony or evidence to allow the reviewing judicial authority to pass on the correctness of the ruling of exclusion on appeal.

(3) At the discretion of the presiding officer or upon stipulation of the parties, the parties may be required to reduce their testimony to writing and to prefile the testimony.

(a) Prefiled testimony may be placed on the record without being read into the record if the opposing parties have had reasonable access to the testimony before it is presented. Except upon finding of good cause, reasonable access shall be not less than ten working days.

(b) Prefiled testimony shall have line numbers inserted at the left margin and shall be authenticated by affidavit of the witness.

(c) The presiding officer may require the witness to present a summary of the prefiled testimony. In that case, the witness shall reduce the summary to writing and either file it with the prefiled testimony or serve it on all parties within 10 days after filing the testimony.

(d) If an opposing party intends to cross-examine the witness on prefiled testimony or the summary of prefiled testimony, that party must file a notice of intent to cross-examine at least 10 days prior to the date of the hearing so that witness can be scheduled to appear or within a time frame

agreed upon by the parties.

(4) The presiding officer shall rule and sign orders on matters concerning the evidentiary and procedural conduct of the proceeding.

(5) Oral testimony at a formal hearing will be sworn. The oath will be administered by the presiding officer or a person designated by him. Anyone testifying falsely under oath may be subject to prosecution for perjury in accordance with the provisions of Sections 76-8-502 and 76-8-503.

(6) Any party appearing in an adjudicative proceeding may submit a memorandum of authorities. The presiding officer may request a memorandum from any party if deemed necessary for a full and informed consideration of the issues.

R861-1A-29. Decisions, Orders, and Reconsideration Pursuant to Utah Code Ann. Section 63G-4-302.

(1) Decisions and Orders.

(a) Initial hearing decisions, formal hearing decisions, and other dispositive orders.

(i) A quorum of the commission shall deliberate all hearing decisions and other orders that could dispose of all or a portion of an appeal or any claim or defense in the appeal.

(ii) A quorum of the commission shall sign all hearing decisions and other orders that dispose of all or a portion of an appeal or any claim or defense in the appeal.

(iii) An administrative law judge, if he or she was the presiding officer for an appeal, may elect not to sign the commission's hearing decisions and other orders that dispose of all or a portion of an appeal or any claim or defense in the appeal.

(iv) An initial hearing decision shall become final upon the expiration of 30 days after the date of its issuance, except in any case where a party has earlier requested a formal hearing in writing. The date a party requests a formal hearing is the earlier of the date the envelope containing the request is postmarked or the date the request is received at the Tax Commission.

(b) Orders that are not dispositive.

(i) A quorum of the commission is not required to participate in an order that does not dispose of a portion of an appeal or any claim or defense in the appeal.

(ii) The presiding officer is authorized to sign all orders that do not dispose of a portion of an appeal or any claim or defense in the appeal.

(iii) The commission may, at its option, sign any order that does not dispose of a portion of an appeal or any claim or defense in the appeal.

(2) Reconsideration. Within 20 days after the date that an order that is dispositive of a portion or all of an appeal or any claim or defense in the appeal is issued, any party may file a written request for reconsideration alleging mistake of law or fact, or discovery of new evidence.

(a) The commission shall respond to the petition within 20 days after the date that it was received in the appeals unit to notify the petitioner whether the reconsideration is granted or denied, or is under review.

(i) If no notice is issued within the 20-day period, the commission's lack of action on the request shall be deemed to be a denial and a final order.

(ii) For purposes of calculating the 30-day limitation period for pursuing judicial review, the date of the commission's order on the reconsideration or the order of denial is the date of the final agency action.

(b) If no petition for reconsideration is made, the 30-day limitation period for pursuing judicial review begins to run from the date of the final agency action.

R861-1A-30. Ex Parte Communications Pursuant to Utah Code Ann. Sections 63G-4-203 and 63G-4-206.

(1) No commissioner or administrative law judge shall make or knowingly cause to be made to any party to an appeal any communication relevant to the merits of a matter under appeal unless notice and an opportunity to be heard are afforded to all parties.

(2) No party shall make or knowingly cause to be made to any commissioner or administrative law judge an ex parte communication relevant to the merits of a matter under appeal for the purpose of influencing the outcome of the appeal. Discussion of procedural matters are not considered ex parte communication relevant to the merits of the appeal.

(3) A presiding officer may receive aid from staff assistants if:

(a) the assistants do not receive ex parte communications of a type that the presiding officer is prohibited from receiving, and,

(b) in an instance where assistants present information which augments the evidence in the record, all parties shall have reasonable notice and opportunity to respond to that information.

(4) Any commissioner or administrative law judge who receives an ex parte communication relevant to the merits of a matter under appeal shall place the communication into the case file and afford all parties an opportunity to comment on the information.

R861-1A-31. Declaratory Orders Pursuant to Utah Code Ann. Section 63G-4-503.

(1) A party has standing to bring a declaratory action if that party is directly and adversely affected or aggrieved by an agency action within the meaning of the relevant statute. A party with standing may petition for a declaratory order to challenge:

(a) the commission's interpretation of statutory language as stated in an administrative rule; or

(b) the commission's grant of authority under a statute.

(2) The commission shall not accept a petition for declaratory order on matters pending before the commission in an audit assessment, refund request, collections action or other agency action, or on matters pending before the court on judicial review of a commission decision.

(3) The commission may refuse to render a declaratory order if the order will not completely resolve the controversy giving rise to the proceeding or if the petitioner has other remedies through the administrative appeals processes. The commission's decision to accept or reject a petition for declaratory order rests in part on the petitioner's standing to raise the issue and on a determination that the petitioner has not already incurred tax liability under the statutes or rules challenged.

(4) A declaratory order that invalidates all or part of an administrative rule shall trigger the rulemaking process to amend the rule.

R861-1A-32. Mediation Process Pursuant to Utah Code Section 63G-4-102.

(1) Except as otherwise precluded by law, a resolution to any matter of dispute may be pursued through mediation.

(a) The parties may agree to pursue mediation any time before the formal hearing on the record.

(b) The choice of mediator and the apportionment of costs shall be determined by agreement of the parties.

(2) If mediation produces a settlement agreement, the agreement shall be submitted to the presiding officer pursuant to R861-1A-33.

(a) The settlement agreement shall be prepared by the parties or by the mediator, and promptly filed with the presiding officer.

(b) The settlement agreement shall be adopted by the commission if it is not contrary to law.

(c) If the mediation does not resolve all of the issues, the parties shall prepare a stipulation that identifies the issues resolved and the issues that remain in dispute.

(d) If any issues remain unresolved, the appeal will be scheduled for a formal hearing pursuant to R861-1A-23.

R861-1A-33. Settlement Agreements Pursuant to Utah Code Sections 59-1-210 and 59-1- 502.5.

A. "Settlement agreement" means a stipulation, consent decree, settlement agreement or any other legally binding document or representation that resolves a dispute or issue between the parties.

B. Procedure:

1. Parties with an interest in a matter pending before a division of the Tax Commission may submit a settlement agreement for review and approval, whether or not a petition for hearing has been filed.

2. Parties to an appeal pending before the commission may submit a settlement agreement to the presiding officer for review and approval.

3. Each settlement agreement shall be in writing and executed by each party or each party's legal representative, if any, and shall contain:

a) the nature of the claim being settled and any claims remaining in dispute;

b) a proposed order for commission approval; and

c) a statement that each party has been notified of, and allowed to participate in settlement negotiations.

4. A settlement agreement terminates the administrative action on the issues settled before all administrative remedies are exhausted, and, therefore, precludes judicial review of the issues. Each settlement agreement shall contain a statement that the agreement is binding and constitutes full resolution of all issues agreed upon in the settlement agreement.

5. The signed agreement shall stay further proceedings on the issues agreed upon in the settlement until the agreement is accepted or rejected by the commission or the commission's designee.

a) If approved, the settlement agreement shall take effect by its own terms.

b) If rejected, action on the claim shall proceed as if no settlement agreement had been reached. Offers made during the negotiation process will not be used as an admission against that party in further adjudicative proceedings.

R861-1A-34. Private Letter Rulings Pursuant to Utah Code Ann. Section 59-1-210.

A. Private letter rulings are written, informational statements of the commission's interpretation of statutes or administrative rules, or informational statements concerning the application of statutes and rules to specific facts and circumstances.

1. Private letter rulings address questions that have not otherwise been addressed in statutes, rules, or decisions issued by the commission.

2. The commission shall not knowingly issue a private letter ruling on a matter pending before the commission in an audit assessment, refund request, or other agency action, or regarding matters that are pending before the court on judicial review of a commission decision. Any private letter ruling inadvertently issued on a matter pending agency or judicial action shall be set aside until the conclusion of that action.

3. Requests for private letter rulings must be addressed to the commission in writing. If the requesting party is dissatisfied with the ruling, that party may resubmit the request along with new facts or information for commission review.

B. The weight afforded a private letter ruling in a subsequent audit or administrative appeal depends upon the degree to which the underlying facts addressed in the ruling were adequate to allow thorough consideration of the issues and interests involved.

C. A private letter ruling is not a final agency action. Petitioner must use the designated appeal process to address judiciable controversies arising from the issuance of a private letter ruling.

1. If the private letter ruling leads to a denial of a claim, an audit assessment, or some other agency action at a divisional level, the taxpayer must use the appeals procedures to challenge that action within 30 days of the final division decision.

2. If the only matter at issue in the private letter ruling is a challenge to the commission's interpretation of statutory language or a challenge to the commission's authority under a statute, the matter may come before the commission as a petition for declaratory order submitted within 30 days of the date of the ruling challenged.

R861-1A-35. Manner of Retaining Records Pursuant to Utah Code Ann. Sections 59-1-210, 59-5-104, 59-5-204, 59-6-104, 59-7-506, 59-8-105, 59-8a-105, 59-10-501, 59-12-111, 59-13-211, 59-13-312, 59-13-403, 59-14-303, and 59-15-105.

A. Definitions.

1. "Database Management System" means a software system that controls, relates, retrieves, and provides accessibility to data stored in a database.

2. "Electronic data interchange" or "EDI technology" means the computer-to-computer exchange of business transactions in a standardized, structured electronic format.

3. "Hard copy" means any documents, records, reports, or other data printed on paper.

4. "Machine-sensible record" means a collection of related information in an electronic format. Machine-sensible records do not include hard-copy records that are created or recorded on paper or stored in or by an imaging system such as microfilm, microfiche, or storage-only imaging systems.

5. "Storage-only imaging system" means a system of computer hardware and software that provides for the storage, retention, and retrieval of documents originally created on paper. It does not include any system, or part of a system, that manipulates or processes any information or data contained on the document in any manner other than to reproduce the document in hard copy or as an optical image.

6. "Taxpayer" means the person required, under Title 59 or other statutes administered by the Tax Commission, to collect, remit, or pay the tax or fee to the Tax Commission.

B. If a taxpayer retains records in both machine-sensible and hard-copy formats, the taxpayer shall make the records available to the commission in machine-sensible format upon request by the commission.

C. Nothing in this rule shall be construed to prohibit a taxpayer from demonstrating tax compliance with traditional hard-copy documents or reproductions thereof, in whole or in part, whether or not the taxpayer also has retained or has the capability to retain records on electronic or other storage media in accordance with this rule. However, this does not relieve the taxpayer of the obligation to comply with B.

D. Recordkeeping requirements for machine-sensible records.

1. Machine-sensible records used to establish tax compliance shall contain sufficient transaction-level detail information so that the details underlying the machine-sensible records can be identified and made available to the commission upon request. A taxpayer has discretion to discard duplicated records and redundant information provided its responsibilities under this rule are met.

2. At the time of an examination, the retained records must be capable of being retrieved and converted to a standard record format.

3. Taxpayers are not required to construct machine-

sensible records other than those created in the ordinary course of business. A taxpayer who does not create the electronic equivalent of a traditional paper document in the ordinary course of business is not required to construct such a record for tax purposes.

4. Electronic Data Interchange Requirements.

a) Where a taxpayer uses electronic data interchange processes and technology, the level of record detail, in combination with other records related to the transactions, must be equivalent to that contained in an acceptable paper record.

b) For example, the retained records should contain such information as vendor name, invoice date, product description, quantity purchased, price, amount of tax, indication of tax status, and shipping detail. Codes may be used to identify some or all of the data elements, provided that the taxpayer provides a method that allows the commission to interpret the coded information.

c) The taxpayer may capture the information necessary to satisfy D.4.b) at any level within the accounting system and need not retain the original EDI transaction records provided the audit trail, authenticity, and integrity of the retained records can be established. For example, a taxpayer using electronic data interchange technology receives electronic invoices from its suppliers. The taxpayer decides to retain the invoice data from completed and verified EDI transactions in its accounts payable system rather than to retain the EDI transactions themselves. Since neither the EDI transaction nor the accounts payable system captures information from the invoice pertaining to product description and vendor name, i.e., they contain only codes for that information, the taxpayer also retains other records, such as its vendor master file and product code description lists and makes them available to the commission. In this example, the taxpayer need not retain its EDI transaction for tax purposes.

5. Electronic data processing systems requirements.

a) The requirements for an electronic data processing accounting system should be similar to that of a manual accounting system, in that an adequately designed accounting system should incorporate methods and records that will satisfy the requirements of this rule.

6. Business process information.

a) Upon the request of the commission, the taxpayer shall provide a description of the business process that created the retained records. The description shall include the relationship between the records and the tax documents prepared by the taxpayer, and the measures employed to ensure the integrity of the records.

b) The taxpayer shall be capable of demonstrating:

(1) the functions being performed as they relate to the flow of data through the system;

(2) the internal controls used to ensure accurate and reliable processing; and

(3) the internal controls used to prevent unauthorized addition, alteration, or deletion of retained records.

c) The following specific documentation is required for machine-sensible records retained pursuant to this rule:

(1) record formats or layouts;

(2) field definitions, including the meaning of all codes used to represent information;

(3) file descriptions, e.g., data set name; and

(4) detailed charts of accounts and account descriptions.

E. Records maintenance requirements.

1. The commission recommends but does not require that taxpayers refer to the National Archives and Record Administration's (NARA) standards for guidance on the maintenance and storage of electronic records, such as labeling of records, the location and security of the storage environment, the creation of back-up copies, and the use of periodic testing to confirm the continued integrity of the records. The NARA standards may be found at 36 C.F.R., Section 1234,(1995).

2. The taxpayer's computer hardware or software shall accommodate the extraction and conversion of retained machine-sensible records.

F. Access to machine-sensible records.

1. The manner in which the commission is provided access to machine-sensible records as required in B. may be satisfied through a variety of means that shall take into account a taxpayer's facts and circumstances through consultation with the taxpayer.

2. Access will be provided in one or more of the following manners:

a) The taxpayer may arrange to provide the commission with the hardware, software, and personnel resources necessary to access the machine-sensible records.

b) The taxpayer may arrange for a third party to provide the hardware, software, and personnel resources necessary to access the machine-sensible records.

c) The taxpayer may convert the machine-sensible records to a standard record format specified by the commission, including copies of files, on a magnetic medium that is agreed to by the commission.

d) The taxpayer and the commission may agree on other means of providing access to the machine-sensible records.

G. Taxpayer responsibility and discretionary authority.

1. In conjunction with meeting the requirements of D., a taxpayer may create files solely for the use of the commission. For example, if a data base management system is used, it is consistent with this rule for the taxpayer to create and retain a file that contains the transaction-level detail from the data base management system and meets the requirements of D. The taxpayer should document the process that created the separate file to show the relationship between that file and the original records.

2. A taxpayer may contract with a third party to provide custodial or management services of the records. The contract shall not relieve the taxpayer of its responsibilities under this rule.

H. Alternative storage media.

1. For purposes of storage and retention, taxpayers may convert hard-copy documents received or produced in the normal course of business and required to be retained under this rule to microfilm, microfiche or other storage-only imaging systems and may discard the original hard-copy documents, provided the conditions of this section are met. Documents that may be stored on these media include general books of account, journals, voucher registers, general and subsidiary ledgers, and supporting records of details, such as sales invoices, purchase invoices, exemption certificates, and credit memoranda.

2. Microfilm, microfiche and other storage-only imaging systems shall meet the following requirements:

a) Documentation establishing the procedures for converting the hard-copy documents to microfilm, microfiche, or other storage-only imaging system must be maintained and made available on request. This documentation shall, at a minimum, contain a sufficient description to allow an original document to be followed through the conversion system as well as internal procedures established for inspection and quality assurance.

b) Procedures must be established for the effective identification, processing, storage, and preservation of the stored documents and for making them available for the period they are required to be retained.

c) Upon request by the commission, a taxpayer must provide facilities and equipment for reading, locating, and reproducing any documents maintained on microfilm, microfiche, or other storage-only imaging system.

d) When displayed on equipment or reproduced on paper, the documents must exhibit a high degree of legibility and

readability. For this purpose, legibility is defined as the quality of a letter or numeral that enables the observer to identify it positively and quickly to the exclusion of all other letters or numerals. Readability is defined as the quality of a group of letters or numerals being recognizable as words or complete numbers.

e) All data stored on microfilm, microfiche, or other storage-only imaging systems must be maintained and arranged in a manner that permits the location of any particular record.

f) There is no substantial evidence that the microfilm, microfiche or other storage-only imaging system lacks authenticity or integrity.

I. Effect on hard-copy recordkeeping requirements.

1. Except as otherwise provided in this section, the provisions of this rule do not relieve taxpayers of the responsibility to retain hard-copy records that are created or received in the ordinary course of business as required by existing law and regulations. Hard-copy records may be retained on a recordkeeping medium as provided in H.

2. Hard-copy records not produced or received in the ordinary course of transacting business, e.g., when the taxpayer uses electronic data interchange technology, need not be created.

3. Hard-copy records generated at the time of a transaction using a credit or debit card must be retained unless all the details necessary to determine correct tax liability relating to the transaction are subsequently received and retained by the taxpayer in accordance with this rule. These details include those listed in D.4.a) and D.4.b).

4. Computer printouts that are created for validation, control, or other temporary purposes need not be retained.

5. Nothing in this section shall prevent the commission from requesting hard-copy printouts in lieu of retained machine-sensible records at the time of examination.

(2) For purposes of Section 59-1-404, "assessed value of the property" includes any value proposed for a property.

(3) For purposes of Subsection 59-1-404(2), "disclosure" does not include the issuance by the commission of a decision, order, or private letter ruling containing commercial information to a:

(a) named party of a decision or order;

(b) party requesting a private letter ruling; or

(c) designated representative of a party described in (3)(a) or (3)(b).

(4) For purposes of Subsection 59-1-404(6), "published decision" does not include the issuance by the commission of a decision, order, or private letter ruling containing commercial information to a:

(a) named party of a decision or order;

(b) party requesting a private letter ruling; or

(c) designated representative of a party described in (4)(a) or (4)(b).

(5) Information that may be disclosed under Section 59-1-404(3) includes:

(a) the following information related to the property's tax exempt status:

(i) information provided on the application for property tax exempt status;

(ii) information used in the determination of whether a property tax exemption should be granted or revoked; and

(iii) any other information related to a property's property tax exemption;

(b) the following information related to penalty or interest relating to property taxes that the commission or county legislative body determines should be abated:

(i) the amount of penalty or interest that is abated;

(i) the amount of taxes refunded or deducted as an erroneous or illegal assessment under Section 59-2-1321;

(6)(a) Except as provided in (6)(b), commercial information disclosed during an action or proceeding may not be disclosed outside the action or proceeding by any person conducting or participating in the action or proceeding.

(b) Notwithstanding (6)(a), commercial information contained in a decision issued by the commission may be disclosed outside the action or proceeding if all of the parties named in the decision agree in writing to the disclosure.

(7) The commission may disclose commercial information in a published decision as follows.

(a) If the property taxpayer that provided the commercial information does not respond in writing to the commission within 30 days of the decision's issuance, requesting that the commercial information not be published and identifying the specific commercial information the taxpayer wants protected, the commission may publish the entire decision.

(b) If the property taxpayer that provided the commercial information indicates to the commission in writing the specific commercial information that the taxpayer wants protected, the commission may publish a version of the decision that contains commercial information not identified by the taxpayer under (7)(a).

(8) The commission may share commercial information gathered from returns and other written statements with the federal government, any other state, any of the political subdivisions of another state, or any political subdivision of this

state, if these political subdivisions, or the federal government grant substantially similar privileges to this state.

R861-1A-38. Class Actions Pursuant to Utah Code Ann. Section 59-1-304.

A. Unless the limitations of Section 59-1-304(2) apply, the commission may expedite the exhaustion of administrative remedies required by individuals desiring to be included as a member of the class.

B. In expediting exhaustion of administrative remedies, the commission may take any of the following actions:

1. publish sample claim forms that provide the information necessary to process a claim in a form that will reduce the burden on members of the putative class and expedite processing by the commission;

2. provide for waiver of initial hearings where requested by any party;

3. provide for expedited rulings on motions for summary judgment where the facts are not contested and the legal issues have been previously determined by the commission in ruling on the case brought by class representatives. The parties may waive oral hearing and have final orders issued based upon information submitted in the claims and division responses;

4. consolidate the cases for hearing at the commission, where a group of claims presents identical legal issues and it is agreed by the parties that the resolution of the legal issues would be dispositive of the claims;

5. designate a claim as a test or sample claim with any rulings on that test or sample claim to be applicable to all other similar claims, upon agreement of the claiming parties; or

6. any other action not listed in this rule if that action is not contrary to procedures required by statute.

R861-1A-39. Penalty for Failure to File a Return Pursuant to Utah Code Ann. Sections 10-1-405, 59-1-401, 59-12-118, and 69-2-5.

(1)(a) Subject to Subsection (1)(b), "failure to file a tax return," for purposes of the penalty for failure to file a tax return under Subsection 59-1-401(1) includes a tax return that does not contain information necessary for the commission to make a correct distribution of tax revenues to counties, cities, and towns.

(b) Subsection (1)(a) applies to a tax return filed under:

(i) Chapter 12, Sales and Use Tax Act;

(ii) Title 10, Chapter 1, Part 4, Municipal Telecommunications License Tax Act; or

(iii) Title 69, Chapter 2, Emergency Telephone Service Law.

(2)(a) "Unpaid tax," for purposes of the penalty for failure to file a tax return under Subsection 59-1-401(1) includes tax remitted to the commission under Subsection (2)(b) that is:

(i) not accompanied by a tax return; or

(ii) accompanied by a tax return that is subject to the penalty for failure to file a tax return.

(b) Subsection (2)(a) applies to a tax remitted under:

(i) Chapter 12, Sales and Use Tax Act;

(ii) Title 10, Chapter 1, Part 4, Municipal Telecommunications License Tax Act; or

(iii) Title 69, Chapter 2, Emergency Telephone Service Law.

R861-1A-40. Waiver of Requirement to Post Security Prior to Judicial Review Pursuant to Utah Code Ann. Section 59-1-611.

(1) "Post security" is as defined in Section 59-1-611.

(2)(a) A taxpayer that seeks judicial review of a final commission determination of a deficiency may apply for a waiver of the requirement to post security with the commission by:

(i) submitting a letter requesting the waiver;

(ii) providing financial information requested by the commission; and

(iii) providing a copy of the financial information to the attorney general that is representing the commission in the judicial review.

(b) The financial information described in Subsection (2)(a) shall be signed by the taxpayer under penalties of perjury.

(3) Upon review of the financial information described in Subsection (2), the commission shall:

(a) determine whether the taxpayer qualifies for a waiver of the requirement to post security with the commission; or

(b) if unable to make the determination under Subsection (3)(a) from the financial information, request additional information from the taxpayer as necessary to make that determination.

R861-1A-42. Waiver of Penalty and Interest for Reasonable Cause Pursuant to Utah Code Ann. Section 59-1-401.

(1) Procedure.

(a) A taxpayer may request a waiver of penalties or interest for reasonable cause under Section 59-1-401 if the following conditions are met:

(i) the taxpayer provides a signed statement, with appropriate supporting documentation, requesting a waiver;

(ii) the total tax owed for the period has been paid;

(iii) the tax liability is based on a return the taxpayer filed with the commission, and not on an estimate provided by the taxpayer or the commission;

(iv) the taxpayer has not previously received a waiver review for the same period; and

(v) the taxpayer demonstrates that there is reasonable cause for waiver of the penalty or interest.

(b) Upon receipt of a waiver request, the commission shall:

(i) review the request;

(ii) notify the taxpayer if additional documentation is needed to consider the waiver request; and

(iii) review the account history for prior waiver requests, taxpayer deficiencies, and historical support for the reason given.

(c) Each request for waiver is judged on its individual merits.

(d) If the request for waiver of penalty or interest is denied, the taxpayer has a right to appeal. Procedures for filing appeals are found in Title 63, Chapter 46b, Administrative Procedures Act, and commission rules.

(2) Reasonable Cause for Waiver of Interest. Grounds for waiving interest are more stringent than for penalty. To be granted a waiver of interest, the taxpayer must prove that the commission gave the taxpayer erroneous information or took inappropriate action that contributed to the error.

(3) Reasonable Cause for Waiver of Penalty. The following clearly documented circumstances may constitute reasonable cause for a waiver of penalty:

(a) Timely Mailing:

(i) The taxpayer mailed the return with payment to the commission by the due date and it was not timely delivered by the post office through no fault of the taxpayer. (ii) In cases where the taxpayer cannot document a post office error, the penalties may be waived if the taxpayer:

(A) has an excellent history of compliance;

(B) proves that sufficient funds were in the bank as of the date of payment, and the check was written in numerical order; and

(C) presents documentation showing that the return or payment was mailed timely.

(b) Wrong Filing Place: The return or payment was filed on time, but was delivered to the wrong office or agency.

(c) Death or Serious Illness:

(i) The death or serious illness of a taxpayer or a member of the taxpayer's immediate family caused the delay.

(ii) With respect to a business, trust or estate, the death or illness must have been of the individual, or the immediate family of the individual, who had sole authority to file the return.

(iii) The death or illness must have occurred on or immediately prior to the due date of the return.

(d) Unavoidable Absence: The person having sole responsibility to file the return was absent from the state due to circumstances beyond his or her control.

(e) Disaster Relief:

(i) A delay in reporting, filing, or paying was due either to a federal or state declared disaster or to a natural disaster, such as fire or accident, that results in the destruction of records or disruption of business.

(ii) If delinquency or delay is due to a federally declared disaster, federal relief guidelines shall be followed.

(iii) In the absence of federal guidelines, and for other listed disasters, the taxpayer must demonstrate the matter was corrected within a reasonable time, given the circumstances.

(f) Reliance on Erroneous Tax Commission Information:

(i) Underpayments and late filings or payments were attributable to incorrect advice obtained from the commission, unless the taxpayer gave the commission inaccurate or insufficient information.

(ii) Proof of erroneous information may be based on written communication provided by the commission or, if the taxpayer clearly documents, verbal communication. Clear documentation of verbal communication should include the dates, times, and names of commission employees who provided the erroneous information.

(iii) A failure to comply will also be excused if it is demonstrated that the taxpayer requested the necessary tax forms and instructions timely, and the commission failed to timely provide the forms and instructions requested.

(g) Tax Commission Office Visit: The taxpayer proves that before expiration of the time for filing the return or making the payment, the taxpayer visited a commission office for information or help in preparing the return and a commission employee was not available for consultation.

(h) Unobtainable Records: For reasons beyond the taxpayer's control, the taxpayer was unable to obtain records to determine the amount of tax due.

(i) Reliance on Competent Tax Advisor:

(i) The taxpayer fails to file a return after furnishing all necessary and relevant information to a competent tax advisor, who incorrectly advised the taxpayer that a return was not required.

(ii) The taxpayer is required, and has an obligation, to file the return. Reliance on a tax advisor to prepare a return does not automatically constitute reasonable cause for failure to file or pay. The taxpayer must demonstrate that ordinary business care, prudence, and diligence were exercised in determining whether to seek further advice.

(j) First Time Filer:

(i) It is the first return required to be filed and the taxes were filed and paid within a reasonable time after the due date.

(ii) The commission may also consider waiving penalties on the first return after a filing period change if the return is filed and tax is paid within a reasonable time after the due date.

(k) Bank Error:

(i) The taxpayer's bank has made an error in returning a check, making a deposit or transferring money.

(ii) A letter from the bank verifying its error is required.

(l) Compliance History:

(i) The commission will consider the taxpayer's recent history for payment, filing, and delinquencies in determining whether a penalty may be waived.

(ii) The commission will also consider whether other tax returns or reports are overdue at the time the waiver is requested.

(m) Employee Embezzlement: The taxpayer shows that failure to pay was due to employee embezzlement of the tax funds and the taxpayer was unable to obtain replacement funds from any other source.

(n) Recent Tax Law Change: The taxpayer's failure to file and pay was due to a recent change in tax law that the taxpayer could not reasonably be expected to be aware of.

(4) Other Considerations for Determining Reasonable Cause.

(a) The commission allows for equitable considerations in determining whether reasonable cause exists to waive a penalty. Equitable considerations include:

(i) whether the commission had to take legal means to collect the taxes;

(ii) if the error is caught and corrected by the taxpayer;

(iii) the length of time between the event cited and the filing date;

(iv) typographical or other written errors; and

(v) other factors the commission deems appropriate.

(b) Other clearly supported extraordinary and unanticipated reasons for late filing or payment, which demonstrate reasonable cause and the inability to comply, may justify a waiver of the penalty.

(c) In most cases, ignorance of the law, carelessness, or forgetfulness does not constitute reasonable cause for waiver. Nonetheless, other supporting circumstances may indicate that reasonable cause for waiver exists.

(d) Intentional disregard, evasion, or fraud does not constitute reasonable cause for waiver under any circumstance.

R861-1A-43. Electronic Meetings Pursuant to Utah Code Ann. Section 52-4-207.

The commission may convene an electronic meeting if all of the following conditions are met:

(1) the purpose of the meeting is to discuss a commission administrative rule;

(2) two commissioners are present at a single anchor location; and

(3) the number of separate connections for commissioners who are not present at the anchor location is no more than two.

R861-1A-44. Definition of Delivery Service Pursuant to Utah Code Ann. Section 59-1-1404.

For purposes of determining the date on which a document has been mailed under Section 59-1-1404, "delivery service" means the following delivery services the Internal Revenue Service has determined to be a designated delivery service under Section 7502, Internal Revenue Code:

R865. Tax Commission, Auditing.
R865-12L. Local Sales and Use Tax.
R865-12L-1. Local Sales and Use Tax Rules Pursuant to Utah Code Ann. Section 59-12-205.

A. All rules made pursuant to Title 59, Chapter 12, Part 1, state sales and use taxes, shall apply to the local sales and use tax.

R865-12L-3. Tax Collection Schedule Pursuant to Utah Code Ann. Section 59-12-204.

A. A vendor responsible for collecting local sales or use tax in addition to the state tax may use a schedule furnished by the Tax Commission to determine the amount of tax to be collected.

B. For amounts not shown on the schedule, tax may be computed to the nearest cent.

C. The bracket schedule is designed to under collect the tax on some sales within a given bracket and over collect the tax on other sales, in order that the vendor can be reimbursed for the approximate amount of tax that is required to be remitted to the Tax Commission.

R865-12L-4. Filing of Returns Pursuant to Utah Code Ann. Section 59-12-204.

A. Every person responsible for the collection of local sales and use tax is required to make a combined state and local sales and use tax return to the Tax Commission.

B. All provisions pertaining to filing returns for state sales and use tax also apply to filing returns for local sales and use tax.

R865-12L-5. Place of Sale Pursuant to Utah Code Ann. Section 59-12-207.

(1) All retail sales shall be deemed to occur at the place of business of the retailer.

(2) It is immaterial that delivery of the tangible personal property is made in a county or municipality other than that in which the retailer's place of business is located. There is no exemption from local sales or use tax on the basis of residence of or use by the purchaser in a county other than that in which the sale is made.

R865-12L-6. Place of Transaction Pursuant to Utah Code Ann. Section 59-12-207.

Taxpayers having one or more places of business in Utah shall report all purchases subject to use tax, as defined in rule R865-19S-1, according to the location of the place of business at which the tangible personal property is initially delivered.

R865-12L-11. Isolated or Occasional Sale of a Vehicle Pursuant to Utah Code Ann. Section 59-12-204.

A. The sale of any vehicle subject to the registration laws of this state by anyone other than a licensed dealer shall be subject to the local sales or use tax if the purchaser's address is within any county or municipality which has in effect a local sales and use tax law. The purchaser shall be liable for payment of state and local taxes at the time of registration of the vehicle.

B. The foregoing provision in no way applies to sales of vehicles made by licensed dealers in Utah. All sales of vehicles made by dealers shall be subject to the same laws as sales by any other retailers.

R865-12L-14. Local Sales and Use Tax Distributions and Redistributions Pursuant to Utah Code Ann. Sections 59-12-210 and 59-12-210.1.

(1) For purposes of making a redistribution of sales and use tax revenues under Section 59-12-210.1:

(a) "de minimis" means less than $1,000; and

(b) "extraordinary circumstances" means the following circumstances that the commission becomes aware of:

(i) an error in the commission's tax systems or procedures that increases or decreases the overall distribution of sales and use tax revenues to a county, city, or town by $10,000 or more; or

(ii) an error in the calculation, collection, or reporting of a locally imposed sales and use tax by a significant segment of an industry if the error increases or decreases the overall distribution of sales and use tax revenues to a county, city, or town by $10,000 or more.

(2) The commission shall, on a monthly basis, furnish each county, city, and town with the listings of local sales and use taxes remitted for transactions located within the county, city, or town.

(a) After receiving each listing, the county, city, or town shall advise the commission within 90 days:

(i) if the listing is incorrect; and

(ii) make corrections regarding firms omitted from the list or firms listed but not doing business in their taxing jurisdiction.

(b) The commission shall make subsequent distributions based on the notification the commission receives from a county, city, or town under Subsection (2)(a).

(3) If a redistribution is required by Section 59-12-210.1, the commission shall provide the notice of redistribution described in Subsection 59-12-210.1(2) to each original and secondary recipient political subdivision that is impacted by the redistribution in an amount that exceeds the de minimis amount.

R865-12L-16. Notification to Tax Commission Upon Change in the Election to Collect County or Municipality Imposed Transient Room Taxes Pursuant to Utah Code Ann. Sections 59-12-301 and 59-12-355.

A. If a county or municipality that has imposed a transient room tax elects to change the responsibility for collecting the transient room tax from the local government entity to the Tax Commission, or from the Tax Commission to the local government entity, the change in the collection shall take place:

1. on the first day of a calendar quarter; and

2. after a 90-day period beginning on the date the Tax Commission receives notice from the local government entity.

B. Notices required under A. should be directed to the Revenue and Distribution Director, Administration Division, Utah State Tax Commission, 210 North 1950 West, Salt Lake City, Utah 84134.

R865-12L-17. Procedures for Administration of the Tourism, Recreation, Cultural, and Convention Facilities Tax Pursuant to Utah Code Ann. Sections 59-12-602 and 59-12-603.

(1) Definitions

(a) "Primary business" means the source of more than 50 percent of the revenues of the retail establishment. In the case of a retail establishment with more than two lines of business, primary business means the line of business which generates the highest revenues when compared with the other lines of business.

(b) "Retail establishment" means a single outlet, whether or not at a fixed location, operated by a seller. Retail establishment includes the preparation facilities of caterers, outlets that deliver the alcoholic beverages, food and food ingredients, and prepared food that they prepare, and other similar sellers. A single seller engaged in multiple lines of business at one location may be deemed to be operating multiple retail establishments if the lines of business are not commonly regarded as a single retail establishment or if there are other factors indicating that the lines of business should be treated separately. The operation of concession stands by stadium owners, performers, promoters, or others with a financial interest in ticket sales or admission charges to any

event shall be considered a separate line of business constituting a retail establishment.

(c) "Theater" means an indoor or outdoor location for the presentation of movies, plays, or musicals.

(2) If an establishment that is a restaurant under Section 59-12-602 sells prepackaged foods as incidental items with the sale of alcoholic beverages, food and food ingredients, or prepared foods, a tax imposed under Section 59-12-603(1)(b) applies to the prepackaged food as well.

(3) For purposes of collecting the tax imposed on the sale of alcoholic beverages, food and food ingredients, and prepared foods and beverages, the tax will attach in the county in which the food or beverage is served.

(4) A seller that sells foods or beverages prepared for immediate consumption and is uncertain whether it is a restaurant shall make application, in letter form, for exemption with the Tax Commission indicating the circumstances that may qualify it for an exemption. A single application may be filed by a seller for multiple retail establishments if the operations of all of the retail establishments are similar.

R865-12L-18. Participation of Counties, Cities, and Towns in Determination, Administration, Operation, and Enforcement of Local Option Sales and Use Tax Pursuant to Utah Code Ann. Sections 59-1-403, 59-12-202, 59-12-204, and 59-12-205.

A. The Tax Commission has exclusive authority, subject to the provisions of B. to determine taxpayer liability for the local option sales and use tax, and to administer, operate, and enforce the provisions of Title 59, Chapter 12, Utah Code Ann., including the provisions of Section 59-12-201, et seq. The Tax Commission shall:

1. ascertain, assess, and collect any sales and use tax imposed pursuant to Title 59, Chapter 12;

2. determine taxpayer liability for the sales and use tax;

3. represent the counties', cities', and towns' interests in all administrative proceedings commenced pursuant to Title 63, Chapter 46b, or otherwise, involving the state or local option sales and use tax;

4. adjudicate all administrative proceedings commenced pursuant to Title 63, Chapter 46b, or otherwise, involving the state or local option sales and use tax.

B. Counties, cities, and towns shall have access to records and information on file with the Tax Commission, and have notice and such rights to intervene in or to appeal from a proposed final agency action of the Tax Commission as follows:

1. In any case in which the Tax Commission, following a formal adjudicative proceeding commenced pursuant to Title 63, Chapter 46b, Utah Code Ann., takes final agency action that would reduce the amount of sales and use tax liability alleged in the notice of deficiency, the Tax Commission will provide notice of a proposed agency action to all qualified counties, cities, and towns.

a) A county, city, or town is a qualified county, city, or town for purposes of B.1. above if the proposed final agency action reduces the local option sales and use tax distributable to that individual county, city, or town by more than $10,000 below the amount of that tax that would have been distributable to that county, city, or town had the notice of deficiency not been reduced.

2. Upon notification from the Tax Commission of proposed final agency action, the authorized representative of the qualified county, city, or town has the right to review the record of the formal hearing and all Tax Commission records relating to the proposed final agency action in accordance with the provisions of Part F of this rule.

3. Within ten days following receipt of notice of a proposed final agency action, a qualified county, city, or town may intervene in the Tax Commission proceeding by filing a notice of intervention with the Tax Commission.

4. Within 20 days after filing a notice of intervention, if a qualified county, city, or town objects to the proposed final agency action in whole or in part, it will file with the Tax Commission a petition for reconsideration setting out all facts, arguments and authorities in support of its contention that the proposed final agency action is erroneous and shall serve copies of the petition on the taxpayer and the appropriate Tax Commission division.

5. The taxpayer and the appropriate Tax Commission division may each file a response to the petition for reconsideration filed by a qualified county, city, or town within 20 days of receipt of the petition for reconsideration.

R865-16R. Severance Tax.
R865-16R-1. Valuation of Metalliferous Minerals for Severance Tax Purposes Pursuant to Utah Code Ann. Section 59-5-203.

A. Gross proceeds under Section 59-5-203 means the total consideration received by the taxpayer for the sale of metals or metalliferous minerals, including premiums, bonuses, subsidies, or non-cash consideration, with no deductions.

B. The authority for market prices under Subsection 59-5-203(1)(b) shall be an average daily price in U.S. markets, as listed in Metals Week or other market listing, for the quarter in which the products are consumed or shipped out of state. The taxpayer is responsible for calculating average daily price for each tax quarter from the market listing.

C. Valuation of metals or metalliferous minerals under Section 59-5-203(1)(c) and (1)(d) shall be determined as follows:

1. The gross value of ore shall equal the unit value of the first marketable product multiplied by the ratio of direct mining costs and divided by the total direct costs of mining, processing, and manufacturing to produce the first marketable product. This value is then multiplied by the recoverable units of the first marketable product contained in ores or concentrates. This gross value of ore is then reduced by the exemption provided for in 59-5-202(3) and in turn multiplied by the statutory rate of 80 percent to find the taxable value of ore.

2. Direct mining costs shall be those costs, including royalty payments, attributable to the extraction of minerals from their naturally occurring environment and transportation to the point of processing, use, or sale.

3. First marketable product means the first product or group of products produced by the taxpayer in the form or condition in which the product or products are first sold in significant quantities by the taxpayer or by others in the taxpayer's marketing area, provided that the metals or metalliferous mineral products are sold under a bona fide contract of sale between unaffiliated parties.

D. If the first marketable product is an ore or concentrate, an alternative method of valuation under this subsection may be used upon the mutual consent of the Tax Commission and the taxpayer. Under the alternative method, the gross value of metals or concentrates shall equal the unit value of the first marketable product multiplied by the recoverable units of metal or metalliferous minerals in ore or concentrates produced by the taxpayer during the tax period. The gross value of metals or concentrates is then reduced by the exemption provided for in 59-5-202(3) and in turn multiplied by the statutory rate for the applicable metal to find the taxable value of ore.

E. If a sale of metals or metalliferous minerals between affiliated companies is not a bona fide sale because the value received is not proportionate to the fair market value of the metals or metalliferous minerals, the minerals shall be valued using the methods described in B., C., and D. above, in that order.

(7) A dealer's temporary permits may be audited at any time and the dealer required to pay for all outstanding permits. The registration fee charged will be for a passenger car unless the dealer is licensed to sell only motorcycles or small trailers.

(a) If the dealer's records indicate that the permit was issued for a vehicle other than that for which the dealer was billed, the dealer must submit the proper fee and penalty.

(b) If the records disclose that the permit was cleared properly, the dealer must furnish the license number of the vehicle for which the permit was issued and the date of issue.

(c) A dealer shall resolve any outstanding permit billings by payment of fees and penalties or by reconciling the permits before any additional permits will be issued to the dealer. This action will not be construed to be a cancellation of a dealer's privilege of issuing temporary permits, but merely a function of the division's routine audit and billing procedure.

(8) The dealer shall keep a written record in numerical sequence of every temporary registration permit issued. This record shall include all of the following information:

(a) the name and address of the person or firm to whom the permit is issued;

(b) a description of the motor vehicle for which it was issued, including year, make, model, and identification number;

(c) date of issue;

(d) license number;

(e) in the case of a commercial vehicle, the gross laden weight for which it was issued.

(9) In exceptional circumstances a dealer as agent for the division may issue an additional temporary permit for a vehicle by following the procedures outlined below:

(a) The dealer must contact the division and request an extension permit for a particular vehicle. If the request is denied, no extension permit will be issued.

(b) If the extension permit is approved, the division shall issue the dealer an approval number. This number must be recorded by the dealer in its temporary permit record and on the permit and stub in the space provided for the license number. The space provided on the permit and stub for the dealer name must be completed with the words "State Tax Commission" and the dealer's license number. The remainder of the permit and stub will be completed as usual.

(c) The dealer must return the permit stub to the division within 45 days from the date it is issued.

(d) A dealer may not issue an extension permit if it is determined that the dealer has been granted extensions for more than 2% of the permits issued to the dealership during the past three months. This percentage is calculated by dividing the number of extensions granted the dealer during the past three months by the permits issued by the dealer during the past three months.

(10) All extension permits issued by dealers under this rule are considered issued by the division.

(11) When a motor vehicle is sold for registration in another state, the stub portion of the temporary permit shall be filed with the division within ten days from the date of issue, accompanied by the required fee. The sale must be reported in the dealer's monthly report of sale required by Section 41-3-301(2)(b). If the permit stub and the required fee are not postmarked or received by the division within 45 days, a penalty equal to the required fee shall be collected pursuant to Section 41-3-302.

(12) The temporary registration card, attached to the temporary permit, must be detached and given to the customer at the time the temporary permit is issued. This temporary registration card must be kept in the vehicle while the temporary permit is displayed.

R877-23V-6. Issuance of In-Transit Permits Pursuant to Utah Code Ann. Section 41-3-305.

(1)(a) Transported semitractors are piggy-backed when all of the semitractors being transported are touching the ground.

(b) Each piggy-backed vehicle must have a separate in-transit permit or be properly registered for operation in Utah.

(2) In-transit permits may not be issued for loaded motor vehicles over 12,000 pounds gross laden weight.

(3) A semitractor hauling unlicensed trailers must obtain an in-transit permit for any trailer in contact with the ground.

(4) Subject to Subsections (5) and (6), the following entities may issue in-transit permits:

(a) a licensed dealer that is primarily engaged in the business of auctioning consigned motor vehicles to other dealers or the public; and

(b) a state or local government agency that is engaged in the business of auctioning motor vehicles to dealers or the public.

(5) An entity issuing an in-transit permit under Subsection (4) shall maintain records of all in-transit permits obtained from the division. These records shall include:

(a) vehicle purchaser information;

(b) vehicle identification number; and

(c) evidence that the purchaser has met the requirements

for issuance of the in-transit permit.

(6) An entity described in Subsection (4) that fails to maintain the records required under Subsection (5) may be prohibited from issuing in-transit permits.

R877-23V-7. Misleading Advertising Pursuant to Utah Code Ann. Section 41-3-210.

(1)(a) "Advertisement" means any oral, written, graphic, or pictorial statement made that concerns the offering of a motor vehicle for sale or lease.

(b) "Advertisement" includes any statement or representation:

(i) made in a newspaper, magazine, electronic medium, or other publication;

(ii) made on radio or television;

(iii) appearing in any notice, handbill, sign, billboard, banner, poster, display, circular, pamphlet, letter, or other printed material;

(iv) contained in any window sticker or price tag; and

(v) in any oral statement.

(c) "Advertisement" includes the terms "advertise" and "advertising".

(d) "Advertisement" does not include:

(i) a statement made solely for the purpose of obtaining vehicle financing or a vehicle title; or

(ii) hand written negotiation sheets between a dealer and a customer of the dealer.

(2) Violation of any of the following standards of practice for the advertising and selling of motor vehicles is a violation of Section 41-3-210.

(a) Accuracy. Any advertised statements and offers about a vehicle as to year, make, model, type, condition, equipment, price, trade-in-allowance, terms, and so forth, shall be clearly set forth and based upon facts.

(b) Bait. Bait advertising and selling practices may not be used. A vehicle advertised at a specific price shall be in the possession of the advertiser at the address given. It shall be willingly shown, demonstrated and sold. If sold, the advertiser shall, upon request of any prospective purchaser, peace officer, or employee of the division, show sales records of the advertised vehicle.

(c)(i)(A) Price. When the price or payment of a vehicle is quoted, the vehicle shall be clearly identified as to make, year, model and if new or used. Except as provided in Subsection (c)(i)(B), the advertised price must include charges that the customer must pay for the vehicle, including freight or destination charges, dealer preparation, and dealer handling.

(B) The following fees are not required to be included in the advertised price that the customer must pay for the vehicle:

(I) dealer document fees;

(II) if optional, undercoating or rustproofing fees; and

(III) taxes or fees required by the state or a county, including sales tax, titling and registration fees, safety and emission fees, and waste tire recycling fees.

(ii) In addition to other advertisements, this pertains to price statements such as "$..... Buys".

(iii) When "list", "sticker", or words of similar import are used in an advertisement, they may refer only to the manufacturer's suggested retail price. If a supplementary price sticker is used, the advertised price must include all items listed on the supplementary sticker.

(iv) If the customer requests and receives a temporary permit, the temporary permit fee need not be included in the advertised price.

(d) Savings and Discount Claims. Because the intrinsic value of a used vehicle is difficult to establish, specific claims of savings may not be used in an advertisement. This includes statements such as, "Was priced at $....., now priced at $.....

(i) The word "wholesale" may not be used in retail automobile advertising.

(ii) When an automotive advertisement contains an offer of a discount on a new vehicle, the amount of the discount must be stated by reference to the manufacturer's suggested retail price of the vehicle.

(e) Down Payments. The amount of the down payment may not be stated in a manner that suggests that it is the selling price of the vehicle. If an advertisement states "You can buy with no money down", or terms of similar import, the customer must be able to leave the dealership with the vehicle without making any outlay of money.

(f) Trade-in Allowance. Statements representing that no other dealer grants greater allowances for trade-ins may not be used. A specific trade-in amount or range of trade-in amounts may not be used in advertising.

(g)(i)(A) Finance. The phrases, "no finance charge", "no carrying charge", or similar expressions may not be used when there is a charge for placing the transaction on a time payment basis. Statements representing or implying that no prospective credit purchaser will be rejected because of inability to qualify for credit, such as "we accept all credit applications", may not be used.

(B) If the amount of the advertised payment changes during the term of the loan, both the payments and the terms of the loan must be disclosed together.

(ii) The phrase "we will pay off your trade no matter what you owe" may not be used.

(h) Unpaid Balance and Repossessions. The term "repossessed" may be used only to describe vehicles that have actually been repossessed from a purchaser. Advertisers offering repossessed vehicles for sale may be required to offer proof of those repossessions. The unpaid balance shall be the full selling price unless otherwise stated.

(i) Current Used. When a used motor vehicle, as defined by Section 41-3-102, of a current series is advertised, the first line of the advertisement must contain the word "used", "pre-owned", "certified used", "certified pre-owned", or other similar term used to designate a used vehicle, or the text must clearly indicate that the vehicle offered is used.

(j) Demonstrators, Executives' and Officials' Cars.

(i) "Demonstrator" means a vehicle that has never been sold or leased to a member of the public.

(ii) Demonstrator vehicles include vehicles used by new vehicle dealers or their personnel for demonstrating performance ability but not vehicles purchased or leased by dealers or their personnel and used as their personal vehicles.

(iii) A demonstrator vehicle may be advertised for sale only by a dealer franchised for the sale of that make of new vehicle.

(iv) An executive's or official's vehicle shall have been used exclusively by an executive of the dealer's franchising manufacturer or distributor, or by an executive of the franchised dealership. These vehicles may not have been sold or leased to a member of the public prior to the appearance of the advertisement.

(v) Demonstrator's, executive's and official's vehicles shall be clearly and prominently advertised as such. Advertisements shall include the year, make, and model of the vehicle offered for sale.

(k) Taxi-cabs, Police, Sheriff, and Highway Patrol Vehicles. Taxi-cabs, police, sheriff, and highway patrol vehicles shall be so identified. These vehicles may not be described by an ambiguous term such as "commercial".

(l) Mileage Statements. When an advertisement quotes the number of miles or a range of miles a vehicle has been driven, the dealer must have written evidence that the vehicle has not been operated in excess of the advertised mileage.

(i) The evidence required by this section shall be the properly completed odometer statement required by Section 41-

1a-902.

(ii) If a dealer chooses to advertise specific mileage or a range of miles a vehicle has been driven, the dealer shall upon request of any prospective purchaser, peace officer, or employee of the division produce all documents in its possession pertaining to that vehicle so that the mileage can be readily verified.

(m) Underselling Claims. Unsupported underselling claims may not be used. Underselling claims include the following: "our prices are guaranteed lower than elsewhere", "money refunded if you can duplicate our values", "we guarantee to sell for less", "we sell for less", "we purchase vehicles for less so we can sell them for less", "highest trade-in allowance", "we give $300 more in trade than any other dealers". Evidence of supported underselling claims must be contained in the advertisement and shall be produced upon request of a prospective purchaser, peace officer, or employee of the division.

(n) Free. "Free" may be used in advertising only when the advertiser is offering a gift that is not conditional on the purchase of any property or service.

(o) Driving Trial. A free driving trial means that the purchaser may drive the vehicle during the trial period and return it to the dealer within the specified period and obtain a refund of all moneys, signed agreements, or other considerations deposited and a return of any vehicle traded in. The exact terms and conditions of the free driving trial shall be set forth in writing and a copy given to the purchaser at the time of the sale.

(p) Guaranteed. When words such as "guarantee", "warranty", or other terms implying protection are used in advertising, an explanation of the time and coverage of the guarantee or warranty shall be given in clear and concise language. The purchaser shall be provided with a written document stating the specific terms and coverage.

(q) Name Your Own Deal. Statements such as "write your own deal", "name your own price", "name your own monthly payments", "appraise your own vehicle", and phrases of similar import may not be used.

(r) Disclosure of Material Facts. Disclosures of material facts that are contained in advertisements and that involve types of vehicles and transactions shall be made in a clear and conspicuous manner.

(i) Fine print, and mouse print are not acceptable methods of disclosing material facts.

(ii) The disclosure must be made in a typeface and point size comparable to the smallest typeface and point size of the text used throughout the body of the advertisement.

(iii) An asterisk may be used to give additional information about a word or term, however, asterisks or other reference symbols may not be used as a means of contradicting or substantially changing the meaning of any advertising statements.

(s) Lease. When an advertisement relates to a lease, the advertisement must make it readily apparent that the transaction advertised is a lease.

(i) The word "lease" must appear in a prominent position in the advertisement in a typeface and point size comparable to the largest text used to directly advertise the vehicle.

(ii) Statements that do not use the term "lease" do not constitute adequate disclosure of a lease.

(iii) Lease advertisements may not contain the phrase "no down payment" or words of similar import if an outlay of money is required to lease the vehicle.

(iv) Lease terms that are not available to the general public may not be included in advertisements directed at the general public.

(v) Limitations and qualifications applicable to the lease terms advertised shall be clearly and conspicuously disclosed.

(t) Electronic Medium Disclosures. A disclosure appearing in any electronic advertising medium must clearly and conspicuously feature all necessary information in a manner that can be read and understood if type is used, or that can be heard and understood if audio is used.

(u) Invoice or Cost. The terms "invoice" or "factory invoice" may be used as long as the dealer is willing to show the factory invoice to the prospective buyer. The term "cost" may not be used.

(v) Rebate Offers. "Rebate", "cash rebate", or similar terms may be used only when it is clearly and conspicuously stated who is offering the rebate.

(w) Buy-down Interest Rates. No buy-down interest rate may be advertised unless the dealer discloses the amount of dealer contribution and states that the contribution by the dealership may increase the negotiated price of the vehicle.

(x) Special Status of Dealership. An automotive advertisement may not falsely imply that the dealer has a special sponsorship, approval status, affiliation, or connection with the manufacturer that is greater or more direct than any other like dealer.

(y) Price Equaling. An advertisement that expresses a policy of matching or bettering competitor's prices shall fully disclose any conditions that apply and specify the evidence a consumer must present to take advantage of the offer. The evidence requirement may not place an unreasonable burden on the consumer; however, for example requiring the consumer to bring a written offer made to that consumer by an authorized representative of a dealership on a substantially similar vehicle would be considered reasonable.

(z) Auction. "Auction" or "auction special" and other terms of similar import may be used only in connection with vehicles offered or sold at a bona fide auction.

(aa) Layout and Type Size. The layout, headlines, illustrations, or type size of a printed advertisement and the broadcast words or pictures of radio, television, or electronic medium advertisements may not convey or permit an erroneous or misleading impression as to which vehicle or vehicles are offered at featured prices.

(i) When an advertisement contains a picture of a vehicle along with a quoted price, the vehicle pictured must be a similar model with similar options and accessories as the vehicle advertised.

(ii) No advertised offer, expression, or display of price, terms, down payment, trade-in allowances, cash difference, savings, or other material terms may be misleading and any necessary qualifications shall be clearly, conspicuously, and accurately set forth to prevent misunderstanding.

(iii) Qualifying terms and phrases shall be clearly, conspicuously, and accurately set forth as follows:

(A) in bold print and in type of a size that is capable of being read without unreasonable extra effort;

(B) in terms that are understandable to the buying public; and

(C) in close proximity to the qualified representation and not separated or buried by asterisk in some other part of the advertisement.

(bb) An advertisement must disclose a salvage or branded title as prominently as the description of the advertised vehicle.

(c) be painted on the building, attached to the building with nails or bolts, or affixed to posts that have been securely anchored in the ground.

All signs must remain posted at each place of business and on the office. If the office is not located at the site on which the motor vehicles are displayed or offered for sale or exchange, the bonded dealer number, dismantler number, or manufacturer number must also be conspicuously displayed either on the sign or on the building.

(4) If the additional place of business is an auto show or similar business that will conduct business for ten days or less, the sign need only show the licensee's name as licensed by the division and be of a size that reasonably identifies the licensee.

(5) No place of business may be operated under a name other than that by which the licensee is licensed by the division. No sign may be posted at a place of business that shows a business name other than the one licensed by the division or gives the impression that the business is other than the one licensed by the division. However, a sign containing a variation of the licensee's name, if a variation of the licensee's name is required by a manufacturer in writing, may be posted as long as the sign containing the licensed name is more prominent.

(6) Documents submitted by a licensee to a government entity shall be identified only by the name under which the licensee is licensed by the division. All documents used by the licensee to promote or transact a sale or lease of a vehicle shall identify that licensee only by the name under which the licensee is licensed with the division.

14. "Non-operating mining property" means a mine that has not produced in the previous calendar year and is not currently capable of economic production, or land held under a mineral lease not reasonably necessary in the actual mining and extraction process in the current mine plan.

15. "Productive mining property" means the property of a mine that is either actively producing or currently capable of having economic production. Productive mining property includes all taxable interests in real property, improvements and tangible personal property upon or appurtenant to a mine that are used for that mine in exploration, development, engineering, mining, crushing or concentrating, processing, smelting, refining, reducing, leaching, roasting, other processes used in the separation or extraction of the product from the ore or minerals and the processing thereof, loading for shipment, marketing and sales, environmental clean-up, reclamation and remediation, general and administrative operations, or transporting the finished product or minerals to the customary point of sale or to the implied point of sale in the case of self-consumed minerals.

16. "Product price" for each mineral means the price that is most representative of the price expected to be received for the mineral in future periods.

a) Product price is determined using one or more of the following approaches:

(1) an analysis of average actual sales prices per unit of production for the minerals sold by the taxpayer for up to five years preceding the lien date; or,

(2) an analysis of the average posted prices for the minerals, if valid posted prices exist, for up to five calendar years preceding the lien date; or,

(3) the average annual forecast prices for each of up to five years succeeding the lien date for the minerals sold by the taxpayer and one average forecast price for all years thereafter for those same minerals, obtained from reputable forecasters, mutually agreed upon between the Property Tax Division and the taxpayer.

b) If self-consumed, the product price will be determined by one of the following two methods:

(1) Representative unit sales price of like minerals. The representative unit sales price is determined from:

(a) actual sales of like mineral by the taxpayer;
(b) actual sales of like mineral by other taxpayers; or
(c) posted prices of like mineral; or
(2) If a representative unit sales price of like minerals is unavailable, an imputed product price for the self-consumed minerals may be developed by dividing the total allowable costs by one minus the taxpayer's discount rate to adjust to a cost that includes profit, and dividing the resulting figure by the number of units mined.

17. "Related revenue cash flows" mean non-product related cash flows related to the ownership or operation of the mining property being valued. Examples of related revenue cash flows include royalties and proceeds from the sale of mining equipment.

18. "Self consumed minerals" means the minerals produced from the mining property that the mining entity consumes or utilizes for the manufacture or construction of other goods and services.

19. "Straight line depreciation" means depreciation computed using the straight line method applicable in calculating the regular federal tax. For this purpose, the applicable recovery period shall be seven years for depreciable tangible personal mining property and depreciable tangible personal property appurtenant to a mine, and 39 years for depreciable real mining property and depreciable real property appurtenant to a mine.

B. Valuation.

1. The discounted cash flow method is the preferred method of valuing productive mining properties. Under this method the taxable value of the mine shall be determined by:

a) discounting the future net cash flows for the remaining life of the mine to their present value as of the lien date; and

b) subtracting from that present value the fair market value, as of the lien date, of licensed vehicles and nontaxable items.

2. The mining company shall provide to the Property Tax Division an estimate of future cash flows for the remaining life of the mine. These future cash flows shall be prepared on a constant or real dollar basis and shall be based on factors including the life-of-mine mining plan for proven and probable reserves, existing plant in place, capital projects underway, capital projects approved by the mining company board of directors, and capital necessary for sustaining operations. All factors included in the future cash flows, or which should be included in the future cash flows, shall be subject to verification and review for reasonableness by the Property Tax Division.

3. If the taxpayer does not furnish the information necessary to determine a value using the discounted cash flow method, the Property Tax Division may use the capitalized net revenue method. This method is outlined as follows:

a) Determine annual net revenue, both net losses and net gains, from the productive mining property for each of the immediate past five years, or years in operation, if less than five years. Each year's net revenue shall be adjusted to a constant or real dollar basis.

b) Determine the average annual net revenue by summing the values obtained in B.3.a) and dividing by the number of operative years, five or less.

c) Divide the average annual net revenue by the discount rate to determine the fair market value of the entire productive mining property.

d) Subtract from the fair market value of the entire productive mining property the fair market value, as of the lien date, of licensed vehicles and nontaxable items, to determine the taxable value of the productive mining property.

4. The discount rate shall be determined by the Property Tax Division.

a) The discount rate shall be determined using the weighted average cost of capital method, a survey of reputable mining industry analysts, any other accepted methodology, or any combination thereof.

b) If using the weighted average cost of capital method, the Property Tax Division shall include an after-tax cost of debt and of equity. The cost of debt will consider market yields. The cost of equity shall be determined by the capital asset pricing model, arbitrage pricing model, risk premium model, discounted cash flow model, a survey of reputable mining industry analysts, any other accepted methodology, or a combination thereof.

5. Where the discount rate is derived through the use of publicly available information of other companies, the Property Tax Division shall select companies that are comparable to the productive mining property. In making this selection and in determining the discount rate, the Property Tax Division shall consider criteria that includes size, profitability, risk, diversification, or growth opportunities.

6. A non-operating mine will be valued at fair market value consistent with other taxable property.

7. If, in the opinion of the Property Tax Division, these methods are not reasonable to determine the fair market value, the Property Tax Division may use other valuation methods to estimate the fair market value of a mining property.

8. The fair market value of a productive mining property may not be less than the fair market value of the land, improvements, and tangible personal property upon or appurtenant to the mining property. The mine value shall include all equipment, improvements and real estate upon or appurtenant to the mine. All other tangible property not appurtenant to the mining property will be separately valued at fair market value.

9. Where the fair market value of assets upon or appurtenant to the mining property is determined under the cost method, the Property Tax Division shall use the replacement cost new less depreciation approach. This approach shall consider the cost to acquire or build an asset with like utility at current prices using modern design and materials, adjusted for loss in value due to physical deterioration or obsolescence for technical, functional and economic factors.

C. When the fair market value of a productive mining property in more than one tax area exceeds the asset value, the fair market value will be divided into two components and apportioned as follows:

1. Asset value that includes machinery and equipment, improvements, and land surface values will be apportioned to the tax areas where the assets are located.

2. The fair market value less the asset value will give an income increment of value. The income increment will be apportioned as follows:

a) Divide the asset value by the fair market value to determine a quotient. Multiply the quotient by the income increment of value. This value will be apportioned to each tax area based on the percentage of the total asset value in that tax area.

b) The remainder of the income increment will be apportioned to the tax areas based on the percentage of the known mineral reserves according to the mine plan.

D. The provisions of this rule shall be implemented and become binding on taxpayers beginning January 1, 1998.

R884-24P-8. Security for Property Tax on Uranium and Vanadium Mines Pursuant to Utah Code Ann. Section 59-2-211.

A. The security deposit allowed by Section 59-2-211 shall be requested from the mine owners or operators by giving notice in the manner required by Section 59-2-211. A list of mine owners and operators who have made lump sum security deposits with the Tax Commission will be furnished annually by the Tax Commission to any person, mill, buying station, or other legal entity receiving uranium or vanadium ore mined,

produced, or received from within Utah.

B. At the option of the mine owner or operator, within 30 days after receiving proper notice from the Tax Commission, or if the mine owner or operator has not complied with the request within the 30 day period, the Tax Commission may implement the following procedure:

1. Any person, mill, buying station, or other legal entity receiving uranium or vanadium ore mined, produced, or received from within Utah shall withhold 4 percent, or any higher amount set by the Tax Commission, of the gross proceeds due to the mine operator or owner.

2. All amounts withheld shall be remitted to the Tax Commission by the last day of April, July, October, and January for the immediately preceding calendar quarter, in the manner set forth by the Tax Commission.

3. Not later than the last day of February, owners or operators of uranium and vanadium mines who have not made lump sum security deposits with the Tax Commission shall be provided with a statement from the Tax Commission showing all security deposit amounts withheld from their gross proceeds during the previous calendar year.

4. The Tax Commission shall provide the county treasurers with a list of all uranium and vanadium mine owners and operators who have had security deposit amounts withheld. The county treasurers shall then advise the Tax Commission in writing of the amount of taxes due from each mine owner or operator on the Tax Commission's list.

5. Once all county treasurers have responded, the Tax Commission shall forward to each county treasurer the taxes due, or the pro rata portion thereof, to the extent taxes have been withheld and remitted to the Tax Commission.

a. Any amount withheld in excess of the total taxes due to all counties shall be refunded to the appropriate mine owner or operator by the Tax Commission.

b. If the amount withheld is not sufficient to pay the full amount of taxes due, the county treasurers shall collect the balance of taxes directly from the mine owner or operator.

R884-24P-10. Taxation of Underground Rights in Land That Contains Deposits of Oil or Gas Pursuant to Utah Code Ann. Sections 59-2-201 and 59-2-210.

A. Definitions.

1. "Person" is as defined in Section 68-3-12.

2. "Working interest owner" means the owner of an interest in oil, gas, or other hydrocarbon substances burdened with a share of the expenses of developing and operating the property.

3. "Unit operator" means a person who operates all producing wells in a unit.

4. "Independent operator" means a person operating an oil or gas producing property not in a unit.

5. One person can, at the same time, be a unit operator, a working interest owner, and an independent operator and must comply with all requirements of this rule based upon the person's status in the respective situations.

6. "Expected annual production" means the future economic production of an oil and gas property as estimated by the Property Tax Division using decline curve analysis. Expected annual production does not include production used on the same well, lease, or unit for the purpose of repressuring or pressure maintenance.

7. "Product price" means:

a) Oil: The weighted average posted price for the calendar year preceding January 1, specific for the field in which the well is operating as designated by the Division of Oil, Gas, and Mining. The weighted average posted price is determined by weighing each individual posted price based on the number of days it was posted during the year, adjusting for gravity, transportation, escalation, or deescalation.

b) Gas:

(1) If sold under contract, the price shall be the stated price as of January 1, adjusted for escalation and deescalation.

(2) If sold on the spot market or to a direct end-user, the price shall be the average price received for the 12-month period immediately preceding January 1, adjusted for escalation and deescalation.

8. "Future net revenue" means annual revenues less costs of the working interests and royalty interest.

9. "Revenue" means expected annual gross revenue, calculated by multiplying the product price by expected annual production for the remaining economic life of the property.

10. "Costs" means expected annual allowable costs applied against revenue of cost-bearing interests:

a) Examples of allowable costs include management salaries; labor; payroll taxes and benefits; workers' compensation insurance; general insurance; taxes (excluding income and property taxes); supplies and tools; power; maintenance and repairs; office; accounting; engineering; treatment; legal fees; transportation; miscellaneous; capital expenditures; and the imputed cost of self consumed product.

b) Interest, depreciation, or any expense not directly related to the unit will shall not be included as allowable costs.

11. "Production asset" means any asset located at the well site that is used to bring oil or gas products to a point of sale or transfer of ownership.

B. The discount rate shall be determined by the Property Tax Division using methods such as the weighted cost of capital method.

1. The cost of debt shall consider market yields. The cost of equity shall be determined by the capital asset pricing model, risk premium model, discounted cash flow model, a combination thereof, or any other accepted methodology.

2. The discount rate shall reflect the current yield requirements of investors purchasing similar properties, taking into consideration income, income taxes, risk, expenses, inflation, and physical and locational characteristics.

3. The discount rate shall contain the same elements as the expected income stream.

C. Assessment Procedures.

1. Underground rights in lands containing deposits of oil or gas and the related tangible property shall be assessed by the Property Tax Division in the name of the unit operator, the independent operator, or other person as the facts may warrant.

2. The taxable value of underground oil and gas rights shall be determined by discounting future net revenues to their present value as of the lien date of the assessment year and then subtracting the value of applicable exempt federal, state, and Indian royalty interests.

3. The reasonable taxable value of productive underground oil and gas rights shall be determined by the methods described in C.2. of this rule or such other valuation method that the Tax Commission believes to be reasonably determinative of the property's fair market value.

4. The value of the production assets shall be considered in the value of the oil and gas reserves as determined in C.2. above. Any other tangible property shall be separately valued at fair market value by the Property Tax Division.

5. The minimum value of the property shall be the value of the production assets.

D. Collection by Operator.

1. The unit operator may request the Property Tax Division to separately list the value of the working interest, and the value of the royalty interest on the Assessment Record. When such a request is made, the unit operator is responsible to provide the Property Tax Division with the necessary information needed to compile this list. The unit operator may make a reasonable estimate of the ad valorem tax liability for a given period and may withhold funds from amounts due to

royalty. Withheld funds shall be sufficient to ensure payment of the ad valorem tax on each fractional interest according to the estimate made.

a) If a unit operating agreement exists between the unit operator and the fractional working interest owners, the unit operator may withhold or collect the tax according to the terms of that agreement.

b) In any case, the unit operator and the fractional interest owner may make agreements or arrangements for withholding or otherwise collecting this tax. This may be done whether or not that practice is consistent with the preceding paragraphs so long as all requirements of the law are met. When a fractional interest owner has had funds withheld to cover the estimated ad valorem tax liability and the operator fails to remit such taxes to the county when due, the fractional interest owner shall be indemnified from any further ad valorem tax liability to the extent of the withholding.

c) The unit operator shall compare the amount withheld to the taxes actually due, and return any excess amount to the fractional interest owner within 60 days after the delinquent date of the tax. At the request of the fractional interest owner the excess may be retained by the unit operator and applied toward the fractional interest owner's tax liability for the subsequent year.

2. The penalty provided for in Section 59-2-210 is intended to ensure collection by the county of the entire tax due. Any unit operator who has paid this county imposed penalty, and thereafter collects from the fractional interest holders any part of their tax due, may retain those funds as reimbursement against the penalty paid.

3. Interest on delinquent taxes shall be assessed as set forth in Section 59-2-1331.

4. Each unit operator may be required to submit to the Property Tax Division a listing of all fractional interest owners and their interests upon specific request of the Property Tax Division. Working interest owners, upon request, shall be required to submit similar information to unit operators.

R884-24P-14. Valuation of Real Property Encumbered by Preservation Easements Pursuant to Utah Code Ann. Section 59-2-303.

A. The assessor shall take into consideration any preservation easements attached to historically significant real property and structures when determining the property's value.

B. After the preservation easement has been recorded with the county recorder, the property owner of record shall submit to the county assessor and the Tax Commission a notice of the preservation easement containing the following information:

1. the property owner's name;
2. the address of the property; and
3. the serial number of the property.

C. The county assessor shall review the property and incorporate any value change due to the preservation easement in the following year's assessment roll.

R884-24P-16. Assessment of Interlocal Cooperation Act Project Entity Properties Pursuant to Utah Code Ann. Section 11-13-302.

(1) Definitions:

(a) "Utah fair market value" means the fair market value of that portion of the property of a project entity located within Utah upon which the fee in lieu of ad valorem property tax may be calculated.

(b) "Fee" means the annual fee in lieu of ad valorem property tax payable by a project entity pursuant to Section 11-13-302.

(c) "Energy supplier" means an entity that purchases any capacity, service or other benefit of a project to provide electrical service.

(d) "Exempt energy supplier" means an energy supplier whose tangible property is exempted by Article XIII, Sec. 3 of the Constitution of Utah from the payment of ad valorem property tax.

(e) "Optimum operating capacity" means the capacity at which a project is capable of operating on a sustained basis taking into account its design, actual operating history, maintenance requirements, and similar information from comparable projects, if any. The determination of the projected and actual optimum operating capacities of a project shall recognize that projects are not normally operated on a sustained basis at 100 percent of their designed or actual capacities and that the optimum level for operating a project on a sustained basis may vary from project to project.

(f) "Property" means any electric generating facilities, transmission facilities, distribution facilities, fuel facilities, fuel transportation facilities, water facilities, land, water or other existing facilities or tangible property owned by a project entity and required for the project which, if owned by an entity required to pay ad valorem property taxes, would be subject to assessment for ad valorem tax purposes.

(g) "Sold," for the purpose of interpreting Subsection (4), means the first sale of the capacity, service, or other benefit produced by the project without regard to any subsequent sale, resale, or lay-off of that capacity, service, or other benefit.

(h) "Taxing jurisdiction" means a political subdivision of this state in which any portion of the project is located.

(i) All definitions contained in Section 11-13-103 apply to this rule.

(2) The Tax Commission shall determine the fair market value of the property of each project entity. Fair market value shall be based upon standard appraisal theory and shall be determined by correlating estimates derived from the income and cost approaches to value described below.

(a) The income approach to value requires the imputation of an income stream and a capitalization rate. The income stream may be based on recognized indicators such as average income, weighted income, trended income, present value of future income streams, performance ratios, and discounted cash flows. The imputation of income stream and capitalization rate shall be derived from the data of other similarly situated companies. Similarity shall be based on factors such as location, fuel mix, customer mix, size and bond ratings. Estimates may also be imputed from industry data generally. Income data from similarly situated companies will be adjusted to reflect differences in governmental regulatory and tax policies.

(b) The cost approach to value shall consist of the total of the property's net book value of the project's property. This total shall then be adjusted for obsolescence if any.

(c) In addition to, and not in lieu of, any adjustments for obsolescence made pursuant to Subsection (2)(b), a phase-in adjustment shall be made to the assessed valuation of any new project or expansion of an existing project on which construction commenced by a project entity after January 1, 1989 as follows:

(i) During the period the new project or expansion is valued as construction work in process, its assessed valuation shall be multiplied by the percentage calculated by dividing its projected production as of the projected date of completion of construction by its projected optimum operating capacity as of that date.

(ii) Once the new project or expansion ceases to be valued as construction work in progress, its assessed valuation shall be multiplied by the percentage calculated by dividing its actual production by its actual optimum operating capacity. After the new project or expansion has sustained actual production at its optimum operating capacity during any tax year, this percentage shall be deemed to be 100 percent for the remainder of its useful

life.

(3) If portions of the property of the project entity are located in states in addition to Utah and those states do not apply a unit valuation approach to that property, the fair market value of the property allocable to Utah shall be determined by computing the cost approach to value on the basis of the net book value of the property located in Utah and imputing an estimated income stream based solely on the value of the Utah property as computed under the cost approach. The correlated value so determined shall be the Utah fair market value of the property.

(4) Before fixing and apportioning the Utah fair market value of the property to the respective taxing jurisdictions in which the property, or a portion thereof is located, the Utah fair market value of the property shall be reduced by the percentage of the capacity, service, or other benefit sold by the project entity to exempt energy suppliers.

(5) For purposes of calculating the amount of the fee payable under Section 11-13-302(3), the percentage of the project that is used to produce the capacity, service or other benefit sold shall be deemed to be 100 percent, subject to adjustments provided by this rule, from the date the project is determined to be commercially operational.

(6) In computing its tax rate pursuant to the formula specified in Section 59-2-924(2), each taxing jurisdiction in which the project property is located shall add to the amount of its budgeted property tax revenues the amount of any credit due to the project entity that year under Section 11-13-302(3), and shall divide the result by the sum of the taxable value of all property taxed, including the value of the project property apportioned to the jurisdiction, and further adjusted pursuant to the requirements of Section 59-2-924.

(7) Subsections (2)(a) and (2)(b) are retroactive to the lien date of January 1, 1984. Subsection (2)(c) is effective as of the lien date of January 1, 1989. The remainder of this rule is retroactive to the lien date of January 1, 1988.

R884-24P-17. Reappraisal of Real Property by County Assessors Pursuant to Utah Constitution, Article XIII, Subsection 11, and Utah Code Ann. Sections 59-2-303, 59-2-302, and 59-2-704.

(16) If appropriate Tax Commission designations are not held by assessor's office personnel, the appraisal work must be contracted out to qualified private appraisers. An assessor's office may elect to contract out appraisal work to qualified private appraisers even if personnel with the appropriate designation are available in the office. If appraisal work is contracted out, the following requirements must be met:

(a) The private sector appraisers performing the contracted work must hold the state certified residential appraiser or state certified general appraiser license issued by the Division of Real Estate of the Utah Department of Commerce. R884-24P-20. Construction Work in Progress Pursuant to Utah Constitution Art. XIII, Section 2 and Utah Code Ann. Sections 59-2-201 and 59-2-301.

A. For purposes of this rule:

1. Construction work in progress means improvements as defined in Section 59-2-102, and personal property as defined in Section 59-2-102, not functionally complete as defined in A.6.

2. Project means any undertaking involving construction, expansion or modernization.

3. "Construction" means:

a) creation of a new facility;

b) acquisition of personal property; or

c) any alteration to the real property of an existing facility other than normal repairs or maintenance.

4. Expansion means an increase in production or capacity as a result of the project.

5. Modernization means a change or contrast in character or quality resulting from the introduction of improved techniques, methods or products.

6. Functionally complete means capable of providing economic benefit to the owner through fulfillment of the purpose for which it was constructed. In the case of a cost-regulated utility, a project shall be deemed to be functionally

complete when the operating property associated with the project has been capitalized on the books and is part of the rate base of that utility.

7. Allocable preconstruction costs means expenditures associated with the planning and preparation for the construction of a project. To be classified as an allocable preconstruction cost, an expenditure must be capitalized.

8. Cost regulated utility means a power company, oil and gas pipeline company, gas distribution company or telecommunication company whose earnings are determined by a rate of return applied to rate base. Rate of return and rate base are set and approved by a state or federal regulatory commission.

9. Residential means single-family residences and duplex apartments.

10. Unit method of appraisal means valuation of the various physical components of an integrated enterprise as a single going concern. The unit method may employ one or more of the following approaches to value: the income approach, the cost approach, and the stock and debt approach.

B. All construction work in progress shall be valued at "full cash value" as described in this rule.

C. Discount Rates

For purposes of this rule, discount rates used in valuing all projects shall be determined by the Tax Commission, and shall be consistent with market, financial and economic conditions.

D. Appraisal of Allocable Preconstruction Costs.

1. If requested by the taxpayer, preconstruction costs associated with properties, other than residential properties, may be allocated to the value of the project in relation to the relative amount of total expenditures made on the project by the lien date. Allocation will be allowed only if the following conditions are satisfied by January 30 of the tax year for which the request is sought:

a) a detailed list of preconstruction cost data is supplied to the responsible agency;

b) the percent of completion of the project and the preconstruction cost data are certified by the taxpayer as to their accuracy.

2. The preconstruction costs allocated pursuant to D.1. of this rule shall be discounted using the appropriate rate determined in C. The discounted allocated value shall either be added to the values of properties other than residential properties determined under E.1. or shall be added to the values determined under the various approaches used in the unit method of valuation determined under F.

3. The preconstruction costs allocated under D. are subject to audit for four years. If adjustments are necessary after examination of the records, those adjustments will be classified as property escaping assessment.

E. Appraisal of Properties not Valued under the Unit Method.

1. The full cash value, projected upon completion, of all properties valued under this section, with the exception of residential properties, shall be reduced by the value of the allocable preconstruction costs determined D. This reduced full cash value shall be referred to as the "adjusted full cash value."

2. On or before January 1 of each tax year, each county assessor and the Tax Commission shall determine, for projects not valued by the unit method and which fall under their respective areas of appraisal responsibility, the following:

a) The full cash value of the project expected upon completion.

b) The expected date of functional completion of the project currently under construction.

(1) The expected date of functional completion shall be determined by the county assessor for locally assessed properties and by the Tax Commission for centrally-assessed properties.

c) The percent of the project completed as of the lien date.

(1) Determination of percent of completion for residential properties shall be based on the following percentage of completion:

(a) 10 - Excavation-foundation

(b) 30 - Rough lumber, rough labor

(c) 50 - Roofing, rough plumbing, rough electrical, heating

(d) 65 - Insulation, drywall, exterior finish

(e) 75 - Finish lumber, finish labor, painting

(f) 90 - Cabinets, cabinet tops, tile, finish plumbing, finish electrical

(g) 100 - Floor covering, appliances, exterior concrete, misc.

(2) In the case of all other projects under construction and valued under this section the percent of completion shall be determined by the county assessor for locally assessed properties and by the Tax Commission for centrally-assessed properties.

3. Upon determination of the adjusted full cash value for nonresidential projects under construction or the full cash value expected upon completion of residential projects under construction, the expected date of completion, and the percent of the project completed, the assessor shall do the following:

a) multiply the percent of the residential project completed by the total full cash value of the residential project expected upon completion; or in the case of nonresidential projects,

b) multiply the percent of the nonresidential project completed by the adjusted full cash value of the nonresidential project;

c) adjust the resulting product of E.3.a) or E.3.b) for the expected time of completion using the discount rate determined under C.

F. Appraisal of Properties Valued Under the Unit Method of Appraisal.

1. No adjustments under this rule shall be made to the income indicator of value for a project under construction that is owned by a cost-regulated utility when the project is allowed in rate base.

2. The full cash value of a project under construction as of January 1 of the tax year, shall be determined by adjusting the cost and income approaches as follows:

a) Adjustments to reflect the time value of money in appraising construction work in progress valued under the cost and income approaches shall be made for each approach as follows:

(1) Each company shall report the expected completion dates and costs of the projects. A project expected to be completed during the tax year for which the valuation is being determined shall be considered completed on January 1 or July 1, whichever is closest to the expected completion date. The Tax Commission shall determine the expected completion date for any project whose completion is scheduled during a tax year subsequent to the tax year for which the valuation is being made.

(2) If requested by the company, the value of allocable preconstruction costs determined in D. shall then be subtracted from the total cost of each project. The resulting sum shall be referred to as the adjusted cost value of the project.

(3) The adjusted cost value for each of the future years prior to functional completion shall be discounted to reflect the present value of the project under construction. The discount rate shall be determined under C.

(4) The discounted adjusted cost value shall then be added to the values determined under the income approach and cost approach.

b) No adjustment will be made to reflect the time value of money for a project valued under the stock and debt approach to value.

G. This rule shall take effect for the tax year 1985.

R884-24P-24. Form for Notice of Property Valuation and Tax Changes Pursuant to Utah Code Ann. Sections 59-2-918 through 59-2-924.

(1) The county auditor must notify all real property owners of property valuation and tax changes on the Notice of Property Valuation and Tax Changes form.

(a) If a county desires to use a modified version of the Notice of Property Valuation and Tax Changes, a copy of the proposed modification must be submitted for approval to the Property Tax Division of the Tax Commission no later than March 1.

(i) Within 15 days of receipt, the Property Tax Division will issue a written decision, including justifications, on the use of the modified Notice of Property Valuation and Tax Changes.

(ii) If a county is not satisfied with the decision, it may petition for a hearing before the Tax Commission as provided in R861-1A-22.

(b) The Notice of Property Valuation and Tax Changes, however modified, must contain the same information as the unmodified version. A property description may be included at the option of the county.

(2) The Notice of Property Valuation and Tax Changes must be completed by the county auditor in its entirety, except in the following circumstances:

(a) New property is created by a new legal description; or

(b) The status of the improvements on the property has changed.

(c) In instances where partial completion is allowed, the term nonapplicable will be entered in the appropriate sections of the Notice of Property Valuation and Tax Changes.

(d) If the county auditor determines that conditions other than those outlined in this section merit deletion, the auditor may enter the term "nonapplicable" in appropriate sections of the Notice of Property Valuation and Tax Changes only after receiving approval from the Property Tax Division in the manner described in Subsection (1).

(3) Real estate assessed under the Farmland Assessment Act of 1969 must be reported at full market value, with the value based upon Farmland Assessment Act rates shown parenthetically.

(4)(a) All completion dates specified for the disclosure of property tax information must be strictly observed.

(b) Requests for deviation from the statutory completion dates must be submitted in writing on or before June 1, and receive the approval of the Property Tax Division in the manner described in Subsection (1).

(5) If the proposed rate exceeds the certified rate, jurisdictions in which the fiscal year is the calendar year are required to hold public hearings even if budget hearings have already been held for that fiscal year.

(6) If the cost of public notice required under Sections 59-2-918 and 59-2-919 is greater than one percent of the property tax revenues to be received, an entity may combine its advertisement with other entities, or use direct mail notification.

(7) Calculation of the amount and percentage increase in property tax revenues required by Sections 59-2-918 and 59-2-919, shall be computed by comparing property taxes levied for the current year with property taxes collected the prior year, without adjusting for revenues attributable to new growth.

(8) If a taxing district has not completed the tax rate setting process as prescribed in Sections 59-2-919 and 59-2-920 by August 17, the county auditor must seek approval from the Tax Commission to use the certified rate in calculating taxes levied.

(9) The value of property subject to the uniform fee under Section 59-2-405 is excluded from taxable value for purposes of calculating new growth, the certified tax rate, and the proposed tax rate.

(10) The value and taxes of property subject to the uniform fee under Section 59-2-405, as well as tax increment distributions and related taxable values of redevelopment renewal agencies, are excluded when calculating the percentage of property taxes collected as provided in Section 59-2-913.

(11) The following formulas and definitions shall be used in determining new growth:

(a) Actual new growth shall be computed as follows:

(i) the taxable value of property assessed by the commission and locally assessed real property for the current year adjusted for redevelopment minus year-end taxable value of property assessed by the commission and locally assessed real property for the previous year adjusted for redevelopment; then

(ii) plus or minus the difference between the taxable value of locally assessed personal property for the prior year adjusted for redevelopment and the year-end taxable value of locally assessed personal property for the year that is two years prior to the current year adjusted for redevelopment; then

(iii) plus or minus changes in value as a result of factoring; then

(iv) plus or minus changes in value as a result of reappraisal; then

(v) plus or minus any change in value resulting from a legislative mandate or court order.

(b) Net annexation value is the taxable value for the current year adjusted for redevelopment of all properties annexed into an entity during the previous calendar year minus the taxable value for the previous year adjusted for redevelopment for all properties annexed out of the entity during the previous calendar year.

(c) New growth is equal to zero for an entity with:

(i) an actual new growth value less than zero; and

(ii) a net annexation value greater than or equal to zero.

(d) New growth is equal to actual new growth for:

(i) an entity with an actual new growth value greater than or equal to zero; or

(ii) an entity with:

(A) an actual new growth value less than zero; and

(B) the actual new growth value is greater than or equal to the net annexation value.

(e) New growth is equal to the net annexation value for an entity with:

(i) a net annexation value less than zero; and

(ii) the actual new growth value is less than the net annexation value.

(f) Adjusted new growth equals new growth multiplied by the mean collection rate for the previous five years.

(12)(a) For purposes of determining the certified tax rate, ad valorem property tax revenues budgeted by a taxing entity for the prior year are calculated by:

(i) increasing or decreasing the adjustable taxable value from the prior year Report 697 by the average of the percentage net change in the value of taxable property for the equalization period for the three calendar years immediately preceding the current calendar year; and

(ii) multiplying the result obtained in Subsection (12)(a)(i) by:

(A) the percentage of property taxes collected for the five calendar years immediately preceding the current calendar year; and

(B) the prior year approved tax rate.

(b) If a taxing entity levied the prior year approved tax rate, the budgeted revenues determined under Subsection (12)(a) are reflected in the budgeted revenue column of the prior year Report 693.

(13) Entities required to set levies for more than one fund must compute an aggregate certified rate. The aggregate certified rate is the sum of the certified rates for individual funds for which separate levies are required by law. The

aggregate certified rate computation applies where:

(a) the valuation bases for the funds are contained within identical geographic boundaries; and

(b) the funds are under the levy and budget setting authority of the same governmental entity.

(14) For purposes of determining the certified tax rate of a municipality incorporated on or after July 1, 1996, the levy imposed for municipal-type services or general county purposes shall be the certified tax rate for municipal-type services or general county purposes, as applicable.

(15) No new entity, including a new city, may have a certified tax rate or levy a tax for any particular year unless that entity existed on the first day of that calendar year.

R884-24P-27. Standards for Assessment Level and Uniformity of Performance Pursuant to Utah Code Ann. Sections 59-2-704 and 59-2-704.5.

(1) Definitions.

(a) "Coefficient of dispersion (COD)" means the average deviation of a group of assessment ratios taken around the median and expressed as a percent of that measure.

(b) "Coefficient of variation (COV)" means the standard deviation expressed as a percentage of the mean.

(c) "Division" means the Property Tax Division of the commission.

(d) "Nonparametric" means data samples that are not normally distributed.

(e) "Parametric" means data samples that are normally distributed.

(f) "Urban counties" means counties classified as first or second class counties pursuant to Section 17-50-501.

(2) The commission adopts the following standards of assessment performance.

(a) For assessment level in each property class, subclass, and geographical area in each county, the measure of central tendency shall meet one of the following measures.

(i) The measure of central tendency shall be within 10 percent of the legal level of assessment.

(ii) The 95 percent confidence interval of the measure of central tendency shall contain the legal level of assessment.

(b) For uniformity of the property assessments in each class of property for which a detailed review is conducted during the current year, the measure of dispersion shall be within the following limits.

(i) In urban counties:

(A) a COD of 15 percent or less for primary residential property, and 20 percent or less for commercial property, vacant land, and secondary residential property; and

(B) a COV of 19 percent or less for primary residential property, and 25 percent or less for commercial property, vacant land, and secondary residential property.

(ii) In rural counties:

(A) a COD of 20 percent or less for primary residential property, and 25 percent or less for commercial property, vacant land, and secondary residential property; and

(B) a COV of 25 percent or less for primary residential property, and 31 percent or less for commercial property, vacant land, and secondary residential property.

(iii) For a rural or small jurisdiction with limited development, or for a jurisdiction with a depressed market, the county assessor may petition the division for a five percentage point increase in the COD or COV for one year only. After sufficient examination, the division may determine that a one-year expansion of the COD or COV is appropriate.

(c) Statistical measures.

(i) The measure of central tendency shall be the mean for parametric samples and the median for nonparametric samples.

(ii) The measure of dispersion shall be the COV for parametric samples and the COD for nonparametric samples.

(iii) To achieve statistical accuracy in determining assessment level under Subsection (2)(a) and uniformity under Subsection (2)(b) for any property class, subclass, or geographical area, the minimum sample size shall consist of 10 or more ratios.

(3) Each year the division shall conduct and publish an assessment-to-sale ratio study to determine if each county complies with the standards in Subsection (2).

(a) To meet the minimum sample size, the study period may be extended.

(b) A smaller sample size may be used if:

(i) that sample size is at least 10 percent of the class or subclass population; or

(ii) both the division and the county agree that the sample may produce statistics that imply corrective action appropriate to the class or subclass of property.

(c) If the division, after consultation with the counties, determines that the sample size does not produce reliable statistical data, an alternate performance evaluation may be conducted, which may result in corrective action. The alternate performance evaluation shall include review and analysis of the following:

(i) the county's procedures for collection and use of market data, including sales, income, rental, expense, vacancy rates, and capitalization rates;

(ii) the county-wide land, residential, and commercial valuation guidelines and their associated procedures for maintaining current market values;

(iii) the accuracy and uniformity of the county's individual property data through a field audit of randomly selected properties; and

(iv) the county's level of personnel training, ratio of appraisers to parcels, level of funding, and other workload and resource considerations.

(d) All input to the sample used to measure performance shall be completed by March 31 of each study year.

(e) The division shall conduct a preliminary annual assessment-to-sale ratio study by April 30 of the study year, allowing counties to apply adjustments to their tax roll prior to the May 22 deadline.

(f) The division shall complete the final study immediately following the closing of the tax roll on May 22.

(4) The division shall order corrective action if the results of the final study do not meet the standards set forth in Subsection (2).

(a) Assessment level adjustments, or factor orders, shall be calculated by dividing the legal level of assessment by one of the following:

(i) the measure of central tendency, if the uniformity of the ratios meets the standards outlined in Subsection (2)(b); or

(ii) the 95 percent confidence interval limit nearest the legal level of assessment, if the uniformity of the ratios does not meet the standards outlined in Subsection (2)(b).

(b) Uniformity adjustmentsor other corrective action shall be ordered if the property fails to meet the standards outlined in Subsection (2)(b).(c) A corrective action order may contain language requiring a county to create, modify, or follow its five-year plan for a detailed review of property characteristics.

(d) All corrective action orders shall be issued by June 10 of the study year, or within five working days after the completion of the final study, whichever is later.

(5) The commission adopts the following procedures to insure compliance and facilitate implementation of ordered corrective action.

(a) Prior to the filing of an appeal, the division shall retain authority to correct errors and, with agreement of the affected county, issue amended orders or stipulate with the affected county to any appropriate alternative action without commission approval. Any stipulation by the division subsequent to an

appeal is subject to commission approval.

(b) A county receiving a corrective action order resulting from this rule may file and appeal with the commission pursuant to rule R861-1A-11.

(c) A corrective action order will become the final commission order if the county does not appeal in a timely manner, or does not prevail in the appeals process.

(d) The division may assist local jurisdictions to ensure implementation of any corrective action orders by the following deadlines.

(i) Factor orders shall be implemented in the current study year prior to the mailing of valuation notices.

(ii) Other corrective action shall be implemented prior to May 22 of the year following the study year.

(e) The division shall complete audits to determine compliance with corrective action orders as soon after the deadlines set forth in Subsection (5)(d) as practical. The division shall review the results of the compliance audit with the county and make any necessary adjustments to the compliance audit within 15 days of initiating the audit. These adjustments shall be limited to the analysis performed during the compliance audit and may not include review of the data used to arrive at the underlying factor order. After any adjustments, the compliance audit will then be given to the commission for any necessary action.

(f) The county shall be informed of any adjustment required as a result of the compliance audit.

R884-24P-28. Reporting Requirements For Leased or Rented Personal Property, Pursuant to Utah Code Ann. Section 59-2-306.

A. The procedure set forth herein is required in reporting heavy equipment leased or rented during the tax year.

1. On forms or diskette provided by the Tax Commission, the owner of leased or rented heavy equipment shall file semi-annual reports with the Tax Commission for the periods January 1 through June 30, and July 1 through December 31 of each year. The reports shall contain the following information:

a) a description of the leased or rented equipment;

b) the year of manufacture and acquistion cost;

c) a listing, by month, of the counties where the equipment has situs; and

d) any other information required.

2. For purposes of this rule, situs is established when leased or rented equipment is kept in an area for thirty days. Once situs is established, any portion of thirty days during which that equipment stays in that area shall be counted as a full month of situs. In no case may situs exceed twelve months for any year.

3. The completed report shall be submitted to the Property Tax Division of the Tax Commission within thirty days after each reporting period.

a) Noncompliance will require accelerated reporting.

R884-24P-29. Taxable Household Furnishings Pursuant to Utah Code Ann. Section 59-2-1113.

A. Household furnishings, furniture, and equipment are subject to property taxation if:

1. the owner of the abode commonly receives legal consideration for its use, whether in the form of rent, exchange, or lease payments; or

2. the abode is held out as available for the rent, lease, or use by others.

R884-24P-32. Leasehold Improvements Pursuant to Utah Code Ann. Section 59-2-303.

A. The value of leasehold improvements shall be included in the value of the underlying real property and assessed to the owner of the underlying real property.

B. The combined valuation of leasehold improvements and underlying real property required in A. shall satisfy the requirements of Section 59-2-103(1).

C. The provisions of this rule shall not apply if the underlying real property is owned by an entity exempt from tax under Section 59-2-1101.

D. The provisions of this rule shall be implemented and become binding on taxpayers beginning January 1, 2000.

R884-24P-33. 2010 Personal Property Valuation Guides and Schedules Pursuant to Utah Code Ann. Section 59-2-301.

(1) Definitions.

(a)(i) "Acquisition cost" does not include indirect costs such as debugging, licensing fees and permits, insurance, or security.

(ii) Acquisition cost may correspond to the cost new for new property, or cost used for used property.

(b)(i) "Actual cost" includes the value of components necessary to complete the vehicle, such as tanks, mixers, special containers, passenger compartments, special axles, installation, engineering, erection, or assembly costs.

(ii) Actual cost does not include sales or excise taxes, maintenance contracts, registration and license fees, dealer charges, tire tax, freight, or shipping costs.

(c) "Cost new" means the actual cost of the property when purchased new.

(i) Except as otherwise provided in this rule, the Tax Commission and assessors shall rely on the following sources to determine cost new:

(A) documented actual cost of the new or used vehicle; or

(B) recognized publications that provide a method for approximating cost new for new or used vehicles.

(ii) For the following property purchased used, the taxing authority may determine cost new by dividing the property's actual cost by the percent good factor for that class:

(A) class 6 heavy and medium duty trucks;

(B) class 13 heavy equipment;

(C) class 14 motor homes;

(D) class 17 vessels equal to or greater than 31 feet in length; and

(E) class 21 commercial trailers.

(d) For purposes of Sections 59-2-108 and 59-2-1115, "item of taxable tangible personal property" means a piece of equipment, machinery, furniture, or other piece of tangible personal property that is functioning at its highest and best use for the purpose it was designed and constructed and is generally capable of performing that function without being combined with other items of personal property. An item of taxable tangible personal property is not an individual component part of a piece of machinery or equipment, but the piece of machinery or equipment. For example, a fully functioning computer is an item of taxable tangible personal property, but the motherboard, hard drive, tower, or sound card are not.

(e) "Percent good" means an estimate of value, expressed as a percentage, based on a property's acquisition cost or cost new, adjusted for depreciation and appreciation of all kinds.

(i) The percent good factor is applied against the acquisition cost or the cost new to derive taxable value for the property.

(ii) Percent good schedules are derived from an analysis of the Internal Revenue Service Class Life, the Marshall and Swift Cost index, other data sources or research, and vehicle valuation guides such as Penton Price Digests.

(2) Each year the Property Tax Division shall update and publish percent good schedules for use in computing personal property valuation.

(a) Proposed schedules shall be transmitted to county assessors and interested parties for comment before adoption.

(b) A public comment period will be scheduled each year

and a public hearing will be scheduled if requested by ten or more interested parties or at the discretion of the Commission.

(c) County assessors may deviate from the schedules when warranted by specific conditions affecting an item of personal property. When a deviation will affect an entire class or type of personal property, a written report, substantiating the changes with verifiable data, must be presented to the Commission. Alternative schedules may not be used without prior written approval of the Commission.

(d) A party may request a deviation from the value established by the schedule for a specific item of property if the use of the schedule does not result in the fair market value for the property at the retail level of trade on the lien date, including any relevant installation and assemblage value.

(3) The provisions of this rule do not apply to:

(a) a vehicle subject to the age-based uniform fee under Section 59-2-405.1;

(b) the following personal property subject to the age-based uniform fee under Section 59-2-405.2:

(i) an all-terrain vehicle;

(ii) a camper;

(iii) an other motorcycle;

(iv) an other trailer;

(v) a personal watercraft;

(vi) a small motor vehicle;

(vii) a snowmobile;

(viii) a street motorcycle;

(ix) a tent trailer;

(x) a travel trailer; and

(xi) a vessel, including an outboard motor of the vessel, that is less than 31 feet in length and

(c) an aircraft subject to the uniform statewide fee under Section 59-2-404.

(4) Other taxable personal property that is not included in the listed classes includes:

(a) Supplies on hand as of January 1 at 12:00 noon, including office supplies, shipping supplies, maintenance supplies, replacement parts, lubricating oils, fuel and consumable items not held for sale in the ordinary course of business. Supplies are assessed at total cost, including freight-in.

(b) Equipment leased or rented from inventory is subject to ad valorem tax. Refer to the appropriate property class schedule to determine taxable value.

(c) Property held for rent or lease is taxable, and is not exempt as inventory. For entities primarily engaged in rent-to-own, inventory on hand at January 1 is exempt and property out on rent-to-own contracts is taxable.

(5) Personal property valuation schedules may not be appealed to, or amended by, county boards of equalization.

(6) All taxable personal property, other than personal property subject to an age-based uniform fee under Section 59-2-405.1 or 59-2-405.2, or a uniform statewide fee under Section 59-2-404, is classified by expected economic life as follows:

(a) Class 1 - Short Life Property. Property in this class has a typical life of more than one year and less than four years. It is fungible in that it is difficult to determine the age of an item retired from service.

(i) Examples of property in the class include:

(A) barricades/warning signs;

(B) library materials;

(C) patterns, jigs and dies;

(D) pots, pans, and utensils;

(E) canned computer software;

(F) hotel linen;

(G) wood and pallets;

(H) video tapes, compact discs, and DVDs; and

(I) uniforms.

(ii) With the exception of video tapes, compact discs, and DVDs, taxable value is calculated by applying the percent good factor against the acquisition cost of the property.

(iii) A licensee of canned computer software shall use one of the following substitutes for acquisition cost of canned computer software if no acquisition cost for the canned computer software is stated:

(A) retail price of the canned computer software;

(B) if a retail price is unavailable, and the license is a nonrenewable single year license agreement, the total sum of expected payments during that 12-month period; or

(C) if the licensing agreement is a renewable agreement or is a multiple year agreement, the present value of all expected licensing fees paid pursuant to the agreement.

(iv) Video tapes, compact discs, and DVDs are valued at $15.00 per tape or disc for the first year and $3.00 per tape or disc thereafter.

(b) Class 2 - Computer Integrated Machinery.

(i) Machinery shall be classified as computer integrated machinery if all of the following conditions are met:

(A) The equipment is sold as a single unit. If the invoice breaks out the computer separately from the machine, the computer must be valued as Class 12 property and the machine as Class 8 property.

(B) The machine cannot operate without the computer and the computer cannot perform functions outside the machine.

(C) The machine can perform multiple functions and is controlled by a programmable central processing unit.

(D) The total cost of the machine and computer combined is depreciated as a unit for income tax purposes.

(E) The capabilities of the machine cannot be expanded by substituting a more complex computer for the original.

(ii) Examples of property in this class include:

(A) CNC mills;

(B) CNC lathes;

(C) high-tech medical and dental equipment such as MRI equipment,

CAT scanners, and

mammography units.

(iii) Taxable value is calculated by applying the percent good factor against the acquisition cost of the property.

(B) alarm systems;

(C) shopping carts;

(D) ATM machines;

(E) small equipment rentals;

(B) the property is the same type as the following personal property:

(I) short life property;
(II) short life trade fixtures; or
(III) computer hardware; and

(C) the owner of the property elects to have the property assessed as short life expensed property.

(ii) Examples of property in this class include:

(A) short life property defined in Class 1;

The provisions of this rule shall be implemented and become binding on taxpayers beginning January 1, 2010.

R884-24P-34. Use of Sales or Appraisal Information Gathered in Conjunction With Assessment/Sales Ratio Studies Pursuant to Utah Code Ann. Section 59-2-704.

A. Market data gathered for purposes of an assessment/sales ratio study may be used for valuation purposes only as part of a systematic reappraisal program whereby all similar properties are given equitable and uniform treatment.

B. Sales or appraisal data gathered in conjunction with a ratio study shall not be used for an isolated reappraisal of the sold or appraised properties.

C. Information derived from ratio studies regarding the values assigned to real property and personal property shall not be used to establish the apportionment between real and personal property in future assessments.

B. The annual statement filed pursuant to Section 59-2-1102 shall contain the following information for the specific property for which an exemption is sought:

1. the owner of record of the property;

2. the property parcel, account, or serial number;

3. the location of the property;

4. the tax year in which the exemption was originally granted;

5. a description of any change in the use of the real or personal property since January 1 of the prior year;

6. the name and address of any person or organization conducting a business for profit on the property;

7. the name and address of any organization that uses the real or personal property and pays a fee for that use that is greater than the cost of maintenance and utilities associated with the property;

8. a description of any personal property leased by the owner of record for which an exemption is claimed;

9. the name and address of the lessor of property described in B.8.;

10. the signature of the owner of record or the owner's authorized representative; and

11. any other information the county may require.

C. The annual statement shall be filed:

1. with the county legislative body in the county in which the property is located;

2. on or before March 1; and

3. using:

a) Tax Commission form PT-21, Annual Statement for Continued Property Tax Exemption; or

b) a form that contains the information required under B.

R884-24P-36. Contents of Real Property Tax Notice Pursuant to Utah Code Ann. Section 59-2-1317.

A. In addition to the information required by Section 59-2-1317, the tax notice for real property shall specify the following:

1. the property identification number;

2. the appraised value of the property and, if applicable, any adjustment for residential exemptions expressed in terms of taxable value;

3. if applicable, tax relief for taxpayers eligible for blind, veteran, or poor abatement or the circuit breaker, which shall be shown as credits to total taxes levied; and

4. itemized tax rate information for each taxing entity and total tax rate.

A. The county assessor shall maintain an appraisal record of all real property subject to assessment by the county. The record shall include the following information:

1. owner of the property;
2. property identification number;
3. description and location of the property; and
4. full market value of the property.

B. Real property appraisal records shall show separately the value of the land and the value of any improvements.

R884-24P-38. Nonoperating Railroad Properties Pursuant to Utah Code Ann. Section 59-2-201.

(1)(a) "Railroad right of way" (RR-ROW) means a strip of land upon which a railroad company constructs the road bed.

(b) RR-ROW within incorporated towns and cities shall consist of 50 feet on each side of the main line main track, branch line main track or main spur track. Variations to the 50-foot standard shall be approved on an individual basis.

(c) RR-ROW outside incorporated towns and cities shall consist of the actual right-of-way owned if not in excess of 100 feet on each side of the center line of the main line main track, branch line main track, or main spur track. In cases where unusual conditions exist, such as mountain cuts, fills, etc., and more than 100 feet on either side of the main track is required for ROW and where small parcels of land are otherwise required for ROW purposes, the necessary additional area shall be reported as RR-ROW.

(2) Assessment of nonoperating railroad properties. Railroad property formerly assessed by the unitary method that has been determined to be nonoperating, and that is not necessary to the conduct of the business, shall be assessed separately by the local county assessor.

(3) Assessment procedures.

(a) Properties charged to nonoperating accounts are reviewed by the Property Tax Division, and if taxable, are assessed and placed on the local county assessment rolls separately from the operating properties.

(b) RR-ROW is considered operating and necessary to the conduct and contributing to the income of the business. Any revenue derived from leasing of property within the RR-ROW is considered railroad operating revenues.

(c) Real property outside of the RR-ROW that is necessary to the conduct of the railroad operation is considered part of the unitary value. Some examples are:

(i) company homes occupied by superintendents and other employees on 24-hour call;

(ii) storage facilities for railroad operations;

(iii) communication facilities; and

(iv) spur tracks outside of RR-ROW.

(d) Abandoned RR-ROW is considered nonoperating and shall be reported as such by the railroad companies.

(e) Real property outside of the RR-ROW that is not necessary to the conduct of the railroad operations is classified as nonoperating and therefore assessed by the local county assessor. Some examples are:

(i) land leased to service station operations;

(ii) grocery stores;

(iii) apartments;

(iv) residences; and

(v) agricultural uses.

(f) RR-ROW obtained by government grant or act of Congress is deemed operating property.

(4) Notice of Determination. It is the responsibility of the Property Tax Division to provide a notice of determination to the owner of the railroad property and the assessor of the county where the railroad property is located immediately after such determination of operating or nonoperating status has been made. If there is no appeal to the notice of determination, the Property Tax Division shall notify the assessor of the county where the property is located so that the property may be placed on the roll for local assessment.

(5) Appeals. Any interested party who wishes to contest the determination of operating or nonoperating property may do so by filing a request for agency action within ten days of the notice of determination of operating or nonoperating properties. Request for agency action may be made pursuant to Title 63G, Chapter 4.

R884-24P-40. Exemption of Parsonages, Rectories, Monasteries, Homes and Residences Pursuant to Utah Code Annotated 59-2-1101(d) and Article XIII, Section 2 of the Utah Constitution.

A. Parsonages, rectories, monasteries, homes and residences if used exclusively for religious purposes, are exempt from property taxes if they meet all of the following requirements:

1. The land and building are owned by a religious organization which has qualified with the Internal Revenue Service as a Section 501(c)(3) organization and which organization continues to meet the requirements of that section.

2. The building is occupied only by persons whose full time efforts are devoted to the religious organization and the immediate families of such persons.

3. The religious organization, and not the individuals who occupy the premises, pay all payments, utilities, insurance, repairs, and all other costs and expenses related to the care and maintenance of the premises and facilities.

B. The exemption for one person and the family of such person is limited to the real estate that is reasonable for the residence of the family and which remains actively devoted exclusively to the religious purposes. The exemption for more than one person, such as a monastery, is limited to that amount of real estate actually devoted exclusively to religious purposes.

C. Vacant land which is not actively used by the religious organization, is not deemed to be devoted exclusively to religious purposes, and is therefore not exempt from property taxes.

1. Vacant land which is held for future development or utilization by the religious organization is not deemed to be devoted exclusively to religious purposes and therefore not tax exempt.

2. Vacant land is tax exempt after construction commences or a building permit is issued for construction of a structure or other improvements used exclusively for religious purposes.

R884-24P-41. Adjustment or Deferral of Property Taxes Pursuant to Utah Code Ann. Section 59-2-1347.

A. Requested adjustments to taxes for past years may not be made under Utah Code Ann. Section 59-2-1347 if the requested adjustment is based only on property valuation.

B. Utah Code Ann. Section 59-2-1347 applies only to taxes levied but unpaid and may not serve as the basis for refunding taxes already paid.

C. Utah Code Ann. Section 59-2-1347 may only be applied to taxes levied for the five most recent tax years except where taxes levied remain unpaid as a result of administrative action or litigation.

R884-24P-49. Calculating the Utah Apportioned Value of a Rail Car Fleet Pursuant to Utah Code Ann. Section 59-2-201.

A. Definitions.

1. "Average market value per rail car" means the fleet rail car market value divided by the number of rail cars in the fleet.

2. "Fleet rail car market value" means the sum of:

a)(1) the yearly acquisition costs of the fleet's rail cars;

(2) multiplied by the appropriate percent good factors contained in Class 10 of R884-24P- 33, Personal Property Valuation Guides and Schedules; and

b) the sum of betterments by year.

(1) Except as provided in A.2.b)(2), the sum of betterments by year shall be depreciated on a 14-year straight line method.

(2) Notwithstanding the provisions of A.2.b)(1), betterments shall have a residual value of two percent.

3. "In-service rail cars" means the number of rail cars in the fleet, adjusted for out-of- service rail cars.

4. a) "Out-of-service rail cars" means rail cars:

(1) out-of-service for a period of more than ten consecutive hours; or

(2) in storage.

b) Rail cars cease to be out-of-service once repaired or removed from storage.

c) Out-of-service rail cars do not include rail cars idled for less than ten consecutive hours due to light repairs or routine maintenance.

5. "System car miles" means both loaded and empty miles accumulated in the U.S., Canada, and Mexico during the prior calendar year by all rail cars in the fleet.

6. "Utah car miles" mean both loaded and empty miles accumulated within Utah during the prior calendar year by all rail cars in the fleet.

7. "Utah percent of system factor" means the Utah car miles divided by the system car miles.

B. The provisions of this rule apply only to private rail car companies.

C. To receive an adjustment for out-of-service rail cars, the rail car company must report the number of out-of-service days to the commission for each of the company's rail car fleets.

D. The out-of-service adjustment is calculated as follows.

1. Divide the out-of-service days by 365 to obtain the out-of-service rail car equivalent.

2. Subtract the out-of-service rail car equivalent calculated in D.1. from the number of rail cars in the fleet.

E. The taxable value for each rail car fleet apportioned to Utah, for which the Utah percent of system factor is more than 50 percent, shall be determined by multiplying the Utah percent of system factor by the fleet rail car market value.

F. The taxable value for each rail car company apportioned to Utah, for which the Utah percent of system factor is less than or equal to 50 percent, shall be determined in the following manner.

1. Calculate the number of fleet rail cars allocated to Utah under the Utah percent of system factor. The steps for this calculation are as follows.

a) Multiply the Utah percent of system factor by the in-service rail cars in the fleet.

b) Multiply the product obtained in F.1.a) by 50 percent.

2. Calculate the number of fleet rail cars allocated to Utah under the time speed factor. The steps for this calculation are as follows.

a) Divide the fleet's Utah car miles by the average rail car miles traveled in Utah per year. The Commission has determined that the average rail car miles traveled in Utah per year shall equal 200,000 miles.

b) Multiply the quotient obtained in F.2.a) by the percent of in-service rail cars in the fleet.

c) Multiply the product obtained in F.2.b) by 50 percent.

3. Add the number of fleet rail cars allocated to Utah under the Utah percent of system factor, calculated in F.1.b), and the number of fleet rail cars allocated to Utah under the time speed factor, calculated in F.2.c), and multiply that sum by the average market value per rail car.

B. The commission shall apportion to a tax area the assessment of the mobile flight equipment owned by a commercial air carrier in the proportion that the ground time in the tax area bears to the total ground time in the state.

C. The provisions of this rule shall be implemented and

become binding on taxpayers beginning with the 1999 calendar year.

E. In the case of taxing entities operating under a January 1 through December 31 fiscal year, the advertisement for judgments issued from the previous December 16 through May 31 shall include any judgments issued from the previous June 1 through December 15 that the taxing entity advertised and budgeted for at its December budget hearing.

F. All taxing entities imposing a judgment levy shall file with the Tax Commission a signed statement certifying that all judgments for which the judgment levy is imposed have met the statutory requirements for imposition of a judgment levy.

1. The signed statement shall contain the following information for each judgment included in the judgment levy:

a) the name of the taxpayer awarded the judgment;

b) the appeal number of the judgment; and

c) the taxing entity's pro rata share of the judgment.

b) the dates all required judgment levy advertisements were published in the newspaper;

c) a copy of the final resolution imposing the judgment levy;

d) a copy of the Notice of Property Valuation and Tax Changes, if required; and

e) any other information required by the Tax Commission.

G. The provisions of House Bill 268, Truth in Taxation - Judgment Levy (1999 General Session), do not apply to judgments issued prior to January 1, 1999.

F. The only Section 59-2-405.1 uniform fee due upon registration or renewal of registration is the uniform fee calculated based on the age of the vehicle under E. on the first day of the registration period for which the registrant:

1. in the case of an original registration, registers the vehicle; or

2. in the case of a renewal of registration, renews the registration of the vehicle in accordance with Section 41-1a-216.

G. Centrally assessed taxpayers shall use the following formula to determine the value of locally assessed motor vehicles that may be deducted from the allocated unit valuation:

1. Divide the system value by the book value to determine the market to book ratio.

2. Multiply the market to book ratio by the book value of motor vehicles registered in Utah and subject to Section 59-2-405.1 to determine the value of motor vehicles that may be subtracted from the allocated unit value.

H. The motor vehicle of a nonresident member of the armed forces stationed in Utah may be registered in Utah without payment of the Section 59-2-405.1 uniform fee.

I. A motor vehicle belonging to a Utah resident member of the armed forces stationed in another state is not subject to the Section 59-2-405.1 uniform fee at the time of registration or renewal of registration as long as the motor vehicle is kept in the other state.

J. The situs of a motor vehicle or state-assessed commercial vehicle subject to the Section 59-2-405.1 uniform fee is determined in accordance with Section 59-2-104. Situs of purchased motor vehicles or state-assessed commercial vehicles shall be the tax area of the purchaser's domicile, unless the motor vehicle or state-assessed commercial vehicle will be kept in a tax area other than the tax area of the purchaser's domicile for more than six months of the year.

1. Upon agreement, the assessor of the county of registration shall forward the fee collected to the county of situs within 30 working days.

2. If the owner of a motor vehicle or state-assessed commercial vehicle registered in Utah is domiciled outside of Utah, the taxable situs of the vehicle is presumed to be the county in which the uniform fee was paid, unless an assessor's affidavit establishes otherwise.

3. The Tax Commission shall, on an annual basis, provide each county assessor information indicating all motor vehicles and state-assessed commercial vehicles subject to state registration and their corresponding taxable situs.

4. Section 59-2-405.1 uniform fees received by a county that require distribution to a purchaser's domicile outside of that county shall be deposited into an account established by the Commission, pursuant to procedures prescribed by the Commission.

5. Section 59-2-405.1 uniform fees received by the Commission pursuant to J.4. shall be distributed to the appropriate county at least monthly.

2. "Recreational vehicle" means a vehicular unit other than a mobile home, primarily designed as a temporary dwelling for travel, recreational, or vacation use, which is either self-propelled or pulled by another vehicle.

a) Recreational vehicle includes a travel trailer, a camping trailer, a motor home, and a fifth wheel trailer.

b) Recreational vehicle does not include a van unless specifically designed or modified for use as a temporary dwelling.

B. The uniform fee established in Section 59-2-405 is levied against the following types of personal property, unless specifically excluded by Section 59-2-405:

E. Centrally assessed taxpayers shall use the following formula to determine the value of locally assessed personal property that may be deducted from the allocated unit valuation:

1. Divide the system value by the book value to determine the market to book ratio.

2. Multiply the market to book ratio by the book value of personal property registered in Utah and subject to Section 59-2-405 to determine the value of personal property that may be subtracted from the allocated unit value.

F. If a property's valuation is appealed to the county board of equalization under Section 59-2-1005, the property shall become subject to a total revaluation. All adjustments are made on the basis of their effect on the property's average retail value as of the January 1 lien date and according to Tax Commission rule R884-24P-33.

If the personal property is not registered during the year, the owner remains liable for payment of the Section 59-2-405 uniform fee to the county assessor.

1. No additional uniform fee may be levied upon personal property transferred during a calendar year if the Section 59-2-405 uniform fee has been paid for that calendar year.

2. If the personal property is of a type registered for periods in excess of one year, the Section 59-2-405 uniform fee shall be due annually.

3. The personal property of a nonresident member of the armed forces stationed in Utah may be registered in Utah without payment of the Section 59-2-405 uniform fee.

4. Personal property belonging to a Utah resident member of the armed forces stationed in another state is not subject to the Section 59-2-405 uniform fee as long as the personal property is kept in another state.

I. If the personal property is of a type subject to annual registration, registration of that personal property may not be completed unless the Section 59-2-405 uniform fee has been paid, even if the taxpayer is appealing the uniform fee valuation. Delinquent fees may be assessed in accordance with Sections 59-2- 217 and 59-2-309 as a condition precedent to registration.

J. The situs of personal property subject to the Section 59-2-405 uniform fee is determined in accordance with Section 59-2- 104. Situs of purchased personal property shall be the tax area of the purchaser's domicile, unless the personal property will be kept in a tax area other than the tax area of the purchaser's domicile for more than six months of the year.

1. If an assessor discovers personal property that is kept in the assessor's county but registered in another, the assessor may submit an affidavit along with evidence that the property is kept in that county to the assessor of the county in which the personal property is registered. Upon agreement, the assessor of the county of registration shall forward the fee collected to the county of situs within 30 working days.

2. If the owner of personal property registered in Utah is domiciled outside of Utah, the taxable situs of the property is presumed to be the county in which the uniform fee was paid, unless an assessor's affidavit establishes otherwise.

3. The Tax Commission shall, on an annual basis, provide each county assessor information indicating all personal property subject to state registration and its corresponding taxable situs.

4. Section 59-2-405 uniform fees received by a county that require distribution to a purchaser's domicile outside of that county shall be deposited into an account established by the Commission, pursuant to procedures prescribed by the Commission.

5. Section 59-2-405 uniform fees received by the Commission pursuant to J.4. shall be distributed to the appropriate county at least monthly.

is applicable to the Section 59-2-405 uniform fee.

M. The provisions of this rule shall be implemented and become binding on taxpayers beginning January 1, 1999.

R884-24P-62. Valuation of State Assessed Unitary Properties Pursuant to Utah Code Ann. Section 59-2-201.

(1) Purpose. The purpose of this rule is to:

(a) specify consistent mass appraisal methodologies to be used by the Property Tax Division (Division) in the valuation of tangible property assessable by the Commission; and

(b) identify preferred valuation methodologies to be considered by any party making an appraisal of an individual unitary property.

(2) Definitions:

(a) "Cost regulated utility" means any public utility assessable by the Commission whose allowed revenues are determined by a rate of return applied to a rate base set by a state or federal regulatory commission.

(b) "Fair market value" means the amount at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or sell and both having reasonable knowledge of the relevant facts. Fair market value reflects the value of property at its highest and best use, subject to regulatory constraints.

(c) "Rate base" means the aggregate account balances reported as such by the cost regulated utility to the applicable state or federal regulatory commission.

(d) "Unitary property" means operating property that is assessed by the Commission pursuant to Section 59-2-201(1)(a) through (c).

(i) Unitary properties include:

(A) all property that operates as a unit across county lines, if the values must be apportioned among more than one county or state; and

(B) all property of public utilities as defined in Section 59-2-102.

(ii) These properties, some of which may be cost regulated utilities, are defined under one of the following categories.

(A) "Telecommunication properties" include the operating property of local exchange carriers, local access providers, long distance carriers, cellular telephone or personal communication service (PCS) providers and pagers, and other similar properties.

(B) "Energy properties" include the operating property of natural gas pipelines, natural gas distribution companies, liquid petroleum products pipelines, and electric corporations, including electric generation, transmission, and distribution companies, and other similar entities.

(C) "Transportation properties" include the operating property of all airlines, air charter services, air contract services, including major and small passenger carriers and major and small air freighters, long haul and short line railroads, and other similar properties.

(3) All tangible operating property owned, leased, or used by unitary companies is subject to assessment and taxation according to its fair market value as of January 1, and as provided in Utah Constitution Article XIII, Section 2. Intangible property as defined under Section 59-2-102 is not subject to assessment and taxation.

(4) General Valuation Principles. Unitary properties shall be assessed at fair market value based on generally accepted appraisal theory as provided under this rule.

(a) The assemblage or enhanced value attributable to the tangible property should be included in the assessed value. See Beaver County v. WilTel, Inc., 995 P.2d 602 (Utah 2000). The value attributable to intangible property must, when possible, be identified and removed from value when using any valuation method and before that value is used in the reconciliation process.

(b) The preferred methods to determine fair market value are the cost approach and a yield capitalization income indicator as set forth in Subsection (5).

(i) Other generally accepted appraisal methods may also be used when it can be demonstrated that such methods are necessary to more accurately estimate fair market value.

(ii) Direct capitalization and the stock and debt method typically capture the value of intangible property at higher levels than other methods. To the extent intangible property cannot be identified and removed, relatively less weight shall be given to such methods in the reconciliation process, as set forth in Subsection (5)(d).

(iii) Preferred valuation methods as set forth in this rule are, unless otherwise stated, rebuttable presumptions, established for purposes of consistency in mass appraisal. Any party challenging a preferred valuation method must demonstrate, by a preponderance of evidence, that the proposed alternative establishes a more accurate estimate of fair market value.

(c) Non-operating Property. Property that is not necessary to the operation of unitary properties and is assessed by a local county assessor, and property separately assessed by the Division, such as registered motor vehicles, shall be removed from the correlated unit value or from the state allocated value.

(5) Appraisal Methodologies.

(a) Cost Approach. Cost is relevant to value under the principle of substitution, which states that no prudent investor would pay more for a property than the cost to construct a substitute property of equal desirability and utility without undue delay. A cost indicator may be developed under one or more of the following methods: replacement cost new less depreciation (RCNLD), reproduction cost less depreciation (reproduction cost), and historic cost less depreciation (HCLD).

(i) "Depreciation" is the loss in value from any cause. Different professions recognize two distinct definitions or types of depreciation.

(A) Accounting. Depreciation, often called "book" or "accumulated" depreciation, is calculated according to generally accepted accounting principles or regulatory guidelines. It is the amount of capital investment written off on a firm's accounting records in order to allocate the original or historic cost of an asset over its life. Book depreciation is typically applied to historic cost to derive HCLD.

(B) Appraisal. Depreciation, sometimes referred to as "accrued" depreciation, is the difference between the market value of an improvement and its cost new. Depreciation is typically applied to replacement or reproduction cost, but should be applied to historic cost if market conditions so indicate. There are three types of depreciation:

(I) Physical deterioration results from regular use and normal aging, which includes wear and tear, decay, and the impact of the elements.

(II) Functional obsolescence is caused by internal property characteristics or flaws in the structure, design, or materials that diminish the utility of an improvement.

(III) External, or economic, obsolescence is an impairment of an improvement due to negative influences from outside the boundaries of the property, and is generally incurable. These influences usually cannot be controlled by the property owner or user.

(ii) Replacement cost is the estimated cost to construct, at current prices, a property with utility equivalent to that being appraised, using modern materials, current technology and current standards, design, and layout. The use of replacement cost instead of reproduction cost eliminates the need to estimate some forms of functional obsolescence.

(iii) Reproduction cost is the estimated cost to construct, at current prices, an exact duplicate or replica of the property being assessed, using the same materials, construction standards, design, layout and quality of workmanship, and

embodying any functional obsolescence.

(iv) Historic cost is the original construction or acquisition cost as recorded on a firm's accounting records. Depending upon the industry, it may be appropriate to trend HCLD to current costs. Only trending indexes commonly recognized by the specific industry may be used to adjust HCLD.

(v) RCNLD may be impractical to implement; therefore the preferred cost indicator of value in a mass appraisal environment for unitary property is HCLD. A party may challenge the use of HCLD by proposing a different cost indicator that establishes a more accurate cost estimate of value.

(b) Income Capitalization Approach. Under the principle of anticipation, benefits from income in the future may be capitalized into an estimate of present value.

(i) Yield Capitalization. The yield capitalization formula is CF/(k-g), where "CF" is a single year's normalized cash flow, "k" is the nominal, risk adjusted discount or yield rate, and "g" is the expected growth rate of the cash flow.

(A) Cash flow is restricted to the operating property in existence on the lien date, together with any replacements intended to maintain, but not expand or modify, existing capacity or function. Cash flow is calculated as net operating income (NOI) plus non-cash charges (e.g., depreciation and deferred income taxes), less capital expenditures and additions to working capital necessary to achieve the expected growth "g". Information necessary for the Division to calculate the cash flow shall be summarized and submitted to the Division by March 1 on a form provided by the Division.

(I) NOI is defined as net income plus interest.

(II) Capital expenditures should include only those necessary to replace or maintain existing plant and should not include any expenditure intended primarily for expansion or productivity and capacity enhancements.

(III) Cash flow is to be projected for the year immediately following the lien date, and may be estimated by reviewing historic cash flows, forecasting future cash flows, or a combination of both.

(Aa)If cash flows for a subsidiary company are not available or are not allocated on the parent company's cash flow statements, a method of allocating total cash flows must be developed based on sales, fixed assets, or other reasonable criteria. The subsidiary's total is divided by the parent's total to derive the allocation percentage to estimate the subsidiary's cash flow.

(Bb) If the subject company does not provide the Commission with its most recent cash flow statements by March 1 of the assessment year, the Division may estimate cash flow using the best information available.

(B) The discount rate (k) shall be based upon a weighted average cost of capital (WACC) considering current market debt rates and equity yields. WACC should reflect a typical capital structure for comparable companies within the industry.

(I) The cost of debt should reflect the current market rate (yield to maturity) of debt with the same credit rating as the subject company.

(II) The cost of equity is estimated using standard methods such as the capital asset pricing model (CAPM), the Risk Premium and Dividend Growth models, or other recognized models.

(Aa) The CAPM is the preferred method to estimate the cost of equity. More than one method may be used to correlate a cost of equity, but only if the CAPM method is weighted at least 50% in the correlation.

(Bb) The CAPM formula is k(e) = R(f) + (Beta x Risk Premium), where k(e) is the cost of equity and R(f) is the risk free rate.

(Cc) The risk free rate shall be the current market rate on 20-year Treasury bonds.

(Dd) The beta should reflect an average or value-weighted average of comparable companies and should be drawn consistently from Value Line or an equivalent source. The beta of the specific assessed property should also be considered.

(Ee) The risk premium shall be the arithmetic average of the spread between the return on stocks and the income return on long term bonds for the entire historical period contained in the Ibbotson Yearbook published immediately following the lien date.

(C) The growth rate "g" is the expected future growth of the cash flow attributable to assets in place on the lien date, and any future replacement assets.

(I) If insufficient information is available to the Division, either from public sources or from the taxpayer, to determine a rate, "g" will be the expected inflationary rate in the Gross Domestic Product Price Deflator obtained in Value Line. The growth rate and the methodology used to produce it shall be disclosed in a capitalization rate study published by the Commission by February 15 of the assessment year.

(ii) A discounted cash flow (DCF) method may be impractical to implement in a mass appraisal environment, but may be used when reliable cash flow estimates can be established.

(A) A DCF model should incorporate for the terminal year, and to the extent possible for the holding period, growth and discount rate assumptions that would be used in the yield capitalization method defined under Subsection (5)(b)(i).

(B) Forecasted growth may be used where unusual income patterns are attributed to

(I) unused capacity;

(II) economic conditions; or

(III) similar circumstances.

(C) Growth may not be attributed to assets not in place as of the lien date.

(iii) Direct Capitalization is an income technique that converts an estimate of a single year's income expectancy into an indication of value in one direct step, either by dividing the normalized income estimate by a capitalization rate or by multiplying the normalized income estimate by an income factor.

(c) Market or Sales Comparison Approach. The market value of property is directly related to the prices of comparable, competitive properties. The market approach is estimated by comparing the subject property to similar properties that have recently sold.

(I) Sales of comparable property must, to the extent possible, be adjusted for elements of comparison, including market conditions, financing, location, physical characteristics, and economic characteristics. When considering the sales of stock, business enterprises, or other properties that include intangible assets, adjustments must be made for those intangibles.

(II) Because sales of unitary properties are infrequent, a stock and debt indicator may be viewed as a surrogate for the market approach. The stock and debt method is based on the accounting principle which holds that the market value of assets equal the market value of liabilities plus shareholder's equity.

(d) Reconciliation. When reconciling value indicators into a final estimate of value, the appraiser shall take into consideration the availability, quantity, and quality of data, as well as the strength and weaknesses of each value indicator. Weighting percentages used to correlate the value approaches will generally vary by industry, and may vary by company if evidence exists to support a different weighting. The Division must disclose in writing the weighting percentages used in the reconciliation for the final assessment. Any departure from the prior year's weighting must be explained in writing.

(6) Property Specific Considerations. Because of unique characteristics of properties and industries, modifications or alternatives to the general value indicators may be required for

specific industries.

(a) Cost Regulated Utilities.

(i) HCLD is the preferred cost indicator of value for cost regulated utilities because it represents an approximation of the basis upon which the investor can earn a return. HCLD is calculated by taking the historic cost less depreciation as reflected in the utility's net plant accounts, and then:

(A) subtracting intangible property;

(B) subtracting any items not included in the utility's rate base (e.g., deferred income taxes and, if appropriate, acquisition adjustments); and

(C) adding any taxable items not included in the utility's net plant account or rate base.

(ii) Deferred Income Taxes, also referred to as DFIT, is an accounting entry that reflects the difference between the use of accelerated depreciation for income tax purposes and the use of straight-line depreciation for financial statements. For traditional rate base regulated companies, regulators generally exclude deferred income taxes from rate base, recognizing it as ratepayer contributed capital. Where rate base is reduced by deferred income taxes for rate base regulated companies, they shall be removed from HCLD.

(iii) Items excluded from rate base under Subsections (6)(a)(i)(A) or (B) should not be subtracted from HCLD to the extent it can be shown that regulators would likely permit the rate base of a potential purchaser to include a premium over existing rate base.

(b)(i) Railroads.

(ii) The cost indicator should generally be given little or no weight because there is no observable relationship between cost and fair market value.

(c)(i) Wind Power Generating Plants.

(ii) Due to the unique financial nature of operating wind power generating plants, the following tax credits provided to entities operating wind power generating plants shall be identified and removed as intangible property from the indicators of value considered under this rule:

(A) renewable electricity production credits for wind power generation pursuant to Section 45, Internal Revenue Code; and

(B) refundable wind energy tax credits pursuant to Section 59-7-614(2)(c).

R884-24P-63. Performance Standards and Training Requirements Pursuant to Utah Code Ann. Section 59-2-406.

A. The party contracting to perform services shall develop a written customer service performance plan within 60 days after the contract for performance of services is signed.

1. The customer service performance plan shall address:

a) procedures the contracting party will follow to minimize the time a customer waits in line; and

b) the manner in which the contracting party will promote alternative methods of registration.

2. The party contracting to perform services shall provide a copy of its customer service performance plan to the party for whom it provides services.

3. The party for whom the services are provided may, no more often than semiannually, audit the contracting party's performance based on its customer service performance plan, and may report the results of the audit to the county commission or the state tax commissioners, as applicable.

B. Each county office contracting to perform services shall conduct initial training of its new employees.

C. The Tax Commission shall provide regularly scheduled training for all county offices contracting to perform motor vehicle functions.

R884-24P-64. Determination and Application of Taxable Value for Purposes of the Property Tax Exemptions for Disabled Veterans and the Blind Pursuant to Utah Code Ann. Sections 59-2-1104 and 59-2-1106.

For purposes of Sections 59-2-1104 and 59-2-1106, the taxable value of tangible personal property subject to a uniform fee under Sections 59-2-405.1 or 59-2-405.2 shall be calculated by dividing the uniform fee the tangible personal property is subject to by .015.

R884-24P-65. Assessment of Transitory Personal Property Pursuant to Utah Code Ann. Section 59-2-402.

A. "Transitory personal property"means tangible personal property that is used or operated primarily at a location other than a fixed place of business of the property owner or lessee.

B. Transitory personal property in the state on January 1 shall be assessed at 100 percent of fair market value.

C. Transitory personal property that is not in the state on January 1 is subject to a proportional assessment when it has been in the state for 90 consecutive days in a calendar year.

1. The determination of whether transitory personal property has been in the state for 90 consecutive days shall include the days the property is outside the state if, within 10 days of its removal from the state, the property is:

a) brought back into the state; or

b) substituted with transitory personal property that performs the same function.

D. Once transitory personal property satisfies the conditions under C., tax shall be proportionally assessed for the period:

1. beginning on the first day of the month in which the property was brought into Utah; and

2. for the number of months remaining in the calendar year.

E. R994. Workforce Services, Unemployment Insurance.
R994-305. Collection of Contributions.
R994-305-101. Policy Governing the Filing of Warrants.

(1) Warrants will be issued on fault overpayments and delinquent employer accounts when there is no installment agreement in effect, when the installment agreement provides for more than three years from the date the liability is established to pay the liability, when the monthly installment payment amount on a fault overpayment is less than the amount specified in Subsection R994-406-302(4)(b), or when an installment agreement is canceled due to failure to make payments or due to the occurrence of a new liability.

(2) Warrants will be issued on all fraudulent overpayments established under Subsection 35A-4-405(5), even if there is an installment agreement and warrants on such overpayments, penalties, and costs will be renewed until paid in full.

(3) No warrants will be issued on non-fault overpayments established under Subsection 35A-4-406(5).

R994-305-102. Write Off Policy for Nonfault Overpayments.

All nonfault overpayments established under Subsection 35A-4-406(5) may be written off and removed from the records of the Department after three years without further review unless a payment or offset has been made within the prior 90 days. These debts will be forgiven and forgotten and no further collection or offset will take place.

R994-305-103. Write Off Policy for Other Overpayments.

Except for fraud overpayments established under Subsection 35A-4-406(5), all accounts receivable overpayments for claimant and employer liabilities including interest and penalties which have not been collected or offset within three years after the filing of a warrant may be reviewed for determination of collectibility. If it is determined on the information reasonably available to the Department that the delinquent claimant or employer has no known assets which are subject to the attachment, and it appears there is no likelihood of collection in the foreseeable future, the Department will write off the account. All collection or offset action shall cease as far as enforcement of collection procedures are concerned. However, consistent with general accounting principles, if the Department receives money by virtue of a warrant judgment on a debt that has been written off, the Department will reinstate the equivalent portion of the debt and retain the collected monies.

R994-305-801. Wage List Requirement.

(1) Federal Requirement.

Section 1137 of the Social Security Act requires employers to submit quarterly wage reports to a state agency. This Department is the designated agency for the state of Utah. The Unemployment Insurance Division of the Department uses wage information submitted by employers to establish benefit determinations for claimants and to verify employer contribution payments.

(2) Wage List Due Date.

(a) Contributory employers must file a wage list with the Form 3, Employer's Contribution Report. Reimbursable employers must file a wage list with the Form 794, Insured Employment and Wage Report. Wage lists are due the last day of the month following the end of the calendar quarter.

(b) Domestic employers electing to file an annual report must file a wage list with the Form 3D, Domestic Employer's Annual Report. The wage list is due January 31 of the year following the year wages were paid.

(c) Reimbursable employers must not file a wage list with Form 794-N, Non-insured Employment and Wage Report.

(d) Wage list due dates may be changed and extensions granted under the same provisions established for contribution reports in Rule R994-302.

(3) Wage Information Required.

Each page of the wage list must be identified by the employer's Utah registration number, the employer's name, and the quarter and year being reported. The following information must be provided for each employee as a line item on each wage list in the following order:

(a) social security number;

(b) first initial, second initial and full last name; and

(c) gross wages paid during the quarter. Section 35A-4-204 defines subject employment and Section 35A-4-208 defines wages. Only those employees who were paid wages during the quarter should be reported on the wage list.

(4) Wage Reporting Methods.

The Department will accept wage lists filed on approved forms, approved magnetic and electronic media, or the Department website. All wage lists reported on forms other than those provided by the Department require prior approval.

(a) Approved Form Reporting.

The wage list must be typewritten or machine printed in black ink so that it is capable of being processed by an optical scanner. The wage list must be on Department approved forms or on plain white paper using the exact same format, placement on the page, and spacing as on the Department approved forms. Wage list forms are available upon request from the Department or may be downloaded from the Department's website.

(b) Magnetic and Electronic Media Reporting.

Magnetic and electronic media reporting must be submitted according to specifications approved by the Department.

(5) Wage List Total Must Equal the Quarterly Report Total.

The total amount of wages reported on the wage list must be the same as the total wages shown on the Form 3, Employer's Contribution Report. The total of the wage list for a reimbursable employer must be the same as the total wages shown as "insured payroll" on Form 794, Insured Employment and Wage Report. Wage lists consisting of more than one page must show the employer's Utah registration number, the quarter and year of the reporting period, a total for each page and a grand total for all pages on the first page.

(6) Wage Lists Corrections for Prior Quarters.

(a) Corrections to wage lists for prior quarters must be made on a separate report and not on the wage list for the current quarter. The employer must submit the following information for each employee in the following order:

(i) social security number;

(ii) first initial, second initial and full last name; and

(iii) gross wages that should have been properly reported.

(b) Each page of the wage list adjustments must be identified by the employer's Utah registration number, the employer's name, and the quarter and year.

(c) The employer must submit an explanation for the corrections being made.

(d) Corrections to wages may result in additional contributions being assessed or refunded.

(7) Penalty for Failure to Provide Wage List Information.

(a) A penalty may be assessed for each failure to submit a wage list by the due date as specified in this rule or for failure to submit a wage list in an acceptable format as specified in this rule. The penalty amount is $50 for every 15 days, or fraction thereof, that the filing is late or not in an acceptable format, not to exceed $250 per filing.

(b) The penalty will be collected in the same manner and under the same legal provisions as unpaid contributions. Waiver of the penalty will be made if the employer can show good cause for failure to provide the required wage list. Good cause is established if the employer was prevented from filing a wage list for circumstances that are compelling or beyond the

employer's control. Payment of the penalty does not relieve the employer from the responsibility of filing the wage list in the acceptable format.
